ASSIGNMENT OF LEASE AND AGREEMENT No. 2 dated as of February 1, 1978, by and between THE CONNECTICUT BANK AND TRUST COMPANY, not in its individual capacity but solely as Trustee under a Trust Agreement No. 2 dated as of the date hereof (hereinafter called the Lessor or the Vendee) with AMERICAN SECURITY BANK, N.A. (hereinafter called the Beneficiary), and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, not in its individual capacity but solely as Agent (hereinafter called the Vendor), under a Participation Agreement No. 2 dated as of the date hereof.

The Vendee and the Vendor are entering into a Reconstruction and Conditional Sale Agreement No. 2 dated as of the date hereof (hereinafter called the Security Document), with L&N Investment Corporation providing for the sale to the Vendee of the interest of the Vendor in such units of railroad equipment (hereinafter called the Units) described in Schedule A thereto as are delivered to and accepted by the Vendee thereunder.

The Lessor and Louisville and Nashville Railroad Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment No. 2 dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units.

In order to provide security for the obligations of the Lessor under the Security Document and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Document), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment

and performance of the obligations of the Lessor as Vendee under the Security Document, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease; provided, however, that such assignment and transfer shall be limited to the rights and interests of the Lessor under the Lease as above described and shall in no way be deemed to assign any right, title and interest, powers, privileges or other benefits of the Beneficiary which it may have obtained from the Lessee or otherwise with respect to the Units, including, without limitation, all right, title and interest, powers, privileges and benefits of the Beneficiary arising under the Indemnity Agreement dated as of the date hereof between the Beneficiary and the Lessee and any indemnity payable to the Beneficiary under Section 8 of the Lease and indemnities or tax payments payable or to be reimbursed to the Beneficiary under Section 5 of the Lease, which amount shall be paid directly thereto. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to Section 2 of the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Document, and to provide for the payments required to be made by the Lessor to the Vendor pursuant to the last paragraph of Paragraph 9 of the Participation Agreement under which the Vendor is acting as Agent, and so long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Document shall have occurred and be continuing, any balance shall be paid promptly to the Lessor not later than the first business day following such receipt at such place as the Lessor shall specify in writing. If the Vendor shall not receive any rental payment under the first para-

graph of Section 2 of the Lease when due, the Vendor shall notify the Lessor at the address set forth in the Lease; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Document.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees that, without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void; provided, however, that the Lessor may amend or supplement the Lease to provide for an increase or decrease of amounts due as rentals under Section 2 thereof and/or Casualty Values under Section 6 thereof provided that no such decrease shall reduce said amounts below that which are necessary to satisfy the obligations of the Lessor under the Security Document, notwithstanding any limitation of liability of the Lessor contained therein.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings

which the Vendor may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Document and the Participation Agreement, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. If an event of default under the Security Document shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the Security Document.

7. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than created by the Security Document) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor, or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the Security Document or the Lease (but including tax liens arising out of the receipt of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the

nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

10. This Assignment shall be governed by the laws of the State of Connecticut, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

11. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Document, or at such other address as the Vendor shall designate.

12. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or event of default under the Security Document has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the Security Document, the Lessor may, so long as no event of default under the Security Document or Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself of, such rights, powers, privileges, authorizations or benefits.

13. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the Security Document or in any way limit the effect of the last paragraph of Article 3 of the Security Document, Article 21 of the Security Document or Section 22 of the Lease, (b) so long as there is no event of default under the Security Document, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the Security Document, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Document, or empower the Vendor in

any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts, but shall not take any action under subparagraph (b) of Section 9 of the Lease without the written consent of the Vendor and (c) each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, warranties, undertakings and agreements by the Lessor in its individual capacity or for the purpose or with the intention of binding the Lessor personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by the Lessor solely in the exercise of the powers expressly conferred upon the Lessor as trustee under the Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor, except for wilful misconduct or gross negligence, or against the Beneficiary under the Trust Agreement or on account of any representation, warranty, undertaking or agreement herein of the Lessor, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

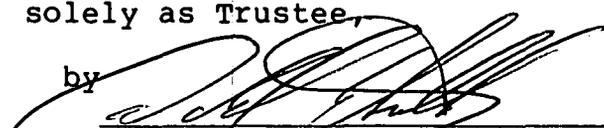

14. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart. This Assignment shall be valid, binding and effective at such time as the Vendor shall have executed a counterpart and received (or as to which the Vendor shall have received attested telegraphic communication confirming execution of) a counterpart executed by the Lessor.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respec-

tive corporate seals to be affixed and duly attested, all as of the date first above written.

ASSIGNMENT OF LEASE AND AGREEMENT No. 2 dated as of February 1, 1978, by and between THE CONNECTICUT BANK AND TRUST COMPANY, not in its individual capacity but solely as Trustee under a Trust Agreement No. 2 dated as of the date hereof (hereinafter called the Lessor or the Vendee) with AMERICAN SECURITY BANK, N.A. (hereinafter called the Beneficiary), and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, not in its individual capacity but solely as Agent (hereinafter called the Vendor), under a Participation Agreement No. 2 dated as of the date hereof.

The Vendee and the Vendor are entering into a Reconstruction and Conditional Sale Agreement No. 2 dated as of the date hereof (hereinafter called the Security Document), with L&N Investment Corporation providing for the sale to the Vendee of the interest of the Vendor in such units of railroad equipment (hereinafter called the Units) described in Schedule A thereto as are delivered to and accepted by the Vendee thereunder.

The Lessor and Louisville and Nashville Railroad Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment No. 2 dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units.

In order to provide security for the obligations of the Lessor under the Security Document and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Document), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment

and performance of the obligations of the Lessor as Vendee under the Security Document, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease; provided, however, that such assignment and transfer shall be limited to the rights and interests of the Lessor under the Lease as above described and shall in no way be deemed to assign any right, title and interest, powers, privileges or other benefits of the Beneficiary which it may have obtained from the Lessee or otherwise with respect to the Units, including, without limitation, all right, title and interest, powers, privileges and benefits of the Beneficiary arising under the Indemnity Agreement dated as of the date hereof between the Beneficiary and the Lessee and any indemnity payable to the Beneficiary under Section 8 of the Lease and indemnities or tax payments payable or to be reimbursed to the Beneficiary under Section 5 of the Lease, which amount shall be paid directly thereto. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to Section 2 of the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Document, and to provide for the payments required to be made by the Lessor to the Vendor pursuant to the last paragraph of Paragraph 9 of the Participation Agreement under which the Vendor is acting as Agent, and so long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Document shall have occurred and be continuing, any balance shall be paid promptly to the Lessor not later than the first business day following such receipt at such place as the Lessor shall specify in writing. If the Vendor shall not receive any rental payment under the first para-

graph of Section 2 of the Lease when due, the Vendor shall notify the Lessor at the address set forth in the Lease; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Document.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees that, without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void; provided, however, that the Lessor may amend or supplement the Lease to provide for an increase or decrease of amounts due as rentals under Section 2 thereof and/or Casualty Values under Section 6 thereof provided that no such decrease shall reduce said amounts below that which are necessary to satisfy the obligations of the Lessor under the Security Document, notwithstanding any limitation of liability of the Lessor contained therein.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings

which the Vendor may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Document and the Participation Agreement, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. If an event of default under the Security Document shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the Security Document.

7. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than created by the Security Document) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor, or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the Security Document or the Lease (but including tax liens arising out of the receipt of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the

nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

10. This Assignment shall be governed by the laws of the State of Connecticut, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

11. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Document, or at such other address as the Vendor shall designate.

12. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or event of default under the Security Document has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the Security Document, the Lessor may, so long as no event of default under the Security Document or Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself of, such rights, powers, privileges, authorizations or benefits.

13. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the Security Document or in any way limit the effect of the last paragraph of Article 3 of the Security Document, Article 21 of the Security Document or Section 22 of the Lease, (b) so long as there is no event of default under the Security Document, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the Security Document, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Document, or empower the Vendor in

any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts, but shall not take any action under subparagraph (b) of Section 9 of the Lease without the written consent of the Vendor and (c) each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, warranties, undertakings and agreements by the Lessor in its individual capacity or for the purpose or with the intention of binding the Lessor personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by the Lessor solely in the exercise of the powers expressly conferred upon the Lessor as trustee under the Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor, except for wilful misconduct or gross negligence, or against the Beneficiary under the Trust Agreement or on account of any representation, warranty, undertaking or agreement herein of the Lessor, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

14. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart. This Assignment shall be valid, binding and effective at such time as the Vendor shall have executed a counterpart and received (or as to which the Vendor shall have received attested telegraphic communication confirming execution of) a counterpart executed by the Lessor.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respec-

tive corporate seals to be affixed and duly attested, all as of the date first above written.

ASSIGNMENT OF LEASE AND AGREEMENT No. 2 dated as of February 1, 1978, by and between THE CONNECTICUT BANK AND TRUST COMPANY, not in its individual capacity but solely as Trustee under a Trust Agreement No. 2 dated as of the date hereof (hereinafter called the Lessor or the Vendee) with AMERICAN SECURITY BANK, N.A. (hereinafter called the Beneficiary), and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, not in its individual capacity but solely as Agent (hereinafter called the Vendor), under a Participation Agreement No. 2 dated as of the date hereof.

The Vendee and the Vendor are entering into a Reconstruction and Conditional Sale Agreement No. 2 dated as of the date hereof (hereinafter called the Security Document), with L&N Investment Corporation providing for the sale to the Vendee of the interest of the Vendor in such units of railroad equipment (hereinafter called the Units) described in Schedule A thereto as are delivered to and accepted by the Vendee thereunder.

The Lessor and Louisville and Nashville Railroad Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment No. 2 dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units.

In order to provide security for the obligations of the Lessor under the Security Document and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Document), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment

and performance of the obligations of the Lessor as Vendee under the Security Document, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease; provided, however, that such assignment and transfer shall be limited to the rights and interests of the Lessor under the Lease as above described and shall in no way be deemed to assign any right, title and interest, powers, privileges or other benefits of the Beneficiary which it may have obtained from the Lessee or otherwise with respect to the Units, including, without limitation, all right, title and interest, powers, privileges and benefits of the Beneficiary arising under the Indemnity Agreement dated as of the date hereof between the Beneficiary and the Lessee and any indemnity payable to the Beneficiary under Section 8 of the Lease and indemnities or tax payments payable or to be reimbursed to the Beneficiary under Section 5 of the Lease, which amount shall be paid directly thereto. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to Section 2 of the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Document, and to provide for the payments required to be made by the Lessor to the Vendor pursuant to the last paragraph of Paragraph 9 of the Participation Agreement under which the Vendor is acting as Agent, and so long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Document shall have occurred and be continuing, any balance shall be paid promptly to the Lessor not later than the first business day following such receipt at such place as the Lessor shall specify in writing. If the Vendor shall not receive any rental payment under the first para-

graph of Section 2 of the Lease when due, the Vendor shall notify the Lessor at the address set forth in the Lease; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Document.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees that, without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void; provided, however, that the Lessor may amend or supplement the Lease to provide for an increase or decrease of amounts due as rentals under Section 2 thereof and/or Casualty Values under Section 6 thereof provided that no such decrease shall reduce said amounts below that which are necessary to satisfy the obligations of the Lessor under the Security Document, notwithstanding any limitation of liability of the Lessor contained therein.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings

which the Vendor may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Document and the Participation Agreement, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. If an event of default under the Security Document shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the Security Document.

7. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than created by the Security Document) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor, or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the Security Document or the Lease (but including tax liens arising out of the receipt of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the

nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

10. This Assignment shall be governed by the laws of the State of Connecticut, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

11. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Document, or at such other address as the Vendor shall designate.

12. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or event of default under the Security Document has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the Security Document, the Lessor may, so long as no event of default under the Security Document or Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself of, such rights, powers, privileges, authorizations or benefits.

13. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the Security Document or in any way limit the effect of the last paragraph of Article 3 of the Security Document, Article 21 of the Security Document or Section 22 of the Lease, (b) so long as there is no event of default under the Security Document, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the Security Document, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Document, or empower the Vendor in

any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts, but shall not take any action under subparagraph (b) of Section 9 of the Lease without the written consent of the Vendor and (c) each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, warranties, undertakings and agreements by the Lessor in its individual capacity or for the purpose or with the intention of binding the Lessor personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by the Lessor solely in the exercise of the powers expressly conferred upon the Lessor as trustee under the Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor, except for wilful misconduct or gross negligence, or against the Beneficiary under the Trust Agreement or on account of any representation, warranty, undertaking or agreement herein of the Lessor, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

14. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart. This Assignment shall be valid, binding and effective at such time as the Vendor shall have executed a counterpart and received (or as to which the Vendor shall have received attested telegraphic communication confirming execution of) a counterpart executed by the Lessor.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respec-

tive corporate seals to be affixed and duly attested, all as of the date first above written.
