2.2. Warranty of Title. The Debtor has the right, power and authority to grant a security interest in

the Collateral to the Secured Party for the uses and purposes herein set forth; and the Debtor will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Debtor. The Debtor will, at its expense, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired. Without limiting the foregoing but in furtherance of the security interest herein granted in the revenues and other sums due and to become due under the Lease and Management Agreement, the Debtor covenants and agrees that it will cause UMP to be notified of such assignment pursuant to Section 17 of the Lease and Management Agreement and direct UMP to make all payments of such revenues and other sums due and to become due under the Lease and Management Agreement, other than the Excepted Rights in Collateral, directly to the Secured Party or as the Secured Party may direct.

2.4. After-acquired Property. Any and all property described or referred to in the granting clauses hereof which is hereafter acquired shall ipso facto, and without any further conveyance, assignment or act on the part of the Debtor or the Secured Party, become and be

subject to the security interest herein granted as fully and completely as though specifically described herein, but nothing in this Section 2.4 contained shall be deemed to modify or change the obligation of the Debtor under Section 2.3 hereof.

2.5. Recordation and Filing. The Debtor will cause this Security Agreement and any supplements hereto, the Lease and Management Agreement, and any supplements thereto and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party in such manner and in such places as may be required by law in order fully to preserve and protect the rights of the Secured Party hereunder, and will at its own expense furnish to the Secured Party promptly after the execution and delivery of this Security Agreement and of any supplement to this Security Agreement an opinion of counsel satisfactory to the Secured Party stating that in the opinion of such counsel this Security Agreement or such supplement, as the case may be, has been properly recorded or filed for record so as to make effective of record the security interest intended to be created hereby.

2.6. Modification of the Lease and Management Agreement or the Guaranty. The Debtor will not:

(a) declare a default or exercise the remedies of the Debtor under, or terminate or modify or accept a surrender of, or offer or agree to, any termination or modification or surrender of or waiver with respect to, the Lease and Management Agreement or the Guaranty;

(c) sell, mortgage, transfer, assign or hypothecate (other than to the Secured Party hereunder and except as provided in Section 6 hereof) its interest in the Collateral or any part thereof or in any amount to be received by it from the use or disposition of the Equipment.

2.7 Power of Attorney in Respect of the Lease and Management Agreement and the Guaranty. Debtor does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney with full power or substitution for it and in its name, place and stead, to ask, demand,

collect, receive, receipt for, sue for, compound and give acquittance for any and all rents, income and other sums which are assigned under Sections 1.1, 1.2, 1.3 and 1.4 hereof with full power to settle, adjust or compromise any claim thereunder as fully as the Debtor could itself do, and to endorse the name of the Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Debtor or otherwise, which the Secured Party may deem necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such rents and other sums and the security intended to be afforded hereby.

Section 3. POSSESSION, USE AND RELEASE OF PROPERTY

3.1. Possession of Collateral. So long as there is no Event of Default hereunder or an event which with the giving of notice or lapse of time or both would constitute such an Event of Default, the Debtor or the Transferee as the case may be shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto. It is expressly understood that the use and possession of the Equipment by UMP in compliance with the terms of the Lease and Management Agreement shall not constitute a violation of this Section 3.1.

3.2. Release of Property. So long as no default referred to in Section 15 of the Lease and Management Agreement has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated by UMP for settlement pursuant to Section 12 of the Lease and Management Agreement upon receipt from UMP of written notice designating the Item of Equipment in respect of which the Lease and Management Agreement will terminate, together with a statement that there is no such default thereunder, and the receipt from UMP of payment for the Casualty Value for such Item of Equipment in compliance with Section 12 of the Lease and Management Agreement.

3.3. Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the provisions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or unit of the Collateral be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

Section 4. APPLICATION OF ASSIGNED RENTALS AND
CERTAIN OTHER MONEYS RECEIVED BY
THE SECURED PARTY

4.1. Application of Rentals; Certain Prepayments. So long as no Event of Default hereunder or event which with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing, the amounts from time to time received by the Secured Party which constitute payment of the installments of rental under the Lease and Management Agreement shall be applied first, to the payment of the installments of principal and interest (and in each case first to interest and then to principal) on the installments of the Notes which have matured or will mature on or before the due date of the installments of rental which are received by the Secured Party, and second, the balance, if any, of such amounts held by the Secured Party after making the applications provided for herein shall be released promptly to or upon the order of Debtor or Transferee as the case may be.

4.2. Application of Casualty Value Payments. So long as no Event of Default or event which with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing, the amounts from time to time received by the Secured Party which constitute settlement by UMP of the Casualty Value for any Item of Equipment pursuant to Section 12 of the Lease shall be paid and applied as follows:

(a) First, an amount equal to the accrued and unpaid interest on that portion of the Notes to be prepaid pursuant to the following subparagraph (b) shall be applied on the Notes;

(b) Second, an amount equal to the Loan Value (as hereinafter defined) of such Item of Equipment for which settlement is then being made shall be applied to the prepayment of the Notes, without premium, so that each of the remaining installments of each Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment; and

(c) Third, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (a) and (b) shall be released promptly to or upon the order of the Debtor or Transferee as the case may be.

For purposes of this Section 4.2, the Loan Value, in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price of such Item of Equipment

for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the Lease and Management Agreement (including the Purchase Price of such Item of Equipment for which settlement is then being made), times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.2 (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.2).

4.3. Application of Casualty Insurance Proceeds.

The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by UMP in respect of the Equipment, shall be held by the Secured Party as a part of the Collateral and shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(a) So long as no Event of Default has occurred and is continuing, the proceeds of such insurance shall, if the Equipment is to be repaired, be released to the Debtor to reimburse UMP for expenditures made for such repair upon receipt by the Secured Party of a certificate of an appropriate officer of UMP as required by the last paragraph of Section 12.1 of the Lease and Management Agreement;

(b) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (a) within (180) days from the receipt thereof by the Secured Party, or if within such period UMP shall have notified the Secured Party in writing that the Lease and Management Agreement in respect to any Item of Equipment is to be terminated in accordance with the provisions of Section 12, then so long as no Event of Default has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(i) First, to the prepayment of the Notes all in the manner and to the extent provided for by Section 4.2 hereof; and

(ii) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (i) shall be released promptly to or upon the order of the Debtor or the Transferee as the case may be.

4.4. Multiple Notes. If more than one Note is outstanding at the time any such application is made, such application shall be made on all outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

4.5. Default. If an Event of Default has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof shall be applied in the manner provided for in Section 4 in respect of proceeds and avails of the Collateral.

Section 5. DEFAULTS AND OTHER PROVISIONS.

5.1. Events of Default. The term Event of Default shall mean one or more of the following:

(a) Failure to receive payment (or failure to retain said payment arising out of a default by Debtor) of an installment of the principal of, or interest on, any Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for any prepayment or by acceleration or otherwise, and any such default shall continue unremedied for ten days after written notice to Debtor and Transferee; or

(b) An Event of Default, as defined and set forth in Section 15 of the Lease and Management Agreement and such default shall continue for ten days after written notice to Debtor;

(c) Default on the part of the Debtor in the due observance or performance of any covenant or agreement to be observed or performed by the Debtor under this Security Agreement, and such default shall continue unremedied for 30 days after written notice from the Secured Party to the Debtor specifying the default and demanding the same to be remedied; or

(d) Any representation or warranty on the part of the Debtor or UMP made herein or in the Finance Agreement, the Lease and Management Agreement or the Other Agreements or in any report, certificate, financial or other statement furnished in connection with this Security Agreement, the Finance Agreement, the Lease and Management Agreement, the Other Agreements or the transactions contemplated herein or therein shall prove to be false or misleading in any material respect when made; or

5.2. Secured Party's Rights. The Debtor agrees that except as set forth in paragraph (f) below when any Event of Default has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of the Commonwealth of Pennsylvania (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and except as set forth in paragraph (f) below the Secured Party shall have the following rights and remedies:

(a) The Secured Party may, by notice in writing to the Debtor and the Transferee declare the entire unpaid balance of the Notes to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable. Notwithstanding anything to the contrary contained herein, the Debtor and/or its successors and assigns (the "Redeeming Party") shall have the right to redeem all but not less than all of the Items of Equipment owned by said Redeeming Party by paying to Secured Party, within ten (10) days of the receipt by Debtor and the Transferee of the notice from the Secured Party, an amount equal to the Redemption Value (as hereinafter defined) for each Item of Equipment to be redeemed. For the purposes of this Section 5.2(a), the Redemption Value, in respect of any Item of Equipment shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price (as defined in the Note Purchase Agreement) of the Item or Items of Equipment to be redeemed and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the Lease, times (B) the unpaid principal amount of the Notes plus accrued and unpaid interest as of the date of payment of the Redemption Value. In addition to the Redemption Value, the Redeeming Party must also pay any and all costs and expenses incurred by Secured Party applicable to those Items of Equipment to be redeemed as would have been paid under Paragraph 5.6(a) hereinafter from the proceeds and/or avails of any sale. Upon payment of the Redemption Value and the costs and expenses referred to above, the redeemed Items of Equipment shall be released from all liens, claims or encumbrances of the Secured Party.

(b) The Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold.

(c) The Secured Party may, if at the time such action may be lawful (subject to compliance with any mandatory legal requirements) either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of said Collateral, or any part thereof, at public auction to the highest bidder, in one lot as an

entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to; provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, or the Debtor may bid and become the purchaser at any such sale.

(d) The Secured Party may proceed to protect and enforce this Security Agreement and said Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law;

(e) The Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Lease and Management Agreement and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party; and

(f) Anything in this Security Agreement to the contrary notwithstanding, upon the occurrence and continuation of a Event of Default of the type described in §5.1(b) hereof only (and provided that no other Event of Default set forth herein shall have occurred and be continuing) Secured Party shall not be entitled to exercise any of the foregoing rights or remedies set forth in this §5.2 if, within 180 days thereafter, Debtor or its successors and assigns permitted under §6 hereof shall enter into, and assign to Secured Party, an agreement of lease for the Equipment with any American Railroad reasonably acceptable to Secured Party.

5.3. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making

settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

5.4. Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor, acquiring any interest through Debtor in, or title to, the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.5. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns.

5.6. Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all property expenses, liability and advances, in-

cluding legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party, or the holder or holders of the Notes and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of the holder or holders of the Notes of the amount then owing or unpaid on the Notes for principal and interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of such principal and the accrued and unpaid interest with application on each Note to be made, first to unpaid principal thereof, and second, to unpaid interest thereon; such application to be made upon presentation of the several Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

5.7. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor, the Transferee, the Secured Party and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.8. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. Subject to the provisions of §5.2(f) hereof, the Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate

to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 6. TRANSFER OF DEBTOR'S INTEREST.

The Secured Party agrees that the Debtor may transfer (including transfers prior to delivery and acceptance of the Equipment by UMP under the Lease and Management Agreement) its interest in the Collateral to Hayward Manufacturing Company, Inc. (the "Transferee") and the Transferee may transfer its interest in the Collateral to any subsequent Transferee, pursuant to the terms and conditions hereinafter set forth and the Debtor agrees that it will not sell or otherwise transfer its interest in the Collateral, or any part thereof, unless the following conditions are met:

(a) The Debtor will deliver to the Secured Party any and all documents and will make such filing, registering or depositing of such documents at its sole cost and expense as may be required to continue in effect the perfected first security interest of the Secured Party in and to the Collateral.

(b) The Debtor will deliver an opinion of counsel, in form and substance satisfactory to the Secured Party, to the effect that all action necessary to maintain the first security interest of the Secured Party in the Collateral upon and subsequent to any such transfer has been performed and the Secured Party and the holders of the Notes continue to have a valid and perfected first security interest in the Collateral enforceable in accordance with the terms of this Agreement.

(c) The Transferee shall expressly acknowledge and agree in writing that the interest transferred to it by the Debtor is subject, and subordinate in all respects, to the security interest of the Secured Party in the Collateral under this Agreement.

(d) The Debtor shall, and hereby does, expressly acknowledge and agree that no such transfer shall in any way discharge or limit any of the Debtor's obligations under this Security Agreement, the Finance Agreement, the Lease and Management Agreement, the Notes and the Other Agreements.

(e) The Debtor shall promptly furnish the Secured Party and the Note Purchaser with copies of all documents relating to such transfer.

(f) The Transferee shall provide to the Secured Party a certificate signed by a responsible officer thereof representing and warranting as follows:

(i) that the purchase from Debtor of the Equipment and any management arrangement with Debtor with regard to such Equipment is subject, and subordinate in all respects, to the security interest of Secured Party in the Collateral;

(ii) that the Transferee shall pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Transferee, its successors or assigns not arising out of the transactions contemplated by this Security Agreement or obligations required to be discharged by Debtor under the Purchase Documents or by the Lessee under the Lease (but including tax liens arising out of the receipt by Transferee of income and proceeds from the Collateral) equal or superior to the security interest of Secured Party in the Collateral which if unpaid might become a claim, lien, charge or security interest on or with respect to such Collateral; provided, however, that Transferee shall not be required to discharge such claim, lien, charge or security interest so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of Secured Party, adversely affect its security interest in or to such Collateral or any portion thereof;

(iii) that the Transferee has full right, power and authority and the Debtor has agreed to provide all necessary licenses and permits to execute and deliver and to carry out the terms and provisions of the agreements and related documents (the "Transfer Documents") relating to the purchase from Debtor of the Equipment;

(iv) that there are no proceedings pending, or to Transferee's knowledge threatened, and to Transferee's knowledge there is no existing basis for any such proceedings, against or affecting Transferee in any court or before any governmental authority or arbitration board or tribunal which, if adversely determined, would materially and adversely affect Transferee's right, power and authority to enter into the Transfer Documents or perform its obligations thereunder; and

(v) that the Equipment acquired by Transferee is free and clear of any liens or encumbrances (other than the Lease) which result from claims against Transferee not relating to ownership of such Equipment. Transferee has not by affirmative act conveyed title to such

Equipment to any person or entity or subjected the Equipment to any lien or encumbrance other than the Permitted Liens.

Section 7. MISCELLANEOUS.

7.1. Registration and Execution. The Notes shall be registered as to principal and interest and shall be signed on behalf of the Debtor by its President or any Vice President or any other officer of the Debtor who, at the date of the actual execution thereof, shall be a proper officer to execute the same.

7.2. Payment of the Notes.

(a) The principal of, and interest, on each Note shall be payable by wire transfer of immediately available funds to such bank or trust company in the continental United States for the account of the holder thereof as such holder shall designate to the Debtor from time to time in writing, and if no such designation is in effect, by check, duly mailed, first class, certified, postage prepaid, or delivered to such holder at its address appearing on the Register as defined in Section 7.3. All payments so made shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sums so paid. Each holder (or the person for whom such holder is a nominee) by its acceptance of any Notes agrees that, before selling, transferring or otherwise disposing of such Note, it will present such Note to the Debtor for transfer and notation as provided in Sections 7.4 and 7.5.

(b) All amounts constituting payment of the installments of rents under the Lease and Management Agreement or Casualty Value received by the Secured Party and applied on the Notes pursuant to Section 4 hereof shall be valid and effectual to satisfy and discharge the liability upon such Notes to the extent of the amounts so received and applied.

7.3. The Register. The Debtor will keep at its principal office a register for the registration of transfers of Notes (herein called the Register). The names and addresses of the holders of the Notes, the transfers of the Notes and the names and addresses of the transferees of all Notes shall be registered in the Register.

7.4. Transfers and Exchanges of Notes; Lost or Mutilated Notes.

(a) The holder of any Note may transfer such Note upon the surrender thereof at the principal corporate office of the Debtor and the Debtor shall execute in the name of the transferee a new Note or Notes in an aggregate

principal amount equal to the unpaid principal amount of the Note so surrendered in denominations not less than the lesser of (i) \$50,000 or (ii) the aggregate principal amount of notes then held by such holder and deliver such new Note or Notes to the Debtor for delivery to such transferee.

(b) The holder of any Note or Notes may surrender such Note or Notes at the principal office of the Debtor, accompanied by a written request for a new Note or Notes in the same aggregate principal amount as the then unpaid principal amount of the Note or Notes so surrendered and in such denominations not less than the lesser of (i) \$50,000 or (ii) the aggregate principal amount of Notes then held by such holder as may be specified in such request. Thereupon, the Debtor shall execute in the name of such holder a new Note or Notes in the denomination or denominations so requested and deliver such new Note or Notes to such holder.

(c) All Notes presented or surrendered for exchange or transfer shall be accompanied (if so required by the Debtor) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Debtor, duly executed by the registered holder or by its attorney duly authorized in writing.

(d) No notarial act shall be necessary for the transfer or exchange of any Note pursuant to this Section 7.4, and the holder of any Note issued as provided in this Section 7.4 shall be entitled to any and all rights and privileges granted under this Security Agreement to a holder of a Note.

(e) In case any Note shall become mutilated or be destroyed, lost or stolen, the Debtor, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substituted Note shall furnish to the Debtor such security or indemnity as may be required by the Debtor to save it harmless from all risks, and the applicant shall also furnish to the Debtor evidence to its satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof. In case any Note which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Debtor may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Debtor such security or indemnity as the Debtor may require to save it harmless, and shall furnish evidence to the satisfaction of the Debtor of the mutilation, destruction, loss or theft of such Note and the owner-

ship thereof. If the Secured Party, or its nominee, is the owner of any such lost, stolen or destroyed Note, then the affidavit of the president, vice president, treasurer or assistant treasurer of such Note purchaser setting forth the fact of loss, theft or destruction and of its ownership of the Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no indemnity shall be required as a condition to execution and delivery of a new Note other than the written agreement of such Note purchaser to indemnify the Debtor for any claims or actions against it (and for its attorneys' fees) resulting from the issuance of such new Note or the reappearance of the old Note.

(f) If at any future time, the Notes should be held by two or more holders, all payments on the Notes hereunder shall be allocated to all Notes at the time outstanding in proportion to the outstanding principal amounts thereof.

(g) Any Note or Notes issued in exchange for a Note or upon transfer thereof shall carry the rights to unpaid interest and interest to accrue which were carried by the Note so exchanged or transferred, so that neither gain nor loss of interest shall result from any such transfer or exchange and shall be valid obligations of the Debtor evidencing the same debt as the related outstanding Notes and shall be entitled to the benefits and security of this Security Agreement to the same extent as such outstanding Note.

(h) Upon the issuance of any new Note pursuant to this Security Agreement, the Debtor shall prepare and deliver to the Secured Party and the holder of such Note an amortization schedule with respect to such Note setting forth the amount of each installment payment to be made on such Note after the date of issuance thereof and the unpaid balance of such Note after each such installment payment.

7.5. Cancellation of Notes. All Notes surrendered for the purpose of payment, redemption, transfer or exchange shall be delivered to the Debtor for cancellation or, if surrendered to the Debtor, shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Security Agreement.

7.6. Registered Owner. The person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Security Agreement and the Debtor and the Secured Party shall not be affected by any notice to the contrary.

7.7. Business Days. As used herein, the term "business days" means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in the Commonwealth of Pennsylvania are authorized or obligated by law to remain closed.

7.8. Successors and Assigns. Whenever any of the parties hereto is referred to such reference shall be deemed to include the successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

7.9. Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.

7.10. Communications. All communications provided for herein shall be in writing and shall be deemed to have been given (unless otherwise required by the specific provisions hereof in respect of any matter) when delivered personally or when deposited in the United States certified mails, first class, postage prepaid, addressed as follows:

7.11. Release. The Secured Party shall release this Security Agreement and the security interest granted hereby by proper instrument or instruments upon presentation of satisfactory evidence that all indebtedness secured hereby has been fully paid or discharged.

7.12. Governing Law. This Security Agreement and the Notes shall be construed in accordance with and governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. Section 11303 and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the secured jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

7.13. Counterparts. This Security Agreement may be executed, acknowledged and delivered in any number of counterparts, each of such counterparts constituting an original but all together only one Security Agreement.

7.14. Headings. Any headings or captions preceding the text of the several sections hereof are intended solely for convenience of reference and shall not constitute a part of this Security Agreement nor shall they affect its meaning, construction or effect.

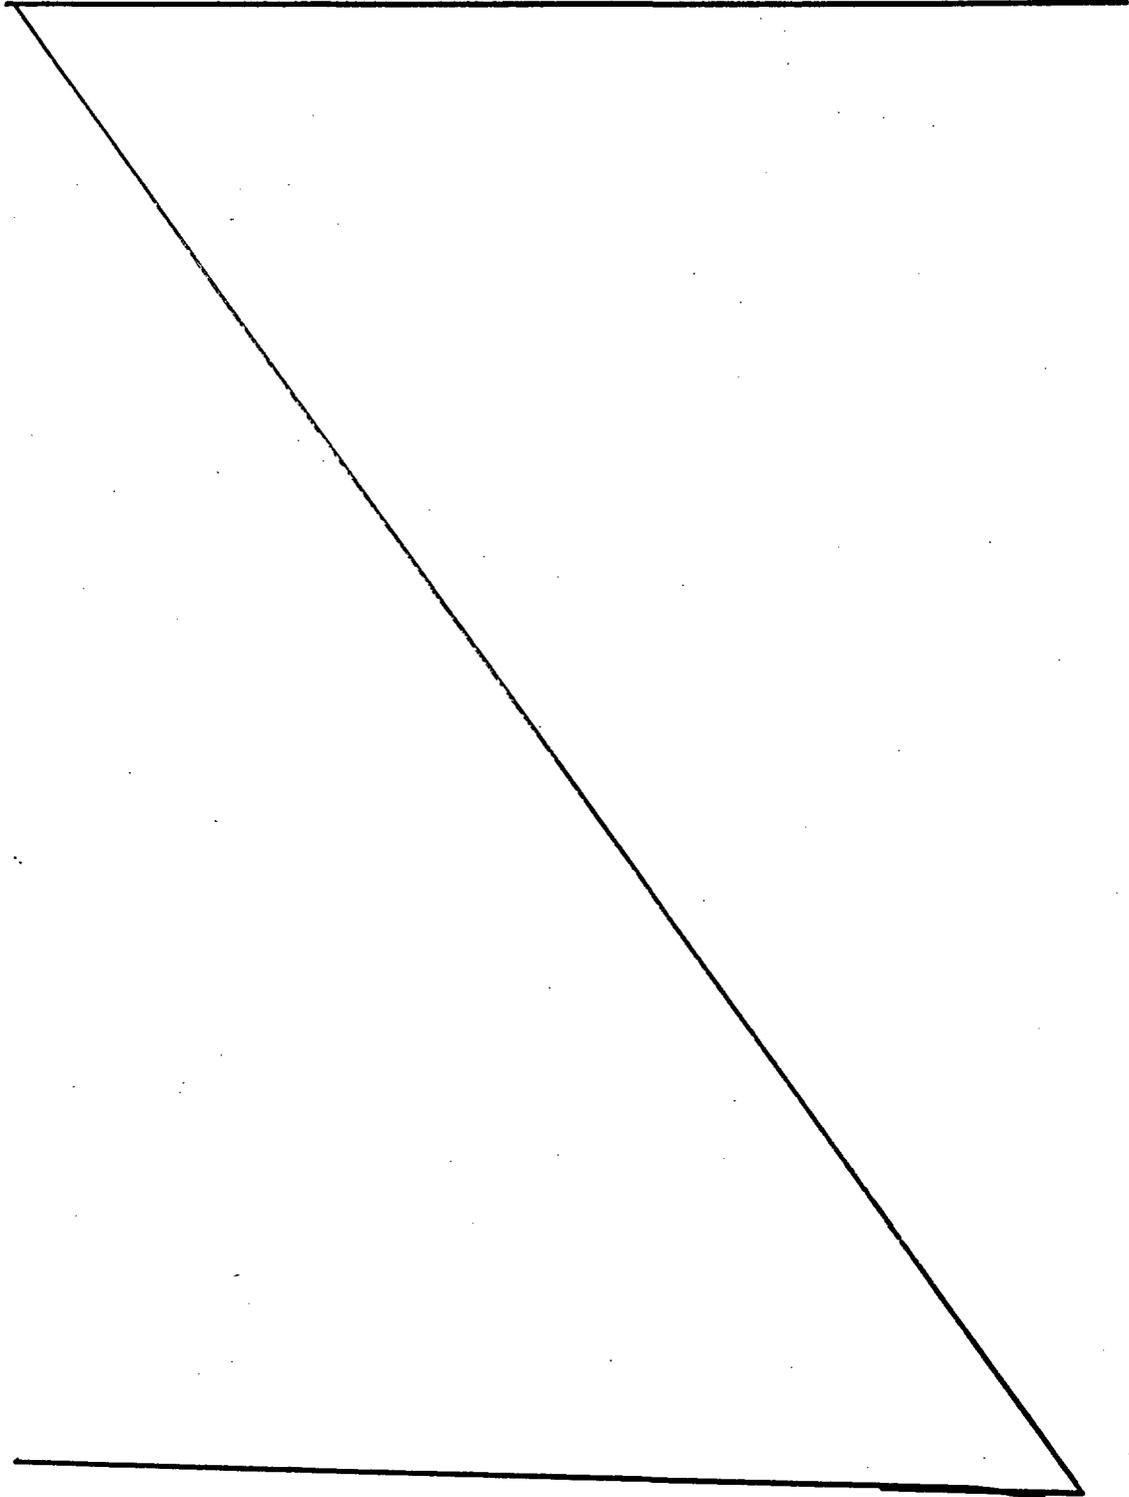

Section 8. LIMITATION OF LIABILITY

8.1 Limitation. It is understood and agreed by the Secured Party that except as provided in Section 8.2 hereof, the liability of the Debtor or Transferee as the case may be for all payments to be made by it under and pursuant to this Security Agreement and the Notes shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment". As used herein and in each of the Notes the term "income and proceeds from the Equipment" shall mean (i) if one of the Events of Default specified herein shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Debtor at any time after any such event and during the continuance there-

of: (a) all amounts of rental and amounts in respect of Casualty Occurrences paid for or with respect to the Equipment pursuant to the Lease and Management Agreement and (b) any and all payments or proceeds received for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Debtor as shall equal the portion of the principal of the Notes (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the terms of the Notes and this Agreement or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) received by the Debtor or any assignee of the Debtor prior to the existence of an Event of Default which exceeded the amounts required to discharge that portion of the principal of the Notes (including prepayments thereof required in respect of Casualty Occurrences or pursuant to Section 4.1 hereof) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Debtor or any assignee of the Debtor where required to be paid to it pursuant to the terms of the Notes and this Agreement or which exceeded any other payments due and payable under the terms of the Notes and this Agreement at the time such amounts were payable under the terms of the Notes and this Agreement. The Secured Party further agrees that in the event it shall obtain a judgment against the Debtor for an amount in excess of the amounts payable by the Debtor pursuant to the limitations set forth in this paragraph, it will limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph and in paragraph 8.2 below. Nothing contained herein limiting the liability of the Debtor shall derogate from the right of the Secured Party to proceed against the Equipment for the full unpaid purchase price of the Equipment and interest thereon and all other payments and obligations hereunder.

8.2 Recourse Portion. In addition, in the event that (i) as a result of an Event of Default hereunder, Secured Party forecloses its lien on the Collateral, (ii) the Collateral is sold on and pursuant to such foreclosure for a gross sales price of less than (the "Recourse Portion") the lesser of (a) \$1,000,000.00 (less, if prior to such foreclosure a Casualty Value payment on account of any Item of Equipment under the Lease had been paid, the product of \$1,000,000.00 times a fraction, the numerator of which is the number of such Items of Equipment as to which such Casualty Value payment was paid and the denominator of which is 110); or (b) the outstanding principal amount of the Note

at such time and (iii) Secured Party obtains a final deficiency judgment against Debtor, Debtor shall be personally liable under the Notes to the extent the Recourse Portion exceeds the gross sales price for the Collateral obtained in foreclosure as provided in Section 5 above.

IN WITNESS WHEREOF, the Debtor and the Secured Party have executed this Security Agreement as of the day and year first above written.
