CONDITIONAL SALE AGREEMENT

Dated as of May 1, 1970

JUL 2 - 1970 4:55 PM

INTERSTATE COMMERCE COMMISSION

between

PACIFIC CAR AND FOUNDRY COMPANY

and

PACIFIC FRUIT EXPRESS COMPANY

AGREEMENT AND ASSIGNMENT

Dated as of May 1, 1970

between

PACIFIC CAR AND FOUNDRY COMPANY

and

THE CHASE MANHATTAN BANK
(National Association),
as Agent

[Covering 200 Mechanical Refrigerator Cars]

CONDITIONAL SALE AGREEMENT, dated as of May 1, 1970, between PACIFIC CAR AND FOUNDRY COMPANY, a Washington corporation (hereinafter called the Vendor or Builder, as more particularly set forth in Article 26 hereof), and PACIFIC FRUIT EXPRESS COMPANY, a Utah corporation (hereinafter called the Company).

WHEREAS, the Builder has agreed to construct, sell and deliver to the Company, and the Company has agreed to purchase, the railroad equipment described in Schedule B attached hereto (hereinafter called the Equipment);

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Incorporation of Model Provisions.* Whenever this Agreement incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Conditional Sale Provisions" annexed to this Agreement as Part I of Annex A hereto (hereinafter called the Model CSA Provisions), such provision of the Model CSA Provisions shall be deemed to be a part of this Agreement as fully to all intents and purposes as though such provision had been set forth in full in this Agreement, provided that wherever the terms "Railroad" or "Railroad's" are used in the Model CSA Provisions they shall be deemed to refer to the "Company" and the "Company's" respectively. Whenever this Agreement does not incorporate any reference, in whole or in part or as hereby amended any provision of the Model CSA provisions, such provisions shall be deemed not to be part of this Agreement.

ARTICLE 2. *Construction and Sale.* Article 2 of the Model CSA Provisions is herein incorporated as Article 2 hereof.

ARTICLE 3. *Inspection and Delivery.* Article 3 of the Model CSA Provisions is amended by adding two new paragraphs at the end thereof reading as follows:

“The Company agrees that the inspection of the Equipment provided for in this Article 3 shall not as to any unit thereof be delayed beyond 48 hours from notification of the Company that such unit is ready for delivery.”

“Delivery of any unit of the Equipment under the Lease of Railroad Equipment between the Company and the Builder referred to in Article 24 hereof shall constitute delivery of such unit hereunder and the certificate of acceptance delivered pursuant to Article 2 of said Lease shall be conclusive evidence that the units described therein have been delivered to and accepted by the Company hereunder on the date of said certificate. The Builder covenants that none of the units of the Equipment were delivered pursuant to said Lease of Railroad Equipment prior to May 28, 1970.

Article 3 of the Model CSA Provisions, as so amended, is hereby incorporated as Article 3 hereof.

ARTICLE 4. *Purchase Price and Payment.* The base price per unit of the Equipment, exclusive of interest is set forth in Schedule B hereto. The base price, which may include freight charges, if any, from the Builder's plant to the point of delivery, is subject to increase or decrease to the extent contemplated in the purchase order referred to in Schedule B hereof or as may be agreed to by the Builder and the Company. The term “Purchase Price” as used herein shall mean the base price as so increased or decreased.

For the purpose of making settlement, all of the Equipment shall be settled for in one group of units of the Equipment, delivered to and accepted by the Company unless the

Company agrees that the Equipment may be divided into more than one group for purposes of settlement (each such group being hereinafter called a Group).

The Company hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment in respect of which Certificate of Acceptance are delivered, as follows:

(a) On the Closing Date (as hereinafter defined) with respect to the Group the amount, if any, by which the Purchase Price of all units of the Equipment for which settlement has theretofore and is then being made, as stated in the invoice or invoices therefor (said invoiced prices being hereinafter called the Interim Invoiced Purchase Prices), exceeds the sum of \$6,450,000 and any amount or amounts previously paid or payable with respect to the Interim Invoiced Purchase Prices pursuant to this subparagraph (a);

(b) Within three business days following receipt of a final certificate (hereinafter called the Final Certificate) of the Purchase Price for the Group, the amount, if any, by which the final aggregate Purchase Price of the Group, as stated in the final invoice therefor (hereinafter called the Final Invoice Purchase Price), shall exceed that portion of the Interim Invoiced Purchase Price paid or to be paid pursuant to subparagraphs (a) and (c) of this paragraph; and

(c) In 15 consecutive equal (except for appropriate adjustment of the final instalment in case the amount payable pursuant to this subparagraph (c) shall not, when divided by 15, result in an amount ending in an integral cent) annual instalments, as hereinafter provided, an amount (hereinafter called the Conditional Sale Indebtedness) equal to the aggregate of the Interim Invoiced Purchase Prices of all the Equipment less the

amount paid or payable pursuant to subparagraph (a) of this paragraph.

If this Agreement shall be assigned by the Builder, the obligations of the Company under subparagraphs (a) and (b) of the preceding paragraph of this Article 4 shall be an unsecured obligation and the Builder shall not have any lien on, or claim against, the Equipment or any part thereof with respect to such obligations.

The first instalment of the Conditional Sale Indebtedness shall be payable on July 1, 1971, and subsequent instalments shall be payable annually thereafter on each July 1, (or if any such date is not a business day on the next preceding business day) until the Conditional Sale Indebtedness is paid in full. The unpaid Conditional Sale Indebtedness shall bear interest from the respective Closing Dates at the rate of $9\frac{1}{2}\%$ per annum in respect of the unpaid Conditional Sale Indebtedness represented by the first five instalments thereof and at the rate of $9\frac{7}{8}\%$ per annum in respect of the unpaid Conditional Sale Indebtedness represented by the last ten instalments thereof payable, to the extent accrued, on January 1 and July 1 in each year, commencing January 1, 1971 (or if any such date is not a business day on the next preceding business day).

The Final Certificate and final invoice, if any, shall be delivered on or before December 31, 1970. The Builder agrees that the Interim Invoiced Purchased Prices shall be so fixed that they will not exceed, in the aggregate, the Final Invoice Purchase Price.

The term "Closing Date" with respect to a Group shall mean such date (on or after July 6, 1970), not more than 15 business days following presentation by the Builder to the Company of the invoices and the Certificate or Certificates of Acceptance for the Group, as shall be fixed by the Company by written notice delivered to the Vendor and to the Builder at least five business days prior to the Closing Date designated therein. The term "business days" as

used herein means calendar days, excluding Saturdays, Sundays and holidays on which banking institutions in the State of New York are authorized to close.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Company will pay, to the extent legally enforceable, interest at the rate of 10% per annum upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof, anything herein to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 8 hereof, the Company shall not have the privilege of prepaying any instalment of its indebtedness hereunder prior to the date it becomes due.

ARTICLE 5. *Taxes.* Article 5 of the Model CSA Provisions is herein incorporated as Article 5 hereof.

ARTICLE 6. *Title to the Equipment.* Article 6 of the Model CSA Provisions is herein incorporated as Article 6 hereof.

ARTICLE 7. *Marking of Equipment.* Article 7 of the Model CSA Provisions is amended by adding a new paragraph at the end thereof reading as follows:

“Except as above provided, the Company will not allow the name of any person, association or corporation to be placed on the Equipment as a designation that might be interpreted as a claim of ownership; *provided, however,* that the Company may cause the Equipment to be lettered “Pacific Fruit Express Company,” “Pacific Fruit Express,” “P. F. E.,” and may also be numbered for convenience in identification and may bear identifying

symbols and lettering of Southern Pacific Transportation Company and Union Pacific Railroad Company. Nothing in this Agreement shall prohibit the use of the cars under any pooling arrangement that may be required by governmental agencies, or that may be desired by the Company, so long as identification of the interest of the Company is evidenced, and where it becomes desirable to show the name of any person, association or corporation on any of the Equipment, such designation shall be in a manner that will not cause interpretation of a claim of ownership thereof by the Company or by any person, association or corporation other than the Vendor.”

Article 7 of the Model CSA Provisions, as so amended, is herein incorporated as Article 7 hereof.

ARTICLE 8. *Lost or Destroyed Equipment.* In the event that any unit of the Equipment shall be worn out, lost, destroyed, irreparably damaged or otherwise rendered permanently unfit for use from any cause whatsoever (such occurrences being hereinafter called Casualty Occurrences) prior to the payment of the full indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon and all other payments required hereby, the Company shall promptly and fully inform the Vendor in regard thereto. When the aggregate Casualty Value (as herein defined) of units having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence with respect to which a payment shall have been made to the Vendor pursuant to this Article 8) shall exceed \$100,000, the Company, within 30 days after receiving knowledge of such event shall promptly pay to the Vendor a sum equal to the aggregate Casualty Value of such units as of the date of such payment and shall file with the Vendor a certificate of the President, a Vice-President or

the Treasurer of the Company setting forth the Casualty Value of each unit of the Equipment suffering a Casualty Occurrence.

Any money paid to the Vendor pursuant to the preceding paragraph of this Article 8 shall, so long as none of the events of default specified in Article 18 hereof shall have happened and be continuing, be applied, in whole or in part, as the Company may direct in a written instrument filed with the Vendor, to prepay instalments of indebtedness payable pursuant to subparagraph (c) of the third paragraph of Article 4 hereof or toward the cost of a unit or units of standard-gauge railroad equipment (other than passenger equipment or work equipment of types other than locomotives) first put into service no earlier than May 1, 1970, to replace such unit suffering a Casualty Occurrence. In case any money is applied to prepay Conditional Sale Indebtedness, it shall be so applied, on the instalment date next following receipt by the Vendor of such written direction, to prepay in whole or in part instalments thereafter falling due in the inverse order of maturity, but without premium.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence (other than a replacement unit) shall be deemed to be that proportion of the Conditional Sale Indebtedness as the original Purchase Price thereof bears to the actual aggregate Purchase Price of all the Equipment, multiplied by a fraction the numerator of which is the number of instalment payment dates remaining pursuant to Article 4 hereof as of the date payment is made with respect to such Casualty Occurrence and the denominator of which is 15. The Casualty Value of each replacement unit suffering a Casualty Occurrence shall be deemed to be that proportion of the cost thereof (provided through the application of moneys paid to the Vendor pursuant to the first paragraph of this Article 8) as the number of instalment payment dates remaining pur-

suant to Article 4 hereof, as of the date payment is made with respect to such Casualty Occurrence, bears to the number of such instalment payment dates remaining as of the date of the acquisition of such replacement unit.

The Company will cause any replacement unit or units to be marked as provided in Article 7 hereof. Any and all such replacements of Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement as though part of the original Equipment delivered hereunder and shall be included in the term "Equipment" as used in this Agreement. Title to all such replacements shall be free and clear of all liens and encumbrances except permitted liens as defined in Article 14 hereof and shall be taken initially and shall remain in the name of the Vendor subject to the provisions hereof, and the Company shall execute, acknowledge, deliver, file, record or deposit all such documents and do any and all such acts as may be necessary to cause such replacements to come under and be subject to this Agreement and to protect the title of the Vendor to such Equipment. All such replacement units shall be guaranteed and warranted in like manner as is customary at the time for similar railroad equipment. Whenever the Company shall file with the Vendor a written direction to apply amounts toward the cost of any replacement unit or units, the Company shall file therewith (i) a certificate of the President, a Vice-President or the Treasurer of the Company that the cost of such unit or units does not exceed the fair value thereof and (ii) executed counterparts of an opinion of counsel covering the matters set forth in this paragraph.

So long as none of the events of default specified in Article 18 hereof shall have happened and be continuing, any money paid to the Vendor pursuant to this Article 8 shall, if the Company shall in writing so direct, be invested, pending its application as hereinabove provided, in such direct

hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Railroad's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 13. *Possession and Use.* The Railroad, so long as an event of default shall not have occurred under this Agreement and be continuing, shall be entitled to the possession of the Equipment and the use thereof upon the lines of railroad owned or operated by it either alone or jointly with others and whether under lease or otherwise, or upon the lines of railroad owned or operated by any railroad company controlled by, or under common control with, the Railroad, or over which it has trackage rights, or upon connecting and other carriers in the usual interchange of traffic, from and after delivery of the Equipment by the Builder to the Railroad, but only upon and subject to all the terms and conditions of this Agreement.

ARTICLE 14. *Prohibition Against Liens.* The Railroad will pay or discharge any and all sums claimed by any party from, through or under the Railroad or its successors or assigns which, if unpaid, might become a lien, charge or security interest upon the Equipment, or any unit thereof, equal or superior to the Vendor's title thereto or property therein, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

ARTICLE 11. *Compliance with Laws and Rules.* During the term of this Agreement, the Railroad will at all times comply in all respects with all laws of the jurisdictions in which its operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration of the Equipment, the Railroad will conform therewith, at its expense, and will maintain the same in proper condition for operation under such laws and rules; *provided, however,* that the Railroad may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. *Reports and Inspections.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 180 days from the date of this Agreement, the Railroad shall furnish to the Vendor an accurate statement signed by an officer of the Railroad (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 7

ARTICLE 19. *Remedies.* At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken by its agent or agents immediate possession of the Equipment, or any unit thereof, without liability to return to the Railroad any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 19 expressly provided, and may remove the same from possession and use of the Railroad or any other person and for such purpose may enter upon the Railroad's premises or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Railroad, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall reasonably designate a point or points upon the premises of the Railroad for the delivery of the Equipment to the Vendor, the Railroad shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines as shall be designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Railroad until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Railroad agrees to furnish, without charge for rent or storage, the necessary facilities at any

point or points selected by the Vendor reasonably convenient to the Railroad. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Railroad requiring specific performance hereof. The Railroad hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 19 provided) may at its election and upon such notice as is hereinafter set forth retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Railroad by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice, within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Railroad's rights in the Equipment shall thereupon terminate and all payments made by the Railroad may be retained by the Vendor as compensation for the use of the Equipment by the Railroad; *provided, however*, that if the Rail-

road, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad; *provided, further*, that if the Railroad or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 19.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Railroad and to any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Railroad or any other party claiming from, through or under the Railroad at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Railroad should tender full payment of the

total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad. The proceeds of such sale, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Railroad shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed to the Railroad as provided in Article 23 hereof. If such sale shall be a private sale, it shall be subject to the right of the Railroad to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor or the Railroad may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Railroad (except to the extent of surplus money received as hereinafter provided in this Article 19), and in payment of the purchase price

therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Railroad hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Railroad shall not otherwise alter or affect the Vendor's rights or the Railroad's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Railroad's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Railroad shall pay the amount of such deficiency to the Vendor upon demand, and, if the Railroad shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Railroad. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Railroad.

The Railroad will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 19 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 20. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Railroad to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Railroad, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 21. *Recording.* The Railroad will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded

hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Railroad's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 13. *Possession and Use.* The Railroad, so long as an event of default shall not have occurred under this Agreement and be continuing, shall be entitled to the possession of the Equipment and the use thereof upon the lines of railroad owned or operated by it either alone or jointly with others and whether under lease or otherwise, or upon the lines of railroad owned or operated by any railroad company controlled by, or under common control with, the Railroad, or over which it has trackage rights, or upon connecting and other carriers in the usual interchange of traffic, from and after delivery of the Equipment by the Builder to the Railroad, but only upon and subject to all the terms and conditions of this Agreement.

ARTICLE 14. *Prohibition Against Liens.* The Railroad will pay or discharge any and all sums claimed by any party from, through or under the Railroad or its successors or assigns which, if unpaid, might become a lien, charge or security interest upon the Equipment, or any unit thereof, equal or superior to the Vendor's title thereto or property therein, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

ARTICLE 11. *Compliance with Laws and Rules.* During the term of this Agreement, the Railroad will at all times comply in all respects with all laws of the jurisdictions in which its operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration of the Equipment, the Railroad will conform therewith, at its expense, and will maintain the same in proper condition for operation under such laws and rules; *provided, however,* that the Railroad may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. *Reports and Inspections.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 180 days from the date of this Agreement, the Railroad shall furnish to the Vendor an accurate statement signed by an officer of the Railroad (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 7

ARTICLE 19. *Remedies.* At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken by its agent or agents immediate possession of the Equipment, or any unit thereof, without liability to return to the Railroad any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 19 expressly provided, and may remove the same from possession and use of the Railroad or any other person and for such purpose may enter upon the Railroad's premises or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Railroad, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall reasonably designate a point or points upon the premises of the Railroad for the delivery of the Equipment to the Vendor, the Railroad shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines as shall be designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Railroad until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Railroad agrees to furnish, without charge for rent or storage, the necessary facilities at any

point or points selected by the Vendor reasonably convenient to the Railroad. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Railroad requiring specific performance hereof. The Railroad hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 19 provided) may at its election and upon such notice as is hereinafter set forth retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Railroad by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice, within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Railroad's rights in the Equipment shall thereupon terminate and all payments made by the Railroad may be retained by the Vendor as compensation for the use of the Equipment by the Railroad; *provided, however*, that if the Rail-

road, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad; *provided, further*, that if the Railroad or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 19.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Railroad and to any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Railroad or any other party claiming from, through or under the Railroad at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Railroad should tender full payment of the

total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad. The proceeds of such sale, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Railroad shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed to the Railroad as provided in Article 23 hereof. If such sale shall be a private sale, it shall be subject to the right of the Railroad to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor or the Railroad may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Railroad (except to the extent of surplus money received as hereinafter provided in this Article 19), and in payment of the purchase price

therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Railroad hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Railroad shall not otherwise alter or affect the Vendor's rights or the Railroad's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Railroad's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Railroad shall pay the amount of such deficiency to the Vendor upon demand, and, if the Railroad shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Railroad. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Railroad.

The Railroad will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 19 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 20. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Railroad to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Railroad, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 21. *Recording.* The Railroad will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded

with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act; and the Railroad will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Railroad will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 22. *Payment of Expenses.* The Railroad will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of this Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purposes of this Article 22, if the first assignee is an agent, then any successor agent to such agent shall also be considered the first assignee.

ARTICLE 24. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Schedules and Annexes hereto, exclusively and completely states the rights of the

Vendor and the Railroad with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Vendor and the Railroad.

ARTICLE 26. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the corporation named in Item 1 of Schedule A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the corporation named in Item 1 of Schedule A hereto and any successor or successors for the time being to its manufacturing properties and business.

ANNEX A

Part III

MODEL ASSIGNMENT PROVISIONS

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Railroad in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Railroad that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Railroad under the Conditional Sale Agreement; and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Railroad thereunder. The Builder will not deliver any of the Equipment to the Railroad under the Conditional Sale Agreement until the filings and recordations referred to in Article 21 of the Conditional Sale Agreement have been effected.

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase

Price of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever of the Railroad arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or under Article 10 or 16 of the Conditional Sale Agreement, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Railroad by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 17 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Railroad in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Railroad and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Railroad and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and

ARTICLE 19. *Remedies.* At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken by its agent or agents immediate possession of the Equipment, or any unit thereof, without liability to return to the Railroad any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 19 expressly provided, and may remove the same from possession and use of the Railroad or any other person and for such purpose may enter upon the Railroad's premises or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Railroad, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall reasonably designate a point or points upon the premises of the Railroad for the delivery of the Equipment to the Vendor, the Railroad shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines as shall be designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Railroad until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Railroad agrees to furnish, without charge for rent or storage, the necessary facilities at any

point or points selected by the Vendor reasonably convenient to the Railroad. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Railroad requiring specific performance hereof. The Railroad hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 19 provided) may at its election and upon such notice as is hereinafter set forth retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Railroad by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice, within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Railroad's rights in the Equipment shall thereupon terminate and all payments made by the Railroad may be retained by the Vendor as compensation for the use of the Equipment by the Railroad; *provided, however*, that if the Rail-

road, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad; *provided, further*, that if the Railroad or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 19.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Railroad and to any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Railroad or any other party claiming from, through or under the Railroad at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Railroad should tender full payment of the

total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad. The proceeds of such sale, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Railroad shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed to the Railroad as provided in Article 23 hereof. If such sale shall be a private sale, it shall be subject to the right of the Railroad to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor or the Railroad may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Railroad (except to the extent of surplus money received as hereinafter provided in this Article 19), and in payment of the purchase price

therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Railroad hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Railroad shall not otherwise alter or affect the Vendor's rights or the Railroad's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Railroad's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Railroad shall pay the amount of such deficiency to the Vendor upon demand, and, if the Railroad shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Railroad. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Railroad.

The Railroad will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 19 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 20. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Railroad to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Railroad, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 21. *Recording.* The Railroad will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded

with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act; and the Railroad will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Railroad will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 22. *Payment of Expenses.* The Railroad will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of this Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purposes of this Article 22, if the first assignee is an agent, then any successor agent to such agent shall also be considered the first assignee.

ARTICLE 24. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Schedules and Annexes hereto, exclusively and completely states the rights of the

Vendor and the Railroad with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Vendor and the Railroad.

ARTICLE 26. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the corporation named in Item 1 of Schedule A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the corporation named in Item 1 of Schedule A hereto and any successor or successors for the time being to its manufacturing properties and business.

ARTICLE 19. *Remedies.* At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken by its agent or agents immediate possession of the Equipment, or any unit thereof, without liability to return to the Railroad any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 19 expressly provided, and may remove the same from possession and use of the Railroad or any other person and for such purpose may enter upon the Railroad's premises or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Railroad, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall reasonably designate a point or points upon the premises of the Railroad for the delivery of the Equipment to the Vendor, the Railroad shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines as shall be designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Railroad until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Railroad agrees to furnish, without charge for rent or storage, the necessary facilities at any

point or points selected by the Vendor reasonably convenient to the Railroad. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Railroad requiring specific performance hereof. The Railroad hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 19 provided) may at its election and upon such notice as is hereinafter set forth retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Railroad by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice, within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Railroad's rights in the Equipment shall thereupon terminate and all payments made by the Railroad may be retained by the Vendor as compensation for the use of the Equipment by the Railroad; *provided, however*, that if the Rail-

road, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad; *provided, further*, that if the Railroad or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 19.

At any time after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable as hereinbefore provided (unless such declaration has been rescinded and annulled as provided in Article 18 hereof), the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Railroad and to any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Railroad or any other party claiming from, through or under the Railroad at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Railroad should tender full payment of the

total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Railroad. The proceeds of such sale, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Railroad shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed to the Railroad as provided in Article 23 hereof. If such sale shall be a private sale, it shall be subject to the right of the Railroad to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor or the Railroad may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Railroad (except to the extent of surplus money received as hereinafter provided in this Article 19), and in payment of the purchase price

therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Railroad hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Railroad shall not otherwise alter or affect the Vendor's rights or the Railroad's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Railroad's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Railroad shall pay the amount of such deficiency to the Vendor upon demand, and, if the Railroad shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Railroad. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Railroad.

The Railroad will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 19 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 20. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Railroad to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Railroad, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 21. *Recording.* The Railroad will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded

with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act; and the Railroad will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Railroad will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 22. *Payment of Expenses.* The Railroad will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of this Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purposes of this Article 22, if the first assignee is an agent, then any successor agent to such agent shall also be considered the first assignee.

ARTICLE 24. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Schedules and Annexes hereto, exclusively and completely states the rights of the

Vendor and the Railroad with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Vendor and the Railroad.

ARTICLE 26. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the corporation named in Item 1 of Schedule A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the corporation named in Item 1 of Schedule A hereto and any successor or successors for the time being to its manufacturing properties and business.

ANNEX A

Part III

MODEL ASSIGNMENT PROVISIONS

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Railroad in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Railroad that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Railroad under the Conditional Sale Agreement; and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Railroad thereunder. The Builder will not deliver any of the Equipment to the Railroad under the Conditional Sale Agreement until the filings and recordations referred to in Article 21 of the Conditional Sale Agreement have been effected.

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase

Price of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever of the Railroad arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or under Article 10 or 16 of the Conditional Sale Agreement, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Railroad by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 17 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Railroad in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Railroad and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Railroad and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and

expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Builder agrees that any amounts payable to it by the Railroad with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to a Group (as defined in said Article 4) of the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee, as provided in Article 17 of the Conditional Sale Agreement and at least five business days prior to such Closing Date, the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) A bill of sale from the Builder to the Assignee transferring to the Assignee title to the units of the Equipment in such Group, warranting to the Assignee and to the Railroad that at the time of delivery of such units under the Conditional Sale Agreement the Builder had legal title to such units and good and lawful right to sell such units and that title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the

Railroad under the Conditional Sale Agreement, and covenanting to defend the title to such units against the demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) A Certificate or Certificates of Acceptance with respect to the units of the Equipment in such Group as contemplated by Article 3 of the Conditional Sale Agreement;

(c) An invoice of the Builder for the units of the Equipment in such Group accompanied by or having endorsed thereon a certification by the Railroad as to the correctness of the prices of such units;

(d) An opinion of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Railroad and the Builder and is a legal, valid and binding instrument enforceable against the Railroad and the Builder in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the Builder and the Assignee and is a legal, valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment in such Group is validly vested in the Assignee and such units, at the

time of delivery thereof to the Railroad under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this Assignment, or if any such authority is necessary, it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America or in the District of Columbia and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended; and such opinion shall also cover such other matters as may reasonably be requested by the Assignee or such Investors;

(e) An opinion of counsel for the Railroad, dated as of such Closing Date, to the effect set forth in clauses (i), (ii), (iii), (v), (vi) and (vii) of subparagraph (d) of this Section 6 and stating that the Railroad is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted;

(f) An opinion of counsel for the Builder, dated as of such Closing Date, stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder, (iv) the Assignee is vested with all the rights, titles, interests, powers, privileges and remedies purported to be assigned to the Assignee by this Assignment and (v) security title to the units of the Equipment in such Group is validly vested in the Assignee and such units, at the time of delivery thereof to the Railroad under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement); and

(g) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Railroad.

In giving the opinions specified in subparagraphs (d), (e) and (f) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a valid and binding instrument enforceable in accordance with its terms

by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally. In giving the opinion specified in said subparagraph (d), counsel may rely, as to authorization, execution and delivery by the Builder of the documents executed by the Builder and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder, and as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Railroad as to such matter.

The obligation of the Assignee hereunder to make payment for any Group of the Equipment is hereby expressly conditioned upon the prior receipt by the Assignee, as provided in the Finance Agreement, of all the funds to be furnished to the Assignee by the various parties to the Finance Agreement with respect to such Group. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

The term "business days" as used herein means calendar days, excluding Saturdays, Sundays, and holidays.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agreement was duly authorized by it and lawfully executed and delivered by it for a valid consideration, that, assuming due authorization, execution and delivery by the Railroad, the Conditional Sale Agreement is, in so far as the Builder is concerned, a valid and existing agreement binding upon it and the Railroad in accordance with its terms and that it is now in force without amendment thereto;

(b) agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be; and

(c) agrees that, upon request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.

AGREEMENT AND ASSIGNMENT dated as of May 1, 1970, between Pacific Car and Foundry Company, a Washington corporation (hereinafter called the Builder and The Chase Manhattan Bank (National Association), a national banking association with its business address at One Chase Manhattan Plaza, New York, New York 10015, acting as Agent under an Agreement dated as of May 1, 1970 (hereinafter called the Finance Agreement and said corporation, so acting, being hereinafter called the Assignee).

WHEREAS the Builder and PACIFIC FRUIT EXPRESS COMPANY (hereinafter called the Company) have entered into a Conditional Sale Agreement dated as of May 1, 1970 (hereinafter called the Conditional Sale Agreement), covering the construction, sale and delivery by the Builder and the purchase by the Company of the railroad equipment (hereinafter called the Equipment) referred to in the Conditional Sale Agreement;

WHEREAS, as further security for the payment by the Company of its obligations under the Conditional Sale Agreement and the Finance Agreement, the Assignee and all the stockholders of the Company have entered into an agreement dated as of May 1, 1970 (hereinafter called the Guaranty Agreement) pursuant to which, among other things, the stockholders of the Company have severally agreed to guarantee the obligations of the Company under the Conditional Sale Agreement and the Finance Agreement;

Now, THEREFORE, this Agreement and Assignment (hereinafter called this Assignment) Witnesseth that, in consideration of the sum of One Dollar and other good and valuable consideration paid by the Assignee to the Builder, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained:

SECTION 1. Whenever this Assignment incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Assignment Provisions" annexed to the Conditional Sale Agreement as Part II of Annex A thereto (hereinafter called the Model Assignment Provisions), such provision of the Model Assignment Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this instrument, provided that wherever the terms "Railroad" or "Railroad's" are used in the Model Assignment Provisions they shall be deemed to refer to the "Company" and the "Company's" respectively. Whenever this Assignment does not incorporate by reference, in whole or in part or as hereby amended, any provision of the Model Assignment Provisions, such provision shall be deemed not to be part of the Assignment.

SECTION 2. The Builder hereby assigns, transfers and sets over unto the Assignee, its successors and assigns:

(a) all the right, title and interest of the Builder in and to each unit of the Equipment when and as severally delivered to and accepted by the Company under the Conditional Sale Agreement, subject to payment by the Assignee to the Builder of the amount required to be paid under Section 6 hereof with respect thereto;

(b) all the right, title and interest of the Builder in and to the Conditional Sale Agreement (except the right to construct and deliver the Equipment and the right to receive the payments specified in the third paragraph of Article 3 thereof and in subparagraphs (a) and (b) of the third paragraph of Article 4 thereof and the last paragraph of Article 17 thereof and reimbursement for taxes paid or incurred by the Builder as provided in Article 5 thereof) and in and to any and all amounts

which may be or become due or owing to the Builder under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Company under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) except as limited by subparagraph (b) hereof, all the Builder's rights, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse, however, against the Builder for or on account of the failure of the Company to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; *provided, however*, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Builder to construct and deliver the Equipment in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements contained in Articles 10 and 16 of the Conditional Sale Agreement, or relieve the Company from its obligations to the Builder contained in Articles 2, 3, 4, 5, 10, 15, 16 and 17 of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment pursuant to the provisions of Article 17 of the Conditional Sale Agreement, all obligations of the Builder to the Company with respect to the Equipment shall be and remain enforceable by the Company, its successors and assigns, against and only against the Builder. In furtherance of the foregoing assignment and transfer, the builder hereby authorizes and empowers the Assignee, in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney hereby irrevocably constituted for the Builder, to ask, demand, sue for, collect, receive and enforce any and all

sums to which the Assignee is or may become entitled under this Assignment and compliance by the Company with the terms and agreements on its part to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 3. Section 3 of the Model Assignment Provisions is amended by deleting the last sentence thereof and by inserting a new sentence to read as follows:

“Delivery under the Lease of Railroad Equipment referred to in Article 24 of the Conditional Sale Agreement shall constitute delivery under the Conditional Sale Agreement for the purposes of this Assignment.”

Section 3 of the Model Assignment Provisions, as so amended, is herein incorporated as Section 3 hereof.

SECTION 4. Section 4 of the Model Assignment Provisions is amended by changing the first sentence of the **last** paragraph thereof to read as follows:

“Except in cases of articles or materials specified by the Company and not manufactured by the Builder and in cases of designs, systems, processes and formulae utilized by the Builder in or about the construction of the Equipment, or any unit of the Equipment, as the result of specification thereof by the Company, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment, or any unit thereof, of any design, system, process, formula, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give prompt notice

to the Builder of any such liability or claims asserted against the Assignee of which it has actual notice and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such liability or claims."

Section 4 of the Model Assignment Provisions, as so amended, is herein incorporated as Section 4 hereof.

SECTION 5. The Builder will cause to be plainly, distinctly, permanently and conspicuously marked by stencil or otherwise on each side of each unit of the Equipment, at the time of delivery thereof to the Company, in letters not less than one inch in height, the following legend:

"OWNED BY A SECURED PARTY UNDER A SECURITY
AGREEMENT FILED UNDER THE INTERSTATE
COMMERCE ACT, SECTION 20c".

SECTION 6. Section 6 of the Model Assignment Provisions is amended by adding the words "and said Lease of Railroad Equipment referred to in Article 24 of the Conditional Sale Agreement," after the word "Agreement" in the tenth line of subparagraph (a) thereof.

Section 6 is further amended by deleting the "and" at the end of subparagraph (f) of the first paragraph thereof and adding two new subparagraphs reading as follows:

"(h) An executed counterpart of the Guaranty Agreement; and

(i) An opinion of counsel for each of the stockholders of the Company stating that the Guaranty Agreement has been duly authorized, executed and delivered by such stockholder and is a valid instrument binding upon such stockholder and enforceable against such stockholder in accordance with its terms, and that no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the execution and delivery of the Guaranty Agreement."

Section 6 is further amended by changing subdivision (v) of subparagraph (f) to read as follows:

“security title to the units of the Equipment in such Group is validly vested in the Assignee and such units, at the time of delivery thereof to the Company under the Lease of Railroad Equipment referred to in Article 24 of the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by said Lease);

Section 6 of the Model Assignment Provisions is further amended by deleting the period at the end of the second sentence of the third paragraph thereof and adding the following phrase:

“or if a material adverse change in the financial condition shall have occurred in respect of either of the stockholders of the Company since May 1, 1970.”

Section 6 of the Model Assignment Provisions, as so amended, is herein incorporated as Section 6 hereof.

SECTION 7. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Company thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 8. Section 8 of the Model Assignment Provisions is herein incorporated as Section 8 hereof.

SECTION 9. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act. The terms, rights and obligations of the parties hereunder may not be changed

orally, but may be changed only by an agreement in writing signed by the party against whom enforcement of such change is sought.

SECTION 10. Although this Assignment is dated for convenience as of May 1, 1970, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the Builder and the Assignee have caused this instrument to be executed in their respective corporate names by their respective officers thereunto duly authorized, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
