B. All acts and things prescribed by law to make this Security Agreement valid and legally binding on Trustee in accordance with its terms have been duly done and performed.

SECTION 1. GRANT OF SECURITY.

Trustee, in consideration of the premises and of the sum of Ten Dollars received by Trustee from Secured Party and other good and valuable consideration, receipt whereof is hereby acknowledged, in order to secure the payment, performance or observance of all Secured Obligations as defined in Section 2 hereof in accordance with their terms, does hereby convey, warrant, mortgage, assign, pledge and grant to Secured Party, its successors and assigns, any and all of the right, title and interest in and to the properties, rights, interests and privileges described in Sections 1.1, 1.2 and 1.3 hereof (all of which properties hereby mortgaged, assigned and pledged or intended so to be are hereinafter collectively referred to as the "Collateral").

1.1. Equipment Collateral. Collateral includes the railroad equipment described in Schedule A attached hereto and made a part hereof (collectively the "Equipment" and individually an "Item" or "Item of Equipment") constituting the Equipment that is part of the subject matter of the

Financing Agreement, together with all accessories, equipment, parts and appurtenances appertaining or attached to any of such Equipment, whether now owned or hereafter acquired, and all substitutions, renewals or replacements of and additions, improvements, accessions and accumulations to any and all of said Equipment, together with all the rents, issues, income, profits and avails therefrom.

1.2. Rental Collateral. Collateral also includes all right, title, interest, claims and demands of Trustee as owner or possessor of the Equipment, together with all rights, powers, privileges, options and other benefits of Trustee as owner or possessor, including without limitation, the immediate and continuing right to receive and collect all rentals, per diem, car hire, destruction payments, unfair usage payments, insurance proceeds, condemnation awards and other payments, tenders and security.

Chicago, Rock Island and Pacific Railroad Equipment Trust, Series 1964-1, Dated as of April 16, 1964, Recorded with the Interstate Commerce Commission as Recordation No. 2866.

Financing Agreement. The term "Financing Agreement" shall mean a certain agreement dated as of the date hereof by and between Secured Party and Trustee, in which Secured Party has agreed to guarantee payment of certain obligations of Trustee, and any other agreement which may be hereafter entered into by Secured Party and Trustee which by its terms provides that indebtedness, liabilities and obligations of Trustee shall be secured by this Security Agreement, as such agreement or agreements may hereafter from time to time be supplemented or amended.

Including. The term "including" shall mean "including, but not limited to".

Rock Island. The term "Rock Island" shall mean the Chicago, Rock Island and Pacific Railroad Company, a Delaware corporation, debtor in reorganization proceedings now pending in the United States District Court for the Northern District of Illinois, Eastern Division, entitled "In the Matter of Chicago, Rock Island and Pacific Railroad Company, Debtor" and numbered 75-B-2697 on the docket of said Court.

Secured Obligations. The term "Secured Obligations" shall mean:

(a) all indebtedness, liabilities and obligations, now or hereafter existing or arising, of Trustee to Secured Party under, or by reason of, any agreement (including any lawful claim of Secured Party for specific performance or damages on account of breach of such agreement) of Trustee contained in the Financing Agreement or in any writing executed pursuant to the Financing Agreement (including this Security Agreement), or in connection with the Financing Agreement or the consummation of any transaction contemplated thereunder; and

(b) all indebtedness, liabilities and obligations, now or hereafter existing or arising, of the Trustee under any debt instrument of the Trustee which, having been guaranteed by Secured Party as to payment thereof pursuant to the Financing Agreement, remain unpaid to any holder of any trustee certificate or other evidence of indebtedness of the Trustee upon termination of the guarantee.

Trustee. The term "Trustee" shall mean William M. Gibbons, Trustee of the Property of Chicago, Rock Island and Pacific Railroad Company, in his capacity as trustee, and his successors or assigns.

SECTION 3. COVENANTS OF TRUSTEE.

3.01. Covenant Against Liens. Trustee agrees that he will not voluntarily create, or suffer to be created or to arise, any lien, charge or security interest having priority to or preference over, or an equality to or parity with, the lien and security interest of this Security Agreement upon the Collateral or any part thereof.

3.02. Further Assurances. Trustee agrees that he will execute and deliver to Secured Party such instruments (including financing statements) as Secured Party may from time to time reasonably request for the purpose of evidencing, confirming, perfecting or continuing in effect any lien or security interest granted or intended to be granted hereunder.

3.03. Compliance with Financing Agreement. Trustee agrees that he will duly and punctually perform, when due, all of his agreements and obligations under or pursuant to the Financing Agreement.

3.04. Marking of Equipment. Upon the repair, modification, or acquisition of each Item of Equipment covered by this Security Agreement, Trustee shall cause such Item of Equipment (except for Leased Equipment and Equipment subject to Equipment Obligations) to be permanently and conspicuously marked and maintained on each side of such Item of Equipment, in letters not less than one inch in height, the name of Secured

Party followed by the words "SECURITY OWNER", or other appropriate words designated by Secured Party, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Secured Party's title to and property in such Equipment and Secured Party's rights under this Security Agreement and the Financing Agreement.

SECTION 4. POSSESSION AND USE OF COLLATERAL.

So long as Trustee shall have the right, in accordance with the Financing Agreement, to possession of the Collateral or any part thereof, he shall be entitled, as against Secured Party, to manage, operate, use, enjoy and be suffered and permitted to remain in the actual and undisturbed possession of any and all of the Collateral and to receive, take and use all rents, incomes, issues, tolls, profits and proceeds thereof.

SECTION 5. REMEDIES OF SECURED PARTY.

5.01. Default and Remedies. If an Event of Default as defined in the Financing Agreement shall have occurred and any amount due shall then be unpaid; then in each and

every such case, Secured Party, personally or by its agent or attorneys, shall have the right to enter upon the premises where any Item of Equipment may be and take possession of such Equipment (and may use and employ, in connection with the taking of such possession, any supplies, services and aids and any available trackage or other facilities or means of Trustee or Rock Island, with or without process of law), lease such equipment to third parties, and shall have all other rights and remedies with respect to the Collateral or any part thereof (whether by a foreclosure in judicial proceedings, sale with or without judicial proceedings or otherwise) available to a secured party under applicable law. In accordance with Section 77(j) of the Bankruptcy Act, the right of Secured Party to take possession of the Collateral pursuant to this Section 5 shall not be affected by the provisions of Section 77 of the Bankruptcy Act.

5.02. Application of Proceeds. Any proceeds of any disposition by or on behalf of Secured Party of the Collateral or any part thereof shall be applied by it first to the payment of expenses in connection with all or any part of

Collateral and the disposition thereof, including reasonable attorneys fees and legal expenses, and second, as to any balance of such proceeds, be applied by Secured Party, in such order of application as it may determine in its sole discretion, to the payment of all or any part of the interest (including interest on interest) on the Secured Obligations, and third, as to any further balance, be applied by Secured Party to the Principal (in its sole discretion in any order of application) of the Secured Obligations, without relieving Trustee from any liability with respect to any portion of such expenses and Secured Obligations remaining unpaid after such application; provided, however, that the priority of the payment for any deficiency remaining unpaid after application of the proceeds of all of the Collateral (from income and/or sale) shall be senior in right only to all equity securities of Rock Island presently outstanding but shall be subordinate to all expenses of Trustee's administration whenever incurred and to all other debt of Rock Island or Trustee incurred or issued prior to the date of such application of proceeds.

5.03. No Waiver. No failure or delay on the part of Secured Party in the exercise of any right or remedy under or with respect to this Security Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or the exercise of any other right or remedy.

SECTION 6. TERMINATION.

This Security Agreement, and the lien hereof and the security interest hereunder, shall terminate and cease to be of any further force and effect on the date on which the Financing Agreement terminates or on such earlier date as may be agreed to in writing by Trustee and Secured Party. Upon any such termination of this Security Agreement, Secured Party shall execute such instruments of release and satisfaction of this Security Agreement as Trustee may reasonably request.

SECTION 7. MISCELLANEOUS.

7.01. Notices. All Notices and communications hereunder shall be in writing and shall be deemed to have been duly given if delivered or mailed by certified or registered mail, postage prepaid, as follows:

(a) If to Secured Party, to:

Federal Railroad Administrator
Attn: Associate Administrator for Federal Assistance

or in such other manner as Trustee may from time to time specify by notice to Secured Party.

7.02. Headings. The various section headings used in this Security Agreement are for convenience only and shall not be used in interpreting this Security Agreement or the text of any Section hereof.

7.03. Severability. Wherever possible, each provision of this Security Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if for any reason whatsoever any provision of this Security Agreement shall be held or deemed to be inoperative, unenforceable or invalid as applied to any particular case or cases in any particular jurisdiction or jurisdictions or in all jurisdictions or in all cases, such circumstances shall not have the effect of rendering such provision inoperative, unenforceable or invalid in any other jurisdiction or in any other case or of rendering any other provision of this Security Agreement inoperative, unenforceable or invalid.

7.04. Successors and Assigns. This Security Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

7.05. Counterparts. This Security Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute but one and the same instrument.

Exhibit A

LEASE ASSIGNMENT AGREEMENT

LEASE ASSIGNMENT AGREEMENT (hereinafter called "Lease Assignment") dated as of July 1, 1978 by and between William M. Gibbons, Trustee of the Property of Chicago, Rock Island and Pacific Railroad Company (said Trustee in his capacity as trustee, together with his successors or assigns, being hereinafter called "Trustee"), the United States of America ("United States"), represented by the Secretary of Transportation acting through the Administrator of the Federal Railroad Administration or the Administrator's designee ("Administrator"), and _____ _____ ("Lessor").

WHEREAS, Lessor and Chicago, Rock Island and Pacific Railroad Company, a Delaware corporation ("Rock Island"), have previously entered into a Lease of Railroad Equipment dated as of _____, 19___ (the "Lease"), a copy of which is attached hereto as Exhibit A; and

WHEREAS, the Lease was filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act on _____, 19___ and assigned Recordation No. _____; and

WHEREAS, Rock Island filed with the United States District Court for the Northern District of Illinois, Eastern Division (the "Reorganization Court"), a petition for reorganization pursuant to Section 77 of the Bankruptcy Act on March 17, 1975; and

WHEREAS, pursuant to Order No. 9 entered on April 25, 1975 by the Reorganization Court, Trustee assumed and affirmed the Lease on April 25, 1975; and

WHEREAS, United States and Trustee intend to enter into a financing agreement ("Financing Agreement") by which the Secretary will guarantee certain obligations of Trustee with respect to certain leased railroad

equipment being rehabilitated by Trustee (the "Leased Equipment") which is a part of the railroad equipment described and identified in Schedule A to Exhibit A hereof; and

WHEREAS, in order to secure the payment of the obligations contained in the Financing Agreement, execution and delivery of this Lease Assignment has been made a condition precedent to execution of the Financing Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and promises herein contained, the parties hereto agree as follows:

1. Trustee hereby assigns to United States the entire leasehold interest in the Leased Equipment described in Exhibit B attached hereto and made a part hereof.

2. The term of this Lease Assignment shall commence forthwith and shall continue as to each item of Leased Equipment until the Lease or the Financing Agreement is terminated, whichever is earlier.

3. Except as provided in paragraph 6 hereof, this Lease Assignment is subject to all of the terms and conditions of the Lease. Trustee shall duly and punctually perform, when due, all of the agreements and obligations under or pursuant to the Lease. This Lease Assignment shall not relieve Trustee from any of these obligations under the Lease.

4. So long as Trustee shall have the right to possession of the Leased Equipment in accordance with the Lease and the Financing Agreement, he shall be entitled, as against the United States, to manage, operate, use, enjoy and be suffered and permitted to remain in the actual and undisturbed possession of the Leased Equipment, to receive, take and use all rents, incomes, issues, tolls, profits and proceeds thereof and to exercise any renewal or purchase options.

5. If an event of default shall occur under the Lease, Lessor shall

promptly notify the Administrator in writing of such event and shall give the Administrator 60 days within which to elect to exercise the Administrator's rights under paragraph 6 hereof and assume the lease obligations relative to such items of Leased Equipment as the Administrator elects to possess.

6. If an event of default (other than a default under the Lease) shall occur under the Financing Agreement and notice of such event shall have been furnished to the Lessor, then the Administrator shall at the Administrator's sole option be entitled to and shall succeed to all the right, title and interest of the leasehold interest in any of such Leased Equipment, described in Exhibit B, attached hereto, as the Administrator may designate in writing to the Lessor not more than 60 days after notice of such event of default to the Lessor. Notwithstanding any terms or conditions of the Lease, the Administrator shall have the right to sublet such equipment as the Administrator takes possession of under this paragraph. The Administrator's right to possession and use of any equipment under this paragraph shall not be affected by any rights (including rights protected under section 77(j) of the Bankruptcy Act) which the Lessor might have by virtue of a default by the Trustee on any of the Trustee's obligations under the Lease, and the Administrator (and the Administrator's sublessees) shall have the right to continue to possess and use such equipment so long as the lease payments (prorated for the actual number of cars that the Administrator possesses and adjusted to reflect only payments for prospective possession and use from the date of the notice of default) which gave rise to the event of default are made and all other obligations, including but not limited to lease payments, under the Lease (with respect to equipment which the Administrator possesses) are satisfied as they

become due.

7. This Lease Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns and the Lease and this Lease Assignment may not be modified unless such modification is consented to by the Administrator in writing.

IN WITNESS WHEREOF, Trustee, United States and Lessor, pursuant to proper authority, have caused these presents to be signed in their respective names and their respective seals to be hereunto affixed, duly attested, as of the day and year first above written.
