**Re: Docket No. AB-55 (Sub-No. 702X), CSX Transportation, Inc. —
Abandonment Exemption—in Marion County, Indiana**

Dear Ms. Brown:

CSX Transportation, Inc. ("CSXT") hereby notifies the Board that pursuant to the decision served on August 12, 2010 in the above-entitled proceeding, CSXT has as of the date of this letter consummated the abandonment of the 0.82-mile line of railroad between milepost QSZ 3.60 and milepost QSZ 4.42, in Indianapolis, Marion County, Indiana (the "Line"). CSXT does not intend to salvage the Line, but has reclassified the Line as excepted track under 49 U.S.C. §10906 and CSXT will retain the portion of the Line between milepost QSZ 3.60 and milepost QSZ 3.75 for that use. Further, CSXT intends to transfer the portion of the Line between milepost QSZ 3.75 and QSZ 4.08 to a customer so that the customer can use the line for the rail services it needs for its facilities¹.

Accordingly, CSXT hereby notifies the Board that it has satisfied all conditions in the August 12, 2010, decision and therefore will exercise its abandonment authority as of the date of this letter.

CSXT is e-filing this letter. Thank you for your assistance and please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely yours,

Kathryn R. Barney

cc: Indiana Department of Transportation

¹ As noted in the Environmental Report and Historic Report filed with the Board and served in accordance with the Board's regulations, the portion of the Line from milepost QSZ 4.08 and milepost QSZ 4.42 was removed by Conrail prior to CSXT's acquisition of the Line from Conrail.
