CONDITIONAL SALE AGREEMENT

Dated as of September 15, 1974

among

**GENERAL MOTORS CORPORATION
(Electro-Motive Division), as Vendor/Builder**

**TRUST COMPANY FOR USL, INC., as Trustee under
a Trust Agreement dated as of September 15, 1974, with AMERI-
CAN ROAD EQUITY CORPORATION, as Vendee**

and

BURLINGTON NORTHERN INC.

CONDITIONAL SALE AGREEMENT dated as of September 15, 1974, among the corporation named in Item 1 of Annex A hereto (hereinafter called the Vendor or Builder as more particularly set forth in Article 1 hereof), BURLINGTON NORTHERN INC., a Delaware corporation (hereinafter called the Lessee), and TRUST COMPANY FOR USL, INC., an Illinois trust company, as Owner-Trustee (hereinafter called the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with AMERICAN ROAD EQUITY CORPORATION, a Delaware corporation (hereinafter called the Beneficiary).

WHEREAS, the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, subject to the terms and conditions hereof, the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS, the Lessee and the Vendee are entering into a conditional sale agreement (hereinafter called the Other Agreement) dated as of the date hereof with the party named in Item 7 of Annex A hereto; and

WHEREAS, the Vendee is entering into a lease dated as of the date hereof with the Lessee in substantially the form annexed hereto as Annex C (hereinafter called the Lease) and the Lessee is willing to guarantee to the Vendor the due and punctual payment of certain sums payable by, and the due and punctual performance of all other obligations of, the Vendee under this Agreement as provided in Article 8 hereof and has joined in this Agreement for the purpose of setting forth the terms and conditions of such guaranty and making certain further agreements as hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Assignment; Definitions; Additional Agreements.* The parties hereto contemplate (subject to the limitations set forth in the first paragraph of Article 4 hereof) that the Vendee will furnish that portion of the purchase price for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such purchase price shall be paid to the Builder by an assignee of the Builder's right, title and interest under this Agreement pursuant to an

Agreement and Assignment between the Builder and Wells Fargo Bank, National Association, as agent (such Agreement and Assignment being hereinafter called the Assignment and such agent being hereinafter sometimes called the Assignee) under a Finance Agreement (hereinafter called the Finance Agreement) dated as of the date hereof among the Lessee, the Assignee and the parties named in Schedules A and B thereto.

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

In case of such assignment, the Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all right, title, and interest of the Vendee in and to the Lease, pursuant to an Assignment of Lease and Agreement in substantially the form of Annex D hereto.

ARTICLE 2. *Construction and Sale.* Pursuant to this Agreement, the Builder shall construct the Equipment at its plant both as set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications and, if applicable, to all standards recommended by the Association of American Railroads reasonably interpreted as being appli-

cable to railroad equipment of the character of such units, and each such unit will be new railroad equipment.

ARTICLE 3. *Inspection and Delivery.* The Builder will deliver the units of the Equipment to the Vendee at the place or places specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto; *provided, however*, that delivery of any unit of the Equipment shall not be made until this Agreement and the Lease have been filed pursuant to Section 20c of the Interstate Commerce Act; *provided further*, that the Builder shall have no obligation to deliver any unit of Equipment hereunder subsequent to the commencement of any proceedings specified in clause (c) or (d) of Article 16 hereof or the occurrence of any event of default (as described in Article 16 hereof), or event which, with lapse of time and/or demand, could constitute such an event of default.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered and accepted on or prior to January 7, 1975 (unless extended by consent of the Vendee), and settled for pursuant to Article 4 hereof on or before the Cut-Off Date (as defined in Article 4 hereof) shall be excluded herefrom. If any Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the parties hereto shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. If the Builder's failure to deliver Equipment so excluded herefrom resulted from one or more of the causes set forth in the immediately preceding paragraph, the Lessee shall be obligated to purchase such Equipment and pay the full purchase price therefor, determined as provided in this Agreement, if and when such Equipment shall be completed and delivered by the Builder, such payment to be in cash on the delivery of such equipment, either directly or, in case the Lessee shall arrange therefor, by means of a conditional sale agreement, equipment trust

or such other appropriate method of financing as the Lessee shall determine and as shall be reasonably acceptable to the Builder.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect the materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 10 hereof; *provided, however*, that the Builder shall not thereby be relieved of its warranty referred to in Article 14 hereof.

On delivery of each such unit hereunder at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; *provided, however*, that the Builder shall not thereby be relieved of its warranty referred to in Article 14 hereof.

ARTICLE 4. *Purchase Price and Payment.* The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Lessee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased. If on any Closing Date (as hereinafter defined in this Article) the aggregate of the Invoiced Purchase Prices (as hereinafter defined in this Article) for which settlement has theretofore been and is then being made under this Agreement and the Other Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Annex A hereto (or such higher amount as the Vendee may at its option agree to), the Builder (and any assignee of the Builder) will, upon request of the Vendee, enter into an agreement excluding from this Agreement such unit or units of Equipment

then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Invoiced Purchase Prices under this Agreement and the Other Agreement to not more than the Maximum Purchase Price specified in Annex A hereto (or such higher amount as aforesaid).

The Equipment shall be settled for in such number of groups of units of the Equipment delivered to and accepted by the Vendee as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a Group). The term "Closing Date" with respect to any Group shall mean such date (not later than January 7, 1975, such date being herein called the Cut-Off Date), occurring not more than ten business days following presentation by the Builder to the Vendee of the invoice and of the Certificate or Certificates of Acceptance for the Equipment, as shall be fixed by the Builder by written notice delivered to the Vendee and the Vendor at least six business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Chicago, Illinois or San Francisco, California are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay to the Vendor the Purchase Price of the Equipment, as follows:

(a) On the Closing Date with respect to each Group, at such place as the Vendor may designate, in immediately available funds, (i) an amount equal to 33.375% of the aggregate Purchase Price of such Group plus (ii) the amount, if any, by which (x) 66.625% of the Purchase Price of all units of the Equipment covered by this Agreement and the Other Agreement for which settlement has theretofore and is then being made, as set forth in the invoice or invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) the Maximum Conditional Sale Indebtedness specified in Annex A hereto (any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to this clause (ii) being hereinafter called the Excess Amount); *provided, however*, that if settlement is also being made on such Closing Date for units of railroad equipment under the Other Agreement, the amount payable pursuant to this subparagraph (a) shall be that proportion of the Excess Amount

which the Invoiced Purchase Prices payable on such Closing Date under this Agreement is of the aggregate of all the Invoiced Purchase Prices payable on such Closing Date under both this Agreement and the Other Agreement; and

(b) In 20 instalments, as hereinafter provided, at the place and in the funds specified for payments in the Lease or any assignment thereof, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (herein called the Conditional Sale Indebtedness) shall be payable on each January 8 and July 8, commencing July 8, 1980, to and including January 8, 1990 (or if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from and including the Closing Date in respect of which such indebtedness was incurred at the rates and payable as follows:

(a) On January 8, 1975, interest shall be payable on 11,446/11,946ths of the principal amount of Conditional Sale Indebtedness for each day elapsed from and including the Closing Date in respect of which such indebtedness was incurred to but not including January 8, 1975, at a rate computed on a daily basis equal to 119% of the base rate per annum of First National City Bank on 90-day loans to responsible and substantial commercial borrowers from time to time (hereinafter called the Prime Rate) in effect on each such day divided by 360 (hereinafter called the Interim Rate).

(b) On January 21, 1975, interest shall be payable on 500/11,946ths of the principal amount of Conditional Sale Indebtedness for each day elapsed from and including the Closing Date in respect of which such indebtedness was incurred to but not including January 21, 1975, at the Interim Rate.

(c) On July 8, 1975, interest, to the extent accrued, shall be payable at the rate of 10³/₄% per annum on 11,446/11,946ths of the principal amount of Conditional Sale Indebtedness from January 8,

1975, and on 500/11,946ths of the principal amount of Conditional Sale Indebtedness from January 21, 1975, in each case to and including the date of payment.

(d) On each January 8 and July 8, commencing January 8, 1976, interest to the extent accrued, shall be payable at the rate of $10\frac{3}{4}\%$ on the Conditional Sale Indebtedness from time to time outstanding from the preceding July 8 or January 8 to and including the date of payment.

The instalments of principal payable on each of the first ten Payment Dates shall be calculated so that the aggregate of principal and interest payable on each such Payment Date shall be substantially equal and the aggregate of such instalments of principal shall amortize 53.39% of the Conditional Sales Indebtedness. The instalments of principal payable on the 11th through 20th Payment Dates shall be calculated so that the aggregate of principal and interest payable on each such Payment Date shall be substantially equal and the aggregate of such instalments of principal shall amortize 46.61% of the Conditional Sales Indebtedness. The Vendee will furnish to the Vendor and the Lessee promptly after January 8, 1975 and January 21, 1975, a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

In addition, there shall be paid on the earlier of the final Closing Date for any units of Equipment, or January 7, 1975 (hereinafter called the Commitment Fee Payment Date), (x) for each day elapsed from and including October 23, 1974, to but not including the Commitment Fee Payment Date, an amount computed at a rate equal to $\frac{1}{2}$ of 1% divided by 360 applied to (a) \$5,375,700 multiplied by a fraction the numerator of which is the amount of Conditional Sale Indebtedness under this Agreement on the Commitment Fee Payment Date and the denominator of which is the amount of Conditional Sale Indebtedness under this Agreement and the Other Agreement on the Commitment Fee Payment Date (hereinafter called the Bank of Montreal Commitment) for the period up to but not including the first Closing Date for units of Equipment hereunder and (b) the portion, if any, of the Bank of Montreal Commitment not applied on the first Closing Date pursuant to Section 6 of the Assignment, for the period from and including said first Closing Date up to but not including the date of the application thereof (or any portion thereof) on any subsequent Closing Date or Dates or as to any portion thereof not so applied, up to but not

including January 7, 1975, and (y) for each day elapsed from and including September 20, 1974, to but not including the Commitment Fee Payment Date, an amount computed at a rate equal to $\frac{1}{2}$ of 1% divided by 360 applied to (a) \$6,570,300 multiplied by a fraction the numerator of which is the amount of Conditional Sale Indebtedness under this Agreement on the Commitment Fee Payment Date and the denominator of which is the amount of Conditional Sale Indebtedness under this Agreement and the Other Agreement on the Commitment Fee Payment Date (hereinafter called the First National City Commitment) for the period up to but not including the first Closing Date for any units of Equipment hereunder and (b) the portion, if any, of the First National City Commitment which is not applied on said first Closing Date pursuant to Section 6 of the Assignment, for the period from and including the first Closing Date up to but not including the date of application thereof (or any portion thereof) on any subsequent Closing Date or Dates or as to any portion thereof not so applied, up to but not including January 7, 1975 (the aggregate amount as so computed under (x) and (y) being hereinafter called the Commitment Fee), the Commitment Fee to be payable on the Commitment Fee Payment Date whether or not any Closing Dates have occurred on or before the Commitment Fee Payment Date. For the purpose of determining the respective amounts of the Bank of Montreal Commitment and the First National City Commitment applied on any Closing Date, it shall be assumed that of the Conditional Sale Indebtedness incurred on such Closing Date, 45% was applied by use of the Bank of Montreal Commitment and 55% was applied by use of the First National City Commitment.

Interest payable on or after July 8, 1975 under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay interest, to the extent legally enforceable, at the greater of the interest rate then payable on the Conditional Sale Indebtedness, 11 $\frac{3}{4}$ % per annum or the Prime Rate in effect during the period of nonpayment, upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof or such lesser amount as shall be legally enforceable.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 7 hereof, the Vendee shall not have the privilege of

prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The parties hereto contemplate (subject to the limitations set forth in the first paragraph of this Article) that the Vendee will furnish that portion of the Purchase Price for the Equipment as is required under subparagraph (a) of the third paragraph of this Article and that an amount equal to the balance of such Purchase Price (which, together with the amounts paid by the Assignee under the corresponding provisions of the Other Agreement, will not exceed the Maximum Conditional Sale Indebtedness specified in Annex A) shall be paid to the Builder by the Assignee.

It is agreed that the obligation of the Vendee to pay to the Vendor any amount required to be paid pursuant to the third paragraph of this Article with respect to the Equipment is specifically subject to the fulfillment in a manner satisfactory to the Vendee, on or before the Closing Date in respect of any Group, of the following conditions (any of which may be waived by the Vendee, and payment by the Vendee of the amount specified in subparagraph (a) of the third paragraph of this Article with respect to such Group shall be conclusive evidence that such conditions have been fulfilled or irrevocably waived):

(a) the Assignee shall have paid or caused to have been paid to the Builder the amounts contemplated to be paid by it as provided in the preceding paragraph of this Article and in the Assignment and the documents required by the Assignment shall have been delivered;

(b) no event of default of the Lessee specified herein or Event of Default under the Lease, nor any event which with lapse of time and/or demand provided for herein or in the Lease would constitute such an event of default or Event of Default, shall have occurred and be continuing; and

(c) the Vendee shall have received (i) the opinions of counsel required by § 14 of the Lease and (ii) such other documents as the Vendee may reasonably request.

If the Vendee shall not pay the Vendor any amount so required to be paid, whether because the foregoing conditions are not so fulfilled or because any Equipment was excluded from this Agreement pursuant to the first paragraph of this Article, the Vendee will reassign to the Builder, without recourse to the Vendee, all right, title and interest of the Vendee in the unit

or units of Equipment with respect to which payment was not made and which were delivered to and accepted by the Vendee on any date prior to such Closing Date.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 16 and 17 hereof), but not limiting the effect of Article 23 hereof, it is understood and agreed by the Vendor that the liability of the Vendee for all payments to be made by it under and pursuant to this Agreement, with the exceptions only of the payments to be made by the Vendee pursuant to Article 20 hereof and subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee or the Assignee shall have actually received sufficient "income or proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that the Vendee shall have no liability to make any payments under this Agreement whatsoever except from the "income and proceeds from the Equipment" to the extent actually received by the Vendee or the Assignee. In addition, the Vendor agrees that the Vendee (i) makes no representation or warranty, and is not responsible for, the due execution, validity, sufficiency or enforceability of the Lease or this Agreement in so far as either relates to the Lessee (or any document relative thereto) or of any of the Lessee's obligations thereunder or hereunder and (ii) shall not be responsible for the performance or observance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease or the Assignment of Lease and Agreement dated as of the date hereof between the Vendee and the Assignee; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Lessee and the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 16 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee, or the Assignee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease, (b) any and all payments or proceeds received by the Vendee or the

Assignee for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (c) any and all other payments received by the Vendee or the Assignee under § 9 or any other provision of the Lease and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a), (b) and (c) [not including amounts paid by the Lessee to the Vendee as reimbursement of sums paid by the Vendee on account of prior defaults under paragraph (a) of Article 16] as are indefeasibly received by the Vendee or the Assignee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date such amounts received by the Vendee or the Assignee were required to be paid to it pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a), (b) and (c) which were received by the Vendee or the Assignee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date on which interest is payable on the Conditional Sale Indebtedness corresponding to the date on which amounts with respect thereto received by the Vendee or the Assignee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease. It is further specifically understood and agreed that nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment or the Lessee as provided for herein for the full unpaid Purchase Price of the Equipment and interest thereon and all other payments and obligations hereunder (including but not limited to the amounts due under Articles 6 and 20 hereof). Notwithstanding anything to the contrary contained in Article 16 or Article 17 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph.

ARTICLE 5. *Title to the Equipment.* The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement. Any and all additions to the Equipment (except, in the case of any unit of the Equipment which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such unit by the Lessee, the cost of which is not included in the Purchase Price of such unit and which are not required for the operation or use of such unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and additions and replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment transferring its security title thereto and property therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 22 hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate

of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. *Taxes.* All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which impositions the Vendee assumes and agrees to pay on demand. The Vendee will also pay promptly all impositions which may be imposed upon the equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title of the Vendor or result in a lien upon any part of the Equipment; *provided, however*, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; *provided, however*, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved the payment thereof.

ARTICLE 7. *Maintenance; Casualty Occurrences; Insurance.* The Vendee agrees that, at its own cost and expense, it will maintain and keep each unit of the Equipment in good order and repair.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Vendee or the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being herein called Casualty Occurrences), the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. On the next succeeding January 8 or July 8 the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied to prepay without penalty or premium, ratably in accordance with the unpaid balance of each instalment of the Conditional Sale Indebtedness which remains outstanding after application of the payment of principal, if any, due on such date pursuant to Article 4 hereof, and the Vendee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Vendor may request, calculated as provided in the fourth paragraph of Article 4 hereof.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument (without representations or warranties) confirming such passage to the Vendee of all the Vendor's right, security title and interest in such unit free and clear of all liens and encumbrances created hereby, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the January 8 or July 8 as of which such Casualty Value shall be determined, plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in

like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Equipment.

The Lessee will at all times prior to the payment of the full indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon and all other payments required hereby, at its own expense, cause to be carried and maintained insurance in respect of the Equipment at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies in respect of similar equipment, and in any event comparable in amounts and against risks insured against by the Lessee on equipment owned by it. The proceeds of insurance shall be payable to the Vendor, the Vendee and the Lessee as their respective interests may appear.

It is further understood and agreed that any insurance or condemnation proceeds received by the Vendor in respect of units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Vendee to the Vendor in respect of Casualty Occurrences pursuant to the second paragraph of this Article. If the Vendor shall receive any other insurance proceeds in respect of such units suffering a Casualty Occurrence after the Vendee shall have made payments pursuant to this Article without deduction for such insurance proceeds, the Vendor shall pay such insurance proceeds to the Vendee. All insurance proceeds received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. *Unconditional Obligations of Lessee.* The Lessee represents and warrants to the Vendor that the rentals and other obligations under the Lease have been calculated so as to provide for the due and punctual payment of the principal of, and interest on, the Conditional Sale Indebtedness and the due and punctual performance of all other obligations of the Vendee under this Agreement (except the obligations of the Vendee under subparagraph (a) of the third paragraph of Article 4 hereof and under Article 20 hereof) and that, pursuant to the Assignment of Lease, the Vendor will have the indefeasible right to apply such rental payments and other payments under the Lease to the payment of the principal of, and interest on, the Conditional Sale Indebtedness and the payment of such other obligations under this Agreement. The Lessee, for value received, hereby unconditionally guarantees to the Vendor that the principal of, and

interest on, the Conditional Sale Indebtedness will be duly and punctually paid when due and all other obligations of the Vendee will be duly and punctually performed (except for the obligations of the Vendee under subparagraph (a) of the third paragraph of Article 4 hereof and under Article 20 hereof), whether at stated maturity or by declaration or otherwise, by the due and punctual payment of the rentals and the due and punctual performance of the other obligations of the Lessee under the Lease, irrespective of any enforcement against the Vendee of any of the rights of the Vendor hereunder.

The Lessee hereby agrees that its aforesaid guaranty hereunder shall be unconditional (and shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever), irrespective of the genuineness, validity, regularity or enforceability of this Agreement, the Finance Agreement, the Lease, the Assignment of Lease, any failure of the Lessee to make its rental or other payments under the Lease to the Vendor pursuant to the Assignment of Lease or the failure of the Lessee to perform any obligation under the Lease for any reasons whatsoever (including termination of the Lease by operation of law or otherwise) or any interference with the right of the Vendor to apply such rental or other payments as provided in the Assignment of Lease, and irrespective of the last paragraph of Article 4 hereof or Article 23 hereof or any other circumstances which might otherwise limit the recourse of the Vendor to the Vendee. The Lessee hereby waives diligence, presentment, demand of payment, protest, any notice of any assignment hereof in whole or in part or of any default hereunder and all notices with respect to this Agreement and all demands whatsoever hereunder. No waiver by the Vendor of any of its rights hereunder and no action by the Vendor to enforce any of its rights hereunder or failure to take, or delay in taking, any such action shall affect the obligations of the Lessee hereunder. The Lessee hereby agrees that any rights that it may acquire by reason of performance of its obligations hereunder, by subrogation or otherwise, may not be exercised against the Vendee under this Agreement or with respect to any of the units of the Equipment until the Vendor has been paid all sums payable to it under this Agreement.

ARTICLE 9. Reports and Inspections. On or before March 31 in each year, commencing with March 31, 1975, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as of the preceding December 31 the amount, description and numbers of all units of

the Equipment that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Agreement in the case of the first such statement) or are out of service pending repairs (other than running repairs) or have been withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 10 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Lessee's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 10. *Marking of Equipment.* The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex B hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the words "Wells Fargo Bank, National Association, Agent-Security Owner, San Francisco, California, leased from Trust Company for USL, Inc., Trustee—Conditional Vendee" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's interest in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Equipment

may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

ARTICLE 11. *Compliance with Laws and Rules.* During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessee's operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads applicable to the Equipment, and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or addition of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; *provided, however,* that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. *Possession and Use.* The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The Vendee may lease the Equipment to the Lessee as permitted by, and for use as provided in, the Lease, but the rights of the Lessee and its permitted assigns (the Lessee hereby so acknowledging) under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement; *provided, however,* that so long as the Lessee shall not be in default under the Lease or under this Agreement in its capacity as guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Equipment. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

ARTICLE 13. *Prohibition Against Liens.* The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien,

charge or security interest on or with respect to the Equipment, or any unit thereof, equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

ARTICLE 14. *Indemnities and Warranties.* The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of security title to or a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident, in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the conveyance of security title to, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The agreement of the parties relating to the Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification contained in Items 3 and 4 of Annex A hereto are herein incorporated as part of this Article.

ARTICLE 15. *Assignments.* The Vendee will not (a) except as provided in Article 12 hereof, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition (i) is made expressly subject in all respects to the rights and remedies of the Vendor hereunder (including, without limitation, rights and remedies against the Vendee and the Lessee) and (ii) provides that the Vendee shall remain liable for all the obligations of the Vendee under this Agreement. Subject to the preceding sentence, any such sale, assignment, transfer or disposition may be made by the Vendee without the vendee, assignee or transferee assuming any of the obligations of the Vendee hereunder.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee and the benefits arising from the undertakings of the Lessee hereunder, may be assigned by the Vendor, and reassigned by any assignee at any time or from time to time in any such case only to a domestic bank or trust company with a combined capital and surplus of not less than \$50,000,000. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 14 hereof, or relieve the Vendee or the Lessee of their respective obligations, if any, to the Builder contained or referred to in Articles 2, 3, 4, 6, 8 and 14 hereof and this Article 15, or any other obligation which, according to its terms and context, is intended to survive an assignment.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee and the Lessee together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all

the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee and the Lessee, respectively, of the notification of any such assignment, all payments thereafter to be made by the Vendee or the Lessee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee and the Lessee recognize that it is the custom of railroad equipment manufacturers or sellers to assign agreements of this character and understand that the assignment of this Agreement, or of some of or all the rights of the Vendor hereunder, is contemplated. The Vendee and the Lessee expressly represent, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that in the event of such assignment by the Vendor as hereinbefore provided, the rights of such assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned, together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

In the event of any such assignment or successive assignments by the Vendor of security title to the Equipment and of the Vendor's rights hereunder with respect thereto, the Vendee will, whenever requested by the assignee, change the markings on each side of each unit of the Equipment so as to indicate the security title of such assignee to the Equipment, such markings to be specified by such assignee, subject to any requirements of the laws of the jurisdictions in which the equipment shall be operated. The cost

of such markings in the event of an assignment of not less than all the Equipment at the time covered by this Agreement shall be borne by the Lessee and, in the event of an assignment of less than all such Equipment, such cost shall be borne by such assignee.

The Vendee and the Lessee will (a) cause to be delivered to the Assignee, in connection with settlement for the Equipment, on the Closing Date with respect to such Equipment, all documents required by the terms of such assignment to be delivered to the Assignee by the Vendee or the Lessee, as the case may be, in connection with such settlement, in such number of counterparts or copies as may reasonably be requested, and (b) cause to be furnished to the Assignee such number of counterparts or copies of any other certificate or paper required by the Vendor as may reasonably be requested.

If the Builder shall not receive on the Closing Date the aggregate Purchase Price in respect of all of the Equipment proposed to be settled for on such Closing Date or if any of the Equipment shall be excluded from this Agreement pursuant to Article 3 or the penultimate paragraph of Article 4 hereof, the Builder will promptly notify the Vendee and the Lessee of such event and, if such amount shall not have been previously paid, the parties hereto will, upon the request of the Builder, enter into an appropriate written agreement with the Builder excluding from this Agreement such units of Equipment, and the Lessee will, not later than 90 days after such Closing Date or the date of such exclusion, purchase such Equipment from the Builder by paying or causing to be paid to the Builder the aggregate unpaid Purchase Price of such units, together with interest thereon from such Closing Date or the date of such exclusion to the date of payment by the Lessee at the highest prime rate of interest of leading New York City banks in effect on such Closing Date or the date of such exclusion.

ARTICLE 16. Defaults. In the event that any one or more of the following events of default shall occur and be continuing to wit:

(a) Any sum payable by the Vendee shall not be paid in full when payment thereof shall be due hereunder (irrespective of the provisions of Articles 4 or 23 hereof or any other provision of this Agreement limiting the liability of the Vendee) and such default shall continue for 10 days; or

(b) The Vendee (irrespective of the provisions of Articles 4 or 23 hereof or any other provision of this Agreement limiting the liability of

the Vendee) and the Lessee shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Any proceeding shall be commenced by or against the Vendee or the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee or the Vendee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations of the Vendee or the Lessee under this Agreement) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee or the Lessee, as the case may be, under this Agreement shall not have been duly assumed (and continue to be assumed) in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Vendee or the Lessee, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(d) A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Agreement shall not have been duly assumed (and continue to be assumed) in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred

by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

(e) The Vendee shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment;

(f) This Agreement, the Finance Agreement, the Lease or any other document or certificate heretofore furnished to the Assignee or any investor for which it is acting by or on behalf of the Lessee in connection herewith or therewith contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein not misleading; or

(g) An Event of Default shall occur under the Lease or an event of default shall occur under the Other Agreement;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any mandatory legal requirements then in force and applicable to such action by the Vendor, (i) subject to the rights of the Lessee set forth in Article 12 hereof, cause the Lease immediately upon such notice to terminate (and the Vendee and the Lessee each acknowledge the right of the Vendor to terminate the Lease) and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid indebtedness in respect of the Purchase Price of the Equipment, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee or the Lessee wherever situated. The Vendee or the Lessee, as the case may be, shall promptly notify the Vendor of any event which has come to its attention which constitutes, or with the giving of notice and/or lapse of time would constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee and the Lessee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 17. *Remedies.* At any time during the continuance of a Declaration of Default, the Vendor may, subject to the rights of the Lessee set forth in Article 12 hereof, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee or the Lessee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Lessee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Lessee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Lessee for the delivery of the Equipment to the Vendor, the Lessee shall (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any part of the Equipment has been interchanged to return the Equipment so interchanged), cause (a) the Equipment to be moved to such point or points on the lines as shall be designated by the Vendor and shall

there deliver the Equipment or cause it to be delivered to the Vendor and (b) the Equipment to be moved to such interchange point or points as shall be designated by the Vendor upon a sale, lease or other disposal of all or any part of the Equipment by the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Lessee until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Lessee agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Lessee. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Lessee requiring specific performance hereof. The Vendee and the Lessee hereby expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Lessee by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor shall elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Lessee may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in

the Vendee; *provided, further*, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Lessee and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee or any other party claiming from, through or under the Vendee or the Lessee at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to free and clear of all encumbrances and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at Chicago, Illinois, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or

in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Vendee and the Lessee shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed as provided in Article 22 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 railroads have been solicited in writing to submit bids), it shall be subject to the rights of the Vendee and the Lessee to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 17), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder. From and after the date of any such sale, the Lessee shall pay to the Vendor the per diem interchange for each unit of Equipment which shall not have been assembled, as hereinabove provided, by the date of such sale for each day from the date of such sale to the date of delivery to the purchaser at such sale.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's or the Lessee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed

to alter or affect the Vendee's or the Lessee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee or the Lessee, as the case may be, to the extent of their respective interests therein.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. *Applicable State Laws.* Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Lessee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee and the Lessee, to the full extent permitted by law, hereby waive all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement

of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. *Recording.* The Vendee or the Lessee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act and to be deposited with the Registrar General of Canada (with notice thereof to be published in the *Canada Gazette*) in accordance with Section 86 of the Railway Act of Canada; and the Vendee and the Lessee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee and the Lessee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. *Payment of Expenses.* The Vendee will cause all reasonable costs and expenses to be paid (other than the fees and expenses of counsel for the Builder, which shall be paid by the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the Vendee and of counsel for the first assignee of this Agreement and any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment. It is understood and agreed that the Vendee has entered into an agreement with United States Leasing International, Inc., which provides that United States Leasing International, Inc., will pay the reasonable costs and expenses which the Vendee is required to pay under this Article 20.

ARTICLE 21. *Article Headings; Effect and Modification of Agreement.* All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement:

This Agreement, including the annexes and schedules hereto, exclusively and completely states the rights of the Vendor, the Vendee and the

Lessee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor, the Vendee and the Lessee.

ARTICLE 22. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered, or mailed to it, by first class mail, postage prepaid at its chief place of business at the following specified addresses:

(a) to the Vendee, 1211 West 22nd Street, Oak Brook, Illinois 60521, with copies to the Beneficiary at American Road Equity Corporation, The American Road, Dearborn, Michigan 48121, Attention: Vice President, CIR Financing, and to United States Leasing International, Inc., 633 Battery Street, San Francisco, California 94111, Attention Vice President—Lease Underwriting Group;

(b) to the Lessee, at 176 East Fifth Street, St. Paul, Minnesota 55101,

(c) to the Builder, at the address specified in Item 1 of Annex A hereto,

(d) to any assignee of the Vendor, or of the Vendee, at such address as may have been furnished in writing to the Vendee, or the Vendor, as the case may be, and to the Lessee, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 23. *Immunities; Satisfaction of Undertakings.* No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, past, present or future, of the Vendee, Lessee or the Builder (or Vendor) or the Beneficiary, as such, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the fifth paragraph of Article 15 and under Articles 3, 6, 7 (other than the second sentence of the second paragraph thereof), 9, 10, 11, 13, 14 and 19 hereof shall be deemed in all respects satisfied by the Lessee's undertakings contained in the Lease. The Lessee shall be liable in respect of its guaranty hereunder for such obligations under said Articles regardless of whether or not the Lease provides for the discharge of such obligations or is in effect. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 16 hereof. No waiver or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Vendee are each and every one of them made and intended not as personal representations, undertakings and agreements by Trust Company for USL, Inc., or for the purpose or with the intention of binding such Trust Company personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement referred to in the first paragraph hereof, and this Agreement is executed and delivered by such Trust Company solely in the exercise of the powers expressly conferred upon the Vendee as trustee under said Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against such Trust Company except for willful misconduct or gross negligence or the Beneficiary or on account of any representation, undertaking or agreement of the Vendee or the Beneficiary, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; *provided, however*, that the Vendor or any person claiming by, through or under any of them, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

ARTICLE 24. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of

any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 25. *Execution.* This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of September 15, 1974, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

Annex A
To
General Motors Corporation
Conditional Sale Agreement

- Item 1: General Motors Corporation (Electro-Motive Division), a Delaware corporation, having an address at La Grange, Illinois 60525.
- Item 2: The Equipment shall be settled for in not more than two Groups of units of the Equipment delivered to and accepted by the Vendee unless a greater number shall be agreed to by the parties hereto.
- Item 3: The Builder warrants that the Equipment is of the kind and quality described in, or will be built in accordance with, the Specifications referred to in Article 2 of the Conditional Sale Agreement to which this Annex A is attached (hereinafter in this Annex A called the Agreement) and is suitable for the ordinary purposes for which the Equipment is used and warrants each unit of the Equipment to be free from defects in material and workmanship which may develop under normal use and service within two years from date of delivery of such unit or before such unit has been operated 250,000 miles, whichever event shall first occur. The Builder agrees to correct such defects, which examination shall disclose to the Builder's satisfaction to be defective, by repair or replacement F.O.B. factory and such correction shall constitute fulfillment of the Builder's obligation with respect to such defect under this warranty.

The Builder warrants specialties not of its own specification or design to the same extent that the suppliers of such specialties warrant such items to the Builder.

There are no warranties with respect to material and workmanship, expressed or implied, made by the Builder except the warranties set out above.

Notwithstanding anything to the contrary contained in the Agreement, it is understood and agreed that there will be incorporated in each unit of the Equipment a limited number of used

components which will be remanufactured by the Builder and will be equivalent to new components.

The Builder further agrees with the Vendee that neither the inspection as provided in Article 3 of the Agreement, nor any examination, nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or modification by the Vendee of any of its rights under this Item 3.

- Item 4: Except to the extent the Builder is obligated under the Agreement to indemnify, protect and hold harmless each assignee of any of the rights of the Builder under the Agreement, the Lessee agrees to indemnify, protect and hold harmless each such assignee from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against each such assignee because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, article or material which infringes or is claimed to infringe on any patent or other right.

The Builder shall defend any suit or proceeding brought against the Vendee, the Lessee and/or each assignee of the Builder's rights under this Agreement so far as the same is based on a claim that the Equipment of Builder's specification, or any part thereof, furnished under the Agreement constitutes an infringement of any patent, if notified promptly in writing and given authority, information and assistance (at Builder's expense) for the defense of same, and the Builder shall pay all damages and costs awarded therein against the Vendee, the Lessee and/or any such assignee.

In case any unit of the Equipment, or any part thereof, is in such suit held to constitute infringement and the use of such unit or part is enjoined, the Builder shall at its option and at its own expense either procure for the Vendee, the Lessee and any such assignee the right to continue using such unit or part, or replace the same with non-infringing equipment subject to the Agreement, or modify it so it becomes non-infringing, or remove such unit and refund the Purchase Price and the transportation and installation

costs thereof. If the Purchase Price is so refunded, such refund shall be made to the assignee of the Builder's rights under the Agreement if the Agreement has been so assigned, which refund shall be applied in like manner as payments in respect of Casualty Occurrences under Article 7 of the Agreement.

The Builder will not assume liability for patent infringement by reason of purchase, manufacture, sale or use of devices not included in and covered by its specification.

The foregoing states the entire liability of the Builder for patent infringement by the Equipment or any part thereof.

- Item 5: The Maximum Purchase Price referred to in Article 4 of the Conditional Sale Agreement is \$17,930,206.40.
- Item 6: The Maximum Conditional Sale Indebtedness referred to in Article 4 of the Conditional Sale Agreement is \$11,946,000.
- Item 7: Conditional Sale Agreement dated as of September 15, 1974, among General Electric Company, the Vendee and the Lessee.

LEASE OF RAILROAD EQUIPMENT

Dated as of September 15, 1974

between

BURLINGTON NORTHERN INC.,

as Lessee,

and

**TRUST COMPANY FOR USL, INC., as Trustee under a Trust Agreement dated
as of September 15, 1974 with American Road Equity Corporation,**

as Lessor

LEASE OF RAILROAD EQUIPMENT dated as of September 15, 1974, between BURLINGTON NORTHERN INC., a Delaware corporation (hereinafter called the Lessee), and TRUST COMPANY FOR USL, INC., an Illinois trust company, as Trustee (hereinafter, together with its successors and assigns, called the Lessor) under a Trust Agreement dated as of September 15, 1974, with American Road Equity Corporation, a Delaware corporation (hereinafter called the Beneficiary).

WHEREAS, the Lessor and the Lessee have entered into conditional sale agreements dated as of the date hereof (hereinafter called the Security Documents), with General Electric Company and General Motors Corporation (Electro-Motive Division), respectively (hereinafter called the Builders), wherein the Builders have agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule I hereto (hereinafter called the Equipment);

WHEREAS, the Builders are assigning their respective interests in and to the Security Documents to Wells Fargo Bank, National Association, as agent (hereinafter, together with its successors and assigns, called the Vendor) for certain institutional investors (hereinafter called the Investors); and

WHEREAS, the Lessee desires to lease all the units of the Equipment, or such lesser number (hereinafter called the Units) as are delivered and accepted and settled for under the Security Documents at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions;

§1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documents. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), stating that such Unit has been inspected and accepted by the

Lessee and on behalf of the Lessor on the date of such Certificate of Delivery and is marked in accordance with §4 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease, unless such Unit shall not be settled for under the applicable Security Document in which case such Unit shall be returned to the Lessor in the manner set forth in §13 hereof upon the exclusion of such Unit from such Security Document.

§2. *Rentals.* The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, in immediately available funds as follows: (i) on the Commitment Fee Payment Date (as defined in the Security Documents), (x) for each day elapsed from and including October 23, 1974, to but not including the Commitment Fee Payment Date, an amount computed at a rate equal to $\frac{1}{2}$ of 1% divided by 360 applied to (a) \$2,692,892.88 (hereinafter called the Bank of Montreal Commitment) for the period up to but not including the first Closing Date (as defined in the Security Documents) for units of Equipment under any Security Documents and (b) the portion, if any, of the Bank of Montreal Commitment Amount not applied by the Lessor on the first Closing Date in accordance with subparagraph (a) of the third paragraph of Article 4 of the Security Documents, for the period from and including the first Closing Date up to but not including the date of the application thereof (or any portion thereof) on any subsequent Closing Date or Dates or as to any portion thereof not so applied, up to but not including January 7, 1975 and (y) for each day elapsed from September 20, 1974, to and including the Commitment Fee Payment Date, an amount computed at a rate equal to $\frac{1}{2}$ of 1% divided by 360 applied to (a) \$3,291,313.52 (hereinafter called the First National City Commitment) for the period up to but not including the first Closing Date for any units of Equipment under the Security Documents and (b) the portion, if any, of the First National City Commitment which is not applied by the Lessor on the first Closing Date in accordance with subparagraph (a) of the third paragraph of Article 4 of the Security Documents for the period from and including said first Closing Date up to but not including the date of application thereof (or any portion thereof) on any subsequent Closing Date or Dates or as to any portion thereof not so applied, up to but not including January 7, 1975, such aggregate amount to be payable on the Commitment Fee Payment Date whether or not any Closing Dates have

occurred on or before the Commitment Fee Payment Date. For the purpose of determining the respective amounts of the Bank of Montreal Commitment and the First National City Commitment applied on any Closing Date it shall be assumed that of the amounts applied on each Closing Date, 45% was applied by use of the Bank of Montreal Commitment and 55% was applied by use of the First National City Commitment; (ii) on January 8, 1975, an amount equal to the aggregate amounts computed by multiplying the amounts applied by the Lessor on the first Closing Date (as defined in the Security Documents) and each subsequent Closing Date in accordance with subparagraph (a) of the third paragraph of Article 4 of the Security Documents for each day from and including the date of such application to, but not including, January 8, 1975, by the Interim Rate (as defined in the Security Documents) in effect on each such day; (iii) a rental payment on January 8, 1975, in an amount equal to $11,446/11,946$ ths of the Purchase Price (as defined in the Security Documents) of each Unit subject to the Lease multiplied by the Interim Rate (as defined in the Security Documents) for each day elapsed from and including the Closing Date (as defined in the Security Documents) for such Unit to but not including January 8, 1975; (iv) a rental payment on January 21, 1975, in an amount equal to $500/11,946$ ths of the Purchase Price of each Unit subject to the Lease multiplied by the Interim Rate for each day elapsed from and including the Closing Date for such Unit to but not including January 21, 1975; (v) on the Commitment Fee Payment Date (as defined in the Security Documents), irrespective of settlement for any Units under the Security Documents on or before such date, a rental payment in an amount equal to the Commitment Fees (as defined in the Security Documents) payable to the Vendor pursuant to Article 4 of the Security Documents; (vi) on July 8, 1975, a rental payment in an amount equal to 3.5811% multiplied by the Purchase Price of each Unit then subject to this Lease less an amount equal to interest at the rate of $10\frac{3}{4}\%$ per annum for the period from and including January 8, 1975, to but not including January 21, 1975, on $500/11,946$ ths of the Conditional Sales Indebtedness; and (vii) 29 consecutive semiannual rental payments on January 8 and July 8 in each year commencing January 8, 1976, each in an amount equal to the applicable basic lease rate therefor set forth in Schedule II hereto multiplied by the Purchase Price (as defined in the Security Documents) of each Unit then subject to this Lease.

If any of the rental payment dates referred to above is not a business day (as defined in the Security Documents) the rental payment otherwise payable on such date shall be payable on the next succeeding business day, and no interest on such payment shall accrue for the period from and after the nominal date for payment thereof to such next succeeding business day.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease at the principal office of the Vendor, for the account of the Lessor, in care of the Vendor, with instructions to the Vendor first to apply such payments to satisfy the obligations of the Lessor under the Security Documents known to the Vendor to be due and payable on the date such payments are due and payable hereunder and second, so long as no event of default under any Security Document shall have occurred and be continuing, to pay any balance promptly to the Lessor at such address as may be specified to the Vendor in writing. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in immediately available funds in the city where such payment is to be made.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documents, including the Lessee's rights by subrogation thereunder, or the Builder or the Vendor (including any claims under the Finance Agreement dated as of the date hereof among Vendor, the Lessee and the Investors [hereinafter called the Finance Agreement]) or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or the bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents

and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor or the Vendor or any Investor for any reason whatsoever.

§3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§1, 6, 9, 12 and 16 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon the occurrence of an Event of Default hereunder or an event of default under a Security Document, are subject to the rights of the Vendor under such Security Document. If an event of default should occur under a Security Document, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not so in default under this Lease or under such Security Document.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule I hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "Wells Fargo Bank, National Association, Agent—Security Owner, San Francisco, California, leased from Trust Company for USL, Inc., Trustee—Conditional Vendee" or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title to and property in such Unit of the Lessor, the Vendor or

any assignee of either and the rights of the Lessor under this Lease and of the Lessor and Vendor under the Security Documents. The cost of such markings in the event of a change of the name of the Lessor shall be borne by the Lessor. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace promptly any such name and words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit unless and until a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documents shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may allow the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§5. *Taxes and Expenses.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor and the Beneficiary for collection or other charges and will be free of expense to the Lessor and the Beneficiary with respect to the amount of any local, state, federal, or foreign taxes (other than any United States federal income tax payable by the Beneficiary in consequence of the receipt of payments provided for herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Beneficiary has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms

hereof or the Security Documents, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or the Vendor under the Security Documents. The Lessee agrees to give the Lessor notice of such contest within 30 days after institution thereof. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to any correlative provision of the respective Security Documents, or the Beneficiary shall become obligated to make any payment to the Lessor in its individual capacity pursuant to any correlative provision of the Trust Agreement referred to in the first paragraph hereof, not covered by the foregoing paragraph of this §5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor or the Beneficiary to fulfill completely its obligations pursuant to said provisions.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this §5, such liability shall continue, notwithstanding the

expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§6. *Payment for Casualty Occurrences; Insurance.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Lessor or the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise or General Motors Corporation (Electro-Motive Division) shall be required to refund the Purchase Price of any Unit pursuant to the third paragraph of Item 4 of Annex A to its Security Document (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto including notice as to the date on which such casualty occurrence took place. On the January 8th or July 8th next succeeding such notice, the Lessee shall pay to the Lessor an amount equal to the rental payment or payments in respect of such Unit due and payable on such rental payment date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue effective at the rental payment date next succeeding such notice, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit.

The Casualty Value of each Unit shall, except as set forth in the next paragraph, be an amount equal to the product of (a) the Purchase Price of such Unit and (b) that percentage set forth in Schedule III hereto opposite the rental date on which the casualty Value with respect to such Unit is paid.

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease and before such Unit shall have been returned in the manner provided in §13 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be an amount equal to the product of (a) the Purchase Price of such Unit and (b) 15%. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessee shall be entitled to recover possession of such Unit.

Except as hereinabove in this §6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the

risk of, any Casualty Occurrence to any Unit from and after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained property insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks comparable to those insured against by the Lessee on equipment owned by it and the benefits thereof shall be payable as provided in each Security Document so long as the indebtedness, if any, evidenced by such Security Document shall not have been paid in full, and thereafter to the Lessor and the Lessee as their interests may appear. Any policies of insurance carried in accordance with this paragraph shall (i) require 30 days prior notice of cancellation to the Lessor and the Vendor and (ii) name the Lessor (and the Vendor) as additional named insureds as their respective interests may appear and shall provide that in respect of the interests of the Lessor and the Vendor in such policies, the insurance shall not be invalidated by any action or inaction of the Lessee or any other person (other than the Lessor and the Vendor) and shall insure the Lessor and the Vendor regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or by any other person (other than the Lessor or the Vendor). Any net insurance proceeds as the result of insurance carried by the Lessee, any condemnation payments or any payments by the Builder pursuant to the third paragraph of Item 4 of the Security Document to which General Motors Corporation (Electro-Motive Division) is a party received by the Lessor in respect of Units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Lessee to the Lessor in respect of Casualty Occurrences pursuant to this §6 up to an amount equal to the Casualty Value with respect to a Unit and any balance of such proceeds shall remain the property of the Lessor. If the Lessor shall receive any such net insurance proceeds, condemnation payments or such payments by the Builder after the Lessee shall have made payments pursuant to this §6 without deduction for such net insurance proceeds, such condemnation payments or such payments by the Builder, the Lessor shall pay such proceeds to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds shall remain the property of the Lessor.

§7. *Reports.* On or before March 31 in each year, commencing with the calendar year 1975, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as of the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documents, the amount, description and numbers of

all Units that have suffered a Casualty Occurrence (including the date of such occurrence) or are then undergoing repairs (other than running repairs) or have been withdrawn from use pending repairs (other than running repairs) during the preceding calendar year and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and the markings required by §4 hereof and the Security Document have been preserved or replaced and (c) setting forth with respect to the Units as a whole, the percentage of time and mileage spent and traveled by such units within and without the United States during such calendar year. The Lessor and the Beneficiary shall have the right, upon reasonable notice, to cause their agents to inspect the Units and, the Lessee's records with respect thereto and such other matters in connection therewith as the Lessee or the Beneficiary shall reasonably request, all at such reasonable times as the Lessor or the Beneficiary may request during the continuance of this Lease.

The Lessee also agrees to furnish the Lessor and the Vendor (i) as soon as practical but in any event within 90 days after the close of each fiscal year of the Lessee, a consolidated balance sheet of the Lessee and its consolidated subsidiaries as of the close of such fiscal years, together with the related consolidated statement of income, surplus and source and application of funds for such fiscal years prepared in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding fiscal year, all in reasonable detail and certified by a recognized national firm of independent public accountants, including their certificates and accompanying comments, (ii) as soon as practical but within 45 days after the close of the fiscal year of the Lessee, a certificate of the Lessee, signed by a principal financial officer, to the effect that the signer has reviewed the relevant terms of this Lease and the Security Documents and has made, or caused to be made under his supervision, review of the transactions and conditions of the Lessee during the preceding fiscal year, and that such reviews have not disclosed the existence during such period, nor does the signer have knowledge of the existence as at the date of such certificate, of any condition or event which constitutes an Event of Default under this Lease or an event of default under either Security Document or which, after notice or lapse of time or both would constitute an Event of Default or event of default, or, if any such condition or event existed or exists, specifying the nature and period of existence thereof and what action

the Lessee has taken or is taking or proposes to take with respect thereto, (iii) unaudited quarterly reports of similar tenor to that set forth in clause (i), as soon as practical but within 45 days after the end of each quarterly accounting period, and (iv) from time to time such other information as the Lessor or the Vendor may reasonably request. The Lessee also agrees promptly to furnish the Lessor and the Vendor notice in writing of any matter which, in its opinion, might materially adversely affect the financial condition, affairs or operations of the Lessee. The Lessee also agrees to furnish the Lessor from time to time on request such information as either the Lessee or the Lessor may be required to furnish to any person pursuant to the Security Documents or the Trust Agreement.

§8. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; Indemnification.* **The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have, as Vendee, under Article 14 of the Security Documents, *provided, however,* that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Delivery shall be conclusive evidence as between the Lessee and the Lessor that all Units**

described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads applicable to the Units and with all rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that such laws or rules require any alteration of any Unit, or in the event that any equipment or appliance on any such Unit shall be required to be changed or replaced, or in the event that any additional or other equipment or appliance is required to be installed on any such Unit in order to comply with such laws or rules, the Lessee will make such alterations, changes, replacements and additions at its own expense; *provided, however*, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documents. The Lessee agrees to give the Lessor notice of such contest within 30 days after institution thereof.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit (including any parts installed on or replacements made to any Unit and considered an accession thereto as hereinbelow provided) which is subject to this Lease in the same operating order, repair and condition as when originally delivered to the Lessee (or installed on such Unit), reasonable wear and tear excepted.

Any and all additions to any Unit (except, in the case of any Unit which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such Unit by the Lessee, the cost of which is not included in the Purchase Price of such Unit and which are not required for the operation or use of such Unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and

additions and replacements made to any Unit shall constitute accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the Security Documents) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself. Upon termination of this Lease, the Lessee will remove the equipment referred to in the first parenthetical clause of the preceding sentence from the Unit.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Finance Agreement, Security Documents or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in §13 of this Lease. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§9. *Default.* If, during the continuance of this Lease, one or more of the following events (each such event being hereinafter sometimes called an Event of Default) shall occur:

A. default shall be made in payment of any part of the rental provided for in §2 hereof or in payment of any part of the Casualty Value of any Unit provided for in §6 hereof, and such default shall continue for five days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Security Documents, and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

D. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Security Documents and this Lease shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

E. any other proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder or under the Security Documents under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extension (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Security Documents shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in

connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof including net after tax losses of federal and state income tax benefits to which the Lessor would otherwise be entitled under this Lease; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units, subject to all mandatory requirements of due process of law, and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of a rate of 5% per annum, compounded semiannually, discounted from the respective dates upon which rentals would have been payable here-

under had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of rental, and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor and the Beneficiary in respect of the receipt thereof under the laws of any federal, state or local government or taxing authority of the United States of America or under the laws of any taxing authority or governmental subdivision of a foreign country, shall, in the reasonable opinion of the Lessor and the Beneficiary, be equal to any portion of the 7% Investment Tax Credit (herein called the Investment Credit) with respect to the Purchase Price (as defined in the Security Documents) of the Units pursuant to Section 38 of the Internal Revenue Code of 1954 as amended (herein called the Code), lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor or the Beneficiary as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in §16 or any other provision of this Lease or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default, plus such sum as will cause the Lessor's or the Beneficiary's net return under this Lease to be equal to the net return that would have been available to the Lessor or the Beneficiary if it had been entitled to utilization of all of the maximum depreciation deductions with respect to the Purchase Price (as defined in the Security Documents) of the Units based on a 12 year depreciable life for the Units authorized with respect to a Unit under Section 167 of the Code utilizing the "asset depreciation range" of 12 years for the Units prescribed in accordance with Section 167(m) of the Code (hereinafter called the Depreciation Deduction) and the deduction in each taxable year of the Lessor or the Beneficiary for all interest paid or accrued during such year on the Conditional Sale Indebtedness (as defined in the Security Documents) computed in accordance with Section 163 of the Code (hereinafter called the Interest Deduction) which was lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor or the Beneficiary as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in §16 or any other provision of this Lease, the termination of this Lease, the Lessee's loss of the right to use such Unit,

any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default plus such sum as will pay or reimburse the Lessor and the Beneficiary for any interest, additions to tax, or penalties incurred in connection with the Investment Credit, Depreciation Deduction or Interest Deduction which is lost, not claimed, not available for claim, disallowed or recaptured.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the events set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§10. *Return of Units Upon Default.* If this Lease shall terminate pursuant to §9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit returned to the Lessor pursuant to this §10 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted and (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner and at usual speed, cause such Units to be placed on such storage tracks of the Lessee or any of its affiliates as shall be designated by the Lessor,

(b) arrange for the Lessor to store such Units on any lines of railroad or premises approved by the Lessor until such Units have been sold, leased or otherwise disposed of by the Lessor, and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this §10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§11. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, *provided, however,* that no such assignment (other than assignment provided for in Annex D to the Security Documents) shall be effective if it would result in a relationship between the Lessee and the Lessor's assignee that is forbidden by Section 10 of the Clayton Act, and, *provided, further,* that the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§5, 6, 8, 9 and 16 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including any partner or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively).

So long as the Lessee shall not be in default under this Lease or under the Security Documents, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documents, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them, *provided, however*, that the Lessee shall be entitled to sublease any of the Units to The Colorado and Southern Railway Company, a Colorado corporation which is an affiliate of Lessee, *but provided, further*, that no such sublease shall in any way relieve the Lessee of any of its obligations under this Lease or under the Security Documents. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Documents, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or

possession of the Units to any railroad corporation incorporated under the laws of the United States of America, any state of the United States of America or the District of Columbia (which shall have duly assumed the liabilities and obligations of the Lessee hereunder and under the Security Documents) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§12. *Renewal and Right of First Refusal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may, by written notice delivered to the Lessor not less than six months prior to the end of the original or any extended term of this Lease, as the case may be, elect to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease, for an additional two-year period commencing on the scheduled expiration of such original or extended term, as the case may be, of this Lease, at a rental payable in semi-annual payments in arrears, each in an amount equal to the "Fair Rental Value" (as hereinafter defined) of such Units, such semi-annual payments to be made on January 8 and July 8 in each year of the applicable extended term; *provided, however*, that no such renewal shall be for a term ending after January 8, 1996.

For 30 days prior to the end of the initial term of this Lease and for five days thereafter, the Lessor shall have the right to require the Lessee to purchase all or any number of the Units at a sale price which is equal to 7½% of the original Purchase Price (as defined in the Security Documents) of such Units.

"Fair Rental Value" shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease or any extended term hereof, as the case may be, the Lessor and the Lessee are unable to agree upon a determination of the Fair Rental Value of the Units,

such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor may select with the approval of the Lessee, or failing such approved selection, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fees of the Appraiser shall be borne by the Lessee.

Provided that this Lease has not been earlier terminated or that the Lessee has not given notice to extend the term of this Lease as set forth above and the Lessee is not in default hereunder, the Lessor agrees that it will not sell such Units at the end of the original term of this Lease or any extended term hereof, or any of them, unless the Lessor shall have given the Lessee at least 30 business days prior written notice of such sale, specifying the sale price and terms of such sale, and the Lessee shall have had the opportunity to purchase such Unit or Units at the same price and on the same terms as specified in such notice. Such proposed sale must be to a party not affiliated with the Lessor, and the Lessor must so specify in its notice of sale to the Lessee. If the Lessee does not agree in writing to so purchase such Unit or Units within such 30 business day period, the Lessor may then sell such Unit or Units in accordance with the terms specified in such written notice.

Upon payment of the purchase price of any Unit, by the Lessee or on Lessee's behalf the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without representations or warranties) for such Unit such as will transfer to the Lessee such title to such Unit as the Lessor derived from the Builder, free and clear of all liens, security interests and other encumbrances arising through the Lessor.

§13. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the original or extended term of this Lease with respect to any Unit, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee or any of its affiliates, as the Lessor may

designate, or, in the absence of such designation, as the Lessee may select, and permit or arrange for the Lessor to store such Unit on such tracks for a period not exceeding six months and transport the same, at any time within such six-month period, to any reasonable place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however,* that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this §13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, and (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads applicable to the Units. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however,* that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to §6 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence.

§14. *Opinions of Counsel.* On each Closing Date under the Security Documents, the Lessee will deliver to the Lessor two counterparts of the written opinion of James W. Becker, Esq., counsel for the Lessee, or such other counsel to the Lessee who shall be satisfactory to the Lessor, addressed to the Vendor and the Lessor, in scope and substance satisfactory to the Vendor and the Lessor to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease and any acknowledgment to any assignment thereof or hereof and to own its properties and to carry on its business as now conducted and is duly qualified in each jurisdiction where the nature of its business makes such qualification necessary;

B. the Security Documents and this Lease and any consent to any assignment thereof or hereof have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms and the execution thereof will not conflict with or result in any breach of any terms or provisions of, or constitute a default under any provision of the certificate of incorporation or bylaws of the Lessee or any agreement, indenture or other instrument known to such counsel to which the Lessee is a party or by which its property is bound or any applicable law, regulation, judgment, order or decree of any government, governmental authority or instrumentality or court;

C. the Security Documents (and any assignment thereof) and this Lease (and any assignment hereof) have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government or agency thereof is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units in the United States of America;

D. the Security Documents (and any assignment thereof) and this Lease (and any assignment hereof) have been duly deposited in the office of the Registrar General of Canada and appropriate provision has

been made for notice of such deposit to be published in the *Canada Gazette*, all in accordance with Section 86 of the Railway Act of Canada;

E. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

F. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

G. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§15. *Recording.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and to be deposited with the Registrar General of Canada (notice of such deposit to be forthwith given in the *Canada Gazette*) pursuant to Section 86 of the Railway Act of Canada. The Lessee will undertake the filing and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded

with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

§16. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided by the Code to an owner of the property, including (without limitation) an allowance for the Investment Credit, the Depreciation Deduction and the Interest Deduction (all as defined in Section 9 of this Lease), with respect to the Units to the extent so provided.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing or which would increase the amounts of rentals required to be taken into income by the Lessor over the amount specified to be payable under this Lease on the dates due hereunder and that each of such corporations will file such returns, take such action and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent thereof. Lessee agrees to keep and make available for inspection and copying by Lessor such records as will enable Lessor to determine whether it is entitled to the full benefit of the Investment Credit and the Depreciation Deduction with respect to the Units.

The Lessee represents and warrants that (i) at the time the Lessor becomes the owner of the Units, and despite the incorporation of any used components therein, the Units will constitute "new eligible Section 38 property" within the meaning of Sections 46 and 48 of the Code, (ii) at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Lessor and (iii) the Lessee will not at any time during the term of this Lease, use or fail to use any Unit in such a way as to disqualify it as "Section 38 property" within the meaning of Section 48(a) of the Code.

If (a) the Lessor or the Beneficiary shall lose, or shall not have or shall lose the right to claim, or if there shall be disallowed or recaptured with respect to the Lessor or the Beneficiary, all or any portion of the Investment Credit, Interest Deduction or Depreciation Deduction as provided to an owner of property with respect to a Unit for any period prior to the

termination of this Lease and full compliance by the Lessee with all of its obligations hereunder as the direct or indirect result of any act, representation, statement or failure to act of Lessee or any affiliate or any officer, employee, agent or attorney thereof or as the direct or indirect result of any change in the tax law made effective prior to or on the last Closing Date (as defined in the Security Documents) or (b) the Beneficiary shall seek and shall not have obtained by July 31, 1975 a favorable ruling from the Internal Revenue Service with respect to the tax benefits specified in clause (a) above (including a ruling that this Lease is a true lease for federal income tax purposes; that the trust created under the Trust Agreement will be treated for tax purposes as a grantor trust and not as an association taxable as a corporation; and that the Lessee is entitled to deduct its rental payments pursuant to Section 162 of the Code) (such failure to obtain such a ruling being hereby deemed to be an event causing the Lessor or the Beneficiary to lose or causing there to be disallowed or recaptured with respect to the Lessor or the Beneficiary the entire Investment Credit, the Interest Deduction and the Depreciation Deduction), then, in any such event, the Lessee shall promptly pay to the Lessor or the Beneficiary an amount which, after deduction of all taxes required to be paid by the Lessor and the Beneficiary in respect of the receipt thereof under the laws of any federal, state or local government or taxing authority of the United States of America or under the laws of any taxing authority or governmental subdivision of a foreign country, shall in the reasonable opinion of the Lessor and the Beneficiary, be equal to any portion of the Investment Credit lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor and the Beneficiary as a consequence of such event plus such sums as, will cause the Lessor's or the Beneficiary's net return under this Lease to be equal to the net return (computed on the same assumptions as utilized by the Lessor or the Beneficiary in originally evaluating this transaction) that would have been available to the Lessor or the Beneficiary if it had been entitled to utilization of all of the Interest Deduction or Depreciation Deduction which was lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor or the Beneficiary in consequence of such event plus such sum as will pay or reimburse the Lessor and the Beneficiary for any interest, additions to tax, or penalties incurred in connection with the Investment Credit, Depreciation Deduction or Interest Deduction which is lost, not claimed, not available for claim, disallowed or recaptured; *provided, however*, that if the Lessee becomes obligated to pay any amount pursuant to clause (b) of this sentence, then, at the option of the Lessee, and in lieu of

such amount, the Lessee or a designate of the Lessee, after written notice to the Lessor, may purchase on or prior to August 31, 1975 the interest of the Lessor in the Units and the Security Documents for an amount equal to the sum of (i) 33.375% of the Purchase Price of the Units, (ii) the Lessor's and the Beneficiary's reasonable out-of-pocket expenses incurred in connection with the entering into of the transactions contemplated hereby (including the fees of United States Leasing International, Inc.), and (iii) interest on the amounts set forth in the preceding clauses (i) and (ii) at the rate of 14% per annum, compounded semiannually, from the date such amounts were paid or incurred by the Beneficiary and less (iv) any rental or casualty payment or portion thereof theretofore paid by the Lessee which has neither been applied by the Lessor to the payment of the Conditional Sale Indebtedness (as defined in the Security Documents) or interest thereon nor is then owing with respect thereto. Neither the Lessor nor the Beneficiary shall be under any obligation to claim any tax benefit which is covered in any ruling request to the Internal Revenue Service with respect to which a favorable ruling is not obtained by July 31, 1975.

If the Lessee exercises its option to purchase the interests of the Lessor, the Lessee shall, as a condition thereto, enter into a supplement to the Security Documents in form and substance satisfactory to the Vendor, pursuant to which it directly assumes all obligations of the Lessor thereunder without reference to any limitations of liability contained in the last paragraph of Article 4 or in Article 23 thereof or otherwise.

In the event that the Lessor or the Beneficiary lose any foreign tax credits as a result of the use of Units in Canada or otherwise outside the United States, the Lessee hereby agrees promptly to pay to the Lessor or the Beneficiary an amount which, after deduction of all taxes required to be paid by the Lessor and the Beneficiary in respect of the receipt thereof under the laws of any federal, state or local government or taxing authority of the United States or under the laws of any taxing authority or governmental subdivision of a foreign country, shall be equal to the excess of the foreign tax credit under Section 901 of the Code which would have been allowable to the Lessor or the Beneficiary with respect to such year and all prior years if the Lessor and the Beneficiary had not participated in the transactions contemplated by this Lease over the foreign tax credit actually allowable to the Lessor or the Beneficiary with respect to such years, together with any interest, penalties or additions to tax which may be assessed by the United

States Government against the Lessor or the Beneficiary as a result of such loss of foreign tax credits. The good faith calculation by the Tax Department of Ford Motor Company, a Delaware corporation, of all amounts due under this paragraph shall be binding on the Lessee, the Lessor and the Beneficiary. In connection therewith, the Beneficiary will provide the Lessee with a certificate of an officer of the Beneficiary setting forth in reasonable detail the figures and method used in making such calculation. Further, the Lessee hereby agrees that it will not have the right to inspect the tax returns or related documents of the Lessor, the Beneficiary or Ford Motor Company in order to confirm the calculations made by the Tax Department of Ford Motor Company pursuant to this paragraph.

Upon the commencement of any proceeding (including the written claim or written threat of such proceeding) in respect of which indemnity may be sought under clause (a) of the fourth paragraph of this §16, the Lessor shall promptly, upon its knowledge thereof, give written notice of such commencement to the Lessee. The Lessor and the Beneficiary hereby agree to use their best efforts to contest in good faith said proposed proceeding so as to minimize or avoid the liability of the Lessee to pay such indemnity.

§17. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount, with respect to rental payments due under clauses (i), (ii), (iii), (vi) or (v) of the first paragraph of Section 2 hereof, equal to the greater of the Interim Rate (as defined in the Security Documents) for each day for the period of time during which such payments are overdue or 11¾% per annum for such period, and with respect to all other overdue rentals and other obligations hereunder, at the greater of 13% per annum or the Prime Rate (as defined in the Security Documents), in effect during the period of nonpayment or, in either case, such lesser amounts as may be legally enforceable.

§18. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States mails, first-class postage prepaid, addressed as follows:

(a) if to the Lessor, at 1211 West 22nd Street, Oak Brook, Illinois 60521 with copies to the Beneficiary at The American Road, Dearborn, Michigan 48121, Attention of Vice President, CIR Financing and to United States Leasing International, Inc., 633 Battery Street, San Francisco, California 94115, attention Vice President—Lease Underwriting Group;

(b) if to the Lessee, at 176 East Fifth Street, St. Paul, Minnesota 55101;

or addressed to the parties at such other address as such party shall hereafter furnish to the other party in writing.

§19. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be ineffective in such jurisdiction to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

§20. *Execution.* This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although this Lease is dated as of the date first set forth above, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§21. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Minnesota; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

§22. *Covenants, Representations and Warranties of Lessee.* The Lessee covenants, represents and warrants that: (i) the Lessee is a corporation duly organized and validly existing in good standing under the laws of Delaware and is duly qualified and authorized to do business wherever necessary to carry on its present business and operations and to own its properties and to perform its obligations under this Lease and under the Security Documents; (ii) the Lessee has the full power, authority and legal right to enter into and perform its obligations under this Lease and under the Security Documents, and the execution, delivery and performance of this Lease and the Security Documents have been duly authorized by all necessary corporate action on the part of the Lessee, do not require any stockholder approval or approval or consent of any trustee or holders of any indebtedness or obligations of the Lessee, or such required approvals and consents have heretofore been duly obtained, certified copies thereof having been delivered to the Lessor, and do not contravene any law binding on the Lessee or any subsidiary of the Lessee or contravene the certificate of incorporation or by-laws of the Lessee or any subsidiary of the Lessee or any indenture, mortgage, contract or other agreement to which the Lessee or any subsidiary of the Lessee is a party or by which any of the aforesaid is bound, or any law, governmental rule, regulation or order; (iii) the Lessee is not a party to any agreement or instrument or subject to any charter or other corporate restriction which will materially adversely affect the financial condition, business or operations of the Lessee or the ability of the Lessee to perform its obligations under this Lease or under the Security Documents; (iv) neither the execution and delivery by the Lessee of this Lease or the Security Documents, nor the consummation of any of the transactions by the Lessee contemplated hereby or thereby, require the consent or approval of, the giving of notice to, or the registration with, or the taking of any other action in respect of, the Interstate Commerce Commission or any other federal, state or foreign governmental authority or agency, except the filing and recording of such documents with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act; (v) this Lease and the Security Documents constitute valid and legally binding obligations of the Lessee enforceable in accordance with their respective terms; (vi) there are no pending or threatened actions or proceedings before any court or administrative agency which will materially adversely affect the condition, business or operations of the Lessee or any of its subsidiaries or the ability of the Lessee to perform its obligations under this Lease or the Security Docu-

ments; (vii) the Lessee and its subsidiaries have filed or caused to be filed all federal and state tax returns which are required to be filed and have paid or caused to be paid all taxes shown to be due or payable on said returns or (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) on any assessment received by the Lessee or any subsidiary of the Lessee, to the extent that such taxes have become due and payable; and (viii) the financial statements contained in the Railroad Annual Report Form R-1 and the Securities Exchange Act of 1934 Annual Report on Form 12-K of the Lessee for the year ended December 31, 1973 and the Securities Exchange Act of 1934 Quarterly Reports on Form 10-Q of the Lessee for the first two quarterly periods of 1974 and the related statements of earnings, surplus and source and application of funds of the Lessee for the three fiscal years ended December 31, 1973 (copies of which Forms and statements have been furnished the Lessor) correctly set forth the financial condition of the Lessee as of the dates, and the results of its operations of each for the periods, covered thereby, and since December 31, 1973 there has been no material adverse change (or any development involving a prospective material adverse change) in such condition, financial or otherwise, and nothing has occurred which will materially adversely affect the ability of the Lessee to carry on its business and operations or to perform its obligations under this Lease or under the Security Documents.

§23. *Immunities; No Recourse.* It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements of Trust Company for USL, Inc., or for the purpose or with the intention of binding said Trust Company personally, but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement referred to in the first paragraph hereof, and this Lease is executed and delivered by the said Trust Company solely in the exercise of the powers expressly conferred upon the said Trust Company as trustee under said Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said Trust Company except for wilful misconduct or gross negligence, or the Beneficiary or on account of any representation,

undertaking or agreement of the Lessor or the Beneficiary, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee.

§24. *Agreements for Benefit of Beneficiary.* All rights of the Lessor hereunder (including, but not limited to, its rights under §§5, 6, 8, 9, and 16 and the right to receive the rentals payable under this Lease) shall inure to the benefit of the Beneficiary and any of the Beneficiary's assigns under the Trust Agreement referred to in the first paragraph hereof.

§25. *Fees and Expenses, Etc.* The Lessee will, whether or not the transactions contemplated by the Finance Agreement shall be consummated, pay all reasonable expenses in connection with the preparation and execution of the certificates of interest as therein provided, the preparation of the other instruments and agreements contemplated therein and the delivery of such certificates to the Investors including, without limiting the generality of the foregoing, all printing costs, the fees and disbursements of the Vendor and of Messrs. Cravath, Swaine & Moore, special counsel for the Investors and the Vendor, each Investor's reasonable expenses in connection with the transaction contemplated in the Finance Agreement including the delivery of such certificates (to the home office of the Investors or as the Investors may in writing direct) and in connection with any modification of, or any waiver or consent in respect of, such certificates, the Security Documents, the Assignments (as defined in the Security Documents), the Lease Assignment (as defined in the Security Documents) or this Lease; *provided, however,* the Lessee's obligations hereunder shall be deemed to be satisfied to the extent such amounts are caused to be paid by the Lessor pursuant to Article 20 of the Security Documents. The Lessee hereby acknowledges that the amounts required to be paid by the Lessor shall be paid on behalf of the Lessor by United States Leasing International, Inc.

§26. *Miscellaneous.* The Lessee will cause to be furnished to the Lessor and the Vendor promptly after January 8, 1975 and January 21, 1975 a schedule, in such number of counterparts as shall be requested by the Lessor and the Vendor, showing the respective amounts of principal and interest payable on the Conditional Sale Indebtedness (as defined in the Security

Documents) on each Payment Date (as defined in the Security Documents) and promptly after any Casualty Occurrence any such revised schedule required by Article 7 of the Security Documents.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

Annex D
to Conditional Sale Agreements

ASSIGNMENT OF LEASE AND AGREEMENT dated as of September 15, 1974 (hereinafter called the Assignment), by and between TRUST COMPANY FOR USL, INC., as Trustee under a Trust Agreement dated as of the date hereof with American Road Equity Corporation (such Trustee being hereinafter called the Lessor or the Vendee) and WELLS FARGO BANK, NATIONAL ASSOCIATION, as Agent (hereinafter called the Vendor) under a Finance Agreement dated the date hereof with Burlington Northern Inc. (hereinafter called the Lessee) and the Investors referred to therein (hereinafter called the Investors).

WHEREAS, the Vendee and the Lessee are entering into Conditional Sale Agreements dated as of the date hereof (hereinafter collectively called the Security Documents) with GENERAL ELECTRIC COMPANY and GENERAL MOTORS CORPORATION (Electro-Motive Division), respectively (hereinafter called the Builders), providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in the Annexes thereto as are delivered to and accepted by the Vendee thereunder; and

WHEREAS, the Lessor and the Lessee have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the Security Documents and as an inducement to the Investors to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documents), the Lessor has agreed to assign for security purposes its rights in, to and under the Lease to the Vendor;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. Subject to the provisions of Paragraph 10 hereof, the Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the Lessor's obligations under the Security Documents, all the Lessor's right, title, interest, powers, privileges, and other benefits under the Lease, including,

without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, liquidated damages, or otherwise (such rentals, profits and other sums being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Documents, subject to the limitations contained in the last paragraph of Article 4 of the Security Documents, and any balance shall be paid to, and retained by the Lessor, on the same date such Payment is applied to satisfy such obligations of the Lessor, by check mailed to the Lessor on such date or, upon written request of the Lessor, by bank wire to the Lessor at such address as may be specified to the Vendor in writing. If the Vendor shall not receive any rental payment under the first paragraph of Section 2 of the Lease when due, the Vendor shall notify the Lessor at the addresses set forth in the Lease.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability, if any, of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations, if any, of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Lessor agrees as follows:

(a) The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein, or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees (and the Lessee so recognizes) that any amendment, modification or termination thereof without such consent shall be void.

(b) At the Lessor's sole cost and expense, the Lessor will appear in and defend every action or proceeding arising under, growing out of or in any manner connected with the obligations, duties or liabilities of the Lessor under the Lease.

(c) Should the Lessor fail to make any payment or to do any act which this Assignment requires the Lessor to make or do, then the Vendor, but without obligation so to do, after first making written demand upon the Lessor and affording the Lessor a reasonable period of time within which to make such payment or do such act, but without releasing the Lessor from any obligation hereunder, may make or do the same in such manner and to such extent as the Vendor may deem necessary to protect the security hereof, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Vendor, and also the right to perform and discharge each and every obligation, covenant and agreement of the Lessor contained in the Lease; and in exercising any such powers, the Vendor may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Lessor will reimburse the Vendor for such costs, expenses and fees.

4. The Lessor does hereby appoint the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the

Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessee's and the Lessor's obligations under the Security Documents, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

7. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

8. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

9. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 22 of the Security Documents, or at such other address as the Vendor shall designate.

10. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or no event of default under the Security Documents has occurred and is then

continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof.

11. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the Security Documents or in any way limit the effect of Article 4 of the Security Documents, the last two paragraphs of Article 23 of the Security Documents or Section 23 of the Lease, (b) the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Documents as long as there is no event of default under the Security Documents and to the extent the Vendor does not seek to receive and collect such excess amounts, or empower the Vendor in any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts and (c) each and all of the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by Trust Company for USL, Inc., or for the purpose or with the intention of binding said Trust Company personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement referred to in the first paragraph hereof, and this Assignment is executed and delivered by the said Trust Company solely in the exercise of the powers expressly conferred upon the said Trust Company as trustee under said Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said Trust Company except for willful misconduct or gross negligence, or the Beneficiary under such Trust Agreement or on account of any representation, undertaking or agreement of the Lessor or such Beneficiary, either expressed or implied, all such

personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; *provided, however,* that the Vendor or any person claiming by, through or under any of it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.
