MERCANTILE - SAFE DEPOSIT AND TRUST COMPANY,

LEASE OF RAILROAD EQUIPMENT, dated as of June 1, 1974, between LOUISVILLE AND NASHVILLE RAILROAD COMPANY (hereinafter called the Lessee) and FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, not in its individual capacity but solely as Trustee (hereinafter called the Lessor or the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with The First National Bank of Birmingham, Old Stone Bank and Sureway Leasing, Inc. (hereinafter individually called a Beneficiary and together the Beneficiaries).

WHEREAS Mercantile - Safe Deposit and Trust Company, as Agent (hereinafter called the Vendor), the Lessee, L & N Investment Corporation (hereinafter called the Builder) and the Vendee are entering into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation), wherein the Vendor has agreed to sell to the Vendee its interest in the railroad equipment described in Schedule A hereto after it has been reconstructed by the Builder; and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number as are delivered, accepted and settled for under the Security Documentation on or prior to the Cut-Off Date (as defined in Article 3 of the Security Documentation) (such units being hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under the Security Documentation, subject to all the rights and remedies of the Vendor under the Security Documentation:

Section 1. Delivery and Acceptance of Units. The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documentation. Upon such tender, the Lessee will cause an authorized representative of the Lessee to inspect the same, and if such Unit is found to be in good order, to accept delivery of such Unit and execute and deliver to the Lessor and the Builder a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery),

whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

Section 2. Rental. The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease 21 consecutive semiannual payments payable on May 15 and November 15 in each year, commencing May 15, 1975 (or if any such date is not a business day, on the next succeeding business day). With respect to each Unit subject to this Lease which has been delivered and accepted under the Security Documentation, rental payments shall be in an amount equal to

(a) in the case of a Unit settled for prior to January 1, 1975, the first such payment shall be in an amount equal to .0355% of the Purchase Price (as defined in the Security Documentation) of such Unit for each day elapsed from and including the date such Unit is settled for under the Security Documentation to the date of such payment (such number of days being determined on the basis of a 360-day year of twelve 30-day months) and the remaining payments shall each be in an amount equal to 6.4877% of the Purchase Price of such Unit; and

(b) in the case of a Unit settled for on or after January 1, 1975, the first such payment shall be in an amount equal to .038% of the Purchase Price of such Unit for each day elapsed from and including the date such Unit is settled for under the Security Documentation to the date of such payment (determined as in clause (a) above) and the remaining payments shall be in an amount equal to 6.93% of the Purchase Price of such Unit.

The Lessee agrees to make all the payments provided for in this Lease in Baltimore Clearing House funds for the account of the Lessor or its assigns, care of the Vendor at Two Hopkins Plaza, P.O. Box 2258, Baltimore, Maryland 21203, attention of Corporate Trust Department, not later than 11 A.M., Baltimore time on the date set for each such payment.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, including the Lessee's rights by subrogation under Article 7 thereof, or the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of

all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

Section 3. Term of Lease. The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of Sections 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder or under the Security Documentation in its capacity as guarantor or otherwise, are subject to the rights of the Vendor under the Security Documentation. If an event of default should occur under the Security Documentation, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not so in default under this Lease or under the Security Documentation (in its capacity as guarantor or otherwise). If a Declaration of Default (as defined in the Security Documentation) should be made under the Security Documentation due to an event of default not occasioned by an act or omission of the Lessee hereunder or not attributable to the Lessee under the Security Documentation as aforesaid, and if such Declaration of Default shall not have been rescinded by the Vendor within 30 days of the making thereof, or if the Vendor theretofore has indicated either in writing to the Lessor or the Lessee or by the commencement of the remedies specified under Article 16 of the Security Documentation that it will not rescind such Declaration of Default, the Lessee, without penalty, may terminate this Lease.

Section 4. Identification Marks. The Lessee, so long as this Lease shall remain in effect, will cause each Unit to be kept numbered with the identifying number set forth in Schedule A to the Security Documentation and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, the legend required by Article 9 of the Security Documentation or other appropriate markings designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor or the Vendor to such Unit and the rights of the Lessor under this Lease and of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such legend shall have been so marked on both sides thereof and will replace promptly any such legend which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor by the Lessee and filed, recorded or deposited by the Lessee in all public offices where this Lease will have been filed, recorded or deposited.

Except as above provided, the Lessee, so long as this Lease shall remain in effect, will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

Section 5. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts or gross receipts taxes [other than gross receipts taxes in the nature of sales or use taxes], up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state or city, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments, documentary stamp

taxes, or license fees and any charges, fines or penalties in connection therewith (hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Documentation. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Vendor pursuant to Article 5 of the Security Documentation not covered by the foregoing paragraph of this Section 5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 5.

In the event any reports with respect to impositions are required to be made on the basis of individual Units, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this Section 5, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

Section 6. Payment for Casualty Occurrences. In the event that any Unit shall be or become worn out, lost, stolen, destroyed or, in the opinion of the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (each such occurrence being hereinafter called a Casualty Occurrence) during the term of this Lease, the

Lessee shall, within ten days after it shall have determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Vendor in writing with respect thereto. Notwithstanding any such Casualty Occurrence, the Lessee shall continue making all payments provided for in this Lease in respect of such Unit until the rental payment date next succeeding such notice. On such rental payment date the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus an amount equal to the Casualty Value (as hereinafter defined) of such Unit as of such date in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall thereafter cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent, to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

The Casualty Value of each Unit shall be determined by multiplying the Purchase Price of such Unit by the applicable percentages set forth opposite each date in the following schedule:

May 15, 1975	98.404%
November 15, 1975	97.999

Except as hereinabove in this Section 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

Section 7. Annual Reports. On or before March 31 in each year, commencing with the calendar year which begins after the date of delivery and acceptance of the first Unit, the Lessee will cause to be furnished to the Lessor and the Vendor an accurate statement, as of the preceding December 31, showing the amount, description and numbers of the Units (a) then leased hereunder and/or covered by the Security Documentation, (b) that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such statement) and (c) then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs and setting forth such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, and stating that, in the case of all Units repainted or repaired during the period covered by such statement, the markings required by Section 4 hereof and Article

9 of the Security Documentation shall have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto, at such times as shall reasonably be necessary to confirm to the Lessor the existence and proper maintenance of the Units during the continuance of this Lease.

The Lessee shall in each year deliver to the Lessor after the end of the Lessee's fiscal year, in such number of copies as may reasonably be requested, Lessee's annual report, including audited financial statements of the Lessee for the fiscal period then ended, as soon as it is completed and available for distribution.

Section 8. Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification. The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee and the Lessor that all Units described in the Certificate of Delivery are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects with all laws of the jurisdictions in which the Units may be operated, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Federal Railroad Administrator and the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and the Lessee agrees at its own expense to use, maintain and operate such Unit in full compliance with such laws and rules so long as it is subject to this Lease; provided, however, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or

the Vendor, adversely affect the property or rights of the Lessor or the Vendor hereunder or under the Security Documentation.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit shall be considered accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free of any lien, charge, security interest or encumbrance (except for those created by the Security Documentation) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Documentation or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

Section 9. Default. If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in Section 2 hereof and such default shall continue for ten days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in

the Security Documentation and such default shall continue for 30 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Security Documentation and this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings (whether or not subject to ratification) in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

E. any other proceedings shall be commenced by or against the Lessee under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Security Documentation), and unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Security Documentation shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the

Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of 9 3/4% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; (ii) an amount which, after (A) deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or any political subdivision thereof, calculated on the assumption that the Lessor's Federal, state and local taxes computed by reference to net income or excess profits are based on the highest corporate Federal, state and local income tax and/or excess profit tax rates, including therein the effect of any applicable surtax, surcharge and/or other tax or charge related thereto, and computing any such Federal tax by deducting 48% of the amount of any such state and local tax (such rates as so calculated being hereinafter in this Lease called the Assumed Rates) and (B) taking into account the effect to the Lessor of any increased rentals theretofore paid or then determined to be payable pursuant to Section 14 hereof, shall be equal to any portion of the Investment Credit (as defined in Section 14 hereof) lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in this Lease or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default (together with the amount of any interest,

addition, or penalty which may be assessed by any Federal, state or local taxing authority thereon) plus such sum, as in the reasonable opinion of the Lessor, will cause the Lessor's net return (taxes being calculated at the Assumed Rates) under this Lease to be equal to the net return (taxes being calculated at the Assumed Rates) that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the Depreciation Deductions and Interest Deductions (both as defined in Section 14 hereof) which were lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in this Lease, the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default; and (iii) all amounts, other than rentals, payable by the Lessee under any provision of this Lease and all damages and expenses, including reasonable attorneys' fees in addition thereto which the Lessor shall have sustained by reason of the breach of one or more of the representations, warranties and covenants (other than the covenant to pay rentals) made by the Lessee in this Lease (and from time to time after the date of such termination the Lessor may recover from the Lessee any and all additional such amounts, damages and expenses which may be payable by the Lessee or incurred or sustained by the Lessor).

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

Section 10. Return of Units Upon Default. If this Lease shall terminate pursuant to Section 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the

Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor, and

C. transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

Section 11. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. The Lessee hereby acknowledges notice of the assignment, for security purposes, of this Lease to the Vendor and agrees to make payments to the Vendor as provided in said assignment (a copy of which has been delivered to the Lessee). All the rights of the Lessor hereunder (including, but not limited to, the rights under Sections 5, 6, 9 and 14) shall inure to the benefit of the Lessor's assigns.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documentation, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge or cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor after the date hereof or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) which may at any time be imposed on or with respect to any Unit, including any accession thereto or the interests of the Lessor, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the next succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon the lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic and equipment, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this Section 11, and the Security Documentation. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this Section 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documentation) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the railroad properties of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

The Lessee agrees that during the term of this Lease, it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America.

Section 12. Return of Units upon Expiration of Term; Renewal Option; Right of First Refusal. The Lessor intends to retain the Units for re-lease at the expiration of the term of this Lease. As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit but in any event not later than 90 days after such expiration, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee as directed by the Lessor, the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. The Lessee shall advise the Lessor of the Units, if any, which have suffered a Casualty Occurrence as of the expiration of the Lease and if the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which within three months after the expiration of this Lease the Lessor shall elect to abandon, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit so abandoned by the Lessor after termination of the Lease; provided, however, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to Section 6 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence during the term of this Lease.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may elect, by written notice delivered to the Lessor not less than six months

prior to the end of the original term of this Lease or any extended term hereof, to extend the term of this Lease in respect of all, but not fewer than all, the Units covered by this Lease at the end of each term for two two-year periods, provided that no such extended term shall extend beyond May 15, 1989 at a rental payable in semiannual payments, in an amount equal to the "Fair Market Rental" of such Units as of the commencement of such extended term, such semiannual payments to be made on May 15 and November 15 in each year of the applicable extended term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

If on or before four months prior to the expiration of any term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such value shall be determined in accordance with the foregoing definitions by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or, failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both the Lessor and the Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

The Lessor agrees that (provided no default hereunder shall have occurred and be continuing) it will not sell such Units, or any of them, unless the Lessor shall have given the Lessee at least 30 business days' prior written notice of such sale, specifying the sale price and terms of such sale, and the Lessee shall have had the opportunity to purchase such Unit or Units at the same price and on the same terms as specified in such notice.

Section 13. Opinion of Counsel. On each Closing Date (as defined in the Security Documentation), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same), with adequate corporate power to enter into the Security Documentation and this Lease;

B. the Security Documentation and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their terms;

C. the Security Documentation, this Lease and the assignment hereof to the Vendor have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act; and such filing, recording and deposit will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor and the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documentation or this Lease;

E. the entering into and performance of the Security Documentation or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units (except for the Lessee's leasehold interest therein) or in any manner affects or will affect adversely the Vendor's or the Lessor's right, title and interest therein.

Section 14. Federal Income Taxes. The Lessor, as the owner of each Unit, shall be entitled to such deductions, credits or other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code) to an owner of property, including (without limitation) an allowance for the 7% investment credit attributable to the Reconstruction Cost (as defined in the Security Documentation) (hereinafter called the Investment Credit) and the depreciation deduction authorized with respect to a Unit under Section 167 of the Code utilizing a ten and one-half year depreciable life taking into account an estimated salvage value of 15% of the Purchase Price reduced by 10% as provided in Section 167(f) of the Code and employing the sum-of-the-years-digits method with respect to the

Reconstruction Cost and the 150% declining balance method with respect to the Hulk Purchase Price switching thereafter to straight line method with respect to the Hulk Purchase Price (hereinafter called the Depreciation Deductions) with respect to the Units.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time during the term of this Lease or any extended term thereof take any action or fail to take any action or file any returns, certificates or other documents inconsistent with the foregoing or the Ruling (as hereinafter defined) or which would increase the amount of rentals required to be taken into income by the Lessor over the amounts specified to be payable under this Lease on the dates due hereunder and that each of such corporations will file such returns, take such action and execute such documents, and keep and make available for inspection and copying by the Lessor such records, as may be reasonable and necessary to facilitate accomplishment of the intent hereof.

The Lessee represents and warrants that (i) none of the portion of the basis of the Units attributable to reconstruction constitutes property, the construction, reconstruction or erection of which was begun before April 1, 1971; (ii) at the time the Lessor becomes the Owner of the Units, that portion of the Purchase Price of the Units attributable to reconstruction (such amount being the Purchase Price of the Units less that portion thereof attributable to the Hulks as specified in Schedule A to the Security Documentation) will qualify as "new Section 38 property" within the meaning of Section 48(b) of the Code; (iii) at the time the Lessor becomes the owner of the Units, that portion of the basis of the Units attributable to reconstruction will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c) (2) of the Code from commencing with the Lessor; (iv) at the time the Lessor becomes the owner of the Units, no investment credit, depreciation or other tax benefits will have been claimed by any person with respect to the portion of the basis of the Units attributable to reconstruction; and (v) at all times during the term of this Lease, that portion of the basis of the Units attributable to reconstruction will constitute "Section 38 property" within the meaning of Section 48(a) of the Code.

If (a) for any reason (including the inaccuracy in law or fact of the assumptions set forth above or the repeal, modification, amendment or other change of or to any law or any regulation issued thereunder or any other reason, whether similar or dissimilar to the foregoing, except as a direct result of the occurrence of any Excluded Event set forth below) prior to the Lessor's obtaining a favorable ruling (herein called the Ruling)

from the Internal Revenue Service as to the Lessor's being the owner of the units and as to the Lessor's right to claim the Investment Credit, the Depreciation Deductions and the interest deductions with respect to the interest payments made pursuant to the Security Documentation in accordance with, and subject to the limitations contained in, Section 163 of the Code (hereinafter called the Interest Deductions), the Lessor shall lose, or shall not have, or shall lose the right to claim, or shall suffer a disallowance of or shall be required to recapture (any such event being hereinafter called a Loss), all or any portion of the Investment Credit, the Depreciation Deductions, or the Interest Deductions (hereinafter each called a Benefit) with respect to all or part of any Unit or (b) subsequent to the receipt of the Ruling, the Lessor shall incur a Loss with respect to any Unit, due to (x) the inaccuracy or the incompleteness of any statement in any letter or document furnished to the Lessor by the Lessee (or any officer, agent or employee thereof or of any affiliated company thereof) in connection with the application for the Ruling, (y) the noncompliance by the Lessee with the second paragraph of this Section 14, or (z) the use of any Unit, by the Lessee in a manner inconsistent with the Lessor's claim to the Investment Credit and the Depreciation Deductions, then in either case, the rental rate applicable to such Unit set forth in Section 2 of this Lease shall, on and after the next succeeding rental payment date after written notice to the Lessee by the Lessor that such Benefit has not been claimed, or (if claimed and then disallowed or required to be recaptured) on and after the next succeeding rental date after payment of the tax attributable thereto, be increased by such amount for such Unit as, in the reasonable opinion of the Lessor, will cause the Lessor's net return in respect of such Unit under this Lease to equal the net return (computed on the same assumptions as utilized by the Lessor in originally evaluating this transaction) in respect of such Unit under this Lease that would have been available if the Lessor had been entitled to utilization of all or such portion of the Benefit which was not claimed or was disallowed or required to be recaptured, and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest or penalty which may be assessed by the United States against the Lessor attributable to the disallowance, recapture or loss of all or any portion of the Benefit; provided, however, that such rental rate shall not be so increased and such additional rental will not be paid if the Lessor shall have lost, or shall not have, or shall have lost the right to claim, or shall have suffered a disallowance of, or shall have been required to recapture all or any portion of any Benefit with respect to all or part of such Unit as a direct result of the occurrence of any of the following events (hereinafter called Excluded Events):

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Lessor the amounts stipulated under Section 6 hereof;

(ii) a voluntary transfer or other voluntary disposition by the Lessor of any interest in such Unit (except the transfer or disposition contemplated by the Transfer Agreement or the subjection of the Units to the Security Documentation) or the voluntary reduction by the Lessor of its interest in the rentals from such Unit under the Lease

(except pursuant to any assignment thereof to the Vendor as security) unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the amendment either of the Hulk Purchase Agreement, the Transfer Agreement (as such documents are defined in the Security Documentation) or the Security Documentation without the prior written consent of the Lessee;

(iv) the failure of the Lessor to claim the Investment Credit, the Depreciation Deductions or the Interest Deductions, as applicable, in its federal income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming any Benefit; or

(v) the failure of the Lessor to have sufficient liability for tax against which to credit such Investment Credit or sufficient income to benefit from the Depreciation Deductions or the Interest Deductions, as applicable.

The Lessor agrees that it will apply for and cooperate with the Lessee in diligently seeking the Ruling. The Lessor agrees that if, in the opinion of its or the Lessee's independent tax counsel (herein referred to as Counsel), a bona fide claim to all or a portion of the Depreciation Deductions, the Investment Credit or the Interest Deductions with respect to any Unit exists in respect of which the Lessee would otherwise be required to pay to the Lessor pursuant to the immediately preceding paragraph increased rental and additional rental in respect of any interest and/or penalty, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by either Counsel in order to sustain such claim; provided, however, that the Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor to its satisfaction for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. The Lessor may, at its option, take such action prior to making payment of any tax and interest and/or penalty attributable to the disallowance or recapture with respect to the Lessor of all or any portion of the Depreciation Deduction, the Investment Credits or the Interest Deductions with respect to any Unit (hereinafter called a Tax Payment) or may make such Tax Payment and then sue for a refund. If the Lessor takes such action prior to making such Tax Payment, such increased rental and additional rental need not be paid by the Lessee while such action is pending. In such case, if the final determination shall be adverse to the Lessor, the increased rental shall be computed by the Lessor as of the date of such final determination and the Lessee shall commence payment thereof on the rental payment date next succeeding such final determination and, on or before such rental payment date, the Lessee shall pay to the Lessor as additional rental an amount equal to all interest and penalty paid by the Lessor in respect of such final determination, together with interest thereon from the date such payment is made

by the Lessor to the date the Lessee reimburses the Lessor thereof at the rate of interest charged by The Chase Manhattan Bank, National Association to its prime commercial customers on short-term unsecured borrowings (hereinafter called the Prime Rate) in effect on the date of such final determination. If the Lessor makes such Tax Payment and then sues for a refund such increased rental shall commence to be payable by the Lessee on the first rental payment date after such Tax Payment is made and, on or before such rental payment date, the Lessee shall pay to the Lessor as additional rental an amount equal to all interest and penalty paid by the Lessor included in such Tax Payment. In such case, if the final determination shall be in favor of the Lessor, the rental payable by the Lessee to the Lessor shall be reduced to the rental rate that would have been in effect if such increase had not been made (or such reduction shall be made proportionately if the final determination is partly in favor of and partly adverse to the Lessor) and such reduced rental shall be payable by the Lessee on the rental payment date next succeeding such final determination and thereafter. In addition, the Lessee and the Lessor shall adjust their accounts so that (a) the Lessor pays to the Lessee (x) an amount equal to the increase in rentals therefore paid by the Lessee to the Lessor (or a proportionate part thereof if the final determination is partly in favor of and partly adverse to the Lessor) on or before such next succeeding rental payment date together with interest thereon at the Prime Rate for the period such increase in rentals was paid to the Lessor to the date the Lessor pays to the Lessee an amount equal to such increase and (y) the amount of any penalty or interest refunded to the Lessor as a result of such final determination and any interest paid to the Lessor by the government on such refund, promptly upon receipt thereof and (b) the Lessee pays to the Lessor an amount equal to interest at the Prime Rate on the amount of the tax refund made in respect of the Tax Payment (excluding any interest or penalty included therein) for the period from the date of the original payment of the Tax Payment by the Lessor to the date such tax refund is received by the Lessor, such Prime Rate to be calculated in either case as from time to time in effect during the respective periods.

In the event that any payment or adjustment is required to be made pursuant to the two immediately preceding paragraphs and such payment or adjustment is to be made on succeeding rental payment dates or on or before the next succeeding rental payment date, but at such time this Lease shall have been terminated or rent shall otherwise no longer be due and payable on the remaining rental payment dates, (a) the Lessee shall promptly pay the Lessor an amount, if any, otherwise payable and not theretofore paid by it, equal to the incremental increase in rent which would have been required if the earlier of the final determination and the Tax Payment had occurred immediately prior to the last rental payment date on or prior to the termination of this Lease and (b) each party required to make payment shall

promptly pay all amounts otherwise payable and not theretofore paid by it in respect of interest and penalty (and interest thereon) and previously reimbursed increments of rent calculated by reference to the actual applicable dates of final determination, Tax Payment and reimbursements pursuant to the immediately preceding paragraph.

Section 15. Recording; Expenses. The Lessee will cause this Lease, the Security Documentation and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and depositing and re-filing, re-recording and re-depositing required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, re-record or re-deposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the assignment thereof to the Vendor, or the Security Documentation; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessor will pay or cause to be paid the reasonable costs and expenses involved in the preparation and printing of this Lease and the assignment hereof to the Vendor and the Lessee will pay the reasonable costs and expenses involved in the recording of this Lease and such assignment. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

Section 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations when due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 10 $\frac{3}{4}$ % per annum of the overdue rentals for the period of time during which they are overdue.

Section 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States mails, first-class postage prepaid, addressed as follows:

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

Section 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

Section 19. Definitions. Whenever the term "Lessor" is used in this Lease it shall include the Beneficiaries and any assignee and, where the context so requires (including but not limited to certain of the provisions of Section 9 and all of the provisions of Section 14 hereof), shall refer only to the Beneficiaries or such assignee. If and so long as this Lease is assigned to the Vendor (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall also apply and refer to the Vendor and any successors thereto (with the exception of certain tax provisions of Section 9 and Section 14 hereof) unless the context shall otherwise require and except that the Vendor shall not be subject to any liabilities or obligations under this Lease; and the fact that the Vendor is specifically named in certain provisions shall not be construed to mean that the Vendor (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named or where only the Vendor, as the case may be, is named.

Section 20. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although this Lease is dated as of the date first set forth above for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

Section 21. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Kentucky; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

ASSIGNMENT OF LEASE AND AGREEMENT dated as of June 1, 1974 by and between FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, not in its individual capacity but solely as Trustee under a Trust Agreement dated as of June 1, 1974 (hereinafter called the Lessor or the Vendee) and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, as Agent (hereinafter called the Vendor).

WHEREAS the Vendee and the Vendor are entering into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation), with Louisville and Nashville Railroad Company (hereinafter called the Lessee) and L&N Investment Corporation providing for the sale to the Vendee of the interest of the Vendor in such units of railroad equipment (hereinafter called the Units) described in Schedule A thereto as are delivered to and accepted by the Vendee thereunder; and

WHEREAS the Lessor and the Lessee have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. Subject to the provisions of Paragraph 11 hereof, the Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all

waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to Section 2 of the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Documentation. So long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Documentation shall have occurred and be continuing, any balance shall be paid to the Lessor.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees as follows:

(a) Without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

(b) Should the Lessor fail to make any payment or to do any act which this Assignment requires the Lessor to make or do, then the Vendor, but without obligation so to do, after first making written demand upon the Lessor and affording the Lessor a reasonable period of time within which to make such payment or do such act, but without releasing the Lessor from

any obligation hereunder, may make or do the same in such manner and to such extent as the Vendor may deem necessary to protect the security hereof, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Vendor, and also the right to perform and discharge each and every obligation, covenant and agreement of the Lessor contained in the Lease; and in exercising any such powers, the Vendor may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Lessor will reimburse the Vendor for such costs, expenses and fees.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Documentation, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. If an event of default under the Security Documentation shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the Security Documentation.

7. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the State of Utah, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or make to the Vendor at its address set forth in Article 21 of the Security Documentation, or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or an event of default under the Security Documentation has occurred and is then continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits assigned and transferred by the Lessor to the Vendor by this Assignment, except as specifically contemplated by the provisions of this Assignment.

12. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor, are made and intended not as personal representations, undertakings and agreements by the First Security Bank of Utah, National Association or for the purpose or with the intention of binding said Bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Agreement is executed and delivered by said Bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said Bank or the Beneficiaries as such terms are used in the Security Documentation on account of this Assignment or on account of any representation, undertaking or agreement of the implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under any of it, making claim hereunder, may look to said Trust Estate for satisfaction of the same. The obligations and liabilities of the Lessor hereunder shall be construed and limited in accordance with the last paragraph of Article 3 of the Security Documentation.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.

MERCANTILE - SAFE DEPOSIT AND TRUST COMPANY,
as Agent

LEASE OF RAILROAD EQUIPMENT, dated as of June 1, 1974, between LOUISVILLE AND NASHVILLE RAILROAD COMPANY (hereinafter called the Lessee) and FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, not in its individual capacity but solely as Trustee (hereinafter called the Lessor or the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with The First National Bank of Birmingham, Old Stone Bank and Sureway Leasing, Inc. (hereinafter individually called a Beneficiary and together the Beneficiaries).

WHEREAS Mercantile - Safe Deposit and Trust Company, as Agent (hereinafter called the Vendor), the Lessee, L & N Investment Corporation (hereinafter called the Builder) and the Vendee are entering into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation), wherein the Vendor has agreed to sell to the Vendee its interest in the railroad equipment described in Schedule A hereto after it has been reconstructed by the Builder; and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number as are delivered, accepted and settled for under the Security Documentation on or prior to the Cut-Off Date (as defined in Article 3 of the Security Documentation) (such units being hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under the Security Documentation, subject to all the rights and remedies of the Vendor under the Security Documentation:

Section 1. Delivery and Acceptance of Units. The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documentation. Upon such tender, the Lessee will cause an authorized representative of the Lessee to inspect the same, and if such Unit is found to be in good order, to accept delivery of such Unit and execute and deliver to the Lessor and the Builder a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery),

whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

Section 2. Rental. The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease 21 consecutive semiannual payments payable on May 15 and November 15 in each year, commencing May 15, 1975 (or if any such date is not a business day, on the next succeeding business day). With respect to each Unit subject to this Lease which has been delivered and accepted under the Security Documentation, rental payments shall be in an amount equal to

(a) in the case of a Unit settled for prior to January 1, 1975, the first such payment shall be in an amount equal to .0355% of the Purchase Price (as defined in the Security Documentation) of such Unit for each day elapsed from and including the date such Unit is settled for under the Security Documentation to the date of such payment (such number of days being determined on the basis of a 360-day year of twelve 30-day months) and the remaining payments shall each be in an amount equal to 6.4877% of the Purchase Price of such Unit; and

(b) in the case of a Unit settled for on or after January 1, 1975, the first such payment shall be in an amount equal to .038% of the Purchase Price of such Unit for each day elapsed from and including the date such Unit is settled for under the Security Documentation to the date of such payment (determined as in clause (a) above) and the remaining payments shall be in an amount equal to 6.93% of the Purchase Price of such Unit.

The Lessee agrees to make all the payments provided for in this Lease in Baltimore Clearing House funds for the account of the Lessor or its assigns, care of the Vendor at Two Hopkins Plaza, P.O. Box 2258, Baltimore, Maryland 21203, attention of Corporate Trust Department, not later than 11 A.M., Baltimore time on the date set for each such payment.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, including the Lessee's rights by subrogation under Article 7 thereof, or the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of

all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

Section 3. Term of Lease. The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of Sections 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder or under the Security Documentation in its capacity as guarantor or otherwise, are subject to the rights of the Vendor under the Security Documentation. If an event of default should occur under the Security Documentation, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not so in default under this Lease or under the Security Documentation (in its capacity as guarantor or otherwise). If a Declaration of Default (as defined in the Security Documentation) should be made under the Security Documentation due to an event of default not occasioned by an act or omission of the Lessee hereunder or not attributable to the Lessee under the Security Documentation as aforesaid, and if such Declaration of Default shall not have been rescinded by the Vendor within 30 days of the making thereof, or if the Vendor theretofore has indicated either in writing to the Lessor or the Lessee or by the commencement of the remedies specified under Article 16 of the Security Documentation that it will not rescind such Declaration of Default, the Lessee, without penalty, may terminate this Lease.

Section 4. Identification Marks. The Lessee, so long as this Lease shall remain in effect, will cause each Unit to be kept numbered with the identifying number set forth in Schedule A to the Security Documentation and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, the legend required by Article 9 of the Security Documentation or other appropriate markings designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor or the Vendor to such Unit and the rights of the Lessor under this Lease and of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such legend shall have been so marked on both sides thereof and will replace promptly any such legend which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor by the Lessee and filed, recorded or deposited by the Lessee in all public offices where this Lease will have been filed, recorded or deposited.

Except as above provided, the Lessee, so long as this Lease shall remain in effect, will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

Section 5. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts or gross receipts taxes [other than gross receipts taxes in the nature of sales or use taxes], up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state or city, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments, documentary stamp

taxes, or license fees and any charges, fines or penalties in connection therewith (hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Documentation. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Vendor pursuant to Article 5 of the Security Documentation not covered by the foregoing paragraph of this Section 5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 5.

In the event any reports with respect to impositions are required to be made on the basis of individual Units, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this Section 5, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

Section 6. Payment for Casualty Occurrences. In the event that any Unit shall be or become worn out, lost, stolen, destroyed or, in the opinion of the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (each such occurrence being hereinafter called a Casualty Occurrence) during the term of this Lease, the

Lessee shall, within ten days after it shall have determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Vendor in writing with respect thereto. Notwithstanding any such Casualty Occurrence, the Lessee shall continue making all payments provided for in this Lease in respect of such Unit until the rental payment date next succeeding such notice. On such rental payment date the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus an amount equal to the Casualty Value (as hereinafter defined) of such Unit as of such date in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall thereafter cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent, to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

The Casualty Value of each Unit shall be determined by multiplying the Purchase Price of such Unit by the applicable percentages set forth opposite each date in the following schedule:

<u>Rental Payment Date</u>	<u>Percentage of Purchase Price</u>
May 15, 1975	98.404%
November 15, 1975	97.999

Except as hereinabove in this Section 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

Section 7. Annual Reports. On or before March 31 in each year, commencing with the calendar year which begins after the date of delivery and acceptance of the first Unit, the Lessee will cause to be furnished to the Lessor and the Vendor an accurate statement, as of the preceding December 31, showing the amount, description and numbers of the Units (a) then leased hereunder and/or covered by the Security Documentation, (b) that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such statement) and (c) then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs and setting forth such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, and stating that, in the case of all Units repainted or repaired during the period covered by such statement, the markings required by Section 4 hereof and Article

9 of the Security Documentation shall have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto, at such times as shall reasonably be necessary to confirm to the Lessor the existence and proper maintenance of the Units during the continuance of this Lease.

The Lessee shall in each year deliver to the Lessor after the end of the Lessee's fiscal year, in such number of copies as may reasonably be requested, Lessee's annual report, including audited financial statements of the Lessee for the fiscal period then ended, as soon as it is completed and available for distribution.

Section 8. Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification. The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee and the Lessor that all Units described in the Certificate of Delivery are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects with all laws of the jurisdictions in which the Units may be operated, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Federal Railroad Administrator and the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and the Lessee agrees at its own expense to use, maintain and operate such Unit in full compliance with such laws and rules so long as it is subject to this Lease; provided, however, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or

the Vendor, adversely affect the property or rights of the Lessor or the Vendor hereunder or under the Security Documentation.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit shall be considered accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free of any lien, charge, security interest or encumbrance (except for those created by the Security Documentation) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Documentation or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

Section 9. Default. If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in Section 2 hereof and such default shall continue for ten days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in

the Security Documentation and such default shall continue for 30 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Security Documentation and this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings (whether or not subject to ratification) in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

E. any other proceedings shall be commenced by or against the Lessee under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Security Documentation), and unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Security Documentation shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the

Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of 9 3/4% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; (ii) an amount which, after (A) deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or any political subdivision thereof, calculated on the assumption that the Lessor's Federal, state and local taxes computed by reference to net income or excess profits are based on the highest corporate Federal, state and local income tax and/or excess profit tax rates, including therein the effect of any applicable surtax, surcharge and/or other tax or charge related thereto, and computing any such Federal tax by deducting 48% of the amount of any such state and local tax (such rates as so calculated being hereinafter in this Lease called the Assumed Rates) and (B) taking into account the effect to the Lessor of any increased rentals theretofore paid or then determined to be payable pursuant to Section 14 hereof, shall be equal to any portion of the Investment Credit (as defined in Section 14 hereof) lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in this Lease or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default (together with the amount of any interest,

addition, or penalty which may be assessed by any Federal, state or local taxing authority thereon) plus such sum, as in the reasonable opinion of the Lessor, will cause the Lessor's net return (taxes being calculated at the Assumed Rates) under this Lease to be equal to the net return (taxes being calculated at the Assumed Rates) that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the Depreciation Deductions and Interest Deductions (both as defined in Section 14 hereof) which were lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in this Lease, the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default; and (iii) all amounts, other than rentals, payable by the Lessee under any provision of this Lease and all damages and expenses, including reasonable attorneys' fees in addition thereto which the Lessor shall have sustained by reason of the breach of one or more of the representations, warranties and covenants (other than the covenant to pay rentals) made by the Lessee in this Lease (and from time to time after the date of such termination the Lessor may recover from the Lessee any and all additional such amounts, damages and expenses which may be payable by the Lessee or incurred or sustained by the Lessor).

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

Section 10. Return of Units Upon Default. If this Lease shall terminate pursuant to Section 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the

Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor, and

C. transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

Section 11. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. The Lessee hereby acknowledges notice of the assignment, for security purposes, of this Lease to the Vendor and agrees to make payments to the Vendor as provided in said assignment (a copy of which has been delivered to the Lessee). All the rights of the Lessor hereunder (including, but not limited to, the rights under Sections 5, 6, 9 and 14) shall inure to the benefit of the Lessor's assigns.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documentation, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge or cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor after the date hereof or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) which may at any time be imposed on or with respect to any Unit, including any accession thereto or the interests of the Lessor, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the next succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon the lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic and equipment, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this Section 11, and the Security Documentation. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this Section 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documentation) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the railroad properties of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

The Lessee agrees that during the term of this Lease, it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America.

Section 12. Return of Units upon Expiration of Term; Renewal Option; Right of First Refusal. The Lessor intends to retain the Units for re-lease at the expiration of the term of this Lease. As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit but in any event not later than 90 days after such expiration, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee as directed by the Lessor, the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. The Lessee shall advise the Lessor of the Units, if any, which have suffered a Casualty Occurrence as of the expiration of the Lease and if the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which within three months after the expiration of this Lease the Lessor shall elect to abandon, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit so abandoned by the Lessor after termination of the Lease; provided, however, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to Section 6 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence during the term of this Lease.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may elect, by written notice delivered to the Lessor not less than six months

prior to the end of the original term of this Lease or any extended term hereof, to extend the term of this Lease in respect of all, but not fewer than all, the Units covered by this Lease at the end of each term for two two-year periods, provided that no such extended term shall extend beyond May 15, 1989 at a rental payable in semiannual payments, in an amount equal to the "Fair Market Rental" of such Units as of the commencement of such extended term, such semiannual payments to be made on May 15 and November 15 in each year of the applicable extended term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

If on or before four months prior to the expiration of any term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such value shall be determined in accordance with the foregoing definitions by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or, failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both the Lessor and the Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

The Lessor agrees that (provided no default hereunder shall have occurred and be continuing) it will not sell such Units, or any of them, unless the Lessor shall have given the Lessee at least 30 business days' prior written notice of such sale, specifying the sale price and terms of such sale, and the Lessee shall have had the opportunity to purchase such Unit or Units at the same price and on the same terms as specified in such notice.

Section 13. Opinion of Counsel. On each Closing Date (as defined in the Security Documentation), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same), with adequate corporate power to enter into the Security Documentation and this Lease;

B. the Security Documentation and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their terms;

C. the Security Documentation, this Lease and the assignment hereof to the Vendor have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act; and such filing, recording and deposit will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor and the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documentation or this Lease;

E. the entering into and performance of the Security Documentation or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units (except for the Lessee's leasehold interest therein) or in any manner affects or will affect adversely the Vendor's or the Lessor's right, title and interest therein.

Section 14. Federal Income Taxes. The Lessor, as the owner of each Unit, shall be entitled to such deductions, credits or other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code) to an owner of property, including (without limitation) an allowance for the 7% investment credit attributable to the Reconstruction Cost (as defined in the Security Documentation) (hereinafter called the Investment Credit) and the depreciation deduction authorized with respect to a Unit under Section 167 of the Code utilizing a ten and one-half year depreciable life taking into account an estimated salvage value of 15% of the Purchase Price reduced by 10% as provided in Section 167(f) of the Code and employing the sum-of-the-years-digits method with respect to the

Reconstruction Cost and the 150% declining balance method with respect to the Hulk Purchase Price switching thereafter to straight line method with respect to the Hulk Purchase Price (hereinafter called the Depreciation Deductions) with respect to the Units.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time during the term of this Lease or any extended term thereof take any action or fail to take any action or file any returns, certificates or other documents inconsistent with the foregoing or the Ruling (as hereinafter defined) or which would increase the amount of rentals required to be taken into income by the Lessor over the amounts specified to be payable under this Lease on the dates due hereunder and that each of such corporations will file such returns, take such action and execute such documents, and keep and make available for inspection and copying by the Lessor such records, as may be reasonable and necessary to facilitate accomplishment of the intent hereof.

The Lessee represents and warrants that (i) none of the portion of the basis of the Units attributable to reconstruction constitutes property, the construction, reconstruction or erection of which was begun before April 1, 1971; (ii) at the time the Lessor becomes the Owner of the Units, that portion of the Purchase Price of the Units attributable to reconstruction (such amount being the Purchase Price of the Units less that portion thereof attributable to the Hulks as specified in Schedule A to the Security Documentation) will qualify as "new Section 38 property" within the meaning of Section 48(b) of the Code; (iii) at the time the Lessor becomes the owner of the Units, that portion of the basis of the Units attributable to reconstruction will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c) (2) of the Code from commencing with the Lessor; (iv) at the time the Lessor becomes the owner of the Units, no investment credit, depreciation or other tax benefits will have been claimed by any person with respect to the portion of the basis of the Units attributable to reconstruction; and (v) at all times during the term of this Lease, that portion of the basis of the Units attributable to reconstruction will constitute "Section 38 property" within the meaning of Section 48(a) of the Code.

If (a) for any reason (including the inaccuracy in law or fact of the assumptions set forth above or the repeal, modification, amendment or other change of or to any law or any regulation issued thereunder or any other reason, whether similar or dissimilar to the foregoing, except as a direct result of the occurrence of any Excluded Event set forth below) prior to the Lessor's obtaining a favorable ruling (herein called the Ruling)

from the Internal Revenue Service as to the Lessor's being the owner of the units and as to the Lessor's right to claim the Investment Credit, the Depreciation Deductions and the interest deductions with respect to the interest payments made pursuant to the Security Documentation in accordance with, and subject to the limitations contained in, Section 163 of the Code (hereinafter called the Interest Deductions), the Lessor shall lose, or shall not have, or shall lose the right to claim, or shall suffer a disallowance of or shall be required to recapture (any such event being hereinafter called a Loss), all or any portion of the Investment Credit, the Depreciation Deductions, or the Interest Deductions (hereinafter each called a Benefit) with respect to all or part of any Unit or (b) subsequent to the receipt of the Ruling, the Lessor shall incur a Loss with respect to any Unit, due to (x) the inaccuracy or the incompleteness of any statement in any letter or document furnished to the Lessor by the Lessee (or any officer, agent or employee thereof or of any affiliated company thereof) in connection with the application for the Ruling, (y) the noncompliance by the Lessee with the second paragraph of this Section 14, or (z) the use of any Unit, by the Lessee in a manner inconsistent with the Lessor's claim to the Investment Credit and the Depreciation Deductions, then in either case, the rental rate applicable to such Unit set forth in Section 2 of this Lease shall, on and after the next succeeding rental payment date after written notice to the Lessee by the Lessor that such Benefit has not been claimed, or (if claimed and then disallowed or required to be recaptured) on and after the next succeeding rental date after payment of the tax attributable thereto, be increased by such amount for such Unit as, in the reasonable opinion of the Lessor, will cause the Lessor's net return in respect of such Unit under this Lease to equal the net return (computed on the same assumptions as utilized by the Lessor in originally evaluating this transaction) in respect of such Unit under this Lease that would have been available if the Lessor had been entitled to utilization of all or such portion of the Benefit which was not claimed or was disallowed or required to be recaptured, and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest or penalty which may be assessed by the United States against the Lessor attributable to the disallowance, recapture or loss of all or any portion of the Benefit; provided, however, that such rental rate shall not be so increased and such additional rental will not be paid if the Lessor shall have lost, or shall not have, or shall have lost the right to claim, or shall have suffered a disallowance of, or shall have been required to recapture all or any portion of any Benefit with respect to all or part of such Unit as a direct result of the occurrence of any of the following events (hereinafter called Excluded Events):

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Lessor the amounts stipulated under Section 6 hereof;

(ii) a voluntary transfer or other voluntary disposition by the Lessor of any interest in such Unit (except the transfer or disposition contemplated by the Transfer Agreement or the subjection of the Units to the Security Documentation) or the voluntary reduction by the Lessor of its interest in the rentals from such Unit under the Lease

(except pursuant to any assignment thereof to the Vendor as security) unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the amendment either of the Hulk Purchase Agreement, the Transfer Agreement (as such documents are defined in the Security Documentation) or the Security Documentation without the prior written consent of the Lessee;

(iv) the failure of the Lessor to claim the Investment Credit, the Depreciation Deductions or the Interest Deductions, as applicable, in its federal income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming any Benefit; or

(v) the failure of the Lessor to have sufficient liability for tax against which to credit such Investment Credit or sufficient income to benefit from the Depreciation Deductions or the Interest Deductions, as applicable.

The Lessor agrees that it will apply for and cooperate with the Lessee in diligently seeking the Ruling. The Lessor agrees that if, in the opinion of its or the Lessee's independent tax counsel (herein referred to as Counsel), a bona fide claim to all or a portion of the Depreciation Deductions, the Investment Credit or the Interest Deductions with respect to any Unit exists in respect of which the Lessee would otherwise be required to pay to the Lessor pursuant to the immediately preceding paragraph increased rental and additional rental in respect of any interest and/or penalty, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by either Counsel in order to sustain such claim; provided, however, that the Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor to its satisfaction for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. The Lessor may, at its option, take such action prior to making payment of any tax and interest and/or penalty attributable to the disallowance or recapture with respect to the Lessor of all or any portion of the Depreciation Deduction, the Investment Credits or the Interest Deductions with respect to any Unit (hereinafter called a Tax Payment) or may make such Tax Payment and then sue for a refund. If the Lessor takes such action prior to making such Tax Payment, such increased rental and additional rental need not be paid by the Lessee while such action is pending. In such case, if the final determination shall be adverse to the Lessor, the increased rental shall be computed by the Lessor as of the date of such final determination and the Lessee shall commence payment thereof on the rental payment date next succeeding such final determination and, on or before such rental payment date, the Lessee shall pay to the Lessor as additional rental an amount equal to all interest and penalty paid by the Lessor in respect of such final determination, together with interest thereon from the date such payment is made

by the Lessor to the date the Lessee reimburses the Lessor thereof at the rate of interest charged by The Chase Manhattan Bank, National Association to its prime commercial customers on short-term unsecured borrowings (hereinafter called the Prime Rate) in effect on the date of such final determination. If the Lessor makes such Tax Payment and then sues for a refund such increased rental shall commence to be payable by the Lessee on the first rental payment date after such Tax Payment is made and, on or before such rental payment date, the Lessee shall pay to the Lessor as additional rental an amount equal to all interest and penalty paid by the Lessor included in such Tax Payment. In such case, if the final determination shall be in favor of the Lessor, the rental payable by the Lessee to the Lessor shall be reduced to the rental rate that would have been in effect if such increase had not been made (or such reduction shall be made proportionately if the final determination is partly in favor of and partly adverse to the Lessor) and such reduced rental shall be payable by the Lessee on the rental payment date next succeeding such final determination and thereafter. In addition, the Lessee and the Lessor shall adjust their accounts so that (a) the Lessor pays to the Lessee (x) an amount equal to the increase in rentals therefore paid by the Lessee to the Lessor (or a proportionate part thereof if the final determination is partly in favor of and partly adverse to the Lessor) on or before such next succeeding rental payment date together with interest thereon at the Prime Rate for the period such increase in rentals was paid to the Lessor to the date the Lessor pays to the Lessee an amount equal to such increase and (y) the amount of any penalty or interest refunded to the Lessor as a result of such final determination and any interest paid to the Lessor by the government on such refund, promptly upon receipt thereof and (b) the Lessee pays to the Lessor an amount equal to interest at the Prime Rate on the amount of the tax refund made in respect of the Tax Payment (excluding any interest or penalty included therein) for the period from the date of the original payment of the Tax Payment by the Lessor to the date such tax refund is received by the Lessor, such Prime Rate to be calculated in either case as from time to time in effect during the respective periods.

In the event that any payment or adjustment is required to be made pursuant to the two immediately preceding paragraphs and such payment or adjustment is to be made on succeeding rental payment dates or on or before the next succeeding rental payment date, but at such time this Lease shall have been terminated or rent shall otherwise no longer be due and payable on the remaining rental payment dates, (a) the Lessee shall promptly pay the Lessor an amount, if any, otherwise payable and not theretofore paid by it, equal to the incremental increase in rent which would have been required if the earlier of the final determination and the Tax Payment had occurred immediately prior to the last rental payment date on or prior to the termination of this Lease and (b) each party required to make payment shall

promptly pay all amounts otherwise payable and not theretofore paid by it in respect of interest and penalty (and interest thereon) and previously reimbursed increments of rent calculated by reference to the actual applicable dates of final determination, Tax Payment and reimbursements pursuant to the immediately preceding paragraph.

Section 15. Recording; Expenses. The Lessee will cause this Lease, the Security Documentation and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and depositing and refiling, re-recording and re-depositing required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, re-record or re-deposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the assignment thereof to the Vendor, or the Security Documentation; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessor will pay or cause to be paid the reasonable costs and expenses involved in the preparation and printing of this Lease and the assignment hereof to the Vendor and the Lessee will pay the reasonable costs and expenses involved in the recording of this Lease and such assignment. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

Section 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations when due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 10 3/4% per annum of the overdue rentals for the period of time during which they are overdue.

Section 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States mails, first-class postage prepaid, addressed as follows:

if to the Lessor, at 79 South Main Street

Salt Lake City, Utah 84111
 Attention of Trust Department,
 Robert Clark, Esq.,

with a copy to

Firstmark Investors Leasing Inc..

 Attention of Daniel McCullough, Esq.

if to the Lessee, at 908 West Broadway
 Louisville, Kentucky, 40201

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

Section 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

Section 19. Definitions. Whenever the term "Lessor" is used in this Lease it shall include the Beneficiaries and any assignee and, where the context so requires (including but not limited to certain of the provisions of Section 9 and all of the provisions of Section 14 hereof), shall refer only to the Beneficiaries or such assignee. If and so long as this Lease is assigned to the Vendor (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall also apply and refer to the Vendor and any successors thereto (with the exception of certain tax provisions of Section 9 and Section 14 hereof) unless the context shall otherwise require and except that the Vendor shall not be subject to any liabilities or obligations under this Lease; and the fact that the Vendor is specifically named in certain provisions shall not be construed to mean that the Vendor (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named or where only the Vendor, as the case may be, is named.

Section 20. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although this Lease is dated as of the date first set forth above for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

Section 21. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Kentucky; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

ASSIGNMENT OF LEASE AND AGREEMENT dated as of June 1, 1974 by and between FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION, not in its individual capacity but solely as Trustee under a Trust Agreement dated as of June 1, 1974 (hereinafter called the Lessor or the Vendee) and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, as Agent (hereinafter called the Vendor).

WHEREAS the Vendee and the Vendor are entering into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation), with Louisville and Nashville Railroad Company (hereinafter called the Lessee) and L&N Investment Corporation providing for the sale to the Vendee of the interest of the Vendor in such units of railroad equipment (hereinafter called the Units) described in Schedule A thereto as are delivered to and accepted by the Vendee thereunder; and

WHEREAS the Lessor and the Lessee have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. Subject to the provisions of Paragraph 11 hereof, the Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all

waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to Section 2 of the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Documentation. So long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Documentation shall have occurred and be continuing, any balance shall be paid to the Lessor.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees as follows:

(a) Without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

(b) Should the Lessor fail to make any payment or to do any act which this Assignment requires the Lessor to make or do, then the Vendor, but without obligation so to do, after first making written demand upon the Lessor and affording the Lessor a reasonable period of time within which to make such payment or do such act, but without releasing the Lessor from

any obligation hereunder, may make or do the same in such manner and to such extent as the Vendor may deem necessary to protect the security hereof, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Vendor, and also the right to perform and discharge each and every obligation, covenant and agreement of the Lessor contained in the Lease; and in exercising any such powers, the Vendor may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Lessor will reimburse the Vendor for such costs, expenses and fees.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Documentation, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. If an event of default under the Security Documentation shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the Security Documentation.

7. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the State of Utah, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or make to the Vendor at its address set forth in Article 21 of the Security Documentation, or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or an event of default under the Security Documentation has occurred and is then continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits assigned and transferred by the Lessor to the Vendor by this Assignment, except as specifically contemplated by the provisions of this Assignment.

12. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor, are made and intended not as personal representations, undertakings and agreements by the First Security Bank of Utah, National Association or for the purpose or with the intention of binding said Bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Agreement is executed and delivered by said Bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said Bank or the Beneficiaries as such terms are used in the Security Documentation on account of this Assignment or on account of any representation, undertaking or agreement of the implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under any of it, making claim hereunder, may look to said Trust Estate for satisfaction of the same. The obligations and liabilities of the Lessor hereunder shall be construed and limited in accordance with the last paragraph of Article 3 of the Security Documentation.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.
