2.2 Warranty of Title. The Debtor has the right, power and authority to grant a security interest in the Collateral to the Secured Party for the uses and purposes herein set forth; and the Debtor will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Debtor (excepting only the right, title and interest of NRUC under the Management Agreement and of persons claiming by, through or under NRUC). The Debtor also agrees that it will, in its individual capacity and at its own cost and expense, promptly take such action as may be necessary to duly discharge any liens and encumbrances on the Collateral claimed by any party from, through or under the Debtor or its successors or assigns and which are not related to this Security Agreement, or the transactions contemplated herein.

2.3 Further Assurances. Without limiting the foregoing but in furtherance of the security interest herein granted in the revenues and other sums due and to become due under the Management Agreement, the Debtor covenants and agrees that it will cause NRUC to be notified of such assignment pursuant to

Section 14 of the Management Agreement and direct NRUC to make all payments of such revenues and other sums due and to become due under the Management Agreement, other than the Excepted Rights in Collateral, to The South Carolina National Bank as Agent under Agreement dated June 20, 1978 to be held and disbursed as provided therein. Without the prior written consent of Secured Party, Debtor will not transfer for less than full consideration any asset reflected on his personal financial statement in excess of 20 percent of the total assets shown thereon.

The Debtor will cause this Security Agreement and any supplements hereto, the Management Agreement and any supplements thereto and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party in such manner and in such places as may be required by law in order fully to preserve and protect the rights of the Secured Party hereunder, and will at its own expense furnish to the Secured Party promptly after the execution and delivery of this Security Agreement and of any supplemental Security Agreement an opinion of counsel stating that in the opinion of such counsel this Security Agreement or such supplement, as the case may be, has been properly recorded or filed for record so as to make effective of record the security interest intended to be created hereby.

2.5 Modification of the Management Agreement. The Debtor will not:

(a) declare a default or exercise the remedies of the Debtor under, or terminate or modify or accept a surrender of, or offer or agree to, any termination or modification or surrender of, the Management Agreement or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the Equipment or Management Agreement or any part thereof; or

(b) receive or collect or permit the receipt or collection of any payment under the Management Agreement prior to the date for payment thereof provided for by the Management Agreement or assign, transfer or hypothecate (other than to the Secured Party hereunder) any revenue payment then due or to accrue in the future under the Management Agreement in respect of the Equipment; or

(c) sell, mortgage, transfer, assign or hypothecate (other than to the Secured Party hereunder) its interest in the Equipment or any

part thereof or in any amount to be received by it from the use or disposition of the Equipment.

Section 3. POSSESSION, USE AND RELEASE OF PROPERTY.

3.1 Possession of Collateral. While the Debtor is not in default hereunder it shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto, provided, always that the possession, enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of the terms of this Security Agreement. It is expressly understood that the use and possession of the Equipment by NRUC under and subject to the Management Agreement shall not constitute a violation of this Section 3.1.

Section 4. DEFAULTS AND OTHER PROVISIONS.

4.1 Events of Default. The term Event of Default shall mean one or more of the following:

(a) Default in payment of an installment of the principal of, or interest on, the Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for prepayment or by acceleration or otherwise, and any such default shall continue unremedied for ten days; or

(b) An Event of Default, as defined and set forth in Section 9 of the Management Agreement; or

(c) Default on the part of the Debtor in the due observance or performance of any covenant or agreement to be observed or performed by the Debtor under this Security Agreement and such default shall continue unremedied for thirty days after written notice from the Secured Party to the Debtor specifying the default and demanding the same to be remedied; or

(d) Any representation or warranty on the part of the Debtor made herein or in any report, certificate, financial or other statement furnished in connection with this Security Agreement, the Management Agreement, or the transactions contemplated herein or therein shall prove to be false or misleading in any material respect when made; or

(e) Any claim, lien or charge shall be asserted against or levied or imposed upon the Equipment, and such claim, lien or charge shall

not be discharged or removed within thirty days after written notice from the Secured Party or the holder of the Note to the Debtor demanding the discharge or removal thereof.

(b) Subject always to the then existing rights, if any, of NRUC under the Management Agreement, the Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold;

(c) Subject always to the then existing rights, if any, of NRUC under the Management Agreement, the Secured Party may, if at the time such action may be lawful (subject to compliance with any mandatory legal requirements) either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of said Collateral, or any part thereof, at public or private sale, in one lot as an entirety or in separate lots, and either for cash or on credit and on

such terms as the Secured Party may determine, and at any place (whether or not it be the location of Collateral or any part thereof) designated in the notice above referred to; provided, however, that any such sale should be held in a commercially reasonable manner.

(d) Subject always to the rights, if any, of NRUC under the Management Agreement, the Secured Party may proceed to protect and enforce this Security Agreement and the Note by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law; and

(e) Subject always to the then existing rights, if any, of NRUC under the Management Agreement, the Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Management Agreement, and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party.

4.3 Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Note, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Note and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Note including principal and interest thereof out of the net proceeds of

such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

4.4 Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereon to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

4.5 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns (subject, however, to the then existing rights, if any, of NRUC under the Management Agreement).

4.6 Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all property expenses, liability and advances, including legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party, or the holder of the Note and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of the holder of the Note of the amount then owing or unpaid on the Note for principal and interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Note, then ratably according to the aggregate of such principal and the accrued and unpaid interest with application on the Note to be made, first to unpaid principal thereof, and next to unpaid interest thereon; such application to be made upon presentation of the Note, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(c) Third, to the the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

4.7 Cumulative Remedies. No delay or omission of the Secured Party or of the holder of the Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of the Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the

security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.
