Public Comment to the Surface Transportation Board from Tri-Valley CAREs

Tri-Valley CAREs (Communities Against Radioactive Environment) is a non-governmental 501(c)(3) organization based in Livermore, California. For the past twenty-seven years, Tri-Valley CAREs has monitored nuclear weapons and environmental cleanup activities throughout the nuclear weapons complex, with a special focus on Lawrence Livermore National Laboratory (Livermore Lab) and the surrounding communities in the San Francisco Bay Area. Tri-Valley CAREs' overarching mission is to promote peace, justice and a healthy environment, substantially, by pursuing remediation of the radioactive and toxic pollution emanating from Livermore Lab and reducing its environmental and health hazards. Tri-Valley CAREs seeks to protect all living beings and the environment from the effects of radioactive and other hazardous materials now and in the future.

Tri-Valley CAREs supports and is in full agreement with the formal comments submitted today by the Conejos County Clean Water, Inc. to the Surface Transportation Board.

Thank you for your full consideration of our comments.

I certify that I have emailed one copy of this comment to John D. Heffner, Esq. at j.heffner@verizon.net today the 12th day of October, 2010.

Sincerely,

Marylia Kelley
