SECTION 2.01. *Issuance of Trust Certificates.* An amount equal to the proceeds of the sale of any of the Trust Certificates, but not less than the aggregate principal amount thereof, shall, forthwith upon the issuance thereof, be deposited in cash with the Trustee by or on behalf of the Company. The amount of such proceeds shall be specified in an Officer's Certificate delivered to the Trustee concurrently with such deposit.

Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall from time to time issue and deliver Trust Certificates in such aggregate principal amount and bearing such final maturity dates as the Company shall direct by Request.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee under this Section shall not exceed the sum of \$11,700,000, and the aggregate principal amount represented by all the Trust Certificates shall be payable as hereinafter set forth.

SECTION 2.02. *Interests Represented by Trust Certificates; Dividends; Maturity.* Each of the Trust Certificates shall represent an interest in the amount therein specified in the trust created hereunder and shall originally bear the final maturity specified by the Company in a Request to the Trustee; such Request to conform to the agreement of the Company with the original purchasers as to the respective maturities of each Trust Certificate; *provided, however,* that the aggregate principal amount of all the Trust Certificates shall mature no later than April 15, 1985. The principal of and dividends on the Trust Certificates shall be payable at the Corporate Trust Office in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts, but only from and out of rentals or other moneys received by the Trustee and applicable to such payment under the provisions hereof. Notwithstanding the provisions of the preceding sentence of this paragraph, in the case of payments of principal and dividends to be made on a Trust Certificate not then to be paid in full, upon request and deposit of an agreement of the holder of such Trust Certificate (the responsibility of such holder to be satisfactory to the Company) obligating such holder, prior to any transfer or other disposition thereof, to surrender the same to the Trustee for notation thereon of the instalments of principal amount represented thereby theretofore paid in whole or in part, the Trustee will mail its check on the date each such payment is due to such registered holder at his address shown on the registry books maintained by the Trustee; *provided, however*, that this paragraph shall not apply to any of the original purchasers of the Trust Certificates who, at the time payments of principal or dividends are to be made, are holders of Trust Certificates, and the Company may direct the Trustee by Request to make payments of principal and dividends to the original purchasers of Trust Certificates or to any other purchaser approved by the Company at their "home office" address which address shall be supplied to the Trustee by the Company.

SECTION 2.03. *Forms of Trust Certificates and Guaranty.* The Trust Certificates and the guaranty to be endorsed on the Trust Certificates by the Company and the Equipment Co. as provided in Section 6.01 shall be in substantially the forms hereinbefore set forth.

SECTION 2.05. *Characteristics of Trust Certificates.*

The Trustee shall, if any prepayment shall theretofore have been made pursuant to Section 4.08, endorse on each Trust Certificate issued upon transfer or exchange a notation thereon as to the fact that the instalments of principal thereon will be payable in equal annual instalments except for specified instalments which will not be in equal amounts.

(b) an Officer's Certificate, which shall state (i) that such unit of Equipment is Equipment as herein defined and was not put into service prior to the date specified therein and (ii) that the Cost of such unit of Equipment is an amount therein specified or is not less than an amount therein specified;

(c) an invoice from the Owners of such unit of Equipment having endorsed thereon a certification by the Company as to the correctness of the price stated therein; and

(d) an Opinion of Counsel for the Owners to the effect that such bill of sale is valid and effective, either alone or in connection with any other instrument referred to in and accompanying such opinion, to vest in the Trustee title to such unit of Equipment free from all claims, liens, security interests and other encumbrances (except as permitted by Section 6.02 and except for this Agreement, any of the Existing Leases, any lease permitted by Section 4.09 and all Assignments).

(e) an opinion of Messrs. Rosenthal and Schanfield, counsel for the Company, or an opinion of other counsel

satisfactory to the Trustee, to the effect that (i) this Agreement, the Existing Leases, any new lease covering the Equipment permitted by Section 4.09 and all Assignments and any amendments thereto have been duly authorized, executed and delivered by the parties hereto and thereto and constitute legal, valid and binding obligations of such parties, (ii) the Trustee is vested with all the right, title and interest of the Company in and to the Existing Leases and such new leases purported to be assigned to the Trustee by the Assignments, and (iii) this Agreement, the Existing Leases, Assignments, any such new leases and the Assignments thereof and amendments or supplements to any thereof in the case of such unit not specifically described herein have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act, (iv) those Existing Leases, such new leases and any amendments thereto and Assignments thereof, made with Canadian railway companies have been deposited in the office of the Registrar General of Canada and any required notice of such deposit has been duly published and (v) no other filing or recordation or deposit is necessary for the protection of the rights of the Trustee in and to such unit of Equipment, the Existing Leases, such new leases, the Assignments or this Agreement in any state of the United States of America or the District of Columbia. In giving such opinion, counsel may rely on the opinion of counsel for the lessees under the Existing Leases and such new leases as to such lessees' organization, powers and standing and the binding effect of the Existing Leases and such new leases upon such lessees and on an opinion of Canadian counsel with respect to the above-stated deposit in the office of the Registrar General of Canada; *provided, however*, that a copy thereof shall have been delivered to the Trustee.

Any Officer's Certificate delivered pursuant to this Section may state that the Cost of the Equipment therein

referred to is tentatively determined, subject to final adjustment to be evidenced in a final Officer's Certificate to be delivered to the Trustee.

If the aggregate Cost, as specified in the certificates theretofore delivered to the Trustee pursuant to this Section, of the Trust Equipment accepted by the Trustee pursuant to this Article Three shall be less than $\frac{1}{3}$ ths of the aggregate principal amount of Trust Certificates issued pursuant to Section 2.01, the Company will cause to be assigned and transferred to the Trustee additional Equipment (first put into service on or after June 15, 1968) in such amount and of such Cost that the aggregate Cost of the Trust Equipment will be at least equal to $\frac{1}{3}$ ths of the aggregate principal amount of said Trust Certificates, and will concurrently deliver to the Trustee the documents specified in paragraphs (a) through (c) of this Section with respect to such additional Equipment.

vided, however, that (a) there shall be paid to the Trustee cash in an amount not less than the value, as of the date of such Request, of the units of Trust Equipment to be assigned or transferred by the Trustee or (b) there shall be conveyed to the Trustee at the time of assignment or transfer of any units of Trust Equipment, other units of Equipment first put into use on or after June 30, 1969, and of a value not less than the value, as of the date of such Request, of the units of Trust Equipment to be assigned or transferred.

At the time of delivery of any Request pursuant to the first paragraph of this Section, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers :

(1) an Officer's Certificate stating (i) the value, as of the date of said Request, of the Trust Equipment so to be assigned or transferred by the Trustee and the date such Trust Equipment was first put into service (or that such Trust Equipment was first put into service not later than a specified date), (ii) the value of such substituted Equipment as of such date and the date such substituted Equipment was first put into service (or that such substituted Equipment was first put into service not earlier than a specified date), (iii) that each such unit so to be substituted is Equipment as herein defined, and (iv) that no default hereunder has occurred or is continuing;

(2) a certificate, an invoice or invoices and a bill or bills of sale in respect of such substituted Equipment as provided for in subparagraphs (a) and (c) of the first paragraph of Section 3.04 (acceptance of such bill or bills of sale by the Trustee to constitute acceptance by the Trustee hereunder of such Equipment); and

(3) an Opinion of Counsel to the effect that (i) such bill or bills of sale are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee title

to such substituted Equipment free from all claims, liens, security interests and other encumbrances (except as permitted by Section 6.02 and except for this Agreement, any of the Existing Leases, any lease permitted by Section 4.09 and any Assignment), (ii) that a proper supplement hereto and to the appropriate Existing Lease and the Assignment thereof, or that a new lease permitted by Section 4.09 and an Assignment thereof, in respect of each substituted unit of Equipment has been duly authorized, executed and delivered by the parties thereto and has been recorded with the Interstate Commerce Commission pursuant to the requirements of Section 20c of the Interstate Commerce Act and (iii) if such Existing Lease or new lease and Assignment thereof or supplement thereto is made with a Canadian railway company, that they have been deposited in the office of the Registrar General of Canada and that any required notice of such deposit has been duly published.

At the time of delivery of any Request pursuant to the first paragraph of this Section, the Company shall, if cash is to be paid to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in the second paragraph of this Section, with such appropriate modifications as may be approved by the Trustee.

Cash deposited with the Trustee pursuant to this Section or Section 4.08 shall, from time to time, be paid over by the Trustee to the Company upon Request, against conveyance to the Trustee of units of Equipment having a value, as of the date of said Request, not less than the amount of cash so paid, and upon delivery to the Trustee of papers corresponding to those set forth in the second paragraph of this Section, with such appropriate modifications as may be approved by the Trustee.

For all purposes of this Section, where value is required to be determined in an Officer's Certificate, value shall be

determined as follows (and the manner of such determination set forth in each Officer's Certificate furnished in respect thereof):

(1) the value of any unit of Trust Equipment assigned or transferred by the Trustee as provided in this Section shall be deemed to be the greater of (a) the actual fair value thereof and (b) the Cost thereof as theretofore certified to the Trustee less 1/15th of such Cost for each full period of one year elapsed between (i) the later of April 15, 1970, and the date such unit was first put into use, as certified to the Trustee, and (ii) the date of the Request furnished pursuant to this Section; and

(2) the value of any unit of Equipment conveyed to the Trustee as provided in this Section shall be deemed to be the lesser of (a) the actual fair value thereof and (b) the Cost of such unit less depreciation at the rate not less than 1/15th of such Cost for each full period of one year elapsed between (a) the later of April 15, 1970, and the date such unit was first put into use, as certified to the Trustee, and (b) the date of the Request furnished pursuant to this Section.

SECTION 4.07. *Marking of Trust Equipment.* The Company agrees that it will immediately at its own cost and expense prepare and deliver to its lessees the appropriate form of stencil for marking purposes and will forthwith exercise its rights and power under the Existing Leases to direct such lessees thereunder to mark plainly, distinctly, permanently and conspicuously on each side of each unit of the Trust Equipment, in letters not less than one inch in height the following legend:

“TITLE TO THIS CAR SUBJECT TO DOCUMENTS RECORDED
UNDER SECTION 20C OF INTERSTATE COMMERCE ACT”.

Such marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the

Trust Equipment. The Company will also promptly so mark each unit of the Trust Equipment not subject to an Existing Lease.

In case, prior to the termination of the lease provided for in this Article Four, any of such marks shall at any time be removed, defaced or destroyed, the Company shall cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee and which shall be filed and recorded by the Company in like manner as this Agreement.

The Trust Equipment may be lettered in an appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be lettered, in case of any of the Existing Leases or of any new leases permitted by Section 4.09, in such manner as may be appropriate for convenience of identification of such leasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might reasonably be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 4.08. *Maintenance of Trust Equipment; Casualty Occurrences.* The Company agrees that it will maintain or cause to be maintained and keep all the Trust Equipment in good order and proper repair at no cost or expense to the Trustee, unless and until it becomes worn out, unsuitable for use, lost, destroyed or damaged beyond economical repair (hereinafter called a Casualty Occurrence). Whenever any unit of the Trust Equipment shall suffer a Casualty Occurrence the Company shall, within 30 days after it shall have been informed of such Casualty Occurrence, de-

liver to the Trustee an Officer's Certificate describing such Trust Equipment and stating the value to the Company thereof as of the date such Trust Equipment suffered such Casualty Occurrence. When the total value of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant to this Section) shall exceed \$50,000, the Company, within 30 days of such event, shall deposit with the Trustee an amount in cash equal to the value of such units as of the date of the Casualty Occurrence in respect of each thereof. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. For all purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06. Cash deposited with the Trustee pursuant to this Section shall be held and applied at the election of the Company (as evidenced by a Request) either (i) as provided in the fourth paragraph of Section 4.06 or (ii) to prepay instalments of principal *pro rata* on each Trust Certificate in the inverse order of the respective maturities thereof.

In the event the Company elects to apply moneys deposited pursuant to this Section to the prepayment of instalments of principal in the inverse order of the respective maturity of each Trust Certificate, such prepayment shall be made on the April 15 next succeeding the Request therefor and shall be allocated among the registered holders of all the Trust Certificates as near as may be in proportion to the respective unpaid principal amount represented by each Trust Certificate.

The Company agrees to furnish to the Trustee, on or before April 1 in each year commencing with 1972, an Officer's Certificate dated as of the preceding December 31, (1) stating the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), (2)

identifying the units of Trust Equipment then being leased by the Company as permitted by Section 4.09 (including the name of the lessee, the term of the lease and the date of the agreement pursuant to which such Trust Equipment is leased) and specifying which units of Equipment are not then being leased by the Company and (3) certifying that the Company is not in default under any provision of this Agreement and that no default has occurred and is continuing under any Existing Lease or any other lease assigned to the Trustee pursuant to Section 4.09, or specifying all such defaults and the action being taken by the Company to remedy the same.

SECTION 4.09. *Possession of Trust Equipment.* Except as provided in this Section, the Company will not assign or transfer its rights hereunder, or transfer or lease the Trust Equipment or any part thereof, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a solvent corporation which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant.

So long as the Company shall not be in default under this Agreement, the Company shall be entitled to the possession of the Trust Equipment and also to maintain the Existing Leases and otherwise to lease the Trust Equipment to, or to permit its use under the terms of car contracts by, a lessee or user incorporated in the United States of America (or any state thereof or the District of Columbia) or in the Dominion of Canada or any Province or Territory thereof; *provided, however,* that any such Existing Lease or other lease shall forthwith be assigned to the Trustee as

security for the obligations of the Company hereunder pursuant to an Assignment. Any such lease by the Company may provide (and such provision shall be binding upon the Trustee) that the lessee, so long as it shall not be in default under such lease, shall be entitled to the possession of the Trust Equipment included in such lease and the use thereof, and, subject to the provisions of Section 4.07, may provide for lettering or marking upon such Trust Equipment for convenience of identification of the leasehold interest of such lessee therein.

It is contemplated that from time to time, Evans Products Company (herein called "Evans"), the lessee under the Existing Lease (herein called the Evans Lease), covering 305 box cars described in Schedule B hereto (herein called the Evans Cars), comprising part of the Trust Equipment, may enter into agreements (herein called Alternate Agreements) with the Company wherein the Company shall be authorized in its own name to lease the Evans Cars to other users (herein called Alternate Lessees) under leases or car contracts (herein called Alternate Leases) containing such terms and provisions as may be provided for in the Alternate Agreements or as may be otherwise acceptable to Evans and the Company. The Company is hereby authorized from time to time to enter into Alternate Agreements and, in its own name, to execute and deliver Alternate Leases to and with Alternate Lessees with respect to some or all of the Evans cars, provided that:

(1) The Evans cars subject to any Alternate Leases shall at all times be and remain Trust Equipment and subject to all of the terms and provisions of this Equipment Trust Agreement; and each and every Alternate Lease shall so provide by specific reference to this Equipment Trust Agreement.

(2) The Company shall, forthwith upon the execution and delivery of any Alternate Lease or any amendment or termination thereof, give notice thereof to the Trustee and shall furnish the Trustee with a copy of such Alternate Lease.

(3) Each Alternate Lessee shall be a lessee or user incorporated in the United States of America (or any state thereof or the District of Columbia) or in the Dominion of Canada or any province or territory thereof.

(4) The Evans Lease shall at all times be and remain in full force and effect with respect to all of the Evans cars, and Evans shall at all times be and remain obligated and liable for performance of all of the terms and provisions thereof, including, without limitation, the obligation to pay rent for all of the cars, notwithstanding any Alternate Agreement or any Alternate Lease which may be in effect with respect to any or all of the Evans cars; *provided, however*, that rents received by the Trustee pursuant to clause (5) of this paragraph shall apply in reduction of the obligation of Evans to make payments of rent payable under the Evans Lease.

(5) The Company shall have the right to receive all rents payable under Alternate Leases for any period in which an Alternate Lease shall be in effect, provided, that upon receipt thereof, the Company shall pay over to the Trustee in connection with each Evans car leased thereunder, the lesser of the amount payable as rent for such period under the Evans Lease or the amount actually paid by the Alternate Lessee.

(6) Each Alternate Lease and any amendment thereof shall be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and any Alternate Lease and any amendment thereof made with Canadian railway companies shall be deposited in the Office of the Registrar General of Canada and any required notice of such deposit shall be duly published.

SECTION 4.10. *Indemnity.* The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against

any and all claims arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states and other jurisdictions in which the Trust Equipment, or any unit thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; *provided, however*, that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

ARTICLE FIVE

EVENTS OF DEFAULT AND REMEDIES

SECTION 5.01. *Events of Default.* The Company covenants and agrees that in case:

(a) the Company shall default in the payment of any part of the rental payable hereunder (including advance rental) for more than ten days after the same shall have become due and payable, or

(b) the Company shall make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or lease (including, for the purpose of this clause, contracts for the use thereof) of any of the Trust Equipment, or, except

as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or lease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancellation and recovery of possession, or within said 30 days to deposit with the Trustee a sum in cash equal to the value, as of the date of such unauthorized action (determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06), of such Trust Equipment (any sum so deposited to be returned to the Company upon the cancellation of such assignment, transfer or lease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than 30 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof or under any Assignment on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(d) the lease provided for herein shall be terminated by operation of law, or

(e) a decree or order shall have been entered by a court of competent jurisdiction adjudging the Company or the Equipment Co. a bankrupt or insolvent or approving as properly filed a petition seeking reorganization or arrangement of the Company or the Equipment Co. under the Bankruptcy Act, or any other federal or state law relating to bankruptcy or insolvency, or appointing a receiver or decreeing or ordering the winding up or liquidation of the affairs of the Company or the Equipment Co., (unless such decree or order shall have been discharged, stayed or otherwise rendered ineffective [but then only so long as such stay shall continue in force or such ineffectiveness shall continue]) and all the obligations of the Company or the Equip-

ment Co. hereunder, as the case may be, under the guaranty endorsed on the Trust Certificates and under any instrument made in connection with the purchase of the Trust Certificates by the initial holders thereof, shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or the Equipment Co. or for its property in connection with such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier, or

(f) the Company or the Equipment Co. shall institute proceedings to be adjudicated a bankrupt or insolvent or shall consent to the institution of bankruptcy or insolvency proceedings against it or shall file a petition or answer or consent seeking reorganization or relief under the Bankruptcy Act or any other federal or state law relating to bankruptcy or insolvency or shall consent to the filing of any such petition or shall consent to the appointment of a receiver or shall make an assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due, or action shall be taken by the Company or the Equipment Co. in furtherance of any of the aforesaid purposes,

then, in any such case (herein sometimes called an Event of Default), the Trustee in its discretion may, and upon the written request of the holders of a majority in unpaid principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration) payable by the Company as set forth in Section 4.04 and not theretofore paid. Thereupon the entire amount of such rentals shall

forthwith become and shall be due and payable immediately without further demand, together with interest at the rate of 11% per annum, to the extent legally enforceable, on any portion thereof overdue.

In case one or more Events of Default shall happen, the Trustee in its discretion also may, and upon the written request of the holders of a majority in unpaid principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the unpaid principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Sections 4.04(B) (3) or (B) (4) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of ten days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or the Equipment Co. under the Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company or the Equipment Co., or in case of any other judicial proceedings relative to the Company or the Equipment Co., or to the creditors or property of the Company or the Equipment Co., the Trustee, irrespective of whether the rental payments hereunder or the unpaid principal amount of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise

and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration), and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct.

All rights of action and to assert claims under this Agreement, or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by

the Trustee (and also any proceedings involving the interpretation of any provisions of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 5.02. *Remedies.* In case of the happening of any Event of Default, the Trustee may by its agents enter upon the premises of the Company and of any Affiliate or of any lessee (or other person having acquired the use of the Trust Equipment) where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises (subject to any rights of quiet possession of any lessee referred to in Section 4.09 under any Existing Lease or other lease assigned to the Trustee hereunder), retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease or otherwise contract for the use of the Trust Equipment or any part thereof; or the Trustee may with or without retaking possession (but only after declaring due and payable the entire amount of rentals payable by the Company and the unpaid principal of all the then outstanding Trust Certificates, as provided in Section 5.01) sell the Trust Equipment or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of then outstanding Trust Certificates, all subject to any mandatory requirements of law applicable thereto. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such

manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. After the Trustee has fully exercised its remedies hereunder, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking of possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, or of principal and dividends in respect of the Trust Certificates, and the Company shall be and remain liable for the same until such sums have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the obligations of the Company under this Agreement.

SECTION 5.03. *Application of Proceeds.* If the Trustee shall exercise any of the powers conferred upon it by Sections 5.01 and 5.02, all payments made by the Company to the Trustee, and the proceeds of any judgment collected from the Company by the Trustee, and the proceeds of every sale or lease by the Trustee of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates or a part thereof, or dividends thereon) shall be applied by the Trustee to the payment, in the following order of priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (b) of the dividends then due, with interest on overdue dividends at the rate of 11% per annum, to the extent legally

enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the rate of 11% per annum, to the extent legally enforceable, from the last preceding dividend payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal and dividends.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 5.04. *Waivers of Default.* Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 5.01, the holders of a majority in aggregate unpaid principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past default and its consequences, except a default in the payment of any instalment of rental payable pursuant to Section 4.04(B)(3) or (B)(4), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as provided in Section 5.01, but before April 15, 1985, all arrears of rent (with interest at the rate of 11% per annum upon any overdue instalments, to the extent legally enforceable), the expenses and reasonable compensation of the

Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of a majority in unpaid principal amount of the Trust Certificates then outstanding, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 5.05. *Obligations of Company Not Affected by Remedies.* No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company or of the Equipment Co. under the guaranty endorsed on the Trust Certificates.

The Company and the Equipment Co. hereby waive presentation and demand in respect of any of the Trust Certificates and waive notice of presentation, of demand and of any default in the payment of the principal of and dividends on the Trust Certificates.

SECTION 5.06. *Company to Deliver Trust Equipment to Trustee.* In case the Trustee shall rightfully demand possession of any of the Trust Equipment in pursuance of this Agreement, the Company will, at its own expense, forthwith and in the usual manner and at usual speed, cause such Trust Equipment to be drawn to such point or points as

shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. The performance of the foregoing covenant is of the essence of this Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

SECTION 5.07. *Trustee to Give Notice of Default.* The Trustee shall give to the registered holders of the Trust Certificates notice of each Event of Default hereunder known to the Trustee, within 30 days after it learns of the same, unless remedied or cured before the giving of such notice.

SECTION 5.08. *Control by Holders of Trust Certificates.* The registered holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates, by an instrument or instruments in writing executed and delivered to the Trustee, shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however,* that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action so directed may not lawfully be taken.

SECTION 5.09. *Remedies Cumulative; Subject to Mandatory Requirements of Law.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity; and such remedies so provided in this Agreement shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent, such requirements may not be waived on the part of the Company.

ARTICLE SIX

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY
AND THE EQUIPMENT Co.

SECTION 6.01. *Guaranty of Company and the Equipment Co.* The Company and the Equipment Co. jointly and severally unconditionally covenant, agree and guarantee that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon until paid at the rate of 11% per annum, to the extent legally enforceable), and shall receive dividends thereon in like money at the rate specified therein, at the times and place and otherwise as expressed in the Trust Certificates (and, if not so paid, with interest thereon until paid at the rate of 11% per annum, to the extent legally enforceable); and the Company and the Equipment Co. each agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its joint and several guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company and the Equipment Co., each, by the manual or facsimile signature of its President, a Vice President or the Controller. In case any officer of the Company or the Equipment Co. whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company and the Equipment Co. as though the person who signed said guaranty had not ceased to be or had then been such officer.

The Equipment Co. further unconditionally guarantees to the Trustee and the holders of the Trust Certificates the due and punctual performance of all obligations of the Company under this Agreement and unconditionally guarantees to the Trustee and the holders of the Trust Certificates that all sums payable by the Company under this Agreement will be promptly paid when due in accordance with the provisions of this Agreement and in case of default by the Company in any such obligations or payment the Equipment Co. agrees punctually to perform or pay the same, irrespective of any enforcement against the Company of any of the rights of the Trustee and the holders of the Trust Certificates under this Agreement. The Equipment Co. hereby agrees that its obligations hereunder and under the aforesaid guaranty on the Trust Certificates shall be unconditional, irrespective of the genuineness, validity, regularity or enforceability of this Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge of a guarantor. No waiver by the Trustee or the holders of any of the Trust Certificates of any of their rights hereunder or under the Trust Certificates and no action by the Trustee or the holders of any of the Trust Certificates to enforce any of their rights or failure to take, or delay in taking, any such action shall affect the obligations of the Equipment Co. hereunder or under said guaranty of the Trust Certificate.

SECTION 6.02. *Discharge of Liens.* The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien, charge, security interest or other encumbrance upon or against any of the Trust Equipment; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or

of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 6.03. *Recording.* The Company will, promptly after the execution and delivery of this Agreement (and of each Existing Lease and any other lease permitted by Section 4.09 and each Assignment of such leases) and each supplement or amendment hereto or thereto, respectively, cause the same to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and duly filed, recorded or deposited in the office of the Registrar General of Canada, if permitted, and the Company shall cause to be duly published any required notice of such filing, recording or deposit. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record and will refile, reregister and rerecord any and all further instruments required by law or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof.

Promptly after the execution and delivery of this Agreement and of each Assignment, and of each supplement or amendment hereto or thereto, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, such document has been properly deposited, filed, registered and recorded and redeposited, refiled, reregistered and rerecorded, if necessary, so as effectively to protect the title of the Trustee to the Trust Equipment and its interests in such Existing Lease or other lease so assigned and its rights and the rights of the holders of the Trust Certificates hereunder and thereunder and reciting the details of such action.

Nothing contained in this Section shall require the deposit, filing, registration or recording, or the redeposit, re-filing, reregistration or rerecording of this Agreement or any Assignment or any supplement or amendment hereto or

thereto in any public office in Canada, except only the deposit in the office of the Registrar General of Canada of Existing Leases or other leases and amendments thereto and Assignments thereof made with Canadian railway companies.

SECTION 6.04. *Further Assurances.* The Company and the Equipment Co. each covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

SECTION 6.05. *Merger or Consolidation.* The Company and the Equipment Co. each covenants and agrees that in the eventuality that it should merge or consolidate with another corporation, the survivor of such merger or consolidation shall be a solvent corporation organized under the laws of the United States of America or a state thereof or the District of Columbia and such survivor (if not the Company or the Equipment Co., as the case may be) shall assume all the obligations and liabilities of the Company or the Equipment Co., as the case may be, hereunder and as guarantor of the Trust Certificates.

ARTICLE SEVEN

CONCERNING THE HOLDERS OF TRUST CERTIFICATES

SECTION 7.01. *Evidence of Action Taken by Holders of Trust Certificates.* Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate unpaid principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

SECTION 7.02. *Proof of Execution of Instruments and of Holding of Trust Certificates.* Proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner:

The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer.

The ownership of Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

SECTION 7.03. *Trust Certificates Owned by Company.* In determining whether the holders of the requisite unpaid principal amount of the Trust Certificates have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by an Affiliate of the Company or any such other obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

SECTION 7.04 *Right of Revocation of Action Taken.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 7.01, of the taking of any action by the holders of the percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement in connection with such action, any holder of a Trust Certificate the serial number of which is shown by the evidence to be included in the Trust Certificates the holders

of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 7.02, revoke such action in so far as concerns such Trust Certificate. Except as aforesaid any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Trust Certificate. Any action taken by the holders of the percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement in connection with such action shall be conclusive and binding upon the Company, the Equipment Co., the Trustee and the holders of all the Trust Certificates.

ARTICLE EIGHT

THE TRUSTEE

SECTION 8.01. *Acceptance of Trust.* The Trustee hereby accepts the trust imposed upon it by this Agreement, and covenants and agrees to perform the same as herein expressed.

SECTION 8.02. *Duties and Responsibilities of the Trustee.* In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts or that its action or inaction was contrary to the express provisions of this Agreement;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(d) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(e) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such Opinion of Counsel and not contrary to any express provision of this Agreement;

(f) the Trustee shall be under no obligation to exercise any of its rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(g) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

SECTION 8.03. *Application of Rentals.* The Trustee covenants and agrees to apply the rentals received by it under Section 4.04(B) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 4.04(B).

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refiling or rerecording of this Agreement or of any supplement hereto or statement of new numbers.

SECTION 8.04. *Funds May be Held by Trustee; Investments.* Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 4.06 or Section 4.08 (hereinafter in this Section called Replacement Funds) in Investments, at such prices, including any premium and accrued interest, as are set forth in such Request, such Investments to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against acceptance of Trust Equipment, sell such Investments, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investments, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 4.04(B) (1), an amount equal to any expenses incurred in connection with any purchase or sale of Investments and also an amount equal to any loss of principal incident to the sale or redemption of any Investments for a sum less than the amount paid therefor, including accrued interest.

The Company, if not to the knowledge of the Trustee in default under the terms hereof, shall be entitled to receive any interest (in excess of accrued interest paid from Deposited Cash or Replacement Funds at the time of purchase) or other profit which may be realized from any sale or redemption of Investments.

SECTION 8.05. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title.* The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of

the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto.

The Trustee may perform its powers and duties hereunder by or through such attorney and agents as it shall appoint, and shall be answerable only for its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney or agent appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement, the Existing Leases or any other lease assigned to the Trustee hereunder or the Assignments, or of the Trust Certificates (except for its own execution thereof) or for the guaranty by the Company or the Equipment Co.

The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates.

Any moneys at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

SECTION 8.06. *Resignation and Removal; Appointment of Successor Trustee.*

(a) The Trustee may resign and be discharged of the trust created by this Agreement by giving 30 days' written notice to the Company and such resignation shall take effect 30 days after the delivery thereof to the Company or upon receipt by the Trustee of an instrument of acceptance executed by a successor trustee as hereinafter provided in this Section.

(b) The Trustee may be removed at any time by an instrument in writing signed by the holders of a majority in aggregate unpaid principal amount of the Trust Certificates then outstanding, delivered to the Trustee and to the Company.

(c) If at any time the Trustee shall resign or be removed or otherwise become incapable of acting or, if at any time a vacancy shall occur in the office of the Trustee for any other cause, a successor trustee may be appointed by the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates by an instrument in writing delivered to the Company and the Trustee. Until a successor trustee shall be appointed by the holders of Trust Certificates as herein authorized, the Company by an instrument in writing executed by order of its Board of Directors shall appoint a trustee to fill such vacancy. A successor trustee so appointed by the Company shall immediately and without further act be superseded by a successor trustee appointed by the holders of Trust Certificates in the manner provided above if such appointment is made within one year after completion of the giving of notice, in the manner provided in the next succeeding paragraph, of the appointment of a successor trustee by the Company. Every successor trustee appointed pursuant to this Section shall be a national bank or a bank or trust company incorporated under the laws of the United States of America or the State of Illinois, having its principal office in the City of Chicago, and having a capital and surplus of not less than \$50,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

(d) The Company shall give notice to the holders of all outstanding Trust Certificates of each resignation or removal of the then Trustee and of each appointment by the Company of a successor trustee pursuant to this Section by mailing written notice of such event by first-class mail, postage prepaid.

SECTION 8.07. *Acceptance of Appointment by Successor Trustee.* Any successor trustee appointed as provided

in Section 8.06 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written Request of the Company or request of the successor trustee, upon payment of its charges then unpaid, the trustee ceasing to act shall execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 8.05.

SECTION 8.08. *Merger or Consolidation of Trustee.* Any corporation into which the Trustee may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Trustee shall be a party shall be the successor of the Trustee hereunder, provided such corporation shall be qualified under the provisions of Section 8.06, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 8.09. *Return of Certain Moneys to Company.* Notwithstanding any provision of this Agreement, any moneys paid to the Trustee which are applicable to the payment of the principal of or dividends on, any Trust Certificates which remain unclaimed for five years after the day when such moneys were due and payable shall then be repaid to the Company upon Request, and the holders of such Trust Certificates shall thereafter be entitled to look

only to the Company for payment thereof and all liability of the Trustee with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the Company as aforesaid, the Trustee may first publish a notice, in such form as may be deemed appropriate by the Trustee in respect of the Trust Certificates so payable and not presented and in respect of the provisions hereof relating to the repayment to the Company of the moneys held for the payment thereof.

SCHEDULE C

ASSIGNMENT OF LEASE AND AGREEMENT

dated as of _____, 19____, by and between UNITED STATES RAILWAY LEASING COMPANY, an Illinois corporation (hereinafter called the Company), and CONTINENTAL ILLINOIS NATIONAL BANK AND TRUST COMPANY OF CHICAGO, as Trustee (hereinafter called the Trustee), under an Equipment Trust Agreement dated as of April 15, 1970 (hereinafter called the Equipment Trust Agreement), by and among the Trustee, the Company and United States Railway Equipment Co., an Illinois corporation (hereinafter called the Equipment Co.).

WHEREAS, the Company and

(hereinafter called the Lessee) have entered into a Lease Agreement dated _____, 19____ (hereinafter called the Lease), providing for the leasing by the Company to the Lessee of the _____ units of railroad equipment (hereinafter called Units) described in the Lease, which has been filed and recorded with the Interstate Commerce Commission and bears Recordation Number _____, an executed counterpart of the Lease being delivered to the Trustee concurrently herewith; and

WHEREAS, this Assignment of Lease and Agreement is being made pursuant to Section 4.09 of the Equipment Trust Agreement to secure the payment and performance by the Company of all obligations of the Company arising under the Equipment Trust Agreement, including, but not limited to, the obligations of the Company arising under its guaranty endorsed or to be endorsed on the Equipment Trust Certificates issued or to be issued under the Equipment Trust Agreement (all such obligations being hereinafter called the Liabilities);

Now, THEREFORE, in consideration of the sum of \$10 duly paid by the Trustee to the Company and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. As security for the payment and performance of the Liabilities, the Company hereby assigns, transfers, and sets over unto the Trustee all the Company's right, title and interests as lessor under the Lease, together with all rights, powers, privileges, and other benefits of the Company as lessor under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an event of default specified in the Lease, and to do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Lease; *provided, however,* that until an Event of Default under the Equipment Trust Agreement, or any event which notice or lapse of time or both, would constitute such an Event of Default, shall occur, it is understood that the Company shall be entitled for the benefit of the Trustee to give all notices and to take all action upon the happening of an event of default specified in the Lease provided that the Trustee is first advised of such action proposed to be taken. In furtherance of the foregoing assignment, the Company hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Company or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Company is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Company will cause notice of this Assignment forthwith to be given to the Lessee (together with a copy of this Assignment) and will direct the Lessee to pay all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease on and after such notice of this Assignment is given (hereinafter called Rentals) directly to the Trustee (a copy of such notice and direction to be given to the Trustee). If under the provisions of the Lease the Lessee is entitled to

a credit in respect of the Rentals thereunder on account of mileage payments payable to the Lessor, the Lessor will furnish the Trustee with a duplicate copy of its current rental invoice to the Lessee setting forth the amount of the credit to be applied against the Rentals payable under the Lease on or before each Rental payment date under the Lease and the net amount of Rentals payable to the Trustee by the Lessee. The Trustee may conclusively rely upon such duplicate invoice as to the facts stated therein and shall be under no duty or obligation whatsoever to investigate or verify the mileage payments credited against the Rentals or the Rentals payable under the Lease. The Trustee will accept payments of Rentals made to it by the Lessee pursuant to the Lease and this Assignment and the Trustee will apply the Rentals as follows: *first*, to or toward the payment of all amounts due and payable under the Equipment Trust Agreement at the time of receipt of such Rentals, and the Trustee shall credit such Rentals so applied to the amounts then due and payable by the Company under the Equipment Trust Agreement; and, *second*, so long as, to the actual knowledge of the Trustee, the Company is not in default under any provision of the Equipment Trust Agreement, any balance of Rentals remaining shall be paid over to the Company by the Trustee. The Trustee hereby appoints the Company as its agent, and the Company hereby accepts such appointment, to collect and receive for the account of the Trustee all mileage payments payable in respect of the Units, and the Company agrees to segregate and hold all such payments in trust for the account of the Trustee. On each April 15 and October 15 the Company, as such agent, will apply all such mileage payments as follows: *first*, to or toward the payment of all amounts then due and payable by the Company pursuant to the provisions of the Equipment Trust Agreement, and the Trustee shall credit such payment to the amounts then due and payable by the Company under the Equipment Trust Agreement; and, *second*, so long as, to the actual knowledge of the Trustee, the Company is not in default under any provision of the Equipment Trust Agreement, any balance remaining may be released

by the Company, as such agent, to the Company in its individual capacity.

So long as, to the actual knowledge of the Trustee, the Company shall be in default under any provision of the Equipment Trust Agreement, (i) the Trustee shall not pay over any of the Rentals to the Company, but, during the continuance of such default, shall apply all Rentals received by the Trustee to the payment of all amounts then or thereafter due and payable under the Equipment Trust Agreement and (ii) the Company shall forthwith upon receipt thereof deposit with the Trustee all mileage payments received in respect of the Units, which payments shall also be applied by the Trustee in like manner as Rentals under clause (i) above.

2. The assignment made hereby is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify the liability of the Company under the Lease, it being understood and agreed that notwithstanding such assignment or any subsequent assignment all obligations of the Company to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Company.

3. Upon the full discharge and satisfaction of the Liabilities, the assignment made hereby shall terminate, and all estate, right, title and interest of the Trustee in and to the Lease shall revert to the Company.

Upon transfer by the Trustee of title to any of the Units pursuant to Section 4.06 of the Equipment Trust Agreement, the Trustee shall execute and deliver to the Company a release or reassignment of this Assignment as to such Units.

4. The Company warrants and covenants that (a) the execution and delivery by the Company of the Lease and this Assignment have each been duly authorized, and the

Lease and this Assignment are and will remain the valid and binding obligations of the Company in accordance with their terms; (b) the Company has not executed any other assignment of the Lease or of its right to receive all payments under the Lease and the Lease will continue to be free and clear of any and all claims, liens, agreements, security interests or other encumbrances (except this Assignment and except to the extent the Company is contesting the validity of the same in good faith by appropriate proceedings), (c) notwithstanding this Assignment, the Company will conform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by it and (d) to the knowledge of the Company, it has performed all obligations on its part to be performed under the Lease on or prior to the date hereof.

Unless the Lease is an Existing Lease (as defined in the Equipment Trust Agreement), the Company will, concurrently with the execution and delivery of this Assignment, deliver to the Trustee the opinion of Messrs. Rosenthal and Schanfield, counsel for the Company, or an opinion of other counsel satisfactory to the Trustee, to the effect set forth in subparagraph (e) of Section 3.04 of the Equipment Trust Agreement relating to the Lease.

5. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee under the Lease for any Rental, or to enforce any provisions of the Lease, the Company will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever of the Lessee or its successors, arising out of a breach of the Company of any obligation under the Lease or arising out of any other indebtedness or liability at any time owing to the Lessee or its successors from the Company. Any and all such obligations of the Company shall be and remain enforceable against and only against the Company and shall not be enforceable against the Trustee or any party or parties in

whom any of the rights of the Company under the Lease shall vest by reason of the successive assignments or transfers.

6. The Company will from time to time execute all such financing statements and supplemental instruments as the Trustee may from time to time reasonably request in order to confirm or further assure the assignment made hereby and the provisions hereof.

7. The Trustee may assign all or any of its rights under the Lease, including the right to receive any payments due or to become due to it from the Lessee thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder.

8. Notwithstanding anything to the contrary contained in Section 1 of this Assignment, the Company agrees that it will not, without the prior written consent of the Trustee, enter into any agreement amending, modifying or terminating the Lease and that any amendment, modification or termination thereof without such consent shall be void. The Trustee shall consent to any such agreement if (a) it does not affect the Rentals, the term, the maintenance or the possession and use provisions or any other provision which the Trustee or its special counsel deems to materially and adversely affect the security provided hereby or (b) the holders of more than 50% in aggregate unpaid principal amount of the Trust Certificates then outstanding consent in writing thereto.

9. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the Company and the Trustee have caused this instrument to be signed in their respective names by their respective officers thereunto duly authorized, as of the date first above written.
