SECTION 2. COVENANTS AND WARRANTIES OF THE TRUST.

The Debtor covenants, warrants and agrees as follows:

2.1. Debtor's Duties. The Debtor covenants and agrees well and truly to perform, abide by and to be governed and restricted by each and all of the terms, provisions, restrictions, covenants and agreements set forth in the Participation Agreement, and in each and every supplement thereto or amendment thereof which may at any time or from time to time be executed and delivered by the parties thereto or their successors and assigns, to the same extent as though each and all of said terms, provisions, restrictions, covenants and agreements were fully set out herein and as though any amendment or supplement to the Participation Agreement were fully set out in an amendment or supplement to this Security Agreement. The Debtor undertakes to perform only such duties as are expressly and specifically set forth herein and in the other Operative Agreements (as defined in the Participation Agreement) and no implied obligations or covenants shall be read into this Security Agreement or any other Operative Agreements against the Debtor.

2.2. Warranty of Title. The Debtor has the right, power and authority under the Trust Agreement to grant a security

interest in the Collateral to the Secured Party for the uses and purposes herein set forth; and the Debtor will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Debtor, excepting only this Security Agreement and Permitted Encumbrances. The Debtor also agrees that it will, in its individual capacity and at its own cost and expense, without regard to the provisions of Section 7 hereof, promptly take such action as may be necessary to duly discharge any liens and encumbrances on the Collateral which result from claims against the Debtor in its individual capacity and not related to the ownership of the Equipment or the administration of the Trust Estate (as defined in the Trust Agreement) or any transactions pursuant to the Operative Agreements (as defined in the Trust Agreement). Without limiting the foregoing, there is no financing statement or other filed or recorded instrument in which the Debtor is named and which the Debtor has signed, as debtor or mortgagor now on file in any public office covering any of the Collateral excepting the financing statements or other instruments filed or to be filed in respect of and for the security interest provided for herein.

2.3. Further Assurances. The Debtor will, at no expense to the Secured Party, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired. Without limiting the foregoing but in furtherance of the security interest herein granted in the rents and other sums due and to become due under the Lease, the Debtor covenants and agrees that it will, pursuant to Section 16 of the Lease, notify the Lessee of the assignment hereunder and direct the Lessee to make all payments of such rents and other sums due and to become due under the Lease other than Excepted Rights in Collateral directly to the Secured Party or as the Secured Party may direct in writing. The Debtor will also notify the Lessee and the Board of the assignment hereunder in respect of the Coal Purchase Contract and direct the Lessee and the Board to make payments of all proceeds of such collateral other than Excepted Rights in collateral to the Secured Party or as the Secured Party may direct in writing.

2.4. After-Acquired Property. Any and all property described or referred to in the granting clauses hereof which is hereafter acquired shall ipso facto, and without any further conveyance, assignment or act on the part of the Debtor or the Secured Party, become and be subject to the security interest herein granted as fully and completely as though specifically described herein, but nothing in this Section 2.4 contained shall be deemed to modify or change the obligation of the Debtor under Section 2.3 hereof.

2.5. Recordation and Filing. The Debtor will cause this Security Agreement and all supplements hereto, the Lease

and all supplements thereto, and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party in such manner and in such place as may be required by law in order to fully preserve and protect the rights of the Secured Party hereunder, and will at no expense to the Secured Party furnish to the Secured Party promptly after the execution and delivery of this Security Agreement and of each supplemental Security Agreement an opinion of counsel stating that in the opinion of such counsel, this Security Agreement or such supplement, as the case may be, has been properly recorded or filed for record so as to make effective of record the security interest intended to be created hereby.

2.6. Modifications of the Lease. The Debtor will not:

(a) declare a default or exercise the remedies of the Lessor under, or terminate, modify or accept a surrender of, or offer or agree to any termination, modification or surrender of, the Lease (except as otherwise expressly provided in Section 8.11 herein) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the leasehold estate created by the Lease or any part thereof;

(b) except in respect of Excepted Rights in Collateral, receive or collect any rental payment under the Lease prior to the date for payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Secured Party hereunder) any rent payment then due or to accrue in the future under the Lease in respect of the Equipment;

(c) except in respect of Excepted Rights in Collateral, sell, mortgage, transfer, assign or hypothecate (other than to the Secured Party hereunder) its interest in the Equipment or any part thereof or in any amount to be received by it from the use or disposition of the Equipment;

(d) exercise any remedies of the Lessee under the Coal Purchase Contract, or terminate or modify, or offer or agree to any termination or modification of, the Coal Purchase Contract or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness on the right, title and interest of the Lessee under the Coal Purchase Contract or the proceeds of any loans made thereunder;

(e) except in respect of Excepted Rights in Collateral, receive or collect any proceeds under the Coal Purchase Contract or assign, transfer or hypothecate (other than to the Secured Party hereunder) any proceeds received under the Coal Purchase Contract in

respect of the obligations of the Lessee under the Operative Agreements; or

(f) declare a default or exercise of remedies of the Secured Party under, or terminate, modify or release, or offer or agree to any termination, modification or release of, the Coal Purchase Contract or by affirmative act, consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the collateral under the Coal Purchase Contract.

2.7. Power of Attorney in Respect of the Collateral.

The Debtor does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney with full power of substitution, for it and in its name, place and stead, to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all rents, income and other sums which are assigned under Sections 1.1, 1.2 and 1.3 hereof and to endorse the name of the Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Debtor or otherwise, which the Secured Party may deem necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such rents and other sums and the security intended to be afforded hereby, and if an Event of Default hereunder shall have occurred and be continuing, to settle, adjust or compromise any claim thereunder as fully as the Debtor itself could do.

2.8. Notice of Default. The Debtor further covenants and agrees that it will give the Secured Party prompt written notice of any event or condition constituting an Event of Default under the Lease if the Debtor has actual knowledge of such event or condition.

SECTION 3. POSSESSION, USE AND RELEASE OF PROPERTY.

3.1. Possession of Collateral. While the Debtor is not in default hereunder, it shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto, provided, always, that the possession, enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of the terms of this Security Agreement. It is expressly understood that the use and possession of the Equipment by the Lessee under and subject to the Lease shall not constitute a violation of this Section 3.1.

3.2. Release of Property. So long as no default referred to in Section 14 of the Lease has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated

by the Lessee for settlement pursuant to Section 11 of the Lease upon receipt from the Lessee of written notice designating the Item of Equipment in respect of which the Lease will terminate and the receipt from the Lessee of all sums payable for such Item of Equipment in compliance with Section 11 of the Lease.

3.3. Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the provisions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or unit of the mortgaged property be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

SECTION 4. APPLICATION OF ASSIGNED RENTALS AND CERTAIN OTHER MONEYS RECEIVED BY THE SECURED PARTY.

4.1. Application of Rents and Other Payments. As more fully set forth in Sections 1.2 and 1.3 hereof the Debtor has hereby granted to the Secured Party a security interest in rents, issues, profits, income and other sums due and to become due under the Lease in respect of the Equipment and in fixed cost payments under the Coal Purchase Contract as assigned to the Debtor in the Lease as security for the Notes. So long as no Event of Default as defined in Section 5 hereof has occurred and is continuing:

(a) The amounts from time to time received by the Secured Party which constitute payment by the Lessee under the Lease of the installments of rental under the Lease shall be applied first, to the payment of the installments of principal and interest (and in each case first to interest and then to principal) on the Notes which have matured or will mature on or before the due date of the installments of rental which are received by the Secured Party, and then the balance, if any, of such amounts shall be paid to or upon the order of the Debtor not later than the first business day following the receipt thereof;

(b) The amounts from time to time received by the Secured Party which constitute settlement by the Lessee of the "Casualty Value" or the "Termination Value" for any Item of Equipment pursuant to Section 11 of the Lease shall be applied by the Secured Party as follows:

(1) First, to the payment of an amount equal to the accrued and unpaid interest on that portion of the Notes to be prepaid pursuant to the following subparagraph;

(ii) Second, an amount equal to the Loan Value of such Item of Equipment for which settlement is

then being made shall be applied to the prepayment of the Notes so that each of the remaining installments of each Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment; and

(iii) Third, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (i) and (ii) shall be released to or upon the order of the Debtor on the date of payment of the amounts provided in the preceding clauses (i) and (ii).

For purposes of this Section 4.1(b), the "Loan Value" in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price (as defined in the Participation Agreement) of such Item of Equipment for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the Lease (including the Purchase Price of such Item of Equipment for which settlement is then being made), times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.1(b) (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.1(b));

(c) The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by the Lessee in respect of the Equipment, shall be held by the Secured Party as a part of the Collateral and shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(i) So long as no Event of Default has occurred and is continuing to the knowledge of the Secured Party, the proceeds of such insurance shall, if the Item of Equipment is to be repaired, be released to the Debtor to reimburse the Lessee for expenditures made for such repair upon receipt by the Secured Party of a certificate of an authorized officer of the Lessee to the effect that any damage to such Item in respect of which such proceeds were paid has been fully repaired; and

(ii) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (i) within 180 days from the receipt thereof by the Secured Party, or if within such period the Lessee shall have notified the Secured Party in writing that the Lease is to be terminated in respect

of such item in accordance with the provisions of Section 11.2 of the Lease then so long as no Event of Default hereunder has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(A) First, to the prepayment of the Notes, all in the manner and to the extent provided for by Section 4.1(b) hereof; and

(B) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (A) shall be released to or upon the order of the Debtor on the date of such prepayment of the Notes; and

(d) The amounts from time to time received under the Coal Purchase Contract to satisfy the obligations of the Lessee under the Lease or the Participation Agreement shall be applied as payments made directly by the Lessee to satisfy such obligations.

4.2. Multiple Notes. If more than one Note is outstanding at the time any such application is made, such application shall be made on all outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

4.3. Default. If an Event of Default referred to in Section 5 hereof has occurred and is continuing, all amounts received by the Secured Party pursuant to Sections 1.2 and 1.3 hereof shall be applied in the manner provided for in Section 5 in respect of proceeds and avails of the Collateral.

SECTION 5. DEFAULTS AND OTHER PROVISIONS.

5.1. Events of Default. The term "Event of Default" for all purposes of this Security Agreement shall mean one or more of the following:

(a) Default in payment of an installment of the principal of, or interest on, any Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for prepayment or by acceleration or otherwise, and any such default shall continue unremedied for ten days;

(b) An Event of Default (as defined in the Lease) shall have occurred and be continuing under the Lease;

(c) Default on the part of the Debtor or the Trustor in the due observance or performance of any

covenant or agreement to be observed or performed by the Debtor or the Trustor under this Security Agreement or the Participation Agreement, and such default shall continue unremedied for 30 days after written notice from the Secured Party to the Debtor and the Trustor specifying the default and demanding the same to be remedied;

(d) Any representation or warranty on the part of the Debtor or the Trustor made herein or in the Participation Agreement or in any report, certificate, financial or other statement furnished in connection with this Security Agreement, the Lease or the Participation Agreement, or the transactions contemplated therein, shall prove to have been false or misleading in any material respect when made; or

(e) Any claim, lien or charge (other than Permitted Encumbrances and liens, charges and encumbrances which the Lessee is obligated to discharge under Section 9 of the Lease) shall be asserted against or levied or imposed upon the Equipment which is prior to or on a parity with the security interest granted hereunder, and such claim, lien or charge shall not be discharged or removed within thirty calendar days after written notice from the Secured Party or the holder of any Note to the Debtor and the Lessee demanding the discharge or removal thereof.

5.2. Secured Party's Rights. The Debtor agrees that when any Event of Default as defined in Section 5.1 has occurred and is continuing, but subject always to Section 7 hereof, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of Illinois (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and without limiting the foregoing, the Secured Party may exercise any one or more or all, and in any order, of the remedies hereinafter set forth, it being expressly understood that no remedy herein conferred is intended to be exclusive of any other remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other remedy given herein or now or hereafter existing at law or in equity or by statute.

(a) The Secured Party or the holder of any of the Notes may, by notice in writing to the Debtor declare the entire unpaid balance of the Notes to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable;

(b) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the same, or use and operate or lease the same until sold;

(c) Subject always to the rights of the Lessee under the Lease, the Secured Party may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor and the Lessee once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Collateral, or any part thereof, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to; provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, may bid and become the purchaser at any such sale;

(d) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to protect and enforce this Security Agreement and the Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the mortgaged property or any part thereof, or subject to the provisions of Section 7 hereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law;

(e) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Lease, and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party; and

(f) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor in the Coal Purchase Contract assigned to the Debtor under the Lease, and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for use and benefit of the Secured Party.

5.3. Certain Rights of the Debtor on the Occurrence of an Event of Default Under the Lease. Except as hereinafter provided, if an Event of Default under the Lease of which the Secured Party has knowledge shall have occurred and be continuing the Secured Party shall give the Debtor not less than 10 days' prior written notice of the date (the "Enforcement Date") on which the Secured Party will exercise any remedy or remedies pursuant to Section 5.2 hereof. If an Event of Default under the Lease shall have occurred and be continuing, the Debtor shall have the following rights hereunder:

(a) Right to Cure. In the event of the occurrence of an Event of Default in respect of the payment of Fixed Rental under the Lease on the day it becomes due and payable (unless there shall have occurred and be continuing any Event of Default under the Lease other than a failure to pay Fixed Rental), the Debtor may, prior to the Enforcement Date, pay to the Secured Party an amount equal to any principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the Notes, and such payment by the Debtor shall be deemed to cure any Event of Default under the Lease which would otherwise have arisen on account of the non-payment by the Lessee of such installment of Fixed Rental under the Lease; provided, however, that the Debtor may not exercise such right in respect of more than two consecutive Fixed Rental payment defaults or in any event more than a total of four times throughout the term of the Lease.

Except as hereinafter in this Section 5.3(a) provided, the Debtor shall not, by exercising the right to cure any such Event of Default, obtain any lien, charge or encumbrance of any kind on any of the Collateral for or on account of costs or expenses incurred in connection with the exercise of such right nor shall any claims

of the Debtor against the Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Secured Party in and to the Collateral. Upon such payment by the Debtor of the amount of principal and interest then due and payable on the Notes, the Debtor shall be subrogated to the rights of the Secured Party in respect of the Fixed Rental which was overdue at the time of such payment and interest payable by the Lessee on account of its being overdue, and therefore, if no other Event of Default shall have occurred and be continuing and if all principal and interest payments due on the Notes have been paid at the time of receipt by the Secured Party of such Fixed Rental, the Debtor shall be entitled to receive such Fixed Rental and such interest upon receipt thereof by the Secured Party; provided that (i) in the event the principal and interest on the Notes shall have become due and payable pursuant to Section 5.2(a) hereof, such subrogation shall, until principal of and interest on all Notes shall have been paid in full, be subordinate to the rights of the Secured Party in respect of such payment of Fixed Rental and such interest on such overdue Fixed Rental prior to receipt by the Debtor of any amount pursuant to such subrogation, and (ii) the Debtor shall not be entitled to seek to recover any such payment (or any payment in lieu thereof) except pursuant to the foregoing right of subrogation.

(b) Option to Prepay Notes. Whether or not the Debtor shall then have the right to cure an Event of Default under the Lease pursuant to Section 5.3(a) above, the Debtor may at its option prepay the Notes, without premium or penalty, by payment of the entire unpaid principal amount thereof, together with accrued interest thereon to the date of prepayment.

5.4. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in cash.

5.5. Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon

or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.6. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold, shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns (subject, however, to the then existing rights, if any, of the Lessee under the Lease).

5.7. Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of reasonable costs and expenses of foreclosure or suit, if any, and of such sale, and of all proper reasonable expenses, liability and advances, including reasonable legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party, or the holder or holders of the Notes and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of the holder or holders of the Notes of the amount then owing or unpaid on the Notes for principal, interest and premium, if any; and in case such proceeds shall be insufficient to pay in full the whole amount so due owing or unpaid upon the Notes, then ratably according

to the aggregate of such principal and the accrued and unpaid interest and premium, if any, with application on each Note to be made, first, to the unpaid interest thereon, second, to unpaid premium, if any, thereon, and third, to unpaid principal thereof; such application to be made upon presentation of the several Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(c) Third, to the prompt payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

5.8. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then and in every such case the Debtor, the Secured Party and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.9. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. No remedy hereunder is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

SECTION 6. THE SECURED PARTY.

6.1. Certain Duties and Responsibilities of Secured Party. (a) Except during the continuance of an Event of Default:

(1) the Secured Party undertakes to perform such duties and only such duties as are specifically

set forth in this Security Agreement, and no implied covenants or obligations shall be read into this Security Agreement against the Secured Party; and

(2) in the absence of bad faith on its part, the Secured Party may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Secured Party and conforming to the requirements of this Security Agreement or the Lease; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Secured Party, the Secured Party shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Security Agreement.

(b) In case an Event of Default has occurred and is continuing, the Secured Party shall exercise such of the rights and powers vested in it by this Security Agreement for the benefit of the holders of the Notes, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Security Agreement shall be construed to relieve the Secured Party from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(2) the Secured Party shall not be liable for any error of judgment made in good faith by an officer of the Secured Party unless it shall be proved that the Secured Party was negligent in ascertaining the pertinent facts; and

(3) the Secured Party shall not be liable to the holder of any Note with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of two-thirds principal amount of the Notes outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Secured Party, or exercising any trust or power conferred upon the Secured Party under this Security Agreement.

(d) No provision of this Security Agreement shall require the Secured Party to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds

or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Security Agreement relating to the conduct or affecting the liability of or affording protection to the Secured Party shall be subject to the provisions of this Section.

6.2. Certain Limitations on Secured Party's Rights to Compensation and Indemnification. The Secured Party agrees that it shall have no right against the holders of any Note for the payment of compensation for its services hereunder or any expenses or disbursements incurred in connection with the exercise and performance of its powers and duties hereunder or any indemnification against liability which it may incur in the exercise and performance of such powers and duties but, on the contrary, shall look solely to the Debtor for such payment and indemnification and that it shall have no lien on nor security interest in the Collateral as security for such compensation, expenses, reasonable counsel fees, if any, disbursements and indemnification except to the extent provided for in Section 5.7(a) hereof.

6.3. Certain Rights of Secured Party. (a) The Secured Party shall not be responsible for any recitals herein or in the Participation Agreement or for insuring the Equipment, or for paying or discharging any tax, assessment, governmental charge or lien affecting the Collateral, or for the recording, filing or refileing of this Security Agreement, or of any supplemental or further mortgage or trust deed, nor shall the Secured Party be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements contained herein or in the Participation Agreement, and, except in the case of a default in the payment of the principal of, or interest or premium, if any, on any Note or a default of which the Secured Party has actual knowledge, the Secured Party shall be deemed to have knowledge of any default in the performance or observance of any such covenants, conditions or agreements only upon receipt of written notice thereof from one of the holders of the Notes. The Secured Party shall promptly notify the Debtor and all holders of the Notes of any default of which the Secured Party has actual knowledge. Upon receipt by the Secured Party of such written notice from a holder of a Note, the Secured Party shall promptly notify the Debtor and all other holders of the Notes of such notice and the default referred to therein by prepaid registered mail addressed to them at their addresses set forth in the Register.

(b) The Secured Party makes no representation or warranty as to the validity, sufficiency or enforceability of this Security Agreement, the Notes, the Participation Agreement or any instrument included in the Collateral, or as to the value, title, condition, fitness for use of, or otherwise with respect to, any Equipment or Item of Equipment or any substitute therefor. The Secured Party shall not be accountable to anyone for the use or application of any of the Notes or the proceeds thereof or for the use or application of any

property or the proceeds thereof which shall be released from the lien and security interest hereof in accordance with the provisions of this Security Agreement.

(c) The Secured Party may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(d) Any request, direction or authorization by the Debtor or the Lessee shall be sufficiently evidenced by a request, direction or authorization in writing, delivered to the Secured Party, and signed in the name of the Debtor or the Lessee, as the case may be, by its Chairman of the Board, President, any Vice President, Treasurer or Secretary, and any resolution of the Board of Directors of the Debtor or the Lessee shall be sufficiently evidenced by a copy of such resolution certified by its Secretary or an Assistant Secretary to have been duly adopted and to be in full force and effect on the date of such certification, and delivered to the Secured Party.

(e) Whenever in the administration of the trust herein provided for the Secured Party shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate purporting to be signed by the Chairman of the Board, the President, any Vice President, the Treasurer or the Secretary of the Debtor or the Lessee or the Board, as the case may be, and delivered to the Secured Party, and such certificate shall fully warrant to the Secured Party or any other person for any action taken, suffered or omitted on the faith thereof, but in its discretion the Secured Party may accept, in lieu thereof, other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(f) The Secured Party may consult with counsel, appraisers, engineers, accountants and other skilled persons to be selected by the Secured Party, and the written advice of any thereof shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) The Secured Party shall be under no obligation to take any action to protect, preserve or enforce any rights or interests in the Collateral or to take any action towards the execution or enforcement of the trusts hereunder or otherwise hereunder, whether on its own motion or on the request of any other person, which in the opinion of the Secured Party may involve loss, liability or expense, unless the Debtor or one or more holders of the Notes outstanding shall offer and furnish reasonable security or indemnity against loss, liability and expense to the Secured Party.

(h) The Secured Party shall not be liable to the holder of any Note for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Security Agreement.

(i) The Secured Party shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document, unless requested in writing to do so by the holders of not less than a majority in principal amount of the Notes then outstanding.

(j) The Secured Party may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Secured Party shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it with due care.

(k) The provisions of paragraphs (c) to (j), inclusive, of this Section 6.3 shall be subject to the provisions of Section 6.1 hereof.

6.4. Showings Deemed Necessary by Secured Party. Notwithstanding anything elsewhere in this Security Agreement contained, the Secured Party shall have the right, but shall not be required, to demand in respect of withdrawal of any cash, the release of any property, the subjection of any after-acquired property to the lien of this Security Agreement, or any other action whatsoever within the purview hereof, any showings, certificates, opinions, appraisals or other information by the Secured Party deemed necessary or appropriate in addition to the matters by the terms hereof required as a condition precedent to such action.

6.5. Status of Moneys Received. All moneys received by the Secured Party shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys, except to the extent required by law, and may be deposited by the Secured Party under such general conditions as may be prescribed by law in the Secured Party's general banking department, and the Secured Party shall be under no liability for interest on any moneys received by it hereunder. The Secured Party and any affiliated corporation may become the owner of any Note secured hereby and be interested in any financial transaction with the Debtor or any affiliated corporation or the Lessee or any affiliated corporation, or the Secured Party may act as depository or otherwise in respect to other securities of the Debtor or any affiliated corporation or the Lessee or any affiliated corporation, all with the same rights which it would have if not the Secured Party. The Secured Party agrees that, whenever it shall be required to disburse moneys to the Note Purchaser under the provisions hereof, it shall do so by wire transfer of immediately available funds to a designated bank or trust company located in the continental United States whenever such method of payment is provided for in Schedule 2 to the Participation Agreement or is requested in writing by the Note Purchaser.

6.6. Resignation of Secured Party. The Secured Party may resign and be discharged of the trusts hereby created by mailing notice specifying the date when such resignation shall take effect to the Debtor and to the holders of the Notes at their addresses set forth in the Register. Such resignation shall take effect on the date specified in such notice (being not less than thirty days after the mailing of such notice) unless previously a successor secured party shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor.

6.7. Removal of Secured Party. The Secured Party may be removed and/or a successor secured party may be appointed at any time by an instrument or concurrent instruments in writing signed and acknowledged by the holders of a majority in principal amount of the Notes and delivered to the Secured Party and to the Debtor and, in the case of the appointment of a successor secured party, to such successor secured party.

6.8. Successor Secured Party. Each secured party appointed in succession of the Secured Party named in this Security Agreement, or its successor in the trust, shall be a trust company or banking corporation having an office in any of the States of Illinois or California, in good standing and having a capital and surplus aggregating at least \$50,000,000, if there be such a trust company or banking corporation qualified, able and willing to accept the trust upon reasonable or customary terms.

6.9. Appointment of Successor Secured Party. If the Secured Party shall have given notice of resignation to the Debtor pursuant to Section 6.6 hereof, if notice of removal shall have been given to the Secured Party and the Debtor pursuant to Section 6.7 hereof, which notice does not appoint a successor secured party, a successor secured party may be appointed by the Debtor, or, if such successor secured party shall not have been so appointed or shall not have accepted such appointment within fifteen calendar days after the giving of such notice of resignation or the giving of any such notice of removal, as the case may be, a successor secured party may be appointed by the Debtor, the holder of any outstanding Note or, upon application of the retiring secured party, by any court of competent jurisdiction.

6.10. Merger or Consolidation of Secured Party. Any company in which the Secured Party, or any successor to it in the trust created by this Security Agreement, may be merged or converted or with which it or any successor to it may be consolidated or any company resulting from any merger or consolidation to which the Secured Party or any successor to it shall be a party (provided such company shall be a corporation organized under the laws of the United States of America or of a state thereof, having a capital and surplus of at least \$50,000,000), shall be the successor to the Secured Party under this Security Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Debtor covenants that in case of any such merger, consolidation

or conversion it will, upon the request of the merged, consolidated or converted corporation, execute, acknowledge and cause to be recorded or filed suitable instruments in writing to confirm the estates, rights and interests of such corporation as secured party under this Security Agreement.

6.11. Conveyance Upon Request of Successor Secured Party. Should any deed, conveyance or instrument in writing from the Debtor be required by any successor secured party for more fully and certainly vesting in and confirming to such new secured party such estates, rights, powers and duties, then upon request any and all such deeds, conveyances and instruments in writing shall be made, executed, acknowledged and delivered, and shall be caused to be recorded and/or filed, by the Debtor.

6.12. Acceptance of Appointment by Successor Secured Party. Any new secured party appointed pursuant to any of the provisions hereof shall execute, acknowledge and deliver to the Debtor an instrument accepting such appointment, and thereupon such new secured party, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers and trusts of its predecessor in the rights hereunder with like effect as if originally named as secured party herein; but nevertheless, upon the written request of the Debtor or of the successor secured party, the secured party ceasing to act shall execute and deliver an instrument transferring to such successor secured party, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of the secured party so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such secured party to the successor secured party so appointed in its or his place.

SECTION 7. LIMITATIONS OF LIABILITY.

It is expressly understood and agreed by and between the Debtor, the Trustor, the Secured Party and their respective successors and assigns that, except as expressly provided in Section 2.2 hereof, this Security Agreement is executed by Trust Company for USL, Inc., not individually or personally but solely as Trustee under the Trust Agreement in the exercise of the power and authority conferred and vested in it as such Trustee, that each and all of the representations, undertakings and agreements herein made on the part of the Debtor are each and every one of them made and intended not as personal representations, undertakings and agreements by Trust Company for USL, Inc. or the Trustor, or for the purpose or with the intention of binding Trust Company for USL, Inc. or the Trustor personally, but are made and intended for the purpose of binding only the Trust Estate as defined in the Trust Agreement, that this Security Agreement is executed and delivered by Trust Company for USL, Inc. solely in the exercise of the powers expressly conferred upon Trust Company for USL, Inc., as trustee under the Trust Agreement, that actions to be taken by the Debtor pursuant to its obligations hereunder may, in certain instances, be taken by the Debtor only upon specific authority of the Trustor, that nothing herein contained shall be

construed as creating any liability on Trust Company for USL, Inc. or the Trustor, individually or personally, or any incorporator or any past, present or future subscriber to the capital stock of, or stockholder, officer or director of, Trust Company for USL, Inc. or the Trustor, to perform any covenant either express or implied contained herein, all such liability, if any, being expressly waived by the Secured Party and by any person claiming by, through or under the Secured Party, and that so far as Trust Company for USL, Inc. or the Trustor, individually or personally are concerned, the Secured Party and any person claiming by, through or under the Secured Party shall look solely to the Collateral for the performance of any obligation under any of the instruments referred to herein; provided that nothing in this Section 6 shall be construed to limit in scope or substance those representations and warranties of Trust Company for USL, Inc., in its individual capacity set forth in the Participation Agreement. Any obligation of the Debtor hereunder may be performed by the Trustor, and any such performance shall not be construed as revocation of the trust created by the Trust Agreement. Nothing contained in this Security Agreement shall restrict the operation of the provisions of the Trust Agreement with respect to its revocation or the resignation or removal of the Trustee thereunder.

SECTION 8. MISCELLANEOUS.

8.1. Registration and Execution. The Notes shall be registered as to principal and interest and shall be signed on behalf of the Debtor by its President or any Vice President or any other officer of the Debtor who, at the date of the actual execution thereof, shall be a proper officer to execute the same.

8.2. Payment of the Notes. (a) The principal of, and premium, if any, and interest on the Notes shall be payable by wire transfer of immediately available funds, in the case of the original Note Purchaser, as provided in Section 8.10 or as the Note Purchaser shall otherwise designate, and in the case of all other holders of the Notes, to such bank or trust company in the continental United States for the account of such holder as the holder shall designate to the Debtor from time to time in writing, and if no such designation is in effect, by check, duly mailed, by first class, postage prepaid, or delivered to such holder at its address appearing on the Register as defined in Section 8.3. All payments so made shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sums so paid. Each holder (or the person for whom such holder is a nominee) by its acceptance of any Note agrees that, before selling, transferring or otherwise disposing of such Note, it will present such Note to the Debtor for transfer and notation as provided in Sections 8.4 and 8.5.

(b) All amounts constituting payment of the installments of rental under the Lease or Casualty Value received by the Secured

Party and applied on the Notes pursuant to Section 5 hereof shall be valid and effectual to satisfy and discharge the liability upon such Notes to the extent of the amounts so received and applied.

8.3. The Register. The Debtor will keep at its principal office a register for the registration and transfer of Notes (herein called the "Register"). The names and addresses of the holders of the Notes, the transfers of the Notes and the names and addresses of the transferees of all Notes shall be registered in the Register, with copies to be provided by the Debtor to the Secured Party.

8.4. Transfers and Exchanges of Notes; Lost or Mutilated Notes.

(a) The holder of any Note may transfer such Note upon the surrender thereof at the principal corporate office of the Debtor. Thereupon, the Debtor shall execute in the name of the transferee a new Note or Notes in denominations not less than \$50,000 in aggregate principal amount equal to the unpaid principal amount of the Note so surrendered and deliver such new Note or Notes to the Debtor for delivery to such transferee.

(b) The holder of any Note or Notes may surrender such Note or Notes at the principal office of the Debtor, accompanied by a written request for a new Note or Notes in the same aggregate principal amount as the then unpaid principal amount of the Note or Notes so surrendered and in denominations of \$50,000 or such amount in excess thereof as may be specified in such request. Thereupon, the Debtor shall execute in the name of such holder a new Note or Notes in the denomination or denominations so requested and in the aggregate principal amount equal to the aggregate unpaid principal amount of the Note or Notes so surrendered and deliver such new Note or Notes to such holder, and shall advise the Secured Party thereof.

(c) All Notes presented or surrendered for exchange or transfer shall be accompanied (if so required by the Debtor) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Debtor, duly executed by the registered holder or by its attorney duly authorized in writing. The Debtor shall not be required to make a transfer or an exchange of any Note for a period of ten days preceding any installment payment date with respect thereto.

(d) No notarial act shall be necessary for the transfer or exchange of any Note pursuant to this Section 8.4, and the holder of any Note issued as provided in this Section 8.4 shall be entitled to any and all rights and privileges granted under this Security Agreement to a holder of a Note.

(e) In case any Note shall become mutilated or be destroyed, lost or stolen, the Debtor, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substituted Note shall furnish to the Debtor such security or indemnity as may be required by the Debtor to save it harmless from all risks, and the applicant shall also furnish to the Debtor evidence to its satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof. In case any Note which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Debtor may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Debtor such security or indemnity as the Debtor may require to save it harmless, and shall furnish evidence to the satisfaction of the Debtor of the mutilation, destruction, loss or theft of such Note and the ownership thereof. If any Note Purchaser, or its nominee, is the owner of any such lost, stolen or destroyed Note, then the affidavit of the president, vice president, treasurer or assistant treasurer of such Note Purchaser setting forth the fact of loss, theft or destruction and of its ownership of the Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no indemnity shall be required as a condition to execution and delivery of a new Note other than the written agreement of such Note Purchaser to indemnify the Debtor for any claims or action against it (and for its attorney's fees) resulting from the issuance of such new Note or the reappearance of the old Note. The Debtor shall advise the Secured Party when any new Note is issued pursuant to this Section 8.4(e) as to the details of such issuance.

8.5. The New Notes.

(a) Each new Note (herein, in this Section 8.5, called a "New Note") issued pursuant to Section 8.4(a), (b) or (e) in exchange for or in substitution or in lieu of an outstanding Note (herein, in this Section 8.5, called an "Old Note") shall be dated the date of such Old Note. The Debtor shall mark on each New Note (i) the dates to which principal and interest have been paid on such Old Note, (ii) all payments and prepayments of principal previously made on such Old Note which are allocable to such New Note, and (iii) the amount of each installment payment payable on such New Note. Each installment payment payable on such New Note on any date shall bear the same proportion to the installment payment payable on such Old Note on such date as the original principal amount of such New Note bears to

the original aggregate principal amount of such Old Note. Interest shall be deemed to have been paid on such New Note to the date on which interest shall have been paid on such Old Note, and all payments and prepayments of principal marked on such New Note, as provided in clause (ii) above, shall be deemed to have been made thereon.

(b) Upon the issuance of a New Note pursuant to Section 8.4(a), (b) or (e), the Debtor may require the payment of a sum to reimburse it for, or to provide it with funds for, the payment of any tax or other governmental charge or any other charges and expenses connected therewith which are paid or payable by the Debtor.

(c) All New Notes issued pursuant to Section 8.4(a), (b) or (e) in exchange for or in substitution or in lieu of Old Notes shall be valid obligations of the Debtor evidencing the same debt as the Old Notes and shall be entitled to the benefits and security of this Security Agreement to the same extent as the Old Notes.

(d) Upon the issuance of any Note pursuant to this Security Agreement, the Debtor shall submit to the Trustor a request that the Trustor prepare and deliver to the Debtor an amortization schedule with respect to such Note setting forth the amount of the installment payments to be made on such Note after the date of issuance thereof and the unpaid principal balance of such Note after each such installment payment, and upon receipt by the Debtor from the Trustor of such schedule, the Debtor shall furnish a copy thereof to the Secured Party. The Secured Party shall deliver, or send by first-class mail, postage prepaid, one copy of the applicable schedule to the holder of such Note at its address set forth in the Register.

8.6. Cancellation of Notes. All Notes surrendered for the purpose of payment, redemption, transfer or exchange shall be delivered to the Debtor for cancellation or, if surrendered to the Debtor, shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Security Agreement.

8.7. Registered Owner. The person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Security Agreement and the Debtor shall not be affected by any notice to the contrary. Payment of or on account of the principal of, premium, if any, and interest on such Note shall be made only to or upon the order in writing of such registered owner. For the purpose of any request, direction or consent hereunder, the Debtor may deem and treat the registered owner of any Note as the owner thereof without production of such Note.

8.8. Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the

successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

8.9. Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision herein contained unenforceable or invalid, provided that nothing contained in this Section 8.9 shall be construed to be in derogation of any rights or immunities of the Debtor in its individual capacity or the Trustor under Section 7 hereof, or to amend or modify any limitations or restrictions of the Secured Party or the holder of any Note or their respective successors or assigns under said Section 7.

8.10. Communications.
