LEASE OF RAILROAD EQUIPMENT dated as of March 15, 1978, between VIRGINIA CHEMICALS INC., a Maine corporation (hereinafter called the Lessee), and HARTFORD NATIONAL BANK AND TRUST COMPANY, a national banking association, not in its individual capacity, but solely as Trustee (hereinafter called the Lessor) under a Trust Agreement dated as of December 30, 1977 (hereinafter called the Trust Agreement), with Chemlease Worldwide, Inc., and GATX Aircraft Corporation (hereinafter collectively called the Beneficiaries).

WHEREAS the Lessor is entering into a conditional sale agreement dated as of the date hereof with ACF Industries Incorporated, a New Jersey corporation, and Union Tank Car Company, a Delaware corporation (hereinafter called the Builders), (such agreement being hereinafter called the Security Documentation), wherein the Builders have agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule A hereto (hereinafter called the Equipment);

WHEREAS the Builders are assigning their respective interests in the Security Documentation to UNION MUTUAL LIFE INSURANCE COMPANY (hereinafter together with its successors and assigns called the Vendor) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessee, the Lessor, the Beneficiaries and the Vendor; and

WHEREAS the Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the Security Documentation (hereinafter called the Units) at the rentals and for the terms and upon the conditions hereinafter provided.

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease, and the Lessee shall not be entitled to any abatement of rent,

reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, or against either Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the Security Documentation. The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documentation. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit, and the Lessee shall execute and deliver to the Lessor a certificate of acceptance (hereinafter called the Certificate of Acceptance), in accordance with the provisions

of Article 3 of the Security Documentation, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the Security Documentation pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such unit to this Lease. The inspection and acceptance by the Lessee of any Unit shall not in any way release any rights which the Lessee may have against the Builder thereof under any warranty relating to such Unit.

§ 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 41 consecutive semiannual payments payable on January 1, 1979 (hereinafter called the Primary Lease Term Commencement Date) and on each of the next 40 consecutive semi-annual anniversaries of the Primary Lease Term Commencement Date, occurring thereafter. The rental payment payable on the Primary Lease Term Commencement Date shall be in an amount equal to interest on the Purchase Price (as defined in the Security Documentation) of each Unit then subject to this Lease at an annual rate of 8-3/4% per annum for each day (computed on the basis of a 360-day year of twelve 30-day months) elapsed from and including the date such Unit is settled for under the Security Documentation, to but not including the Primary Lease Term Commencement Date. The remaining 40 rental payments shall each be in an amount equal to 4.2580% of the Purchase Price of each Unit then subject to this Lease.

The rental payments hereinbefore set forth are subject to adjustment pursuant to § 7 hereof.

If any of the semiannual rental payment dates referred to above is not a business day the semiannual rental payment otherwise payable on such date shall be payable on the next succeeding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in New York, New York, or Portland, Maine, are authorized or obligated to remain closed.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, including, but not limited to, the payments provided for in this § 3 and in § 7 hereof, at the principal office of the Vendor, for the account of the Lessor in care of the Vendor, with instructions to the Vendor first, to apply such payments to satisfy the obligations of the Lessor under the Security Documentation, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default under the Security Documentation shall have occurred and be continuing, to pay within five days any balance to the Lessor at such place as the Lessor shall specify in writing; provided that any indemnity payable the Lessor in its individual capacity or to any Beneficiary pursuant to § 9 hereof and taxes and indemnities payable or reimbursed to any Beneficiary under § 6 hereof shall be paid by check of the Lessee directly to the party to receive the same. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in Federal or other funds immediately available to the Vendor by 11:00 a.m., New York City time, on the date such payment is due.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 9 and 14 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the Security Documentation, provided, however, that the Vendor may not terminate this Lease as a result of the occurrence of an event of default under the Security Documentation which is not an Event of Default under this Lease provided, however, that, so long as (i) no Event of Default exists hereunder, and (ii) the Lessee is complying with the provisions of the Consent (as defined in the Participation Agreement), this Lease may not be terminated and the Lessee shall be entitled to the right of possession, use and assignment provided under § 12 hereof.

§ 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with the road number set forth in Schedule A hereto, or in the case of any Unit not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one-half inch in height, the words "Ownership subject to a Security Agreement Filed under the Interstate Commerce Act, Section 20c", "Owned by a Bank or Trust Company under a Security Agreement Filed under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked and will replace promptly any such markings which may be removed, obliterated, defaced or destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and duly filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documentation shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to such effect. The Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership.

§ 6. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor and each Beneficiary for collection or other charges and will be free of expense to the Lessor and each Beneficiary with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax payable by any Beneficiary in consequence of the receipt of payments provided for herein and other than the aggregate

of all state or local taxes measured by net income based on such receipts, up to the amount of any such taxes based on such receipts which would be payable to the state and locality in which each Beneficiary, respectively, has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay before they become delinquent in addition to the payments to be made by it provided for herein. The Lessee will also pay before they become delinquent all impositions which may be imposed upon any Unit or for the use or operation thereof (except as provided above) or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof or on any Beneficiary solely by reason of its interest therein and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or the interest of any Beneficiary or result in a lien upon any such Unit; provided, however, that the Lessee shall not be under any obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and (i) the nonpayment thereof does not, in the reasonable opinion of the Lessor and/or any Beneficiary affected thereby, adversely affect the title, property or rights of the Lessor and/or such Beneficiary hereunder or the Vendor under the Security Documentation or (ii) the Lessee shall at its expense establish in respect of such claim with an escrow agent approved in writing by the Lessor and each Beneficiary an escrow fund equal to the lesser of (A) the maximum amount, including interest and penalties, of the impositions which the Lessee is not permitted to contest pursuant to clause (i) of this proviso or (B) the then aggregate Casualty Value of all the Units then subject to this Lease. The Lessee agrees to give the Lessor and/or such Beneficiary notice of such contest within 30 days after institution thereof, and the Lessor and/or such Beneficiary agrees to provide such information as may be reasonably requested by the Lessee in furtherance of such contest. If any impositions shall have

been charged or levied against the Lessor or any Beneficiary directly and paid by the Lessor or any Beneficiary, the Lessee shall reimburse the Lessor or such Beneficiary on presentation of an invoice therefor; provided, however, that the Lessor or such Beneficiary shall have given the Lessee written notice of such imposition prior to such payment.

In the event that the Lessor or any Beneficiary shall become obligated to make any payment to either Builder or the Vendor or otherwise pursuant to any correlative provision of the Security Documentation not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor and/or such Beneficiary as will enable the Lessor and/or such Beneficiary to fulfill completely its obligations pursuant to said provision.

In the event any reports with regard to impositions are required to be made, the Lessee will, where permitted so to do under applicable rules or regulations, make and timely file such reports in such manner as to show the interest of the Lessor and the Vendor as shall be reasonably satisfactory to the Lessor and the Vendor or, where not so permitted, will notify the Lessor and the Vendor of such requirement and will prepare and deliver such reports to the Lessor and the Vendor within a reasonable time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

To the extent the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor and each Beneficiary hereby authorizes the Lessee to act in the Lessor's and/or such Beneficiary's own name and on the Lessor's and/or such Beneficiary's behalf; provided, however, that the Lessee shall indemnify and hold the Lessor and each Beneficiary harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor or any Beneficiary, submit to the Lessor or such Beneficiary copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor or such Beneficiary of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor or any Beneficiary reasonably may require to permit the Lessor's or such Beneficiary's compliance with the requirements of taxing jurisdictions.

§ 7. Maintenance; Casualty Occurrences; Insurance. The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease (a) in good operating order, repair and condition, reasonable wear and tear excepted, (b) in compliance with any and all applicable laws and regulations and (c) so that it is desirable and suitable for purchase or lease and use by a Class I railroad (not then or prospectively a debtor in any insolvency or reorganization proceeding) and at all times suitable for interchange.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, returned to the Builder pursuant to the patent indemnity provisions of the Security Documentation, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government (such occurrences being hereinafter called Casualty Occurrences), prior to the return of such Unit in the manner set forth in § 14 hereof, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the rental payment or payments in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule referred to below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on

an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor. The Lessee shall be entitled to credit against the Casualty Value payable in respect of any Unit returned to the Builder pursuant to the patent indemnity provisions of the Security Documentation in an amount equal to any payment made by the Builder to the Lessor in respect thereof under the Security Documentation.

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be (i) 90% of that percentage of the Purchase Price of such Unit as is set forth in the Schedule in item 1 of Schedule B hereto opposite such date in the column headed "Chemlease Percentage" plus (ii) 10% of that percentage of the Purchase Price of such Unit as is set forth in the Schedule in item 1 of Schedule B hereto opposite such date in the column headed "GATX Percentage".

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease and before such Unit shall have been returned in the manner provided in § 14 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be an amount equal to 25% of the Purchase Price of such Unit. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

In the event of the requisition for use by the United States Government (hereinafter called the Government) of any Unit during the term of this Lease or any renewal thereof all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such requisition remains in effect at the end of the later of the original term of this Lease or any renewal thereof, such Unit shall be deemed to have suffered a Casualty

Occurrence on such date. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease or any renewal thereof shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease or any renewal thereof, shall be paid over to, or retained by, the Lessee.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Equipment to the Lessor, at its own expense, cause to be carried and maintained property insurance in respect of the Units with insurers reasonably acceptable to the Lessor and the Vendor, which insurers may include V.C. Insurance, Limited, a Bermuda corporation, at the time subject hereto, in an amount at least equal to the greater of the aggregate Casualty Value of all such Units or the fair market value of all such Units (such fair market value for each Unit being for purposes of this § 7 at any time the then fair market value for items of equipment of the same type, description, age and classification of such Unit as is set forth in the most recent edition of the Field Manual, American Association of Railroads Interchange Rule Book, Rule 107, or any successor publication and/or rule) insuring against loss and destruction of, and damage to, such Units arising out of fire, windstorm, explosion and all other hazards and risks ordinarily subject to extended coverage insurance, and against such other hazards and risks as are customarily insured against by companies owning or leasing property of a similar character and engaged in a business of a similar nature to that engaged in by the Lessee with a deductible not in excess of \$5,000 for each Unit in service and not in excess of \$10,000 for each Unit out of service and, provided that the total policy amount of such insurance need not be in excess of \$750,000 per occurrence with respect to Units in service and not on the premises of the Lessee, and public liability insurance covering damage to property as a result of a single occurrence of at least \$5,000,000

with a deductible amount of not in excess of \$1,000,000 per occurrence and bodily injuries as a result of a single occurrence of at least \$5,000,000 with a deductible amount of not in excess of \$1,000,000 per occurrence, and the benefits thereof shall be payable to the Vendor, the Lessor and the Lessee, as their interests may appear. Each policy of insurance required by this paragraph shall (i) provide that it cannot be materially altered or canceled except upon 30 days' prior written notice to the Lessor and the Vendor, (ii) provide that the policies will not be invalidated as against the Lessor, any Beneficiary or the Vendor because of any violation of a condition or warranty of the policy or the application therefor by the Lessee, (iii) provide that the policies shall be prepaid a minimum of ninety (90) days and (iv) provide that all the provisions thereof except the limits of liability (which shall be applicable to all insureds as a group) and liability for premiums (which shall be solely a liability of the Lessee) shall operate in the same manner as if they were a separate policy covering each insured and shall be primary without right of contribution from any insurance carried by the Lessor, any Beneficiary or the Vendor. Such insurance policies shall also not have any co-insurance clauses. The Lessee represents that the Units will be used for carrying amines, chlorine, sulphur dioxide and alcohols, and the Lessee agrees that it will not use any Unit to carry any other substance classified by the Office of Hazardous Material Operations of the Federal Railway Administration in the United States Department of Transportation as a hazardous substance or any explosive or poison unless it shall have advised the Lessor in writing of such intended use and shall have obtained such additional insurance in connection with such use as the Lessor shall have requested in writing. If the Lessor shall receive any insurance proceeds from insurance maintained by the Lessee pursuant hereto or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee having made payment of the Casualty Value in respect of such Unit, pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee, and any balance of such proceeds or condemnation payments shall remain the property of the Lessor. All insurance proceeds received by the Lessor in respect of any Unit not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired.

The Lessee shall deliver to the Lessor and the Vendor, prior to the commencement of the lease term for any Unit (or at such other time or times as the Lessor or the Vendor may request) and from time to time, but within at least 15 days, prior to the expiration date of each policy of such insurance in respect of insurance to be renewed by the Lessee, a certificate signed by a firm or firms of independent insurance brokers, appointed by the Lessee and not objected to by the Lessor or the Vendor, showing the insurance then maintained, or to be maintained in the case of renewals, by the Lessee pursuant to this § 7 with respect to the Units and the expiration date of each policy of such insurance, and stating the opinion of said firm or firms that the insurance then carried and maintained, or to be carried and maintained, on or with respect to the Units of Equipment complies, or will comply, as the case may be, with the terms hereof; provided, however, that the Lessor and the Vendor shall not be under any duty to examine such certificate, opinion or other evidence of insurance, or to advise the Lessee in the event that its insurance is not in compliance with this Lease.

In the event of failure on the part of the Lessee to provide and furnish any of the aforesaid insurance, the Lessor or the Vendor, upon notice to Lessee, may procure such insurance and the Lessee shall, upon demand, reimburse the Lessor and the Vendor for all expenditures made by the Lessor or Vendor for such insurance, together with interest thereon computed at the maximum rate of interest permitted by law, but no more than 10-1/4% per annum, from the date of the Vendor's or the Assignee's payment until reimbursed by the Lessee.

§ 8. Reports. On or before April 30 in each year, commencing with the calendar year 1979, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documentation, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by

such statement, the numbers and markings required by § 5 hereof and by the Security Documentation have been preserved or replaced. The Lessor or the Vendor, at its sole cost and expense, shall have the right by its agents, to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease and shall have the right to discuss the affairs, finances and accounts of the Lessee relating to the Equipment and to the transactions contemplated by this Lease, the Consent and the Participation Agreement with the Lessee's officers and employees and, with the permission of the Lessee which shall not be unreasonably withheld, the independent public accountants of the Lessee.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Items 3 and 4 of Annex A of the Security Documentation; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance,

repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal hereof, such laws or rules require any alteration, replacement, addition or modification of or to any part on any Unit, the Lessee will conform therewith at its own expense, and title to any additions or improvements so made shall thereupon vest in the Lessor; provided, however, that the Lessee may at its own expense upon written notice thereof to the Lessor and the Beneficiaries, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documentation. The Lessee, at its own cost and expense, may furnish additions, modifications and improvements to the Units during the term of this Lease provided that such additions, modifications and improvements are (i) readily removable without causing material damage to the Units, or (ii) if not readily removable will not interfere with the use of or decrease the value of any Unit or conflict with the requirements of the first paragraph of § 7 hereof, provided, however, that no addition, modification or improvement referred to in this clause (ii) shall be made unless the Lessee shall in writing request approval thereof from both the Lessor and the Vendor, the failure of either such party to disapprove such addition, modification or improvement within 10 business days after receiving such request to be deemed approval thereof by such party. The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by

the Lessee, and shall be removed by the Lessee, at its expense, upon or prior to return of any Unit to the Lessor pursuant to § 11 or § 14 hereof.

The Lessee agrees to indemnify, protect and hold harmless the Lessor (in both its individual and fiduciary capacities), the Beneficiaries and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of or the occurrence of a default, an event of default or an Event of Default under the Security Documentation, the Participation Agreement or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 14 of this Lease or the transfer of title to the Equipment by the Vendor pursuant to any provision of the Security Documentation. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the expiration or termination of the term of this Lease.

The indemnities contained in this § 9 shall not extend to any loss, damage, injury, liability, claim, demand, cost, charge, or expense incurred by any indemnified party (a) caused by the wilful misconduct or negligence of such indemnified party, excluding any negligence imputed to either the Vendor or the Lessor arising out of or as the result of the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, (b) resulting from acts or events with respect to any Unit which commence after possession of such Unit has been redelivered to the Lessor in accordance with § 14 hereof (unless resulting from acts or omissions of the Lessee while such Unit is being stored by the Lessee in accordance with § 14 hereof), (c) caused by the violation by such indemnified party of any banking,

investment, insurance or securities law, rule or regulation applicable to it (unless such violation shall be the result of any written misrepresentation, violation or act of the Lessee), (d) arising from the breach of an express duty, obligation, representation or warranty of such indemnified party made herein or in any of the documents related to the transactions contemplated hereby, (e) which is related to the lien, charge, security interest or other encumbrance which the Lessee is not required by § 12 hereof or in any of the other documents related to the transactions contemplated hereby to remove, which lien, charge, security interest or other encumbrance shall be borne by such indemnified party, or (f) resulting from a transfer of an interest of either Beneficiary under the Trust Agreement.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns except as required by the provisions of § 6 hereof) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

A. default shall be made in payment of any amount provided for in §§ 3, 7 or 13 hereof, and such default shall continue for five business days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement, and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

D. any proceedings shall be commenced by or

against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder, and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for its property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

E. any proceeding shall be commenced by or against the Lessee for any relief which includes, or might result in, modification of the obligations of the Lessee under this Lease under any bankruptcy or insolvency law, or law relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions, and unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue) and subsequently the Vendor makes a reasonable determination within 60 days after the commencement of any such proceedings that it will be inadequately secured under the Security Documentation; or

F. an event of default set forth in Article 15 of the Security Documentation shall have occurred as a result of any default by the Lessee in performing any of its obligations hereunder;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate

this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of a bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify: (x) a sum, with respect to each Unit, equal to the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rental which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 7.30% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and (y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or

next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

The Lessee agrees to furnish the Vendee, the original Beneficiaries named in the Participation Agreement and the Vendor, promptly upon any responsible officer becoming aware of any condition which constituted or constitutes an Event of Default under this Lease or which, after notice or lapse of time, or both, would constitute such an Event of Default, written notice specifying such condition and the nature and status thereof. For the purposes of this paragraph, a "responsible officer" shall mean, with respect to the subject matter of any covenant, agreement or obligation of the Lessee in this Lease contained, any corporate officer of the Lessee who, in the normal performance of his operational responsibilities, would have knowledge of such matter and the requirements of this Lease with respect thereto.

§ 11. Return of Units upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order,

repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted and meet the standards then in effect of the Interchange Rules of the Association of American Railroads and/or the applicable rules of any governmental agency or other organization with jurisdiction. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any Unit or Units have been interchanged to return the Unit or Units so interchanged) place such Units upon such storage tracks of the Lessee or any of its affiliates or, at the expense of the Lessee, on any other storage tracks, as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on any lines of railroad or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage, insurance and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for

each day thereafter an amount equal to the amount, if any, by which .023656% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor pursuant to this § 11, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7, 9 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the Vendor).

So long as the Lessee shall not be in default under this Lease and is in compliance with the Consent, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease but, without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them except and then only so long as the Lessee shall not then be in default under this Lease (and subject to this Lease and to the rights of the Lessor hereunder, and without releasing the Lessee from its obligations hereunder), to an Affiliate, or under a written sublease for a term not exceeding one year (including all renewal or extension options reserved to the sublessee or sublessor), to a railroad classified by the Interstate Commerce Commission as a Class I railroad or to a responsible company, as determined by the Lessee; and the Lessee shall not, without such written consent, except as provided in this § 12 part with the possession of, or suffer or allow to pass out of its possession or control, any of the Units. For the purpose of this § 12, "Affiliate" shall mean any corporation which, directly or indirectly, controls or is controlled by, or is under common control with, the

Lessee. For the purposes of this definition, "control (including controlled by and under common control with)", as used with respect to any corporation, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such corporation, whether through the ownership of voting securities or by contract or otherwise. Every such sublease shall expressly subject the rights of the sublessee under such sublease to the rights of the Lessor in respect of the Units covered by such sublease in the event of the happening of an Event of Default. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or other encumbrance which arises except for (i) Federal, state or local taxes, assessments or other governmental charges or levies either not yet due and delinquent, not yet subject to penalty for nonpayment or being contested in good faith as permitted by § 6 hereof; (ii) liens for inchoate materialmen's, mechanics', workmen's, repairmen's, employees' or similar liens arising in the ordinary course of business and not delinquent or which are being contested in good faith by the Lessee or the Lessor and do not adversely affect the interests of the Vendor or the Lessor in the Units; and (iii) liens arising out of litigation, judgments or awards against the Lessee or the Lessor with respect to which an appeal or proceeding is being contested in good faith by the Lessee or the Lessor and for the payment of which the Lessee shall at its expense have either (A) established with an escrow agent approved in writing by the Lessor and each Beneficiary an escrow fund equal to the lesser of (1) the maximum amount, including interest and penalties, of such judgment or awards or (2) the then aggregate Casualty Value of all the Units then subject to this Lease or (B) posted an adequate judgment, appeal or other bond with the appropriate party, provided that the issuer of any such bond shall not thereby obtain any lien which would adversely affect the interests of the Vendor or the Lessor in the Units. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease and is in compliance with the Consent, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any Affiliate upon lines of railroad owned or operated by it or any such Affiliate or upon lines of railroad over which the Lessee or any such Affiliate has or obtains trackage or other operating rights or over which railroad equipment of the Lessee or any such Affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic or pursuant to run-through agreements, but only upon and subject to all the terms and conditions of this Lease; provided, however, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America and Canada, provided that not more than 10% of the Units shall be assigned to service in Canada at any one time. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its entire leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of any state of the United States of America or the District of Columbia (i) (which shall have duly assumed the obligations of the Lessee hereunder and under the Participation Agreement and the Consent (as defined in the Security Documentation)) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease or (ii) having outstanding indebtedness rated AA or higher by Moody's Investors Service, Inc. (or its successor), and Aa or higher by Standard and Poor's Corporation (or its successor) which corporation assumes all the obligations of the Lessee hereunder pursuant to an assumption agreement in form, scope and substance satisfactory to the Lessor, provided, however, that no transfer pursuant to this clause (ii) shall be made at any time when the Lessee shall have outstanding indebtedness rated in either of the above two categories, or higher.

§ 13. Renewal Option; Right of First Refusal; Certain Termination Rights. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the

Lessor not less than six months nor more than twelve months prior to the end of the original term or any extended term of this Lease, as the case may be, elect to extend the term of this Lease in respect of not fewer than 50% of the Units then covered by this Lease, for additional two-year periods commencing on the scheduled expiration of the original term or any extended term of this lease, as the case may be, provided that no such extended term extends beyond the 24th annual anniversary of the Primary Lease Term Commencement Date, at a "Fair Market Rental" payable in semiannual payments on each semi-annual anniversary of the Primary Lease Term Commencement Date in each year of such extended term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental. If, after 60 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, each party shall appoint an independent appraiser within 25 business days after such notice is given, and the two appraisers so appointed shall within 35 business days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 business days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 60 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the

remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne equally by the Lessee and the Lessor.

Unless an Event of Default shall have occurred and be continuing at the end of the original term of this Lease, or any event or condition which, upon lapse of time or giving of notice, or both, would constitute such an Event of Default shall have occurred and be continuing at such time, Lessor shall not, at or within one year following the end of the original term of this Lease, sell any Unit (including any sale prior to the end of such term for delivery of such Unit at or following the end of such term) unless:

(a) the Lessor shall have received from a responsible purchaser a bona fide offer in writing to purchase such Unit;

(b) the Lessor shall have given the Lessee notice (i) setting forth in detail the identity of such purchaser, the proposed purchase price, the proposed date of purchase and all other material terms and conditions of such purchase, and (ii) offering to sell such Unit to the Lessee upon the same terms and conditions as those set forth in such notice; and

(c) the Lessee shall not have notified the Lessor, within 20 days following receipt of such notice, of its election to purchase such Unit upon such terms and conditions.

If the Lessee shall not have so elected to purchase such Unit, Lessor may at any time sell such Unit to any party at a price and upon other terms and conditions no less favorable to Lessor than those specified in such notice.

Upon payment of the purchase price of any Unit, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without warranties) for such Unit such as

will transfer to the Lessee such title to such Unit as the Lessor derived from the Vendor, free and clear of all liens, security interests and other encumbrances arising through the Lessor.

In the event that the Lessee shall become obligated to pay the Beneficiaries sums pursuant to Paragraph 14(a) of the Participation Agreement as a result of a Loss (as defined in Paragraph 14 of the Participation Agreement), and the semi-annual amount of such sums plus the semi-annual rental originally provided for in § 3 of this Lease exceeds 120% of such original semi-annual rental, the Lessee shall have the option of terminating this Lease on the next semi-annual rental payment date by purchasing all the Units then subject to this Lease for a purchase price equal to the greater of (i) the then fair market value of all such Units (calculated in the same manner as Fair Market Rental is to be calculated pursuant to this § 13), or (ii) the then aggregate Casualty Value of all such Units, and paying (A) to each Beneficiary, a lump sum calculated so as to, in the reasonable opinion of each Owner Participant, maintain such Owner Participant's after-tax rate of return and total net after-tax cash flows (computed on the same assumptions (including assumptions as to present values and discount rates) as utilized by such Owner Participant in originally evaluating this transaction, which assumptions have been deposited by Chemlease Worldwide, Inc., under seal with Messrs. Cravath, Swaine & Moore) at at least the same level that would have been available if such Loss had not occurred (taking into consideration any interest, penalty or addition to tax incurred by such Owner Participant in connection with such Loss) and (B) paying to the Lessor the amount required to be paid to the Vendor as a premium pursuant to the last paragraph of Article 7 of the Security Documentation.

§ 14. Return of Units upon Expiration of Term.

As soon as practicable but not longer than 60 days after the expiration of the original or extended term of this Lease with respect to any Unit not purchased by the Lessee, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessor may designate, or, in the absence of such designation, as the Lessee may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding six months and transport the same, at any time within such six-month period, to any reasonable place on any railroad lines, all as directed

by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, and (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads and/or the applicable rules of any governmental agency or other organization with jurisdiction. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the Security Documentation and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documentation and the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering,

depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

§ 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to the greater of (a) 10-1/4% per annum or (b) a rate per annum equal to (i) the fluctuating base rate charged by Chemical Bank for 90-day loans to substantial and responsible commercial borrowers as such base rate shall change from time to time, each change in such rate to become effective on the effective date of each change in such base rate as announced by such Bank, plus (ii) 2-1/2%; in each case, of the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor, at the address set forth in item 2 of Schedule B hereto, with a copy to each Beneficiary at such address as such Beneficiary shall have furnished for such purpose;

(b) if to the Lessee, at 3340 West Norfolk Road, Portsmouth, Virginia, attention of Treasurer;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor at 2211 Congress Street, Portland, Maine 04112, Attention of Investment Division.

§ 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provi-

sions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement, this Lease exclusively and completely states the rights and obligations of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the Assignment hereof to the Vendor shall be deemed to be the original, and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 20. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of New York; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

§ 21. No Guaranty of Conditional Sale Indebtedness or Residual Value. Nothing in this Agreement is intended or shall be construed to constitute a guaranty by the Lessee of the Conditional Sale Indebtedness of the Vendee under the Security Documentation or a guaranty of the residual value of any Unit.

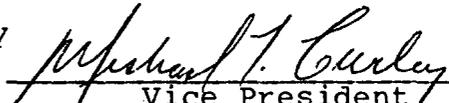

§ 22. Immunities; No Recourse. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor, are made and intended not as personal representations, undertakings and agreements by Hartford National Bank and Trust Company, or for the purpose or with the intention of binding said national association personally but are made and intended for the purpose of

binding only the Trust Estate as such term is used in the Trust Agreement and this Lease is executed and delivered by said national association not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of negligence or wilful misconduct, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said national association or any Beneficiary on account of this Lease or on account of any representations, undertaking or agreement of the said corporation or any Beneficiary, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee, the Vendor and by all persons claiming by, through or under either of them.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.
