My Commission Expires 6-30-79 .

"This Lease is a COUNTERPART ORIGINAL. No assignment of, or security interest in, this Lease may be created or effected except by the transfer of possession of the copy marked "ORIGINAL."

RIDER NO. 9  
Forming Part of  
NORTH AMERICAN CAR CORPORATION  
CAR LEASING AGREEMENT 0369-2

The cars described herein shall be subject to the terms and conditions of said Agreement during the term of use and for the rental set forth below:

<u>Number of Cars</u>	<u>Type of Car</u>	<u>Monthly Rental Per Car</u>
One-hundred (100)	4,750 cubic foot capacity covered hopper cars, for shipment of Manufactured Fertilizers, MAP, DAP, Urea (reporting marks presently not available)	\$450.00

*See rate for car used.*

Lessee agrees to be responsible for all freight charges incurred in the shipment of said cars to Lessee.

For each mile in excess of 30,000 x days in service that each car covered by this Rider travels in a calendar year, there will be an additional charge of \$0.02.

In the event that during the term hereof, the U. S. Department of Transportation, or any other governmental agency or non-governmental organization having jurisdiction over the operation, safety or use of railroad equipment, requires that North American add, modify or in any manner adjust the cars subject to this lease in order to qualify them for operation in railroad interchange, Lessee agrees to pay an additional monthly charge of \$1.75 per car for each \$100 expended by North American on such car, effective as of the date the car is released from the shop after application of such additions, modifications or adjustments (hereinafter the "Modifications"). No rental credits will be issued on cars entering the shop for any Modification for the first thirty days. In the event North American in its sole discretion determines prior to making any Modification that the cost thereof is not economical to expend in view of the estimated remaining useful life of such car, and North American elects to permanently remove such car from Lessee's service rather than have such car taken to a car shop for such Modification, the rental with respect to such car shall terminate upon the date specified in writing by North American, provided that such date must be prior to the date the Modification is so required to be made.

The term of use of the cars hereinabove described shall commence on the date of delivery thereof to Lessee, and shall continue for a period ending five (5) years from the first day of the month following the average date of delivery of such cars to Lessee.

Dated this 30th day of October, 1978.
