Dated as of May 1, 1970

between

**THE DARBY PRODUCTS OF STEEL
PLATE CORPORATION,**

VINEYARD CAR CORPORATION

and

THE KANSAS CITY SOUTHERN RAILWAY COMPANY

**Covering sale and purchase of 2
Stainless Steel Caboose**

CONDITIONAL SALE AGREEMENT dated as of May 1, 1970, among the corporation named in Item 1 of Annex A hereto (hereinafter called the Vendor or Manufacturer as more particularly set forth in Article 27 hereof), VINEYARD CAR CORPORATION, a New York corporation (hereinafter called the Company), and THE KANSAS CITY SOUTHERN RAILWAY COMPANY, a Missouri corporation (hereinafter called the Guarantor or the Lessee).

WHEREAS, the Manufacturer agrees to construct, sell and deliver to the Company, and the Company agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment);

WHEREAS, the Company is executing a lease of the Equipment as of the date hereof to the Lessee in substantially the form annexed hereto as Annex C (hereinafter called the Lease) and the Guarantor is willing to guarantee to the Vendor the due and punctual payment of all sums payable by, and the due and punctual performance of all other obligations of, the Company under this Agreement and has joined in this Agreement for the purpose of setting forth the terms and conditions of such guaranty and making certain further agreements as hereinafter set forth;

Now, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Construction and Sale.* Pursuant to this Agreement, the Manufacturer will construct the Equipment at its plant set forth in Annex B hereto and will sell f.o.b. point of origin and deliver the Equipment to the Company and the Company will purchase from the Manufacturer and

accept delivery of and pay for (as hereinafter provided) the Equipment, each unit of which will be a new standard-gauge unit of railroad equipment constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may have been agreed upon in writing by the Manufacturer, the Company and the Guarantor (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of the Equipment will conform to all Department of Transportation and Interstate Commerce Commission requirements and specifications reasonably interpreted as being applicable to railroad equipment of the character of the Equipment as of the date of this Agreement.

ARTICLE 2. *Delivery.* The Manufacturer will deliver the various units of the Equipment to the Company, at the point specified in, and in accordance with, the delivery schedule set forth in Annex B hereto; *provided, however,* that no delivery of any unit of the Equipment shall be made until this Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act.

The Manufacturer's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Manufacturer's reasonable control, including, but not limited to, acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, or delays in receiving necessary materials.

Notwithstanding the preceding provisions of this Article 2, any Equipment not delivered, accepted and settled for pursuant to Article 3 hereof on or before December 15, 1970 (unless such date is extended by the Company, the Guarantor

tor and the Vendor by appropriate written agreement), shall be excluded from this Agreement and not included in the term "Equipment" as used in this Agreement. In the event of any such exclusion (a) the Vendor, the Company and the Guarantor shall execute an agreement supplemental hereto limiting this Agreement to the Equipment theretofore delivered, accepted and settled for hereunder and (b) if such exclusion resulted from one or more of the causes referred to in the next preceding paragraph, a separate agreement shall be entered into between the Manufacturer and the Guarantor providing for the purchase of such excluded Equipment by the Guarantor, on the terms herein specified, payment to be made in cash on delivery of such Equipment either directly or by means of a conditional sale, equipment trust or such other appropriate method of financing the purchase as the Guarantor and the Manufacturer shall mutually determine.

The Equipment shall be subject to inspection and approval prior to delivery by inspectors or other authorized representatives of the Company (who may be employees of the Guarantor), and the Manufacturer shall grant to such inspectors or such authorized representatives reasonable access to its plant. From time to time upon the completion of the construction of a unit or a number of units of the Equipment, such unit or units shall be presented to such inspector or other authorized representative for inspection at the place designated for delivery of the Equipment and, if each such unit conforms to the Specifications, such inspector or authorized representative shall execute and deliver to the Manufacturer, in such number of counterparts or copies as may reasonably be requested, a certificate of delivery and acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Company and are marked in accordance with the provisions of Article 9 hereof; *pro-*

vided, however, that the Manufacturer shall not thereby be relieved of its warranty contained in Item 3 of Annex A hereto.

On delivery of each of the units of Equipment hereunder and acceptance thereof on behalf of the Company as aforesaid, the Company shall assume with respect thereto the responsibility and risk of loss or damage.

ARTICLE 3. *Purchase Price and Payment.* The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Manufacturer, the Company and the Guarantor. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased. If on any Closing Date (as hereinafter defined in this Article 3) the aggregate of the Invoiced Purchase Prices (as hereinafter defined in this Article 3) for which settlement has theretofore been and is then being made under this Agreement and the Conditional Sale Agreements referred to in Item 4 of Annex A hereto (hereinafter called the Other Agreements), would, but for the provisions of this sentence, exceed \$3,936,534 (or such higher amount as the Company may at its option agree to), the Manufacturer (and any assignee of the Manufacturer) and the Guarantor will, upon request of the Company, enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Company, as will, after giving effect to such exclusion and any concurrent exclusion under the Other Agreements, reduce such aggregate Invoiced Purchase Prices under both this Agreement and the Other Agreements to not more than \$3,936,534 (or such higher amount as aforesaid), and the Guarantor agrees to purchase any such unit or units so excluded from this Agreement from Manufacturer for cash on the date such unit or units would

otherwise have been settled for under this Agreement either directly, or, if the Manufacturer and the Guarantor shall mutually agree, by means of a conditional sale, equipment trust or other appropriate method of financing.

For the purpose of settlement therefor, the Equipment shall be divided into not more than two groups of units of the Equipment (each such group being hereinafter called a Group) unless the Company, the Guarantor and the Manufacturer shall otherwise agree; *provided, however*, if the total Purchase Price of the Equipment is less than \$500,000, the Equipment shall all be settled for in one Group. The term "Closing Date" with respect to any Group shall mean such date (not earlier than June 15, 1970 and not later than December 15, 1970), occurring not less than five business days following presentation by the Manufacturer to the Company and the Guarantor of the invoice and the Certificate or Certificates of Acceptance for such Group, as shall be fixed by the Manufacturer by written notice delivered to the Guarantor, the Company and the Assignee (as hereinafter defined) at least five business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, New York, are authorized to remain closed.

The Company hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

- (a) On the Closing Date with respect to each Group (i) an amount equal to 20.9% of the aggregate Purchase Price of such Group plus (ii) the amount by which (x) 79.1% of the aggregate of the Purchase Price of all units of the Equipment covered by this Agreement and the purchase price of all units of railroad

equipment covered by the Other Agreements for which settlement has theretofore and is then being made, as set forth in the invoice or invoices therefor (said invoiced price being herein called the Invoiced Purchase Prices) exceeds (y) the sum of \$3,110,000 and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to clause (ii) of this subparagraph (a) and clause (ii) of subparagraph (a) of the third paragraph of Article 3 of the Other Agreements (said excess of clause (x) over clause (y) being hereinafter called the Excess Amount); *provided, however*, that if settlement is also being made on such Closing Date for units of railroad equipment under the Other Agreements, the amount payable pursuant to clause (ii) of this subparagraph (a) shall be that proportion of the Excess Amount which the Invoiced Purchase Prices payable on such Closing Date under this Agreement is of the aggregate of all the Invoiced Purchase Prices payable on such Closing Date under this Agreement and the Other Agreements; and

(b) In 20 consecutive semiannual instalments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment in the Group for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The first instalment of the portion of the Purchase Price of each Group of the Equipment payable pursuant to subparagraph (b) of the preceding paragraph (said portion of the aggregate Purchase Price for all Groups being herein called the Conditional Sale Indebtedness) shall be payable on December 15, 1975, and subsequent instalments shall be payable semiannually thereafter on June 15 and December 15 of each year to and including June 15, 1985 (or if any

such date is not a business day on the next preceding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date in respect of which such Conditional Sale Indebtedness was incurred at the rate of $9\frac{3}{8}\%$ per annum and such interest shall be payable, to the extent accrued, on June 15 and December 15 of each year, commencing December 15, 1970 (or if any such date is not a business day on the next preceding business day). The principal amount of Conditional Sale Indebtedness payable on each of the 20 semiannual Payment Dates shall be calculated on such a basis that the aggregate of the principal and interest payable on each Payment Date shall be substantially equal and such 20 installments of principal and interest will completely amortize the Conditional Sale Indebtedness. The Company will furnish to the Vendor and the Guarantor promptly after each Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Company will pay interest at the rate of $10\frac{1}{4}\%$ per annum upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof, anything herein to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 5 hereof, the Company shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The parties hereto contemplate (subject to the limitations set forth in the first paragraph of this Article 3) that the Company will furnish that portion of the Purchase Price for each Group of the Equipment as is required under subparagraph (a) of the third paragraph of this Article 3 and that an amount equal to the balance of such Purchase Price shall be paid to the Manufacturer by an assignee of the Manufacturer's right, title and interest under this Agreement pursuant to an Agreement and Assignment dated the date hereof between the Manufacturer and Bankers Trust Company, as Agent (such Agreement and Assignment being hereinafter called the Assignment and such assignee being herein called the Assignee or the Vendor as indicated in Article 27 hereof).

It is agreed that the obligation of the Company to pay to the Vendor any amount required to be paid pursuant to subparagraph (a) of the third paragraph of this Article 3 with respect to any Group of the Equipment is specifically subject to the following conditions:

(a) the documents required by Section 5 of the Assignment shall have been delivered as therein indicated;

(b) no event of default of the Guarantor specified herein nor an Event of Default (as defined in the Lease) of the Lessee under the Lease, nor any event which with the lapse of time and/or notice provided for herein or in the Lease would constitute such an event of default or an Event of Default shall have occurred and be continuing;

(c) the Company shall have received (i) the opinions of counsel required by §§ 14 and 15 of the Lease and (ii) such other documents as the Company may reasonably request; and

(d) the Company and the Guarantor shall have entered into the Other Agreements with the respective parties thereto.

ARTICLE 4. *Title to the Equipment.* The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Company shall have made all the payments provided for hereunder and shall have kept and performed all its agreements herein contained, notwithstanding the delivery of the Equipment to and the possession and use thereof by the Company or the Guarantor as herein provided. Any and all additions to the Equipment and any and all replacements of the Equipment and of parts thereof shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 5 hereof, when and only when the Vendor shall have been paid the full amount of the Purchase Price of all the Equipment, together with interest and all other payments as herein provided, and all the Company's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Company, will, at the expense of the Company, execute appropriate instruments confirming such passage to the Company of title to and property in the Equipment free of all liens and encumbrances created or retained hereby and deliver such instruments to the Company at its address specified in Article 23 hereof, and will, at the expense of the Company, execute in the same manner and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or

instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Company to the Equipment, and will pay to the Company any money paid to the Vendor pursuant to Article 5 hereof and not theretofore applied as therein provided.

The Company hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such instruments or to file such certificate within a reasonable time after written demand of the Company.

ARTICLE 5. *Casualty Occurrences.* In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being herein called Casualty Occurrences), the Company shall, within ten days after it shall have determined that such unit has suffered a Casualty Occurrence (or as of such earlier date as the Company may receive notice thereof under the Lease), fully notify the Vendor (or cause the Vendor to be fully notified) in regard thereto. On the interest payment date for payment of interest on the Conditional Sale Indebtedness next succeeding such notice (or in the event such interest payment date shall occur within five days after such notice, on the following interest payment date) the Company shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file with the Vendor a certificate, signed by the President, Vice President or Treasurer of the Company, setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this

paragraph shall be applied to prepay the Conditional Sale Indebtedness of the Group of which such unit was a part and the Company will promptly furnish to the Vendor and the Guarantor a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Vendor may request, calculated as provided in the fourth paragraph of Article 3 hereof, so that the remaining payments will be substantially equal and will fully amortize the unpaid Conditional Sale Indebtedness.

Upon payment by the Company to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Company, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Company, will execute and deliver to the Company, at the expense of the Company, an appropriate instrument confirming such passage to the Company of all the Vendor's right, title and interest in such unit, in recordable form, in order that the Company may make clear upon the public records the title of the Company to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article 5), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of a Group made pursuant to Article 3 hereof shall be deemed to be a payment on each unit of the Equipment in such Group in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Group in which such unit is included.

Although the Guarantor shall not be required to maintain insurance on any unit of the Equipment, the Guarantor agrees that the benefits of any insurance maintained by it upon the units of the Equipment will be made available to the Company and the Vendor, as their interests may appear, to the extent the Guarantor is permitted to do so under such policies of insurance.

ARTICLE 6. *Obligations of Guarantor.* The Guarantor, for value received, hereby unconditionally guarantees to the Vendor by endorsement (through its execution hereof) the due and punctual payment of that portion of the Purchase Price of the Equipment payable pursuant to subparagraph (b) of the third paragraph of Article 3 hereof and interest thereon, and the due and punctual performance of all obligations of the Company under this Agreement and unconditionally guarantees to the Vendor that all sums payable by the Company under this Agreement (except for the sums payable by the Company pursuant to subparagraph (a) of the third paragraph of Article 3 hereof), will be promptly paid when due, together with interest thereon as herein provided, whether at stated maturity or by declaration or otherwise, and in case of default by the Company in any such obligations or payments the Guarantor agrees punctually to perform or pay the same, irrespective of any enforcement against the Company of any of the rights of the Vendor hereunder.

The Guarantor hereby agrees that its obligations hereunder shall be unconditional (and shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever), irrespective of the genuineness, validity, regularity or enforceability of this Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge of a surety or guarantor and irrespective of any other circumstances which might otherwise limit the re-

course of the Vendor to the Company. The Guarantor hereby waives diligence, presentment, demand of payment, protest, any notice of any assignment hereof in whole or in part or of any default hereunder and all notices with respect to this Agreement and all demands whatsoever hereunder. No waiver by the Vendor of any of its rights hereunder and no action by the Vendor to enforce any of its rights hereunder or failure to take, or delay in taking, any such action shall affect the obligations of the Guarantor hereunder.

In the event that the Guarantor shall make any payments to the Vendor on account of its guaranty hereunder, the Guarantor shall, by subrogation, be entitled to the rights of the Vendor against the Company by reason of such payments and with respect to any units of the Equipment to the extent of the amount so paid, but such rights shall be subordinate in all respects to such rights of the Vendor and shall not be exercisable until the Vendor shall have been paid all sums payable under this Agreement (including the payment of the entire unpaid Conditional Sale Indebtedness and interest thereon).

ARTICLE 7. *Maintenance and Repairs.* The Company agrees that, at its own cost and expense, it will maintain and keep each unit of the Equipment in good order and repair.

ARTICLE 8. *Reports and Inspections.* On or before April 15 in each year, commencing with the year 1971, the Company will cause to be furnished to the Vendor, in such number of counterparts as the Vendor may request, an accurate statement as of the preceding December 31 (a) showing the amount, description and numbers of the Equipment then covered hereby, the amount, description and numbers of all units of the Equipment that may have suffered a Casualty Occurrence during the preceding 12

ARTICLE 18. *Remedies.* At any time during a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory requirements of law then in force and applicable to the action to be taken by the Vendor take, or cause to be taken by its agent or agents, immediate possession of the Equipment, or any unit thereof, without liability to return to the Company or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 18 expressly provided, and may remove the same from possession and use of the Company or anyone having such possession and use and for such purpose may enter upon the premises of the Company or the Guarantor or where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Company or the Guarantor, with or without process of law.

In case the Vendor shall rightfully demand possession of the Equipment in pursuance of this Agreement and shall reasonably designate a point or points upon the lines of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points as shall be reasonably designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines of railroad or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same. For such purpose the Guarantor agrees to furnish without charge for rent or storage, the necessary facilities at any reasonably convenient point or points selected by the Vendor. This agreement to deliver the Equipment as hereinbefore provided is of the essence of this Agreement

between the parties, and upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Company and/or the Guarantor requiring specific performance hereof; *provided, however,* that if the Guarantor is in possession of the Equipment, the Vendor shall be entitled to such a decree only against the Guarantor. The Company and the Guarantor hereby expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 18 provided) may, at its election, but only if such election is expressed in writing and notice is given as hereafter in this paragraph provided, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment together with interest thereon accrued and unpaid and all other payments due under this Agreement and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Company and the Guarantor by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment, and no objection is made thereto within the 30-day period described in the second proviso below, all rights of the Company in the Equipment will thereupon terminate and all payments made by the Company or the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however,* that if the Company, before

the expiration of the 30-day period described in the proviso below should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company; and *provided, further, however*, that if the Company or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law.

At any time during the continuance of a Declaration of Default, the Vendor with or without the retaking of possession thereof, at its election and upon reasonable notice to the Company, the Guarantor and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Company, or of any other party (including the Guarantor) claiming by, through or under the Company, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if prior to such sale or prior to the making of a contract for such sale, the Company should tender full payment of the entire indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking, holding and preparing the Equipment for disposition and arrangement for the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the

possession of, title to and property in the Equipment shall pass to and vest in the Company. The proceeds of such sale, or of any lease or other disposition of the Equipment as provided hereunder, less the attorneys' fees and any other expenses incurred by the Vendor in taking possession of, removing, storing and so disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine; *provided, however*, that the Company and the Guarantor shall be given written notice of such sale as provided hereinabove. If such sale shall be a private sale it shall be subject to the right of the Company and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale without accountability to the Company or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 18), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Company hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor, except as such exercise may ex-

pressly be limited herein. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others, except as such exercise may expressly be limited herein. No delay, except where time limits are expressly herein provided, or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein.

All sums of money realized by the Vendor under the remedies herein provided shall be applied, *first* to the payment of the expenses and liabilities of the Vendor herein undertaken to be paid, *second* to the payment of interest on the unpaid Purchase Price of the Equipment accrued and unpaid and *third* to the payment of the unpaid Purchase Price of the Equipment. If, after applying as aforesaid all sums of money realized by the Vendor, there shall remain any amount due to it under the provisions of this Agreement, the Company shall pay the amount of such deficiency to the Vendor upon demand, and, if the Company shall fail to pay the full deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Company and the Guarantor. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Company or, if the Guarantor shall be entitled thereto pursuant to the last paragraph of Article 6 hereof, the Guarantor.

The Company will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including

attorneys' fees and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 18 are subject in all respects to all mandatory requirements of law at the time in force and applicable thereto.

ARTICLE 19. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any state shall as to such state be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any applicable state law may be waived, they are hereby waived by the Company and the Guarantor to the full extent permitted by law, to the end that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Company and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of sale thereof, any other requirements with respect to the enforcement of the Vendor's rights hereunder and any and all rights of redemption.

ARTICLE 20. *Extension not a Waiver.* Any extension of time for payment hereunder or other indulgence duly granted to the Company shall not otherwise alter or affect the Vendor's rights or the obligations of the Company or the Guarantor hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Company's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or defaults therein.

ARTICLE 21. *Recording.* The Company and the Guarantor will cause this Agreement, the first assignment here-

of and any supplements hereto and thereto to be filed, recorded or deposited and refiled, re-recorded or redeposited with the Interstate Commerce Commission and otherwise as may be required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Company and the Guarantor will promptly furnish to the Vendor evidences of such filing, recording or deposit, and an opinion or opinions of counsel with respect thereto, satisfactory to the Vendor. This Agreement shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance of any unit of the Equipment.

ARTICLE 22. *Payment of Expenses.* The Company will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Manufacturer and the Guarantor) incident to the preparation and execution of this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), or any instrument supplemental hereto or thereto, including all fees and expenses of special counsel for the first assignee of this Agreement and of special counsel for the Investor referred to in the Assignments, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purpose of this Article 22, if the first assignee is an agent, then any successor thereto shall be considered the first assignee.

ARTICLE 23. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it at its chief place of business at the following specified addresses:

(a) to the Company, c/o Kuhn, Loeb & Co., 40 Wall Street, New York, N. Y. 10015, attention of Henry Bevers, Esq.,

(b) to the Guarantor, at 114 West Eleventh Street, Kansas City, Missouri 64105, attention of the Executive Vice President,

(c) to the Manufacturer, at the address specified in Item 2 of Annex A hereto,

(d) to any assignee of the Vendor, or of the Company, at such address as may have been furnished in writing to the Company, or the Vendor, as the case may be, and to the Guarantor, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement. The Company represents and warrants that its chief place of business is in the State of New York.

ARTICLE 24. *Immunities.* No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, past, present or future, of the Company, the Guarantor or the Assignee, or the Manufacturer, or against any principal or principals (disclosed or undisclosed) of the Company if the Company is acting in an agency or nominee capacity, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers or principals being forever released as a condition of and as consideration for the execution of this Agreement.

ARTICLE 25. *Effect and Modification of Agreement.* This Agreement, and the annexes relating hereto, exclu-

sively and completely state the rights and agreements of the Vendor, the Company and the Guarantor with respect to the Equipment and supersede all other agreements, oral or written, with respect to the Equipment. No variation of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and duly executed on behalf of the Vendor, the Company and the Guarantor.

ARTICLE 26. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof and of any assignment hereof, as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 27. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the corporation named in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor or assignors as regards any rights hereunder that are retained or excluded from any assignment; and the term "Manufacturer", whenever used in this Agreement, means, both before and after any such assignment, the corporation named in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business.

ARTICLE 28. *Execution.* This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of May 1, 1970, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by their duly authorized officers or officials, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

ARTICLE 18. *Remedies.* At any time during a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory requirements of law then in force and applicable to the action to be taken by the Vendor take, or cause to be taken by its agent or agents, immediate possession of the Equipment, or any unit thereof, without liability to return to the Company or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 18 expressly provided, and may remove the same from possession and use of the Company or anyone having such possession and use and for such purpose may enter upon the premises of the Company or the Guarantor or where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Company or the Guarantor, with or without process of law.

In case the Vendor shall rightfully demand possession of the Equipment in pursuance of this Agreement and shall reasonably designate a point or points upon the lines of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall, at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points as shall be reasonably designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines of railroad or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same. For such purpose the Guarantor agrees to furnish without charge for rent or storage, the necessary facilities at any reasonably convenient point or points selected by the Vendor. This agreement to deliver the Equipment as hereinbefore provided is of the essence of this Agreement

between the parties, and upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Company and/or the Guarantor requiring specific performance hereof; *provided, however,* that if the Guarantor is in possession of the Equipment, the Vendor shall be entitled to such a decree only against the Guarantor. The Company and the Guarantor hereby expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 18 provided) may, at its election, but only if such election is expressed in writing and notice is given as hereafter in this paragraph provided, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment together with interest thereon accrued and unpaid and all other payments due under this Agreement and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Company and the Guarantor by telegram or registered mail, addressed as provided in Article 23 hereof, and to any other persons to whom the law may require notice within 30 days after the entire indebtedness in respect of the Purchase Price of the Equipment shall have been declared immediately due and payable. In the event that the Vendor should elect to retain the Equipment, and no objection is made thereto within the 30-day period described in the second proviso below, all rights of the Company in the Equipment will thereupon terminate and all payments made by the Company or the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however,* that if the Company, before

the expiration of the 30-day period described in the proviso below should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Company; and *provided, further, however*, that if the Company or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law.

At any time during the continuance of a Declaration of Default, the Vendor with or without the retaking of possession thereof, at its election and upon reasonable notice to the Company, the Guarantor and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or any unit thereof, free from any and all claims of the Company, or of any other party (including the Guarantor) claiming by, through or under the Company, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if prior to such sale or prior to the making of a contract for such sale, the Company should tender full payment of the entire indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking, holding and preparing the Equipment for disposition and arrangement for the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the

possession of, title to and property in the Equipment shall pass to and vest in the Company. The proceeds of such sale, or of any lease or other disposition of the Equipment as provided hereunder, less the attorneys' fees and any other expenses incurred by the Vendor in taking possession of, removing, storing and so disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine; *provided, however*, that the Company and the Guarantor shall be given written notice of such sale as provided hereinabove. If such sale shall be a private sale it shall be subject to the right of the Company and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale without accountability to the Company or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 18), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor from the Company hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor, except as such exercise may ex-

pressly be limited herein. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others, except as such exercise may expressly be limited herein. No delay, except where time limits are expressly herein provided, or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein.

All sums of money realized by the Vendor under the remedies herein provided shall be applied, *first* to the payment of the expenses and liabilities of the Vendor herein undertaken to be paid, *second* to the payment of interest on the unpaid Purchase Price of the Equipment accrued and unpaid and *third* to the payment of the unpaid Purchase Price of the Equipment. If, after applying as aforesaid all sums of money realized by the Vendor, there shall remain any amount due to it under the provisions of this Agreement, the Company shall pay the amount of such deficiency to the Vendor upon demand, and, if the Company shall fail to pay the full deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Company and the Guarantor. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Company or, if the Guarantor shall be entitled thereto pursuant to the last paragraph of Article 6 hereof, the Guarantor.

The Company will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including

attorneys' fees and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 18 are subject in all respects to all mandatory requirements of law at the time in force and applicable thereto.

ARTICLE 19. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any state shall as to such state be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any applicable state law may be waived, they are hereby waived by the Company and the Guarantor to the full extent permitted by law, to the end that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Company and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell the Equipment, or any unit thereof, and any other requirements as to the time, place and terms of sale thereof, any other requirements with respect to the enforcement of the Vendor's rights hereunder and any and all rights of redemption.

ARTICLE 20. *Extension not a Waiver.* Any extension of time for payment hereunder or other indulgence duly granted to the Company shall not otherwise alter or affect the Vendor's rights or the obligations of the Company or the Guarantor hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Company's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or defaults therein.

ARTICLE 21. *Recording.* The Company and the Guarantor will cause this Agreement, the first assignment here-

of and any supplements hereto and thereto to be filed, recorded or deposited and refiled, re-recorded or redeposited with the Interstate Commerce Commission and otherwise as may be required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Company and the Guarantor will promptly furnish to the Vendor evidences of such filing, recording or deposit, and an opinion or opinions of counsel with respect thereto, satisfactory to the Vendor. This Agreement shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance of any unit of the Equipment.

ARTICLE 22. *Payment of Expenses.* The Company will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Manufacturer and the Guarantor) incident to the preparation and execution of this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), or any instrument supplemental hereto or thereto, including all fees and expenses of special counsel for the first assignee of this Agreement and of special counsel for the Investor referred to in the Assignments, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. For the purpose of this Article 22, if the first assignee is an agent, then any successor thereto shall be considered the first assignee.

ARTICLE 23. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it at its chief place of business at the following specified addresses:

(a) to the Company, c/o Kuhn, Loeb & Co., 40 Wall Street, New York, N. Y. 10015, attention of Henry Bevers, Esq.,

(b) to the Guarantor, at 114 West Eleventh Street, Kansas City, Missouri 64105, attention of the Executive Vice President,

(c) to the Manufacturer, at the address specified in Item 2 of Annex A hereto,

(d) to any assignee of the Vendor, or of the Company, at such address as may have been furnished in writing to the Company, or the Vendor, as the case may be, and to the Guarantor, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement. The Company represents and warrants that its chief place of business is in the State of New York.

ARTICLE 24. *Immunities.* No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, past, present or future, of the Company, the Guarantor or the Assignee, or the Manufacturer, or against any principal or principals (disclosed or undisclosed) of the Company if the Company is acting in an agency or nominee capacity, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers or principals being forever released as a condition of and as consideration for the execution of this Agreement.

ARTICLE 25. *Effect and Modification of Agreement.* This Agreement, and the annexes relating hereto, exclu-

sively and completely state the rights and agreements of the Vendor, the Company and the Guarantor with respect to the Equipment and supersede all other agreements, oral or written, with respect to the Equipment. No variation of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and duly executed on behalf of the Vendor, the Company and the Guarantor.

ARTICLE 26. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof and of any assignment hereof, as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 27. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the corporation named in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor or assignors as regards any rights hereunder that are retained or excluded from any assignment; and the term "Manufacturer", whenever used in this Agreement, means, both before and after any such assignment, the corporation named in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business.

ARTICLE 28. *Execution.* This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of May 1, 1970, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by their duly authorized officers or officials, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

LEASE OF RAILROAD EQUIPMENT

by and between

VINEYARD CAR CORPORATION

and

**THE KANSAS CITY SOUTHERN RAILWAY
COMPANY**

Dated as of May 1, 1970

LEASE OF RAILROAD EQUIPMENT, dated as of May 1, 1970, between VINEYARD CAR CORPORATION, a New York corporation (hereinafter called the Lessor), and THE KANSAS CITY SOUTHERN RAILWAY COMPANY, a Missouri corporation (hereinafter called the Lessee).

WHEREAS, the Lessor and the Lessee are entering into three Conditional Sale Agreements each dated as of May 1, 1970 (hereinafter individually called a Conditional Sale Agreement and together called the Conditional Sale Agreements), with GENERAL MOTORS CORPORATION (Electro-Motive Division), THRALL CAR MANUFACTURING COMPANY and THE DARBY PRODUCTS OF STEEL PLATE CORPORATION, respectively (hereinafter individually called a Manufacturer and together the Manufacturers), wherein the Manufacturers have agreed to manufacture, sell and deliver to the Lessor the railroad equipment described in Schedule A hereto;

WHEREAS, the Manufacturers have assigned or will assign their respective interests in the Conditional Sale Agreements to BANKERS TRUST COMPANY, as Agent (hereinafter, together with its successors and assigns, referred to as the Vendor); and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number as are delivered and accepted and settled for under the Conditional Sale Agreements on or prior to December 15, 1970 (hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided;

of, any past, present or future claims of the Lessee against the Lessor under this Lease or the Manufacturers or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to, or loss of possession or loss of use of, or destruction of, all or any of the Units from whatsoever cause, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, or lack of right, power or authority of the Lessor to enter into this lease, or by reason of any failure by the Lessor to perform any of its obligations herein contained, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

§ 3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§ 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, or under a Conditional Sale Agreement, are subject to the rights of the Vendor under the Conditional Sale Agreements. If an event of default should occur under a Condi-

tional Sale Agreement, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not in default under this Lease or under a Conditional Sale Agreement in its capacity as guarantor or otherwise. If a Declaration of Default (as defined in the Conditional Sale Agreements) should be made under a Conditional Sale Agreement due to an event of default not occasioned by an act or omission of the Lessee hereunder, and if such Declaration of Default shall not have been rescinded by the Vendor within 30 days of the making thereof, or if the Vendor theretofore has indicated either in writing to the Lessor or the Lessee or by the commencement of the remedies specified under Article 18 of such Conditional Sale Agreement that it will not rescind such Declaration of Default, the Lessee, without penalty, may terminate this Lease but such termination shall not affect or alter any obligation of the Lessee under the Conditional Sale Agreements in its capacity as Guarantor or otherwise.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Annex B to the appropriate Conditional Sale Agreement and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the following words:

“BANKERS TRUST COMPANY,
NEW YORK, NEW YORK, AGENT-OWNER”

or other appropriate words designated by the Lessor or the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor or the Vendor to such Unit and the rights of the Lessor under this Lease and of the Vendor under the Conditional Sale Agreements. The Lessee will not place any such Unit in operation or exercise

any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor by the Lessee and filed, recorded or deposited in all public offices where the Conditional Sale Agreements and this Lease shall have been filed, recorded or deposited.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may cause the Units to be lettered "Kansas City Southern," "KCS" or with the name of any affiliate of the Lessee or to bear other names, initials or insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state or federal, Canadian (Dominion or Provincial) or Mexican taxes (other than any federal, Canadian [Dominion or Provincial] or Mexican income tax [to the extent that the Lessor receives credit therefor against its United States federal income tax liability] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be

payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments or license fees and any charges, fines or penalties in connection therewith (hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Conditional Sale Agreements, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Conditional Sale Agreements. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Manufacturer or the Vendor or otherwise pursuant to Article 10 of the Conditional Sale Agreements not covered by the foregoing paragraph of this § 5, the Lessee shall pay such additional amounts (which

shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 10.

In the event any reports with respect to impositions are required to be made on the basis of individual Units, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this § 5, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 6. *Payment for Casualty Occurrences.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease or any extended term thereof, the Lessee shall, within ten days after it shall have been determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice (or in the event such rental payment date shall occur within five days after such notice, on the following rental payment date) the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to

accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and the Lessor shall be entitled to recover possession of such Unit.

The Casualty Value of each Unit as of any rental payment date shall be that percentage of the Purchase Price of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

<u>Payment No.</u>	<u>Percentage</u>	<u>Payment No.</u>	<u>Percentage</u>
1	100 %	16	100 %

Except as hereinabove in this § 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

§ 7. *Annual Reports.* On or before April 15, in each year, commencing with the year 1971, the Lessee will cause to be furnished to the Lessor and the Vendor, in such number of counterparts as the Lessor or Vendor may request, an accurate statement, as of the preceding December 31, (a)

showing the amount, description and numbers of the Units then leased hereunder and covered by the Conditional Sale Agreements, the amount, description and numbers of all Units that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such statement) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the markings required by § 4 hereof and Article 9 of the Conditional Sale Agreements shall have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto, at such times as shall reasonably be necessary to confirm to the Lessor the existence and proper maintenance of the Units during the continuance of this Lease.

§8. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification.* **The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof,** it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have, as vendee, under the provisions

of Articles 14 and 15 and Annex A of the Conditional Sale Agreements. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee and the Lessor that all Units described in the Certificate of Delivery are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects with all laws of the jurisdictions in which the Units may be operated, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units to the extent such laws and rules affect the operation or use of the Units. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and the Lessee agrees at its own expense to use, maintain and operate such Unit in full compliance with such laws, regulations, requirements and rules so long as it is subject to this Lease; *provided, however*, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor hereunder or under the Conditional Sale Agreements.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit shall be considered accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free of any lien, charge, security interest or encumbrance (except for those created by the Conditional Sale Agreements) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify and save harmless the Lessor and the Vendor against any charge or claim made against the Lessor or the Vendor, and against any expense, loss or liability (including but not limited to counsel fees and expenses, patent liabilities, penalties and interest) which the Lessor or the Vendor may incur in any manner by reason of entering into or the performance of the Conditional Sale Agreements or this Lease or by reason of the ownership of any Unit, or which may arise in any manner out of, or as the result of, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit under this Lease, except as otherwise provided in Articles 15 and 22 of the Conditional Sale Agreements and § 16 of this Lease. The Lessee further agrees to indemnify and save harmless the Lessor and the Vendor against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any Unit resulting in damage to property or injury or death to any person. The indemnities arising under this paragraph shall survive payment of all other obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing

(or, to the extent permissible, file on behalf of the Lessor) any and all reports to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 9. *Default.* If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in §§ 2 or 12 hereof and such default shall continue for five days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in any of the Conditional Sale Agreements and such default shall continue for 30 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. any proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Conditional Sale Agreements), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this

Lease and under the Conditional Sale Agreements shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceeding shall have been commenced, whichever shall be earlier; or

E. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Conditional Sale Agreements and this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of

the Units shall absolutely cease and determine as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of the Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor

shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States of America or any political subdivision hereof, calculated on the assumption that the Lessor's Federal, state and local taxes computed by reference to net income or excess profits are based on a 70% effective Federal tax rate and the highest effective state and local income tax and/or excess profits tax rates generally applicable to or imposed upon individuals, including therein the effect of any applicable surtax, surcharge and/or other tax or charge related thereto, and deducting from any such Federal tax 70% of the amount of any such state and local tax (such rates as so calculated being hereinafter in this Agreement called the Assumed Rates), shall be equal to such sum as, in the reasonable opinion of the Lessor, will cause the Lessor's net return (taxes being calculated at the Assumed Rates) under this Lease to be equal to the net return (taxes being calculated at the Assumed Rates) that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the Rapid Amortization Deduction (as hereinafter defined) which was lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit as a result of the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default.

Anything in this § 9 to the contrary notwithstanding, any default in the observance or performance of any cove-

nant, condition or agreement on the part of the Lessee which results solely in the loss by the Lessor of, or the loss by the Lessor of the right to claim, or the disallowance with respect to the Lessor of, or the recapture of, all or any portion of the amortization deduction with respect to a Unit provided for in Section 184 of the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Rapid Amortization Deduction), available to non-railroad lessors of railroad equipment shall be for all purposes of this Lease deemed to be cured if the Lessee shall, on or before the next rental payment date after written notice from the Lessor of the loss, or the loss of the right to claim, or the disallowance of or the recapture of the Rapid Amortization Deduction in respect of such Unit, agree to pay to the Lessor the revised rental rate in respect of such Unit determined as provided in the fourth paragraph of § 15 hereof.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 10. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor, and

C. transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any pro-

spective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 11. *Assignment; Possession and Use.* Subject to the obligations of the Lessor to the Vendor under the Conditional Sale Agreements as set forth in the second paragraph of § 2, this Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 2, 5, 6, 9 and 15) shall inure to the benefit of the Lessor's assigns (including the partners of any such assignee if such assignee is a partnership). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Conditional Sale Agreements in the capacity as guarantor or otherwise the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Conditional Sale Agreements, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. In addition, the Lessee, at its own expense will promptly cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims

against the Lessor or the Vendor not related to the ownership of the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease or under the Conditional Sale Agreements in its capacity as guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or upon lines of railroad over which the Lessee has trackage or other operating rights or over which railroad equipment of the Lessee is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this § 11, and the Conditional Sale Agreements. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Conditional Sale Agreements) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety.

The Lessee agrees that during the term of this Lease, it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America.

§ 12. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may:

(i) with respect to Units which are locomotives, by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease in respect of such Units, elect to purchase all, but not fewer than all, such Units covered by this Lease at the end of such term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term; and

(ii) with respect to Units which are not locomotives, by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease or any extended term hereof, as the case may be, elect (a) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for additional five-year periods commencing on the scheduled expiration of the original term or extended term of this Lease, as the case may be, provided that no such extended term shall extend beyond December 15, 2000, at a rental payable in 10 semiannual payments, each in an amount equal to the following percentages of the Purchase Price of such Unit: during the first five-year period, 2.7785%; during the second five-year period, 1.8520%; and during the final five-year period, 1.3895%; such semiannual payments to be made on the business day next preceding December 15 and June 15 in each year of the applicable extended term

the Conditional Sale Agreement or relieve the Company or the Guarantor from their respective obligations to the Manufacturer contained or referred to in Articles 1, 2, 3, 6, 10, 14, and 15 or Annex A of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment pursuant to the provisions of Article 16 of the Conditional Sale Agreement, all obligations of the Manufacturer to the Company with respect to the Equipment shall be and remain enforceable by the Company, its successors and assigns, against and only against the Manufacturer. In furtherance of the foregoing assignment and transfer, the Manufacturer hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for the Manufacturer, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled to under this Assignment and compliance by the Company and the Guarantor with the terms and agreements on their parts to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 2. The Manufacturer covenants and agrees that it will construct and deliver the Equipment to the Company in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each and all of the covenants and conditions of the Conditional Sale Agreement to be performed and complied with by the Manufacturer. The Manufacturer further covenants and agrees with, and warrants to, the Assignee and the Company that at the time of delivery of each unit of the Equipment to the Company under the Conditional Sale Agreement it will have legal title to such unit and good and lawful right to

sell such unit, free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement), and that the obligation of the Company to pay the Purchase Price of such unit and interest thereon in accordance with the terms of the Conditional Sale Agreement will not be subject to any defense, setoff or counterclaim whatsoever; and the Manufacturer further covenants and agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to said delivery of such unit by the Manufacturer to the Company; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Company thereunder. The Manufacturer will not deliver any of the Equipment to the Company under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act.

The Manufacturer agrees that in any suit or proceeding brought by the Assignee to collect any instalment of the indebtedness in respect of the Purchase Price of the Equipment, or interest thereon or any other payment due under the Conditional Sale Agreement, or to enforce any provision of the Conditional Sale Agreement, the Manufacturer will indemnify and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff or counterclaim whatsoever of the Company or the Guarantor arising out of the breach by the Manufacturer of any obligation with respect to the Equipment or the construction, delivery or warranty thereof, or under Articles 14 and 15 (as modified by any Additional Agreement relating to such Article 15 set forth in Annex A to the Conditional Sale Agreement) of, or in Item 3 of Annex A to, the Conditional Sale Agreement, or by

reason of any defense, setoff or counterclaim whatsoever arising by reason of any other liability at any time of the Manufacturer to the Company or the Guarantor. The Assignee will give notice to the Manufacturer of any suit or proceeding by the Assignee herein described, and will move or take other appropriate action, on the basis of Article 16 of the Conditional Sale Agreement, to strike any defense, setoff or counterclaim asserted by the Company or the Guarantor therein, and if the court or other body having jurisdiction in such suit or proceeding denies such motion or other action and accepts such defense, setoff or counterclaim as a triable issue in such suit or proceeding, the Assignee will notify the Manufacturer thereof and the Manufacturer will thereafter be given the right by the Assignee, at the Manufacturer's expense, to settle or defend such defense, setoff or counterclaim.

Except as set forth in any Additional Agreements set forth in Annex A to the Conditional Sale Agreement and except in cases of designs, processes or combinations specified by the Guarantor and not developed or purported to be developed by the Manufacturer, and articles and materials specified by the Guarantor and not manufactured by the Manufacturer, the Manufacturer agrees to indemnify, protect and hold harmless the Assignee from, and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use of any design, process, combination, article or material infringing or claimed to infringe on any patent or other right in or about the construction or operation of the Equipment, or any unit thereof.

The Manufacturer agrees that any amount payable to it by the Company or the Guarantor, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any claim,

lien, security interest or other encumbrance on any units of the Equipment in respect of which the Assignee pays to the Manufacturer the amount to be paid under Section 5 hereof.

SECTION 3. The Manufacturer will cause to be plainly, distinctly, permanently and conspicuously marked on each side of each unit of the Equipment, at the time of delivery thereof to the Company, in letters not less than one inch in height, the following legend:

“BANKERS TRUST COMPANY,
NEW YORK, NEW YORK, AGENT-OWNER”.

SECTION 4. Upon request of the Assignee, its successors and assigns, the Manufacturer will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Manufacturer therein or in the Equipment.

SECTION 5. The Assignee, on each Closing Date fixed as provided in Article 3 of the Conditional Sale Agreement with respect to a Group (as defined in said Article 3) of the Equipment, shall pay to the Manufacturer an amount equal to that portion of the Purchase Price (as defined in said Article 3) of such Group not required to be paid pursuant to subparagraph (a) of the third paragraph of said Article 3, provided that there shall have been delivered to the Assignee (with a signed counterpart to the Company) the following documents, in such number of counterparts or copies as may reasonably be requested, in form and substance satisfactory to it and to its special counsel hereinafter mentioned:

(a) Bill of Sale from the Manufacturer to the Assignee, confirming the transfer to the Assignee of

security title to the units of the Equipment in the Group and warranting to the Assignee and to the Company that at the time of delivery to the Company under the Conditional Sale Agreement the Manufacturer had legal title to such units and good and lawful right to sell such units and title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease;

(b) Certificate or Certificates of Acceptance with respect to the units of Equipment in the Group as contemplated by Article 2 of the Conditional Sale Agreement and the Certificate or Certificates of Delivery pursuant to § 1 of the Lease;

(e) Opinion dated such Closing Date of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee, addressed to the Assignee and the Investor under the Finance Agreement, stating that (i) the Finance Agreement has been duly authorized, executed and delivered by the Guarantor and is a valid instrument binding on the Guarantor, (ii) the Conditional Sale Agreement has been duly authorized, exe-

cuted and delivered by the respective parties thereto and is a valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties hereto and is a valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers, privileges and remedies purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment in the Group is validly vested in the Assignee and such units, at the time of delivery thereof to the Company under the Conditional Sale Agreement, were free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this Assignment, or if any approval is necessary it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America, and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended;

(f) Opinion dated such Closing Date of counsel for the Company, addressed to the Assignee, stating that

(i) the Company is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered on behalf of the Company and are valid and binding instruments enforceable against the Company in accordance with their terms;

(h) Opinion dated such Closing Date of counsel for the Manufacturer addressed to the Assignee and the Company, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Manufacturer is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement and this Assignment have been duly authorized, executed and delivered by the Manufacturer and (assuming due authorization, execution and delivery of

the Conditional Sale Agreement by the Company and the Guarantor and of this Assignment by the Assignee) are valid instruments binding upon the Manufacturer and enforceable against the Manufacturer in accordance with their terms; and

(i) Unless payment of the amount payable pursuant to subparagraph (a) of the third paragraph of Article 3 of the Conditional Sale Agreement shall be made by the Assignee with funds furnished to it for that purpose by the Company, a receipt from the Manufacturer for such payment.

In giving the opinions specified in this Section 5, counsel may qualify any opinion to the effect that any agreement is a valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in subparagraphs (e), (f) and (g) of the first paragraph of this Section 5, counsel may in fact rely as to the title to the units at the time of delivery to the Company upon the opinion of counsel for the Manufacturer. In giving the opinions specified in subparagraphs (e) and (f) of the first paragraph of this Section 5, Messrs. Cravath, Swaine & Moore and counsel for the Company may in fact rely, as to any matters governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Manufacturer or the Guarantor as to such matters.

The obligation of the Assignee hereunder to make payment for any group of the Equipment is hereby expressly conditioned upon the prior receipt by the Assignee, pursuant to the Finance Agreement, of all the funds to be

furnished to the Assignee by the Investor named in the Finance Agreement and upon payment by the Company of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 3 of the Conditional Sale Agreement.

The Assignee shall not be obligated to make any of the above-mentioned payments at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement will constitute an event of default, shall be subsisting under the Conditional Sale Agreement.

In the event that the Assignee shall not make any payment to be made by it as herein provided, the Assignee shall reassign to the Manufacturer, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which such payment has not been made by the Assignee.

SECTION 6. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Company or the Guarantor thereunder. In the event of any such assignment any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 16 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 7. The Manufacturer hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agreement was duly authorized and lawfully executed and delivered by it for a valid consideration, that (assuming due authorization, execution and delivery by the Company and

the Guarantor) it is a valid and existing agreement binding upon the Manufacturer; and

(b) covenants and agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary or appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended to to be.

SECTION 8. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however*, that the parties shall be entitled to all the rights conferred by Section 20c of the Interstate Commerce Act, such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited, or in which any unit of the Equipment shall be located, and any rights arising out of the marking on the units of the Equipment.

SECTION 9. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although this Assignment is dated as of May 1, 1970, for convenience only, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

AGREEMENT AND ASSIGNMENT

Dated as of May 1, 1970

between

**THE DARBY PRODUCTS OF STEEL
PLATE CORPORATION**

and

**BANKERS TRUST COMPANY,
as Agent**

AGREEMENT AND ASSIGNMENT dated as of May 1, 1970, between the corporation first named following the testimonium below (hereinafter called the Manufacturer) and BANKERS TRUST COMPANY, with offices at One Battery Park Plaza, New York, New York 10015, acting as Agent under an Agreement dated as of May 1, 1970 (hereinafter called the Finance Agreement), said Trust Company, so acting, being hereinafter called the Assignee.

WHEREAS, the Manufacturer, VINEYARD CAR CORPORATION (hereinafter called the Company), and THE KANSAS CITY SOUTHERN RAILWAY COMPANY (hereinafter called the Guarantor) have entered into a Conditional Sale Agreement dated as of May 1, 1970 (hereinafter called the Conditional Sale Agreement), covering the construction, sale and delivery, on the conditions therein set forth, by the Manufacturer and the purchase by the Company of the railroad equipment described in Annex B to the Conditional Sale Agreement (said equipment being hereinafter called the Equipment);

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (hereinafter called this Assignment) WITNESSETH: That, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by the Assignee to the Manufacturer, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained:

SECTION 1. The Manufacturer hereby assigns, transfers, and sets over unto the Assignee, its successors and assigns:

(a) All the right, title and interest of the Manufacturer in and to each unit of the Equipment when and as delivered to and accepted by the Company;

(b) All the right, title and interest of the Manufacturer in and to the Conditional Sale Agreement (except the right to construct and deliver the Equipment and the right to receive the payments specified in the third paragraph of Article 2 thereof, in the first paragraph and in subparagraph (a) of the third paragraph of Article 3 thereof, in the last paragraph of Article 16 thereof and reimbursement for taxes paid or incurred by the Manufacturer), and, except as aforesaid, in and to any and all amounts which may be or become due or owing to the Manufacturer under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Company or the Guarantor under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) Except as limited by subparagraph (b) of this paragraph, all the Manufacturer's rights, titles, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse, however, against the Manufacturer for or on account of the failure of the Company or the Guarantor to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; *provided, however*, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Manufacturer to construct and deliver the Equipment in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements contained in Articles 14 and 15 (as modified by any Additional Agreement relating to such Article 15 set forth in Annex A to the Conditional Sale Agreement) of, or in Item 3 of Annex A to,

the Conditional Sale Agreement or relieve the Company or the Guarantor from their respective obligations to the Manufacturer contained or referred to in Articles 1, 2, 3, 6, 10, 14, and 15 or Annex A of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment pursuant to the provisions of Article 16 of the Conditional Sale Agreement, all obligations of the Manufacturer to the Company with respect to the Equipment shall be and remain enforceable by the Company, its successors and assigns, against and only against the Manufacturer. In furtherance of the foregoing assignment and transfer, the Manufacturer hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for the Manufacturer, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled to under this Assignment and compliance by the Company and the Guarantor with the terms and agreements on their parts to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 2. The Manufacturer covenants and agrees that it will construct and deliver the Equipment to the Company in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each and all of the covenants and conditions of the Conditional Sale Agreement to be performed and complied with by the Manufacturer. The Manufacturer further covenants and agrees with, and warrants to, the Assignee and the Company that at the time of delivery of each unit of the Equipment to the Company under the Conditional Sale Agreement it will have legal title to such unit and good and lawful right to

sell such unit, free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement), and that the obligation of the Company to pay the Purchase Price of such unit and interest thereon in accordance with the terms of the Conditional Sale Agreement will not be subject to any defense, setoff or counterclaim whatsoever; and the Manufacturer further covenants and agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to said delivery of such unit by the Manufacturer to the Company; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Company thereunder. The Manufacturer will not deliver any of the Equipment to the Company under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act.

The Manufacturer agrees that in any suit or proceeding brought by the Assignee to collect any instalment of the indebtedness in respect of the Purchase Price of the Equipment, or interest thereon or any other payment due under the Conditional Sale Agreement, or to enforce any provision of the Conditional Sale Agreement, the Manufacturer will indemnify and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff or counterclaim whatsoever of the Company or the Guarantor arising out of the breach by the Manufacturer of any obligation with respect to the Equipment or the construction, delivery or warranty thereof, or under Articles 14 and 15 (as modified by any Additional Agreement relating to such Article 15 set forth in Annex A to the Conditional Sale Agreement) of, or in Item 3 of Annex A to, the Conditional Sale Agreement, or by

reason of any defense, setoff or counterclaim whatsoever arising by reason of any other liability at any time of the Manufacturer to the Company or the Guarantor. The Assignee will give notice to the Manufacturer of any suit or proceeding by the Assignee herein described, and will move or take other appropriate action, on the basis of Article 16 of the Conditional Sale Agreement, to strike any defense, setoff or counterclaim asserted by the Company or the Guarantor therein, and if the court or other body having jurisdiction in such suit or proceeding denies such motion or other action and accepts such defense, setoff or counterclaim as a triable issue in such suit or proceeding, the Assignee will notify the Manufacturer thereof and the Manufacturer will thereafter be given the right by the Assignee, at the Manufacturer's expense, to settle or defend such defense, setoff or counterclaim.

Except as set forth in any Additional Agreements set forth in Annex A to the Conditional Sale Agreement and except in cases of designs, processes or combinations specified by the Guarantor and not developed or purported to be developed by the Manufacturer, and articles and materials specified by the Guarantor and not manufactured by the Manufacturer, the Manufacturer agrees to indemnify, protect and hold harmless the Assignee from, and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use of any design, process, combination, article or material infringing or claimed to infringe on any patent or other right in or about the construction or operation of the Equipment, or any unit thereof.

The Manufacturer agrees that any amount payable to it by the Company or the Guarantor, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any claim,

lien, security interest or other encumbrance on any units of the Equipment in respect of which the Assignee pays to the Manufacturer the amount to be paid under Section 5 hereof.

SECTION 3. The Manufacturer will cause to be plainly, distinctly, permanently and conspicuously marked on each side of each unit of the Equipment, at the time of delivery thereof to the Company, in letters not less than one inch in height, the following legend:

“BANKERS TRUST COMPANY,
NEW YORK, NEW YORK, AGENT-OWNER”.

SECTION 4. Upon request of the Assignee, its successors and assigns, the Manufacturer will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Manufacturer therein or in the Equipment.

SECTION 5. The Assignee, on each Closing Date fixed as provided in Article 3 of the Conditional Sale Agreement with respect to a Group (as defined in said Article 3) of the Equipment, shall pay to the Manufacturer an amount equal to that portion of the Purchase Price (as defined in said Article 3) of such Group not required to be paid pursuant to subparagraph (a) of the third paragraph of said Article 3, provided that there shall have been delivered to the Assignee (with a signed counterpart to the Company) the following documents, in such number of counterparts or copies as may reasonably be requested, in form and substance satisfactory to it and to its special counsel hereinafter mentioned:

(a) Bill of Sale from the Manufacturer to the Assignee, confirming the transfer to the Assignee of

security title to the units of the Equipment in the Group and warranting to the Assignee and to the Company that at the time of delivery to the Company under the Conditional Sale Agreement the Manufacturer had legal title to such units and good and lawful right to sell such units and title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Company under the Conditional Sale Agreement and the rights of the Guarantor under the Lease;

(b) Certificate or Certificates of Acceptance with respect to the units of Equipment in the Group as contemplated by Article 2 of the Conditional Sale Agreement and the Certificate or Certificates of Delivery pursuant to § 1 of the Lease;

(f) Opinion dated such Closing Date of counsel for the Company, addressed to the Assignee, stating that

(i) the Company is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered on behalf of the Company and are valid and binding instruments enforceable against the Company in accordance with their terms;

(g) Opinion dated such Closing Date of counsel for the Guarantor, addressed to the Assignee and the Company, to the effect set forth in clauses (i), (v), (vi) and (vii) of subparagraph (e) above and stating that (i) the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered on behalf of the Guarantor and are valid and binding instruments enforceable against the Guarantor in accordance with their terms;

(h) Opinion dated such Closing Date of counsel for the Manufacturer addressed to the Assignee and the Company, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Manufacturer is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation, and has the power and authority to own its properties and to carry on its business as now conducted, and (ii) the Conditional Sale Agreement and this Assignment have been duly authorized, executed and delivered by the Manufacturer and (assuming due authorization, execution and delivery of

the Conditional Sale Agreement by the Company and the Guarantor and of this Assignment by the Assignee) are valid instruments binding upon the Manufacturer and enforceable against the Manufacturer in accordance with their terms; and

(i) Unless payment of the amount payable pursuant to subparagraph (a) of the third paragraph of Article 3 of the Conditional Sale Agreement shall be made by the Assignee with funds furnished to it for that purpose by the Company, a receipt from the Manufacturer for such payment.

In giving the opinions specified in this Section 5, counsel may qualify any opinion to the effect that any agreement is a valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in subparagraphs (e), (f) and (g) of the first paragraph of this Section 5, counsel may in fact rely as to the title to the units at the time of delivery to the Company upon the opinion of counsel for the Manufacturer. In giving the opinions specified in subparagraphs (e) and (f) of the first paragraph of this Section 5, Messrs. Cravath, Swaine & Moore and counsel for the Company may in fact rely, as to any matters governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Manufacturer or the Guarantor as to such matters.

The obligation of the Assignee hereunder to make payment for any group of the Equipment is hereby expressly conditioned upon the prior receipt by the Assignee, pursuant to the Finance Agreement, of all the funds to be

furnished to the Assignee by the Investor named in the Finance Agreement and upon payment by the Company of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 3 of the Conditional Sale Agreement.

The Assignee shall not be obligated to make any of the above-mentioned payments at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement will constitute an event of default, shall be subsisting under the Conditional Sale Agreement.

In the event that the Assignee shall not make any payment to be made by it as herein provided, the Assignee shall reassign to the Manufacturer, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which such payment has not been made by the Assignee.

SECTION 6. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Company or the Guarantor thereunder. In the event of any such assignment any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 16 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 7. The Manufacturer hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agreement was duly authorized and lawfully executed and delivered by it for a valid consideration, that (assuming due authorization, execution and delivery by the Company and

the Guarantor) it is a valid and existing agreement binding upon the Manufacturer; and

(b) covenants and agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary or appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended to to be.

Although this Assignment is dated as of May 1, 1970, for convenience only, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
