RECORDATION NO. _____ Filed & Recorded

JAN 27 1972 - 3 20 PM

Contract No. 7-71
1/10/72

INTERSTATE COMMERCE COMMISSION LEASE OF RAILROAD EQUIPMENT
INSULATED BOX CARS, AAR CLASS XMI

THIS AGREEMENT entered into January 10, 1972, by and between AMERICAN REFRIGERATOR TRANSIT COMPANY, a New Jersey corporation, whose address is 210 North 13th Street, St. Louis, Missouri, 63103, hereinafter referred to as "Lessor," and MISSOURI PACIFIC RAILROAD COMPANY, a Missouri corporation, whose address is 210 North 13th Street, St. Louis, Missouri, 63103, hereinafter referred to as "Lessee," WITNESSETH:

R E C I T A L S:

The parties hereto have reached an understanding with respect to Lessor leasing to Lessee certain insulated box cars (hereinafter collectively called the Cars), and desire to set forth in writing their agreement with respect thereto.

NOW, THEREFORE, in consideration of the premises, the parties hereto agree;

1. Lease and Hire. Lessor hereby lets to Lessee, and Lessee hereby hires from Lessor, the Cars described hereunder, showing Lessor's existing Private Line reporting marks (initials) and Lessee's Railroad reporting marks (initials) to be substituted therefor under the provisions of this agreement.

<u>Number of Cars.</u>	<u>Description.</u>	<u>Lessor's Existing Private Line Reporting Marks.</u>	<u>Lessee's Substitute Railroad Reporting Marks</u>
73	Insulated Box Cars XMI	RMAX	MP

Identifying car numbers are shown in Schedule "A" hereto.

2. Term and Rental Rate. The term of the Lease will commence January 7, 1972, and continue thereafter until terminated by either party serving thirty (30) days' written notice on the other. Each Car will be under lease, and rental will begin for same, from the date same is released from Lessor's St. Louis, Missouri Shop.

On or before the 15th day of each month Lessee shall pay to Lessor for each car under lease during the preceding month, a daily rental rate of \$4.00 per car per day.

Such daily rental rates will be increased from time to time in the same ratio, and effective as of the same date, as car hire charges for private car line cars of the same types are increased. (For this purpose XMI and RP will be considered same classification.)

Lessee shall collect all rentals, mileage, per diem or car hire charges payable from time to time by railroads, and to facilitate such collections by Lessee, Railroad reporting marks (initials), as provided for in Article 1, shall be substituted for Lessor's Private Line reporting marks (initials).

Any demurrage, storage, detention, mileage, switching or freight charges incurred by any of such cars while covered by this Lease, by virtue of provisions of tariffs on file with the Interstate Commerce Commission, or as may be prescribed by the Association of American Railroads, or otherwise, shall be assumed and paid by Lessee.

3. Taxes. In addition to the rentals herein provided, the Lessee shall, during the continuance of this Lease, promptly pay all taxes levied upon the use or operation of the Cars or the earnings arising therefrom, and shall promptly reimburse the Lessor for any additional taxes which Lessor may be required to pay solely by reason of this Lease or Lessee's use of the Cars hereunder; provided, however,

1/10/72

that nothing herein shall require Lessee to reimburse the Lessor for any taxes on receipts or income from this Lease. Lessee shall pay ad valorem property taxes levied on the Cars and shall file all returns and reports in connection with such property taxes.

4. Marking and Numbering. Cars will bear Lessor's Private Line reporting marks (initials and numbers) until such time as Lessee's Railroad reporting marks (initials and numbers), as shown in Article 1, are substituted therefor. Car numbers so used and as listed in Schedule "A" hereto, will remain unchanged. The expense of changing reporting marks and numbers will be borne by the Lessor and such work will be performed by the Lessor. The method of carrying out the work, will be determined by mutual agreement between Lessor and Lessee. Cars shall bear a stencil showing Lessor's interest in such Cars and the fact that they are under lease to the Lessee. Anything herein to the contrary notwithstanding, car markings and lettering shall, at all times, conform to the rules and practices of the Association of American Railroads and to all applicable laws, rules, regulations, orders or decisions of any governmental authority having jurisdiction. Except as provided for in this Agreement, the Lessor's markings and numbers shall not be changed, removed or obliterated. Lessee shall not allow the name of any person, association or corporation to be placed on any of the Cars as a designation which might be interpreted as indicating a claim of ownership thereof by any person, association or corporation other than the Lessor.

5. Return of Cars. On termination of this Lease, Lessee will return the Cars to the Lessor at St. Louis, Missouri, or at such other point as Lessor and Lessee may then mutually agree upon; provided, however, that any Car loaded on or before the next to the last day of the Lease term may complete the loaded trip, and return of such Car to Lessor shall be made at the time such Car is released after unloading; and provided

1/10/72

further, that each Car shall remain subject to the terms and conditions of this Lease until return thereof.

6. Repairs - Damaged and Destroyed Cars. Responsibility for loss of, or destruction or damage to, Cars or parts thereof or appurtenances thereto furnished under this Lease shall be as fixed by the then prevailing "Interchange Rules adopted by the Association of American Railroads, Mechanical Division, Operations and Maintenance Department," and said Rules shall establish the rights, obligations and liabilities of Lessor, Lessee and any railroad subscribing to such Rules and moving the Cars over its lines in respect of all matters to which those Rules relate. Except where responsibility is placed upon others as aforesaid, Lessor agrees to maintain the leased Cars in compliance with Rules of Interchange of the Association of American Railroads, but Lessor shall not in any event be liable for any damage to or loss of the whole or any part of any shipment made in such Cars. If any of said Cars are damaged or destroyed while on tracks owned, leased or assigned to the use of Lessee or while in the custody of a railroad not a subscriber to said Rules of Interchange, Lessee shall pay to Lessor the cost of repairing such damage to or replacing such damaged or destroyed Car or Cars, all in accordance with, and in the amount determined by, said Rules. As to Cars destroyed or damaged beyond repair, the Lease shall terminate as of the date of such destruction or damage.

No repairs, other than ordinary running repairs, shall be made without Lessor's prior written consent. Cars requiring repairs other than light or running repairs and Cars requiring rebuilding or repainting shall be delivered by Lessee to Lessor on rails of Missouri Pacific in St. Louis, Missouri, for repairs at Lessor's St. Louis Shop, and shall

1/10/72

be delivered in groups of reasonable size consistent with Lessor's shop capacity. Lessee shall inspect the leased Cars from time to time and notify Lessor of any corrosion or deterioration which may require correction by Lessor. Lessor shall have the right to inspect the leased Cars at any time, from time to time, to determine whether Cars require repainting to protect against corrosion and to preserve appearance.

7. Replacements, Modifications and Alterations. The cost of any replacements, modifications, alterations, additions or improvements made to the leased Cars by or on order or at the direction of Lessee will be borne by Lessee.

8. Assignment - Use and Possession. Lessee will not assign, transfer, encumber or otherwise dispose of its leasehold interest under this lease, the Cars or any part thereof, or sublet the Cars or change or permit to be changed or altered the lettering and/or numbering on the Cars, or any of them, without the consent of the Lessor in writing first obtained, except that Lessee may permit the use of the Cars by any subsidiary or affiliated railroad company or on lines of railroad other than Lessee's in the United States and Canada in the usual interchange of traffic or pursuant to through or run-through service, but only upon and subject to all the terms and conditions of this Lease. Lessee will not permit any encumbrances or liens, based upon any action or liability of Lessee, to be entered or levied upon any of the Cars.

9. Liability. Lessor shall not be liable for any loss of or damage to anything loaded in or on the Cars and makes no representation as to the suitability of the Cars for use in any particular service. Lessee agrees to indemnify and save harmless Lessor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever,

1/10/72

regardless of the cause thereof, and any expenses in connection therewith, including counsel fees, arising out of or as a result of the use and/or operation of the Cars during the term of this Lease, or by reason of any default by Lessee under this Lease.

10. Cleaning and Servicing. Lessee shall indemnify and hold harmless the Lessor from any claims made against Lessor, as the Car owner, or for any costs or penalties suffered by Lessor, as Car owner, resulting from any failure to clean and service the Cars before loading.

11. Defaults and Remedies. If Lessee shall default in the performance or observance of covenants contained herein and to be performed or observed by Lessee, and such default shall continue for 10 days after notice by Lessor to Lessee, or there shall be filed by or against Lessee a petition in bankruptcy or for reorganization under any bankruptcy law, or there shall be a receiver appointed of any part of Lessee's property or Lessee shall make a general assignment for the benefit of creditors, then and in any of such events, Lessor, at its election, may terminate this Lease and repossess the Cars, and this Lease shall thereupon become and be terminated, or Lessor may repossess the Cars and relet the same or any part thereof to others for such rent or compensation and upon such terms as it may see fit; and if a sufficient sum shall not be thus realized after repaying all expenses of retaking and reletting the Cars and collecting the rentals thereof to satisfy amounts herein reserved or payable, Lessee agrees to satisfy and pay the deficiency from time to time upon demand. The obligation to pay such deficiency shall survive any such termination and/or any such retaking of the Cars to the end of the term of this Lease. Lessee shall, without expense to Lessor, assist Lessor in repossessing the Cars and shall for a reasonable time, if required by Lessor, permit storage of

1/10/72

such Cars on trackage space owned or leased by Lessee, without cost to Lessor.

12. Obligations Suspended. In the event the performance, in whole or in part, of the obligations (other than for payment of money) of either party under this Lease is hindered, interrupted, or prevented by war, strikes, lockouts, fire, acts of God, or by other similar or different acts of civil or military authorities, or by any cause beyond the reasonable control of the defaulting party, whether similar to the causes herein specified or not, the obligations of such party shall be suspended to the extent of and for the time that performance thereof is prevented or affected by such hindrance, interruption, or prevention; but due diligence shall be observed by such party in resuming performance of its obligations, after removal of the interrupting cause.

If any Car is withdrawn or diverted from the use of Lessee pursuant to regulation, order or direction of any Governmental agency having authority, such action shall not terminate this Lease, or affect the rights and obligations of the parties hereto, except that in every such case all rights and liabilities of the parties hereto as to any Car so withdrawn shall be suspended until such Car or a replacement therefor shall have been made available to Lessee, and any such withdrawal, diversion or nonfurnishing shall not be deemed a breach of this Lease by either party.

13. Compliance with Laws and Regulations. This Lease is subject to all Federal, state and other laws, rules, regulations and ordinances which may now or hereafter affect, change or modify the terms or conditions hereof or render unlawful the performance of any of its provisions. Lessee shall comply with all governmental laws, regulations and requirements and with the Code of Rules of the Association of American Railroads

1/10/72

with respect to the use, maintenance, and operation of each Car subject to this Lease.

14. Lessee's Rights. Lessee acknowledges and agrees that it has not obtained, and by the execution hereof it does not obtain, and by payments and performance hereunder it will not obtain, any title to the Cars nor any property right or interest, legal or equitable, therein, except solely as Lessee hereunder. Lessee shall keep the Cars free from any encumbrance or lien which may be equal to or superior to Lessor's rights or which may be a cloud upon or otherwise affect Lessor's title. This Lease is expressly subject, junior and subordinate to the title, rights, powers and remedies of the Manufacturer-Vendor, or its Assignee, under any Conditional Sale Agreement or other financing arrangement under which the Cars were acquired.

15. Prior Understandings. Prior understandings and agreements between the parties with respect to the Cars covered by this Lease are merged herein, and the rights of the parties in respect of such Cars shall be governed by this Lease.

16. Successors and Assigns. Covenants herein shall inure to or bind each party's successors and assigns.

IN WITNESS WHEREOF, the parties have duly executed this Lease the day and year first above written.
