INTERSTATE COMMERCE COMMISSION

Lease of Equipment

BY AND BETWEEN

FIRST WESTERN BANK AND TRUST COMPANY,

as Trustee

AND

TRAILER TRAIN COMPANY

Dated as of April 1, 1972

LEASE OF EQUIPMENT dated as of April 1, 1972, between FIRST WESTERN BANK AND TRUST COMPANY, a California banking corporation (hereinafter called the Lessor), as trustee under a Trust Agreement dated as of April 1, 1972 (hereinafter called the Trust Agreement) among the Lessor, FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, and FIRST SECURITY STATE BANK (hereinafter individually called a Beneficiary and collectively called the Beneficiaries), and TRAILER TRAIN COMPANY, a Delaware corporation (hereinafter called the Lessee).

WHEREAS as the Lessor is entering into two Manufacturing Agreements dated as of April 1, 1972 (each such Manufacturing Agreement hereinafter called a Manufacturing Agreement) with the Lessee and Pullman Incorporated (Pullman-Standard Division), and Bethlehem Steel Corporation, respectively, pursuant to which the Lessor has agreed to purchase and take delivery of the railroad equipment described in Schedule A hereto (hereinafter sometimes called the Equipment); and

WHEREAS the Lessee has agreed to lease from the Lessor all the units of the Equipment, or such lesser number of units as are delivered and accepted and settled for under the Equipment Trust Agreement (as hereinafter defined) on or prior to September 15, 1972 (each such unit hereinafter called a Unit and collectively the Units) at the rentals and for the term and upon the conditions hereinafter provided; and

WHEREAS the Lessor and the Lessee are entering into an Equipment Trust Agreement dated as of April 1, 1972 (herein called the Equipment Trust Agreement), with Manufacturers Hanover Trust Company, as Trustee (hereinafter called the Trustee), under which security title to the Units will be reserved to the Trustee until the Lessor fulfills all its obligations under the Equipment Trust Agreement;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but subject and subordinate to all the rights and remedies of the Trustee under the Equipment Trust Agreement.

§ 1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit accepted pursuant to a Manufacturing Agreement to be delivered to the Lessee at the same point or points within the United States of America at which such Unit is delivered to the Lessor under such Manufacturing Agreement, such point or points, however, to be mutually acceptable to the Lessor and the Lessee. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and to execute and deliver to the Lessor and to the Trustee a Lessee's Certificate (as defined in the Equipment Trust Agreement and complying with the provisions of Section 4.04(a) thereof), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee under this Lease and shall be subject thereafter to all the terms and conditions of this Lease and such Lessee's Certificate shall be absolutely binding upon the Lessee. Any Unit excluded from or substituted under the Equipment Trust Agreement pursuant to the second paragraph of Section 4.01 thereof shall likewise be excluded from this Lease.

§ 2. *Rentals.* The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 31 consecutive semiannual payments, payable on April 1 and October 1 in each year commencing October 1, 1972. The first such semiannual payment shall be in an amount equal to 0.023333% of the Cost (as such term is defined in the Equipment Trust Agreement) of each Unit subject to this Lease for each day elapsed from and including the Settlement Date (as defined in Section 4.02 of the Equipment Trust Agreement) for such Unit to October 1, 1972. The next 10 such semiannual payments shall each be in an amount equal to 3.10170% of the Cost of each such Unit subject to this Lease on the date of such payment and the next 20 such semiannual payments shall each be in an amount equal to 5.53842% of the Cost of each such Unit subject to this Lease on the date of such payment. In addition, the Lessee shall pay to the Lessor (i) on the Settlement Date for each Unit, if such Settlement Date is later than the 31st day following the date of acceptance of such Unit pursuant to § 1 hereof, additional rental

in an amount equal to interest on the Cost of such Unit from such 31st day to and including the Settlement Date, at a rate per annum equal to the prime rate which the Trustee would charge on such Settlement Date for 90-day loans to borrowers of the highest credit standing and (ii) on October 1, 1972, additional rental in an amount equal to 8.40% per annum of the amount from time to time remaining on deposit with the Trustee as Deposited Cash (as defined in the Equipment Trust Agreement) from the original date of issue of the Trust Certificates (as defined in the Equipment Trust Agreement) to the date of application of such Deposited Cash or October 1, 1972, as the case may be. If any of the payment dates referred to above is not a Business Day (as defined in the Equipment Trust Agreement), the payment shall be payable on the next succeeding Business Day (without interest).

Notwithstanding anything to the contrary contained herein, any and all sums paid by the Lessee pursuant to its guaranty set forth in the first paragraph of Section 7.01 of the Equipment Trust Agreement in respect of the obligations set forth in Sections 5.04(c), (d) and (e) thereof not attributable to an Event of Default (as hereinafter defined) hereunder or to late payment shall be thereupon deemed to have been paid in reduction or satisfaction, to the extent thereof, of any rental payments then due and payable by the Lessee to the Lessor under this § 2.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, during the original term hereof (other than the rental payable pursuant to clause (i) of the fourth sentence of this § 2, and any amount payable in respect of a Unit which has not been settled for pursuant to Section 4.02 of the Equipment Trust Agreement by reason of such Unit's having suffered a Casualty Occurrence, which rental and amount shall be paid to the Lessor at the address set forth in the second sentence of this paragraph), in immediately available funds in New York City for the account of the Lessor, in care of the Trustee at its office at 40 Wall Street, New York, N. Y. 10015, attention of Corporate Trust Department, with instructions to the Trustee first to apply such payments to satisfy the obligations of the Lessor under the Equipment Trust Agreement known to the Trustee to be due and payable on the date such payments are due

and payable hereunder and second, so long as no Event of Default under the Equipment Trust Agreement shall have occurred and be continuing, to pay any balance promptly to the Lessor in immediately available funds at 235 Montgomery Street, San Francisco, California 94104, or to such other place as the Lessor shall specify in writing. The Lessee agrees to make the payments provided for herein as contemplated by this paragraph.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including, but not limited to, abatements, reductions or set-offs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or otherwise or against the Trustee; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use of or destruction of all or any of the Units from whatsoever cause, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease or lack of right, power or authority of the Lessor to enter into this Lease, or by reason of any failure by the Lessor to perform any of its obligations herein contained, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

§ 3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the acceptance thereof by the Lessee pursuant to § 1 hereof and, subject to the provisions of §§ 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the following words: "OWNED BY A BANK OR TRUST COMPANY UNDER A SECURITY AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT, SECTION 20c", or other appropriate words designated by the Lessor or the Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the title of the Lessor and the security title of the Trustee to such Unit and the rights of the Lessor under this Lease and the Equipment Trust Agreement and of the Trustee under the Equipment Trust Agreement. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit except in accordance with a statement of new numbers to be substituted therefor, which statement previously shall have been filed with the Trustee and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Equipment Trust Agreement shall have been filed, recorded and deposited.

Each Unit may be lettered "Trailer Train Company", "T.T.X.", or in some other appropriate manner for convenience of identification of the interests of the Lessor and the Lessee therein. Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership.

§ 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor and the Trustee for collection or other

charges and will be free of expense to the Lessor, the Beneficiaries and the Trustee with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that any Beneficiary is entitled to credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or local income taxes or franchise taxes measured by net income based on such receipt, up to the amount of any such taxes which would be payable to any state and locality in which a Beneficiary has its principal place of business without apportionment to any other state or locality, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided, and other than any taxes payable by the Trustee in consequence of the receipt by the Trustee of fees or compensation for services rendered under the Equipment Trust Agreement) or license fees, assessments, charges, fines or penalties (all such taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by, this Lease, the Equipment Trust Agreement or any of the instruments or agreements referred to herein or therein or contemplated hereby or thereby, or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, the Equipment Trust Agreement or any such instruments or agreements, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof or upon the Trustee solely by reason of its security title thereto and any impositions upon or on account of the trust created by the Equipment Trust Agreement or the transactions contemplated thereby (whether or not such transactions shall actually be consummated) or the instruments or agreements referred to therein or contemplated thereby, and will keep at all times all and every part of such

Unit free and clear of all impositions which might in any way affect the title of the Lessor and the security title of the Trustee (or the interests of the holders of the Equipment Trust Certificates issued under the Equipment Trust Agreement) therein or result in a lien or security interest upon any such Unit (other than the Equipment Trust Agreement and this Lease) and will supply the Lessor and the Trustee with a receipt or other evidence of such payment satisfactory to the Lessor and the Trustee; *provided, however*, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor or the Trustee, adversely affect the title, property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement. If any imposition shall have been charged or levied against the Lessor or the Trustee directly and paid by the Lessor or the Trustee, the Lessee shall reimburse the Lessor or the Trustee, as the case may be, on presentation of an invoice therefor. The Lessor agrees that if, in the opinion of independent tax counsel selected by the Lessor and acceptable to the Lessee, a bona fide claim exists to all or a portion of any imposition in respect of which the Lessee has made payment to the Lessor as aforesaid, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by said independent counsel in order to sustain such claim. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. The Lessee shall be entitled to the proceeds of the successful prosecution of any such claim.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Trustee in the Units, if such is necessary or appropriate, or will notify the Lessor and the Trustee of such requirement and will make such reports in such manner as shall be satisfactory to the Lessor and the Trustee.

In the event that, during the continuance of this Lease, the Lessee shall become liable for the payment or reimbursement of any impositions pursuant to this § 5, such liability shall continue, notwithstanding the termination of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 6. *Payment for Casualty Occurrences.* Whenever any Unit shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term or any extended term of this Lease, or until such Unit shall have been returned in the manner provided in § 13 hereof, the Lessee shall, promptly after it shall have been determined that such Unit has suffered a Casualty Occurrence, deliver to the Lessor and the Trustee a Lessee's Certificate (as defined in the Equipment Trust Agreement) fully informing them with respect thereto and complying with the provisions of Section 5.07 of the Equipment Trust Agreement. On the rental payment date next succeeding the delivery of such Lessee's Certificate (or, in the event such rental payment date will occur within 60 days after such delivery, on the following rental payment date or, if this Lease, or any extended term hereof, as the case may be, shall expire before or within 60 days after such delivery on the expiration date of this Lease, or any such extended term, or any other date thereafter, within 60 days of such delivery or, in the event that such Unit shall not have then been settled for pursuant to Section 4.02 of the Equipment Trust Agreement at the time of such delivery, on the date such Unit would have been settled for but for such Casualty Occurrence) the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of such payment date in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit (other than additional rental payable pursuant to clause (ii) of the fourth sentence of the first paragraph of § 2 hereof) shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall

be entitled to recover possession of such Unit. If the date upon which the making of such payment by the Lessee in respect of any Unit is required as aforesaid shall be after the original or any extended term of this Lease in respect of such Unit, no rental for such Unit shall accrue after the end of such term but the Lessee in addition to paying the Casualty Value for such Unit shall pay interest thereon at the prime rate of interest which the Trustee would charge on the date of such payment for 90-day loans to borrowers of the highest credit standing, from the end of such term to the date of such payment. The Lessor shall, upon request of the Lessee, after payment by the Lessee of a sum equal to the Casualty Value of any Unit which shall have been lost, stolen or completely destroyed, execute and deliver to or upon the order of the Lessee a bill of sale (without warranties) for such Unit.

Except as provided in the last sentence of this paragraph, the Casualty Value of each Unit as of any rental payment date shall be the greater of (x) the Fair Value thereof as determined pursuant to Section 5.07 of the Equipment Trust Agreement or (y) that percentage of the Cost of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

for a period not exceeding three months; the assembly, delivery, storage and transporting of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Lessor pursuant to this § 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any special device, rack or assembly considered an accession thereto as provided in § 8 hereof and have removed therefrom any special device, rack or assembly not so considered an accession thereto and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. If the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which, within 90 days after expiration of this Lease, the Lessor shall elect to abandon, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume, and hold the Lessor harmless from, all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in, any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*,

that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 6 hereof to make payments provided for therein in respect of any Unit experiencing a Casualty Occurrence during the original or any extended term of this Lease.

§ 14. *Opinion of Counsel.* On the date on which Trust Certificates are issued pursuant to Section 2.01 of the Equipment Trust Agreement, the Lessee will deliver to the Lessor and the Trustee the written opinion of counsel of the Lessee, in such number of counterparts as may reasonably be requested, and addressed to the Lessor and the Trustee, in scope and substance satisfactory to them and their counsel, to the effect that:

A. the Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Delaware, with full corporate power to enter into this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreements relating to the Units (and any assignment thereof);

B. this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreements relating to the Units (and any assignment thereof) have been duly authorized, executed and delivered by the Lessee and, assuming the due authorization, execution and delivery thereof by the other parties thereto, constitute valid, legal and binding agreements, enforceable in accordance with their terms;

C. this Lease and the Equipment Trust Agreement have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act, and will protect the Lessor's title and interest in and to the Units and the Trustee's security title and interest in and to the Units, and no filing, recording or deposit (or giving of notice) with any other Federal, state or local government or agency or instrumentality thereof is necessary to protect the title and interest of the Lessor or the security title and interest of the Trustee in and to the Units in the United States of America;

D. No approval of the Interstate Commerce Commission or any other governmental authority is necessary for the execution, delivery, or performance of this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreement relating to the Units (and any assignment thereof), or if any approval is necessary it has been obtained;

E. the entering into and performance of this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreement relating to the Units (and any assignment thereof) will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound or contravene any provision of law, statute, rule or regulation to which the Lessee is subject or any judgment, decree, franchise, order or permit applicable to the Lessee;

F. no mortgage, deed of trust or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interest therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units; and

G. registration of the Trust Certificates under the Securities Act of 1933, as amended, and qualification of the Equipment Trust Agreement under the Trust Indenture Act of 1939, as amended, are not required.

§ 15. *Recording and Expenses.* Prior to the delivery and acceptance of any Unit hereunder, the Lessee will without expense to the Lessor cause this Lease and any assignments hereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and repositing required under Section 7.03 of the Equipment Trust Agreement and will from time to time, do and

perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Trustee (except as otherwise provided in Section 7.03 of the Equipment Trust Agreement) for the purpose of proper protection, to the satisfaction of the Lessor and the Trustee, of the Lessor's and the Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease and the Equipment Trust Agreement. The Lessee will promptly furnish to the Lessor and the Trustee evidence of all such filing, registering, recording, depositing, refile, reregistering, rerecording and/or redepositing and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Lessor and the Trustee.

The Lessor will pay the reasonable costs and expenses involved in the preparation and printing of this Lease, the Equipment Trust Agreement and the Manufacturing Agreements. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

§ 16. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to the Penalty Rate (as defined in the Equipment Trust Agreement) on the overdue rentals and other obligations for the period of time during which they are overdue.

§ 17. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code), to an owner of property, including, without limitation, the Investment Credit (as defined in § 9 hereof), with respect to the Units.

Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing and that each of such corporations will file such returns, take such action

and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent hereof.

Notwithstanding anything to the contrary contained in § 11 hereof, the Lessee represents and warrants that (i) all of the Units constitute property construction, reconstruction or erection of which was begun after March 31, 1971; (ii) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Section 48(b) of the Code and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c)(2) of the Code from commencing with the Lessor; and (iii) at all times during the term of this Lease, each Unit will constitute "Section 38 property" within the meaning of Section 48(a) of the Code and will be used by railroad companies; and (iv) the Lessee will maintain sufficient records to verify such use.

§ 18. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States registered mails, first-class postage prepaid, addressed as follows:

If to the Lessor, at 235 Montgomery Street, San Francisco, California 94104, *attention of* Edgar H. Canfield, Vice President and Trust Officer;

If to the Lessee, at 300 South Wacker Drive, Chicago, Illinois 60606, *attention of* the Vice President—Finance;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 19. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

In the event that the Trust Certificates shall bear dividends on the unpaid principal amount thereof at a rate other than 8.40% per annum, the Lessor and the Lessee shall enter into an appropriate supplement to this Lease appropriately modifying the provisions hereof, including §§ 2, 6 and 12 hereof, in such manner that the rental payable hereunder shall be sufficient to discharge the Lessor's obligations under Sections 5.04(c), (d) and (e) of the Equipment Trust Agreement and the Lessor shall be provided with a net return hereunder equal to the net return that would have been available to the Lessor hereunder if the Trust Certificates had been issued to persons other than the Lessor and had borne dividends at a rate equal to 8.40% per annum.

§ 20. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of April 1, 1972, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 21. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or depositing hereof and of any assignment hereof or out of the marking on the Units as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited or in which any Unit may be located.

§ 22. *Obligations of Lessor Under Equipment Trust Agreement.*

In the event that the Lessor shall become obligated to make any payment (other than pursuant to Section 4.03 of the Equipment Trust Agreement) or to perform any other obligations pursuant to the Equipment Trust Agreement not covered by the provisions of this Lease, the Lessee shall pay such additional amounts to the Trustee and perform such obligations so that the Lessor's obligations (other than pursuant to Section 4.03 of the Equipment Trust Agreement) pursuant to the Equipment Trust Agreement shall be fully complied with. The Lessor will pay over to the Lessee any amounts received by it pursuant to the last sentence of Section 9.04 of the Equipment Trust Agreement.

§ 23. *No Recourse.* No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Lessor or the Lessee, or against any beneficiary of a trust for which the Lessor is acting as Trustee, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, or beneficiaries being forever released as a condition of and as consideration for the execution of this Lease.

§ 24. *Provisions Concerning Subordinated Notes.* It is the intention of the parties hereto that the obligations of the Lessee under this Lease shall be superior in right of payment to all the Lessee's Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Lessee and certain of its stockholders. The Lessee covenants and agrees that if an Event of Default exists hereunder or an Event of Default (as defined in the Equipment Trust Agreement) exists under the Equipment Trust Agreement or any event which, with the giving of notice or the lapse of time, or both, would constitute such an Event of Default, shall have occurred and be continuing, the Lessee will not voluntarily prepay or retire any of such Notes.

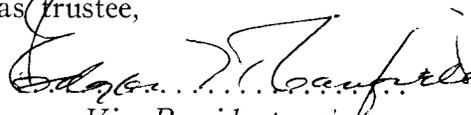

§ 25. *Increase of User Rates.* The Lessee covenants and agrees (i) that, if an Event of Default exists under § 9(A) hereof by reason of the failure of the Lessee to pay to the Trustee within the grace period provided in § 9(A) hereof, all or any part of the rentals due and payable under § 2 hereof required for the payment of the principal or dividends on the Trust Certificates (but not including any principal or dividends payable by reason of acceleration of the date of payment thereof), the Lessee will, upon written notice by the Lessor so to do, within ten days after receipt of such notice, deliver to all parties to its Form A and Form B car contracts (or such other Forms as may hereafter be used in substitution or in replacement of such Form A and Form B car contracts) due and proper notice of increases in the car user charges under such contracts, (ii) that all car contracts covering any unit or units of railroad equipment of which the Lessee is the owner or the lessee will contain provisions permitting the Lessee to require such increases and (iii) that, unless in connection with an assignment or transfer to a corporation which shall acquire all or substantially all of the property of the Lessee pursuant to Section 5.09 of the Equipment Trust Agreement, the Lessee will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Lessee to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Lessee in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Lessee to enable it to pay all such overdue principal and dividends (with interest on overdue principal and dividends at the Penalty Rate, to the extent that it shall be legally enforceable) and to cure any defaults in payment of any principal, dividends or interest (or rentals intended to provide for payment thereof) payable under comparable provisions of any other equipment trust, conditional sale or other equipment agreement of the Lessee not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of acceleration of the date of payment of instalments of principal, dividends or

interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Lessee relating to the use of its cars. If for any reason any such increases so made by the Lessee shall fail to provide in 90 days sufficient cash to enable the Lessee to cure such default or defaults hereunder and under any other such agreements, or if cash is provided but is not for any reason applied to cure such defaults, the Lessee will, upon receipt of written notice from the Lessor so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Lessee to cure all such defaults hereunder and under such other agreements.

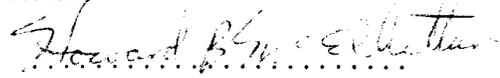

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be duly executed as of the date first above written.

for a period not exceeding three months; the assembly, delivery, storage and transporting of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Lessor pursuant to this § 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any special device, rack or assembly considered an accession thereto as provided in § 8 hereof and have removed therefrom any special device, rack or assembly not so considered an accession thereto and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. If the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which, within 90 days after expiration of this Lease, the Lessor shall elect to abandon, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume, and hold the Lessor harmless from, all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in, any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*,

that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 6 hereof to make payments provided for therein in respect of any Unit experiencing a Casualty Occurrence during the original or any extended term of this Lease.

§ 14. *Opinion of Counsel.* On the date on which Trust Certificates are issued pursuant to Section 2.01 of the Equipment Trust Agreement, the Lessee will deliver to the Lessor and the Trustee the written opinion of counsel of the Lessee, in such number of counterparts as may reasonably be requested, and addressed to the Lessor and the Trustee, in scope and substance satisfactory to them and their counsel. to the effect that:

A. the Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Delaware, with full corporate power to enter into this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreements relating to the Units (and any assignment thereof);

B. this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreements relating to the Units (and any assignment thereof) have been duly authorized, executed and delivered by the Lessee and, assuming the due authorization, execution and delivery thereof by the other parties thereto, constitute valid, legal and binding agreements, enforceable in accordance with their terms;

C. this Lease and the Equipment Trust Agreement have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act, and will protect the Lessor's title and interest in and to the Units and the Trustee's security title and interest in and to the Units, and no filing, recording or deposit (or giving of notice) with any other Federal, state or local government or agency or instrumentality thereof is necessary to protect the title and interest of the Lessor or the security title and interest of the Trustee in and to the Units in the United States of America;

D. No approval of the Interstate Commerce Commission or any other governmental authority is necessary for the execution, delivery, or performance of this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreement relating to the Units (and any assignment thereof), or if any approval is necessary it has been obtained;

E. the entering into and performance of this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreement relating to the Units (and any assignment thereof) will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound or contravene any provision of law, statute, rule or regulation to which the Lessee is subject or any judgment, decree, franchise, order or permit applicable to the Lessee;

F. no mortgage, deed of trust or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interest therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units; and

G. registration of the Trust Certificates under the Securities Act of 1933, as amended, and qualification of the Equipment Trust Agreement under the Trust Indenture Act of 1939, as amended, are not required.

§ 15. *Recording and Expenses.* Prior to the delivery and acceptance of any Unit hereunder, the Lessee will without expense to the Lessor cause this Lease and any assignments hereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and repositing required under Section 7.03 of the Equipment Trust Agreement and will from time to time, do and

perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Trustee (except as otherwise provided in Section 7.03 of the Equipment Trust Agreement) for the purpose of proper protection, to the satisfaction of the Lessor and the Trustee, of the Lessor's and the Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease and the Equipment Trust Agreement. The Lessee will promptly furnish to the Lessor and the Trustee evidence of all such filing, registering, recording, depositing, refile, reregistering, rerecording and/or redepositing and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Lessor and the Trustee.

The Lessor will pay the reasonable costs and expenses involved in the preparation and printing of this Lease, the Equipment Trust Agreement and the Manufacturing Agreements. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

§ 16. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to the Penalty Rate (as defined in the Equipment Trust Agreement) on the overdue rentals and other obligations for the period of time during which they are overdue.

§ 17. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code), to an owner of property, including, without limitation, the Investment Credit (as defined in § 9 hereof), with respect to the Units.

Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing and that each of such corporations will file such returns, take such action

and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent hereof.

Notwithstanding anything to the contrary contained in § 11 hereof, the Lessee represents and warrants that (i) all of the Units constitute property construction, reconstruction or erection of which was begun after March 31, 1971; (ii) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Section 48(b) of the Code and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c)(2) of the Code from commencing with the Lessor; and (iii) at all times during the term of this Lease, each Unit will constitute "Section 38 property" within the meaning of Section 48(a) of the Code and will be used by railroad companies; and (iv) the Lessee will maintain sufficient records to verify such use.

§ 18. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States registered mails, first-class postage prepaid, addressed as follows:

If to the Lessor, at 235 Montgomery Street, San Francisco, California 94104, *attention of* Edgar H. Canfield, Vice President and Trust Officer;

If to the Lessee, at 300 South Wacker Drive, Chicago, Illinois 60606, *attention of* the Vice President—Finance;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 19. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

In the event that the Trust Certificates shall bear dividends on the unpaid principal amount thereof at a rate other than 8.40% per annum, the Lessor and the Lessee shall enter into an appropriate supplement to this Lease appropriately modifying the provisions hereof, including §§ 2, 6 and 12 hereof, in such manner that the rental payable hereunder shall be sufficient to discharge the Lessor's obligations under Sections 5.04(c), (d) and (e) of the Equipment Trust Agreement and the Lessor shall be provided with a net return hereunder equal to the net return that would have been available to the Lessor hereunder if the Trust Certificates had been issued to persons other than the Lessor and had borne dividends at a rate equal to 8.40% per annum.

§ 20. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of April 1, 1972, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 21. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or depositing hereof and of any assignment hereof or out of the marking on the Units as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited or in which any Unit may be located.

§ 22. *Obligations of Lessor Under Equipment Trust Agreement.*

In the event that the Lessor shall become obligated to make any payment (other than pursuant to Section 4.03 of the Equipment Trust Agreement) or to perform any other obligations pursuant to the Equipment Trust Agreement not covered by the provisions of this Lease, the Lessee shall pay such additional amounts to the Trustee and perform such obligations so that the Lessor's obligations (other than pursuant to Section 4.03 of the Equipment Trust Agreement) pursuant to the Equipment Trust Agreement shall be fully complied with. The Lessor will pay over to the Lessee any amounts received by it pursuant to the last sentence of Section 9.04 of the Equipment Trust Agreement.

§ 23. *No Recourse.* No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Lessor or the Lessee, or against any beneficiary of a trust for which the Lessor is acting as Trustee, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, or beneficiaries being forever released as a condition of and as consideration for the execution of this Lease.

§ 24. *Provisions Concerning Subordinated Notes.* It is the intention of the parties hereto that the obligations of the Lessee under this Lease shall be superior in right of payment to all the Lessee's Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Lessee and certain of its stockholders. The Lessee covenants and agrees that if an Event of Default exists hereunder or an Event of Default (as defined in the Equipment Trust Agreement) exists under the Equipment Trust Agreement or any event which, with the giving of notice or the lapse of time, or both, would constitute such an Event of Default, shall have occurred and be continuing, the Lessee will not voluntarily prepay or retire any of such Notes.

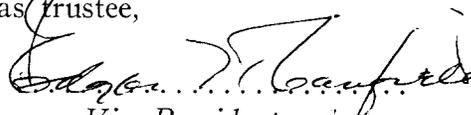

§ 25. *Increase of User Rates.* The Lessee covenants and agrees (i) that, if an Event of Default exists under § 9(A) hereof by reason of the failure of the Lessee to pay to the Trustee within the grace period provided in § 9(A) hereof, all or any part of the rentals due and payable under § 2 hereof required for the payment of the principal or dividends on the Trust Certificates (but not including any principal or dividends payable by reason of acceleration of the date of payment thereof), the Lessee will, upon written notice by the Lessor so to do, within ten days after receipt of such notice, deliver to all parties to its Form A and Form B car contracts (or such other Forms as may hereafter be used in substitution or in replacement of such Form A and Form B car contracts) due and proper notice of increases in the car user charges under such contracts, (ii) that all car contracts covering any unit or units of railroad equipment of which the Lessee is the owner or the lessee will contain provisions permitting the Lessee to require such increases and (iii) that, unless in connection with an assignment or transfer to a corporation which shall acquire all or substantially all of the property of the Lessee pursuant to Section 5.09 of the Equipment Trust Agreement, the Lessee will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Lessee to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Lessee in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Lessee to enable it to pay all such overdue principal and dividends (with interest on overdue principal and dividends at the Penalty Rate, to the extent that it shall be legally enforceable) and to cure any defaults in payment of any principal, dividends or interest (or rentals intended to provide for payment thereof) payable under comparable provisions of any other equipment trust, conditional sale or other equipment agreement of the Lessee not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of acceleration of the date of payment of instalments of principal, dividends or

interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Lessee relating to the use of its cars. If for any reason any such increases so made by the Lessee shall fail to provide in 90 days sufficient cash to enable the Lessee to cure such default or defaults hereunder and under any other such agreements, or if cash is provided but is not for any reason applied to cure such defaults, the Lessee will, upon receipt of written notice from the Lessor so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Lessee to cure all such defaults hereunder and under such other agreements.
