Any amounts in excess of the "Present Value of Rents" as hereinafter defined in respect of any Item of Equipment for which settlement is made by the Lessee pursuant to Section 11 of the Lease shall be released to or upon the order of the Debtor, within 30 days from the receipt thereof by the Secured Party.

Section 4.2. Multiple Notes. If more than one Note is outstanding at the time any application is made pursuant to Section 4.1(a), the application shall be made on all outstanding Notes ratably in accordance with the principal amount remaining unpaid thereon and on the installments of each Note, respectively, in the manner provided for by paragraphs (a) and (b) of Section 4.1.

Section 4.3. Present Value of Rents for any Item of Equipment. The term "Present Value of Rents" for any Item of Equipment shall mean as of any date an amount equal to the aggregate Fixed Rents in respect of such Item of Equipment reserved for the balance of the rental period originally provided for in the Lease and remaining unpaid as of the close of business on such date (less an amount equal to 1.06854% of the cost of the Equipment) discounted on the basis of 9% per annum interest factor compounded semiannually to the respective dates on which such installments are payable, with all such discounts to be computed on the basis of a 360-day year of twelve 30-day months.

Section 4.4. Default. If an event of default referred to in Section 5 hereof has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof shall be applied in the manner provided for in Section 5 in respect of proceeds and avails of the Collateral.

Section 5.3. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at the option of the Secured Party at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

Section 5.4. Waiver by Debtor. The Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or th the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.
