**CONDITIONAL SALE AGREEMENT** dated as of April 15, 1971, among RYDAL EQUIPMENT Co., a Pennsylvania corporation (hereinafter called the Vendor or Builder as more particularly set forth in Article 25 hereof), RICHARDSON DILWORTH AND ANDREW L. LEWIS, JR., Trustees of the property of READING COMPANY (hereinafter called the Debtor and said Trustees together with their successors in interest being hereinafter called the Trustees or collectively called the Guarantor or the Lessee), and UNILEASE No. 8, INC., a Delaware corporation (hereinafter called the Vendee).

WHEREAS, on the 23rd day of November, 1971, the Debtor filed a petition for reorganization under Section 77 of the Bankruptcy Act in the United States District Court for the Eastern District of Pennsylvania and such petition was duly approved as properly filed by order entered on said date by said Court (the proceedings with respect thereto being hereinafter called the Reorganization Proceedings and said Court being hereinafter called the Court), and the Trustees were duly qualified as trustees of the property of the Debtor on January 24, 1972;

WHEREAS, the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS, the Vendee is executing a lease of the Equipment as of the date hereof to the Lessee in substantially the form annexed hereto as Annex D (hereinafter called the Lease) and the Guarantor is willing to guarantee to the Vendor the due and punctual payment of all sums payable by, and the due and punctual performance of all other obligations of, the Vendee under this Agreement and has joined in this Agreement for the purpose of setting

forth the terms and conditions of such guaranty and making certain further agreements as hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Incorporation of Model Provisions.* Whenever this Agreement incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Conditional Sale Provisions for Lease Transactions" annexed to this Agreement as Part I of Annex C hereto (hereinafter called the Model CSA Provisions), such provision of the Model CSA Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Agreement.

ARTICLE 2. *Construction and Sale.* Article 2 of the Model CSA Provisions is herein incorporated as Article 2 hereof.

ARTICLE 3. *Inspection and Delivery.* Article 3 of the Model CSA Provisions is herein incorporated as Article 3 hereof.

ARTICLE 4. *Purchase Price and Payment.* The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Guarantor. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased. If on any Closing Date (as hereinafter defined in this Article 4) the aggregate of the Invoiced Purchase Prices (as hereinafter defined in this

Article 4) for which settlement has theretofore been and is then being made under this Agreement, would, but for the provisions of this sentence, exceed \$1,960,500 (or such higher amount as the Vendee may at its option agree to), the Builder (and any assignee of the Builder) and the Guarantor will, upon request of the Vendee, enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Invoiced Purchase Prices under this Agreement to not more than \$1,960,500 (or such higher amount as aforesaid), and the Guarantor agrees to purchase any such unit or units so excluded from this Agreement from the Builder for cash on the date such unit or units would otherwise have been settled for under this Agreement either directly, or, if the Builder and the Guarantor shall mutually agree, by means of a conditional sale, equipment trust or other appropriate method of financing.

The Equipment shall be settled for in not more than three groups of units of the Equipment delivered to and accepted by the Vendee (each such group being hereinafter called a Group) unless a greater number shall be agreed to by the parties hereto. The term "Closing Date" with respect to any Group shall mean such date (not later than June 30, 1972, such date being herein called the Cut-Off Date), occurring not more than ten business days following presentation by the Builder to the Vendee of the invoice and the Certificate or Certificates of Acceptance for the Equipment and written notice thereof by the Builder to the Guarantor, as shall be fixed by the Guarantor by written notice delivered to the Vendee and the Vendor at least five business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and

any other day on which banking institutions in Philadelphia, Pennsylvania, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) On the Closing Date with respect to each Group (i) an amount equal to 23% of the aggregate Purchase Price of such Group plus (ii) the amount by which (x) 77% of the Purchase Price of all units of the Equipment covered by this Agreement for which settlement has theretofore and is then being made, as set forth in the invoice or invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) the sum of \$1,509,585 and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to this clause (ii); and

(b) In 29 consecutive semiannual instalments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The instalments of the portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (said portion of the aggregate Purchase Price for such Equipment being herein called the Conditional Sale Indebtedness) shall be payable on each January 1 and July 1, commencing January 1, 1973, to and including January 1, 1987 (or if any such date is not a business day on the next preceding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear

interest from the Closing Date in respect of which such indebtedness was incurred at the rate of 10% per annum and such interest shall be payable, to the extent accrued, on July 1, 1972 and on each Payment Date thereafter. The principal amount of Conditional Sale Indebtedness payable on each of the Payment Dates shall be calculated on such a basis that the aggregate of the principal and interest payable on each of such Payment Dates shall be substantially equal and such 29 instalments of principal will completely amortize the Conditional Sale Indebtedness.

The Vendee will furnish to the Vendor and the Guarantor promptly after the last Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay interest, to the extent legally enforceable, at the rate of 11% per annum upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof or such lesser amount as shall be legally enforceable, anything herein to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 7 hereof, the Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The parties hereto contemplate (subject to the limitations set forth in the first paragraph of this Article 4) that the Vendee will furnish that portion of the Purchase Price for the Equipment as is required under subparagraph (a) of the third paragraph of this Article 4 and that an amount

equal to the balance of such Purchase Price shall be paid to the Builder by an assignee of the Builder's right, title and interest under this Agreement pursuant to an Agreement and Assignment between the Builder and Central Penn National Bank, as agent (such Agreement and Assignment being hereinafter called the Assignment and such assignee being herein called the Assignee or the Vendor as indicated in Article 25 hereof).

It is agreed that the obligation of the Vendee to pay to the Vendor any amount required to be paid pursuant to the third paragraph of this Article 4 with respect to the Equipment is specifically subject to the fulfillment, on or before the Closing Date in respect of any Group, of the following conditions (any of which may be waived by the Vendee, and payment by the Vendee of the amount specified in subparagraph (a) of the third paragraph of this Article 4 with respect to such Group shall be conclusive evidence that such conditions have been fulfilled or irrevocably waived):

(a) the Assignee shall concurrently pay or cause to be paid to the Builder the amounts contemplated to be paid by it as provided in the preceding paragraph of this Article 4 and in Section 6 of the Assignment and the documents required by Section 6 of the Assignment shall have been delivered;

(b) no event of default of the Guarantor specified herein or Event of Default of the Lessee under the Lease, nor any event which with lapse of time and/or demand provided for herein or in the Lease would constitute such an event of default or Event of Default, shall have occurred and be continuing; and

(c) the Vendee shall have received (i) the opinion of counsel required by § 15 of the Lease and (ii) such other documents as the Vendee may reasonably request.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 16 and 17 hereof), it is understood and agreed by the Vendor that the liability of the Vendee for all payments to be made by it under and pursuant to this Agreement, with the exception only of the payments to be made pursuant to subparagraph (a) of the third paragraph of Article 4 hereof, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee or any assignee of the Vendee shall have actually received sufficient "income or proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that the Vendee shall have no personal liability to make any payments under this Agreement whatsoever except from the "income and proceeds from the Equipment" to the extent actually received by the Vendee or any assignee of the Vendee as above provided. In addition, the Vendor agrees and understands that the Vendee (i) makes no representation, and is not responsible for, the due execution, validity, sufficiency or enforceability of the Lease in so far as it relates to the Lessee (or any document relative thereto) or of any of the Lessee's obligations thereunder and (ii) shall not be responsible for the performance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Guarantor and the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 16 hereof shall have occurred and while it shall be continu-

ing, so much of the following amounts as are indefeasibly received by the Vendee or any assignee of the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and (b) any and all payments or proceeds received by the Vendee or any assignee of the Vendee for or with respect to the Equipment as the result of the sale, lease or other disposition thereof and after deducting all costs and expenses of such sale, lease or other disposition and any and all other payments received by the Vendee or any assignee of the Vendee under § 10 of the Lease, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee or any assignee of the Vendee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on, or within 15 days after, the date such amounts received by the Vendee or any assignee of the Vendee were required to be paid to it pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) which were received by the Vendee or any assignee of the Vendee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on, or within 15 days after, the date on which amounts with respect thereto received by the Vendee or any assignee of the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other

under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Vendee or for its property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(d) A decree or order is entered in the Reorganization Proceedings preventing or disabling the Trustees from performing any of their obligations under this Agreement; or

(e) If the obligations of the Guarantor hereunder are assumed by another corporation or by the Debtor's successor pursuant to a plan of reorganization for the Debtor approved in the Reorganization Proceedings (such corporation or successor being hereinafter called the Successor) and either

(i) A petition for reorganization under Section 77 of the Bankruptcy Act as now constituted or as said Section 77 may be hereafter amended shall be filed by or against the Successor, and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the assumed obligations of the Successor under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as

obligations incurred by such a trustee or trustees within 30 days after such appointment (whether or not such appointment is subject to confirmation or ratification), if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(ii) Any proceedings shall be commenced by or against the Successor for any relief which includes, or might result in, modification of the assumed obligations of the Successor under this Agreement under any bankruptcy or insolvency law, or law relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions, and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Successor under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Successor or for the property of the Successor in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment (whether or not such appointment is subject to confirmation or ratification), if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(f) The Vendee shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment;

any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Guarantor every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Guarantor or the Debtor and purchased or otherwise acquired by the Builder for use in or about construction or operation of any of the Equipment, on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under this Agreement, the satisfaction and discharge of this Agreement or the termination of this Agreement in any manner.

ARTICLE 25. *Definitions.* Article 25 of the Model CSA Provisions is herein incorporated as Article 25 hereof.

ARTICLE 26. *Other Obligations.* The Guarantor agrees that, so long as any portion of the Conditional Sale Indebtedness shall be outstanding, the Guarantor will not assume or enter into any other leases of equipment, equipment trust agreements, conditional sale agreements or other liabilities or obligations in connection with the leasing or financing of the acquisition of equipment or other tangible personal property, (i) if such liabilities or obligations would be entitled, directly or indirectly, to any priority in right of payment over the obligations of the Guarantor hereunder, or (ii) if such liabilities or obligations would be secured, directly or indirectly, by any mortgage, lien or other security interest in property of the Debtor or the Guarantor (except the equipment or other property involved in the particular transaction) unless the obligations of the Guarantor hereunder and as Lessee under the Lease are equally and ratably secured thereby, provided that nothing herein shall restrict the right of the Trustees to issue and sell trustees' certificates for any proper purpose.

ARTICLE 27. *Execution.* This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same con-

tract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of April 15, 1972, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

## ANNEX A—RYDAL

ITEM 1: The Builder warrants that each unit of the Equipment will be built in accordance with the Specifications and the requirements, specifications and standards set forth in Article 2 of the Conditional Sale Agreement to which this Annex is attached (hereinafter called the Agreement) and warrants each unit of the Equipment to be free from defects in material or workmanship or design which may develop under normal use and service, the Builder's obligation under this paragraph being limited to making good any part or parts of any unit of the Equipment which shall be returned to the Builder with transportation charges prepaid within one year after the delivery of such unit to the Guarantor and which the Builder's examination shall disclose to its satisfaction to have been thus defective.

**The foregoing warranty of the Builder is expressly in lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on the part of the Builder, except for its obligations under Articles 2, 3, 4 and 15 of the Agreement, and the Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid.**

This warranty shall not apply to any component of any unit of the Equipment which shall have been repaired or altered unless repaired or altered by the Builder or its authorized service representatives, if, in its judgment, such repair or alterations affect the stability of the Equipment or if the Equipment has been subject to

misuse, negligence or accident, nor shall it apply to specialities not of the Builder's own specification or design.

**ITEM 2:** Except in cases of articles or materials specified by the Guarantor or the Debtor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Guarantor or the Debtor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Guarantor and the Vendee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Guarantor or the Vendee, their assigns or the users of the Equipment because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Guarantor likewise will indemnify, protect and hold harmless the Vendor and the Vendee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Builder agrees to and hereby does, to the extent legally possible without impairing

any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Guarantor every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Guarantor or the Debtor and purchased or otherwise acquired by the Builder for use in or about construction or operation of any of the Equipment, on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under this Agreement, the satisfaction and discharge of this Agreement or the termination of this Agreement in any manner.

**MODEL CONDITIONAL SALE PROVISIONS FOR  
LEASE TRANSACTIONS**

ARTICLE 2. *Construction and Sale.* Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Guarantor (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture of each thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications for new equipment and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such units of the Equipment, and each unit of the Equipment (except to the extent, if any, referred to in Annex A hereto and/or Article 7 hereof) will be new railroad equipment.

ARTICLE 3. *Inspection and Delivery.* The Builder will deliver the units of the Equipment to the Vendee at the place or places within the United States of America specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places within the United States of America designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered, accepted and settled for pursuant to Article 4 hereof on or before the Cut-Off Date shall be excluded herefrom. If any Equipment shall be excluded from this Agreement pursuant to the immediately preceding sentence, the parties to this Agreement shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. If the Builder's failure to deliver Equipment so excluded from this Agreement resulted from one or more of the causes set forth in the immediately preceding paragraph, the Guarantor shall be obligated to accept such Equipment and pay the full purchase price therefor, determined as provided in this Agreement, if and when such Equipment shall be completed and delivered by the Builder, such payment to be in cash on the delivery of such Equipment, either directly or, in case the Guarantor shall arrange therefor, by means of a conditional sale agreement, equipment trust or such other appropriate method of financing as the Guarantor shall determine and as shall be reasonably acceptable to the Builder.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Guarantor) and the Builder shall grant to such authorized inspectors reason-

able access to its plant. The Builder agrees to inspect all materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Guarantor) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee on the date of such Certificate of Acceptance and are marked in accordance with Article 10 hereof; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof.

On delivery of each such unit hereunder at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof. The Builder and the Guarantor represent and warrant to, and agree with, the Vendee that no unit of the Equipment will be delivered to or used by the Guarantor or any other persons unless the same shall first be duly subjected to this Agreement and the Lease.

**ARTICLE 5. *Title to the Equipment.*** The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and

performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Guarantor as provided in this Agreement. Any and all additions to the Equipment (except, in the case of any unit of the Equipment which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such unit by the Guarantor, the cost of which is not included in the Purchase Price of such unit and which are not required for the operation or use of such unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and additions and replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment transferring its title thereto and property therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 22

hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. *Taxes.* All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which impositions the Vendee assumes and agrees to pay on demand in addition to

the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title of the Vendor or result in a lien upon any part of the Equipment; *provided, however*, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; *provided, however*, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved the payment thereof.

ARTICLE 9. *Reports and Inspections.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Agreement, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding cal-

endar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 10 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Guarantor's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 10. *Marking of Equipment.* The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex B hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's title to and property in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace or will cause to be replaced promptly any such name and words which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which state-

shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Guarantor shall not otherwise alter or affect the Vendor's rights or the Vendee's or the Guarantor's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee or the Guarantor, as the case may be, to the extent of their respective interests therein.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Guarantor will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of

proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee and the Guarantor will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. *Payment of Expenses.* The Guarantor will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of the Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment.

ARTICLE 21. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor, the Vendee and the Guarantor with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor, the Vendee and the Guarantor.

ARTICLE 24. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Selected Jurisdiction; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 25. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

**MODEL LEASE PROVISIONS**

§ 2. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documents. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), stating that such Unit has been inspected and accepted on behalf of the Lessee on the date of such Certificate of Delivery and is marked in accordance with § 5 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 5. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the Vendor under the

Security Documents. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace promptly any such name and words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documents shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may allow the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 6. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal, or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city

income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documents, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Documents. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to Article 6 of the Security Documents not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 6.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 8. *Annual Reports.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Lease, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documents, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Lease in the case of the first such statement) and such other information regarding the condition and state of repair of the

(d) An invoice of the Builder addressed to the Assignee for the units of the Equipment accompanied by or having endorsed thereon a certification by the Vendee and the Guarantor as to the correctness of the prices of such units;

(e) An opinion of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, addressed to the Assignee and the Investors stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment is validly vested in the Assignee and such units, at the time of delivery thereof to the Vendee under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Guarantor under the Lease), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this As-

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Guarantor will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of

proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee and the Guarantor will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. *Payment of Expenses.* The Guarantor will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of the Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment.

ARTICLE 21. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor, the Vendee and the Guarantor with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor, the Vendee and the Guarantor.

ARTICLE 24. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Selected Jurisdiction; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 25. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

**MODEL LEASE PROVISIONS**

§ 2. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documents. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), stating that such Unit has been inspected and accepted on behalf of the Lessee on the date of such Certificate of Delivery and is marked in accordance with § 5 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 5. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the Vendor under the

Security Documents. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace promptly any such name and words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documents shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may allow the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 6. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal, or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city

income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documents, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Documents. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Guarantor shall not otherwise alter or affect the Vendor's rights or the Vendee's or the Guarantor's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee or the Guarantor, as the case may be, to the extent of their respective interests therein.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Guarantor will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of

proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee and the Guarantor will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. *Payment of Expenses.* The Guarantor will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of the Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment.

ARTICLE 21. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor, the Vendee and the Guarantor with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor, the Vendee and the Guarantor.

ARTICLE 24. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Selected Jurisdiction; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 25. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

§ 2. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documents. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), stating that such Unit has been inspected and accepted on behalf of the Lessee on the date of such Certificate of Delivery and is marked in accordance with § 5 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 5. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the Vendor under the

Security Documents. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace promptly any such name and words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documents shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may allow the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 6. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal, or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city

income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documents, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Documents. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to Article 6 of the Security Documents not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 6.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 8. *Annual Reports.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Lease, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documents, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Lease in the case of the first such statement) and such other information regarding the condition and state of repair of the

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder; and

(i) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder

and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Agent having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agree-

while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the partners or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documents, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documents) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will

not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§ 14. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate, or, in the absence of such designation, as the Lessor may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however,* that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occur-

rence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 7 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence while this Lease is in effect.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Documents), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease;

B. the Security Documents and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms;

C. the Security Documents (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

E. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however,* that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

**Part III**

**MODEL ASSIGNMENT PROVISIONS FOR  
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

advice from special counsel for the Assignee or from the Guarantor that such filing and recordation have occurred).

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Guarantor arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 15 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Guarantor in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Guarantor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Guarantor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Guarantor with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee (with an executed counterpart to the Vendee), as provided in Article 15 of the Conditional Sale Agreement and at least five business days prior to such Closing Date,

the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) A bill of sale from the Builder to the Assignee transferring to the Assignee title to the units of the Equipment then being settled for under the Conditional Sale Agreement, warranting to the Assignee and to the Vendee that, at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and that title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, and covenanting to defend the title to such units against the demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) A Certificate or Certificates of Acceptance with respect to the units of the Equipment as contemplated by Article 3 of the Conditional Sale Agreement and a Certificate or Certificates of Delivery with respect to such units as contemplated by § 2 of the Lease;

(c) A certificate of an officer of the Guarantor to the effect that none of the units of the Equipment was placed in the service of the Guarantor or otherwise was used by the Guarantor prior to delivery and acceptance of such units under the Conditional Sale Agreement and the Lease;

(d) An invoice of the Builder addressed to the Assignee for the units of the Equipment accompanied by or having endorsed thereon a certification by the Vendee and the Guarantor as to the correctness of the prices of such units;

(e) An opinion of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, addressed to the Assignee and the Investors stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment is validly vested in the Assignee and such units, at the time of delivery thereof to the Vendee under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Guarantor under the Lease), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this As-

signment, or if any such authority is necessary, it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America or in the District of Columbia and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended; and such opinion shall also cover such other matters as may reasonably be requested by the Assignee or such Investors;

(f) An opinion of counsel for the Vendee or the beneficial owner of the Equipment, dated as of such Closing Date, stating that the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered by the Vendee and are legal and valid instruments binding upon the Vendee and enforceable against the Vendee in accordance with their terms;

(g) An opinion of counsel for the Guarantor, dated as of such Closing Date and addressed to the Vendee as well as the Assignee, to the effect set forth in clauses (i), (ii), (iii), (v), (vi) and (vii) of subparagraph (e) above and stating that the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation and has the power and authority to own its properties and to carry on its business as now conducted;

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder; and

(i) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder

and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Agent having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agree-

ment was duly authorized by it and lawfully executed and delivered by it for a valid consideration, that, assuming due authorization, execution and delivery by the Vendee and the Guarantor, the Conditional Sale Agreement is, in so far as the Builder is concerned, a legal, valid and existing agreement binding upon the Builder in accordance with its terms and that it is now in force without amendment thereto:

(b) agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be; and

(c) agrees that, upon request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.

**LEASE OF RAILROAD EQUIPMENT** dated as of April 15, 1972, between RICHARDSON DILWORTH and ANDREW L. LEWIS, JR., Trustees of the Property of Reading Company (hereinafter called the Debtor) (such Trustees together with their successors and assigns being hereinafter called the Trustees or collectively called the Lessee), and UNILEASE No. 8, INC., a Delaware corporation (hereinafter called the Lessor).

WHEREAS, on the 23rd day of November, 1971, the Debtor filed a petition for reorganization under Section 77 of the Bankruptcy Act in the United States District Court for the Eastern District of Pennsylvania and such petition was duly approved as properly filed by order entered on said date by said Court (the proceedings with respect thereto being hereinafter called the Reorganization Proceedings), and the Trustees were duly qualified as trustees of the property of the Debtor on January 24, 1972;

WHEREAS, the Lessor and the Lessee have entered into a Conditional Sale Agreement dated as of April 15, 1972 (hereinafter called the Security Document), with RYDAL EQUIPMENT Co. (hereinafter called the Builder), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the railroad equipment described in Schedule A hereto;

WHEREAS, the Builder has assigned or will assign its interest in the Security Document to CENTRAL PENN NATIONAL BANK, as Agent (hereinafter, together with its successors and assigns, referred to as the Vendor) pursuant to an Agreement and Assignment (hereinafter called the Assignment) dated as of April 15, 1972 between the Builder and the Vendor, a copy of which has been delivered to the Lessor and the Lessee); and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number as are delivered and accepted and settled for under the Security Document on or prior to June 30, 1972 (hereinafter called the Units),

at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under the Security Document, subject to all the rights and remedies of the Vendor under the Security Document:

§ 1. *Incorporation of Model Provisions.* Whenever this Lease incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Lease Provisions" annexed to the Security Document as Part II of Annex C thereto (hereinafter called the Model Lease Provisions), such provision of the Model Lease Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Lease except that any reference to the "Security Documents" in the plural shall be deemed to mean the Security Document in the singular.

§ 2. *Delivery and Acceptance of Units.* § 2 of the Model Lease Provisions is herein incorporated as § 2 hereof.

§ 3. *Rentals.* The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease one payment on the date such Unit is settled for under the Security Document (hereinafter called the Closing Date) in an amount equal to 5.3294% of the Purchase Price (as defined in the Security Document) of such Unit and 30 consecutive semi-annual payments, payable on January 1 and July 1 in each year commencing with July 1, 1972. The first such semiannual payment shall be in an amount equal to

0.0227437% of the Purchase Price of each Unit subject to this Lease for each day from and including the Closing Date to July 1, 1972. The next 29 semiannual payments shall each be in an amount equal to 5.3294% of the Purchase Price of each such Unit.

All payments provided for in this lease shall be made for the account of the Lessor, in care of the Vendor, at 5 Penn Center Plaza, Philadelphia, Pennsylvania 19103, in immediately available Philadelphia funds.

On or before the date upon which payments to the Vendor under the Security Document are due and owing, the Vendor is hereby authorized to apply funds received hereunder to satisfy the obligations of the Lessor under the Security Document due and payable at the time (or within 15 days thereafter) such payments are due hereunder and, so long as no event of default under the Security Document shall have occurred and be continuing, any balance shall be promptly paid to the Lessor.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Document, including the Lessee's rights by subrogation under Article 8 thereof, or the Builder or the Vendor or otherwise, provided that nothing herein shall be deemed to impair the Lessee's right to assert and sue upon such claims in separate actions; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity,

the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

The obligations to make rental and other payments under this Lease will constitute expenses of administration of the Lessee, and will rank equally and ratably in priority of payment with all other expenses of administration of the Lessee, except that they shall rank equally and ratably with any trustees' certificates heretofore or hereafter issued by the Lessee only so long as the trustees shall not have defaulted with respect to any such trustees' certificates and thereafter will rank equally and ratably in priority of payment as administration expenses with all other equipment obligations assumed or incurred by the trustees.

§ 4. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate six months after the date on which the final semiannual payment of rent in respect thereof is due hereunder.

cree, by a trustee or trustees or receiver or receivers appointed for the Successor or for the property of the Successor in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment (whether or not such appointment is subject to confirmation or ratification), if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denomina-

with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Document in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it, the Debtor or any affiliate upon lines of railroad owned or operated by it or the Debtor or any such affiliate or upon lines of railroad over which the Lessee or the Debtor or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Document; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Document) into or with which the Debtor shall have become merged or consolidated or which shall have

acquired or leased all or substantially all of the lines of railroad of the Debtor.

The Reorganization Proceedings shall not be dismissed or terminated nor shall the property of the Debtor be surrendered by the Trustees or their successor or successors, unless, (a) as a condition of such dismissal or termination or such surrender, all of the obligations then existing or to accrue of the Trustees under this Lease shall be assumed as a general obligation by the Debtor's successor pursuant to a plan of reorganization approved in the Reorganization Proceedings or by any other railroad corporation acquiring all or substantially all of the lines of railroad of the Debtor or as an obligation, having the same status and priorities as those of the Trustees under this Agreement, by any receiver or receivers in equity, or trustee or trustees, that shall succeed the Trustees, or (b) payment in full in cash (or provision therefor satisfactory to the Lessor and the Vendor) is made to the Vendor of the Casualty Value of the Equipment and all damages, claims, or any other moneys payable to or in favor of the Lessor and/or the Vendor pursuant to this Lease or the Security Document, together with interest thereon as herein provided to the date of payment thereof.

In case of any sale or conveyance of all or substantially all of the lines of railroad of the Debtor the purchaser, or transferee of the purchaser, shall not be at liberty to refuse to accept performance of this Lease or to disaffirm it and any such purchaser and any such transferee shall assume and agree to perform each and all of the obligations of the Trustees hereunder, unless provision is made for the payment to the Vendor as provided above in clause (b) of the next preceding paragraph.

Whenever used in this Lease, the term "Trustees" shall be deemed to mean any corporation (including the Debtor), receiver or receivers in equity, trustee or trustees, purchaser or transferee of any purchaser which shall have assumed

and agreed to perform each and all of the obligations and covenants of the Trustees hereunder.

§ 13. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease or any extended term hereof, as the case may be, elect (a) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for additional five-year periods commencing on the scheduled expiration of the original term or extended term of this Lease, as the case may be, provided that no such extended term shall extend beyond July 1, 1997, at a rental payable in 10 semiannual payments, each in an amount equal to the "Fair Market Rental"; such semiannual payments to be made on January 1 and July 1 in each year of the applicable extended term or (b) to purchase all, but not fewer than all, the Units covered by this Lease at the end of such term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Market Value or Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user or lessee, as the case may be (other than (i) a lessee currently in possession and (ii) a used equipment dealer), and an informed and willing seller or lessor, as the case may be, under no compulsion to sell or lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or Fair Market Rental, as the case may be, of the Units, such value shall be determined in accordance with the foregoing definition by a qualified

cree, by a trustee or trustees or receiver or receivers appointed for the Successor or for the property of the Successor in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment (whether or not such appointment is subject to confirmation or ratification), if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denomina-

with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Document in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it, the Debtor or any affiliate upon lines of railroad owned or operated by it or the Debtor or any such affiliate or upon lines of railroad over which the Lessee or the Debtor or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Document; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Document) into or with which the Debtor shall have become merged or consolidated or which shall have

acquired or leased all or substantially all of the lines of railroad of the Debtor.

The Reorganization Proceedings shall not be dismissed or terminated nor shall the property of the Debtor be surrendered by the Trustees or their successor or successors, unless, (a) as a condition of such dismissal or termination or such surrender, all of the obligations then existing or to accrue of the Trustees under this Lease shall be assumed as a general obligation by the Debtor's successor pursuant to a plan of reorganization approved in the Reorganization Proceedings or by any other railroad corporation acquiring all or substantially all of the lines of railroad of the Debtor or as an obligation, having the same status and priorities as those of the Trustees under this Agreement, by any receiver or receivers in equity, or trustee or trustees, that shall succeed the Trustees, or (b) payment in full in cash (or provision therefor satisfactory to the Lessor and the Vendor) is made to the Vendor of the Casualty Value of the Equipment and all damages, claims, or any other moneys payable to or in favor of the Lessor and/or the Vendor pursuant to this Lease or the Security Document, together with interest thereon as herein provided to the date of payment thereof.

In case of any sale or conveyance of all or substantially all of the lines of railroad of the Debtor the purchaser, or transferee of the purchaser, shall not be at liberty to refuse to accept performance of this Lease or to disaffirm it and any such purchaser and any such transferee shall assume and agree to perform each and all of the obligations of the Trustees hereunder, unless provision is made for the payment to the Vendor as provided above in clause (b) of the next preceding paragraph.

Whenever used in this Lease, the term "Trustees" shall be deemed to mean any corporation (including the Debtor), receiver or receivers in equity, trustee or trustees, purchaser or transferee of any purchaser which shall have assumed

and agreed to perform each and all of the obligations and covenants of the Trustees hereunder.

§ 13. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease or any extended term hereof, as the case may be, elect (a) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for additional five-year periods commencing on the scheduled expiration of the original term or extended term of this Lease, as the case may be, provided that no such extended term shall extend beyond July 1, 1997, at a rental payable in 10 semiannual payments, each in an amount equal to the "Fair Market Rental"; such semiannual payments to be made on January 1 and July 1 in each year of the applicable extended term or (b) to purchase all, but not fewer than all, the Units covered by this Lease at the end of such term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Market Value or Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user or lessee, as the case may be (other than (i) a lessee currently in possession and (ii) a used equipment dealer), and an informed and willing seller or lessor, as the case may be, under no compulsion to sell or lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or Fair Market Rental, as the case may be, of the Units, such value shall be determined in accordance with the foregoing definition by a qualified

with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Document in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it, the Debtor or any affiliate upon lines of railroad owned or operated by it or the Debtor or any such affiliate or upon lines of railroad over which the Lessee or the Debtor or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Document; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Document) into or with which the Debtor shall have become merged or consolidated or which shall have

acquired or leased all or substantially all of the lines of railroad of the Debtor.

The Reorganization Proceedings shall not be dismissed or terminated nor shall the property of the Debtor be surrendered by the Trustees or their successor or successors, unless, (a) as a condition of such dismissal or termination or such surrender, all of the obligations then existing or to accrue of the Trustees under this Lease shall be assumed as a general obligation by the Debtor's successor pursuant to a plan of reorganization approved in the Reorganization Proceedings or by any other railroad corporation acquiring all or substantially all of the lines of railroad of the Debtor or as an obligation, having the same status and priorities as those of the Trustees under this Agreement, by any receiver or receivers in equity, or trustee or trustees, that shall succeed the Trustees, or (b) payment in full in cash (or provision therefor satisfactory to the Lessor and the Vendor) is made to the Vendor of the Casualty Value of the Equipment and all damages, claims, or any other moneys payable to or in favor of the Lessor and/or the Vendor pursuant to this Lease or the Security Document, together with interest thereon as herein provided to the date of payment thereof.

In case of any sale or conveyance of all or substantially all of the lines of railroad of the Debtor the purchaser, or transferee of the purchaser, shall not be at liberty to refuse to accept performance of this Lease or to disaffirm it and any such purchaser and any such transferee shall assume and agree to perform each and all of the obligations of the Trustees hereunder, unless provision is made for the payment to the Vendor as provided above in clause (b) of the next preceding paragraph.

Whenever used in this Lease, the term "Trustees" shall be deemed to mean any corporation (including the Debtor), receiver or receivers in equity, trustee or trustees, purchaser or transferee of any purchaser which shall have assumed

and agreed to perform each and all of the obligations and covenants of the Trustees hereunder.

§ 13. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease or any extended term hereof, as the case may be, elect (a) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for additional five-year periods commencing on the scheduled expiration of the original term or extended term of this Lease, as the case may be, provided that no such extended term shall extend beyond July 1, 1997, at a rental payable in 10 semiannual payments, each in an amount equal to the "Fair Market Rental"; such semiannual payments to be made on January 1 and July 1 in each year of the applicable extended term or (b) to purchase all, but not fewer than all, the Units covered by this Lease at the end of such term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Market Value or Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user or lessee, as the case may be (other than (i) a lessee currently in possession and (ii) a used equipment dealer), and an informed and willing seller or lessor, as the case may be, under no compulsion to sell or lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or Fair Market Rental, as the case may be, of the Units, such value shall be determined in accordance with the foregoing definition by a qualified

independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

In the event the Lessee elects to purchase the Equipment, upon payment of the purchase price, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without representations or warranties except that such Units are free and clear of all claims, liens, security interests and other encumbrances by or in favor of any person claiming by, through or under the Lessor) for such Units, and such other documents as may be required to release such Units from the terms and scope of this Lease and to transfer title thereto to the Lessee or such assignee or nominee, in such form as may reasonably be requested by the Lessee, all at the Lessee's expense.

§ 14. *Return of Units upon Expiration of Term.* § 14 of the Model Lease Provisions is herein incorporated as § 14 hereof, except that the term Lessee as used therein shall include the Debtor as well as the Lessee.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Document), the Trustees will deliver to the Lessor a counterpart of the written opinion of counsel for the Trustees, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor,

to the effect set forth in Section 6(g) of the Assignment and to the further effect that:

A. the Lease has been duly authorized by the Court upon due notice and duly executed and delivered by the Trustees and constitutes a valid, legal and binding agreement of the Trustees, enforceable in accordance with its terms;

B. this Lease has been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Lessor in and to the Units; and

C. no approval is required from any public regulatory body with respect to the entering into or performance of this Lease by the Trustees.

§ 16. *Recording; Expenses.* § 16 of the Model Lease Provisions is herein incorporated as § 16 hereof.

§ 17. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof or subsequently (hereinafter called the Code), to an owner of property, including (without limitation) any investment tax credit with respect to the Units.

Lessee agrees that neither it nor the Debtor will at any time take any action or file any returns or other documents inconsistent with the foregoing. Lessee agrees to keep and make available for inspection and copying by Lessor such records as will enable Lessor to determine whether it is entitled to the benefit of any amortization or depreciation deduction or tax credit which may be available from time to time with respect to the Units.

(viii) the obligations of the Trustees under the Conditional Sale Agreement and the Lease have the preferences and priorities specified in the Conditional Sale Agreement and the Lease;

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder;

(i) Certified copies of the petitions and orders of the United States District Court for the Eastern District of Pennsylvania relating to the appointment of the Trustees and the execution and delivery of the Finance Agreement, the Conditional Sale Agreement and the Lease;

(j) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee; and

(k) A release or other evidence of termination of any security interest, lien, or other encumbrance on the title of the Builder to any unit of the Equipment then being settled for.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder, or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Assignee having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equip-

ment with respect to which payment has not been made by the Assignee.

SECTION 7. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Vendee or the Guarantor thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 15 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 8. Section 8 of the Model Assignment Provisions is herein incorporated as Section 8 hereof.

SECTION 9. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Pennsylvania; *provided, however*, that the parties shall be entitled to all the rights conferred by Section 20c of the Interstate Commerce Act, such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited, or in which any unit of the Equipment shall be located, and any rights arising out of the marking on the units of the Equipment.

SECTION 10. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although this Assignment is dated as of April 15, 1972, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officials, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
