Re: Finance Docket Matter No. 35395, Trackage Rights Exemption—Norfolk Southern Railway Company—Illinois Central Railroad Company.

Dear Ms. Brown:

Please accept this letter for filing as an Errata in the subject proceeding. In Norfolk Southern Railway Company's ("Norfolk Southern") Verified Notice of Exemption, dated September 27, 2010, and filed September 29, 2010, Footnote 2 on Page 4 should read:

"Note that a portion of this route is over tracks owned by the Paducah & Illinois Railroad Company, and that Norfolk Southern's use of this portion of the trackage rights is contingent upon Norfolk Southern obtaining a separate agreement to operate over the Paducah & Illinois. If and when Norfolk Southern can obtain such an agreement, Norfolk Southern will file a Notice of Exemption with the Surface Transportation Board regarding the same."

This inclusion of the above Footnote should serve to more fully articulate the specific issues described. I appreciate the opportunity to make such a clarification.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel G. Kruger". The signature is written in a cursive, flowing style.
