INTERSTATE COMMERCE COMMISSION

CONDITIONAL SALE AGREEMENT

Dated as of December 1, 1975

AMONG

PULLMAN INCORPORATED
(Pullman Standard Division),
as Vendor,

SCHOENFELD INVESTMENT CORPORATION,
as Vendee,

AND

CHICAGO, MILWAUKEE, ST. PAUL AND
PACIFIC RAILROAD COMPANY,
as Railroad or Lessee,

CONDITIONAL SALE AGREEMENT dated as of December 1, 1975, among the corporation named in Item 1 of Annex A hereto (hereinafter called the Vendor or Builder as more particularly set forth in Article 25 hereof), CHICAGO, MILWAUKEE, ST. PAUL AND PACIFIC RAILROAD COMPANY, a Wisconsin corporation (hereinafter called the Railroad or the Lessee) and SCHOENFELD INVESTMENT CORPORATION, a Washington corporation (hereinafter called the Vendee).

WHEREAS, the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS, the Vendee is executing a lease of the Equipment as of the date hereof to the Lessee in substantially the form annexed hereto as Annex D (hereinafter called the Lease) and the Railroad has joined in this Agreement for the purpose of making certain agreements as hereinafter set forth; and

WHEREAS, the Vendee is executing a Collateral Assignment of Lease as of the date hereof (hereinafter called the Collateral Assignment of Lease) to the Agent referred to in Article 4 hereof;

Now, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Incorporation of Model Provisions.* Whenever this Agreement incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Conditional Sale Provisions for Lease Transactions" annexed to this Agreement as Part I of Annex C hereto (hereinafter called the Model CSA Provisions), such provision of the Model CSA Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Agreement except that each and every reference to the term "Guarantor" in any provision of the Model CSA Provisions so incorporated by reference herein shall be deemed a reference to the term "Railroad". Any such reference to the term "Guarantor" in any provision of the Model CSA Provisions shall in no sense mean or otherwise imply an actual guarantee by the Railroad of the obligations of the Vendee hereunder.

ARTICLE 2. *Construction and Sale.* Article 2 of the Model CSA Provisions is herein incorporated as Article 2 hereof.

ARTICLE 3. *Inspection and Delivery.* Article 3 of the Model CSA Provisions is herein incorporated as Article 3 hereof except that there shall be added at the end of the last paragraph thereof the following provisos:

“; provided, however, that no delivery of any unit of the Equipment shall be made until this Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act; provided further, that Builder shall have no obligation to deliver any unit of Equipment hereunder subsequent to the filing by or against the Railroad of a petition for reorganization under Section 77 of the Bankruptcy Act and prior to the assumption, adoption or affirmation of the obligations of the Railroad under this Agreement by a trustee or trustees acting pursuant to a court order or decree in any proceeding under said Section 77”.

ARTICLE 4. *Purchase Price and Payment.* The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Railroad. The term “Purchase Price” as used herein shall mean the base price or prices as so increased or decreased. If on the Closing Date (as hereinafter defined in this Article) the aggregate of the Invoiced Purchase Prices (as hereinafter defined in this Article) for which settlement is then being made under this Agreement would, but for the provisions of this sentence, exceed \$6,000,000 (or such higher amount as the Vendee may at its option agree to), the Builder (and any assignee of the Builder) and the Railroad will, upon request of the Vendee, enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee as will reduce such aggregate Invoiced Purchase Prices under this Agreement to not more than \$6,000,000 (or such higher amount as aforesaid), and the Railroad agrees to purchase any such unit or units so excluded from this Agreement from the Builder for cash on the date such unit or units would otherwise have been settled for under this Agreement either directly, or, if the Builder and the Railroad shall mutually agree, by means of

a conditional sale, equipment trust or other appropriate method of financing.

The term "Closing Date" with respect to the Equipment shall mean such date (not earlier than December 29, 1975 and not later than December 31, 1975, such later date being herein called the Cut-Off Date), occurring not more than ten business days following presentation by the Builder to the Vendee of the invoice and of the Certificate or Certificates of Acceptance for the Equipment and written notice thereof by the Builder to the Railroad, as shall be fixed by the Railroad by written notice delivered to the Vendee and the Vendor at least five business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Chicago, Illinois, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase price of the Equipment, as follows:

(a) On the Closing Date with respect to the Equipment (i) an amount equal to 25% of the aggregate Purchase Price of the Equipment plus (ii) the amount by which (x) 75% of the Purchase Price of all units of the Equipment covered by this Agreement for which settlement is then being made, as set forth in the invoice or invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) \$4,500,000 (said excess of clause (x) over clause (y) being hereinafter called the Excess Amount); and

(b) In 48 instalments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The installments of the portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (said portion of the aggregate Purchase Price for such Equipment being herein called the Conditional Sale Indebtedness) shall be payable in consecutive

quarter annual installments on March 31, June 30, September 30 and December 31 (or if any such day is not a business day, on the next preceding business day) in each year, commencing with March 31, 1976 and ending on December 31, 1987 (each such date being herein called a Payment Date). Each such installment shall be in an amount equal to 2.766272% of the Purchase Price, subject to adjustment as provided in the second succeeding paragraph. Each such installment is intended to retire the percentage of the principal amount of Conditional Sale Indebtedness set forth in Annex E hereto on the Payment Date of such installment.

The amount of each such installment, as set forth in the preceding paragraph of this Article 4, has been computed on the assumption that the unpaid principal balance of the Conditional Sale Indebtedness will bear interest during the period ending on any Payment Date (the quarter annual period ending on any Payment Date being herein called a Payment Period) at a rate of 10.5% per annum. However, the Conditional Sale Indebtedness bears interest at a fluctuating interest rate which, during each Payment Period, is equal to 130% per annum of the prime rate of interest for 90-day unsecured commercial loans to large corporate customers of the highest credit standing charged by Continental Illinois National Bank and Trust Company of Chicago (such interest rate being herein called "Continental's Prime Rate"), as in effect on the first day of such Payment Period. Interest on the Conditional Sale Indebtedness shall be payable on December 31, 1975 and on each Payment Date. With respect to the interest payable on December 31, 1975, the Conditional Sale Indebtedness shall bear interest during the period from and including the Closing Date to but not including January 1, 1976 at a rate equal to 130% per annum of Continental's Prime Rate in effect on the Closing Date.

The Vendor and Vendee agree that, if during any Payment Period, the Conditional Sale Indebtedness bears interest, in accordance with the preceding paragraph, at a rate other than 10.5% per annum, then the amount of the installment due on the relevant Payment Date shall be adjusted from the amount set forth in the second preceding paragraph to such amount as will (after payment of interest accrued on the Conditional Sale Indebtedness during the Payment Period) retire the percentage of the principal amount of Conditional Sale Indebtedness to be retired on such Payment Date in accordance with Annex E hereto.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay interest, to the extent legally enforceable, at a fluctuating interest rate equal to 140% per annum of Continental's Prime Rate upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof (such interest rate to be determined on the date any payment becomes past due and to be redetermined at quarter annual intervals thereafter), or such lesser amount as shall be legally enforceable.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. The Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due except (i) as provided in Article 7 hereof and (ii) following any Payment Date on which the Vendee (after default by the Railroad in the payment of rent under the Lease) has cured such default by making the required payment (and such payment shall have been applied by the Agent to the payment of Conditional Sale Indebtedness and accrued interest thereon owing on such Payment Date), the Vendee may on the next succeeding Payment Date (if the Railroad does not pay the rent then due on such Payment Date) prepay, without premium or penalty, all (but not part) of the entire principal amount of Conditional Sale Indebtedness then outstanding with accrued interest thereon to the date of payment.

The parties hereto contemplate (subject to the limitation set forth in the first paragraph of this Article) that the Vendee will furnish that portion of the Purchase Price for the Equipment as is required under subparagraph (a) of the third paragraph of this Article and that an amount equal to the balance of such Purchase Price (not to exceed \$4,500,000) shall be paid to the Builder by an assignee of the Builder's right, title and interest under this Agreement pursuant to an Agreement and Assignment between the Builder and Seattle-First National Bank, as Agent (such Agreement and Assignment being hereinafter called the Assignment and such Bank being herein called the Assignee or the Vendor as indicated in Article 25 hereof).

It is agreed that the obligation of the Vendee to pay to the Vendor any amount required to be paid pursuant to the third paragraph of

this Article with respect to the Equipment is specifically subject to the fulfillment, on or before the Closing Date, of the following conditions (any of which may be waived by the Vendee, and payment by the Vendee of the amount specified in subparagraph (a) of the third paragraph of this Article shall be conclusive evidence that such conditions have been fulfilled or irrevocably waived):

(a) the Assignee shall have paid or caused to have been paid to the Builder the amounts contemplated to be paid by it as provided in the preceding paragraph of this Article and in Section 6 of the Assignment and the documents required by Section 6 of the Assignment shall have been delivered;

(b) no event of default of the Railroad specified herein or Event of Default of the Lessee under the Lease, nor any event which with lapse of time and/or demand provided for herein or in the Lease would constitute such an event of default or Event of Default, shall have occurred and be continuing; and

(c) the Vendee shall have received (i) the opinion of counsel required by § 15 of the Lease and (ii) such other documents as the Vendee may reasonably request.

Notwithstanding any other provision of this Agreement (including, but not limited to, any of the preceding provisions of this Article 4 and any provision of Articles 14, 16 and 17 hereof), it is understood and agreed by the Vendor that the liability of the Vendee for all payments to be made by it under and pursuant to this Agreement, with the exception only of the payments to be made pursuant to subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee or the Assignee shall have actually received sufficient "income or proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that the Vendee shall have no personal liability to make any payments under this Agreement whatsoever except from the "income and proceeds from the Equipment" to the extent actually received by the Vendee or the Assignee. In addition, the Vendor agrees that the Vendee (i) makes no representation or

warranty, and is not responsible for, the due execution, validity, sufficiency or enforceability of the Lease (or any document relative thereto) in so far as it relates to the Lessee or of any of the Lessee's obligations thereunder and (ii) shall not be responsible for the performance or observance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement and the Collateral Assignment of Lease against the Railroad and the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 16 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee or the Assignee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and (b) any and all payments or proceeds received by the Vendee or the Assignee for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (c) any and all other payments received by the Vendee or the Vendor under § 10 of the Lease and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a), (b) and (c) as are indefeasibly received by the Vendee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on, or within six days after, the date such amounts received by the Vendee or the Assignee were required to be paid to it pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a), (b) and (c) which were received by the Vendee or the Assignee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and

payable on, or within six days after, the Payment Date corresponding to the date on which amounts with respect thereto received by the Vendee or the Assignee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease. As used herein, the term "income and proceeds from Equipment" shall in no event include amounts received as payments pursuant to § 17 of the Lease. It is further specifically understood and agreed that nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment or the Railroad as provided for herein or in the Collateral Assignment of Lease for the full unpaid Purchase Price of the Equipment and interest thereon and all other payments and obligations hereunder. Notwithstanding anything to the contrary contained in Article 16 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph.

ARTICLE 5. *Title to the Equipment.* Article 5 of the Model CSA Provisions is herein incorporated as Article 5 hereof except that the tenth and following lines of the first paragraph of said Article 5 shall be replaced by the following: "Any and all additions to the Equipment which are required for the operation or use of the Equipment by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body, and any and all parts installed on and replacements made to any unit of the Equipment (which are required as aforesaid or are required in accordance with the first paragraph of Article 7 hereof) shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and be included in the term 'Equipment' as used in this Agreement. The Lessee may also make additions to the Equipment which are not required as aforesaid under this Article or Article 7 and the Vendor (except in the case of a Declaration of Default under Article 16 hereof or the occurrence of any Event of Default under § 10 of the Lease) shall have no interest in any such additions."

ARTICLE 6. *Taxes.* Article 6 of the Model CSA Provisions is hereby incorporated as Article 6 hereof.

ARTICLE 7. *Maintenance and Repair; Casualty Occurrences; Insurance.* The Vendee agrees that, at its own cost and expense, it will maintain, service and repair each unit of the Equipment so as to keep each unit in as good an operating condition as when delivered to the Vendee hereunder, ordinary wear and tear excepted.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Vendee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being herein called Casualty Occurrences), the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence cause the Vendor to be fully informed in regard thereto. On the next succeeding Payment Date (occurring not less than 10 days after the date of such determination), the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied to prepay (ratably, without priority, among the certificates of interest then outstanding) the Conditional Sale Indebtedness and the Vendee will promptly furnish to the Vendor a revised schedule of payments of principal thereafter to be made, in such number of counterparts as the Assignee may request, calculated as provided in the fourth paragraph of Article 4 hereof.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any pre-

payment or prepayments theretofore made under this Article), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Equipment.

The Railroad will at all times prior to the payment of the full indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon and all other payments required hereby, at its own expense, cause to be carried and maintained insurance in respect of the Equipment at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Railroad on equipment owned by it.

It is further understood and agreed that any insurance proceeds received by the Vendor in respect of units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Vendee to the Vendor in respect of Casualty Occurrences pursuant to the second paragraph of this Article. If the Vendor shall receive any other insurance proceeds in respect of insurance carried in respect of such units suffering a Casualty Occurrence after the Vendee shall have made payments pursuant to this Article without deduction for such insurance proceeds, the Vendor shall pay such insurance proceeds to the Vendee. All proceeds of insurance received by the Vendor in respect of insurance carried on any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. *Financial Statements.* The Railroad agrees to furnish to each of the Vendor and the Vendee, in duplicate, (i) as soon as practicable, and in any event within 45 days after the end of each of the first three quarterly periods in each fiscal year of the Railroad, a statement of income and a statement of retained earnings of the Railroad for the period from the beginning of each fiscal year to the end of such quarterly period, and a balance sheet of the Railroad as at the end of

such quarterly period, setting forth in the case of the statement of income, in comparative form, figures for the corresponding period in the preceding fiscal year, all in reasonable detail and certified by an authorized financial officer of the Railroad, subject to changes resulting from year-end adjustments; and (ii) as soon as practicable and in any event within 120 days after the end of each fiscal year of the Railroad consolidated statements of income and of retained earnings of the Railroad for such year, and consolidated balance sheets of the Railroad as of the end of such year, setting forth in each case, in comparative form, corresponding figures for the preceding fiscal year, all in reasonable detail and certified by independent public accountants.

ARTICLE 9. *Reports and Inspections.* Article 9 of the Model CSA Provisions is herein incorporated as Article 9 hereof.

ARTICLE 10. *Marking of Equipment.* Article 10 of the Model CSA Provisions is herein incorporated as Article 10 hereof, except that nothing contained in such Article 10 shall prevent the Vendee from allowing the Equipment to be lettered with its name, initials or other insignia.

ARTICLE 11. *Compliance with Laws and Rules.* Article 11 of the Model CSA Provisions is herein incorporated as Article 11 hereof.

ARTICLE 12. *Possession and Use.* Article 12 of the Model CSA Provisions is herein incorporated as Article 12 hereof except that the sentence "The Vendee may assign its right, title and interest in and to the Lease to the Agent." shall be deemed to be inserted at the end of the second paragraph of said Article 12.

ARTICLE 13. *Prohibition Against Liens.* Article 13 of the Model CSA Provisions is herein incorporated as Article 13 hereof.

ARTICLE 14. *Indemnities and Warranties.* Article 14 of the Model CSA Provisions is herein incorporated as part of Article 14 hereof. The agreement of the parties relating to the Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification contained in Items 4 and 5 of Annex A hereto are herein incorporated as part of this Article.

ARTICLE 15. *Assignments.* Article 15 of the Model CSA Provisions is herein incorporated as Article 15 hereof.

ARTICLE 16. *Defaults.* Article 16 of the Model CSA Provisions is herein incorporated as Article 16 hereof except that (i) the reference to the term "30 days" in subparagraph (b) of said Article 16 shall be deemed a reference to the term "35 days", (ii) the reference to the term "this Agreement" in subparagraph (d) of said Article 16 shall also be deemed a reference to the term "the Lease", (iii) subparagraph (f) of said Article 16 shall not be incorporated herein by reference and (iv) the phrase "or the Guarantor" appearing in the penultimate sentence of the penultimate paragraph of said Article 16 shall not be incorporated herein by reference.

ARTICLE 17. *Remedies.* Article 17 of the Model CSA Provisions is herein incorporated as Article 17 hereof except that (i) the parenthetical phrase "(for a period of up to 12 months)" shall be deemed inserted after the phrase "for rent or storage" in the second paragraph of said Article 17, (ii) the phrase ", the Guarantor or any other persons notified under the terms of this paragraph" appearing in the proviso in the third paragraph of said Article 17 shall not be incorporated herein by reference, (iii) the phrase "or the Guarantor" appearing in the fifth line from the bottom of the fifth paragraph of said Article 17 shall not be incorporated herein by reference, (iv) the phrase "or the Guarantor's" appearing before the word "obligation" twice in the sixth paragraph of said Article 17 shall not be incorporated herein by reference and (v) the phrase "or the Guarantor, as the case may be, to the extent of their respective interests therein." appearing in the seventh paragraph of said Article 17 shall not be incorporated herein by reference.

ARTICLE 18. *Applicable State Laws.* Article 18 of the Model CSA Provisions is herein incorporated as Article 18 hereof.

ARTICLE 19. *Recording.* Article 19 of the Model CSA Provisions is herein incorporated as Article 19 hereof.

ARTICLE 20. *Payment of Expenses.* The Vendee will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement, the Assignment (including the fees and expenses of the Assignee), the Lease, the Collateral

Assignment of Lease and any instrument supplemental or related hereto or thereto including recording costs, the initial fee of the Agent, the fees and expenses of counsel for the Agent, the fees and expenses of special counsel for the holder of Conditional Sale Indebtedness, the fees and expenses of counsel for the Vendor, the reasonable costs and expenses involved in the preparation and printing of this Agreement, the Lease, the Assignment, the Collateral Assignment of Lease and any instrument supplemental or related hereto or thereto and the placement fee of Warburg Paribas Becker Inc. in an amount equal to 1.50% of the Purchase Price determined in accordance with Article 4 hereof on the Closing Date.

The Vendee's liability in respect of its undertaking in the preceding paragraph is limited to an amount equal to 2.25% of the Purchase Price determined in accordance with Article 4 hereof on the Closing Date. The fees of Vendee's counsel, in excess of \$7,500, shall not be included in the limitation set forth in the preceding sentence. The Railroad agrees to pay all costs and expenses (other than the fees and expenses of counsel for the Vendee) which, but for the limitation contained in the second preceding sentence, would have been paid by the Vendee in accordance with its undertaking in the first paragraph of this Article. The Railroad also agrees to pay the periodic fees and expenses of the Agent for acting in its capacity as such under the agreements and instruments referred to in the first paragraph of this Article.

ARTICLE 21. Article Headings; Effect and Modification of Agreement. Article 21 of the Model CSA Provisions is herein incorporated as Article 21 hereof.

ARTICLE 23. *Immunities; Satisfaction of Undertakings.* No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, past, present or future, of the Vendee, the Railroad or the Builder (or Vendor), whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the first paragraph of Article 7 and under Articles 6, 9, 10, 11, 13, 14 and 19 hereof shall be deemed in all respects satisfied by the Lessee's undertakings contained in §§ 5, 6, 8, 9, 12 and 16 of the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 16 hereof. IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

The Equipment shall be settled for in one group of units of the Equipment delivered to and accepted by the Vendee.

Item 4:

The Builder warrants that the Equipment will be built in accordance with the requirements, specifications and standards set forth in Article 2 of the Conditional Sale Agreement to which this Annex A is attached (hereinafter called the Agreement) and warrants the Equipment will be free from defects in material (except as to specialties incorporated therein which were specified or supplied by the Vendee or the Railroad and not manufactured by the Builder) and workmanship under normal use and service, the Builder's obligation under this Item 4 being limited to making good at its factory any part or parts of any unit of the Equipment which shall be returned to the Builder with transportation charges prepaid, within one year after the delivery of such unit to the Vendee, and which the Builder's examination shall disclose to its satisfaction to have been thus defective. *The foregoing warranty of the Builder is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and of all other obligations or liabilities under Articles 2, 3, 4 and 14 of the Agreement,* and the Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid. It is further understood and agreed that in no event shall the Builder be liable for indirect or consequential damages of any kind.

The Builder further agrees with the Vendee that neither the inspection as provided in Article 3 of the Agreement nor any examination nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee of any of its rights under this Item 4.

Item 5:

Except in cases of articles or materials specified by the Vendee or the Railroad and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Railroad and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Vendee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendee, its assigns or the users of the Equipment because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Railroad likewise will indemnify, protect and hold harmless the Vendor from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor because of the use in or about the construction or operation of any of the Equipment of any article or material specified by the Railroad and not manufactured by the Builder or of any design, system, process, formula or combination specified by the Railroad and not developed or purported to be developed by the Builder which infringes or is claimed to infringe on any patent or other right. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Vendee every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Vendee or the Railroad and purchased or otherwise acquired by the Builder for use in or about the construction or operation of any of the Equipment, on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes

or is claimed to infringe on any patent or other right. The Builder further agrees to execute and deliver to the Vendee or the users of the Equipment all and every such further assurance as may be reasonably requested by the Vendee more fully to effectuate the assignment and delivery of every such claim, right and cause of action. The Railroad will give notice to the Builder of any claim known to them from which liability may be charged against the Builder hereunder. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under the Agreement, the satisfaction and discharge of the Agreement or the termination of the Agreement in any manner. The Vendee represents and warrants that it has not specified any article or material or design, system, process, formula or combination for use in or about the construction or operation of the Equipment.

Part 1

**MODEL CONDITIONAL SALE PROVISIONS FOR
LEASE TRANSACTIONS**

ARTICLE 2. *Construction and Sale.* Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Guarantor (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture of each thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications for new equipment and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such units of the Equipment, and each unit of the Equipment (except to the extent, if any, referred to in Annex A hereto and/or Article 7 hereof) will be new railroad equipment.

ARTICLE 3. *Inspection and Delivery.* The Builder will deliver the units of the Equipment to the Vendee at the place or places within the United States of America specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places within the United States of America designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered, accepted and settled for pursuant to Article 4 hereof on or before the Cut-Off Date shall be excluded herefrom. If any Equipment shall be excluded from this Agreement pursuant to the immediately preceding sentence, the parties to this Agreement shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. If the Builder's failure to deliver Equipment so excluded from this Agreement resulted from one or more of the causes set forth in the immediately preceding paragraph, the Guarantor shall be obligated to accept such Equipment and pay the full purchase price therefor, determined as provided in this Agreement, if and when such Equipment shall be completed and delivered by the Builder, such payment to be in cash on the delivery of such Equipment, either directly or, in case the Guarantor shall arrange therefor, by means of a conditional sale agreement, equipment trust or such other appropriate method of financing as the Guarantor shall determine and as shall be reasonably acceptable to the Builder.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Guarantor) and the Builder shall grant to such authorized inspectors reason-

able access to its plant. The Builder agrees to inspect all materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Guarantor) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee on the date of such Certificate of Acceptance and are marked in accordance with Article 10 hereof; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof.

On delivery of each such unit hereunder at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof. The Builder and the Guarantor represent and warrant to, and agree with, the Vendee that no unit of the Equipment will be delivered to or used by the Guarantor or any other persons unless the same shall first be duly subjected to this Agreement and the Lease.

ARTICLE 5. *Title to the Equipment.* The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and

performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Guarantor as provided in this Agreement. Any and all additions to the Equipment (except, in the case of any unit of the Equipment which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such unit by the Guarantor, the cost of which is not included in the Purchase Price of such unit and which are not required for the operation or use of such unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and additions and replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment transferring its title thereto and property therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 22

hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. *Taxes.* All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which impositions the Vendee assumes and agrees to pay on demand in addition to

the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title of the Vendor or result in a lien upon any part of the Equipment; *provided, however*, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; *provided, however*, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved the payment thereof.

ARTICLE 9. *Reports and Inspections.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Agreement, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding cal-

endar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 10 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Guarantor's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 10. *Marking of Equipment.* The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex B hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's title to and property in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace or will cause to be replaced promptly any such name and words which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which state-

ment previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Vendee may allow the Equipment to be lettered with the names or initials or other insignia customarily used by the Guarantor or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of the rights of the Guarantor or its affiliates to use the Equipment as permitted under the Lease.

ARTICLE 11. *Compliance with Laws and Rules.* During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessees' operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration of any unit of the Equipment, or in the event that any equipment or appliance on any such unit shall be required to be changed or replaced, or in the

event that any additional or other equipment or appliance is required to be installed on any such unit in order to comply with such laws or rules, the Vendee will make such alterations, changes, replacements and additions at its own expense; *provided, however*, that the Vendee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. *Possession and Use.* The Vendee, so long as it shall not be in default under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The Vendee may lease the Equipment to the Lessee as permitted by, and for use as provided in, the Lease, but the rights of the Lessee and its permitted assigns (the Lessee hereby so acknowledging) under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement; *provided, however*, that so long as the Lessee shall not be in default under the Lease or under this Agreement in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Equipment. The Vendee hereby agrees that it will not exercise any of the remedies permitted in the case of an Event of Default under and as defined in the Lease until the Vendor shall have received notice in writing of its intended exercise thereof, and hereby further agrees to furnish to the Vendor copies of all summonses, writs, processes and other documents served by it upon the Lessee or served by the Lessee upon it in connection therewith.

So long as an event of default specified in Article 16 hereof shall not have occurred and be continuing, the Vendee shall be entitled to the possession and use of the Equipment, and the Equipment may be used upon the lines of railroad owned or operated by the Lessee or any affiliate of the Lessee (or any other railroad company approved by the Vendor), or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights, or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and the Equipment may be used upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Agreement; *provided, however*, that the Vendee shall not assign or permit the assignment of any unit of the Equipment to service involving the regular operation and maintenance thereof outside the United States of America. The Vendee may also lease the Equipment to any other railroad company with the prior written consent of the Vendor; *provided, however*, that (i) such lease shall provide that the rights of such lessee are made expressly subordinate to the rights and remedies of the Vendor under this Agreement (ii) such lessee shall expressly agree not to assign or permit the assignment of any unit of the Equipment to service involving the regular operation and maintenance thereof outside the United States of America and (iii) a copy of such lease shall be furnished to the Vendor.

ARTICLE 13. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge, security interest or other encumbrance upon or with respect to the Equipment, or any part thereof, or the interest

of the Vendor therein, equal or superior to the Vendor's title thereto or property therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

ARTICLE 14. *Indemnities and Warranties.* The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of title to the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident, in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the

transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the conveyance of security title to, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

ARTICLE 15. *Assignments.* The Vendee will not (a) except as provided in Article 12 hereof, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition (i) is made expressly subject in all respects to the rights and remedies of the Vendor hereunder (including, without limitation, rights and remedies against the Vendee and the Guarantor) and (ii) provides that the Vendee shall remain liable for all the obligations of the Vendee under this Agreement. Subject to the preceding sentence, any such sale, assignment, transfer or disposition may be made by the Vendee without the vendee, assignee or transferee assuming any of the obligations of the Vendee hereunder.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee and the benefits arising from the undertakings of the Guarantor hereunder, may be assigned by the Vendor and re-assigned by any assignee at any time or from time to time.

No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 14 hereof, or relieve the Vendee or the Guarantor of their respective obligations to the Builder contained or referred to in Articles 2, 3, 4, 6, 8 and 14 hereof and this Article 15, or any other obligation which, according to its terms and context, is intended to survive an assignment.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee and the Guarantor, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee and the Guarantor, respectively, of the notification of any such assignment, all payments thereafter to be made by the Vendee or the Guarantor under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee and the Guarantor recognize that it is the custom of railroad equipment manufacturers or sellers to assign agreements of this character and understand that the assignment of this Agreement, or of some of or all the rights of the Vendor hereunder, is contemplated. The Vendee and the Guarantor expressly represent, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that in the event of such assignment by the Vendor as hereinbefore provided, the

rights of such assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned, together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Guarantor, as the case may be, against and only against the Builder.

In the event of any such assignment or successive assignments by the Vendor of title to the Equipment and of the Vendor's rights hereunder with respect thereto, the Vendee will, whenever requested by the assignee, change the markings on each side of each unit of the Equipment so as to indicate the title of such assignee to the Equipment, such markings to be specified by such assignee, subject to any requirements of the laws of the jurisdictions in which the equipment shall be operated. The cost of such markings in the event of an assignment of not less than all the Equipment at the time covered by this Agreement shall be borne by the Vendee and, in the event of an assignment of less than all such Equipment, such cost shall be borne by such assignee.

The Vendee and the Guarantor will (a) in connection with settlement for the Equipment, deliver to the assignee, at the time of delivery of notice fixing the Closing Date with respect to such Equipment, all documents required

by the terms of such assignment to be delivered to such assignee in connection with such settlement, in such number of counterparts or copies as may reasonably be requested, except for any opinion of counsel for such assignee, and (b) furnish to such assignee such number of counterparts or copies of any other certificate or paper required by the Vendor as may reasonably be requested.

If the Builder shall not receive on the Closing Date the aggregate Purchase Price in respect of all of the Equipment proposed to be settled for on such Closing Date, the Builder will promptly notify the Vendee and the Guarantor of such event and, if such amount shall not have been previously paid, the parties hereto will, upon the request of the Builder, enter into an appropriate written agreement with the Builder excluding from this Agreement those units of Equipment whose aggregate Purchase Price shall not have been received, and the Guarantor will, not later than 90 days after such Closing Date, pay or cause to be paid to the Builder the aggregate unpaid Purchase Price of such units, together with interest thereon from such Closing Date to the date of payment by the Guarantor at the highest prime rate of interest of leading New York City banks in effect on such Closing Date.

ARTICLE 16. *Defaults.* In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) The Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of any provision of this Agreement limiting the liability of the Vendee) and such default shall continue for 15 days; or

(b) The Vendee or the Guarantor shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision

of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Any proceeding shall be commenced by or against the Vendee or the Guarantor for any relief which includes, or might result in, any modification of the obligations of the Guarantor or the Vendee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations of the Vendee or the Guarantor under this Agreement), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee or the Guarantor, as the case may be, under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Vendee or the Guarantor, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(d) A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Guarantor and, unless such petition shall have been dismissed, nullified, stayed or otherwise ren-

dered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Guarantor under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(e) The Vendee shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment; or

(f) An event of default shall occur under the Other Agreement or Agreements, if any, referred to and defined in Article 4 hereof;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Guarantor and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) subject to the rights of the Lessee set forth in Article 12 hereof, cause the Lease immediately upon such notice to terminate (and the Vendee and the Guarantor each acknowledge the right of the Vendor to terminate the Lease) and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid indebtedness in respect of the Purchase Price of the Equipment, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified

in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee or the Guarantor wherever situated. The Vendee or the Guarantor, as the case may be, shall promptly notify the Vendor of any event which has come to its attention which constitutes, or with the giving of notice and/or lapse of time would constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Guarantor in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee and the Guarantor that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 17. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, subject to the rights of the Lessee set forth in Article 12 hereof, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate

possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Guarantor or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Guarantor, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Guarantor agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Guarantor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Guarantor requiring specific performance hereof. The Vendee and the Guarantor here-

by expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Guarantor by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; *provided, further*, that if the Vendee, the Guarantor or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor

may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Guarantor and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Guarantor or any other party claiming from, through or under the Vendee or the Guarantor at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing,

holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Vendee and the Guarantor shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed as provided in Article 22 hereof. If such sale shall be a private sale, it shall be subject to the rights of the Vendee and the Guarantor to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee or the Guarantor (except to the extent of surplus money received as hereinafter provided in this Article 17), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies

shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Guarantor shall not otherwise alter or affect the Vendor's rights or the Vendee's or the Guarantor's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's or the Guarantor's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee or the Guarantor, as the case may be, to the extent of their respective interests therein.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Guarantor, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Guarantor will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of

proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee and the Guarantor will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. *Payment of Expenses.* The Guarantor will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of the Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment.

ARTICLE 21. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor, the Vendee and the Guarantor with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor, the Vendee and the Guarantor.

ARTICLE 24. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Selected Jurisdiction; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 25. *Definitions.* The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

MODEL LEASE PROVISIONS

§ 2. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Document. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), stating that such Unit has been inspected and accepted on behalf of the Lessee on the date of such Certificate of Delivery and is marked in accordance with § 5 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 5. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the Vendor under the

Security Document. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace promptly any such name and words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Document shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may allow the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 6. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal, or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city

income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Document, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Document. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to Article 6 of the Security Document not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 6.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 8. *Annual Reports.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Lease, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Document, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Lease in the case of the first such statement) and such other information regarding the condition and state of repair of the

Units as the Lessor or the Vendor may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and the markings required by § 5 hereof and Article 10 of the Security Document have been preserved or replaced. The Lessor shall have the right by its agents, to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease.

§ 9. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; Indemnification.* **The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof,** it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have, as Vendee, under the provisions of Article 14 of the Security Document. The Lessee's delivery of a Certificate of Delivery shall be conclusive evidence as between the Lessee and the Lessor that all Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that such laws or rules require any alteration of any Unit, or in the event that any equipment or appliance on any such Unit shall be required to be changed or replaced, or in the event that any additional or other equipment or appliance is required to be installed on any such Unit in order to comply with such laws or rules, the Lessee will make such alterations, changes, replacements and additions at its own expense; *provided, however*, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documents.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit in good order and repair.

Any and all additions to any Unit (except, in the case of any Unit which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such Unit by the Lessee, the cost of which is not included in the Purchase Price of such Unit and which are not required for the operation or use of such Unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable

regulatory body), and any and all parts installed on and additions and replacements made to any Unit shall constitute accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the Security Document) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Document or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 16 of this Lease. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 11. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time

while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the partners or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Document in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Document, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Document in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Document; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Document) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will

not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§ 14. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate, or, in the absence of such designation, as the Lessor may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however,* that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occur-

rence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 7 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence while this Lease is in effect.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Documents), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease;

B. the Security Document and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms;

C. the Security Document (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Document or this Lease;

E. The entering into and performance of the Security Document or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Document and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Document and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Document or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Document shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

**MODEL ASSIGNMENT PROVISIONS FOR
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

advice from special counsel for the Assignee or from the Guarantor that such filing and recordation have occurred).

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Guarantor arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 15 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Guarantor in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Guarantor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Guarantor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Guarantor with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee (with an executed counterpart to the Vendee), as provided in Article 15 of the Conditional Sale Agreement and at least five business days prior to such Closing Date,

the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) A bill of sale from the Builder to the Assignee transferring to the Assignee title to the units of the Equipment then being settled for under the Conditional Sale Agreement, warranting to the Assignee and to the Vendee that, at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and that title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, and covenanting to defend the title to such units against the demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) A Certificate or Certificates of Acceptance with respect to the units of the Equipment as contemplated by Article 3 of the Conditional Sale Agreement and a Certificate or Certificates of Delivery with respect to such units as contemplated by § 2 of the Lease;

(c) A certificate of an officer of the Guarantor to the effect that none of the units of the Equipment was placed in the service of the Guarantor or otherwise was used by the Guarantor prior to delivery and acceptance of such units under the Conditional Sale Agreement and the Lease;

(d) An invoice of the Builder addressed to the Assignee for the units of the Equipment accompanied by or having endorsed thereon a certification by the Vendee and the Guarantor as to the correctness of the prices of such units;

(e) An opinion of Messrs. Shearman & Sterling, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, addressed to the Assignee and the Investors stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument, enforceable against the Builder in accordance with its terms, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges of the Builder purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment is validly vested in the Assignee and such units, at the time of delivery thereof to the Vendee under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Guarantor under the Lease), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the

valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this Assignment, or if any such authority is necessary, it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America or in the District of Columbia, (viii) no taxes are payable in connection with the execution and delivery of the Finance Agreement, the Conditional Sale Agreement, the Lease or this Assignment and (ix) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended; and such opinion shall also cover such other matters as may reasonably be requested by the Assignee or such Investors;

(f) An opinion of counsel for the Vendee or the beneficial owner of the Equipment, dated as of such Closing Date, stating that the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered by the Vendee and are legal and valid instruments binding upon the Vendee and enforceable against the Vendee in accordance with their terms;

(g) An opinion of counsel for the Guarantor, dated as of such Closing Date and addressed to the Vendee as well as the Assignee, to the effect set forth in clauses (i), (ii), (iii), (v), (vi), (vii) and (viii) of subparagraph (e) above and stating that the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation and has the power and authority to own its properties and to carry on its business as now conducted;

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder; and

(i) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder

and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Agent having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agree-

ment was duly authorized by it and lawfully executed and delivered by it for a valid consideration, that, assuming due authorization, execution and delivery by the Vendee and the Guarantor, the Conditional Sale Agreement is, in so far as the Builder is concerned, a legal, valid and existing agreement binding upon the Builder in accordance with its terms and that it is now in force without amendment thereto:

(b) agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be; and

(c) agrees that, upon request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.

ANNEX D
to
Conditional Sale Agreement

LEASE OF RAILROAD EQUIPMENT

Dated as of December 1, 1975

BETWEEN

CHICAGO, MILWAUKEE, ST. PAUL AND
PACIFIC RAILROAD COMPANY
Lessee

AND

SCHOENFELD INVESTMENT CORPORATION
Lessor

LEASE OF RAILROAD EQUIPMENT dated as of December 1, 1975, between CHICAGO, MILWAUKEE, ST. PAUL AND PACIFIC RAILROAD COMPANY, a Wisconsin corporation (hereinafter called the Lessee), and SCHOENFELD INVESTMENT CORPORATION, a Washington corporation (hereinafter called the Lessor).

WHEREAS, the Lessor and the Lessee have entered into a Conditional Sale Agreement dated as of December 1, 1975 (hereinafter called the Security Document), with PULLMAN INCORPORATED (Pullman Standard Division) (hereinafter called the Builder), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the railroad equipment described in Schedule A hereto;

WHEREAS, the Builder has assigned or will assign its interests in the Security Document to SEATTLE-FIRST NATIONAL BANK, as Agent (hereinafter, together with its successors and assigns, referred to as the Vendor);

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number (hereinafter called the Units) as are delivered and accepted and settled for under the Security Document on or prior to December 31, 1975 (hereinafter called the Cut-Off Date), at the rentals and for the terms and upon the conditions hereinafter provided; and

WHEREAS, the Lessor will assign to the Vendor its right, title and interest in and to this Lease (except for amounts which may become payable pursuant to § 17 hereof) pursuant to a Collateral Assignment of Lease dated as of December 1, 1975 (hereinafter called the Collateral Assignment of Lease);

Now, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under the Security Document, subject to all the rights and remedies of the Vendor under the Security Document and the Collateral Assignment of Lease:

§ 1. *Incorporation of Model Provisions.* Whenever this Lease incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Lease Provisions" annexed to the Security Document as Part II of Annex C

thereto (hereinafter called the Model Lease Provisions), such provision of the Model Lease Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Lease.

§ 2. *Delivery and Acceptance of Units.* § 2 of the Model Lease Provisions is herein incorporated as § 2 hereof.

§ 3. *Rentals.* The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease (i) for the period from and including the Closing Date (as defined in Article 4 of the Security Document) for such Unit to but not including January 1, 1976 an amount equal to 0.0382919% of the Purchase Price (as defined in the Security Document) for such Unit for each day elapsed from and including the Closing Date for settlement of such Unit to but not including January 1, 1976, payable on December 31, 1975, and (ii) through the balance of the Lease term remaining after the period described in (i) above, payable in 48 equal consecutive quarter annual installments on March 31, June 30, September 30 and December 31 in each year (or if any such date is not a business day, on the next preceding business day) commencing with March 31, 1976 (each such quarter annual rental payment date being herein called a "Payment Date"), an amount on each Payment Date equal to 3.446274% of the Purchase Price of each such Unit, subject to adjustment as provided in the second succeeding paragraph.

The quarter annual rental in the preceding paragraph of this §3 has been computed on the assumption that the unpaid principal balance of the Conditional Sale Indebtedness (as defined in the Security Document) will bear interest during the period ending on any Payment Date (the quarter annual period ending on any Payment Date being herein called a "Rental Period") at a rate of 10.5% per annum. The parties recognize that the Conditional Sale Indebtedness bears interest at a fluctuating interest rate which, during each Rental Period, is equal to 130% per annum of the rate of interest charged by Continental Illinois National Bank and Trust Company of Chicago for 90 day unsecured commercial loans to large corporate customers of the highest credit standing (hereinafter called "Continental's Prime Rate"), as in effect on the first day of such Rental Period.

If during any Rental Period for which a quarter annual rental payment is to be made, the amount of money to be paid on any Payment Date as interest on the Conditional Sale Indebtedness exceeds or is less

than the amount that would have been paid had such interest been computed at a rate of 10.5% per annum, then the amount of such excess shall be added to, or the amount of such difference shall be subtracted from (as the case may be), the amount of the quarter annual rental payment then due hereunder.

The Lessor irrevocably instructs the Lessee to make, and the Lessee agrees to make, all the payments provided for in this Lease in immediately available Seattle or Federal funds (including but not limited to the payments required under § 7 hereof) for the account of the Lessor, c/o Seattle-First National Bank, P. O. Box 24186, Seattle, Washington 98124 on or before 11 o'clock a. m. Seattle time on the date upon which payments are due and payable. Such payments shall be applied by the Vendor to satisfy the obligations of the Lessor under the Security Document due and payable on the date such payments are due hereunder and, so long as no event of default under the Security Document shall have occurred and be continuing, any balance shall be paid to the Lessor.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Document, or against the Builder or the Vendor or otherwise; nor except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may

now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 4. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on the date on which the final quarter-annual payment of rent in respect thereof is due pursuant to § 3.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, or by Lessor or Lessee under the Security Document, are subject to the rights of the Vendor under the Security Document and the Collateral Assignment of Lease. If an event of default should occur under the Security Document, the Vendor may terminate this Lease (or rescind its termination), all as provided therein and in the Collateral Assignment of Lease, unless the Lessee is not so in default under this Lease or under the Security Document.

§ 5. *Identification Marks.* § 5 of the Model Lease Provisions is herein incorporated as part of § 5 hereof. The Lessee will perform, on behalf of Lessor, Lessor's undertakings set forth in the fifth paragraph of Article 15 of the Security Document.

§ 6. *Taxes.* § 6 of the Model Lease Provisions is herein incorporated as § 6 hereof except that the term "imposition" shall be deemed to include interest on any of the amounts set forth in the definition of the term "imposition" in said § 6.

§ 7. *Payment for Casualty Occurrences; Insurance.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Lessor or the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice (and occurring not less

than 10 days after such notice), the Lessee shall pay to the Lessor the rental payment due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and title to such Unit shall pass to the Lessee.

The Casualty Value of each Unit as of any rental payment date shall be that percentage of the Purchase Price of such Unit as is set forth in the following schedule opposite such rental payment date:

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Lessee on equipment owned by it and the benefits thereof shall be payable as provided in the Security Document. Notwithstanding the foregoing, the Lessee will not maintain insurance in respect of the Units in excess of the Casualty Value thereof in the event that the Lessor elects to maintain such excess insurance, and Lessee will terminate any such excess insurance maintained by it within 30 days following notice by Lessor of its intention to maintain such excess insurance. Any insurance policies maintained by the Lessee under this § 7 shall name the Lessor and the Vendor as additional insureds and the Vendor as loss payee. Any net insurance proceeds as the result of insurance carried by the Lessee received by the Lessor in respect of Units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Lessee to the Lessor in respect of Casualty Occurrences pursuant to this § 7. If the Lessor shall receive any such net insurance proceeds or condemnation payments after the Lessee shall have made payments pursuant to this § 7 without deduction for such net insurance proceeds or such condemnation payments, the Lessor shall pay such proceeds to the Lessee.

If the Lessee has elected to self insure the Units, the Lessor may, upon notice to the Lessee, maintain insurance in respect of the Units in such amount as it deems appropriate. The Lessor may elect to maintain insurance in respect of the Units in excess of the Casualty Value thereof even if the Lessee elects to insure the Units in an amount up to the Casualty Value thereof. The proceeds of any insurance maintained by the Lessor shall be for its own account and sole benefit and shall not affect, or operate as a discharge of, the obligation and liability of the Lessee to pay the Casualty Value of any Unit suffering a Casualty Occurrence. In the event that the Lessor has elected to maintain insurance in respect of the Units and Lessee thereafter notifies Lessor of its

intention to maintain insurance in respect of the Units, then, within 30 days following such notice, Lessor shall terminate the insurance maintained by it in respect of the Units in an amount up to the Casualty Value (but may continue any insurance in force in excess of Casualty Value).

§ 8. *Annual Reports.* § 8 of the Model Lease Provisions is herein incorporated as § 8 hereof.

§ 9. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification.* § 9 of the Model Lease Provisions is herein incorporated as § 9 hereof except that (i) the third paragraph of said § 9 is deemed to state "The Lessee agrees that, at its own cost and expense, it will maintain, service and repair each Unit so as to keep such Unit in as good an operating condition as when delivered to the Lessee hereunder, ordinary wear and tear excepted.", and (ii) the fourth paragraph of § 9 is deemed to state "Any and all additions to any Unit which are required for the operation or use of such Unit by the Interstate Commerce Commission, Department of Transportation, or any other applicable regulatory bodies, and any and all parts installed on and replacements made to any Units (which are required as aforesaid or pursuant to the preceding paragraph) shall constitute accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the Security Document) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in such Unit itself. The Lessee may also make additions to any Unit which are not required under the preceding provisions of this § 9 and the Lessee may remove such additions at the expiration of the original or any extended term of this Lease if the Lessee is then not in default under the terms of this Lease. Any such additions not removed shall become part of the Units and the property of the Lessor subject to the right of the Vendor under the Security Document and the Collateral Assignment of Lease."

§ 10. *Default.* If, during the continuance of this Lease, one or more of the following events (each such event being hereinafter sometimes called an Event of Default) shall occur:

A. default shall be made in payment of any part of the rental provided in § 3 hereof and such default shall continue for ten days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Security Document and such default shall continue for 25 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder or under the Security Document under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extension (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Security Document), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Security Document shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

E. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Security Document and this Lease shall not have been duly assumed in writing, pursuant to a court

order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

F. the Lessee shall not, within 30 days following the Closing Date, file the statement with the Interstate Commerce Commission required pursuant to 15 U.S.C. § 20 and 49 CFR § 1010.4 on account of the purchase by Continental Illinois National Bank and Trust Company of Chicago of interests in the Conditional Sale Indebtedness;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued here-

under from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of a rate of 6% per annum, discount, compounded quarter annually, from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, and (iii) an amount equal to the Indemnity Amount set forth in § 17 hereof together with any and all assessments, charges, fines, penalties and interest in any way related thereto.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 11. *Return of Units Upon Default.* § 11 of the Model Lease Provisions is herein incorporated as § 11 hereof except that the parenthetical phrase "(but, notwithstanding the foregoing provisions of this § 11, at the expense of the Lessor for any period in excess of 12 months)" shall be deemed to be inserted prior to the semi-colon appearing at the end of subsection (b) of said § 11.

§ 12. *Assignment; Possession and Use.* § 12 of the Model Lease Provisions is herein incorporated as § 12 hereof.

§ 13. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease or any extended term hereof, as the case may be, elect (a) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for one additional five-year period commencing on the scheduled expiration of the original term of this Lease at a "Fair Market Rental" payable in 20 quarter-annual payments on March 31, June 30, September 30 and December 31 in each year, commencing March 31, 1988, of the extended term and (b) to purchase all, but not fewer than all, the Units covered by this Lease at the end of the original or the extended term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Rental Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Rental Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fees of the Appraiser shall be borne by the Lessee.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession and (ii) a used equipment dealer) and

an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the original term of this Lease, or in case of an extension thereof, of the extended term of this Lease, in the case of a purchase of the Units, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

Upon payment of the purchase price, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without representations or warranties except that such Units are free and clear of all claims, liens, security interests and other encumbrances by or in favor of any person claiming by, through or under the Lessor) for such Units, and such other documents as may be required to release such Units from the terms and scope of this Lease and to transfer title thereto to the Lessee or such assignee or nominee, in such form as may reasonably be requested by the Lessee, all at the Lessee's expense.

§ 14. *Return of Units upon Expiration of Term.* § 14 of the Model Lease Provisions, with the exception of the last three sentences thereof, is herein incorporated as § 14 hereof.

§ 15. *Opinion of Counsel.* § 15 of the Model Lease Provisions is herein incorporated as part of § 15 hereof except that (i) each reference to the term "Security Document" in said § 15 shall also be deemed a reference to the term "Collateral Assignment of Lease" and (ii) the phrase "violate any existing law, rule or regulation applicable to the Lessee or" shall be deemed inserted, following the word "not", in the second

line of subsection E of said § 15. The opinion of counsel for the Lessee referred to in this § 15 shall also include opinions to the effect that (i) to the best of said counsel's knowledge (having made inquiry with respect thereto), there are no actions, suits or proceedings pending or threatened against or affecting the Lessee or the property of the Lessee in any court or before an arbitrator of any kind or before or by any governmental body which, if adversely determined, could materially affect the condition, financial or other, of the Lessee or the ability of the Lessee to perform its obligations under this Lease or the Security Document and (ii) no action or filing or registration or qualification with any governmental or public body or authority is or will be required to authorize, or is otherwise required in connection with, the valid execution, delivery or performance by the Lessee of this Lease, the Security Document (and the assignment thereof to the Vendor) and the Collateral Lease Assignment other than the filing of a statement with the Interstate Commerce Commission pursuant to 15 U.S.C. § 20 and 49 CFR § 1010.4.

§ 16. *Recording; Expenses.* § 16 of the Model Lease Provisions (with the exception of the last paragraph thereof) is herein incorporated as § 16 hereof. The Lessee agrees to pay the periodic fees and expenses of the Vendor for acting in its capacity as such under the agreements and instruments referred to in Article 20 of the Security Document.

§ 17. *Indemnity for Loss of ADR Deduction, Interest Deduction and Investment Credit.* The Lessor shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended, to the date hereof (herein called the "Code"), to an owner of property, including, without limitation, the maximum depreciation deduction with respect to the Units authorized under section 167 of the Code based on Lessor's Cost for the Units (meaning the Purchase Price of the Units) utilizing the twelve-year depreciable life prescribed for the Units in the Asset Guideline Class No. 00.25 in accordance with section 167(m) of the Code employing the double declining balance method of depreciation, switching to the sum-of-the-years-digits method when most beneficial to the Lessor, utilizing the half-year convention as provided in Treas. Regs. sec. 1.167(a)-11(c)(2)(iii) and taking into account an estimated gross salvage value of 20% of Lessor's Cost for the Units which will be reduced by 10% of Lessor's Cost for the Units as provided in section 167(f) of the

Code (such deduction being herein called the "ADR Deduction"), deductions with respect to interest payable on any certificate of interest pursuant to section 163 of the Code (such deduction being herein called the "Interest Deduction"), and the 10% investment credit in 1975 (herein called the "Investment Credit") with respect to Lessor's Cost for the Units pursuant to section 38 and related sections of the Code.

Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing, and that each of such corporations will file such returns, take such actions and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent hereof. Lessee agrees to keep and make available for inspection and copying by the Lessor such records as will enable the Lessor to determine the extent to which it is entitled to the benefit of the Investment Credit and the ADR Deduction with respect to the Units.

Lessee represents and warrants that:

(i) the Units constitute property the Lessor's Cost for which qualifies for the Investment Credit under section 38 of the Code in 1975;

(ii) the Units constitute "new section 38 property" within the meaning of sections 46 and 48 of the Code and will not have been used by any person so as to preclude "the original use of such property" within the meaning of sections 48(b) and 167(c) (2) of the Code from commencing with the Lessor;

(iii) at all times during the term for the Units under this Lease, the Units will constitute "section 38 property" within the meaning of section 48(a) of the Code, and Lessee will not at any time during such term use or fail to use the Units in such a way as to disqualify them as "section 38 property" within the meaning of section 48(a) of the Code; and

(iv) Lessee will maintain sufficient records to verify such use, which records will be furnished to the Lessor within 30 days after receipt of a written demand therefor.

If for any reason (including without limitation a disposition following an Event of Default or attributable to a Casualty Occurrence,

an inaccuracy in law or in fact of the representations and warranties set forth in the preceding paragraph, or any act or omission of Lessee) other than a change in the Code subsequent to the Closing Date, the Lessor shall lose, or shall not have, or shall lose the right to claim, or shall suffer a disallowance of or shall be required to recapture all or any portion of the Investment Credit, the ADR Deduction, or the Interest Deduction with respect to any or all of the Units (any such loss, disallowance, or recapture being hereinafter called a "Loss"), then on the next succeeding Payment Date provided for in this Lease after written notice to Lessee by Lessor of such fact, Lessee shall forthwith pay to Lessor such amount or amounts (hereinafter called "Indemnity Amount") as shall, in the reasonable opinion of the Lessor, cause the Lessor's net return (calculated on the same basis as used by the Lessor in originally evaluating this transaction, a copy of which calculation has been furnished to Lessee by Lessor) to equal the net return that would have been realized by the Lessor if such Loss had not occurred, and Lessee shall forthwith pay to Lessor the amount of any interest and/or penalties which may be assessed by the United States of America or any other state or local government against the Lessor attributable to such Loss, such opinion of Lessor is subject to agreement by Lessee and, in the event of disagreement between Lessor and Lessee as to any such payment, Lessor and Lessee agree to submit the calculation of such amounts to Arthur Andersen & Co., which firm shall compute the calculation of such amounts based on the assumptions set forth in this § 17; *provided, however*, that such amounts shall not be payable if the Lessor shall have suffered such Loss with respect to the Units as a direct result of the occurrence of any of the following events:

(a) a Casualty Occurrence with respect to any or all of the Units if Lessee shall have paid the Casualty Value for the Unit pursuant to § 7 hereof;

(b) a voluntary transfer by the Lessor of legal title to any or all of the Units to anyone (not including any transfer pursuant to § 7 or 10 hereof) or a disposition by the Lessor of any interest in the Units or the voluntary reduction by the Lessor of its interest in the Rent for the Unit or Units, unless, in each case, an Event of Default shall have occurred and be continuing;

(c) the failure of the Lessor to claim in a timely manner the Investment Credit, the ADR Deduction or the Interest Deduction;

(d) the failure of the Lessor to have sufficient liability for Federal income tax against which to credit such Investment Credit or sufficient income to benefit from the ADR Deduction or the Interest Deduction, as applicable; or

(e) any other voluntary act or intentional failure to act by the Lessor, which directly results in the loss of the Investment Credit, the ADR Deduction or the Interest Deduction;

provided further that if any of the events described in subparagraphs (a) through (e) above shall occur with respect to less than all of the Units covered under this Lease, the non-payment provision of this paragraph shall extend to those Units only and the Lessee's obligations and liabilities hereunder shall continue with respect to all other Units.

The Lessor agrees that if, in the opinion of its or Lessee's independent tax counsel (herein referred to as "Counsel"), a bona fide claim to all or a portion of the ADR Deduction, the Investment Credit or the Interest Deduction on the Unit or Units exists in respect of which Lessee would otherwise be required to pay to the Lessor, pursuant to the next preceding paragraph, Indemnity Amount and amounts in respect of any interest and/or penalty, the Lessor shall upon request and at the expense of Lessee, take all such legal or other appropriate action deemed reasonable by either Counsel in order to sustain such claim; *provided, however*, that the Lessor shall not be obligated to take any such legal or other appropriate action unless Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein in a form satisfactory to the Lessor. The Lessor may, at its option, take such action prior to making payment of any tax and interest and/or penalty attributable to the disallowance or recapture with respect to the Lessor of all or any portion of the Investment Credit, the Interest Deduction or the ADR Deduction on the Units (hereinafter called a "Tax Payment") or may make such Tax Payment and then sue for a refund.

If the Lessor takes such action prior to making such Tax Payment, such Indemnity Amount and interest and penalties attributable thereto need not be paid by Lessee to the Lessor while such action is pending. In such case, if the final determination shall be adverse to the Lessor, the Indemnity Amount shall be computed by the Lessor as of the date of such final determination and Lessee shall make payment thereof on the Payment Date as provided for in the Lease next succeeding

such final determination and, on or before such Payment Date, Lessee shall pay to Lessor an amount equal to all interest and penalty paid by the Lessor in respect of such final determination, together (if Lessee, at its option, shall not have paid such interest and penalty to the Lessor on the date such payment is made by the Lessor) with interest thereon from the date such payment is made by the Lessor to the date Lessee makes payment therefor to Lessor, at a rate equal to 140% per annum of Continental's Prime Rate, as in effect on the date of such final determination.

If the Lessor makes such Tax Payment and then sues for a refund, such Indemnity Amount shall be payable by Lessee on the first Payment Date as provided for in the Lease after such Tax Payment is made and, on or before such Payment Date, Lessee shall pay to Lessor an amount equal to all interest and penalty paid by the Lessor included in such Tax Payment. In such case, if the final determination shall be in favor of the Lessor, on the Payment Date as provided for in the Lease next succeeding such final determination, Lessor shall pay to Lessee (i) an amount equal to the Indemnity Amount theretofore paid by Lessee to the Lessor, and distributed to Lessor (or a proportionate part thereof if the final determination is partly in favor of and partly adverse to the Lessor) with interest thereon at Continental's Prime Rate for the period commencing on the date such amounts were received by the Lessor to the date the Lessor pays to Lessee such amounts and (ii) the amount of any penalty or interest refunded to the Lessor as a result of such final determination and any interest paid to the Lessor by the government on such refund, promptly upon receipt thereof, and Lessee shall pay to Lessor (for the benefit of the Lessor) an amount equal to interest at Continental's Prime Rate on the amount of the tax refund made in respect of the Tax Payment (excluding any interest or penalty included therein) for the period from the date of the original payment of the Tax Payment by the Lessor to the date such tax refund is received by the Lessor, such Prime Rate to be calculated in either case as from time to time in effect during the respective periods.

In the event any payment is required to be made pursuant to the three next preceding paragraphs and such payment is to be made under the Lease on succeeding Payment Dates or on or before the next succeeding Payment Date, but at such time the Lease shall have been terminated or no longer in force and effect, each party required to make payment shall promptly pay all amounts otherwise payable and

not theretofore paid by it in respect of Indemnity Amount and interest and penalty (and interest thereon) calculated by reference to the actual applicable dates of final determination, Tax Payment and reimbursements pursuant to the three next preceding paragraphs.

§ 18. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, interest on the overdue rentals for the period of time during which they are overdue at a fluctuating interest rate equal to 140% per annum of Continental's Prime Rate (as in effect on the date the same become past due and subject to adjustment quarter annually) or such lesser amount as may be legally enforceable.

§ 19. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

(a) if to the Lessor, at 676 South Industrial Way, Seattle, Washington 98108 Attn: Treasurer, Schoenfeld Corporation,

(b) if to the Lessee, at 516 West Jackson Boulevard, Chicago, Illinois 60606 Attn: Vice President—Finance and Accounting, Room 746,

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 20. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions

or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

§ 21. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of December 1, 1975, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 22. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois, *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.
