1. I am Vice President of General Electric Railcar Services Corporation ("GERSCo"), and I am authorized to make this Affidavit on behalf of the Corporation.

2. In 1989, GERSCo acquired, directly or indirectly, certain assets from Brae Transportation, Inc., which was formerly known as Brae Corporation.

3. SSI Rail Corp. was merged with and into Itel Corporation effective December 30, 1977.

5. Effective June 1, 1992, certain affiliates of GERSCo entered into certain agreements with Itel Corporation, Itel Rail Corporation and Rex Railways, Inc. whereby (a) Itel Corporation, Itel Rail Corporation and Rex Railways, Inc. contributed substantially all of their railcar and railcar lease assets to Railcar Associates, L.P. and (b) Railcar Associates, L.P. leased such railcars and transferred such railcar leases to an affiliate of GERSCo.

6. Effective June 1, 2010, pursuant to an assignment of rights under the leases described above, General Electric Capital Corporation purchased all of the assets of Railcar Associates, L.P., which assets have since been transferred to GERSCo.

Brae Corporation, Brae Transportation, Inc., SSI Rail Corp., Rex Railways, Inc., Itel Corporation or Itel Rail Corporation were party to certain lease documents identified on Exhibit A hereto (collectively, together with (i) any other filings or recordations thereof and (ii) any schedules, amendments, supplements, riders or other modifications thereof, the "Lease Filings") that were filed with the Interstate Commerce Commission and the Surface Transportation Board. The Lease Filings (a) may pertain

to leases and/or railcars subsequently transferred to GERSCo and (b) have termination dates which cannot be determined on the face of documents currently on file.

8. In connection with a sale of a substantial portion of its boxcar assets to GATX Corporation, the Lease Filings have been brought to the attention of GERSCO.

9. GERSCo states that (a) of the assets it sold to GATX Corporation in March 2013, at the time of such sale it treated none as being subject to any of the leases or other obligations identified or referenced in the Lease Filings and (b) to its knowledge (without accepting any duty of enquiry), none of the Lease Filings relate to continuing or current obligations of any party.

10. This Affidavit is submitted for filing with the Surface Transportation Board as best evidence that the Lease Filings are terminated and that GERSCO thereafter held title to rail equipment it owned subject to the Lease Filings free and clear of any liens or encumbrances imposed by the Lease Filings.
