Re: Docket No. 42113, Arizona Electric Power Cooperative, Inc. v. BNSF Railway Company and Union Pacific Railroad Company

Dear Ms. Brown:

In its Amended Complaint filed January 30, 2009, in the above-referenced proceeding, as supplemented by letters to then-Acting Secretary Anne K. Quinlan dated February 20, 2009 and August 25, 2009, Arizona Electric Power Cooperative, Inc. ("AEPCO"), challenged, *inter alia*, BNSF Common Carrier Pricing Authority BNSF 57988, which established common carrier rates for AEPCO's shipments of coal from Powder River basin origins in Wyoming and Montana to its Apache Generating Station at Cochise, AZ.

Defendant BNSF Railway Company ("BNSF") recently issued Revision 1 to BNSF 57988 which establishes increased rates for coal movements from the Powder River Basin origins, effective February 19, 2010. By this letter, AEPCO further amends its Amended Complaint to encompass Revision 1 to Common Carrier Pricing Authority BNSF 57988, a copy of which is attached hereto as Attachment A.

AEPCO requests that this letter and Attachment A be accepted for inclusion in the record for this proceeding.
