ARTICLE TWO

PROVISIONS OF GENERAL APPLICATION

SECTION 2.1. *Form of Certification.*

A. In any case where several matters are required by this Indenture to be certified by, or covered by an opinion of, any specified person, it is not necessary that all such matters be certified by, or covered by the opinion of only one such person, or that they be so certified or covered by only one document, but one

such person may certify or give an opinion with respect to some matters and one or more other such persons as to other matters, and any such person may certify or give an opinion as to such matters in one or several documents.

B. Where any person or persons are required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, any such applications, requests, consents, certificates, statements, opinions or other instruments may, but need not, be consolidated and form one instrument.

SECTION 2.2. *Acts of Noteholders.*

A. Any request, demand, direction, consent, notice, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or any number of concurrent written instruments of substantially similar tenor signed by such Noteholders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee. Such written instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments.

B. The ownership of Notes shall be proved by the note register as described in Section 3.4.

C. Any request, demand, direction, consent, notice, waiver or other action by the holder of any Note shall bind every future holder of the same Note and the holder of every Note issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Company in pursuance of such request, demand, direction, consent, notice, waiver or other action.

SECTION 2.3. *Notices in General.* Any request, demand, direction, consent, notice, waiver, Act of Noteholders, or other docu-

ment in respect of the Notes or this Indenture to be given or furnished to or filed with:

(i) The Trustee, shall be sufficient for every purpose hereunder if given, furnished or filed in writing to or with the Trustee at its principal office;

(ii) The Company, shall be sufficient for every purpose hereunder if given, furnished or filed in writing with the Company at its principal office; or

(iii) Any Noteholder, shall be sufficient for every purpose hereunder if given, furnished or filed in writing by registered mail to the registered owners at their respective address shown upon the note register.

Promptly upon receipt of any of the foregoing by the Trustee, the Trustee shall furnish a copy thereof to Company and to any person at the time holding any of the Notes then outstanding except that in the case of Acts of Noteholders, the Trustee may furnish a statement as to the substance thereof instead of copies and need furnish such statement in each case only to Noteholders not joining in such particular Act.

SECTION 2.4. *Waiver of Notice.* Where notice in any manner is provided for by this Indenture, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be deemed the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 2.5. *Effect of Documents Filed.* Any request, certificate, report or other document or notice required or permitted by this Indenture to be delivered to the Trustee as a condition of the granting of any request or as evidence of compliance with stated requirements may be received by the Trustee as conclusive evidence of any statement therein contained and shall be full warrant, authority and protection to the Trustee acting on the faith thereof.

ARTICLE THREE

THE NOTES

SECTION 3.1. *Title and Terms—Required Prepayment.*

A. The aggregate principal amount of the Notes which may be issued and authenticated under this Indenture is limited to One Million Five Hundred Thousand Dollars (\$1,500,000) except for Notes issued and authenticated in exchange for or in lieu of other Notes as provided in Sections 3.4 and 3.8. The Notes shall be known and designated as the "9% Equipment Promissory Notes, Issue H" of the Company. Their stated maturity shall be a date eight (8) years after the date of issue and shall bear interest at the rate of 9% per annum. Notes shall be issued to the Investor on the Closing Date. The Notes shall be payable in thirty-two quarterly installments, including both principal and interest, each installment to be \$66,261.23 in aggregate amount payable first as to interest on the outstanding principal balance and then the remainder to principal.

B. The Company agrees that it will pay over to the Trustee all moneys paid to it pursuant to a Lease as settlements for loss, destruction or damage beyond repair of any Equipment when the aggregate amount of the moneys received from such settlements exceeds \$50,000 and the Trustee will apply same pro rata on the next succeeding principal installment payment date to the prepayment of principal of the Notes, provided, however, that the Company shall not be required to pay over any such monies to the Trustee if the Company elects to and does replace such Equipment as provided in Section 4.2 hereof. All settlement moneys held by the Company prior to the time the aggregate amount of such moneys exceeds \$50,000 shall be segregated by the Company and held in trust for the account of the Trustee and shall be paid to the Trustee upon written demand thereof. Such prepayment of principal shall be applied in inverse order of principal installments becoming due on the Notes. Upon receipt of any monies as above provided, the Trustee shall give Notice

of the prepayment to the Noteholders and issue new Notes in exchange for the outstanding Notes when same are presented in order to receive such payment. The Company shall furnish the Trustee the amount of the quarterly principal and interest installment to be paid on each Note after such prepayment and a schedule showing the amount of each such installment applicable to interest and principal, respectively. The Company shall promptly transmit to the Trustee any notice or information it receives concerning loss, theft, destruction or damage to Equipment requiring settlement payments under a Lease.

C. Except as otherwise provided in this Article Three Notes need not be presented in order to receive any payment due or prepayment required thereon, so long as a Note is registered in the name of the Original Holder thereof. Notwithstanding any provision to the contrary herein or in the Notes with respect to place of payment, payments shall be made to the Original Holder of Notes at the address specified in the first paragraph of this Indenture or in accordance with any unrevoked written direction from the Investor to the Company and the Trustee. The Trustee and the Company shall be fully protected against and shall have no liability under any claim of wrongful payment or nonpayment by a Holder if such payments have been directed to the Original Holder as above provided unless and until (i) such Note is transferred, (ii) the transferee thereof has a new Note issued in its name, and (iii) the Trustee and the Company are notified thereof in writing. All Notes registered in the name of a Person other than the Original Holder shall be presented to the Trustee in order to receive any payments thereon and the Trustee shall at such time record the payments being made as well as all prior payments made but not recorded on the Notes.

SECTION 3.2. *Form of Notes-Denominations.* The Notes shall be in substantially the form and text attached hereto as Exhibit "D" with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture. The Notes shall be payable to the order of the Investor

(or to the order of such nominee or nominees of the Investor as it may specify by written notice delivered to the Company not less than three (3) business days prior to the Closing Date) as one Registered Note. Except as provided in Section 3.1 B hereof, there shall be no prepayment of any installment due on the Notes.

SECTION 3.3. *Interest Accrued.* The Notes shall bear interest from, and shall be dated as of, the respective dates of issuance thereof; provided, however, that, in the case of issue of any Note upon transfer of or in exchange for an outstanding Note or Notes, such Note shall bear interest from, and shall be dated as of, the date to which interest has previously been paid or made available for payment on the outstanding Notes or, if no interest has previously been so paid or made available on the outstanding Notes, such Note shall bear interest from, and shall be dated as of, the date of the Notes so transferred or exchanged.

SECTION 3.4. *Registration, Transfer and Exchange of Notes.*

A. The Company shall cause to be kept at the principal office of the Trustee a register for the registration and transfer of the Notes and, upon presentation at such office for such purpose, the Company will, under such reasonable regulations as it may prescribe, cause to be registered or transferred thereon Notes as herein provided. The Company hereby appoints the Trustee its Note Registrar to register Notes and transfers of Notes as herein provided.

B. Whenever any Note shall be surrendered for transfer at the principal office of the Trustee, together with a written instrument of transfer, in form approved by the Trustee, executed by the registered owner, or by attorney authorized in writing, the Company shall execute, and the Trustee shall authenticate and deliver in exchange therefor, a new Note or Notes of the same maturity for the same aggregate unpaid principal amount. All Notes so surrendered shall be promptly cancelled by the Trustee.

C. The holder of any Note outstanding hereunder may surrender the same to be exchanged for Notes of different denomina-

such Note and to institute suit for the enforcement of any such payment and such right shall not be impaired without the consent of such Holder, provided, however, that no Noteholder shall be entitled to take any action or institute suit to enforce payment if the taking of same or the entry of a judgment in such suit would under applicable law result in a surrender, impairment, waiver or loss of the lien of this Indenture upon the Trust Estate or any part thereof as security for Notes held by any other Noteholder.

SECTION 6.8. *Enforcement of Claims Without Possession of Notes.* All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without possession of any of the Notes or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Noteholders in respect of which such judgment has been recovered.

SECTION 6.9. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Noteholder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Noteholders may be exercised from time to time as often as may be deemed expedient by the Trustee or the Noteholders as the case may be.

SECTION 6.10. *Waiver of Past Defaults—Rescission and Annulment of Acceleration.*

A. The Holders of not less than 66 $\frac{2}{3}$ % in principal amount of the outstanding Notes may on behalf of the Holders of all of the Notes, waive any past default hereunder and its consequences excepting default:

- (i) in payment of the principal or interest on any Note, or

(ii) in respect of a covenant or provision hereof which, under Article Nine, cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

Upon any such waiver, such default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

B. At any time after a declaration of acceleration has been made under Section 6.2A and before a judgment or decree for the payment of money due has been obtained by the Trustee, the Holders of 66 $\frac{2}{3}$ % in principal amount of the Notes outstanding by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay all overdue installments of interest and principal of any Notes which have become due otherwise than by such acceleration and all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(ii) All Events of Default other than non-payment of principal which may have become due solely by such acceleration have been cured or waived as provided in this Section.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.1. *Certain Duties and Responsibilities.*

A. Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

B. In case an Event of Default has occurred and is continuing, the Trustee shall exercise such rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

C. No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(i) this Subsection shall not be construed to limit the effect of Subsection A of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of $66\frac{2}{3}\%$ of the Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

D. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.2. *Notice of Default.* Within ninety (90) days after the Trustee has knowledge of the occurrence of any default hereunder, the Trustee shall send notice to all Registered Noteholders of such default unless same shall have been cured or waived; provided, however, that except in the case of a default in the payment of principal or interest on any Note, the Trustee shall be protected in withholding such notice if and so long as the Board of Directors, the Executive Committee or a Trust Committee of Directors and/or Responsible Officers of the Trustees in good faith determine that the withholding of such notice is in the interest of the Noteholders; and provided further that in the case of any default of the character specified in Section 6.1 D, no such notice to Noteholders shall be given until at least thirty (30) days after the occurrence thereof. For the purpose of this Section 7.2, the term "default" means any event which is or, after notice or lapse of time or both, would become, an Event of Default.

SECTION 7.3. *Certain Rights of Trustee.* Except as otherwise provided in Section 7.1:

A. the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

B. any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

C. whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established

prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

D. the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

E. the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

F. the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, coupon or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

G. the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

H. the Trustee assumes no responsibility for the correctness of the recitals contained herein and in the Notes except the Trustee's Certificate of Authentication and such recitals shall be taken as the statements of the Company. Trustee makes no representa-

tions as to the validity or sufficiency of this Indenture or the Notes or as to the value, condition or title of the Trust Estate or any part thereof or as to the security afforded thereby. The Trustee shall not be accountable for the use or application by the Company of the proceeds thereof;

I. the Trustee shall not be under any responsibility for the approval or acceptance of any expert for any of the purposes of this Indenture, other than to exercise reasonable care in the approval of experts who may furnish opinions or certificates to the Trustee under this Indenture;

J. the Trustee shall have no obligation or liability under any assignment or agreement or contract assigned to it by reason of or arising out of such assignment nor shall the Trustee be required or obligated in any manner to perform or fulfill any obligation of the assignor under or pursuant to any such assignment or agreement or contract; provided, however, that the Trustee, to the fullest extent permitted by law, is hereby expressly authorized and empowered, as if it were in fact the Company and the Lessor under each Lease and the owner of the Equipment, to assert in the name of the Company any and all claims, and to bring in the name of the Company any and all suits and proceedings, which the Company may have or be entitled to assert or bring against any person whatsoever with respect to the Equipment or such Lease; provided, however, that the foregoing shall in no way limit the right of the Trustee, to the fullest extent permitted by law, to assert any claim, or bring any suit or proceeding, in its own name, as Trustee or otherwise;

K. the Trustee shall not be responsible for the recording, filing, re-recording or re-filing of this Indenture, or of any instrument of further assurance which it may hereafter receive as herein provided, or for any other action necessary to perfect or maintain the lien hereof or thereof, or for the renewing of the lien hereof or thereof, or for the affixing or cancellation of any revenue stamps.

From time to time at the request of the Company, Trustee shall inform Company as to all amounts paid or held for payment on the Notes.

SECTION 7.5. *Compensation and Reimbursement.* The Company agrees:

A. to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

B. except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributed to its negligence or bad faith; and

If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

C. The Trustee may be removed at any time by Act of the Holders of $66\frac{2}{3}\%$ in principal amount of the Notes delivered to the Trustee and to the Company.

D. If at any time:

If, within one (1) year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of 66 $\frac{2}{3}$ % in principal amount of the Notes delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Noteholders and shall have accepted appointment in the manner hereinafter provided, any Noteholder who has been a bona fide Holder of a Note for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

F. The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor

Trustee by written notice of such event to the Registered Holders of Notes at their addresses as shown in the Note Register. Each notice shall include the name and address of the principal corporate trust office of the successor Trustee.

SECTION 7.8. *Acceptance of Appointment by Successor.* Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all of the Trust Estate held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 7.5. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so

authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

such Note and to institute suit for the enforcement of any such payment and such right shall not be impaired without the consent of such Holder, provided, however, that no Noteholder shall be entitled to take any action or institute suit to enforce payment if the taking of same or the entry of a judgment in such suit would under applicable law result in a surrender, impairment, waiver or loss of the lien of this Indenture upon the Trust Estate or any part thereof as security for Notes held by any other Noteholder.

SECTION 6.8. *Enforcement of Claims Without Possession of Notes.* All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without possession of any of the Notes or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Noteholders in respect of which such judgment has been recovered.

SECTION 6.9. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Noteholder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Noteholders may be exercised from time to time as often as may be deemed expedient by the Trustee or the Noteholders as the case may be.

SECTION 6.10. *Waiver of Past Defaults—Rescission and Annulment of Acceleration.*

(ii) in respect of a covenant or provision hereof which, under Article Nine, cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

Upon any such waiver, such default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

B. At any time after a declaration of acceleration has been made under Section 6.2A and before a judgment or decree for the payment of money due has been obtained by the Trustee, the Holders of 66 $\frac{2}{3}$ % in principal amount of the Notes outstanding by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(ii) All Events of Default other than non-payment of principal which may have become due solely by such acceleration have been cured or waived as provided in this Section.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

ARTICLE SEVEN

THE TRUSTEE

SECTION 7.1. *Certain Duties and Responsibilities.*

A. Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

B. In case an Event of Default has occurred and is continuing, the Trustee shall exercise such rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

C. No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(i) this Subsection shall not be construed to limit the effect of Subsection A of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of $66\frac{2}{3}\%$ of the Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

D. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.2. *Notice of Default.* Within ninety (90) days after the Trustee has knowledge of the occurrence of any default hereunder, the Trustee shall send notice to all Registered Noteholders of such default unless same shall have been cured or waived; provided, however, that except in the case of a default in the payment of principal or interest on any Note, the Trustee shall be protected in withholding such notice if and so long as the Board of Directors, the Executive Committee or a Trust Committee of Directors and/or Responsible Officers of the Trustees in good faith determine that the withholding of such notice is in the interest of the Noteholders; and provided further that in the case of any default of the character specified in Section 6.1 D, no such notice to Noteholders shall be given until at least thirty (30) days after the occurrence thereof. For the purpose of this Section 7.2, the term "default" means any event which is or, after notice or lapse of time or both, would become, an Event of Default.

SECTION 7.3. *Certain Rights of Trustee.* Except as otherwise provided in Section 7.1:

A. the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

B. any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

C. whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established

prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

D. the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

E. the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

F. the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, coupon or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

G. the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

tions as to the validity or sufficiency of this Indenture or the Notes or as to the value, condition or title of the Trust Estate or any part thereof or as to the security afforded thereby. The Trustee shall not be accountable for the use or application by the Company of the proceeds thereof;

I. the Trustee shall not be under any responsibility for the approval or acceptance of any expert for any of the purposes of this Indenture, other than to exercise reasonable care in the approval of experts who may furnish opinions or certificates to the Trustee under this Indenture;

J. the Trustee shall have no obligation or liability under any assignment or agreement or contract assigned to it by reason of or arising out of such assignment nor shall the Trustee be required or obligated in any manner to perform or fulfill any obligation of the assignor under or pursuant to any such assignment or agreement or contract; provided, however, that the Trustee, to the fullest extent permitted by law, is hereby expressly authorized and empowered, as if it were in fact the Company and the Lessor under each Lease and the owner of the Equipment, to assert in the name of the Company any and all claims, and to bring in the name of the Company any and all suits and proceedings, which the Company may have or be entitled to assert or bring against any person whatsoever with respect to the Equipment or such Lease; provided, however, that the foregoing shall in no way limit the right of the Trustee, to the fullest extent permitted by law, to assert any claim, or bring any suit or proceeding, in its own name, as Trustee or otherwise;

K. the Trustee shall not be responsible for the recording, filing, re-recording or re-filing of this Indenture, or of any instrument of further assurance which it may hereafter receive as herein provided, or for any other action necessary to perfect or maintain the lien hereof or thereof, or for the renewing of the lien hereof or thereof, or for the affixing or cancellation of any revenue stamps.

SECTION 7.4. *Money Held or Paid by Trustee.* Money held by the Trustee in trust hereunder need not be segregated from other

funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company. Whenever any funds are received by the Trustee from any source other than the Company, or whenever any funds are paid out by the Trustee, other than to the Noteholders, for any purpose under the provisions of this Indenture, the Trustee shall promptly send the Company a notice stating the nature and amount of such receipt or payment and the name of the party from whom received or to whom paid. From time to time at the request of the Company, Trustee shall inform Company as to all amounts paid or held for payment on the Notes.

SECTION 7.5. *Compensation and Reimbursement.* The Company agrees:

A. to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

B. except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributed to its negligence or bad faith; and

C. to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

All such payments and reimbursements shall be made with interest at the rate of ten per cent (10%) per annum. As security for the

performance of the obligations of the Company under this Section, the Trustee shall have a lien prior to the Notes upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Notes.

Indenture and that payments are thereafter to be made to the Trustee; and in furtherance of this Assignment and transfer, United does hereby authorize and empower the Trustee in the event of notice of a default as aforesaid, in its own name to sue for, collect, receive and enforce all payments to be made by the Lessee under and in compliance on the part of the Lessee with the terms and provisions of the Lease, to exercise all of the rights of United under any of the provisions of the Lease, and in its discretion to take any action under the Lease or with respect to the Cars as United could have taken thereunder if it had not assigned and transferred its rights therein, provided that nothing herein shall obligate the Trustee to take any action under the Lease or in respect of the Cars.

2. United warrants and covenants (a) that on the date hereof title to the Cars is vested in United; that it has good and lawful right to sell and assign the same as provided in the Indenture and herein and that its right and title thereto is free from all liens and encumbrances; subject, however, in each case to the rights of the Lessee under the Lease and to the rights of the assignee hereunder, and (b) that notwithstanding this Assignment, it will perform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by United. United will cause notice of this Assignment forthwith to be given to the Lessee (together with a copy of this Assignment).

3. United represents and warrants that the Lease has been duly authorized and executed by it and covenants that it will, from time to time, at the request of the Trustee, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as the Trustee may reasonably request to give effect to the provisions hereof and to confirm the right, title and interest hereby assigned and transferred to the Trustee or intended so to be.

4. Pursuant to the terms of the Indenture, United cannot without the prior consent of the Trustee:

(a) declare a default under, or terminate, modify or accept a surrender of, or offer or agree to any termination, modification, surrender or termination of, the Lease (except as otherwise expressly provided in the Indenture) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the leasehold estate created by the Lease; or

(b) receive or collect or permit the receipt or collection of any rental payment under the Lease prior to the date for payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Trustee under the Indenture) any rent payment then due or to accrue in the future under the Lease in respect of the cars; or

(c) sell, mortgage, transfer, assign or hypothecate (other than to the Trustee under the Indenture) its interest in the cars or any part thereof or in any amount to be received by it from the use or disposition of the cars.

IN WITNESS WHEREOF, United has caused this instrument to be executed by its proper officers thereunto duly authorized and its

corporate seal to be hereunto affixed, as of the 1st day of April, 1971.

FOR VALUE RECEIVED, UNITED STATES RAILWAY EQUIPMENT Co., an Illinois corporation (hereinafter called the Company), hereby promises to pay to the order of Virginia National Bank (hereinafter called the Payee), at the head office of Continental Illinois National Bank and Trust Company of Chicago, the principal amount of _____ Dollars (\$ _____), on or before, 1979 in lawful money of the United states, together with interest, in like money, from the date hereof (computed on the basis of a 360-day year of twelve 30-day months) on the unpaid principal amount hereof from time to time outstanding at the rate of 9% per annum. This Note shall be payable in 32 equal quarter annual installments including both principal and interest, of \$66,261.23, commencing three months from the date of this Note and every three months thereafter until maturity. Each such quarter annual installment shall be applied first to pay interest on the outstanding principal balance hereof and thereafter to pay principal.

This Note is one of several notes (hereinafter called the Notes) in an aggregate principal amount not to exceed \$1,500,000 issued or to be issued by the Company pursuant to an Agreement and Indenture (Security Agreement) dated as of April 1, 1971 (hereinafter called the Indenture), among Continental Illinois National Bank and Trust Company of Chicago, as Trustee (hereinafter called the Trustee), the Company and Virginia National Bank, as purchaser. The Notes are, or upon issuance will be, secured by (among other things) Assignments of Lease (herein-

after called "Assignment"), each dated as of April 1, 1971, made by the Company to the Trustee, acting pursuant to the Indenture. The Assignment and the Indenture relate to certain units of railroad equipment. Reference is hereby made to the Indenture for a description of the property assigned and mortgaged, the nature of the property assigned and mortgaged, the nature and extent of the security and the rights of the Trustee, of the holders of the Notes and of the Company in respect of such security, copies of each of which are available for inspection at the above office of the Trustee.

The Notes may be prepaid in part and the maturity thereof may be accelerated, all as provided in the Indenture.

As provided in said Indenture and upon payment of charges as therein provided, this Note is transferable by the registered owner hereof in person or by attorney authorized in writing, at said principal office of the Trustee, upon surrender of this Note, and upon any such transfer a new Note or Notes, for the same aggregate unpaid principal amount and with the same maturity, will be issued to the transferee in exchange herefor. The Company and the Trustee may deem and treat the person in whose name this Note is registered as the absolute owner hereof for the purpose of payment and for all other purposes.

The Notes are issuable as registered Notes in denominations provided for in said Indenture, and upon payment of charges as therein provided, Notes are exchangeable for other Notes of the same maturity of a different authorized denomination or denominations.

This Note shall not be valid until the certificate of authentication hereon shall have been signed by the Trustee under said Indenture.

IN WITNESS WHEREOF, the Company has caused this Note to be duly executed under its corporate seal.
