SECTION 2. RENTS AND PAYMENT DATES.

2.1 Rent for Equipment. The Lessee agrees to pay the Lessor the following Rent for each Item of Equipment leased hereunder:

(a) Periodic Rent. For each Item of Equipment forty (40) semiannual installments of Periodic Rent each payable in arrears in the amount provided for each Item of Equipment in Schedule A hereto.

(b) Daily Interim Rent. For each Item of Equipment, the amount per day provided for each Item of Equipment in Schedule A hereto for the period, if any, from the date of payment of the invoice for the purchase of such Item of Equipment to and including the six months prior to the due date of the first installment of Periodic Rent as set forth in Section 2.2 hereof, payable on the last closing referred to in said Section 2.2.

2.2 Rent Payment Dates. The first installment of Periodic Rent for all Items of Equipment delivered to the Lessee hereunder shall be due and payable six months following the earlier of (i) the 10th business day after delivery of all such Items of Equipment to the Lessee hereunder has been completed as evidenced by the Certificates of Acceptance or (ii) July 30, 1972. The second through fortieth installments of Periodic Rent for each Item of Equipment shall be due and payable semiannually commencing 6 calendar months after the First Periodic Rent payment date for such Item.

2.3 Place of Rent Payment. All payments provided for in this Lease to be made to the Lessor shall be made to the Lessor at 300 Delaware Avenue, Wilmington, Delaware 19899 or at such other place as the Lessor, or its assigns pursuant to Section 16 hereof shall specify in writing.

2.4 Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent or reduction thereof, including, but not limited to, abatements or reductions due to any present or future claims of the Lessee against the Lessor under this Lease or otherwise, nor except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or failure of title of the Lessor to the Equipment or any defect in or damage to or loss or destruction of all or any of the Equipment from whatsoever cause, the taking or requisitioning of the Equipment by condemnation or otherwise, the lawful prohibition of the Lessee's use of the Equipment, the interference with such use by any private person or corporation, the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease, or lack of right, power or authority of the Lessor to enter into this Lease, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events unless the obligation to pay the same shall be terminated pursuant to Section 11 hereof, or until, pursuant to Section 13 hereof, the Equipment is placed and ready for delivery to Lessor on the Lessee's trackage, or is stored for the lessor on a railroads's lines, or leaves the Lessee's trackage for delivery to the Lessor.

SECTION 3. TERM OF THE LEASE.

The term of this Lease as to each Item of Equipment shall begin on the date of delivery to and acceptance by the Lessee of such Item of Equipment and subject to the provisions of Sections 11 and 23 hereof, shall terminate 19 1/2 years after the date for payment of the first installment of Periodic Rent provided for in Section 2.2 hereof.

SECTION 4. OWNERSHIP AND MARKING OF THE EQUIPMENT.

4.1 Retention of Title. The Lessor, as between the Lessor and the Lessee, shall and hereby does retain full legal title to the Equipment notwithstanding the delivery thereof to and the possession and use thereof by the Lessee.

4.2 Duty to Number and Mark Equipment. The Lessee will cause each Item of Equipment to be kept numbered with its identifying number as set forth in Schedule A and will keep and maintain, plainly, distinctly, permanently and conspicuously marked by a plate or stencil printed in contrasting color upon each side of each Item of Equipment in letters not less than one inch in height as follows:

"Bank of Delaware , Owner-
Lessor; The First Pennsylvania Banking and Trust Company,
Trustee-Mortgagee".

with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor to such Item of Equipment, its rights under this Lease and the rights of any assignee under Section 16 hereof. The Lessee will not place any such Item of Equipment in operation or exercise any control or dominion over the same until the required legend shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Item of Equipment except with the consent of the Lessor and in accordance with a statement of new identifying numbers to be substituted therefor, which consent and statement previously shall have been filed with the Lessor by the Lessee and filed, recorded or deposited in all public offices where this Lease shall have been filed, recorded or deposited.

4.3 Prohibition Against Certain Designations. Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Equipment to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification or the right of the Lessee or its sublessee to use the Equipment under this Lease.

4.4 Indemnification for Improper Marking. The Lessee shall indemnify the Lessor, the Trustor under the Chattel Mortgage, and any assignee under Section 16 hereof against any liability, loss or expense incurred by any of them as a result of the aforesaid marking of the Equipment with such name, initials or insignia.

SECTION 5. DISCLAIMER OF WARRANTIES.

AS BETWEEN LESSOR AND LESSEE, LESSOR LEASES THE EQUIPMENT, AS-IS WITHOUT WARRANTY OR REPRESENTATION EITHER EXPRESS OR IMPLIED, AS TO (A) THE FITNESS OR MERCHANTABILITY OF ANY ITEM OR ITEMS OF EQUIPMENT, (B) THE LESSOR'S TITLE THERE TO, (C) THE LESSEE'S RIGHT TO THE QUIET ENJOYMENT THEREOF, OR (D) ANY OTHER MATTER WHATSOEVER, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN THE LESSOR AND THE LESSEE, ARE TO BE BORNE BY THE LESSEE. The Lessor hereby appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce, from time to time, in the name and for the account of the Lessor and the Lessee, as their interests may appear, but in all cases at the sole cost and expense of the Lessee, whatever claims and rights the Lessor may have as owner of the Equipment against any manufacturers or contractors in respect thereof.

SECTION 6. LESSEE'S INDEMNITY.

6.1 Scope of Indemnity. The Lessee shall defend, indemnify and save harmless the Lessor and its successors and assigns from and against:

(a) any and all loss or damage of or to the Equipment, usual wear and tear excepted, and

(b) any claim, cause of action, damages, liability, cost or expense (including counsel fees and costs in connection therewith) which may be incurred in any manner by or for the account of any of them (i) relating to the Equipment or any part thereof, including without limitation, the construction, purchase, delivery, installation, ownership, leasing or return of the Equipment or as a result of the use, maintenance, repair, replacement, operation or the condition thereof (whether defects are latent or discoverable by the Lessor or by the Lessee), (ii) by reason or as the result of any act or omission of the Lessee for itself or as agent or attorney-in-fact for the Lessor hereunder or (iii) as a result of claims for patent infringements.

6.2 Tax Indemnification. In the event that the investment credit or any part thereof, allowed by Section 38 and related Sections of the Internal Revenue Code of 1954, as now in effect, is lost to the Lessor with respect to the Equipment either (a) because the Equipment or any item thereof shall be used or operated during the term or prior to the term of this Lease by the Lessee, any sub-lessee from the Lessee, any unit of the United States Government, or any

person, corporation, association or other entity, or (b) because of any action or omission by the Lessee, any sublessee from the Lessee, any unit of the United States Government, or any person, corporation, association or other entity, or (c) because the right to use the Equipment or any item thereof shall have been or shall be transferred, then the Lessee shall pay to the Lessor a sum which after deduction of all taxes required to be paid by the Lessor in respect to the receipt thereof under the laws of the United States or any political subdivision thereof, shall equal the amount of any such credit so lost, together with all interest or penalty which may be assessed by the United States government in connection with the loss of such investment credit; provided, however, that the Lessee shall not be required by the terms hereof to indemnify the Lessor for the loss of the investment credit where there has been a casualty loss as defined in Section 11 hereof, and where the Lessee has paid in full the casualty value for the Equipment, but in that event the Lessee shall pay to the Lessor an amount equal to any penalty or interest which may be assessed against the Lessor as stated above.

6.3 Continuation of Indemnities and Assumptions. The indemnities and assumptions of liability in this Section 6 contained shall continue in full force and effect notwithstanding the termination of this Lease, or the termination of the term hereof in respect of any one or more Items of Equipment, whether by expiration of time, by operation of law or otherwise; provided, however, that such indemnities and assumption of liability shall not apply in respect of any matters referred to in subsection (a) or clause (i) or (ii) of subsection (b) of Section 6.1 hereof, occurring after the termination of this Lease, except for any such matters occurring after the termination arising in connection with the Lessee's assembling, delivering, storing or transporting of the Equipment as provided in Sections 13 or as the case may be, 15, hereof. The foregoing does not guaranty a residual value. The Lessee shall be entitled to control, and shall assume full responsibility for, the defense of such claim or liability.

SECTION 7. RULES, LAW AND REGULATIONS.

The Lessee agrees to comply with all governmental laws, regulations, requirements and rules (including the rules of the United States Department of Transportation) with respect to the use, maintenance and operation of each Item of Equipment subject to this Lease. In case any equipment or appliance is required to be installed on such Item of Equipment in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such changes, additions and replacements, unless such expenditure in the opinion of Lessor and Lessee would be so onerous as to cause such Equipment to be economically unserviceable under Section 11.1.

SECTION 8. USE AND MAINTENANCE OF EQUIPMENT.

From and after the date hereof until the termination of this Lease, the possession, use, operation and maintenance of the Equipment shall be at the sole expense of the Lessee. The Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear. The Lessee shall, at its own cost and expense, maintain

and keep the Equipment in good order, condition and repair, ordinary wear and tear excepted, suitable for use in interchange. The Lessee shall not modify any Item of Equipment without the written authority and approval of the Lessor which shall not be unreasonably withheld. Any parts installed or replacements made by the Lessee upon any Item of Equipment shall be considered accessions to such Item of Equipment and title thereto shall be immediately vested in the Lessor, without cost or expense to the Lessor.

SECTION 9. LIENS ON THE EQUIPMENT.

The Lessee shall pay or satisfy and discharge any and all claims against, through, or under the Lessee and its successors or assigns which, if unpaid, might constitute or become a lien or a charge upon the Equipment, and any liens or charges which may be levied against or imposed upon any Item of Equipment as a result of the failure of the Lessee to perform or observe any of its covenants or agreements under this Lease, but the Lessee shall not be required to pay or discharge any such claims so long as it shall, in good faith and by appropriate legal proceedings contest the validity thereof in a reasonable manner which will not affect or endanger the title and interest of the Lessor to the Equipment. The Lessee's obligations under this Section 9 shall survive termination of the Lease.

SECTION 10. FILING, PAYMENT OF FEES AND TAXES.

10.1 Filing. Prior to the delivery and acceptance of the first Item of Equipment, the Lessee will, at its sole expense, cause this Lease and any Security Agreement executed by the Lessor with respect to the Equipment or the Lease to be duly filed, registered or recorded in conformity with Section 20c of the Interstate Commerce Act and in such other places within or without the United States as the Lessor may reasonably request for the protection of its title or the security interest of the Secured Party and will furnish the Lessor proof thereof. The Lessee will, from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register and record (and will re-file, re-register, or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor, for the purpose of protecting the Lessor's title to, or such Secured Party's security interest in, the Equipment to the satisfaction of the Lessor's or such Secured Party's counsel or for the purpose of carrying out the intention of this Lease, and in connection with any such action, will deliver to the Lessor proof of such filings and an opinion of the Lessee's counsel that such action has been properly taken. The Lessee will pay all costs, charges and expenses incident to any such filing, re-filing, registering, re-registering, recording and re-recording of any such instruments or incident to the taking of such action.

10.2 Payment of Taxes. The Lessee, or the Lessor at the Lessee's expense, shall report, pay and discharge when due all license and registration fees, assessments, sales, use and property taxes, gross receipt taxes arising out of receipts from use or operation of Equipment, and other taxes,

fees and governmental charges similar or dissimilar to the foregoing including any such tax incurred or payable in connection with the sale of the Equipment (excluding any net income tax, provided that the Lessee agrees to pay that portion of any such net income tax which is in direct substitution for, or which relieves the Lessee from, a tax which the Lessee would otherwise be obligated to pay under the terms of this Section), together with any penalties or interest thereon, imposed by any state, federal or local government upon any Item of Equipment and whether or not the same shall be assessed against or in the name of the Lessor, or the Lessee; provided, however, that the Lessee shall not be required to pay or discharge any such tax or assessment (i) so long as it shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Lessor to the Equipment; however, the Lessee shall reimburse the Lessor for any damages or expenses resulting from such failure to pay or discharge, or (ii) as to assessments against or in the name of anyone other than the Lessee, until 20 days after written notice thereof shall have been given to the Lessee.

SECTION 11. PAYMENT FOR CASUALTY OCCURRENCE OR EQUIPMENT UNSERVICEABLE FOR USE.

11.1 Duty of Lessee to Notify Lessor. In the event that any Item of Equipment shall be or become lost, stolen, destroyed, or, in the opinion of the Lessee, irreparably damaged, or in the opinion of both the Lessor and the Lessee, obsolete or economically unserviceable for use from any cause whatsoever, or shall be requisitioned or taken over by any governmental authority under the power of eminent domain or otherwise during the term of this Lease (any such occurrence, except for any requisition which by its terms does not exceed the remaining term of this Lease,*being hereinafter called a Casualty Occurrence), the Lessee shall promptly and fully (after it has knowledge of such Casualty Occurrence) inform the Lessor in regard thereto.

11.2 Sum Payable for Casualty Loss. When the aggregate Casualty Value (as herein defined) of Items of Equipment described in any given Schedule having suffered a Casualty Occurrence (exclusive of Items of Equipment described in such Schedule having suffered a Casualty Occurrence with respect to which a payment shall have been made to the Lessor pursuant to this Section 11) shall exceed \$150,000, the Lessee, on the next succeeding Rent Payment Date, or at the end of the term, shall pay to the Lessor a sum equal to the Casualty Value of such Item or Items of Equipment as of the date of such payment.

11.3 Rent Termination. Upon (and not until) payment of the Casualty Value in respect of any Item or Items of Equipment, the obligation to pay rent for such Item or Items of Equipment (including the Periodic Rent installment due on the Casualty Value payment date) shall terminate, but the Lessee shall continue to pay rent for all other Items of Equipment. The Lessee shall pay when due all rent payments as to an Item or Items due prior to the date on which the Casualty Value thereof is payable.

* which the Lessee elects by written notice to Lessor to not be treated as a Casualty Occurrence

11.4 Disposition of Equipment. Upon the happening of a Casualty Occurrence where there shall be no sum payable under Section 11.2 or if any sum will be payable under such Section upon prepayment of such sum and providing there exists and is continuing no default under this Lease, Lessor shall convey title by Bill of Sale to such Equipment to Lessee on an "as is" "where is" basis, provided however, Lessor agrees upon such conveyance to have the lien of any mortgage or trust deed or a lien in the nature of a mortgage to which Lessor is a party released as to such Equipment within a reasonable time thereafter.

11.5 Casualty Prior to Commencement of Accrual of Periodic Rent. In the event the Lessee shall have notified the Lessor that an Item or Items of Equipment have suffered a Casualty Occurrence 15 days or more prior to the commencement of accrual of Periodic Rent hereunder with respect thereto, the Casualty Value for such Item or Items shall be an amount equal to its cost plus the Interim Rent therefor to the date of payment of such Casualty Value, which date shall be not more than 15 days after the date of notice to the Lessor of such Casualty Occurrence. If the Lessee shall have notified the Lessor that an Item or Items of Equipment have suffered a Casualty Occurrence less than 15 days prior to the commencement of accrual of Periodic Rent hereunder with respect thereto, the date of such Casualty Occurrence for such Item or Items shall be deemed to be one day before the due date of the first installment of Periodic Rent.

11.6 Casualty Value. The Casualty Value of each Item of Equipment shall be an amount determined as of the date the Casualty Value is paid as provided in this Section 11 (and not the date of the Casualty Occurrence) equal to that percentage of the acquisition cost to the Lessor of such Item of Equipment as set forth in the Schedule of Casualty Value attached hereto as Schedule B.

11.7 Lessee's Liability. The Lessee, except as hereinabove in this Section 11 provided, shall not be released from its obligations hereunder in the event of any Casualty Occurrence to any Item of Equipment after the date hereof.

11.8 Eminent Domain. In the event that during the term of this Lease the use of any Item of Equipment is requisitioned or taken by any governmental authority under the power of eminent domain or otherwise for a period which does not exceed the remaining term of this Lease, the Lessee's duty to pay rent shall continue for the duration of such requisitioning or taking. The Lessee shall be entitled to receive and retain for its own account all sums payable for any such period by such governmental authority as compensation for requisition or taking of possession to an amount equal to the rent paid or payable hereunder for such period, and the balance, if any, shall be payable to and retained by the Lessor as its sole property, or Lessee upon written notice to Lessor, may elect to treat such taking as a Casualty Occurrence as provided in Section 11.1, and Lessor shall assign all such sums and the right thereto to Lessee.

SECTION 12. ANNUAL REPORTS.

12.1 Duty of Lessee to Furnish. On or before May 1 in each year, commencing with the year 1973, the Lessee will furnish to the Lessor or its assigns an accurate statement, as of the preceding calendar year (a) showing the amount, description and numbers of the Items of Equipment then leased hereunder, the amount, description and numbers of all Items of Equipment that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease, in the case of the first such statement), and such other information regarding the condition or repair of the Equipment as Lessor may reasonably request, and (b) stating that, in the case of all Equipment repainted during the period covered by such statement, the markings required by Section 4.2 hereof shall have been preserved or replaced.

12.2 Lessor's Inspection Rights. The Lessor or its assigns shall have the right, at its sole cost and expense, by its authorized representative, to inspect the Equipment and the Lessee's records with respect thereto, at such times as shall be reasonably necessary to confirm to the Lessor or its assigns the existence and proper maintenance thereof during the continuance of this Lease.

SECTION 13. RETURN OF EQUIPMENT UPON EXPIRATION OF TERM.

Duty of Lessee to Return Equipment. Upon the expiration of the term of this Lease with respect to any Item of Equipment, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Item of Equipment to the Lessor upon such storage tracks of the Lessee as the Lessor may designate, or in the absence of such designation, on such storage tracks of the Lessee or of another party, as the Lessee may select, and permit or arrange for the Lessor to store such Item of Equipment on such tracks for a period not exceeding 180 Days and transport the same at any time within such 180 Days period to any reasonable place on the lines of any railroad within the United States*for shipment, all as directed by the Lessor upon not less than 30 days' written notice to Lessee. All movement and storage of each such Item is to be at the risk and expense of the Lessee. During any such storage period the Lessee will permit or arrange for the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Item, to inspect the same. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee to so assemble, deliver, store and transport the equipment.

SECTION 14. DEFAULT.

14.1 Events of Default. If, during the continuance of this Lease, one or more of the following events ("Events of Default") shall occur:

* At an expense not greater than the cost to return to Chicago

(a) Default shall be made in the payment of any part of the rental provided in Section 2 hereof and such default shall continue for ten days;

(b) The Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or of possession of the Equipment, or any portion thereof, and shall fail or refuse to cause such assignment or transfer to be cancelled by agreement of all parties having any interest therein and to recover possession of such Equipment within 30 days after written notice from the Lessor to the Lessee demanding such cancellation and recovery of possession;

(c) Default shall be made in the observance of performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein and such default shall continue for 30 days after written notice from the Lessor to the Lessee, specifying the default and demanding the same to be remedied;

(d) Any proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations of the Lessee hereunder), and, if instituted against the Lessee, are consented to or are not dismissed within 60 days after such proceedings shall have been commenced;

Then, in any such case, the Lessor at its option, may:

(1) Proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(2) by notice in writing to the Lessee, terminate this Lease, whereupon all right of the Lessee to the use of the Equipment shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may by its agents enter upon the premises of the Lessee or other premises where any

of the Equipment may be located and take possession of all or any of such Equipment and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Equipment for any purpose whatever, but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by a fraction of which the numerator is such accrued number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Item of Equipment, which represents the excess of the present worth, at the time of such termination, of all rentals for such Item which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then fair rental value of such Item for such period computed by discounting from the end of such term to the date of such termination rentals which the Lessor reasonably estimates to be obtainable for the use of the Item during such period, such present worth to be computed in each case on a basis of a 4.32% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses including reasonable attorney's fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease, other than for the payment of rent; and (iii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, including, without limitation, an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or any political subdivision thereof, shall be equal to any portion of the investment credit allowed by Section 38 of the Internal Revenue Code of 1954, as amended, lost by the Lessor as a result of the sale or other disposition of any Units by the Lessor after repossession or return thereof to the Lessor upon the occurrence of an Event of Default.

14.2 Cumulative Remedies. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify any of the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims of any right to assert any off-set against the rent payments due hereunder, and agrees to make the rent payments regardless of any off-set or claim which may be asserted by the Lessee on its behalf in connection with the lease of the Equipment.

14.3 Lessor's Failure to Exercise Rights. The failure of the Lessor to exercise the rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

SECTION 15. RETURN OF EQUIPMENT UPON DEFAULT.

15.1 Lessee's Duty to Return. If the Lessor shall terminate this Lease pursuant to Section 14 hereof, the Lessee shall forthwith deliver possession of the Equipment to the Lessor. For the purpose of delivering possession of any Item of Equipment to the Lessor as above required, the Lessee shall at its own cost, expense and risk (except as hereinafter stated):

(a) Forthwith place such Equipment in such reasonable storage place on the Lessee's storage tracks as the Lessor may designate or, in the absence of such designation on such storage tracks of Lessee or of another, as the Lessee may select;

(b) Permit or arrange for the Lessor to store such Equipment in such reasonable storage place for a period not exceeding 180 days at the risk of the Lessee; and

(c) Transport the Equipment, at any time within such 180 Days' period, to any place on the lines of any railroad within the United States*for shipment, all as the Lessor may reasonably direct upon not less than 30 days' written notice to the Lessee. *At an expense not greater than the cost of return to Chicago.

15.2 Intention of Parties. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so as to assemble, deliver, store and transport the Equipment.

15.3 Lessor Appointed Lessee's Agent. Without in any way limiting the obligations of the Lessee under the foregoing provisions of this Section 15, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Items of Equipment to Lessor, to demand and take possession of such Item in the name and on behalf of Lessee from whosoever shall be found to have in possession of such Item.

ASSIGNMENTS BY LESSOR

This Lease shall be assignable in whole by Lessor without the consent of Lessee, but Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. In the event that separate assignments are executed by the Lessor in respect of this Lease and the rental and other sums due and to become due hereunder, insofar as the same relate to Items of Equipment described in separate Schedules hereto the Lessor and the Lessee agree that so long as such separate assignments remain in force and effect this Lease shall be deemed to be and shall be construed as a divisible and severable contract between the Lessor and the Lessee for the

leasing of Equipment covered by each such separate assignment, all to the same extent and with the same force and effect as though a separate lease had been entered into by the Lessor and the Lessee in respect of such Equipment. Upon notice to the Lessee of any such assignment the rent and other sums payable by the Lessee which are the subject matter of the assignment shall be paid to the assignee. Without limiting the foregoing, the Lessee further acknowledges and agrees that (i) the rights of any such assignee in and to the sums payable by the Lessee under any provisions of this Lease shall not be subject to any abatement whatsoever, and shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever whether by reason of or defect in Lessor's title, or any interruption from whatsoever cause (other than from a wrongful act of the assignee) in the use, operation or possession of the Equipment or any part thereof, or any damage to or loss or destruction of the Equipment or any part thereof, or by reason of any other indebtedness or liability, howsoever and whenever arising, of the Lessor to the Lessee or to any other person, firm or corporation or to any governmental authority or for any cause whatsoever, it being the intent hereof that, except in the event of a wrongful act on the part of the assignee, the Lessee shall be unconditionally and absolutely obligated to pay the assignee all of the rents and other sums which are the subject matter of the assignment, and (ii) the assignee shall have the sole right to exercise all rights, privileges and remedies (either in its own name or in the name of the Lessor for the use and benefit of the assignee) which by the terms of this lease are permitted or provided to be exercised by the Lessor.

SECTION 17. ASSIGNMENTS BY LESSEE: USE AND POSSESSION.

17.1 Lessee's Rights to the Equipment. So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Equipment in accordance with the terms of this Lease, but, without the prior written consent of the Lessor, the Lessee shall not*assign, transfer or encumber its leasehold interest under this Lease in any of the Equipment (except to the extent that the provisions of any Mortgage now or hereafter created on any of the property of the Lessee may subject such leasehold interest to the lien thereof). The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Equipment, except to the extent permitted by the provisions of Section 17.2 hereof. *otherwise

17.2 Use and Possession By Others. So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Equipment and to the use thereof upon the lines of any railroad in the United States*in the usual interchange of traffic and may permit the Equipment to be used by any such railroad company for the shipment of products in accordance with the specifications of the manufacturers and may further permit the Equipment to be so used (whether or not under written sublease) by any other shipper of such products in the normal operation of Lessor's business as now conducted; but only upon and subject to all the terms and conditions of this Lease. No assignment, sublease or interchange

entered into by the Lessee hereunder shall relieve the Lessee of any liability or obligations hereunder which shall be and remain those of a principal and not a surety.

17.3 Merger, Consolidation or Acquisition of Lessee. Nothing in this Section 17 shall be deemed to restrict the right of Lessee to assign or transfer its leasehold interest under this Lease in the Equipment or possession of the Equipment to any corporation (which shall have duly assumed the obligations hereunder of Lessee) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of Lessee as an entirety or substantially as an entirety.

17.4 Predominant Use. The Lessee shall always use or cause the Equipment to be used in a manner so that it will not be "used predominantly outside the United States" within the meaning of §48 (a) (2)(A) of the Internal Revenue Code of 1954, as amended or any successor section thereto.

SECTION 18. OPINION OF LESSEE'S COUNSEL.

Concurrently with the delivery and acceptance of the first Item of Equipment hereunder, the Lessee will deliver to the Lessor five counterparts of the written opinion of counsel for the Lessee addressed to the Lessor, and to any assignee under Section 16 of which the Lessee has notice, in scope and substance satisfactory to the Lessor, to the effect that:

(a) The Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Delaware;

(b) The Lessee has the corporate or other power and authority to own its property and carry on its business as now being conducted and is duly qualified to do business as a foreign corporation in all states in which such qualification is necessary to carry out the terms of the Lease;

(c) This Lease and the Purchase Agreements have been duly authorized, executed and delivered by the Lessee and constitute the valid, legal and binding agreements of the Lessee enforceable in accordance with their respective terms;

(d) This Lease has been filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and no other filing, recording or depositing is necessary to protect the Lessor's title to the Equipment;

(e) No approval, consent or withholding of objection is required from any public regulatory body with respect to the entering into or performance of the Railroad Equipment Purchase Agreements or of this Lease;

(f) The execution and delivery by Lessee of the Railroad Equipment Purchase Agreements and this Lease do not violate any provision of any

law, any order of any court or governmental agency, the Charter or By-laws of the Lessee, or any indenture, agreement, or other instrument to which Lessee is a party or by which it, or any of its property is bound; and will not be in conflict with, result in the breach of, or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement, or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Lessee, except as contemplated and permitted hereby; and

(g) As to any other matters which Lessor shall reasonably request.

SECTION 19. INTEREST ON OVERDUE RENTALS AND AMOUNTS PAID BY LESSOR.

Anything to the contrary herein contained notwithstanding, any non-payment of rentals due hereunder, or amounts expended by the Lessor on behalf of the Lessee, shall result in the obligation on the part of the Lessee to pay also an amount equal to 9 1/4% (or the lawful rate, whichever is less) of the overdue rentals and amounts expended for the period of time during which they are overdue or expended and not repaid.

SECTION 20. NOTICES.

Any notice required or permitted to be given by either party hereof to the other shall be deemed to have been given when deposited in the United States mails, certified first class postage prepaid, addressed as follows:

If to the Lessor:	Bank of Delaware 300 Delaware Avenue Wilmington, Delaware 19899
-------------------	---

If to the Lessee:	North American Car Corporation 77 South Wacker Drive Chicago, Illinois 60606
-------------------	--

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

SECTION 21. EXECUTION IN COUNTERPARTS.

This Lease, and any lease supplemental hereto, may be executed in several counterparts, each of which so executed shall be deemed to be an original and in each case such counterparts shall constitute but one and the same instrument.

SECTION 22. LAW GOVERNING.

This Lease shall be construed in accordance with the laws of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by an applicable federal statute, rule or regulation.

SECTION 23. OPTION TO PURCHASE OR EXTEND LEASE

23.1 Terms. Provided that the Lessee is not in default, Lessee shall have the following option to purchase:

(a) The Lessee shall have the right to purchase all but not less than all of the Equipment then leased hereunder at the expiration of the original or any extended term at a price equal* to the "fair market value" (as defined). The Lessee shall give the Lessor written notice 180 Days prior to the end of the original or any extended term of its election to exercise the purchase option provided for in this Section. Payment of the option price shall be made at the place of payment specified in Section 2 hereof in funds there current against delivery of a bill of sale transferring and assigning to the Lessee all right, title and interest in the Lessor in and to the Equipment and containing a warranty against liens or claims of persons claiming by, through or under the Lessor except liens and claims which the Lessee assumed or is obligated to discharge under the terms of the Lease. The Lessor shall not be required to make any representation or warranty as to the condition of the Equipment or any other matters.

(b) The "fair market value" shall be an amount mutually agreed upon by the Lessor and the Lessee; provided that if the Lessor and the Lessee are unable to agree upon the fair market value of the Equipment within 30 days after receipt by the Lessor of the notice of the Lessee's election to exercise the purchase option, the fair market value shall be determined by an appraiser selected by mutual agreement of the Lessor and the Lessee. If the Lessor and the Lessee are not able to agree upon an appraiser, or if the fair market value is not so determined within 90 days after receipt by the Lessor of the Lessee's election to purchase, the same shall be determined by each selecting an appraiser and each of latter selecting a third appraiser. The decision of the three appraisers shall be submitted in 30 days and the cost thereof shall be at the expense of the Lessee. The fair market value as finally determined shall bear interest for the period, if any, from the date of expiration of this Lease to the date of payment at the rate of 9 1/4% per annum, except that Lessor may terminate Lessee's option to buy hereunder if such amount is not determined and paid as promptly as practicable.

(c) Unless the Lessee has extended the term as hereinafter provided or given the Lessor 180 Days notice as required in connection with exercise of the foregoing option, all the Equipment then leased hereunder shall be returned to the Lessor in accordance with Section 13 hereof, unless Section 23.4 applies.

23.2 Election to Purchase. Notwithstanding any election of the Lessee to purchase, the provisions of Section 11 hereof shall continue in full force and effect until the date of purchase and the passage of ownership of the Equipment purchased by the Lessee upon the date of purchase unless the purchase price has been agreed upon by the parties pursuant to this Section 23 or is dictated by Section 23.4, in which event such purchase price shall govern.

23.3 Option to Renew. As an alternative to the foregoing option to purchase, the Lessee shall have the option to extend the terms of the Lease as to all but not less than all Equipment then under lease hereunder for one additional five year period (the rent continuing to be payable semiannually in arrears). If the Lessee chooses this alternative he shall give the same notices as provided in Section 23.1 (a) before the end of the then current term. The rentals shall be 1.725% per semiannual period for the five year term (multiplied by the Total Purchase Price per Item of Equipment) or the "fair rental value" whichever is higher. The fair rental value shall be determined by appraisal under the procedure referred to in Section 23.1 (b).

23.4 Required Purchase Price. Anything in this Section 23 to the contrary notwithstanding, the purchase price at the end of the initial or original term shall not be less than twelve per cent (12%) of the Total Purchase Price of the Equipment; additionally, if the Lessee fails to exercise its option to extend the term and fails to initiate the determination of fair market value for the purposes of exercising its option to purchase at that time, Lessor shall have the option to require Lessee (a "put") to purchase the Equipment at that minimum price by giving notice to Lessor to that effect 60 days prior to the end of the initial term and the terms of Section 23.1 shall govern the payment, bill of sale, representations and warranties, and interest rate.

SECTION 24. HEADINGS.

All Section headings are inserted for convenience only and shall not affect any construction or interpretation of this Lease.

IN WITNESS WHEREOF, the parties hereto have caused this Lease to be executed by their respective officers thereunder duly authorized and their corporate seals to be hereto affixed as of the day and year first above written.
