*This Table of Contents has been included in this document for convenience only and does not form a part of or affect any construction or interpretation of this document.

CONDITIONAL SALE AGREEMENT dated as of February 15, 1979, among each of PULLMAN INCORPORATED (Pullman Standard Division), FMC CORPORATION and PACCAR INC (collectively the "Builders" or severally the "Builder", or collectively or severally called the "Vendor", as the context may require, all as more particularly set forth in Article 1 hereof), and FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, acting not in its individual capacity but solely as Trustee (hereinafter, together with its successors and assigns, called the "Owner-Trustee") acting under a Trust Agreement dated as of the date hereof (the "Trust Agreement" and the trust created thereunder being called the "Owner's Trust") with FIRST NATIONAL BANK OF MINNEAPOLIS (the "Owner").

WHEREAS each Builder severally agrees to construct, sell and deliver to the Owner-Trustee, and the Owner-Trustee agrees to purchase, the railroad equipment described in Annex B hereto for the Owner (the "Equipment"); and

WHEREAS the Owner-Trustee is entering into a lease with AMERICAN RAIL BOX CAR COMPANY (the "Lessee") in substantially the form annexed hereto as Annex C (the "Lease").

WHEREAS MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY (the "Assignee" or the "Vendor" as the context may require, all as set forth in Article 1 hereof) is acting as agent for certain investors (the "Investors") pursuant to the Participation Agreement dated as of the date hereof (the "Participation Agreement"), among the Assignee, the Owner-Trustee, the Lessee, the Owner and THE PRUDENTIAL INSURANCE COMPANY OF AMERICA.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Assignment; Definitions.* The parties hereto contemplate that the Owner-Trustee will furnish that portion of the Purchase Price (as defined in Article 4 hereof) in respect of the Equipment as is required under subparagraph (b) of the third paragraph of Article 4 hereof and that an amount equal to the portion of such Purchase Price to be paid pursuant to subparagraph (c) of said third paragraph shall be paid to the appropriate Builder by the Assignee pursuant to an Agreement and Assignment (the "CSA Assignment") dated as of the date hereof between the Builders and the Assignee.

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, each of the respective corporations (as to the units of Equipment to be constructed by such corporation and sold hereunder) which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

The rights and obligations under this Agreement of each of the Builders are several in accordance with their interests and not joint. Accordingly, whenever this Agreement, by the use of such designation as "the Vendor", "such Builder", "the Builder", or other similar term, confers a right, or imposes an obligation upon any corporation named in Item 1 of Schedule A hereto or its successor, such right or obligation shall be construed to accrue to or be enforceable against only the specific corporation furnishing the units of Equipment giving rise to such right or obligation and its successors as herein provided.

In case of such assignment, the Owner-Trustee will assign to the Vendor, as security for the payment and performance of all the Owner-Trustee's obligations hereunder, all right, title and interest of the Owner-Trustee in and to the Lease pursuant to an Assignment of Lease and Agreement in the form of Annex D hereto (the "Lease Assignment") and the Lessee shall consent thereto pursuant to a Consent and Agreement in the form attached to Annex D (the "Consent").

ARTICLE 2. *Construction and Sale.* Pursuant to this Agreement, each Builder shall construct its Equipment and will sell and deliver the Equipment to the Owner-Trustee, and the Owner-Trustee will purchase from such Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between such Builder, the Owner-Trustee and the Lessee (which specifications and modifications, if any, are hereinafter called the "Specifications"). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all United States Department of Transportation and Interstate Commerce Commission requirements and specifications and to all standards, if any, recommended by the Association of American Railroads reasonably interpreted as then being applicable to each such unit of Equipment, and each such unit will be new railroad equipment within the meaning of section 48(b) of the Internal Revenue Code of 1954, as amended, when delivered to the Owner-Trustee and will not constitute reconditioned and rebuilt property within the meaning of Regulation § 1.48-2 of the Internal Revenue Service.

ARTICLE 3. *Inspection and Delivery.* Each Builder will deliver its units of Equipment to the Owner-Trustee at the place or places specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places designated from time to time by the Owner-Trustee), freight, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto; *provided, however*, that delivery of any unit of the Equipment shall not be made until this Agreement and the Lease have been filed pursuant to 49 U.S.C. § 11303(a); and *provided, further*, that each Builder shall have no obligation to deliver any unit of Equipment hereunder subsequent to the commencement of any proceedings specified in clause (e) of Article 15 hereof or the occurrence of any event of default (as described in Article 15 hereof), or any event which, with the lapse of time and/or demand, could constitute such an event of default. Each Builder agrees not to deliver any unit of its Equipment hereunder (a) following receipt of written notice from the Owner-Trustee or the Assignee of the commencement of any such proceedings or the occurrence of any such event, as aforesaid, and (b) until it receives notice from the Assignee and the Owner-Trustee, respectively, that the conditions contained in Paragraphs 7 and 8, respectively, of the Participation Agreement have been met.

Notwithstanding the next succeeding paragraph, any Equipment not delivered as a result of the first paragraph of this Article 3, and any Equipment not delivered and accepted hereunder on or prior to June 30, 1979, by reason of failure of condition as provided in the next preceding paragraph or causes set forth in the next succeeding paragraph or otherwise, shall be excluded from this Agreement, and the Owner-Trustee shall be relieved of its obligation to purchase and pay for such Equipment. If any Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the parties hereto shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. Pursuant to the Participation Agreement the Lessee has agreed to purchase such excluded Equipment, and any Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof, from the appropriate Builder as provided in Paragraph 1 of the Participation Agreement.

Each Builder's obligation as to the time of delivery set forth in Annex B is subject, however, to delays resulting from causes beyond such Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors. Such Builder shall in good faith make its reasonable best efforts to minimize the delay resulting from any such cause.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Owner-Trustee (who may be employees of the Lessee) and each Builder shall grant to such authorized inspectors reasonable access to its plant. Each Builder will inspect the materials used in the construction of its Equipment in accordance with the standard quality control practices of such Builder. Upon completion of each unit or a number of units of the Equipment, such unit or units shall be presented to an

inspector of the Owner-Trustee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Owner-Trustee (who may be an employee of the Lessee) shall execute and deliver to the appropriate Builder a certificate of acceptance (the "Certificate of Acceptance") stating that such unit or units have been inspected and accepted on behalf of the Owner-Trustee and are marked in accordance with Article 9 hereof; *provided, however*, that such Builder shall not thereby be relieved of its warranties referred to in Article 13 hereof.

On delivery and acceptance as aforesaid of each such unit of its Equipment at the place specified for delivery, the Builder thereof shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; *provided, however*, that such Builder shall not thereby be relieved of its warranties referred to in Article 13 hereof.

Notwithstanding the foregoing or any other provision of this Agreement to the contrary, the delivery to and acceptance by or on behalf of the Owner-Trustee of any unit of Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof shall be ineffective, ab initio, to create in or transfer to the Owner-Trustee any legal or beneficial right or interest in such unit or (except as provided in the first paragraph of Article 4 hereof) to impose on the Owner-Trustee any liability, obligation or responsibility with respect thereto.

ARTICLE 4. *Purchase Price and Payment.* The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the appropriate Builder, the Owner-Trustee and the Lessee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased as set forth in such Builder's invoice or invoices delivered to the Owner-Trustee (which shall include any applicable freight charges and sales tax) and, if the Purchase Price is other than the base price or prices set forth in Annex B, the invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Owner-Trustee (such invoice or invoices being hereinafter called the "Invoices"). If on any Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of the Equipment for which settlement has theretofore been and is then being made would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Item 4 of Annex A hereto (or such higher amount as the Owner-Trustee may at its option agree to prior to delivery of any unit or units of such Equipment that, but for such agreement, would be excluded from this Agreement), the appropriate Builder (and any assignee of such Builder) and the Owner-Trustee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Owner-Trustee, as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than such Maximum Purchase Price (or such higher amount as aforesaid) and the Owner-Trustee shall take such other steps, including the execution of instruments of transfer, as may be reasonably requested by the Builders or the Lessee for the purpose of acknowledging and perfecting the respective interests of the appropriate Builder and the Lessee in any unit of Equipment so excluded, and the Owner-Trustee shall have no further obligation or liability in respect of units so excluded.

The Equipment shall be settled for in such number of groups of units of Equipment delivered to and accepted by the Owner-Trustee as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a "Group"). The term "Closing Date" with respect to any Group shall mean such date not later than July 30, 1979 (July 30, 1979 being herein called the "Cut-Off Date"), occurring following presentation by the appropriate Builder to the Owner-Trustee of the Invoices and of the Certificate or Certificates of Acceptance for such Equipment and written notice thereof by such Builder to the Lessee, as shall be fixed by the Lessee by written notice delivered to the Owner-Trustee and the Assignee at least six business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Baltimore, Maryland, New York, New York, Evanston, Illinois, or the city in which the principal place of business of the Owner is located are authorized or obligated to remain closed.

The Owner-Trustee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment (and the amounts payable pursuant to subparagraph (a) below), as follows:

(a) on the Closing Date for each Group, if the Closing Date is later than the thirtieth day following the date of delivery and acceptance of any unit of Equipment pursuant to Article 3 hereof, an amount equal to interest (computed on the basis of a 360-day year of twelve 30-day months) on the Purchase Price of such unit from such thirtieth day after the date of delivery and acceptance to the Closing Date, at a rate equal to the rate per annum which Manufacturers Hanover Trust Company, New York, New York, charges for 90-day unsecured loans to large corporate borrowers of the highest credit standing for the period such interest is payable or at such lesser maximum rate permitted by law; *provided, however*, that changes in such rate occurring during the ten business days preceding the Closing Date shall be disregarded;

(b) on the Closing Date with respect to each Group (i) an amount equal to 37.2102% of the aggregate Purchase Price of such Group plus (ii) the amount, if any, by which (x) 62.7898% of the Purchase Price of the Equipment for which settlement has theretofore and is then being made, as set forth in the Invoice or Invoices therefor (said invoiced prices being herein called the "Invoiced Purchase Prices"), exceeds (y) the Maximum CSA Indebtedness specified in Item 5 of Annex A and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to this clause (ii); and

(c) in 36 semiannual installments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (b) of this paragraph.

The portion of the Purchase Price payable pursuant to subparagraph (c) of the preceding paragraph (the "CSA Indebtedness") shall be payable on each January 31 and July 31, commencing January 31, 1980, to and including July 31, 1997 (or if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a "Payment Date". The unpaid balance of the CSA Indebtedness shall bear interest from the Closing Date in respect of which such indebtedness was incurred at the rate of 9 $\frac{1}{8}$ % per annum. Such interest shall be payable, to the extent accrued, on July 31, 1979, and on each Payment Date thereafter. The installments of principal payable on each Payment Date shall be calculated so that the amount and allocation of principal and interest payable on each Payment Date shall be substantially equal and in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Schedule I hereto and the aggregate of such installments of principal will completely amortize the remaining CSA Indebtedness. The Owner-Trustee will furnish to the Vendor and the Lessee promptly after the Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Owner-Trustee will pay interest upon all amounts remaining unpaid in respect of the Equipment after the same shall have become due and payable pursuant to the terms hereof at the rate of 10 $\frac{1}{8}$ % per annum or at such lesser maximum rate permitted by law.

All payments provided for in this Agreement shall be made in immediately available or Federal funds in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. If any date for a payment hereunder is not a business day (as defined in the second paragraph of this Article 4), the payment otherwise payable on such date shall then be payable on the next succeeding business day and no interest shall be payable for the period from and after the nominal date for payment thereof to such next succeeding business day. Except as provided in Articles 7 and 15 hereof, the Owner-Trustee shall not have the privilege of prepaying any portion of the CSA Indebtedness prior to the date it becomes due.

The appropriate Builder shall furnish to the Owner-Trustee the documents required to be furnished by such Builder pursuant to Section 4 of the CSA Assignment in respect of each Group.

Notwithstanding any other provisions of this Agreement, including, without limitation, Articles 15 and 16 hereof, it is understood and agreed by the Vendor that the liability of the Owner-Trustee for all payments to be made by it under and pursuant to this Agreement in respect of the Equipment and for all performance obligations (other than the payments called for by subparagraph (b) of the third paragraph of this Article and as provided in the proviso to the last paragraph of Article 12 hereof) in respect of the Equipment, shall not exceed an amount equal to, and shall be payable only out of, the income and proceeds from the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if an event of default in respect of the Owner's Trust or the Lessee shall have occurred under Article 15 hereof and while it shall be continuing so much of the following amounts as are indefeasibly received by the Owner-Trustee (or any assignee of the Owner-Trustee) at any time after any such event of default and during the continuance thereof: (a) all amounts of rental payable pursuant to the Lease and amounts in respect of Casualty Occurrences paid for or with respect to the Equipment pursuant to the Lease and (b) any and all other payments or proceeds received pursuant to the Lease (except any sum payable by the Lessee pursuant to § 6 of the Lease to reimburse the Owner-Trustee or the Owner for Taxes (as defined in said § 6) actually paid by the Owner-Trustee or the Owner) or for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) (not including amounts paid by the Lessee to the Owner-Trustee as reimbursement of sums paid by the Owner-Trustee in respect of the Equipment on account of prior defaults under subparagraph A of § 10 of the Lease) or otherwise payable to the Owner-Trustee pursuant to the Lease as are indefeasibly received by the Owner-Trustee or any assignee of the Owner-Trustee and as shall equal the portion of the CSA Indebtedness due and payable on the date such amounts so received were required to be paid pursuant to the Lease or as shall equal any other payments (including payments in respect of Casualty Occurrences as defined in Article 7 hereof) then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) which were received by the Owner-Trustee or any assignee of the Owner-Trustee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the CSA Indebtedness and/or interest thereon due and payable by the Owner-Trustee on the date on which amounts received by the Owner-Trustee or any assignee of the Owner-Trustee were required to be paid pursuant to the Lease or which exceeded any other payments including payments in respect of Casualty Occurrences due and payable under this Agreement at the time such amounts were payable under the Lease. The Vendor agrees that if it obtains a judgment against the Owner-Trustee for an amount in excess of the amounts payable by the Owner-Trustee pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment to such amount and it will not bring suit against the Owner-Trustee for any sums in addition to the amounts payable by the Owner-Trustee pursuant to said limitations (or obtain a judgment, order or decree against the Owner-Trustee for any relief other than the payment of money) except as may be required by applicable rules of procedure to enforce against the Equipment, the Lessee and the Lease (rather than against the Owner-Trustee personally), by appropriate proceedings against the Owner-Trustee at law or in equity or otherwise, the obligation to make the payments to be made pursuant to this Agreement or any other payments or performance obligations due to the Vendor under this Agreement. Nothing contained herein limiting the liability of the Owner-Trustee shall derogate from the right of the Vendor to proceed against the Equipment or the Lessee as provided for herein or in the Lease or the Consent for the full unpaid Purchase Price of the Equipment and interest thereon and any and all other payments and obligations under this Agreement.

ARTICLE 5. Security Interest in the Equipment. The Vendor shall and hereby does retain a security interest in the Equipment until the Owner-Trustee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Owner-Trustee and notwithstanding the delivery of the Equipment to

and the possession and use thereof by the Owner-Trustee and the Lessee as provided in this Agreement and the Lease; it being understood that, subject thereto, ownership of the Equipment (upon delivery and acceptance thereof) shall pass to and remain in the Owner-Trustee. Accordingly, after all payments due or to become due hereunder in respect of the Equipment shall have been completed and fully made to or for the account of the Vendor, and the Owner-Trustee shall have performed all its other obligations hereunder (without regard to the provisions of the last paragraph of Article 4 hereof or Article 21 hereof), (a) such payments shall be deemed to represent the discharge in full of the Vendor's security interest in the Equipment at such time, (b) any moneys remaining in the hands of the Vendor after providing for all outstanding amounts due and payable hereunder shall be paid to the Owner-Trustee, and (c) the Vendor shall execute for record in public offices such instrument or instruments in writing as reasonably shall be requested by the Owner-Trustee in order to discharge of record the security interest of the Vendor in, and to make clear upon public records the Owner-Trustee's full title to, the units of the Equipment under the laws of any jurisdiction; *provided, however*, that until that time a security interest in the Equipment shall be and remain in the Vendor, notwithstanding the possession and use thereof by the Owner-Trustee pursuant to the terms of this Agreement.

The Owner-Trustee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such instrument or instruments or to file such certificates within a reasonable time after written demand by the Owner-Trustee.

ARTICLE 6. *Taxes.* Whether or not any of the transactions contemplated hereby are consummated, the Owner-Trustee agrees to pay, and to indemnify and hold the Vendor harmless from, all taxes, assessments, fees and charges of any nature whatsoever, together with any penalties, fines, additions to tax or interest thereon, howsoever imposed, whether levied or imposed on the Owner-Trustee, the Owner, the Vendor, the Lessee, the trust estate created by the Owner's Trust or otherwise, by any Federal, state or local government or governmental subdivision in the United States or by any foreign country or subdivision thereof, upon or with respect to: any unit of the Equipment or any part thereof; the purchase, ownership, delivery, leasing, possession, use, operation, transfer of title, return or other disposition thereof; the rentals, receipts or earnings arising therefrom; or this Agreement, the CSA Assignment, the Lease, the Lease Assignment and the Participation Agreement or the Trust Agreement, any payment made pursuant to any such agreement, or the property, the income or other proceeds received with respect to the Equipment (all such taxes, assessments, fees, charges, penalties, fines, additions to tax and interest imposed as aforesaid being hereinafter called "Taxes") *excluding, however*: (i) Taxes of the United States or of any state or political subdivision thereof and of any foreign country or of any subdivision thereof, imposed on or measured solely by the net income or excess profits of the Vendor, other than Taxes arising out of or imposed in respect of the receipt of indemnification payments pursuant to this Agreement; (ii) any Taxes imposed on or measured by any fees or compensation received by the Vendor; and (iii) Taxes which are imposed on or measured solely by the net income of the Vendor if and to the extent that such Taxes are in substitution for or reduce the Taxes payable by any other person which the Owner-Trustee has not agreed to pay or indemnify against pursuant to this Article 6; *provided, however*, that the Owner-Trustee shall not be required to pay any Taxes during the period the Owner-Trustee or the Lessee may be contesting the same in the manner provided in the next paragraph.

If claim is made against the Vendor for any Taxes indemnified against under this Article 6, the Vendor shall promptly notify the Owner-Trustee. If reasonably requested by the Owner-Trustee in writing, the Vendor shall, upon receipt of any indemnity satisfactory to it for all costs, expenses, losses, legal and accountants' fees and disbursements, penalties, fines, additions to tax and interest, and at the expense of the Owner-Trustee, contest in good faith the validity, applicability or amount of such Taxes by (a) resisting payment thereof if possible, (b) not paying the same except under protest, if protest is necessary and proper, and (c) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative or judicial proceedings, or both. The Owner-Trustee may also contest, at its own expense, the validity,

applicability or amount of such Taxes in the name of the Vendor; *provided, however*, that no proceeding or actions relating to such contest shall be commenced (nor shall any pleading, motion, brief or other paper be submitted or filed in the name of the Vendor in any such proceeding or action) without the prior written consent of the Vendor. If the Vendor shall obtain a refund of all or any part of such Taxes previously reimbursed by the Owner-Trustee in connection with any such contest or an amount representing interest thereon, the Vendor shall pay the Owner-Trustee the amount of such refund or interest net of expenses; *provided, however*, that no event of default set forth in Article 15 hereof and no event which with notice or lapse of time or both would constitute such an event of default shall have occurred and be continuing.

In case any report or return is required to be made with respect to any obligation of the Owner-Trustee under this Article 6 or arising out of this Article 6, the Owner-Trustee shall either make such report or return in such manner as will show the interest of the Vendor in the Equipment or shall promptly notify the Vendor of such requirement and shall make such report or return in such manner as shall be satisfactory to the Vendor. All costs and expenses (including legal and accountants' fees) of preparing any such return or report shall be borne by the Owner-Trustee.

All of the obligations of the Owner-Trustee under this Article 6 shall survive and continue, notwithstanding payment in full of all amounts due under this Agreement, but only with respect to periods included in the term of this Agreement.

The obligations of the Owner-Trustee under this Article 6 are subject to the limitations contained in the last paragraph of Article 4 hereof and in Article 21 hereof.

ARTICLE 7. *Maintenance; Casualty Occurrences.* The Owner-Trustee shall, at its own cost and expense; maintain and keep each unit of the Equipment (including any parts installed on or replacements made to any unit and considered an accession thereto as provided in § 9 of the Lease) in good operating order, repair and condition, ordinary wear and tear excepted.

In the event that any unit of Equipment shall be or become worn out, lost, stolen, destroyed, irreparably damaged or permanently rendered unfit for use from any cause whatsoever, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government for a period not in excess of the then remaining term of the Lease (any of such occurrences being herein called "Casualty Occurrences") during the term of this Agreement, the Owner-Trustee shall, promptly after it shall have received notice from the Lessee or otherwise been informed that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. On the Payment Date next succeeding such notice or information (or, in the event such Payment Date will occur within 15 days thereafter, on the following Payment Date), the Owner-Trustee shall, subject to the limitations contained in the last paragraph of Article 4 hereof, pay to the Vendor an amount equal to the Fair Value, as hereinafter defined, of such unit suffering a Casualty Occurrence as of the date of such payment. On the date of any such payment, the Owner-Trustee shall file, or cause to be filed, with the Vendor a certificate setting forth the Fair Value of such unit and the method of determination thereof.

Upon payment by the Owner-Trustee to the Vendor of the Fair Value of any unit of the Equipment having suffered a Casualty Occurrence, the security interest of the Vendor in such unit shall terminate without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Owner-Trustee, will execute and deliver, to the Owner-Trustee, at the expense of the Owner-Trustee, an appropriate instrument confirming such termination to the Owner-Trustee, in recordable form, in order that the Owner-Trustee may make clear upon the public records the full title of the Owner-Trustee to such unit.

Any insurance proceeds or condemnation payments received and retained by the Vendor in respect of units of Equipment suffering a Casualty Occurrence shall be deducted from the amounts payable by the Owner-Trustee to the Vendor in respect of Casualty Occurrences pursuant to this Article. If the Vendor shall receive any insurance proceeds or condemnation payments in respect of such units suffering a Casualty

Occurrence either after the Owner-Trustee shall have made payments pursuant to this Article without deduction for such insurance proceeds or condemnation payments, or in excess of the Fair Value (after taking into account payments by the Owner-Trustee under this Article) of such units, the Vendor shall promptly pay such insurance proceeds or condemnation payments to the Owner-Trustee. All insurance proceeds or condemnation payments or such excess received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Owner-Trustee upon proof satisfactory to the Vendor that the damage to such unit or units in respect of which such proceeds were paid has been fully repaired.

Any money paid to the Vendor pursuant to this Article shall be applied (after the payment of the interest and principal due on such date) to prepay without penalty or premium, ratably in accordance with the unpaid balance of each installment, the CSA Indebtedness and the Owner-Trustee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as they may request. In the event of the requisition for use by the United States Government of any unit of Equipment not constituting a Casualty Occurrence, all of the Owner-Trustee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

The obligations of the Owner-Trustee under this Article are subject to the limitations contained in the last paragraph of Article 4 and in Article 21 hereof.

The "Fair Value" of any unit of Equipment on any date shall be deemed to be an amount computed by multiplying the unpaid principal amount of the CSA Indebtedness outstanding on such date (after giving effect to any payment in respect thereof due on such date pursuant to Article 4 hereof) by a fraction of which the numerator shall be the Purchase Price of such unit and the denominator shall be the Purchase Price of all units (including such unit) of Equipment subject to this Agreement on such date.

The Owner-Trustee shall at all times while this CSA is in effect maintain or cause to be maintained, at its own expense, the insurance described in the last two paragraphs of § 7 of the Lease.

ARTICLE 8. Reports and Inspections. The Owner-Trustee agrees to furnish to the Vendor, on or before April 1 in each year, commencing with the calendar year 1980, an accurate statement to the effect set forth in § 8 of the Lease. The Vendor, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect the Equipment and the records of the Owner-Trustee with respect thereto at such reasonable times as the Vendor may request.

The obligations of the Owner-Trustee under this Article are subject to the limitations contained in the last paragraph of Article 4 and in Article 21 hereof.

ARTICLE 9. Marking of Trust Equipment. The Owner-Trustee agrees that it will cause each unit of Equipment to be kept numbered and marked as provided in § 5 of the Lease.

The Owner-Trustee will not place or permit any unit of Equipment to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or cause to be replaced promptly any such markings which may be removed, defaced, obliterated or destroyed. The Owner-Trustee shall not change, or permit to be changed, the identifying number of any unit of the Equipment except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded or deposited in all public offices where this Agreement shall have been filed, recorded or deposited.

Except as above provided, the Owner-Trustee will not allow the name of any person to be placed on the units of Equipment as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Owner-Trustee may permit the Equipment to be lettered with the names, trademarks, initials or other insignia customarily used by the user of such Equipment or its affiliates.

The obligations of the Owner-Trustee under this Article are subject to the limitations contained in the last paragraph of Article 4 and in Article 21 hereof.

ARTICLE 10. *Compliance with Laws and Rules.* During the term of this Agreement, the Owner-Trustee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement, addition or modification of or to any part of any unit of the Equipment, the Owner-Trustee will, or will cause the Lessee to, conform therewith at no expense to the Vendor; *provided, however,* that the Owner-Trustee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

The obligations of the Owner-Trustee under this Article are subject to the limitations contained in the last paragraph of Article 4 and in Article 21 hereof.

ARTICLE 11. *Possession of Equipment.* So long as no event of default has occurred and is continuing hereunder, the Owner-Trustee shall be entitled to the possession and use of the Equipment and also to enter into the Lease, and to permit the use of the Equipment as provided in the Lease. The Owner-Trustee hereby agrees that the Lease and the rights of the Owner-Trustee to receive rentals and other payments due and to become due thereunder, shall be subject and subordinate to this Agreement and to the rights of the Vendor hereunder and under the Consent.

Except as permitted by the Trust Agreement, the Owner-Trustee will not sell, assign or transfer its rights under this Agreement in respect of the Equipment or, except as provided in this Article 11, transfer the right to possession of any unit of Equipment. The Owner-Trustee will not amend or consent to any change in the Trust Agreement except as specifically provided therein.

ARTICLE 12. *Discharge of Liens.* The Owner-Trustee will pay or discharge any and all sums claimed by any party from, through or under the Owner-Trustee, the Owner or their successors or assigns which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the "income and proceeds from the Equipment" (as defined in Article 4 hereof), and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the interest of the Vendor in the Equipment, its interest in the income and proceeds from the Equipment, or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The obligations of the Owner-Trustee under this Article are subject to the limitations contained in the last paragraph of Article 4 and in Article 21 hereof; *provided, however,* that the Owner-Trustee will pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Owner-Trustee or the Owner, or the successors or assigns of either of them, not arising out of the transactions contemplated hereby (but including property tax liens, sales and use tax liens and any other tax liens arising out of the receipt of rentals and other payments under the Lease or the Participation Agreement)

which, if unpaid, (i) might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the "income and proceeds from the Equipment" or (ii) would result in the bankruptcy or reorganization of the Owner-Trustee or the Owner, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not materially adversely affect the security interest of the Vendor in the Equipment, its interest in the income and proceeds from the Equipment, or otherwise under this Agreement.

ARTICLE 13. *Indemnity.* The Owner-Trustee shall pay, and shall protect, indemnify and hold the Investors, the Vendor, any assignee thereof, and their respective successors, assigns, principals, agents and servants (the "Indemnified Persons"), harmless from and against any and all causes of action, suits, penalties, claims, demands or judgments, of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements, expenses (including without limitation attorneys' fees and expenses of any Indemnified Person) relating thereto) in any way relating to or arising or alleged to arise out of this Agreement or the Equipment, including without limitation those in any way relating to or arising or alleged to arise out of (i) the manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, return or other disposition of any unit of Equipment or portion thereof; (ii) any latent and other defects therein whether or not discoverable by the Owner-Trustee or any Indemnified Person; (iii) any claim for patent, trademark or copyright infringement in respect thereof; (iv) any claims based on strict liability in tort or by statute imposed in respect thereof; (v) any injury to or the death of any person or any damage to or loss of property on or near the Equipment or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of the Equipment or of any other equipment in connection with the Equipment (whether owned or under the control of the Owner-Trustee, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; (vi) any violation, or alleged violation, of any provision of this Agreement in respect of the Equipment or any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Equipment or the leasing, ownership, use, replacement, adaptation or maintenance thereof; or (vii) any claim arising out of the Vendor's holding of a security interest under this Agreement or the Lease Assignment or the Lease; *except, however*, in the case of any Builder, (i) any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort by such Builder, or out of any breach of warranty or failure to perform any covenant hereunder by such Builder and (ii) any matter covered by such Builder's warranty of material and workmanship and patent indemnification set forth in or referred to in Item 3 of Annex A hereto. The Owner-Trustee shall be obligated under this Article, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Owner-Trustee under this Article without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any claim indemnified against hereunder, the Owner-Trustee may and, upon such Indemnified Person's request will, at the Owner-Trustee's expense, resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Owner-Trustee and approved by such Indemnified Person and, in the event of any failure by the Owner-Trustee to do so, the Owner-Trustee shall pay all costs and expenses (including without limitation attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Owner-Trustee is required to make any payment under this Article, the Owner-Trustee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as determined in the sole discretion of such Indemnified Person), shall be equal to the amount of such payment. The Vendor and the Owner-Trustee each agree to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against. Upon the payment in

full of any indemnities as contained in this Article by the Owner-Trustee, and provided that no event of default set forth in Article 15 hereof (or other event which with lapse of time or notice or both would constitute such an event of default) shall have occurred and be continuing, it shall be subrogated to any right of such Indemnified Person in respect of the matter against which indemnity has been given. Any payments received by such Indemnified Person from any person other than the Owner-Trustee or the Lessee as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to the Lease shall be paid over to the Owner-Trustee to the extent necessary to reimburse the Owner-Trustee for indemnification payments previously made in respect of such matter.

The indemnities contained in this Article shall survive the expiration or termination of this Agreement with respect to all events, facts, conditions or other circumstances occurring or existing prior to such expiration or termination and are expressly made for the benefit of, and shall be enforceable by any Indemnified Person. None of the indemnities in this Article shall be deemed to create any rights of subrogation in any insurer or third party against the Owner-Trustee therefor, from or under any Indemnified Person, whether because of any claim paid or defense provided for the benefit thereof or otherwise.

The Owner-Trustee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The obligations of the Owner-Trustee under this Article 13 are subject to the limitations contained in the last paragraph of Article 4 and in Article 21 hereof.

Each Builder represents and warrants to the Owner-Trustee and the Assignee that, at the time of delivery and acceptance of each unit of its Equipment under this Agreement, such Builder will have good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights created by this Agreement, the CSA Assignment and the Lease.

Each Builder represents that it is not entering into this Agreement, or entering into any assignment of this Agreement, directly or indirectly in connection with any arrangement or understanding in any way involving any employee benefit plan (other than a governmental plan) with respect to which it is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974.

The agreement of the parties relating to each Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification are set forth in or referred to in Item 3 and certain other agreements are set forth in Item 6 of Annex A hereto.

ARTICLE 14. Assignments. The Owner-Trustee will not (a) transfer the right to possession of any unit of Equipment, except as provided in Article 11 hereof, or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement or the Lease without the prior written consent of the Vendor, except as provided in the Trust Agreement.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Owner-Trustee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve any Builder from, any of the obligations of such Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 13 hereof, or relieve the Owner-Trustee of its respective obligations to such Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, the assignor shall give written notice to the Owner-Trustee and the Lessee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to

such reservations as may be contained in such assignment. From and after the receipt by the Owner-Trustee of the notification of any such assignment, all payments thereafter to be made by the Owner-Trustee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Owner-Trustee recognizes that this Agreement will be assigned to the Assignee as provided in the CSA Assignment. The Owner-Trustee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builders with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Owner-Trustee or the Lessee by the Builders. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Owner-Trustee or the Lessee, as the case may be, against and only against the Builders.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur, to wit:

(a) the Owner-Trustee shall default in the payment of the principal of or interest on the CSA Indebtedness or payment in respect of a Casualty Occurrence under Article 7 hereof, and such default shall continue for more than 10 business days after the same shall have become due and payable, without regard to any limitation of liability contained in Article 4 or 21 hereof, or

(b) the Owner-Trustee shall, without regard to any limitation of liability contained in Article 4 or 21 hereof, for more than 35 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants of this Agreement or the Lease Assignment on its part to be kept and performed (except as provided in clause (d) of this Article), or to make provision satisfactory to the Vendor for such compliance, or

(c) the Lessee shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any term, covenant, agreement or provision of the Participation Agreement made expressly for the benefit of the Assignee (or the Investors), on its part to be kept or performed, and the Lessee or the Owner-Trustee shall not make provision satisfactory to the Vendor for such compliance, or

(d) the Owner-Trustee, except as herein authorized or contemplated, shall make or suffer any unauthorized transfer or sublease (including, for the purpose of this clause, contracts for the use thereof) of any unit of Equipment and shall fail or refuse either to cause such transfer or sublease to be canceled by agreement of all parties having any interest therein or recover possession of such unit of Equipment, as the case may be, within 30 days after the Vendor shall have demanded in writing such cancellation or recovery of possession, or within said 30 days to deposit with the Vendor a sum in cash equal to the Fair Value (as defined in Article 7 hereof) of such unit of Equipment (any sum so deposited to be returned to the Owner-Trustee upon the cancellation of such transfer or sublease or the recovery of possession by the Owner-Trustee of such unit of Equipment), or

(e) any proceeding shall be commenced by or against the Owner-Trustee, in its capacity as trustee of the Owner's Trust, the Owner or the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations hereunder or under the Lease, the Lease Assignment, the Consent, the Participation Agreement or the

Trust Agreement of the Owner-Trustee, in such capacity, the Owner or the Lessee, as the case may be) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all such obligations shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Owner-Trustee, in such capacity, the Owner or the Lessee, as the case may be, or for its or their property in connection with any such proceedings in such manner that such obligations have the same status as expenses of administration and obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier, or

(f) if an Event of Default shall have occurred under the Lease and shall be continuing for more than five business days after notice thereof to the Owner-Trustee; *provided, however*, that any Event of Default under clause A of § 10 of the Lease shall not be deemed to be an event of default hereunder if (i) within the 10 business day period provided by subparagraph (a) of this Article 15, the Owner-Trustee shall make payment of all amounts in default under said subparagraph (a), and (ii) not more than three such Events of Default shall have occurred and not more than two such Events of Default shall have occurred on consecutive rental payment dates,

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Owner-Trustee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate (and the Owner-Trustee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination and/or (ii) declare (hereinafter called a "Declaration of Default") the entire unpaid CSA Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of the CSA Indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable; or at such lesser maximum rate permitted by law. Upon a Declaration of Default, subject to Articles 4 and 21 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the CSA Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Owner's Trust, subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Owner-Trustee shall promptly notify the Vendor of any event which has come to its attention which constitutes, or with the giving of notice and/or lapse of time would constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Owner-Trustee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly agreed by the Owner-Trustee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

If an event of default shall have occurred and be continuing hereunder for at least 30 days due to an Event of Default under the Lease and a Declaration of Default has not been made by the Vendor, the Owner-Trustee may prepay the entire unpaid CSA Indebtedness together with the interest thereon then accrued and unpaid.

ARTICLE 16. *Remedies.* At any time during the continuance of a Declaration of Default, the Vendor may, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by

its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Owner-Trustee any sums theretofore paid in respect thereof and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Owner-Trustee or any other person and for such purpose may enter upon the premises of the Owner-Trustee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Owner-Trustee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Owner-Trustee shall, at its own expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, causing prompt telegraphic and written notice to be given to all railroads which may have possession of any unit or units of the Equipment to return the unit or units) cause the Equipment to be placed upon such storage tracks as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks without charge for insurance, rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to such interchange point or points as directed by the Vendor upon any sale, lease or other disposal of all or any of the Equipment.

During any storage period, the Owner-Trustee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and upon the application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree of specific performance hereof. The Owner-Trustee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, upon such notice and consent, as is hereinafter set forth, retain the Equipment in satisfaction of the entire CSA Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Owner-Trustee and the Lessee by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor shall elect to retain the Equipment and the Owner-Trustee does not object thereto in writing as described in the second proviso below, all the Owner-Trustee's rights in the Equipment shall thereupon terminate and all payments made by the Owner-Trustee or for its account in respect of the Equipment may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Owner-Trustee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the CSA Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Owner-Trustee; *provided, further*, that if the Owner-Trustee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession of the Equipment, at its election and upon 30 days' notice to the Owner-Trustee, the Lessee and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Owner-Trustee, the Lessee or any other party claiming from, through or under the Owner-Trustee or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Owner-Trustee should tender full payment of the total unpaid balance of the CSA Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Owner-Trustee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be conducted in a commercially reasonable manner. The Vendor or the Owner-Trustee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Owner-Trustee and the Lessee shall be given written notice of such sale or the making of a contract for such sale not less than 30 days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the rights of the Owner-Trustee to purchase or provide a purchaser, within 15 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Owner-Trustee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor except that the Vendor shall not be deemed to have the power or remedy to retain the Equipment in satisfaction of the CSA Indebtedness except as specifically provided in this Article 16. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Owner-Trustee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Owner-Trustee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Owner-Trustee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

Subject to the third paragraph of this Article 16, if, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of

this Agreement, the Owner-Trustee shall, subject to the limitations of the last paragraph of Article 4 and Article 21 hereof, pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Owner-Trustee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Article 4 hereof, be entitled to recover a judgment therefor against the Owner-Trustee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid promptly to the Owner-Trustee.

The Owner-Trustee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies against the Owner-Trustee under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment. The foregoing provisions of this paragraph shall be subject to the limitations of the last paragraph of Article 4 and Article 21 hereof.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable Federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Owner-Trustee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Owner-Trustee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. *Recording.* Subject to the provisions of Article 21 hereof, the last paragraph of Article 4 hereof and the proviso contained in § 15 of the Lease, the Owner-Trustee will, (a) promptly after the execution and delivery of this Agreement, any assignments hereof, the Lease, the Lease Assignment and each supplement hereto and thereto, respectively, cause this Agreement, any assignments hereof, the Lease, the Lease Assignment and each such supplement to be duly filed in accordance with 49 U.S.C. § 11303(a), (b) from time to time do and perform any other act and will execute, acknowledge, deliver and file, register and record any and all further instruments required by law or reasonably requested by the Vendor for the purposes of proper protection of the security interest of the Vendor, (c) furnish an opinion or opinions of counsel of the Lessee in connection with such filing, registration, and recordation; and (d) promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Owner-Trustee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Owner-Trustee.

ARTICLE 20. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it by registered mail, postage prepaid, at the following addresses:

(a) to the Owner-Trustee at 800 Davis Street, Evanston, Illinois 60204, attention of Corporate Trust Department;

(b) to the Assignee, at P.O. Box 2258, Baltimore, Maryland 21203, attention of Corporate Trust Department (or, if by hand, at 2 Hopkins Plaza, Baltimore, Maryland 21201, attention of Corporate Trust Department);

(c) to the Builders, at their respective addresses set forth in Item 1 of Annex A hereto;

(d) to the Owner, at 120 South Sixth Street, Minneapolis, Minnesota 55402;

(e) to any assignee of the Vendor, or of the Owner-Trustee, at such address as may have been furnished in writing to the Owner-Trustee, or the Vendor, as the case may be, and to the Lessee, by such assignee;

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 21. *Immunities, Satisfaction of Undertakings.* No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Owner-Trustee under the second, seventh and eighth paragraphs of Article 16 and under Articles 3, 4 (third paragraph, clause (a), only), 6, 7 (other than the second and third sentences of the second paragraph thereof), 8, 9, 10, 12 (other than the proviso to the last paragraph thereof), 13 and 18 hereof shall be deemed in all respects satisfied by the Lessee's execution and delivery of the Lease. The Owner-Trustee shall not have any responsibility or liability for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 15 hereof. Until the security interest of the Vendor in this Agreement is discharged as provided in Article 5 hereof, no waiver, modification, amendment, consent or similar action with respect to the Lease shall be effective unless joined in by the Vendor.

Anything herein to the contrary notwithstanding, each and all of the representations, undertakings and agreements herein made on the part of the Owner-Trustee are each and every one of them made and intended not as personal representations, undertakings and agreements by First National Bank and Trust Company of Evanston, or for the purpose or with the intention of binding the said financial institution personally but are made and intended for the purpose of binding the Owner's Trust, and this Agreement is executed and delivered by the said financial institution solely in the exercise of the powers expressly conferred upon the said financial institution as trustee under the Trust Agreement; and no personal liability or responsibility is assumed by or shall at any time be asserted or enforceable against the said financial institution, or the Owner on account of any representation, undertaking or agreement hereunder of said financial institution acting in its capacity as Owner-Trustee, or of the Owner either expressed or implied, except for their respective obligations under the proviso to the last paragraph of Article 12 hereof and subparagraph (b) of the third paragraph of Article 4 hereof; all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; *provided, however,* that the Vendor or any person claiming by, through or under the Vendor, making claim hereunder, may look to the Owner's Trust for satisfaction of the same.

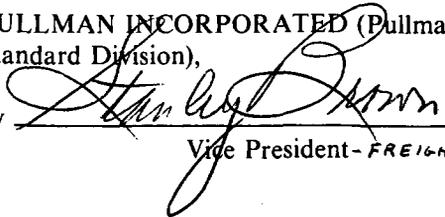

ARTICLE 22. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; *provided, however,* that the parties shall be entitled to all

rights conferred by 49 U.S.C. § 11303(a) and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 23. *Execution.* This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. It shall not be necessary that any counterpart be executed by both the Owner-Trustee and any Builder so long as each such party has executed and delivered to the other one counterpart hereof. Each Builder and the Owner-Trustee shall be bound hereunder notwithstanding the failure of any other Builder to execute and deliver this Agreement or to perform its obligations hereunder. Although this Agreement is dated, for convenience, as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

LEASE OF RAILROAD EQUIPMENT dated as of February 15, 1979, between AMERICAN RAIL BOX CAR COMPANY, a Delaware corporation (the "Lessee"), and FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, a national banking association, acting not in its individual capacity but solely as Trustee (hereinafter, together with its successors and assigns, called the "Owner-Trustee") acting under a Trust Agreement dated as of the date hereof (the "Trust Agreement" and the Trust created thereunder being called the "Owner's Trust"), with FIRST NATIONAL BANK OF MINNEAPOLIS (the "Owner").

WHEREAS the Owner-Trustee has entered or will enter into a conditional sale agreement (the "CSA") with PULLMAN INCORPORATED (Pullman Standard Division), FMC CORPORATION, and PACCAR INC (individually a "Builder" and collectively the "Builders"), pursuant to which the Owner-Trustee has agreed to purchase and take delivery of the railroad equipment described in Schedule A hereto to be acquired for the Owner (the "Equipment"); and

WHEREAS the Builders are assigning their interests in the CSA pursuant to an Agreement and Assignment (the "CSA Assignment") to MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, acting as Agent (hereinafter together with its successors and assigns called the "Vendor"), under a Participation Agreement dated as of the date hereof (the "Participation Agreement") with the Lessee, the Owner-Trustee, the Owner and THE PRUDENTIAL INSURANCE COMPANY OF AMERICA (hereinafter, together with its successors and assigns, called the "Investors"); and

WHEREAS the Lessee agrees to lease from the Owner-Trustee all the units of the Equipment (or such lesser number of units as are delivered and accepted under the CSA) at the rentals and for the term and upon the conditions hereinafter provided (each such unit being hereinafter called a "Unit"); and

WHEREAS the Owner-Trustee will assign certain of its rights under this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement (the "Lease Assignment") and the Lessee will consent to the Lease Assignment pursuant to a Lessee's Consent and Agreement (the "Consent");

NOW, THEREFORE, in consideration of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Owner-Trustee hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. *Net Lease.* This Lease is a net lease. The Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and, except as herein provided, the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Owner-Trustee or the Owner, whether under this Lease, under the CSA or otherwise, including the Lessee's rights by subrogation thereunder against any Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Owner-Trustee or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek

to recover all or any part of such payment from the Owner-Trustee, the Owner or the Vendor for any reason whatsoever.

§ 2. *Delivery and Acceptance of Units.* The Owner-Trustee hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the CSA; *provided, however*, that such acceptance shall be in accordance with the provisions of Article Three of the CSA. Each delivery of a Unit to the Owner-Trustee under the CSA shall be deemed to be a delivery hereunder to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Owner-Trustee under the CSA. Upon such delivery, the Lessee will cause an employee or agent of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such unit on behalf of the Owner-Trustee under the CSA and itself hereunder and to execute and deliver to the Owner-Trustee a certificate of acceptance (the "Certificate of Acceptance") in accordance with the provisions of Article Three of the CSA, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Owner-Trustee on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon such Unit shall, except as provided in the last paragraph of Article 3 of the CSA, be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The Lessee hereby represents and warrants to the Owner-Trustee that no Unit shall be put into service earlier than the date of delivery to and acceptance by the Lessee as agent for the Owner-Trustee hereunder.

§ 3. *Rentals.* With respect to each of the Units subject to this Lease, the Lessee will pay to the Owner-Trustee the following rentals: a first special rental payment payable on each Closing Date (as defined in the CSA) with respect to such Unit, a second special rental payment payable on July 31, 1979, and thereafter 36 consecutive semiannual payments (the "Basic Rentals"), payable on January 31 and July 31 in each year, commencing January 31, 1980. Each first special rental payment shall be in an amount equal to interest (computed on the basis of a 360-day year of twelve 30-day months) on the Purchase Price (as defined in the CSA) of such Unit from the thirtieth day following the date of acceptance thereof pursuant to § 2 hereof to the Closing Date with respect to such Unit, at a rate per annum equal to the rate which Manufacturers Hanover Trust Company, New York, New York, charges for 90-day unsecured loans to large corporate borrowers of the highest credit standing from time to time in effect for the period such interest is payable; *provided, however*, that changes in such prime rate occurring during the ten business days preceding such Closing Date shall be disregarded; and *provided, further*, that such amount in respect of such Unit shall be the amount of interest on the Purchase Price thereof due the Builder thereof pursuant to subparagraph (a) of the third paragraph of Article Four of the CSA. The second special rental payment payable on July 31, 1979, shall be in an amount equal to .01678755% of the Purchase Price of each such Unit for each day elapsed from the Closing Date for such Unit to and including July 30, 1979. The 36 semiannual Basic Rentals in respect of each such Unit shall each be in an amount equal to 3.703736% of the Purchase Price of such Unit subject to this Lease on such date of such payment plus an amount equal to \$700.

It is estimated that the amount required to be paid by the Owner-Trustee pursuant to the first and last paragraphs of Section 10 of the Participation Agreement will be \$25,200 ("Estimated Charges"). If the aggregate amount actually paid by the Owner-Trustee pursuant to the first and last paragraphs of Section 10 of the Participation Agreement ("Final Charges") (A) exceeds the Estimated Charges, the Lessee shall pay to the Owner-Trustee, as additional rental, on July 31, 1979, an amount equal to the difference between Estimated Charges and the Final Charges or (B) is less than the Estimated Charges, then each semiannual Basic Rental shall be reduced by 1/36th of the difference between the Final Charges and the Estimated Charges.

If any of the rental payment dates referred to above is not a business day (as such term is defined in Article 4 of the CSA), the semiannual rental payment otherwise payable on such date shall then be payable on the next succeeding business day, and no interest shall be payable for the period from and after the nominal date for payment thereof to such next succeeding business day.

For so long as the CSA shall remain in effect, the Owner-Trustee irrevocably instructs the Lessee to make all the payments due the Owner-Trustee provided for in this Lease to the Vendor, for the account of the

Owner-Trustee, in its capacity as trustee under the Owner's Trust, in care of the Vendor, with instructions to the Vendor (a) first to apply such payments to satisfy the obligations of the Owner-Trustee under the CSA known to the Vendor to be due and payable thereunder on the date such payments are due and payable hereunder and (b) second, so long as no event of default under the CSA shall have occurred and be continuing, to pay any balance promptly to the Owner-Trustee or as directed by the Owner-Trustee in immediately available funds at such place as the Owner-Trustee shall specify in writing.

The Lessee agrees to make each payment provided for herein as contemplated by this § 3 by wire transfer of immediately available or Federal funds at or prior to 11:00 a.m. Baltimore, Maryland, time on the date due to the address requested by the Vendor, or if the CSA shall no longer be in effect, at the office of the Owner-Trustee.

§ 4. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder as aforesaid and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on August 1, 1997. Except for obligations of the Lessee hereunder which are specifically stated to terminate at a fixed time, the obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 3, 6, 7, 9, 11, 14 and 20 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the CSA. If an event of default should occur under the CSA, the Vendor may terminate this Lease (or rescind its termination), all as provided therein.

§ 5. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words, "Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission", or other appropriate words designated by the Owner-Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the Owner-Trustee's title to and the Vendor's security interest in such Unit and the rights of the Owner-Trustee under this Lease and of the Vendor under the CSA. The Lessee will not place or permit any such Unit to be placed in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace or cause to be replaced promptly any such name and words which may be removed, defaced, obliterated or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Owner-Trustee and filed, recorded and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Owner-Trustee an opinion of counsel to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Vendor's and the Owner-Trustee's interests in such Units and no filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of the Vendor and the Owner-Trustee in such Units.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may permit the Equipment to be lettered with the names, trademarks, initials or other insignias customarily used by the Lessee or its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification of its rights to use the Equipment under this Lease, and the Equipment may be lettered in an appropriate manner for convenience of identification of the interest of the Lessee therein.

§ 6. *Taxes.* Whether or not any of the transactions contemplated hereby are consummated, the Lessee agrees to pay, and to indemnify and hold the Owner-Trustee, the Owner, the Vendor, the Investors and the

estate held in trust by the Owner-Trustee under the Trust Agreement and by the Vendor under the CSA harmless from all taxes, assessments, fees and charges of any nature whatsoever, together with any penalties, fines, additions to tax or interest thereon, howsoever imposed, whether levied or imposed upon the Owner-Trustee, the Owner, the Vendor, the Investors, the Lessee, such trust estate, or otherwise, by any Federal, state or local government or governmental subdivision in the United States or by any foreign country or subdivision thereof, upon or with respect to: any Unit or any part thereof; the manufacture, purchase, ownership, delivery, leasing, possession, use, operation, transfer of title, return or other disposition thereof; the rentals, receipts or earnings arising therefrom; or this Lease, the Lease Assignment, the Consent, the Trust Agreement, the Participation Agreement, the CSA and the CSA Assignment; any payment made pursuant to any such agreement, or the property, the income or other proceeds received with respect to property held in trust by the Owner-Trustee under the Trust Agreement or by the Vendor under the CSA (all such taxes, assessments, fees, charges, penalties, fines, additions to tax and interest imposed as aforesaid being hereinafter called "Taxes"); *excluding, however:* (i) Taxes of the United States or of any state or political subdivision thereof and (if and to the extent that any person is indemnified by the Lessee pursuant to Paragraph 9 of the Participation Agreement) of any foreign country or of any subdivision thereof, imposed on or measured solely by the net income or excess profits of the Owner-Trustee (in its individual capacity), the Owner, the Investors or the Vendor (in its individual capacity), other than Taxes arising out of or imposed in respect of the receipt of indemnification payments pursuant to this Lease; (ii) any Taxes imposed as a direct result of a voluntary transfer or other voluntary disposition by the Owner or any transfer or disposition by the Owner resulting from bankruptcy or other proceedings for the relief of creditors in which the Owner is the debtor, whether voluntary or involuntary, of any interest in any Unit or interest in rentals under this Lease, unless, in each case, such transfer or disposition is in connection with a Casualty Occurrence or an Event of Default shall have occurred and be continuing; (iii) any Taxes imposed on or measured by any trustee or agency fees received by the Owner-Trustee or the Vendor; and (iv) Taxes which are imposed on or measured solely by the net income of the Owner-Trustee, the Investors or the Vendor if and to the extent that such Taxes are in substitution for or reduce the Taxes payable by any other person which the Lessee has not agreed to pay or indemnify against pursuant to this § 6; *provided, however,* that the Lessee shall not be required to pay any Taxes during the period it may be contesting the same in the manner provided in the next succeeding paragraph. The Lessee further agrees to pay on or before the time or times prescribed by law any tax imposed on or measured solely by the net income of the Lessee (or the affiliated group, within the meaning of section 1504 of the Internal Revenue Code of 1954, as amended, of which the Lessee is a member) under the laws of the United States or of any state or political subdivision thereof, or of any foreign country or subdivision thereof which, if unpaid, might result in a lien or other encumbrance upon any Unit; *provided, however,* that the Lessee shall not be required to pay any such tax during the period it may be contesting the same in good faith by appropriate proceedings.

If claim is made against any indemnified party for any Taxes indemnified against under this § 6, such party shall promptly notify the Lessee. If reasonably requested by the Lessee in writing, such indemnified party shall, upon receipt of indemnity satisfactory to it for all costs, expenses, losses, legal and accountants' fees and disbursements, penalties, fines, additions to tax and interest, and at the expense of the Lessee, contest in good faith the validity, applicability or amount of such Taxes by (a) resisting payment thereof if possible, (b) not paying the same except under protest, if protest is necessary and proper, and (c) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative or judicial proceedings, or both. The Lessee may also contest, at its own expense, the validity, applicability or amount of such Taxes in the name of such indemnified party; provided that no proceeding or action relating to such contest shall be commenced (nor shall any pleading, motion, brief or other paper be submitted or filed in the name of such indemnified party in any such proceeding or action) without the prior written consent of such indemnified party. If such indemnified party shall obtain a refund of all or any part of such Taxes previously reimbursed by the Lessee in connection with any such contest or an amount representing interest thereon applicable to the amount paid by the Lessee and the period of such payment, such indemnified party shall pay to the Lessee the amount of such refund or interest net of expenses; *provided, however,* that no Event of Default and no event

which, with notice or lapse of time or both, would constitute an Event of Default shall have occurred and be continuing.

In case any report or return is required to be made with respect to any obligation of the Lessee under this § 6 or arising out of this § 6, except obligations resulting from the second sentence of the first paragraph of this § 6, the Lessee shall either make such report or return in such manner as will show the interests of the Owner-Trustee and the Vendor in the Units, or shall promptly notify the Owner-Trustee, the Owner and the Vendor of such requirement and shall make such report or return in such manner as shall be satisfactory to the Owner-Trustee, the Vendor and the Owner. All costs and expenses (including legal and accountants' fees) of preparing any such return or report shall be borne by the Lessee.

All the obligations of the Lessee under this § 6 shall survive and continue, but only with respect to periods included in the term of this Lease, notwithstanding payment in full of all amounts due under the CSA or the termination of this Lease. All amounts payable by the Lessee pursuant to this § 6 shall be payable directly to the indemnified party entitled to indemnification, except to the extent paid to a governmental agency or taxing authority. The foregoing indemnities by the Lessee shall not constitute a guarantee by the Lessee of the payment of any installments of principal or interest payable under the CSA or a guarantee of the residual value of the Equipment.

The Lessee shall furnish promptly, upon request, such information and data as are normally available to the Lessee and which the Owner-Trustee, the Vendor or the Owner reasonably may require to permit compliance with the requirements of any taxing authorities.

§ 7. *Payment for Casualty Occurrences; Insurance.* In the event that any of the Units shall be or become worn out, lost, stolen, destroyed, irreparably damaged, or permanently rendered unfit for use from any cause whatsoever, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government for a period not in excess of the then remaining term of this Lease (such occurrences being hereinafter called "Casualty Occurrences") during the term of this Lease, or until such Unit shall have been returned in the manner provided in § 11 or 14 hereof, the Lessee shall promptly and fully notify the Owner-Trustee and the Vendor with respect thereto. On the rental payment date (not earlier than the first regular Basic Rental payment date) next succeeding the delivery of such notice (or, in the event such Basic Rental payment date will occur within 15 days after delivery of notice, on the following Basic Rental payment date, or, in the event the term of this Lease has already expired or will expire within 15 days after delivery of such notice, on a date within 15 days of such delivery), the Lessee shall pay to the Owner-Trustee an amount equal to the rental payment or payments in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value of such Unit as of the Basic Rental payment date which first follows the actual date of the Casualty Occurrence (regardless of the date on which the determination that such Unit suffered the Casualty Occurrence is made) (such Basic Rental payment date being hereinafter called the "Calculation Date"). Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Owner-Trustee shall be entitled to recover possession of such Unit.

If the date upon which the making of such payment by the Lessee in respect of any Unit as required as aforesaid shall be after the term of this Lease in respect of such Unit has expired, no rental for such Unit shall accrue after the end of such term, but, in addition to paying the Casualty Value for such Unit, the Lessee shall pay interest thereon from the end of such term to the date of such payment at the prime rate of interest which said Manufacturers Hanover Trust Company charges on the date of such payment for 90-day unsecured loans to large corporate borrowers of the highest credit standing.

The Owner-Trustee hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, before or after the expiration of this Lease, at the best price obtainable

on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Owner-Trustee and is not in default hereunder or an event which after notice or lapse of time or both would become a default hereunder has occurred and is continuing, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Owner-Trustee.

The Casualty Value of each Unit as of the Calculation Date for each such Unit shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule B hereto opposite such date.

In the event of the requisition for use by the United States Government of any Unit during the term of this Lease or any renewal thereof, unless such requisition shall at the time of such requisition be scheduled to extend beyond the then remaining term of this Lease, all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease, the Lessee shall be obligated to return such Unit to the Owner-Trustee pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease; but the Lessee shall in all other respects comply with the provisions of said § 11 or 14, as the case may be, with respect to such Unit. All payments received by the Vendor, the Owner-Trustee or the Lessee from the Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Owner-Trustee or the Lessee from the Government for the use of such Unit after the term of this Lease, shall be paid over to, or retained by, the Owner-Trustee.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee shall at all times while this Lease is in effect maintain or cause to be maintained, at its own expense, property and casualty insurance in respect of the Units at the time subject hereto, at least in amounts and against risks customarily insured against by railroad companies on similar equipment owned by them and in amounts and against risks customarily insured against by the Lessee on similar equipment owned by it.

The Lessee will, at all times prior to the return of the Equipment to the Owner-Trustee in accordance with the terms of this Lease, at its own expense, cause to be carried and maintained public liability insurance, in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned by it.

§ 8. *Reports.* On or before April 1 in each year, commencing with the calendar year 1980, the Lessee will furnish to the Owner-Trustee, the Owner and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the CSA, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year or, in the case of the first such statement, since the date of this Lease (specifying the dates of such Casualty Occurrences) or to the knowledge of the Lessee are then undergoing repairs (other than running repairs) or are then withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Owner-Trustee or the Vendor may reasonably request and (b) stating that, in the case of all Units repaired or repaired during the period covered by such statement, the numbers and the markings required by § 5 hereof and the CSA have been preserved or replaced. The Owner-Trustee shall have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Owner-Trustee may request during the continuance of this Lease.

The Lessee agrees at its expense to prepare and deliver or cause to be prepared or delivered to the Owner-Trustee within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Owner-Trustee) any and all reports (other than income tax returns) to be filed by the Owner-Trustee

with any Federal, state or other regulatory authority by reason of the ownership by the Owner-Trustee or the Vendor of the Units or the leasing thereof to the Lessee.

§ 9. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; Indemnification.* NEITHER THE OWNER-TRUSTEE NOR THE OWNER MAKES, HAS MADE OR SHALL BE DEEMED TO MAKE OR HAVE MADE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, OPERATION OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS OR ANY COMPONENT THEREOF DELIVERED TO THE LESSEE HEREUNDER, AND NEITHER THE OWNER-TRUSTEE NOR THE OWNER MAKES ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS OR ANY COMPONENT THEREOF FOR ANY PARTICULAR PURPOSE NOR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT OR ANY COMPONENT THEREOF (EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE), it being agreed that all such risks, as between the Owner-Trustee and the Lessee, are to be borne by the Lessee; but the Owner-Trustee hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Owner-Trustee and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Owner-Trustee may have against any Builder under or referred to in Article 13 of the CSA. The Owner-Trustee and the Owner shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability (including, without limitation, strict liability in tort or otherwise), loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstance in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Owner-Trustee that the Units described therein are in all the foregoing respects satisfactory to the Lessee; and the Lessee will not assert any claim of any nature whatsoever against the Owner-Trustee or the Owner based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Owner-Trustee, the Owner and the Vendor, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units and in the event that such laws or rules require any alteration, replacement, modification or addition of or to any part of any Unit, the Lessee will fully conform therewith at its own expense; *provided, however*, that the Lessee may upon written notice to the Owner-Trustee and the Vendor, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Owner-Trustee or the Vendor, adversely affect the property or rights of the Owner-Trustee or the Vendor, respectively, under this Lease or under the CSA.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit (including any parts installed on or replacements made to any Unit and considered an accession thereto as hereinbelow provided) which is subject to this Lease in good operating order, repair and condition, ordinary wear and tear excepted.

The Lessee and its affiliates, at their own cost and expense, may from time to time make such other alterations, modifications and additions at any time attached or affixed to any Unit, the cost of which is not included in the Purchase Price of such Unit and which are not required for the operation or use of such Unit by

the Interstate Commerce Commission, the United States Department of Transportation or any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over such Unit (hereinafter collectively called Additions) to the Units as the Lessee may deem desirable in the proper conduct of its business so long as such Additions shall not be inconsistent with the continuing operation of the Units and shall not diminish the value, utility or condition of the Units below the value, utility and condition thereof immediately prior to the making of such Additions, assuming the Units were then in the condition required to be maintained by the terms of this Lease; *provided, however*, that no such Addition shall be made if it is not readily removable from the Unit to which it relates without material damage thereto and without diminishing or impairing the value or utility which the Unit would have had immediately prior to such time had such Addition not been made.

Title to all Parts (as hereinbelow defined) incorporated in or installed as part of a Unit shall without further act vest in the Owner-Trustee and be subject to a valid first lien and prior perfected security interest under the CSA in the following cases: (i) such Part is in replacement of or in substitution for, and not in addition to, any Part originally incorporated in or installed as part of such Unit at the time of the acceptance thereof hereunder or any Part in replacement of, or in substitution for any such original Part, (ii) such Part is required to be incorporated in or installed as part of such Unit pursuant to the terms of the second or third paragraph of this § 9, or (iii) notwithstanding the provisions of the fourth paragraph of this § 9, such Part cannot be readily removed from such Unit to which it relates without material damage thereto and without diminishing or impairing the value or utility which such Unit shall have had at such time had such alteration or addition not occurred. In all other cases, if no Event of Default, or event which with notice or lapse of time or both would constitute an Event of Default shall have occurred and be continuing, title to Parts incorporated in or installed as parts of the Units as a result of such alterations or additions shall vest in the Lessee. The term Part for the purposes of this paragraph and § 14 hereof shall be defined to include any appliance, part, instrument, accessory, furnishing or other equipment of any nature which may from time to time be incorporated in or installed as part of any Unit.

The Lessee shall pay, and shall protect, indemnify and hold the Owner-Trustee, the Owner, the Investors and the Vendor and their respective successors, assigns, principals, agents and servants (hereinafter called "Indemnified Persons") as third party beneficiaries hereof, harmless from and against any and all causes of action, suits, penalties, claims, demands or judgments, of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements, expenses [including without limitation attorneys' fees and expenses of any Indemnified Person] relating thereto) in any way relating to or arising or alleged to arise out of this Lease or the Units, including without limitation those in any way relating to or arising or alleged to arise out of (i) the manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, return or other disposition of any Unit or portion thereof; (ii) any latent or other defects whether or not discoverable by any Indemnified Person or the Lessee; (iii) any claim for patent, trademark or copyright infringement; (iv) any claims based on strict liability in tort or by statute imposed; (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of the Units or of any other equipment in connection with the Units (whether owned or under the control of the Owner-Trustee, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; (vi) any violation, or alleged violation, of any provision of this Lease (except by the Owner-Trustee) or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the leasing, ownership, use, replacement, adaptation or maintenance thereof; (vii) any claim arising out of any of the Owner-Trustee's obligations under the Lease Assignment, the CSA or the Participation Agreement, except to the extent such claim arises from an act or omission of the Owner-Trustee; or (viii) any claim arising out of the Vendor's holding a security interest under the CSA or the Lease Assignment; *except, however*, in the case of any Builder, (i) any losses, damages, injuries,

liabilities, claims and damages whatsoever arising out of any tort by such Builder, or out of any breach of warranty or failure to perform any covenant under the CSA by such Builder and (ii) any matter covered by such Builder's warranty of material and workmanship and patent indemnification set forth in Item 3 of Annex A to the CSA. All payments hereunder shall be made directly to the Indemnified Person. The Lessee shall be obligated under this § 9, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this § 9 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any claim indemnified against hereunder, the Lessee may and, upon such Indemnified Person's request, will at the Lessee's expense resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person and, in the event of any failure by the Lessee to do so, the Lessee shall pay all costs and expenses (including without limitation attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Lessee is required to make any payment under this § 9, the Lessee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as determined in the sole discretion of the Indemnified Person), shall be equal to the amount of such payment. The Lessee and the Owner-Trustee each agrees to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against. Upon the payment in full of any indemnities as contained in this § 9 by the Lessee, and provided that no Event of Default (or other event which with lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, it shall be subrogated to any right of such Indemnified Person in respect of the matter against which indemnity has been given. Any payments received by such Indemnified Person from any person (except the Lessee) as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this § 9 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made in respect of such matter.

The Lessee further agrees to indemnify, protect and hold harmless the Owner-Trustee and the Investors, the Vendor and the Owner, as third party beneficiaries hereof, from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Owner-Trustee, the Vendor or the Owner because of the use in or about the construction or operation of any of the Equipment of any article or material specified by the Lessee and not manufactured by the applicable Builder or of any design, system, process, formula or combination specified by the Lessee and not developed or purported to be developed by such Builder which infringes or is claimed to infringe on any patent or other right. The Lessee will give notice to the applicable Builder of any claim known to the Lessee from which liability may be charged against such Builder under the CSA.

The indemnities contained in this § 9 shall survive the expiration or termination of this Lease with respect to all events, facts, conditions or other circumstances occurring or existing prior to such expiration or termination and are expressly made for the benefit of, and shall be enforceable by any Indemnified Person. None of the indemnities in this § 9 shall be deemed to create any rights of subrogation in any insurer or third party against the Lessee or the Owner-Trustee therefor, from or under any Indemnified Person, whether because of any claim paid or defense provided for the benefit thereof or otherwise. The foregoing indemnities by the Lessee shall not constitute a guarantee by the Lessee of the payment of any installments of principal or interest payable under the CSA or a guarantee of the residual value of the Equipment.

§ 10. *Default.* If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an "Event of Default") shall occur:

A. payment of any part of the rental provided in § 3 or § 13 hereof or payment in respect of any Casualty Occurrence pursuant to § 7 hereof shall not be made by or on behalf of the Lessee, and such failure shall continue for five business days after such payment is due; or

B. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement or the Consent, and such default shall continue for 30 days after written notice from the Owner-Trustee or the Vendor to the Lessee specifying the default and demanding that the same be remedied; or

C. any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee under this Lease, the Participation Agreement or the Consent under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder, under the Participation Agreement or under the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, under the Participation Agreement or under the Consent, as the case may be, shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

D. an event of default set forth in Article 15 of the CSA shall have occurred resulting directly from any default by the Lessee in performing any of its obligations hereunder or under the Participation Agreement or under the Consent;

then, in any such case, the Owner-Trustee at its option, may,

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease with respect to any or all of the Units, whereupon all rights of the Lessee to the use of such Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Owner-Trustee may by its agents enter upon the premises of the Lessee or other premises where any of such Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use such Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Owner-Trustee shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) in respect of such Units and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty, whichever of the following amounts the Owner-Trustee, in its sole discretion, shall specify: (x) a sum with respect to each such Unit which represents the excess of (1) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (2) the then present value of the rentals which the Owner-Trustee

reasonably estimates to be obtainable for each such Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, together with any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Owner-Trustee shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of the rental; or (y) an amount equal to the excess, if any, of the Casualty Value of each such Unit as of the rental payment date on or next preceding the date of termination over the amount the Owner-Trustee reasonably estimates to be the sales value (after deduction of all estimated expenses of such sale) of such Unit at such time; *provided, however,* that in the event the Owner-Trustee shall have sold any such Unit, the Owner-Trustee, in lieu of collecting any amounts payable to the Owner-Trustee by the Lessee pursuant to the preceding clauses (x) and (y) of this subparagraph (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Owner-Trustee and the Lessee shall pay to the Owner-Trustee on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination, over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Owner-Trustee's remedies with respect thereto, including without limitation all costs and expenses incurred in connection with the return of any Unit.

The remedies in this Lease provided in favor of the Owner-Trustee shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Owner-Trustee to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies; and a waiver of any such right on one occasion shall not constitute a waiver of such right as to any other occasion and shall not be effective unless in writing signed by the Owner-Trustee.

The Lessee also agrees to furnish the Owner-Trustee, the Owner and the Vendor, promptly upon any responsible officer's becoming aware of any condition which constitutes an Event of Default hereunder or which, after notice or lapse of time or both, would constitute such an Event of Default, written notice specifying such condition and the nature and status thereof. For the purposes of this Section, a "responsible officer" shall mean, with respect to the subject matter of any covenant, agreement or obligation of the Lessee in this Lease contained, any corporate official of the Lessee who in the normal performance of his operational responsibilities would have knowledge of such matter and the requirements of this Lease with respect thereto.

§ 11. *Return of Units upon Default.* If this Lease shall terminate in respect of any of the Units pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of such Units to the Owner-Trustee and shall give prompt telegraphic and written notice to the Association of American Railroads and all railroads having possession of any Unit so to return such Units. Each such Unit returned to the Owner-Trustee pursuant to this § 11 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any Part title to which is in the Owner-Trustee pursuant to § 9 hereof and have removed therefrom at Lessee's expense any Part or Addition title to which is in the Lessee or any other person pursuant to the such § 9 and (iii) meet the standards then in effect

under the Interchange Rules of the Association of American Railroads, if applicable, or such comparable standards as may then be in effect. For the purpose of delivering possession of any such Unit or Units to the Owner-Trustee as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner cause such Units to be transported to such location as shall reasonably be designated by the Owner-Trustee and there assembled,

(b) furnish and arrange for the Owner-Trustee to store such Units on any lines of railroad or premises approved by the Owner-Trustee until such Units have been sold, leased or otherwise disposed of by the Owner-Trustee, and

(c) cause such Units to be moved to such interchange point or points as shall be designated by the Owner-Trustee upon any sale, lease or other disposal of all or any of such Units.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee (and the Lessee will maintain the insurance described in the last two paragraphs of § 7 of this Lease during this period) and are of the essence of this Lease; and, upon application to any court of equity having jurisdiction in the premises, the Owner-Trustee shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Owner-Trustee or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of any such Unit, to inspect the same. In the event that any of the Units are sold or leased, the Lessee shall pay to the Owner-Trustee the per diem interchange for each such Unit which shall not have been assembled, delivered and stored, as hereinbefore provided, by the date of such sale for each day from the date of such sale to the date of delivery to the purchaser or lessee thereof. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Owner-Trustee and, if received by the Lessee, shall be promptly turned over to the Owner-Trustee.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Owner-Trustee as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Owner-Trustee, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Owner-Trustee without the consent of the Lessee; but the Lessee shall be under no obligation to any assignee of the Owner-Trustee other than the Vendor except upon written notice of such assignment from the Owner-Trustee. All the rights of the Owner-Trustee hereunder and obligations of the Lessee (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Owner and the Owner's and the Owner-Trustee's assigns (including the Vendor).

So long as no Event of Default or event of default exists hereunder or under the CSA and the Lessee shall have fully complied with the provisions of this § 12, the Lessee shall be entitled to the possession of the Units and also to sublease the Units to, or to permit their use under the terms of car contracts by, a sublessee or user incorporated in the United States of America (or any state thereof or the District of Columbia) or Canada (or any Province thereof), upon lines of railroad owned or operated by a railroad company or companies incorporated in the United States of America (or any state thereof or the District of Columbia) or Canada (or any Province thereof), or over which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting and other carriers in the usual interchange of traffic in the continental United States, only upon and subject to all the terms and conditions of this Lease; *provided, however,* that if the Lessee subleases or permits the use of any Unit in Canada (or any Province or Territory thereof), the Lessee shall, except as otherwise provided in § 15 hereof, first have (a) taken all necessary action to protect the right, title and interest of the Owner-Trustee and the Vendor in the Units to be so subleased or used and (b) furnished the Owner-Trustee and the Vendor with an opinion of Canadian counsel satisfactory to

the Owner-Trustee and the Vendor to the effect that such action is all that is necessary to protect the right, title and interest of the Owner-Trustee and the Vendor in such Units; *provided, further*, that no Units shall be used predominantly outside the United States of America within the meaning of section 48(a) of the Internal Revenue Code of 1954, as amended to the date hereof, nor shall the Lessee sublease the Units to, or permit their use by, any person in whose hands such Units would not qualify as "section 38" property within the meaning of such Code.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; *provided, however*, that every such sublease shall be subject to the rights and remedies of the Vendor under the CSA and the Owner-Trustee under this Lease in respect of the Units covered by such sublease upon the occurrence of an event of default thereunder or an Event of Default hereunder.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except any sublease or car contract as aforesaid and other than an encumbrance resulting from claims against the Owner-Trustee or the Vendor not related to the ownership or leasing of, or the security interest of the Vendor in, the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Owner-Trustee, the Owner, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Owner-Trustee, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of this § 12.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any solvent corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have specifically assumed the obligations of the Lessee hereunder, under the Consent and under the Participation Agreement by an appropriate instrument in writing) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition be in default under any provision of this Lease.

§ 13. *Renewal Options and Right of First Refusal.* The Owner-Trustee intends to retain the Units for re-lease at the expiration of the original term of this Lease. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Owner-Trustee not less than six months prior to the end of the original term of this Lease elect to extend the term of this Lease in respect of all, but not fewer than all, of the Units then covered by this Lease for one additional seven-year period commencing on the scheduled expiration of the original term of this Lease, at a semiannual rental equal to 1.851868% of the Purchase Price of each such Unit subject to this Lease on the date such rental is payable; such rental is payable in arrears on February 1 and August 1 in each year of the extended term of this Lease.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Owner-Trustee not less than six months prior to the end of the term of this Lease as extended pursuant to the first paragraph of this § 13, elect to extend the term of this Lease in respect of all but not fewer than all of the Units then covered by this Lease, for two additional seven-year periods commencing on the scheduled expiration of the extended seven-year term of this Lease or the first such additional seven-year extended term, as the case may be, at a "Fair Market Rental" payable in semiannual payments on the semiannual anniversaries of the expiration of the preceding extended term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental. If,

after 60 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Owner-Trustee and the Lessee are unable to agree upon a determination of the Fair Market Rental, such rental shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 60 days after his appointment. The determination of Fair Market Rental of the appraiser appointed pursuant to this paragraph shall be final. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

In the event that the Lessee shall in its reasonable judgment determine that it is not economically feasible for the Lessee to comply with the provisions of the second paragraph of § 9 hereof or clause (iii) of the first paragraph of § 14 hereof during any extended term of this Lease as extended pursuant to the provisions of the first or second paragraph of this § 13, whichever is applicable, with respect to any Unit, the Lessee shall have the right at its option, on at least 30 days' prior written notice to the Owner-Trustee, to terminate this Lease as to such Unit (subject to the provisions for the survival of indemnification obligations contained in §§ 6 and 9 hereof) as of the next scheduled rental payment date during such extended term upon payment to the Owner-Trustee of the present value as of such date of termination of the remaining rental for such Unit during such extended term with the semiannual rentals discounted semiannually at an annual rate of 6%; and the Lessee shall return such Unit to the Owner-Trustee as soon as reasonably practical.

Provided the Lessee exercises the renewal option provided in the first paragraph of this § 13, and provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, and provided that the Lessee has not exercised any renewal option pursuant to the provisions of the second paragraph of this § 13, in the event the Owner-Trustee elects to sell any of the Units to third parties at the expiration of the term of this Lease as extended pursuant to the first paragraph of § 13 hereof, the Lessee, at its written request, shall be given written notice of such intention prior to the expiration of the term of this Lease as so extended. In the event that the Owner-Trustee shall receive, prior to 90 days after the expiration of said term of this Lease, a bona fide offer in writing from another party to purchase such Units and the Owner-Trustee elects to sell such Units pursuant to such offer at the expiration of the term of this Lease as extended pursuant to the first paragraph of this § 13, the Owner-Trustee shall give written notice to the Lessee of such offer. Such notice shall be given to the Lessee on any date not earlier than 135 days prior to, and not later than 90 days after, the expiration of said term of this Lease, and shall include the price offered by the other party in writing to the Owner-Trustee. The Lessee shall have the sole right and option, for a period of 20 days from the date of receipt of such notice, to purchase such Units for cash at the price at which the Units are proposed to be sold (which shall not be less than the fair market value thereof). The Lessee shall exercise such purchase right by delivery to the Owner-Trustee of a written notice specifying a date of purchase, which date shall not be later than the later of (i) 15 days after the date of receipt of such notice of such offer by the Lessee or (ii) 90 days after the expiration of said term of this Lease. In the event that the Lessee shall have delivered a notice of its election to purchase such Units, this Lease (including the obligation to pay rent) shall be further extended upon the same terms and conditions set forth herein from the date such notice is delivered to the Owner-Trustee until the date of such purchase.

§ 14. *Return of Units upon Expiration of Term.* On or prior to the termination of the original or any extended term of this Lease or as soon as practicable on or after the termination of the original or any

extended term of this Lease and in any event not later than 90 days after the termination of the original or any extended term of this Lease the Lessee will, at its own cost and expense, at the request of the Owner-Trustee, cause each of the Units to be transported to such point or points as shall be reasonably designated by the Owner-Trustee immediately prior to such termination and arrange for the Owner-Trustee to store such Unit on any lines of railroad or premises approved by the Owner-Trustee for a period commencing on the date of its arrival at any such point and extending thereafter to a date the later of 30 days from such date of arrival or 90 days from the date at which at least 90% of the Units are first placed in storage pursuant to this § 14; the assembly, delivery, storage and transporting of the Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Owner-Trustee or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of such Unit or Units, to inspect the same; *provided, however*, that the Lessee shall not be liable except in the case of negligence or intentional act of the Lessee or of its employees or agents, except to the extent otherwise provided by law, for any injury to or the death of any person exercising, either on behalf of the Owner-Trustee or any prospective purchaser or lessee, the rights of inspection granted under this sentence. The assembly, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Owner-Trustee shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Owner-Trustee pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any Part or Addition title to which is in the Owner-Trustee pursuant to § 9 hereof and have removed therefrom at Lessee's expense any Part or Addition title to which is in the Lessee or any other person pursuant to such § 9 and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable, or such comparable standards as may then be in effect. Until such return, the Lessee shall keep in place the insurance described in the last two paragraphs of § 7 hereof. If any of the Units suffers a Casualty Occurrence during any storage period provided for in this § 14, the Lessee shall pay to the Owner-Trustee the Casualty Value of such Unit as determined in accordance with § 7 hereof. All gross amounts earned in respect of any Unit shall, from and after the termination of this Lease as to such Unit, belong to and be the property of the Owner-Trustee. In the event that by the 90th day after the termination of the original or any extended term of this Lease, the Lessee has not, at the request of the Owner-Trustee, caused any Unit to be transported to such point or points as shall have been designated by the Owner-Trustee pursuant to this § 14, the Lessee shall pay to the Owner-Trustee the per diem interchange for such Unit for each day from such 90th day to the date on which such Unit has been so transported. In any event, the Owner-Trustee shall have no right hereunder to abandon any Unit to the Lessee.

Upon the expiration of the original term of this Lease on July 31, 1997, if the Lessee shall decide not to exercise the renewal option provided by the first paragraph of § 13 hereof, the Lessee will deliver to the Owner-Trustee a certificate of an officer of the Lessee to the effect that (a) no Event of Default or any event which with lapse of time or notice or both would constitute an Event of Default had occurred or was continuing as of July 31, 1997; (b) no liens, charges, security interests or other encumbrances (except an encumbrance resulting from claims against the Owner-Trustee or the Owner) were, as of the date of return of any Unit, imposed on or with respect to any such Unit, any accession thereto, or the interest of the Owner-Trustee or the Owner therein; (c) the Units have been returned to the Owner-Trustee pursuant to this § 14 in the same operating order, repair and condition required by the first paragraph of this § 14 and (d) the Lessee no longer has any interest in the Units under the Lease or otherwise. If a certificate of an officer of the Lessee is required to be furnished pursuant to the preceding sentence, the certificate described in clause (a) in the preceding sentence shall be furnished on July 31, 1997, and the certificates described in clauses (b), (c) and (d) in the preceding sentence shall be furnished on a monthly basis, beginning on August 31, 1997, and such certificate shall cover each such Unit returned during the preceding 30 calendar days and shall apply to each such Unit as of the date such Unit was returned pursuant to the provisions of the first paragraph of this § 14. Upon the expiration of any extended term of this Lease, if the Lessee shall decide not to exercise any further renewal option, or if the Lessee shall have no such further renewal option, the Lessee shall deliver to the

Owner-Trustee a certificate of an officer of the Lessee to the foregoing effect, with such conforming changes as shall be appropriate under the circumstances.

§ 15. *Recording.* The Lessee, at its own expense, will cause this Lease, the CSA, the CSA Assignment, the Lease Assignment and any assignment hereof or thereof to be filed in accordance with 49 U.S.C. § 11303(a). The Lessee will, at its own expense, undertake the filing, registering, deposit, and recording required of the Owner-Trustee under the CSA and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Owner-Trustee or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Owner-Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the CSA or the Lease Assignment; *provided, however*, that the Lessee shall not be required to take any such action in respect of any jurisdiction outside the United States if (1) the Lessee deems such action to be unduly burdensome, (2) after giving effect to the failure to take such action, the Lessee has taken all action required by law to protect the title of the Owner-Trustee to and the security interest of the Vendor in Units having a Fair Value (as defined in the CSA) of not less than 85% of the aggregate Fair Value of all the Units then subject to this Lease, and (3) any Unit at any time located in such jurisdiction shall have been marked with the markings specified in § 5 hereof.

The Lessee will promptly furnish to the Vendor and the Owner-Trustee evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Owner-Trustee. This Lease and the CSA shall be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303(a) prior to the delivery and acceptance hereunder of any Unit.

§ 16. *Merger and Consolidation.* The Lessee agrees not to merge or consolidate with any other corporation unless the survivor of such merger or consolidation shall be a solvent corporation organized under the laws of the United States of America or a state thereof or the District of Columbia and such survivor (if not the Lessee) shall assume all the obligations and liabilities of the Lessee hereunder, under the Participation Agreement and under the Consent.

§ 17. *Increase of User Rates.* The Lessee covenants and agrees, in addition to and not in limitation of any other remedies of the Owner-Trustee hereunder or otherwise, (i) that, if an Event of Default exists under clause A of § 10 hereof by reason of the failure of the Lessee to pay within the grace period provided in clause A of § 10 hereof all or any part of the rentals due and payable under § 3 hereof (but not including amounts payable by reason of acceleration of the date of payment thereof), the Lessee shall, upon written notice by the Owner-Trustee so to do, within ten days after receipt of such notice, deliver to all parties to its Form BX car contracts (or such other forms as may hereafter be used in substitution or in replacement of such Form BX car contracts) due and proper notice of increases in the car user charges under such contracts, (ii) that all car contracts covering any unit or units of railroad equipment of which the Lessee is the owner or the lessee will contain provisions permitting the Lessee to require such increases and (iii) that, except in connection with an assignment or transfer in accordance with the provisions of the CSA, the Lessee will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Lessee to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Lessee in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Lessee to enable it to pay as rental hereunder an amount equal to all such overdue rentals (with interest on overdue rentals equal to 10%% per annum, or at such lesser maximum rate permitted by law) and, to cure any defaults in payment of any principal or interest or rentals payable under comparable provisions of any other equipment trust, conditional sale or other equipment agreement or lease of the Lessee not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of

acceleration of the date of payment of installments of principal, dividends or interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Lessee relating to the use of its cars. If for any reason any such increases so made by the Lessee shall fail to provide in 90 days sufficient cash to enable the Lessee to cure such default or defaults hereunder and under any other such agreements, or if cash is provided but is not for any reason applied to cure such defaults, the Lessee shall, upon receipt of written notice from the Owner-Trustee so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Lessee to cure all such defaults hereunder and under such other agreements.

§ 18. *Obligations of Owner-Trustee Under CSA; Additional Rentals.* In the event that the Owner-Trustee shall become obligated to make any payment (other than payments in settlement for any Unit or the principal of or interest on the CSA Indebtedness in respect thereof pursuant to the CSA and pursuant to the proviso to the third paragraph of Article 12 thereof) or to perform any obligations pursuant to the CSA not covered by the provisions of this Lease, the Lessee shall pay such additional rentals hereunder and perform such obligations so that all of the Owner-Trustee's obligations (other than as aforesaid) pursuant to the CSA shall be fully complied with, without regard for any limitation of liability of the Owner-Trustee contained in the CSA. In no event shall the Lessee be liable for or considered a guarantor of the CSA Indebtedness.

§ 19. *Owner-Trustee's Right to Perform for the Lessee.* If the Lessee fails to perform or comply with any of its agreements contained herein, the Owner-Trustee may upon notice to the Lessee itself perform or comply with such agreement, and the amount of the reasonable cost and expenses of the Owner-Trustee incurred in connection with such performance or compliance, together with interest on such amount at the rate of 10 $\frac{5}{8}$ % per annum, or at such lesser maximum rate permitted by law, shall be payable by the Lessee upon demand.

§ 20. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay an amount equal to interest at a rate of 10 $\frac{5}{8}$ % per annum on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser maximum amount as may be legally enforceable.

§ 21. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when delivered to such other party or deposited in the United States mails, first-class postage prepaid, addressed as follows:

if to the Owner-Trustee, at 800 Davis Street, Evanston, Illinois 60204, attention of Corporate Trust Department;

if to the Lessee, at 300 South Wacker Drive, Chicago, Illinois 60606, attention of Vice President—Finance;

or addressed to any party at such other address as such party shall hereafter furnish to the other parties in writing. Any certificate, document or report required to be furnished by any party hereto to the other parties shall be delivered to the address set forth above or so furnished for such party. Any notice to the Lessee by the Vendor regarding the Lessee's failure to perform any obligation hereunder shall also be furnished by the Lessee to the Owner-Trustee.

§ 22. *Owner-Trustee Acting as Trustee.* The representations, undertakings and agreements herein made on the part of the Owner-Trustee are made and intended for the purpose of binding only the Owner's Trust.

Whenever the term Owner-Trustee is used in this Lease it shall apply and refer to the Owner-Trustee, as trustee under the Owner's Trust, and any successor or assignee of the Owner-Trustee, in such capacity.

§ 23. *No Recourse.* No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Owner-Trustee, the Owner or the Lessee, or against the Owner, whether by virtue of any constitutional

provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, as such, or beneficiaries being forever released as a condition of and as consideration for the execution of this Lease.

It is expressly agreed by the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Owner-Trustee are each and every one of them made and intended not as personal representations, undertakings and agreements by the First National Bank and Trust Company of Evanston, or for the purpose or with the intention of binding the said financial institution personally, but are made and intended for the purpose of binding the Owner's Trust, and this Lease is executed and delivered by the Owner-Trustee solely in the exercise of the powers expressly conferred upon the Owner-Trustee under the Trust Agreement; and that no personal liability or responsibility is assumed by or shall at any time be asserted or enforceable against said financial institution or the Owner on account of any representation, undertaking or agreement hereunder of said financial institution, acting in its capacity as Owner-Trustee, or the Owner, either expressed or implied, except for their respective obligations under the proviso to the last paragraph of Article 12 of the CSA and subparagraph (b) of the third paragraph of Article 4 of the CSA; all such personal liability, if any, being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee; *provided, however*, that the Lessee or any person claiming by, through or under the Lessee making claim hereunder, may look to the Owner's Trust for satisfaction of the same.

§ 24. *Severability; Effect and Modification of Lease; Third Party Beneficiaries.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof; and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Owner-Trustee and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto, except the Participation Agreement and the Consent. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Owner-Trustee and the Lessee.

Nothing in this Lease shall be deemed to create any right in any person not a party hereto (other than the Owner, the Builders, the Vendor, the Investors and the permitted successors and assigns of any thereof, each of which shall be deemed to be a third party beneficiary hereof and the Builders shall be considered to be included within the term Vendor to the extent of their respective interests, if any, under the CSA) and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party except as aforesaid.

§ 25. *Execution.* This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. It shall not be necessary that any counterpart be executed by both parties hereto as long as each party shall have executed one counterpart hereof and delivered it to the other party. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 26. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; *provided, however*, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303(a).

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

**Annex D to
Conditional Sale Agreement**

ASSIGNMENT OF LEASE AND AGREEMENT dated as of February 15, 1979, by and between FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, not in its individual capacity but solely as Trustee (hereinafter, together with its successors and assigns, called the "Owner-Trustee") acting under a Trust Agreement dated as of the date hereof (the "Owner's Trust"), with FIRST NATIONAL BANK OF MINNEAPOLIS (the "Owner") and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, not in its individual capacity but solely as agent under the Participation Agreement (the "Agent") for certain institutional investors (hereinafter, together with their successors and assigns, called the "Investors") under a Participation Agreement dated as of the date hereof among the Owner-Trustee, the Owner, the Agent, the Investors and American Rail Box Car Company (the "Lessee").

WHEREAS the Owner-Trustee is entering into a Conditional Sale Agreement dated as of the date hereof (the "CSA") with Pullman Incorporated (Pullman Standard Division), FMC Corporation and PACCAR Inc (the "Builders"), providing for the sale to the Owner-Trustee of such units of railroad equipment (the "Units") described in the Annex B thereto as are delivered to and accepted by the Owner-Trustee thereunder and the CSA is being assigned to the Agent by the Builders;

WHEREAS the Owner-Trustee and the Lessee have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter, together with the amendments and supplements thereto, being called the "Lease"), providing for the leasing by the Owner-Trustee to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Owner-Trustee under the CSA and as an inducement to the Investors to invest in the CSA Indebtedness as defined in the CSA, the Owner-Trustee agrees to assign for security purposes its rights in, to and under the Lease to the Agent.

NOW, THEREFORE, in consideration of the payments to be made, the parties hereto agree as follows:

1. Subject to the provisions of Paragraph 10 hereof, the Owner-Trustee hereby assigns, transfers and sets over unto the Agent, as collateral security for the payment and performance of the Owner-Trustee's obligations under the CSA, all the Owner-Trustee's right, title and interest, powers, privileges, and other benefits under the Lease (including those inuring to the benefit of the Owner under § 12 of the Lease), including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Owner-Trustee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity (except any sum payable by the Lessee pursuant to § 6 of the Lease to reimburse the Owner-Trustee or the Owner for Taxes (as defined in said § 6) actually paid by the Owner-Trustee or the Owner), liquidated damages, or otherwise (such moneys being hereinafter called the "Payments"), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Owner-Trustee is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Owner-Trustee hereby irrevocably authorizes and empowers the Agent in its own name, or in the name of its nominee, or in the name of the Owner-Trustee or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Owner-Trustee is or may become entitled under the Lease and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Agent agrees to accept any Payments made by the Lessee for the account of the Owner-Trustee pursuant to the Lease and, to the extent received, the Agent will apply such Payments to satisfy the obligations of the Owner-Trustee under the CSA then due and payable, and due and payable on the date such Payment is due and payable under the Lease, subject to the limitations contained in the last paragraph of Article 4 of the CSA, and so long as no event of default shall have occurred and be continuing under the CSA, any balance

held by the Agent hereunder for the account of the Owner-Trustee shall be paid immediately to and retained by the Owner-Trustee. The foregoing provision shall also be for the benefit of the Builders as third party beneficiaries. If the Agent shall not receive any rental payment under the first paragraph of § 3 of the Lease or any payment of Casualty Values under § 7 of the Lease when due, the Agent shall promptly notify the Owner-Trustee by telegraphic communication at the address set forth in the Lease. Failure to so notify the Owner-Trustee shall not affect the rights and remedies of the Agent hereunder or under the CSA, except that the Vendor may not take any action described in (i) and (ii) of the first paragraph of Article 15 of the CSA upon the occurrence of an event of default under subparagraph (a) or (f) of Section 15 of the CSA if such event of default results solely by reason of the failure of the Lessee to make any such rental payment which, pursuant to subparagraph (f) of the CSA would not constitute an event of default thereunder if the Owner-Trustee complies with the provisions thereof, unless such event of default is not remedied within 10 business days after notification is given as aforesaid.

2. This Assignment is executed only as security for the obligations of the Owner-Trustee under the CSA and, therefore, the execution and delivery of this Assignment shall not subject the Agent to, or transfer, or pass, or in any way affect or modify the liability of the Owner-Trustee under the Lease, it being agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Owner-Trustee to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Owner-Trustee or persons other than the Agent.

3. To protect the security afforded by this Assignment, the Owner-Trustee agrees as follows:

(a) The Owner-Trustee will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Owner-Trustee; without the written consent of the Agent, the Owner-Trustee will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder or from the obligations, covenants, conditions and agreements to be performed by the Lessee which are intended to satisfy the obligations of the Owner-Trustee under the CSA, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement so amending, modifying or terminating the Lease and the Owner-Trustee agrees that any such amendment, modification or termination thereof without such consent shall be void.

(b) Should the Owner-Trustee fail to make any payment or to do any act which this Assignment requires the Owner-Trustee to make or do, then the Agent, but without obligation so to do, after first making written demand upon the Owner-Trustee and affording the Owner-Trustee a reasonable period of time within which to make such payment or do such act, but without releasing the Owner-Trustee from any obligation hereunder, may make or do the same in such manner and to such extent as the Agent may deem necessary to protect the security provided hereby, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Agent, and also the right to perform and discharge each and every obligation, covenant and agreement of the Owner-Trustee contained in the Lease; and in exercising any such powers, the Agent may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Owner-Trustee will reimburse the Agent for such costs, expenses and fees; *provided, however*, that the obligations of the Owner-Trustee to make reimbursements under this Paragraph 3 are subject to the last paragraph of Article 4 of the CSA.

4. Subject to the provisions of Paragraph 10 hereof, the Owner-Trustee does hereby constitute the Agent; the Owner-Trustee's true and lawful attorney, irrevocably, with full power (in the name of the Owner-Trustee, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Owner-Trustee is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Agent may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Owner-Trustee's obligations under the CSA, this Assignment, and all rights herein assigned to the Agent in respect thereof shall terminate, and all estate, right, title and interest of the Agent in and to the Lease shall revert to the Owner-Trustee without further act or deed, but the Agent shall execute and deliver such documents as the Owner-Trustee may reasonably request in order to confirm, or make clear upon public records, such termination and/or reversion.

6. The Owner-Trustee will, from time to time, do and perform any other act and will execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Agent in order to confirm or further assure the interests of the Agent hereunder.

7. The Agent may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Agent hereunder. The Agent will give written notice to the Owner-Trustee and the Lessee of any such assignment.

8. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by 49 U. S. C. § 11303 (a).

9. The Owner-Trustee shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Agent at its address set forth in Article 20 of the CSA, or at such other address as the Agent shall designate.

10. The Agent hereby agrees with the Owner-Trustee that, so long as no event of default, or any event which with lapse of time or notice or both would constitute such an event of default, under the CSA has occurred and is then continuing, the Agent will not exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits assigned and transferred by the Owner-Trustee to the Agent by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the CSA, the Owner-Trustee may, so long as no such event of default under the CSA has occurred and is then continuing, exercise or enforce, or seek to exercise or enforce, its rights, powers, privileges, and remedies arising out of subparagraph (a) of the first paragraph of § 10 of the Lease; *provided, however*, the Owner-Trustee shall not, without the prior written consent of the Agent, terminate the Lease or otherwise exercise or enforce, or seek to exercise or enforce, any rights, powers, privileges and remedies arising out of subparagraph (b) of said § 10; *provided, further, however*, that if the Lessee shall default in its obligation pursuant to § 6 of the Lease to reimburse the Owner-Trustee or the Owner for Taxes (as defined in said § 6) actually paid by the Owner-Trustee or any Owner at a time when no event of default under the CSA had occurred and was continuing, the Owner-Trustee or the Owner shall have the right to proceed by appropriate court action to recover damages for breach thereof as provided in subparagraph (a) of the first paragraph of § 10 of the Lease, but may not terminate the Lease.

11. No recourse shall be had in respect of any obligation due under this Assignment, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Owner-Trustee, the Agent, any Investor or the Owner, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, as such, or beneficiaries being forever released as a condition of and as consideration for the execution of this Assignment.

12. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument. It shall be necessary that any counterpart be executed by both the parties hereto so long as each party shall have executed one counterpart hereof and delivered it to the other party.

It is expressly agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Owner-

Trustee are each and every one of them made and intended not as personal representations, undertakings and agreements by First National Bank and Trust Company of Evanston or for the purpose or with the intention of binding the said financial institution personally but are made and intended for the purpose of binding only the Owner's Trust and this Assignment is executed and delivered by the Owner-Trustee solely in the exercise of the powers expressly conferred upon the Owner-Trustee under the Trust Agreement; and that no personal liability or responsibility is assumed by or shall at any time be asserted or enforceable against the said financial institution or the Owner on account of any representation, undertaking or agreement hereunder of said financial institution, acting in its capacity as Owner-Trustee or the Owner, either expressed or implied, except for their respective obligations under the proviso to the last paragraph of Article 12 of the CSA and subparagraph (b) of the third paragraph of Article 4 of the CSA; all such personal liability, if any, being expressly waived and released by the Agent and by all persons claiming by, through or under the Agent; *provided, however*, that the Agent or any person claiming by, through or under the Agent, making claim hereunder, may look to the Owner's Trust for satisfaction of the same.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names, by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.

LESSEE'S CONSENT AND AGREEMENT

The undersigned, a corporation duly incorporated under the laws of the State of Delaware, the Lessee named in the Lease (the "Lease") referred to in the foregoing Assignment of Lease and Agreement (the "Assignment"), hereby acknowledges receipt of a copy of the Assignment, consents to all the terms and conditions of the Assignment and agrees as follows:

(1) subject to the terms and conditions of the Assignment, to pay all rentals, casualty payments, liquidated damages, indemnities and other moneys provided for in the Lease and assigned to the Agent (as hereinafter defined) by the Assignment (which moneys are hereinafter called the "Payments") due and to become due to the Owner-Trustee under the Lease in respect of the Units leased thereunder, by wire transfer of Federal or other immediately available funds, directly to the Mercantile-Safe Deposit and Trust Company, as agent (the "Agent") under the Participation Agreement referred to in the Assignment, to be applied as provided in the Assignment, to such address as may be requested by the Agent;

(2) agrees, subject to the terms and conditions of the Assignment, that the Agent shall be entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by the undersigned under the Lease as though the Agent were named therein as the Owner-Trustee;

(3) agrees that the Agent shall not, by virtue of the Assignment or this Consent and Agreement, be or become subject to any liability or obligation under the Lease or otherwise;

(4) agrees that the Lease shall not, without the prior written consent of the Agent, be amended, terminated or modified, or any action be taken or omitted by the undersigned, the taking or omission of which might result in any alteration or impairment of the obligations of the Lessee under the Lease which are intended to satisfy the obligations of the Owner-Trustee under the CSA, the obligations of the Owner-Trustee under the Assignment or the obligations of the Lessee under this Consent and Agreement or of any of the rights created by any thereof;

(5) will (i) execute, deliver and/or furnish all notices, certificates, communications, instruments, agreements, legal opinions and other documents and papers required to be executed, delivered and/or furnished by it (or its counsel) pursuant to the Participation Agreement as defined in the Lease and the exhibits thereto and (ii) do all such acts and execute and deliver all such further assurances required to be done and/or executed and delivered by it pursuant to the provisions of any thereof; and

(6) to the extent not assigned to the Agent, will pay all amounts payable by the Lessee pursuant to § 6 of the Lease directly to the indemnified party.

This Consent and Agreement may be executed in several counterparts, each of which when so executed shall be deemed an original, and such counterparts together shall constitute one and the same instrument. It is not necessary that any counterpart be executed by the Lessee and accepted by the Agent so long as the Lessee executes and delivers and the Agent accepts one counterpart hereof.

This Consent and Agreement, when accepted by the Agent by signing the acceptance at the foot hereof, shall be deemed to be a contract under the laws of the State of Illinois and, for all purposes, shall be construed in accordance with the laws of said State.
