**MOTION FOR PROTECTIVE ORDER**

---

Pursuant to 49 C.F.R. § 1104.14(b), the City of Temple, Texas (“Temple”) hereby moves for a protective order in the form set forth in Appendix A hereto. The proposed protective order is necessary to allow Temple to submit to the Surface Transportation Board (the “Board”) certain documents that contain highly sensitive commercial terms, and to make such documents available to outside counsel for interested parties solely for use in this proceeding.

Concurrent with the filing of this Motion for a Protective Order, Temple filed a Petition for Exemption in this proceeding to acquire from the Georgetown Railroad Company (“Georgetown”) about 6.277 miles of rail line between near Belton, TX, milepost 0.0, and Smith, TX, milepost 6.277, in Bell County, TX (the “Petition”). Along with the Petition, Temple is filing a copy of the Purchase and Sale Agreement dated as of November 12, 2010 (the “Agreement”) between Temple and Georgetown, providing the terms and conditions for Temple to acquire the Line from Georgetown. The Agreement contains confidential, commercially sensitive information relating to the commercial terms of the acquisition of the Line by Temple.

Accordingly, Temple requests that a Protective Order be entered that will apply to the enclosed executed Agreement, in the form set forth in Appendix A to this Motion, including the forms of confidentiality undertakings that accompany it.

Respectfully submitted,

Louis E. Gitomer, Esq.

**APPENDIX A**  
**PROTECTIVE ORDER**

1. For purposes of this Protective Order:
  - (a) “Confidential Documents” means documents and other tangible materials containing or reflecting Confidential Information.
  - (b) “Confidential Information” means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost workpapers), the identification of shippers and receivers in conjunction with shipper-specific or other traffic data, the confidential terms of contracts with shippers, confidential financial and cost data, and other confidential or proprietary business or personal information.
  - (c) “Designated Material” means any documents designated or stamped as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” in accordance with paragraphs 3 or 4 of this Protective Order, and any Confidential Information contained in such materials.
  - (d) These “Proceedings” consist of STB Finance Docket No. 35446, any related proceedings before the Surface Transportation Board and any judicial review, proceedings arising from STB Finance Docket No. 35446 or from any related proceedings before the Board.
2. Personnel of the City of Temple, Texas (“Temple”) and Georgetown Railroad Company (“Georgetown”), the parties involved in this matter and their affiliates (collectively the parties), including outside consultants and attorneys for Temple or parties (representatives), may exchange Confidential Information for the purpose of participating in the Proceeding, but not for any other business, commercial, or other competitive purpose.
3. If any party to these Proceeding determines that any part of a discovery request or response, of a transcript of a deposition or hearing, or of a pleading or other paper filed or served in these Proceeding contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as “CONFIDENTIAL”. Any information or documents designated or stamped as “CONFIDENTIAL” shall be handled as provided for hereinafter, except that no prohibition in any subsequent paragraph is applicable to an exchange of information pursuant to paragraph 2 of this Protective Order.
4. Any party producing material in discovery to another party to these Proceeding, or submitted material in pleadings or other documents filed or served, may in good faith designate and stamp particular Confidential Information, such as material containing shipper-specific rate or cost data or other competitively sensitive or proprietary information, as “HIGHLY CONFIDENTIAL.” Any information or documents so designated or stamped shall be handled as provided hereinafter, except that no prohibition in any subsequent paragraph is applicable to an exchange of information pursuant to paragraph 2 of this Protective Order.
5. Information and documents designated or stamped as “CONFIDENTIAL” may not be disclosed in any way, directly or indirectly, or to any person or entity except to an employee, counsel, consultant, or agent of a party to these Proceedings, or an employee of such

counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Order and providing a copy of the confidentiality undertaking to counsel for Temple.

6. Information and documents designated or stamped as "HIGHLY CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these Proceedings, or to an employee of such outside counsel or outside consultant, who before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this Order and providing a copy of the confidentiality undertaking to counsel for Temple.

7. Any party to these Proceedings may challenge the designation by any other party of information or documents as "CONFIDENTIAL" or as "HIGHLY CONFIDENTIAL" by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenge(s).

8. Designated Material may not be used for any purposes other than these Proceedings, including without limitation any business, commercial, strategic, or competitive purpose.

9. Any party who received Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals, or remands.

10. No party may include Designated Material in any pleading, brief, discovery request or response, or other documents submitted to the Board, unless the pleadings or other document is submitted under seal; in a package clearly marked on the outside as "Confidential Materials Subject to Protective Order." See 49 CFR 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

11. No party may include Designated Material in any pleadings, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, "Confidential Materials Subject to Request for Protective Order," and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

12. No party may present or otherwise use any Designated Material at a Board hearing these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.

13. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated Material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in paragraph 10 of this Protective Order.

14. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with paragraphs 1, 2, 3, or 4 above, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. 11904 or of any other relevant provision of the ICC Termination Act of 1995.

15. All parties executing a CONFIDENTIAL or HIGHLY CONFIDENTIAL undertaking shall serve a copy upon the party providing the information.

16. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.

17. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.

**EXHIBIT A**

**UNDERTAKING  
CONFIDENTIAL MATERIAL**

I, \_\_\_\_\_, have read the Protective Order served on \_\_\_\_\_, governing the production of confidential documents in STB Finance Docket No. 35446, understand the same, and agree to be bound by its terms. I agree not to use or permit the use of any confidential data or information obtained pursuant to this Undertaking, or to use or permit the use of any techniques disclosed or information learned as a result of receiving such data or information, for any purposes other than the preparation and presentation of evidence and argument in STB Finance Docket No. 35446 or any judicial review proceeding arising therefrom. I further agree not to disclose any confidential data or information obtained under this Protective Order to any person who is not also bound by the terms of the Order and has not executed an Undertaking in the form hereof. At the conclusion of this proceeding and any judicial review proceeding arising therefrom, I will promptly destroy any copies of such designated documents obtained or made by me or by any outside counsel or outside consultants working with me, provided, however, that outside counsel (but not outside consultants) may retain file copies of its work product and of pleadings and evidence filed with the Board, and in-house counsel may retain file copies of all pleadings and evidence containing confidential material it received during the course of this proceeding. I further understand that a party may retain its own confidential material.

I understand and agree that money damages would not be a sufficient remedy for breach of this Undertaking and that a party which asserts the confidential interest shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach. I further agree to waive any requirement for the securing or posting of any bond in connection with such remedy. Such remedy shall not be deemed to be the exclusive remedy for breach of this Undertaking but shall be in addition to all remedies available at law or equity.

**EXHIBIT B**

**UNDERTAKING  
HIGHLY CONFIDENTIAL MATERIAL**

As outside [counsel] [consultant] for \_\_\_\_\_, for which I am acting in this proceeding, I have read the Protective Order served on \_\_\_\_\_, governing the production of confidential documents in STB Finance Docket No. 35446, understand the same, and agree to be bound by its terms. I also understand and agree, as a condition precedent to my receiving, reviewing, or using copies of any documents designated "HIGHLY CONFIDENTIAL," that I will limit my use of those documents and the information they contain to the preparation and presentation of evidence and argument in STB Finance Docket No. 35446 and any judicial review proceeding arising therefrom, that I will take all necessary steps to ensure that said documents and information will be kept on a confidential basis by any outside counsel or outside consultants working with me, that under no circumstances will I permit access to said documents or information by personnel of my client, its subsidiaries, affiliates, or owners, except as otherwise provided in the Protective Order, and that at the conclusion of this proceeding and any judicial review proceeding arising therefrom, I will promptly destroy any copies of such designated documents obtained or made by me or by any outside counsel or outside consultants working with me, provided, however, that outside counsel (but not outside consultants) may retain file copies of its work and of any pleadings and evidence filed with the Board. I further understand that I must destroy all notes or other documents containing such highly confidential information received from the other party in compliance with the terms of the Protective Order. Under no circumstances will I permit access to documents designated "HIGHLY CONFIDENTIAL" by, or disclose any information contained therein to, any persons or entities for which I am not acting in this proceeding.

I understand and agree that money damages would not be a sufficient remedy for breach of this Undertaking and that a party which asserts the highly confidential interest shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach. I further agree to waive any requirement for the securing or posting of any bond in connection with such remedy. Such remedy shall not be deemed to be the exclusive remedy for breach of this Undertaking but shall be in addition to all remedies available at law or equity.
