Re: STB Finance Docket No. 35440
State of Maine – Petition for Declaratory Order
Expedited Consideration Requested / Fee Waiver

Dear Ms. Brown:

Earlier today, the State of Maine filed a Petition for Declaratory Order in the above-referenced proceeding. Upon review, it appears that there was an incorrect milepost shown on the Map (Attachment 1), with the northernmost point being marked as "M.P. 25.96" when it should properly be marked as "M.P. 29.56." Attached is a Revised Attachment 1 which we request be substituted into the Petition. (The segment is properly described in the text of the Petition.) We apologize for any confusion resulting from this error

Respectfully,

Eric M. Hocky
