2.6. Modification of Management Agreement. The Debtor will not:

Section 3. POSSESSION, USE AND RELEASE OF PROPERTY.

3.1. Possession of Collateral. So long as there is no Event of Default hereunder or an event which with the giving of notice or lapse of time or both would constitute such an Event of Default, the Debtor shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto. It is expressly understood that the use and management of the Equipment by UMP in compliance with the terms of the Management Agreement shall not constitute a violation of this Section 3.1.

3.2. Release of Property. So long as no default referred to in the Management Agreement has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated by UMP for settlement pursuant to the Management Agreement upon receipt from UMP of written notice designating the Item of Equipment in respect of which the Management Agreement will terminate, together with a statement that there is no such default thereunder, and the receipt from UMP of payment for the Casualty Value for such Item of Equipment in compliance with the Management Agreement.

For purposes of this Section 4.2, the Loan Value, in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price of such Item of Equipment for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the

Lease and Management Agreement (including the Purchase Price of such Item of Equipment for which settlement is then being made), times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.2 (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.2).

4.3. Application of Casualty Insurance Proceeds. The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by UMP in respect of the Equipment, shall be held by the Secured Party as a part of the Collateral and shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(a) So long as no Event of Default has occurred and is continuing, the proceeds of such insurance shall, if the Equipment is to be repaired, be released to the Debtor (or if a transfer has taken place pursuant to Section 6, thereto such Transferee) to reimburse UMP for expenditures made for such repair upon receipt by the Secured Party of a certificate of an appropriate officer of UMP as required by the the Management Agreement;

(b) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (a) within (180) days from the receipt thereof by the Secured Party, or if within such period UMP shall have notified the Secured Party in writing that the Management Agreement in respect to any Item of Equipment is to be terminated then so long as no Event of Default has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(i) First, to the prepayment of the Notes all in the manner and to the extent provided for by Section 4.2 hereof; and

(ii) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (i) shall be released promptly to or upon the order of the Debtor, or if a transfer has taken place pursuant to Section 6, thereto or upon the order of such Transferee.

4.4. Default. If an Event of Default has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof shall be applied in the manner provided for in Section 4 in respect of proceeds and avails of the Collateral.

Section 5. DEFAULTS AND OTHER PROVISIONS.

5.1. Events of Default. The term Event of Default shall mean one or more of the following:

(a) Default in payment of an installment of the principal of, or interest on, the Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for any prepayment or by acceleration or otherwise, and any such default shall continue unremedied for ten days after written notice to Debtor and any Transferee that the same is due and payable; or

(c) Default on the part of the Debtor in the due observance or performance of any covenant or agreement to be observed or performed by the Debtor under this Security Agreement, and such default shall continue unremedied for 30 days after written notice from the Secured Party to the Debtor specifying the default and demanding the same to be remedied; or

(d) Any representation or warranty on the part of the Debtor or UMP made herein or in the Management Agreement or in any report, certificate, financial or other statement furnished in connection with this Security Agreement, the Management Agreement, or the transactions contemplated herein or therein shall prove to be false or misleading in any material respect when made; or

5.2. Secured Party's Rights. The Debtor agrees that when any Event of Default has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of the Commonwealth of Pennsylvania (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and the Secured Party shall have the following rights and remedies:

(a) The Secured Party may, by notice in writing to the Debtor declare the entire unpaid balance of the Note to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become

Notwithstanding anything to the contrary contained herein, the Debtor and/or its successors and assigns and any Transferee (the "Redeeming Party") shall have the right to redeem all but not less than all of the Items of Equipment owned by said Redeeming Party by paying to Secured Party, within ten (10) days of the receipt by Debtor of the notice from the Secured Party, an amount equal to the Redemption Value (as hereinafter defined) for each Item of Equipment to be redeemed. For the purposes of this Section 5.2(a), the Redemption Value, in respect of any Item of Equipment shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price ~~as defined in the XXXX Agreement~~ of the Item or Items of Equipment to be redeemed and the denominator of which is the aggregate Purchase Price of all Items of Equipment covered by this Security Agreement times (B) the unpaid principal amount of the Notes plus accrued and unpaid interest as of the date of payment of the Redemption Value. In addition to the Redemption Value, the Redeeming Party must also pay any and all costs and expenses incurred by Secured Party applicable to those Items of Equipment to be redeemed as would have been paid under Paragraph 5.6(a) hereinafter from the proceeds and/or avails of any sale. Upon payment of the Redemption Value and the costs and expenses referred to above, the redeemed Items of Equipment shall be released from all liens, claims or encumbrances of the Secured Party.

(b) The Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold.

(c) The Secured Party may, if at the time such action may be lawful (subject to compliance with any mandatory legal requirements) either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of said Collateral, or any part thereof, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to; provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, or the Debtor may bid and become the purchaser at any such sale.

(d) The Secured Party may proceed to protect and enforce this Security Agreement and the Note by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law; and

(e) The Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Lease and Management Agreement and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party.

5.3. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Note, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Note and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Note including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

5.4. Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor, acquiring any interest through Debtor in, or title to, the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and

advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.5. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns.

5.6. Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all property expenses, liability and advances, including legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party, or the holder or holders of the Note and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of the holder or holders of the Note of the amount then owing or unpaid on the Notes for principal and interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Note, then the first to unpaid principal thereof, and second, to unpaid interest thereon;

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, any Transferee or to whomsoever may be lawfully entitled to receive the same.

5.7. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor, the Secured Party and the holder or holders of the Note shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.8. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of the Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of the Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Note be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 6. TRANSFER OF DEBTOR'S INTEREST.

The Secured Party agrees that the Debtor may transfer (including transfers prior to delivery and acceptance of the Equipment by UMP under the Management Agreement) its interest in the Collateral to any third party or parties (collectively the "Transferee") pursuant to the terms and conditions hereinafter set forth and the Debtor agrees that it will not sell or otherwise transfer its interest in the Collateral, or any part thereof, unless the following conditions are met:

(a) The Debtor will deliver to the Secured Party any and all documents and will make such filing, registering or depositing of such documents at its sole cost and expense as may be required to continue in effect the perfected first security interest of the Secured Party in and to the Collateral.

(b) The Debtor will deliver an opinion of counsel, in form and substance satisfactory to the Secured Party, to the effect that all action necessary to maintain the first security interest of the Secured Party in the Collateral upon and subsequent to any such transfer has been performed and the Secured Party continues to have a valid and perfected first security interest in the Collateral enforceable in accordance with the terms of this Agreement.

(c) The Transferee shall expressly acknowledge and agree in writing that the interest transferred to it by the Debtor is subject, and subordinate in all respects, to the security interest of the Secured Party in the Collateral under this Agreement.

(d) The Debtor shall, and hereby does, expressly acknowledge and agree that no such transfer shall in any way discharge or limit any of the Debtor's obligations under this Security Agreement, the Management Agreement and the Note.

(e) The Debtor shall promptly furnish the Secured Party with copies of all documents relating to such transfer.

(f) The Transferee shall provide to the Secured Party a certificate signed by a responsible officer thereof representing and warranting as follows:

(i) that the purchase from Debtor of the Equipment and any management arrangement made by Transferee with regard to such Equipment is subject, and subordinate in all respects, to the security interest of Secured Party in the Collateral.

(ii) that the Transferee shall pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Transferee, its successors or assigns not arising out of the transactions contemplated by this Security Agreement (but including tax liens arising out of the receipt by Transferee of income and proceeds from the Collateral) equal or superior to the security interest of Secured Party in the Collateral which if unpaid might become a claim, lien, charge or security interest on or with respect to such Collateral; provided, however, that Transferee shall not be required to discharge such claim, lien, charge or security interest so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of Secured Party, adversely affect its security interest in or to such Collateral or any portion thereof.

(iii) that the Transferee has full right, power and authority to execute and deliver and to carry out the terms and provisions of the agreements and related documents (the "Transfer Documents") relating to the purchase from Debtor and management by Debtor of the Equipment;

(iv) that there are no proceedings pending, or to Transferee's knowledge threatened, against or affecting Transferee in any court or before any governmental authority or arbitration board or tribunal which, if adversely determined, would materially and adversely affect Transferee's right, power and authority to enter into the Transfer Documents or perform its obligations thereunder;

(v) that the Equipment acquired by Transferee is free and clear of any liens or encumbrances which result from claims against Transferee not relating to ownership of such Equipment. Transferee has not by affirmative act conveyed title to such Equipment to any person or entity or subjected the Equipment to any lien or encumbrance other than the Permitted Liens;

(vi) that the Transferee will not further transfer or assign its interest in the Collateral without the prior written consent of Secured Party, which consent is not to be unreasonably withheld.

(vii) Notwithstanding any other provision hereof, it is expressly understood that Transferee's obligation under the Security Agreement shall be non-recourse obligations enforceable only against the Collateral.

Section 7. MISCELLANEOUS.

7.1. Registration and Execution. The Note shall be registered as to principal and interest and shall be signed on behalf of the Debtor by its President or any Vice President or any other officer of the Debtor who, at the date of the actual execution thereof, shall be a proper officer to execute the same.

7.2. Payment of the Note.

(a) The principal of, and interest, on the Note shall be payable by wire transfer of immediately available funds to such bank or trust company in the continental United States for the account of the holder thereof as such holder shall designate to the Debtor from time to time in writing, and if no such designation is in effect, by check, duly mailed, first class, certified, postage prepaid, or delivered to such holder at its address appearing on the Register as defined in Section 7.3. All payments so made shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the sums so paid. Each holder (or the person for whom such holder is a nominee) by its acceptance of the Note agrees that, before selling, transferring or otherwise disposing of the Note, it will present the Note to the Debtor for transfer and notation as provided in Sections 7.4 and 7.5.

(b) All amounts constituting payment of the installments of revenues under the Management Agreement or Casualty Value received by the Secured Party and applied on the Note pursuant to Section 4 hereof shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the amounts so received and applied.

7.3. The Register. The Debtor will keep at its principal office a register for the registration of transfers of Note (herein called the Register). The names and addresses of the holders of the Note, the transfers of the Note and the names and addresses of the transferees of Note shall be registered in the Register.

7.4. Transfers and Exchanges of the Note; Lost or Mutilated Note.

(a) The holder of the Note may transfer the Note upon the surrender thereof at the principal corporate office of the Debtor and the Debtor shall execute in the name of the transferee a new Note or Notes in an aggregate principal amount equal to the unpaid principal amount of the Note so surrendered in denominations not less than the lesser of (i) \$50,000 or (ii) the aggregate principal amount of notes then held by such holder and deliver such new Note or Notes to the Debtor for delivery to such transferee.

(b) The holder of any Note or Notes may surrender such Note or Notes at the principal office of the Debtor, accompanied by a written request for a new Note or Notes in the same aggregate principal amount as the then unpaid principal amount of the Note or Notes so surrendered and in such denominations not less than the lesser of (i) \$50,000 or (ii) the aggregate principal amount of Notes then held by such holder as may be specified in such request. Thereupon, the Debtor shall execute in the name of such holder a new Note or Notes in the denomination or denominations so requested and deliver such new Note or Notes to such holder.

(c) All Notes presented or surrendered for exchange or transfer shall be accompanied (if so required by the Debtor) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Debtor, duly executed by the registered holder or by its attorney duly authorized in writing.

(d) No notarial act shall be necessary for the transfer or exchange of any Note pursuant to this Section 7.4, and the holder of any Note issued as provided in this Section 7.4 shall be entitled to any and all rights and privileges granted under this Security Agreement to a holder of a Note.

(e) In case any Note shall become mutilated or be destroyed, lost or stolen, the Debtor, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substituted Note shall furnish to the Debtor such security or indemnity as may be required by the Debtor to save it harmless from all risks, and the applicant shall also furnish to the Debtor evidence to its satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof. In case any Note which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Debtor may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Debtor such security or indemnity as the Debtor may require to save it harmless, and shall furnish evidence to the satisfaction of the Debtor of the

mutilation, destruction, loss or theft of such Note and the ownership thereof. If the Secured Party, or its nominee, is the owner of any such lost, stolen or destroyed Note, then the affidavit of the president, vice president, treasurer or assistant treasurer of such Note purchaser setting forth the fact of loss, theft or destruction and of its ownership of the Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no indemnity shall be required as a condition to execution and delivery of a new Note other than the written agreement of such Note purchaser to indemnify the Debtor for any claims or actions against it (and for its attorneys' fees) resulting from the issuance of such new Note or the reappearance of the old Note.

(f) If at any future time, the Notes should be held by two or more holders, all payments on the Notes hereunder shall be allocated to all Notes at the time outstanding in proportion to the outstanding principal amounts thereof.

(g) Any Note or Notes issued in exchange for a Note or upon transfer thereof shall carry the rights to unpaid interest and interest to accrue which were carried by the Note so exchanged or transferred, so that neither gain nor loss of interest shall result from any such transfer or exchange and shall be valid obligations of the Debtor evidencing the same debt as the related outstanding Notes and shall be entitled to the benefits and security of this Security Agreement to the same extent as such outstanding Note.

(h) Upon the issuance of any new Note pursuant to this Security Agreement, the Debtor shall prepare and deliver to the Secured Party and the holder of such Note an amortization schedule with respect to such Note setting forth the amount of each installment payment to be made on such Note after the date of issuance thereof and the unpaid balance of such Note after each such installment payment.

7.5. Cancellation of Notes. All Notes surrendered for the purpose of payment, redemption, transfer or exchange shall be delivered to the Debtor for cancellation or, if surrendered to the Debtor, shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Security Agreement.

7.6. Registered Owner. The person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Security Agreement and the Debtor and the Secured Party shall not be affected by any notice to the contrary.

7.7. Business Days. As used herein, the term "business days" means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in the Commonwealth of Pennsylvania are authorized or obligated by law to remain closed.

7.8. Successors and Assigns. Whenever any of the parties hereto is referred to such reference shall be deemed to include the successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

7.9. Partial Invalidity. The unenforceability of invalidity of any provision or provisions of this Security Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.

7.10. Communications. 7.12. Governing Law. This Security Agreement and the Notes shall be construed in accordance with and governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. Section 11303 and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the secured jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.
