INTERSTATE COMMERCE COMMISSION

CONDITIONAL SALE AGREEMENT

Dated as of April 1, 1972

among

GENERAL ELECTRIC COMPANY,

**FIRST SECURITY BANK OF UTAH,
NATIONAL ASSOCIATION,
as Vendee,**

and

THE WESTERN PACIFIC RAILROAD COMPANY

CONDITIONAL SALE AGREEMENT dated as of April 1, 1972, among the corporation named in Item 1 of Annex A hereto (hereinafter called the Vendor or Builder as more particularly set forth in Article 25 hereof), THE WESTERN PACIFIC RAILROAD COMPANY, a California corporation (hereinafter called the Guarantor or the Lessee) and FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, a national banking association (hereinafter called the Vendee).

WHEREAS, the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS, the Vendee is executing a lease of the Equipment as of the date hereof to the Lessee in substantially the form annexed hereto as Annex D (hereinafter called the Lease) and the Guarantor is willing to guarantee to the Vendor the due and punctual payment of all sums payable by, and the due and punctual performance of all other obligations of, the Vendee under this Agreement and has joined in this Agreement for the purpose of setting forth the terms and conditions of such guaranty and making certain further agreements as hereinafter set forth;

Now, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Incorporation of Model Provisions.* Whenever this Agreement incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Conditional Sale Provisions for

Lease Transactions” annexed to this Agreement as Part I of Annex C hereto (hereinafter called the Model CSA Provisions), such provision of the Model CSA Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Agreement.

ARTICLE 2. *Construction and Sale.* Article 2 of the Model CSA Provisions is herein incorporated as Article 2 hereof, except the words “completion of manufacture” in the 14th line thereof shall be deleted and replaced with the word “delivery”.

ARTICLE 3. *Inspection and Delivery.* Article 3 of the Model CSA Provisions is herein incorporated as Article 3 hereof except that there shall be added at the end of the first paragraph thereof the following proviso:

“; *provided, however,* that Builder shall have no obligation to deliver any unit of Equipment hereunder subsequent to the filing by or against the Guarantor of a petition for reorganization under Section 77 of the Bankruptcy Act”.

ARTICLE 4. *Purchase Price and Payment.* The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Guarantor. The term “Purchase Price” as used herein shall mean the base price or prices as so increased or decreased. If on any Closing Date (as hereinafter defined in this Article 4) the aggregate of the Invoiced Purchase Prices (as hereinafter defined in this Article 4) for which settlement has theretofore been and is

then being made under this Agreement and the Conditional Sale Agreements referred to in Item 2 of Annex A hereto (hereinafter called the Other Agreements), would, but for the provisions of this sentence, exceed \$5,498,392 (or such higher amount as the Vendee may at its option agree to), the Builder (and any assignee of the Builder) and the Guarantor will, upon request of the Vendee, enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion and any concurrent exclusion under the Other Agreements, reduce such aggregate Invoiced Purchase Prices under both this Agreement and the Other Agreements to not more than \$5,498,392 (or such higher amount as aforesaid), and the Guarantor agrees to purchase any such unit or units so excluded from this Agreement from the Builder for cash on the date such unit or units would otherwise have been settled for under this Agreement either directly or, if the Builder and the Guarantor shall mutually agree, by means of a conditional sale, equipment trust or other appropriate method of financing.

The Equipment shall be settled for in such number of groups of units of the Equipment delivered to and accepted by the Vendee as is provided in Item 3 of Annex A hereto (each such group being hereinafter called a Group). The term "Closing Date" with respect to any Group shall mean such date not later than September 1, 1972 (herein called the Cut-Off Date), occurring not more than ten business days following presentation by the Builder to the Vendee and the Guarantor of the invoice and the Certificate or Certificates of Acceptance for the Group, as shall be fixed by the Guarantor by written notice delivered to the Vendee and the Vendor at least six business days prior to the Closing Date designated therein. The term "business

days” as used herein means calendar days, excluding Saturdays, Sundays, July 24 and any other day on which banking institutions in New York, New York are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) On each Closing Date with respect to each Group (i) an amount equal to 22.25% of the aggregate Purchase Price of such Group plus (ii) the amount by which (x) 77.75% of the Purchase Price of all units of the Equipment covered by this Agreement and the Other Agreements for which settlement has theretofore and is then being made, as set forth in the invoice or invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) the sum of \$4,275,000 and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to clause (ii) of this subparagraph (a) and pursuant to clause (ii) of subparagraph (a) of the third paragraph of Article 4 of the Other Agreements (said excess of clause (x) over clause (y) being hereinafter called the Excess Amount); *provided, however*, that if settlement is also being made on such Closing Date for units of railroad equipment under the Other Agreements, the amount payable pursuant to clause (ii) of this subparagraph (a) shall be that proportion of the Excess Amount which the Invoiced Purchase Prices payable on such Closing Date under this Agreement is of the aggregate of all the Invoiced Purchase Prices payable on such Closing Date under this Agreement and the Other Agreements; and

(b) In 30 consecutive semiannual instalments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The instalments of the portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (said portion of the aggregate Purchase Price for such Equipment being herein called the Conditional Sale Indebtedness) shall be payable on each March 1 and September 1, commencing March 1, 1973, to and including September 1, 1987 (or if any such date is not a business day on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date in respect of which such indebtedness was incurred at the rate of 8% per annum and such interest shall be payable, to the extent accrued, on September 1, 1972 and on each Payment Date thereafter. The principal amount of Conditional Sale Indebtedness payable on each of the 30 Payment Dates shall be calculated on such a basis that the aggregate of the principal and interest payable on each Payment Date shall be substantially equal and such 30 instalments of principal and interest will completely amortize the Conditional Sale Indebtedness. The Vendee will furnish to the Vendor and the Guarantor promptly after the last Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay interest, to the extent legally enforceable, at the rate of 9% per annum upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof or such lesser amount as shall be legally enforceable, anything herein to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. The Vendee will make payments in Federal funds by bank wire transfer to the Agent upon the written request of the Agent. Except as provided in Article 7 hereof, the Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The parties hereto contemplate (subject to the limitations set forth in the first paragraph of this Article 4) that the Vendee will furnish that portion of the Purchase Price for the Equipment as is required under subparagraph (a) of the third paragraph of this Article 4 and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by an assignee of the Builder's right, title and interest under this Agreement pursuant to an Agreement and Assignment between the Builder and First Security Bank of Idaho, National Association, as Agent (such Agreement and Assignment being hereinafter called the Assignment and such bank being herein called the Assignee or the Vendor as indicated in Article 25 hereof).

It is agreed that the obligation of the Vendee to pay to the Vendor any amount required to be paid pursuant to the third paragraph of this Article 4 with respect to the Equipment is specifically subject to the fulfillment, on or before the Closing Date in respect of any Group, of the following conditions (any of which may be waived by the Vendee, and payment by the Vendee of the amount specified

in subparagraph (a) of the third paragraph of this Article 4 with respect to such Group shall be conclusive evidence that such conditions have been fulfilled or irrevocably waived):

(a) appropriate provision shall have been made for payment by the Assignee to the Builder of the amounts contemplated to be paid by the Assignee as provided in the preceding paragraph of this Article 4 and in Section 6 of the Assignment and the documents required by Section 6 of the Assignment shall have been delivered;

(b) no event of default of the Guarantor specified herein or Event of Default of the Lessee under the Lease, nor any event which with lapse of time and/or demand provided for herein or in the Lease could constitute such an event of default or Event of Default, shall have occurred and be continuing; and

(c) the Vendee shall have received such other documents as the Vendee may reasonably request.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 16 and 17 hereof), it is understood and agreed by the Vendor that the liability of the Vendee for all payments to be made by it under and pursuant to this Agreement, with the exception only of the payments to be made pursuant to subparagraph (a) of the third paragraph of Article 4 and pursuant to Article 20 hereof, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee or any assignee of the Vendee shall have actually received sufficient "income or proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that

the Vendee shall have no personal liability to make any payments under this Agreement whatsoever except from the "income and proceeds from the Equipment" to the extent actually received by the Vendee or any assignee of the Vendee as above provided. In addition, the Vendor agrees and understands that the Vendee (i) makes no representation or warranty, and is not responsible for, the due execution, validity, sufficiency or enforceability of the Lease in so far as it relates to the Lessee (or any document relative thereto) or of any of the Lessee's or the Guarantor's obligations thereunder and (ii) shall have no obligation, duty or other liability whatsoever to see to or be responsible for the performance or observance by the Lessee or the Guarantor of any of their agreements, representations, indemnities, obligations or other undertakings under the Lease; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Guarantor and the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 16 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee or any assignee of the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and (b) any and all payments or proceeds received by the Vendee or any assignee of the Vendee under the Lease or for or with respect to the Equipment as the result of the sale, lease or other disposition thereof and after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any

hold harmless each assignee of any of the rights of the Builder under the Agreement, the Vendee agrees, subject to the provisions of the last paragraph of Article 4 of the Agreement and the second paragraph of Article 23 of the Agreement, to indemnify, protect and hold harmless each such assignee from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against each such assignee because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, article or material which infringes or is claimed to infringe on any patent or other right.

The Builder shall defend any suit or proceeding brought against the Vendee, the Lessee and/or each assignee of the Builder's rights under the Agreement so far as the same is based on a claim that the Equipment of Builder's specification, or any part thereof, furnished under this Agreement constitutes an infringement of any patent of the United States, if notified promptly in writing and given authority, information and assistance (at the Builder's expense) for the defense of same, and the Builder shall pay all damages and costs awarded therein against the Vendee, the Lessee and/or any such assignee.

The Builder further agrees that, in case the use of any unit of the Equipment or any part thereof is enjoined by a patent infringement suit or claim against the Builder, any assignee of the Builder, the Vendee or the Lessee (other than a suit or claim arising in any way out of an alleged infringement by reason of the use of or

incorporation in the Equipment of any device and/or specialty designated by the Lessee to be used by the Builder in the building of the Equipment and which was not manufactured by the Builder), the Builder will promptly, at its own expense and at its option: (i) procure for the Vendee the right to continue using such unit of the Equipment, or part thereof; or (ii) replace the same with a noninfringing unit or part thereof of the same quality and performance as the unit or part so replaced, or (iii) modify such unit of the Equipment, or part thereof, so that it becomes noninfringing and so that such unit or part thereof shall be of the same quality and performance as the unit or part so modified; *provided, however,* that the exercise of any of the foregoing options by the Builder shall not in any way be construed as a waiver of or a limitation on the rights of the Vendee or the Lessee under this Item 5.

The Builder will not assume liability for patent infringement by reason of purchase, manufacture, sale or use of devices not included in and covered by its specification.

The foregoing states the entire liability of the Builder for patent infringement by the Equipment or any part thereof.

- Item 2: The Conditional Sale Agreements dated as of April 1, 1972, between ACF Industries, Incorporated PACCAR Inc and Maxson Corporation, respectively, and The Western Pacific Railroad Company.
- Item 3: The Equipment shall be settled for in three Groups of units of the Equipment delivered to and accepted by the Vendee unless a different number shall be agreed to by the parties hereto.
- Item 4: The Builder warrants that the Equipment will be built in accordance with the Specifications and the standards and requirements set forth in Article 2 of the Conditional Sale Agreement to which this Annex A is attached (hereinafter in this Annex called the Agreement) and warrants the Equipment will be free from defects in material (except as to specialities incorporated therein that are not of the Builder's own specification or design) and workmanship under normal use and service; the Builder's obligations under this paragraph being limited to making good at its plant any part or parts of any unit of the Equipment which, within two years after the delivery of such unit to the Vendee or before such unit has been in scheduled service 250,000 miles (whichever event shall first occur), shall be returned to the Builder with transportation charges prepaid and which the

Builder's examination shall disclose to its satisfaction to have been thus defective.

This warranty of the Builder shall not apply (i) to any locomotive components which shall have been repaired or altered unless repaired or altered by the Builder or its authorized service representatives, if, in its judgment, such repairs or alterations affect the stability of a unit of the Equipment or (ii) to any unit of the Equipment which has been subject to misuse, negligence or accident.

This warranty is expressly in lieu of all other warranties expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, and of all other obligations or liabilities on the part of the Builder, except for its obligations under Articles 1, 2 and 3 of the Agreement and Item 5 of this Annex A. The Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid.

The Builder shall have no liability for any unit of the Equipment or part thereof which becomes defective by reason of improper storage or application, misuse, negligence, accident or improper operation, maintenance, repairs or alterations on the part of the Vendee or the Lessee or any third party other than the Builder. The foregoing warranty shall constitute the sole remedy of the Vendee or the Lessee and the sole liability of the Builder.

It is understood that the Builder has the right to make changes in the design of, or to add improvements to, units of the Equipment at any time without incurring any obligations to install, at the Builder's expense, the same on other locomotives sold by the Builder.

The Builder further agrees with the Vendee and the Guarantor that neither the inspection as provided in Article 3 of the Agreement, nor any examination, nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee or the Guarantor of any of their rights under this Item 4.

Notwithstanding anything to the contrary contained herein, it is understood and agreed that there will be incorporated in each unit of the Equipment a limited number of used components which will be remanufactured by the Builder and will be the equivalent of new components.

ANNEX A—GE

- Item 1: General Electric Company, a New York corporation, at 2901 East Lake Road, Erie, Pennsylvania 16501.
- Item 2: The Conditional Sale Agreements dated as of April 1, 1972, between ACF Industries, Incorporated PACCAR Inc and Maxson Corporation, respectively, and The Western Pacific Railroad Company.
- Item 3: The Equipment shall be settled for in three Groups of units of the Equipment delivered to and accepted by the Vendee unless a different number shall be agreed to by the parties hereto.

Builder's examination shall disclose to its satisfaction to have been thus defective.

This warranty of the Builder shall not apply (i) to any locomotive components which shall have been repaired or altered unless repaired or altered by the Builder or its authorized service representatives, if, in its judgment, such repairs or alterations affect the stability of a unit of the Equipment or (ii) to any unit of the Equipment which has been subject to misuse, negligence or accident.

This warranty is expressly in lieu of all other warranties expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, and of all other obligations or liabilities on the part of the Builder, except for its obligations under Articles 1, 2 and 3 of the Agreement and Item 5 of this Annex A. The Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid.

In no event shall the Builder be liable for special or consequential damages. The Builder's liability on any claim of any kind including negligence, or for any loss or damage arising out of, connected with, or resulting from, the Agreement, or from the performance or breach thereof, or from the manufacture, sale, delivery, resale, repair or use of any unit of the Equipment covered by, or furnished under, this Agreement, shall in no case exceed the Purchase Price of such unit of the Equipment involved in the claim except as provided in Item 4 of this Annex A, and upon the

expiration of the warranty period specified above, except as so provided, all such liability shall terminate. The Builder shall have no liability for any unit of the Equipment or part thereof which becomes defective by reason of improper storage or application, misuse, negligence, accident or improper operation, maintenance, repairs or alterations on the part of the Vendee or the Lessee or any third party other than the Builder. The foregoing warranty shall constitute the sole remedy of the Vendee or the Lessee and the sole liability of the Builder.

It is understood that the Builder has the right to make changes in the design of, or to add improvements to, units of the Equipment at any time without incurring any obligations to install, at the Builder's expense, the same on other locomotives sold by the Builder.

The Builder further agrees with the Vendee and the Guarantor that neither the inspection as provided in Article 3 of the Agreement, nor any examination, nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee or the Guarantor of any of their rights under this Item 4.

Notwithstanding anything to the contrary contained herein, it is understood and agreed that there will be incorporated in each unit of the Equipment a limited number of used components which will be remanufactured by the Builder and will be the equivalent of new components.

Item 5: Except to the extent the Builder is obligated under this Agreement to indemnify, protect and

hold harmless each assignee of any of the rights of the Builder under the Agreement, the Vendee agrees, subject to the provisions of the last paragraph of Article 4 of the Agreement and the second paragraph of Article 23 of the Agreement, to indemnify, protect and hold harmless each such assignee from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against each such assignee because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, article or material which infringes or is claimed to infringe on any patent or other right.

The Builder shall defend any suit or proceeding brought against the Vendee, the Lessee and/or each assignee of the Builder's rights under the Agreement so far as the same is based on a claim that the Equipment of Builder's specification, or any part thereof, furnished under this Agreement constitutes an infringement of any patent of the United States, if notified promptly in writing and given authority, information and assistance (at the Builder's expense) for the defense of same, and the Builder shall pay all damages and costs awarded therein against the Vendee, the Lessee and/or any such assignee.

The Builder further agrees that, in case the use of any unit of the Equipment or any part thereof is enjoined by a patent infringement suit or claim against the Builder, any assignee of the Builder, the Vendee or the Lessee (other than a suit or claim arising in any way out of an alleged infringement by reason of the use of or

incorporation in the Equipment of any device and/or specialty designated by the Lessee to be used by the Builder in the building of the Equipment and which was not manufactured by the Builder), the Builder will promptly, at its own expense and at its option: (i) procure for the Vendee the right to continue using such unit of the Equipment, or part thereof; or (ii) replace the same with a noninfringing unit or part thereof of the same quality and performance as the unit or part so replaced, or (iii) modify such unit of the Equipment, or part thereof, so that it becomes noninfringing and so that such unit or part thereof shall be of the same quality and performance as the unit or part so modified; *provided, however,* that the exercise of any of the foregoing options by the Builder shall not in any way be construed as a waiver of or a limitation on the rights of the Vendee or the Lessee under this Item 5.

The Builder will not assume liability for patent infringement by reason of purchase, manufacture, sale or use of devices not included in and covered by its specification.

The foregoing states the entire liability of the Builder for patent infringement by the Equipment or any part thereof.

**MODEL CONDITIONAL SALE PROVISIONS FOR
LEASE TRANSACTIONS**

ARTICLE 2. *Construction and Sale.* Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Guarantor (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture of each thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications for new equipment and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such units of the Equipment, and each unit of the Equipment (except to the extent, if any, referred to in Annex A hereto and/or Article 7 hereof) will be new railroad equipment.

ARTICLE 3. *Inspection and Delivery.* The Builder will deliver the units of the Equipment to the Vendee at the place or places within the United States of America specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places within the United States of America designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered, accepted and settled for pursuant to Article 4 hereof on or before the Cut-Off Date shall be excluded herefrom. If any Equipment shall be excluded from this Agreement pursuant to the immediately preceding sentence, the parties to this Agreement shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. If the Builder's failure to deliver Equipment so excluded from this Agreement resulted from one or more of the causes set forth in the immediately preceding paragraph, the Guarantor shall be obligated to accept such Equipment and pay the full purchase price therefor, determined as provided in this Agreement, if and when such Equipment shall be completed and delivered by the Builder, such payment to be in cash on the delivery of such Equipment, either directly or, in case the Guarantor shall arrange therefor, by means of a conditional sale agreement, equipment trust or such other appropriate method of financing as the Guarantor shall determine and as shall be reasonably acceptable to the Builder.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Guarantor) and the Builder shall grant to such authorized inspectors reason-

able access to its plant. The Builder agrees to inspect all materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Guarantor) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee on the date of such Certificate of Acceptance and are marked in accordance with Article 10 hereof; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof.

On delivery of each such unit hereunder at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof. The Builder and the Guarantor represent and warrant to, and agree with, the Vendee that no unit of the Equipment will be delivered to or used by the Guarantor or any other persons unless the same shall first be duly subjected to this Agreement and the Lease.

ARTICLE 5. *Title to the Equipment.* The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and

performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Guarantor as provided in this Agreement. Any and all additions to the Equipment (except, in the case of any unit of the Equipment which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such unit by the Guarantor, the cost of which is not included in the Purchase Price of such unit and which are not required for the operation or use of such unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and additions and replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment transferring its title thereto and property therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 22

hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. *Taxes.* All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which impositions the Vendee assumes and agrees to pay on demand in addition to

the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title of the Vendor or result in a lien upon any part of the Equipment; *provided, however*, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; *provided, however*, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved the payment thereof.

ARTICLE 9. *Reports and Inspections.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Agreement, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding cal-

endar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 10 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Guarantor's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 10. *Marking of Equipment.* The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex B hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's title to and property in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace or will cause to be replaced promptly any such name and words which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which state-

ment previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Vendee may allow the Equipment to be lettered with the names or initials or other insignia customarily used by the Guarantor or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of the rights of the Guarantor or its affiliates to use the Equipment as permitted under the Lease.

ARTICLE 11. *Compliance with Laws and Rules.* During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessees' operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration of any unit of the Equipment, or in the event that any equipment or appliance on any such unit shall be required to be changed or replaced, or in the

event that any additional or other equipment or appliance is required to be installed on any such unit in order to comply with such laws or rules, the Vendee will make such alterations, changes, replacements and additions at its own expense; *provided, however*, that the Vendee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. *Possession and Use.* The Vendee, so long as it shall not be in default under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The Vendee may lease the Equipment to the Lessee as permitted by, and for use as provided in, the Lease, but the rights of the Lessee and its permitted assigns (the Lessee hereby so acknowledging) under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement; *provided, however*, that so long as the Lessee shall not be in default under the Lease or under this Agreement in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Equipment. The Vendee hereby agrees that it will not exercise any of the remedies permitted in the case of an Event of Default under and as defined in the Lease until the Vendor shall have received notice in writing of its intended exercise thereof, and hereby further agrees to furnish to the Vendor copies of all summonses, writs, processes and other documents served by it upon the Lessee or served by the Lessee upon it in connection therewith.

possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Guarantor or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Guarantor, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Guarantor agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Guarantor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Guarantor requiring specific performance hereof. The Vendee and the Guarantor here-

by expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Guarantor by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; *provided, further*, that if the Vendee, the Guarantor or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor

may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Guarantor and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Guarantor or any other party claiming from, through or under the Vendee or the Guarantor at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing,

holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Vendee and the Guarantor shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed as provided in Article 22 hereof. If such sale shall be a private sale, it shall be subject to the rights of the Vendee and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 17), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies

shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Guarantor shall not otherwise alter or affect the Vendor's rights or the Vendee's or the Guarantor's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee or the Guarantor, as the case may be, to the extent of their respective interests therein.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Guarantor will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of

C. the Security Documents (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

E. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

Part III

**MODEL ASSIGNMENT PROVISIONS FOR
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Guarantor or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Guarantor, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Guarantor agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Guarantor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Guarantor requiring specific performance hereof. The Vendee and the Guarantor here-

by expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Guarantor by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; *provided, further*, that if the Vendee, the Guarantor or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor

may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Guarantor and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Guarantor or any other party claiming from, through or under the Vendee or the Guarantor at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing,

holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Vendee and the Guarantor shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed as provided in Article 22 hereof. If such sale shall be a private sale, it shall be subject to the rights of the Vendee and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 17), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies

shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Guarantor shall not otherwise alter or affect the Vendor's rights or the Vendee's or the Guarantor's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee or the Guarantor, as the case may be, to the extent of their respective interests therein.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Guarantor will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of

C. the Security Documents (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

E. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however,* that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

Part III

**MODEL ASSIGNMENT PROVISIONS FOR
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

advice from special counsel for the Assignee or from the Guarantor that such filing and recordation have occurred).

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Guarantor arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 15 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Guarantor in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Guarantor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Guarantor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Guarantor with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee (with an executed counterpart to the Vendee), as provided in Article 15 of the Conditional Sale Agreement and at least five business days prior to such Closing Date,

the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) A bill of sale from the Builder to the Assignee transferring to the Assignee title to the units of the Equipment then being settled for under the Conditional Sale Agreement, warranting to the Assignee and to the Vendee that, at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and that title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, and covenanting to defend the title to such units against the demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) A Certificate or Certificates of Acceptance with respect to the units of the Equipment as contemplated by Article 3 of the Conditional Sale Agreement and a Certificate or Certificates of Delivery with respect to such units as contemplated by § 2 of the Lease;

(c) A certificate of an officer of the Guarantor to the effect that none of the units of the Equipment was placed in the service of the Guarantor or otherwise was used by the Guarantor prior to delivery and acceptance of such units under the Conditional Sale Agreement and the Lease;

(d) An invoice of the Builder addressed to the Assignee for the units of the Equipment accompanied by or having endorsed thereon a certification by the Vendee and the Guarantor as to the correctness of the prices of such units;

(e) An opinion of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, addressed to the Assignee and the Investors stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment is validly vested in the Assignee and such units, at the time of delivery thereof to the Vendee under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Guarantor under the Lease), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this As-

signment, or if any such authority is necessary, it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America or in the District of Columbia and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended; and such opinion shall also cover such other matters as may reasonably be requested by the Assignee or such Investors;

(f) An opinion of counsel for the Vendee or the beneficial owner of the Equipment, dated as of such Closing Date, stating that the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered by the Vendee and are legal and valid instruments binding upon the Vendee and enforceable against the Vendee in accordance with their terms;

(g) An opinion of counsel for the Guarantor, dated as of such Closing Date and addressed to the Vendee as well as the Assignee, to the effect set forth in clauses (i), (ii), (iii), (v), (vi) and (vii) of subparagraph (e) above and stating that the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation and has the power and authority to own its properties and to carry on its business as now conducted;

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder; and

(i) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder

and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Agent having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agree-

while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the partners or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documents, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documents) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will

not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§ 14. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate, or, in the absence of such designation, as the Lessor may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occur-

rence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 7 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence while this Lease is in effect.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Documents), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease;

B. the Security Documents and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms;

C. the Security Documents (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

E. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

Part III

**MODEL ASSIGNMENT PROVISIONS FOR
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

advice from special counsel for the Assignee or from the Guarantor that such filing and recordation have occurred).

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Guarantor arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 15 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Guarantor in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Guarantor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Guarantor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Guarantor with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee (with an executed counterpart to the Vendee), as provided in Article 15 of the Conditional Sale Agreement and at least five business days prior to such Closing Date,

the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) A bill of sale from the Builder to the Assignee transferring to the Assignee title to the units of the Equipment then being settled for under the Conditional Sale Agreement, warranting to the Assignee and to the Vendee that, at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and that title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, and covenanting to defend the title to such units against the demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) A Certificate or Certificates of Acceptance with respect to the units of the Equipment as contemplated by Article 3 of the Conditional Sale Agreement and a Certificate or Certificates of Delivery with respect to such units as contemplated by § 2 of the Lease;

(c) A certificate of an officer of the Guarantor to the effect that none of the units of the Equipment was placed in the service of the Guarantor or otherwise was used by the Guarantor prior to delivery and acceptance of such units under the Conditional Sale Agreement and the Lease;

(d) An invoice of the Builder addressed to the Assignee for the units of the Equipment accompanied by or having endorsed thereon a certification by the Vendee and the Guarantor as to the correctness of the prices of such units;

(e) An opinion of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, addressed to the Assignee and the Investors stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment is validly vested in the Assignee and such units, at the time of delivery thereof to the Vendee under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Guarantor under the Lease), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this As-

signment, or if any such authority is necessary, it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America or in the District of Columbia and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended; and such opinion shall also cover such other matters as may reasonably be requested by the Assignee or such Investors;

(f) An opinion of counsel for the Vendee or the beneficial owner of the Equipment, dated as of such Closing Date, stating that the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered by the Vendee and are legal and valid instruments binding upon the Vendee and enforceable against the Vendee in accordance with their terms;

(g) An opinion of counsel for the Guarantor, dated as of such Closing Date and addressed to the Vendee as well as the Assignee, to the effect set forth in clauses (i), (ii), (iii), (v), (vi) and (vii) of subparagraph (e) above and stating that the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation and has the power and authority to own its properties and to carry on its business as now conducted;

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder; and

(i) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder

and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Agent having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agree-

ment was duly authorized by it and lawfully executed and delivered by it for a valid consideration, that, assuming due authorization, execution and delivery by the Vendee and the Guarantor, the Conditional Sale Agreement is, in so far as the Builder is concerned, a legal, valid and existing agreement binding upon the Builder in accordance with its terms and that it is now in force without amendment thereto:

(b) agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be; and

(c) agrees that, upon request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.

LEASE OF RAILROAD EQUIPMENT

Dated as of April 1, 1972

between

THE WESTERN PACIFIC RAILROAD COMPANY

and

**FIRST SECURITY BANK OF UTAH,
NATIONAL ASSOCIATION**

LEASE OF RAILROAD EQUIPMENT dated as of April 1, 1972, between THE WESTERN PACIFIC RAILROAD COMPANY, a California corporation (hereinafter called the Lessee), and FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, a national banking association (hereinafter called the Lessor).

WHEREAS, the Lessor and the Lessee have entered into four Conditional Sale Agreements dated as of April 1, 1972 (hereinafter called the Security Documents), with PACCAR INC, ACF INDUSTRIES, INCORPORATED, GENERAL ELECTRIC COMPANY and MAXSON CORPORATION, respectively (hereinafter individually called a Builder and together the Builders), wherein the Builders have agreed to manufacture, sell and deliver to the Lessor the railroad equipment described in Schedule A hereto;

WHEREAS, the Builders have assigned or will assign their respective interests in the Security Documents to FIRST SECURITY BANK OF IDAHO, NATIONAL ASSOCIATION, as Agent (hereinafter, together with its successors and assigns, referred to as the Vendor); and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number (hereinafter called the Units) as are delivered and accepted and settled for under the Security Documents on or prior to September 1, 1972 (hereinafter called the Cut-Off Date), at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following

terms and conditions, but, upon default of the Lessee hereunder or under the Security Documents, subject to all the rights and remedies of the Vendor under the Security Documents:

§ 1. *Incorporation of Model Provisions.* Whenever this Lease incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Lease Provisions" annexed to the Security Documents as Part II of Annex C thereto (hereinafter called the Model Lease Provisions), such provision of the Model Lease Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Lease.

§ 2. *Delivery and Acceptance of Units.* § 2 of the Model Lease Provisions is herein incorporated as § 2 hereof except that the words "and the Builder" shall be inserted after the word "Lessor" in the eighth line thereof.

§ 3. *Rentals.* The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease the following: on September 1, 1972 an amount equal to .02222% of the Purchase Price (as defined in the appropriate Security Documents) of each Unit settled for under the Security Documents on or before September 1, 1972 for each day elapsed from and including the date such Unit is settled for under the Security Documents to September 1, 1972, thereafter 30 consecutive semiannual payments payable on March 1 and September 1 in each year commencing with March 1, 1973 each in an amount equal to 4.49742% of the Purchase Price of each Unit subject to this Lease on such date.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease in Federal funds (including but not limited to the payments required under

§ 7 hereof) for the account of the Lessor, c/o First Security Bank of Idaho, 119 North 9th Street, Boise, Idaho 83707, attention of Trust Department on or before the date upon which such payments are due and owing and the Lessee agrees so to do. On or before the date upon which payments to the Vendor under the Security Documents are due and owing, First Security Bank of Idaho, National Association, is hereby irrevocably instructed to apply funds received hereunder to make such payment to the Vendor (or to any assignee of the Vendor pursuant to Section 7 of the Agreements and Assignments between the respective Builders and the Vendor, dated as of April 1, 1972, under which the Security Documents are being assigned to the Vendor). Such payments shall be applied by the Vendor to satisfy the obligations of the Lessor under the Security Documents payable at the time such payments are due hereunder (or within six days thereafter) and, so long as no default under the Security Documents shall have occurred and be continuing, any balance shall be paid to the Lessor.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documents, including the Lessee's rights by subrogation under Article 8 thereof, or the Builders or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other

restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 4. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§ 7 and 10 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, or under the Security Documents in its capacity as Guarantor or otherwise, are subject to the rights of the Vendor under the Security Documents. If an event of default should occur under the Security Documents, the Vendor may ter-

minate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not so in default under this Lease or under the Security Documents.

§ 5. *Identification Marks.* § 5 of the Model Lease Provisions is herein incorporated as § 5 hereof, except that nothing contained in such § 5 shall bar the Lessor from having its name, initials or other insignia on the Units.

§ 6. *Taxes.* § 6 of the Model Lease Provisions is herein incorporated as § 6 hereof, except that the first sentence of the first paragraph thereof shall be deleted and replaced with the following:

“All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts or gross receipts taxes [other than gross receipts taxes in the nature of sales or use taxes], up to the amount of any such taxes which would be payable to the state and city in which the Lessor resides or has its principal place of business without apportionment to any other state, or, if no such taxes would be payable, then up to the amount of taxes which would be payable in any other taxing jurisdiction charging the lowest

rate of such taxes without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documents, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein."

§ 7. *Payment for Casualty Occurrences; Insurance.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Lessor or the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice, the Lessee shall pay to the Lessor the rental payment due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit.

The Casualty Value of each Unit as of any rental payment date shall be that percentage of the Purchase Price of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Lessee on

§ 21. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of April 1, 1972, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

My Commission Expires

to the full benefit of the Investment Credit and the ADR Deduction with respect to the Units.

The Lessee represents and warrants that (i) none of the Units constitutes property the construction, reconstruction or erection of which was begun before April 1, 1971; (ii) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Section 48(b) of the Code and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c)(2) of the Code from commencing with the Lessor; and (iii) at all times during the term of this Lease, each Unit will constitute "Section 38 property" within the meaning of Section 48(a) of the Code.

If (other than for the reasons set forth below) the Lessor shall lose, or shall not have or shall lose the right to claim, or there shall be disallowed with respect to the Lessor, all or any portion of the Investment Credit or ADR Deduction with respect to any Unit the rental rate applicable to such Unit set forth in § 3 of this Lease shall, on and after the next succeeding rental payment date after written notice to the Lessee by the Lessor that such Investment Credit or ADR Deduction has not been claimed, or if claimed and then disallowed on and after the next succeeding rental date after payment of the tax attributable thereto, be increased by such amount for such Unit which, in the reasonable opinion of the Lessor, will cause the Lessor's net return over the term of the Lease in respect of such Unit under this Lease to equal the net return that would have been available if the Lessor had been entitled to utilization of all or such portion of the Investment Credit or ADR Deduction which was not claimed or was disallowed and the Lessee shall forthwith pay to the Lessor

the amount of any interest which may be assessed by the United States against the Lessor attributable to the loss of all or any portion of the Investment Credit or ADR Deduction; *provided, however*, that such rental rate shall not be so increased if the Lessor shall have lost, or shall not have, or shall have lost the right to claim, or if there shall have disallowed with respect to the Lessor, all or any portion of such Investment Credit or ADR Deduction with respect to such Unit as a direct result of the occurrence of any of the following events:

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Lessor the amounts stipulated under § 7 hereof;

(ii) a transfer by the Lessor of legal title to such Unit, the disposition by the Lessor of any interest in such Unit or the reduction by the Lessor of its interest in the rentals from such Unit under the Lease, unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the amendment of the Security Documents without the prior written consent of the Lessee;

(iv) the failure of the Lessor to claim such Investment Credit or ADR Deduction as applicable, in its income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming such Investment Credit or ADR Deduction as applicable;

(v) the failure of the Lessor to have sufficient liability for tax against which to credit such Investment Credit or sufficient income to benefit from the ADR Deduction as applicable;

(vi) the failure of the Lessor to take timely action in contesting a claim made by the Internal Revenue Service with respect to the disallowance of such Invest-

ment Credit or ADR Deduction, if the failure to take such action in a timely manner shall have precluded the right of the Lessee to contest such claim, or a failure to take action to contest any such claim after a timely request to conduct such contest has been given by the Lessee to the Lessor (provided that the Lessee shall upon demand of the Lessor pay to the Lessor the expenses of any such contest as a condition of prosecuting the same); or the release, waiver, compromise or settlement of any action or proceeding taken in accordance with this clause (vi) by the Lessor without the prior written consent of the Lessee; or

(vii) any other fault of the Lessor which directly causes the loss of any of the aforesaid tax benefits; *provided, however*, that the execution and delivery of this Lease and the other documents herein referred to and the carrying out of the transactions contemplated herein and therein in accordance with the terms of this Lease and such other documents shall not be deemed to have caused the loss of such tax benefit under this clause (vii).

If action is taken by the Lessor with respect to the disallowance of all or a portion of the Investment Credit or ADR Deduction and the final determination shall be adverse to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax and interest paid attributable to the Investment Credit or ADR Deduction disallowed, computed at the rate of 8% per annum from the date of payment of such tax and interest to the date the Lessee shall reimburse the Lessor in accordance with the provisions of this § 17. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested.

If the Lessor's right to claim all or any part of the full Investment Credit or ADR Deduction with respect to a Unit, which was not claimed or was disallowed, shall be established by the final judgment or decree of the court or administrative agency having jurisdiction thereof, or if the Lessor shall release, waive, compromise or settle any claim without the written consent of the Lessee, then, on the next succeeding rental payment date thereafter, or after such judgment or decree shall have become final, as the case may be, the rental rate in respect of such Unit set forth in § 3 of this Lease shall again become applicable to such Unit and the Lessor shall forthwith upon demand of the Lessee reimburse Lessee in an amount equal to the excess, if any, of (i) the sum of (A) the difference between the increased rental paid by the Lessee with respect to such Unit pursuant to the fourth paragraph of this § 17 and the rental rate applicable to such Unit pursuant to § 3 of this Lease and (B) any interest paid by the Lessee to the Lessor pursuant to the next preceding paragraph of this § 17 over (ii) the difference between (A) an amount equal to interest at the rate of 8% per annum on the amount of any federal income tax paid by the Lessor on account of the disallowance or inability to claim the Investment Credit or ADR Deduction on such Unit and (B) the amount of any interest to which the Lessor would be entitled in connection with the refund of any tax paid on account of such disallowance or inability to claim; *provided, however*, that if the amount calculated in accordance with clause (ii) exceeds the amount calculated in accordance with clause (i), the Lessee shall pay such excess to the Lessor promptly on demand.

The Lessee's and the Lessor's agreement to pay any sums which may become payable pursuant to this § 17 shall survive the expiration or other termination of this Lease.

§ 18. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpay-

ment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to 9% per annum of the overdue rentals for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 19. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

(a) if to the Lessor, at 79 South Main Street, Salt Lake City, Utah 84111; and

(b) if to the Lessee, at 526 Mission Street, San Francisco, California 94105, attention Vice President—Finance;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 20. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

“So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic and equipment, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however,* that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other carriers so using any of the Units.”

§ 13. *Purchase Option.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease, elect to purchase all, but not fewer than all, the Units covered by this Lease at the end of such term of this Lease for a purchase price equal to the “Fair Market Value” of such Units as of the end of such term.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession and (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, the majority of a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

Upon payment of the purchase price, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without representations or warranties except that such Units are free and clear of all claims, liens, security interests and other encumbrances by or in favor of any person claiming by, through or under the Lessor) for such Units, and such other documents as may be required to release such Units from the terms and scope of this Lease and to transfer title thereto to the Lessee or such assignee or nominee, in such

to the full benefit of the Investment Credit and the ADR Deduction with respect to the Units.

The Lessee represents and warrants that (i) none of the Units constitutes property the construction, reconstruction or erection of which was begun before April 1, 1971; (ii) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Section 48(b) of the Code and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c)(2) of the Code from commencing with the Lessor; and (iii) at all times during the term of this Lease, each Unit will constitute "Section 38 property" within the meaning of Section 48(a) of the Code.

If (other than for the reasons set forth below) the Lessor shall lose, or shall not have or shall lose the right to claim, or there shall be disallowed with respect to the Lessor, all or any portion of the Investment Credit or ADR Deduction with respect to any Unit the rental rate applicable to such Unit set forth in § 3 of this Lease shall, on and after the next succeeding rental payment date after written notice to the Lessee by the Lessor that such Investment Credit or ADR Deduction has not been claimed, or if claimed and then disallowed on and after the next succeeding rental date after payment of the tax attributable thereto, be increased by such amount for such Unit which, in the reasonable opinion of the Lessor, will cause the Lessor's net return over the term of the Lease in respect of such Unit under this Lease to equal the net return that would have been available if the Lessor had been entitled to utilization of all or such portion of the Investment Credit or ADR Deduction which was not claimed or was disallowed and the Lessee shall forthwith pay to the Lessor

the amount of any interest which may be assessed by the United States against the Lessor attributable to the loss of all or any portion of the Investment Credit or ADR Deduction; *provided, however*, that such rental rate shall not be so increased if the Lessor shall have lost, or shall not have, or shall have lost the right to claim, or if there shall have disallowed with respect to the Lessor, all or any portion of such Investment Credit or ADR Deduction with respect to such Unit as a direct result of the occurrence of any of the following events:

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Lessor the amounts stipulated under § 7 hereof;

(ii) a transfer by the Lessor of legal title to such Unit, the disposition by the Lessor of any interest in such Unit or the reduction by the Lessor of its interest in the rentals from such Unit under the Lease, unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the amendment of the Security Documents without the prior written consent of the Lessee;

(iv) the failure of the Lessor to claim such Investment Credit or ADR Deduction as applicable, in its income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming such Investment Credit or ADR Deduction as applicable;

(v) the failure of the Lessor to have sufficient liability for tax against which to credit such Investment Credit or sufficient income to benefit from the ADR Deduction as applicable;

(vi) the failure of the Lessor to take timely action in contesting a claim made by the Internal Revenue Service with respect to the disallowance of such Invest-

ment Credit or ADR Deduction, if the failure to take such action in a timely manner shall have precluded the right of the Lessee to contest such claim, or a failure to take action to contest any such claim after a timely request to conduct such contest has been given by the Lessee to the Lessor (provided that the Lessee shall upon demand of the Lessor pay to the Lessor the expenses of any such contest as a condition of prosecuting the same); or the release, waiver, compromise or settlement of any action or proceeding taken in accordance with this clause (vi) by the Lessor without the prior written consent of the Lessee; or

(vii) any other fault of the Lessor which directly causes the loss of any of the aforesaid tax benefits; *provided, however*, that the execution and delivery of this Lease and the other documents herein referred to and the carrying out of the transactions contemplated herein and therein in accordance with the terms of this Lease and such other documents shall not be deemed to have caused the loss of such tax benefit under this clause (vii).

If action is taken by the Lessor with respect to the disallowance of all or a portion of the Investment Credit or ADR Deduction and the final determination shall be adverse to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax and interest paid attributable to the Investment Credit or ADR Deduction disallowed, computed at the rate of 8% per annum from the date of payment of such tax and interest to the date the Lessee shall reimburse the Lessor in accordance with the provisions of this § 17. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested.

If the Lessor's right to claim all or any part of the full Investment Credit or ADR Deduction with respect to a Unit, which was not claimed or was disallowed, shall be established by the final judgment or decree of the court or administrative agency having jurisdiction thereof, or if the Lessor shall release, waive, compromise or settle any claim without the written consent of the Lessee, then, on the next succeeding rental payment date thereafter, or after such judgment or decree shall have become final, as the case may be, the rental rate in respect of such Unit set forth in § 3 of this Lease shall again become applicable to such Unit and the Lessor shall forthwith upon demand of the Lessee reimburse Lessee in an amount equal to the excess, if any, of (i) the sum of (A) the difference between the increased rental paid by the Lessee with respect to such Unit pursuant to the fourth paragraph of this § 17 and the rental rate applicable to such Unit pursuant to § 3 of this Lease and (B) any interest paid by the Lessee to the Lessor pursuant to the next preceding paragraph of this § 17 over (ii) the difference between (A) an amount equal to interest at the rate of 8% per annum on the amount of any federal income tax paid by the Lessor on account of the disallowance or inability to claim the Investment Credit or ADR Deduction on such Unit and (B) the amount of any interest to which the Lessor would be entitled in connection with the refund of any tax paid on account of such disallowance or inability to claim; *provided, however*, that if the amount calculated in accordance with clause (ii) exceeds the amount calculated in accordance with clause (i), the Lessee shall pay such excess to the Lessor promptly on demand.

The Lessee's and the Lessor's agreement to pay any sums which may become payable pursuant to this § 17 shall survive the expiration or other termination of this Lease.

§ 18. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpay-

ment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to 9% per annum of the overdue rentals for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 19. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

(a) if to the Lessor, at 79 South Main Street, Salt Lake City, Utah 84111; and

(b) if to the Lessee, at 526 Mission Street, San Francisco, California 94105, attention Vice President—Finance;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 20. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

§ 21. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of April 1, 1972, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 22. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Utah, *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.
