INTERSTATE COMMERCE COMMISSION

LEASE OF EQUIPMENT NO. 4

between

FIRST WESTERN BANK AND TRUST COMPANY,
Owner-Trustee

and

CANADIAN NATIONAL RAILWAY COMPANY

Dated as of September 1, 1973

LEASE OF EQUIPMENT No. 4, dated as of September 1, 1973, between FIRST WESTERN BANK AND TRUST COMPANY, as Owner-Trustee (hereinafter called the Lessor) under Owner Trust Agreement No. 4 dated as of September 1, 1973 with a certain equity investor (hereinafter called the Beneficiary), and CANADIAN NATIONAL RAILWAY COMPANY, a corporation duly incorporated under the laws of Canada (hereinafter called the Lessee).

WHEREAS, the Lessor has entered into Manufacturing Agreements No. 1, No. 2, No. 3 and No. 4 dated as of September 1, 1973 (hereinafter called the Manufacturing Agreements) with General Motors of Canada Limited (Diesel Division), National Steel Car Corporation, Limited, Hawker Siddeley Canada Ltd. and Marine Industries Limited, respectively (hereinafter called the Manufacturers) and the Lessee, wherein the Manufacturers have agreed to construct, sell and deliver the units of railroad equipment described in Schedule I hereto; and

WHEREAS, the Lessor has entered into Equipment Trust Agreement No. 4 dated as of September 1, 1973 (hereinafter called the Equipment Trust Agreement) with The Connecticut Bank and Trust Company (hereinafter called the Trustee), under which the Lessor has agreed to cause each Manufacturer to sell, assign and transfer to the Trustee title to all such Units (as hereinafter defined) of railroad equipment (which shall not include more than 4 locomotives) which are accepted on or before December 31, 1973, up to an aggregate cost of $3,132,534 (U.S.) and settled for on or prior to March 1, 1974 under the Manufacturing Agreements and under which such title to the Units will be reserved to the Trustee until the Lessor fulfills its obligations under the Equipment Trust Agreement (such units so delivered and settled for and described in Schedule I hereto being hereinafter called the Units), and under which the Trustee has agreed to lease all the Units to the Lessor; and

WHEREAS, the Lessee desires to lease from the Lessor the Units at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder, subject and subordinate to all the rights and remedies of the Trustee under the Equipment Trust Agreement.

Section 1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit accepted pursuant to each Manufacturing Agreement to be tendered to the Lessee at such point or points as may be mutually acceptable to the Lessor and the Lessee. Immediately upon such tender, the Lessee will cause its authorized inspectors or representatives to inspect the same, and if such Unit is found to be in good operating order and repair, to accept delivery of such Unit and to execute and deliver to the Lessor a certificate of acceptance (hereinafter called a Certificate of Acceptance) certifying as to the actual date of acceptance of delivery by the Lessee; whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee under this Lease and shall be subject thereafter to all the terms and conditions of this Lease and such Certificate of Acceptance shall be absolutely binding upon the Lessee. Any Unit or Units excluded from the Equipment Trust Agreement pursuant to Section 2.07 or 3.01 thereof shall likewise be excluded from this Lease.

Section 2. *Rentals.* The Lessee agrees to pay to the Lessor, in such coin or currency of the United States of America as, at the time payable, shall be legal tender for the payment of public and private debts, as rental for each Unit subject to this Lease, one interim rental payment on the Business Day (as defined in the Equipment Trust Agreement) next preceding March 1, 1974, and 30 consecutive semi-annual rental payments payable on the Business Day next preceding March 1 and September 1 of each year, commencing September 1, 1974. In respect of each Unit subject to this Lease (a) the interim payment shall be in an amount equal to the daily lease rate therefor set forth in Schedule II multiplied by the Cost (as defined in the applicable Equipment Trust Agreement) of each such Unit subject to this Lease for each day elapsed from and including the date such Unit is settled for under the Equipment Trust Agreement and the applicable Manufacturing Agreement to March 1, 1974, less any amounts paid by the Lessee pursuant to Section 18(d) hereof, and (b) the 30 semi-annual payments shall each be in an amount equal to the basic lease rate therefor set forth in Schedule II multiplied by the Cost of such Unit subject to this Lease.

All rental and other payments provided for in this Lease to be made to the Lessor shall be made to the Lessor by the deposit of the funds to the account of the Lessor at the branch of such bank or trust company as shall be from time to time specified in writing by the Lessor.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including but not limited to, abatements, reductions or set-offs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or otherwise or against the Trustee or the Manufacturers; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use of or destruction of all or any of the Units from whatever cause, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease or lack of right, power or authority of the Lessor to enter into this Lease, the breach by the Lessor of the representations and warranties of the Lessor contained in the second paragraph of Section 8 hereof, or by reason of any failure by the Lessor to perform any of its obligations herein contained, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. The Lessee shall have a right of action against the Lessor for any such breach of such representations and warranties or any such failure to perform such obligations, but without any right of set-off of such rents and other amounts payable by the Lessee hereunder.

Section 3. *Terms of Lease.* The term of this Lease as to each Unit shall begin upon acceptance thereof by the Lessee pursuant to Section 1 hereof, and, subject to the provisions of Sections 6, 9, 17 and 19 hereof, shall terminate on the date on which the final semi-annual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, are subordinate, junior in rank and subject to the rights of the Trustee under the Equipment Trust Agreement.

Section 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with its identifying number as set forth in Schedule I hereto and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than an inch in height, the following words: "OWNED BY THE CONNECTICUT BANK AND TRUST COMPANY, ONE CONSTITUTION PLAZA, HARTFORD, CONNECTICUT 06115, AS TRUSTEE UNDER THE TERMS OF AN EQUIPMENT TRUST AGREEMENT", or other appropriate words designated by the Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the interest of the Lessor and the Trustee in and to such Unit and the rights of the Lessor under this Lease and the Equipment Trust Agreement and of the Trustee under the Equipment Trust Agreement. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced or destroyed. The Lessee will not change or permit the identifying number of any Unit to be changed except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Trustee and the Lessor by the Lessee and filed, recorded or deposited in all public offices where this Lease will have been filed, recorded or deposited.

Except as above provided the Lessee will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; *provided, however,* that the Lessee may cause the Units to be lettered with the names, initials or other insignia customarily used by the Lessee or any permitted sublessee on railroad equipment used by it of the same or similar type for convenience of identification of their right to use the Units.

Section 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor and the Trustee for collection or other charges and will be free of expense to the Lessor and the Trustee with respect to the amount of any local, state, provincial or federal United States, Canadian or Mexican taxes (other than any local, state, provincial or federal United States or Canadian or Mexican income taxes [to the extent that the Lessor receives credit for such Canadian or Mexican taxes against its United States income tax liability] payable by the Lessor in consequence of the receipt of payments provided herein, and other than the aggregate of all

franchise taxes measured by net income based on such receipts, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments or license fees (and any charges, fines or penalties of any kind in connection therewith) (hereinafter called "impositions") hereafter levied or imposed upon or in connection with or measured by this Lease, the Equipment Trust Agreement or any of the instruments or agreements referred to herein or therein or contemplated hereby or thereby, or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, the Equipment Trust Agreement or any such instruments or agreements, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor or the Trustee solely by reason of its interest therein and any and all impositions upon or on account of the trust created by the Equipment Trust Agreement or upon or on account of the Equipment Trust Agreement, or the transactions contemplated thereby (whether or not such transactions shall actually be consummated) or the instruments or agreements referred to therein or contemplated thereby, and will keep at all times all and every part of such Unit free and clear of all such impositions which might in any way affect the interests of the Lessor or the Trustee or results in a claim, lien, security interest or other encumbrance upon any such Unit and will supply the Lessor and the Trustee with a receipt or other evidence of such payment satisfactory to the Lessor and the Trustee; *provided, however,* that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor or the Trustee, adversely affect the property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement and the Lessee shall have furnished the Trustee with an opinion of counsel to such effect. If any such impositions shall have been charged or levied against the Lessor or the Trustee directly and paid by the Lessor or the Trustee, the Lessee shall reimburse the Lessor or the Trustee, as the case may be, on presentation of an invoice therefor; *provided, however,* that the Lessee shall not be obliged to reimburse the Lessor or the Trustee for any such imposition so paid unless (a) prior to such payment, the Lessor or the Trustee shall have obtained the opinion of either of their respective counsel

that either the Lessor or the Trustee was liable to pay such imposition, or (b) unless the Lessee shall have approved the payment thereof.

In the event any reports with respect to impositions are required to be made on the basis of individual Units the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Trustee in such Units, if such is necessary or appropriate, or will notify the Lessor and the Trustee of such requirement and will make such reports in such manner as shall be satisfactory to the Lessor and the Trustee.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this Section 5, such liability shall continue, notwithstanding the termination of this Lease, until all such impositions are paid or reimbursed by the Lessee.

Section 6. *Payment for Casualty Occurrences.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed or damaged beyond economic repair, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (any such occurrence being hereinafter called a Casualty Occurrence) during the term of this Lease or until such Unit shall have been returned to the Lessor in the manner provided in Section 12 hereof, the Lessee shall, within 30 days after it shall have determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Trustee with respect thereto. On the rental payment date next succeeding such notice (or, at the option of the Lessee, in the event such rental date shall occur within 15 days after such notice, on the next succeeding rental payment date) the Lessee shall pay to the Lessor an amount equal to the accrued unpaid rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of such rental payment date in accordance with Schedule III hereto. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment and the terms of this Lease as to such Unit shall terminate. The Lessor shall, upon request of the Lessee, after payment by the Lessee of a sum equal to such accrued unpaid rental for and the Casualty Value of any Unit, execute and deliver to or upon the order of the Lessee a bill of sale (without warranties) for such Unit such as will transfer to the Lessee such title to such Unit as the Lessor and the Trustee derived from the Manufac-

turer free and clear of all liens, security interests and other encumbrances arising through the Lessor or the Trustee.

The Casualty Value of each Unit for any rental payment date shall be determined by multiplying the Cost (as defined in the Equipment Trust Agreement) of such Unit by the percentage set forth opposite the applicable rental payment date number in Schedule III hereto.

Except as hereinabove in this Section 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

Section 7. *Annual Reports.* On or before April 1 in each year, commencing with the year 1974, the Lessee will furnish to the Lessor and the Trustee, in such number of counterparts or copies as may reasonably be requested an accurate statement signed by an authorized representative, (i) showing, as of the preceding December 31, the amount, description and numbers of all Units that may have suffered a Casualty Occurrence, whether by accident or otherwise, during the preceding calendar year (or since the date of this Lease in the case of the first such statement), and such other information regarding the condition and state of repair of the Units as the Lessor or the Trustee may reasonably request, (ii) identifying the Units then subject to this Lease and (iii) stating that, in the case of all Units repaired or repainted during the period covered by such statement, the markings required by Section 4 hereof and Section 4.06 of the Equipment Trust Agreement have been preserved or replaced. The Lessor shall have the right, by its agents, but shall be under no obligation, to inspect the Units and the records of the Lessee with respect thereto at any reasonable time during the continuance of this Lease.

The Lessee shall in each year deliver to each holder of Trust Certificates (as defined in the Equipment Trust Agreement) after the end of the Lessee's fiscal year, in such number of copies as may reasonably be requested, its annual report, including audited financial statements of the Lessee for the fiscal period ended, as soon as it is completed and is available for distribution.

Section 8. *Disclaimer of Warranties; Compliance With Laws and Rules; Maintenance; Indemnification.* THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, OR AS TO THE SUITABILITY, ADEQUACY, OPERATION, USE OR PERFORMANCE OF, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN THE LESSOR AND THE LESSEE, ARE TO BE BORNE BY THE LESSEE; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name and for the account of the Lessor and/or the Lessee as their interests may appear, whatever claims and rights the Lessor may have against the Manufacturer of the Units or of the components thereof. The Lessor shall have no responsibility or liability under this Lease to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstance in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipatory profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee, the Lessor and the Trustee, that all Units described in a Certificate of Acceptance are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Trustee based on any of the foregoing matters.

The Lessor represents and warrants as follows:

(i) At the time of delivery of each Unit under this Lease, the Lessor shall have such title to such Unit as is derived from each Manufacturer and the Trustee, unimpaired by any act or omission of the Lessor or the Trustee which will in any manner prevent the performance of this Lease in accordance with its terms and, in addition,

such Unit shall be free and clear of all claims, liens, security interests and encumbrances, except those created or arising under the Equipment Trust Agreement, which may result from claims against the Lessor or the Trustee not arising out of the lease or ownership thereof which will prevent the performance of this Lease in accordance with its terms; and

(ii) So long as the Lessee shall not be in default under this Lease, the Lessor shall not do (or suffer to be done by any person claiming through or against the Lessor and not against the Lessee or any sublessee) any act which interferes with any and all rights of the Lessee to peaceably and quietly hold, possess and use the Units in accordance with the terms of this Lease.

The Lessor covenants that any sale, assignment, transfer, mortgage or other disposition which it may make of this Lease or of any Unit, whether prior or subsequent to delivery to the Lessee, shall be expressly subject to the terms and provisions of this Lease; *provided, however,* that this Lease shall be subordinated to the rights of the Trustee under the Equipment Trust Agreement but neither the Lessor nor the Trustee shall have the right to terminate or impair the Lessee's possession or use of the property subject to this Lease so long as the Lessee shall not be in default under this Lease; and, subject to the foregoing, covenants that the Lessor has not done and will not do (or suffer to be done by any person claiming through or against the Lessor) any act which interferes with or impairs (i) the Lessee's possession and use in accordance with the terms of this Lease of the Units or (ii) the title to the Units which may be transferred or conveyed to the Lessee under the provisions of Sections 6 and 19 of this Lease and that any title so conveyed shall then be free of any lien, claim, security interest or other encumbrance by or in favor of any person claiming by, through or under the Lessor.

The Lessor covenants and agrees not to alter, amend or modify the Equipment Trust Agreement or the Assignment of Lease and Agreement, pursuant to which this Lease is assigned to the Trustee, without the prior written consent of the Lessee.

The Lessee agrees, for the benefit of the Lessor and the Trustee, to comply in all respects with all laws of the jurisdiction in which operations involving any Unit subject to this Lease may extend, with the Interchange

Rules of the Association of American Railroads, if applicable, and with all lawful rules of any legislative, executive, administrative or judicial body or officer exercising any power or jurisdiction over any such Unit, to the extent such laws and rules affect the operations or use of such Unit; and the Lessee shall and does hereby indemnify the Lessor and the Trustee and agrees to hold the Lessor and the Trustee harmless from and against any and all liability that may arise from any infringement or violation of any such laws or rules by the Lessor or the Lessee, or their employees, or any other person. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws, regulations, requirements and rules, the Lessee agrees, at its own expense, to make such alterations, changes, additions and replacements and to use, maintain and operate such Unit in full compliance with such laws, regulations, requirements and rules so long as such Unit is subject to this Lease; *provided, however,* that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Trustee, adversely affect the property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair, reasonable wear and tear excepted.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit shall be considered accessions to such Unit (except such as can be removed without damage to and without impairing the originally intended function or use of such Unit and without cost or expense to the Lessor or the Trustee) and there shall be immediately vested in the Lessor and the Trustee the same interest in such accessions, parts or replacements as the interests of the Lessor and the Trustee in such Unit. The Lessee may make alterations or modifications to any Unit so long as they do not affect the value of such Unit adversely.

The Lessee agrees to indemnify and save harmless the Lessor and the Trustee against any charge or claim made against the Lessor or the Trustee and against any expense, loss or liability (including, but not limited to, strict

liability in tort, counsel fees and expenses, patent liabilities, penalties and interest, but excluding any liability under Section 14 hereof) which the Lessor or the Trustee may incur in any manner by reason of the ownership of, or which may arise in any manner out of or as the result of the ordering, acquisition, purchase, use, operation, condition, delivery, rejection, storage or return of, any Unit while subject to this Lease or until no longer in the possession of or stored by the Lessee, whichever is later, and to indemnify and save harmless the Lessor and the Trustee against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any Unit resulting in damage to property or injury or death to any person; *provided, however,* that the Lessee shall not be required to indemnify the Lessor or the Trustee under this paragraph for negligence on the part of the Lessor or the Trustee, *provided, further, however,* that the Lessor and the Trustee will not be deemed negligent as a result of any act or omission of the designer or any Manufacturer of the Units or as a result of any act or omission of the Lessee. The indemnities arising under this paragraph shall survive payment of all other obligations under this Lease or the termination of this Lease. Anything herein to the contrary notwithstanding, the Lessee shall not be obligated to indemnify under this paragraph in respect of any charge, claim, expense, loss or liability (except for patent liability) attributable to a Unit which shall have been returned to the Lessor pursuant to Section 10 or 12 hereof or after this Lease with respect to such Unit has otherwise terminated, *provided* that such charge, claim, expense, loss or liability is attributable to an event occurring after such Unit was so returned or this Lease with respect to such Unit terminated, and *provided, further,* that such charge, claim, expense, loss or liability does not arise as a result of mechanical defects of such Unit which existed at the time such Unit was so returned or this Lease with respect to such Unit terminated.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports known by the Lessee to be required to be filed by the Lessor, or requested by the Lessor to be filed, with any federal, state or other regulatory authority by reason of the interest of the Trustee and the Lessor in the Units or the leasing of the Units to the Lessee.

Section 9. *Default.* If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in Section 2 hereof and such default shall continue for 10 days; or

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease; or

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Consent (as defined in Section 13 hereof) and such default shall continue (and the Lessee shall not make effective provisions for curing such default) for 30 days after written notice to the Lessee specifying the default and demanding that the same be remedied; or

D. any proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganization, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Consent, as defined in Section 13 hereof), unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), and all the obligations of the Lessee under this Lease and the Consent shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all right of the Lessee to the use of the Units shall absolutely cease and determine as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have the right to recover from the Lessee any and all amounts which under the terms of this Lease may then be due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period), plus (i) as liquidated damages for loss of the bargain and not as a penalty, a sum with respect to each Unit subject to this Lease which represents the excess of (x) the present value at the time of such termination of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the net rentals which the Lessor reasonably estimates to be obtainable for the lease of the Unit during such periods, such present value to be computed in each case on a basis of 6% per annum discount compounded semi-annually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental; and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or Canada or any political subdivision thereof, in the reasonable opinion of the Lessor, will cause the Lessor's net after tax yield under this Lease to be equal to the net after tax yield that would have been available to the Lessor if it had been entitled to utilization of all or such portion of (x) the maximum depreciation deduction authorized with respect to a Unit under Section 167 of the Internal Revenue Code of 1954, as amended (hereinafter called the Code) utilizing the "asset guideline period" of 15 years for the Units prescribed in accordance with Section 167(m) of

said Code, for an asset described in Asset Guideline Class No. 00.25 as described in Revenue Procedure 72-10, 1972-1 C.B. 721 taking into account an estimated salvage value of 10% of the Cost (as defined in the Equipment Trust Agreement) of such Unit as reduced by 10% as provided in Section 167(f) of the Code, (hereinafter called the Depreciation Deduction), and (y) the deductions in each taxable year of the Lessor for all interest paid during such year on the Trust Certificates (as defined in the Equipment Trust Agreement) computed in accordance with Section 163 of the Code (hereinafter called the Interest Deduction), which was lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit as a result of a breach of one or more of the representations, warranties and covenants made by the Lessee in Section 14 or any other provision of this Lease, the termination of this Lease, the Lessor's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default. Notwithstanding anything to the contrary contained in this clause (b), it is understood and agreed that the Lessee shall receive a credit in respect of the amounts payable or paid pursuant to subclause (i) of this clause (b) equal to any net proceeds received by the Lessor upon the sale or the releasing of the Units to the extent that such net proceeds as actually received exceed the amount calculated as provided in said subclause (i)(y). It is further understood and agreed that the Lessee shall pay the Lessor, in addition to the amounts payable or paid pursuant to subclause (i) of this clause (b), an amount equal to the excess of the amount in subclause (i)(y) over the total net proceeds received by the Lessor upon the sale or releasing of the Units.

Anything in this Section 9 to the contrary notwithstanding, any default in the observance or performance of any covenant, condition or agreement on the part of the Lessee which results solely in the loss by the Lessor of, or the loss by the Lessor of the right to claim, or the disallowance with respect to the Lessor of, all or any portion of the above-mentioned deductions, credits or other benefits, shall be, for all purposes of this Lease, deemed to be cured if the Lessee shall, on or before the next rental payment date after written notice from the Lessor of the loss, or the loss of the right to claim, or the disallowance of such deductions, credits or other benefits in respect of such Unit, agree to pay to the Lessor the revised rental rate in respect of such

Units determined as provided in the second paragraph of Section 14 of this Lease.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

Section 10. *Return of Units Upon Default.* If the Lease shall terminate pursuant to Section 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor may reasonably designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until the earlier of the date all such Units have been sold, leased or otherwise disposed of by the Lessor and the 270th day from the day the Lessee shall have placed the Units on such storage tracks, and

C. transport the same to any place on the tracks of the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage

period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; *provided, however,* that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be at the time in possession of such Unit. In connection therewith the Lessee will supply the Lessor with such documents as the Lessor may reasonably request.

Section 11. *Assignment; Possession and Use.* This Lease and the rentals and other sums due hereunder shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder shall inure to the benefit of any Beneficiary of the Lessor if the Lessor is a trust, *subject, however,* to the terms of such trust, and to the Lessor's assigns (including any beneficiary of any such assignee if such assignee is a trust).

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them (except to the extent that the provisions of any mortgage now or hereafter created on any of the lines of railroad of the Lessee may subject the Lessee's leasehold interest to the lien thereof). In addition, the Lessee, at its own expense, will promptly cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Trustee not related to the ownership of the Units or to the extent that the provisions of any mortgage now or hereafter created on any of the lines of railroad of the Lessee may subject the Lessee's leasehold interest to the lien thereof) which may at any time be imposed on or with respect to any Unit including

any accession thereto or the interests of the Lessor, the Trustee or Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or by any affiliated or subsidiary corporation upon its or their lines of railroad or upon lines of railroad over which the Lessee or such other corporation has trackage or other operating rights or over which railroad equipment of the Lessee or any such other corporation is regularly operated pursuant to contract, and also to permit the use of the Units upon other railroads in the usual interchange of traffic (if such interchange is customary at the time), but only upon and subject to all the terms and conditions of this Lease and the Equipment Trust Agreement.

Nothing in this Section 11 shall be deemed to restrict the right of the Lessee (i) to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of Canada (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become amalgamated, merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety; or (ii) to sublease any Unit to any subsidiary or affiliated corporations of the Lessee; *provided, however,* that the rights of such sublessee are made expressly subordinate to the rights and remedies of the Trustee under the Equipment Trust Agreement and the Lessor under this Lease.

The Lessor shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Lease.

Section 12. *Return of Units Upon Termination of Term.* As soon as practicable on or after the termination of this Lease (other than pursuant to Section 9 hereof) as to any or all of the Units, the Lessee will (unless the Units shall have suffered a Casualty Occurrence), at its own cost and expense, at the request of the Lessor, assemble such Units and deliver possession of such Units to the Lessor upon such storage tracks of the Lessee as the Lessor may reasonably designate and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport

the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as directed by the Lessor upon not less than 30 days' written notice to the Lessee; the movement and storage of the Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; *provided, however,* that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If any Unit shall have suffered a Casualty Occurrence, the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof. Each Unit returned to Lessor pursuant to this Section (other than a Unit which has suffered a Casualty Occurrence) shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted and (ii) meet the standards then in effect under the interchange rules of the Association of American Railroads and the United States Federal Railroad Administration if applicable and the Canadian Transport Commission.

Section 13. *Opinion of Counsel for the Lessee.* On each Closing Date as defined in each Manufacturing Agreement for Units subject to this Lease, the Lessee will deliver to the Lessor and the Trustee the written opinion of counsel for the Lessee, in such number of counterparts as may reasonably be requested, and addressed to the Lessor and the Trustee, in scope and substance satisfactory to them and their counsel, to the effect that:

A. the Lessee is a corporation legally incorporated and validly existing in good standing, under the laws of Canada, with full corporate power to enter into this lease and the consent and agreement dated as of the date hereof executed by the Lessee (hereinafter called the Consent)

to the assignment of this Lease to the Trustee (hereinafter called the Assignment);

B. this Lease and the Consent have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements, enforceable in accordance with their terms;

C. upon deposit of the Equipment Trust Agreement, this Lease and the Assignment (including the Consent) in the office of the Registrar General of Canada and, upon publication of notice of such deposit in the *Canada Gazette* in accordance with Section 86 of the Railway Act of Canada, no further act, filing, recording or deposit (or giving of notice) is required in order fully to protect in Canada or any Province or Territory thereof the rights of the Lessor under this Lease against any and all subsequent purchasers or mortgagees from the Lessee and/or from creditors of the Lessee;

D. no approval is required from any public regulatory body with respect to the entering into or performance of this Lease or the Consent, or all such approvals (which shall be specifically described) have been obtained; and

E. the entering into and performance of this Lease and the Consent will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound or contravene any provision of law, statute, rule or regulation to which the Lessee is subject or any judgment, decree, franchise, order or permit applicable to the Lessee.

The Lessee also agrees to furnish to the Lessor and the Trustee a copy, certified by the Secretary or an Assistant Secretary of the Lessee, of resolutions of the Board of Directors of the Lessee authorizing the Lessee to enter into this Lease and the Consent.

The Lessor agrees to furnish to the Lessee signed copies, addressed to the Lessee, of the opinion of counsel referred to in Paragraph 5(b) of the Purchase Agreement, which opinion shall in addition state that the Lessor is a banking corporation duly organized, validly existing and in good standing, under the laws of the State of California with full corporate power to enter into this Lease, each Manufacturing Agreement, the Equipment Trust

Agreement and the Assignment, and of the opinion of counsel for the Manufacturer referred to in Section 3.04 (d) of the Equipment Trust Agreement.

Section 14. *Indemnity in Respect of Tax Matters.* This Lease, the Equipment Trust Agreement and each Manufacturing Agreement have been entered into on the basis that the Lessor shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code) to an owner of property including, (without limitation) an allowance for the Depreciation Deduction and the Interest Deduction (both as defined in Section 9 of this Lease).

With respect to any Unit, if (other than for the reasons set forth below) the Lessor shall lose or shall not have or shall lose the right to claim, or if (other than for the reasons set forth below) there shall be disallowed with respect to the Lessor all or any portion of the Interest Deduction or the Depreciation Deduction with respect to a Unit in computing taxable income under one of the accelerated methods of depreciation provided in Section 167(b) of the Code for the period this Lease is in effect, then, after written notice thereof to the Lessee by the Lessor, the rental rate applicable to such Unit set forth in Section 2 of this Lease shall be increased by an amount for such Unit which, in the reasonable opinion of the Lessor, will cause the Lessor's net after tax yield in respect of such Unit under this Lease to equal the net after tax yield that would have been available if the Lessor had been entitled to utilization of all or such portion of the Interest Deduction or Depreciation Deduction which was not claimed or was disallowed and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest or penalty which may be assessed by the United States against the Lessor attributable to the loss of all or any portion of the Interest Deduction or Depreciation Deduction, *provided, however,* that such rental rate shall not be so increased nor shall the Lessee be obliged to the Lessor for such interest or penalty if the Lessor shall have lost, or shall not have or shall have lost the right to claim, or if there shall have been disallowed with respect to the Lessor all or any portion of the Interest Deduction or

Depreciation Deduction with respect to such Unit as a direct result of the occurrence of any of the following events:

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Lessor the amounts stipulated under Section 6 hereof;

(ii) a transfer by the Lessor of legal title to such Unit, the disposition by the Lessor of any interest in such Unit or the reduction by the Lessor of its interest in the rentals from such Unit under the Lease (other than as contemplated by the Equipment Trust Agreement) unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the amendment of the Equipment Trust Agreement without the prior written consent of the Lessee;

(iv) the failure of the Lessor to claim the Depreciation Deduction or the Interest Deduction in its income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming the Depreciation Deduction or the Interest Deduction with respect to such Unit; or

(v) the failure of the Lessor to have sufficient income to benefit from the Depreciation Deduction or the Interest Deduction, as applicable.

The Lessor agrees that if, in the opinion of its or the Lessee's independent tax counsel (herein referred to as Counsel), a bona fide claim to all or a portion of the Depreciation Deduction or the Interest Deduction on any Unit, exists in respect of which the Lessee is required to pay increased rental and interest and/or penalty as aforesaid to the Lessor as above provided, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by Counsel in order to sustain such claim. The Lessor may take such action prior to making payment of the amounts claimed pursuant to a notice of disallowance or make such payment and then sue for a refund. In the latter event, if the final determination shall be adverse to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax paid attributable to the Depreciation Deduction and/or the Interest Deduction disallowed, at a rate per annum equal to the prime rate of the First Western Bank and Trust

Company in effect on the date of such final determination, from the date of payment of such tax to the date the Lessee shall reimburse the Lessor for such tax in accordance with the provisions of this Section 14. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have agreed in writing to indemnify the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested.

Notwithstanding any provision herein to the contrary, if any Canadian governmental authority, dominion or provincial, shall withhold or cause to be withheld from any rental payment made under Section 2 of this Lease or any additional rental payment or other payment made under this Section 14 or Section 18 hereof any amounts in respect of taxes (hereinafter called "withholding taxes"), the following provisions will apply:

A. The Lessee will, on the date when such payment is made, pay to the Lessor as additional rental a sum sufficient to cause the Lessor to receive an amount equivalent to the amount the Lessor would have received had no withholding taxes been withheld.

B. The Lessee will pay such withholding taxes and will forthwith furnish to the Lessor all tax receipts obtainable by the Lessee in connection therewith and all information and documents necessary or appropriate to enable the Lessor to substantiate a claim for credit or deduction for U. S. federal or any other income tax purposes with respect thereto.

C. Upon receipt by the Lessor of (i) such tax receipts and other information and documents and (ii) the benefit of any reduction in the federal or any other income tax liability as determined by the Lessor in its sole discretion, resulting from the crediting or deducting of such withholding taxes in the computation of such tax, the Lessor will forthwith reimburse the Lessee an amount so that the Lessor shall be in the same position it would have been if such withholding taxes had not been imposed. It is agreed that such determination may be revised and the Lessee will make an appropriate adjustment with the Lessor after any disallowance of such credit or deduction upon audit by the U. S. Internal Revenue Service. The obligation of the Lessee under this Subparagraph C will survive the termination of this Lease.

The Lessee's agreement to pay any sums which may become payable pursuant to this Section 14 shall survive the expiration or other termination of this Lease.

The Lessee represents and warrants that at the time the Lessor becomes the owner of the Units, such Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 167(c) (2) of the Code from commencing with the Lessor.

Section 15. *Recording; Expenses.* Prior to the delivery and acceptance of any Unit, the Lessor will, at its own expense, cause the Equipment Trust Agreement, Lease and the Assignment (including the Consent) to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and deposited with the Registrar General of Canada (notice of such deposit to be forthwith thereafter given in the *Canada Gazette*) pursuant to Section 86 of the Railway Act of Canada. The Lessor will, at its own expense, from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law and reasonably requested by the Trustee, for the purpose of proper protection, to the satisfaction of the Trustee, of the Lessor's and the Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Assignment, the Consent and the Equipment Trust Agreement. The Lessor will promptly furnish to the Trustee evidence of all such filing, registering, recording, depositing, refiling, reregistering, rerecording and/or redepositing and an opinion or opinions of counsel with respect thereto satisfactory to the Lessor and the Trustee.

The Lessor will pay the reasonable costs and expenses involved in the preparation and printing of this Lease and the fees and disbursements of any counsel which it may retain, unless such costs, expenses, fees and disbursements are paid by some other person. The Lessee will bear the fees and disbursements of any counsel which it may retain.

Section 16. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 9¼% per annum com-

pounded semiannually of the overdue rentals for the period of time during which they are overdue.

Section 17. *Termination.* In the event that all of the Units shall have been excluded from this Lease as provided in Section 1 hereof, this Lease shall terminate and, except as otherwise expressly provided in the Lease, the rights and obligations hereunder of the parties hereto shall cease and determine as if the Lease had never been made.

Section 18. *Additional Payments by Lessee.* In addition to the rentals specified in Section 2 hereof:

(a) The Lessee agrees to pay to the Lessor on the Business Day (as defined in the Equipment Trust Agreement) next preceding the Cut-Off Date (as defined in the Equipment Trust Agreement), an amount equal to the rental payment payable by the Lessor to the Trustee on the Cut-Off Date under Section 4.04(3) (a) and (c) of the Equipment Trust Agreement [if under (c) the Lessor has not received such rental payment from the Lessee on the date when such payment is due and payable] in respect of interest payable on the Long Term Trust Certificates (as defined in the Equipment Trust Agreement) issued under the Equipment Trust Agreement.

(b) The Lessee agrees to pay to the Lessor on the Business Day next preceding March 1, 1974, interest at the rate of 8¼% per annum on that portion of the proceeds of the Long Term Trust Certificates as are applied under Section 3.02 of the Equipment Trust Agreement from the respective Closing Dates under the Purchase Agreement (as defined in the Equipment Trust Agreement) until the respective dates such proceeds are applied under Section 3.02 of the Equipment Trust Agreement.

(c) The Lessee agrees to pay to the Lessor promptly amounts equal to any rental payments which may become payable by the Lessor to the Trustee on or before the Cut-Off Date, under Section 4.04 (1) of the Equipment Trust Agreement in respect of (i) any expenses incurred in connection with any purchase, sale or redemption by the Trustee of Investments (as defined in the Equipment Trust Agreement), and (ii) any loss of principal (including interest accrued thereon at the time of purchase) incurred in connection therewith.

(d) The Lessee agrees to pay to the Lessor on the Business Day next preceding the dates of issuance of Long Term Trust Certificates pursuant to Section 2.01 of the Equipment Trust Agreement, an amount equal to the rental payment payable by the Lessor to the Trustee on or before such Closing Dates, under Section 4.04(3) (b) and (c) of the Equipment Trust Agreement [to the extent under (c) that the Lessee is responsible for such delay] in respect of interest payable on such Closing Dates on the Interim Trust Certificates (as defined in the Equipment Trust Agreement) issued under the Equipment Trust Agreement.

(e) It is understood and agreed that the Trustee is obligated under the last paragraph of Section 8.04 of the Equipment Trust Agreement to pay to the Lessee on or before the Investment Payment Date (as defined in the Equipment Trust Agreement) any interest in excess of accrued interest paid from Deposited Cash (held under the Equipment Trust Agreement at the time of purchase) or other profit which may be realized from any sale or redemption of Investments.

Section 19. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease or any extended term hereof, as the case may be, elect (a) to purchase some or all, the Units covered by this Lease at the end of such term or such extended term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term or such extended term and/or (b) to extend the term of this Lease in respect of all, but not fewer than all, of such Units then covered by this Lease not purchased pursuant to clause (a), for one additional five-year period commencing on the scheduled expiration of the original term of this Lease, and (c) to extend the extended term of this Lease in respect of all but not fewer than all of such Units then covered by this Lease not purchased pursuant to clause (a) for one additional five-year period commencing on the scheduled expiration of such extended term, *provided* that no such extended term shall extend beyond ten years from the date of expiration of the original term of this Lease, at a rental equal to the "Fair Rental Value" of such Units, payable in arrears in 10 semi-annual payments for each five-year period; such semi-annual payments to be made on March 1 and September 1 of each year of the applicable extended term.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

Fair Rental Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee-user (other than a lessee-user currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or the Fair Rental Value of the relevant Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fee of the Appraiser shall be borne equally by the Lessor and the Lessee. Upon payment of the purchase price, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without warranties) for such Unit such as will transfer to the Lessee such title to such Unit as the Lessor and the Trustee derived from the Manufacturer free and clear of all liens, security interests and other encumbrances arising through the Lessor or the Trustee.

Section 20. *Mileage Allowance; Subrogation; Further Assurance.* Provided the Lessee is not in default hereunder, the Lessee shall be entitled to (i) all mileage allowances and other moneys payable by reason of the use of the Units, and any such mileage allowances or other moneys received by the

Lessor shall be forthwith remitted to the Lessee, and (ii) the proceeds of any claim or right of the Lessor or the Lessee against third persons for injury, damage or loss with respect to any Unit or the use or operation thereof, including settlements pursuant to the rules of the Association of American Railroads, and the Lessee shall be subrogated to the extent of the Lessee's interest to all the Lessor's rights of recovery therefor against any other person, firm or corporation. The Lessor hereby authorizes the Lessee to make settlement of, receive payment and receipt for any and all such claims on behalf of the Lessor, and the Lessor agrees to execute and deliver from time to time such instruments and do such other acts and things as may be necessary or appropriate more fully to evidence the Lessee's authority and/or to vest in the Lessee such proceeds to the extent of the Lessee's interest therein or to effect such subrogation; and in the event of any loss, damage or destruction in respect of which the Lessee is entitled to proceeds or subrogation as aforesaid, the Lessor shall refrain from doing any act or executing any instrument which would prejudice the right of the Lessee to such proceeds or to such subrogation.

The Lessee covenants and agrees from time to time at its expense to do all acts and execute all such instruments of further assurance as it shall be reasonably requested by the Lessor to do or execute for the purpose of fully carrying out and effectuating this Lease and the intent hereof.

Section 21. *Execution.* Although this Lease is dated as of September 1, 1973 for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

Section 22. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of California; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act of the United States, the applicable recording laws of Canada and of the Provinces or Territories thereof and such additional rights arising out of the filing, recording or depositing hereof and of any assignment hereof or out of the marking on the Units as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited or in which any Unit may be located.

Section 23. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when

deposited in the United States or Canadian registered mails, first-class postage prepaid, addressed as follows:

If to the Lessor, 235 Montgomery Street, San Francisco, California 94104 with a copy to Halsey, Stuart & Co., Inc., 123 South La Salle Street, Chicago, Illinois 60690;

If to the Lessee, P.O. Box 8100, Montreal 101, Quebec, Canada, attention of the Treasurer;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

Section 24. *Definitions.* Whenever the term "Lessor" is used in this Lease it shall include the Beneficiary (or, if more than one, the Beneficiaries) and any assignee and, where the context so requires (including but not limited to certain of the provisions of Section 9 and all of the provisions of Section 14 hereof), shall refer only to the Beneficiary (or Beneficiaries) or such assignee. If and so long as this Lease is assigned to the Trustee (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall also apply and refer to the Trustee and any successors thereto (with the exception of certain tax provisions of Section 9 and Section 14 hereof) unless the context shall otherwise require and except that the Trustee shall not be subject to any liabilities or obligations under this Lease; and the fact that the Trustee is specifically named in certain provisions shall not be construed to mean that the Trustee (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named or where only the Trustee, as the case may be, is named.

Section 25. *Severability.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or

conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

Section 26. *No Recourse.* No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Lessor or the Lessee, or against any principal or principals (disclosed or undisclosed), as such of the Lessor or assignee or assignees or transferee or transferees, as such, of the Lessor if the Lessor is acting in an agency or nominee capacity, or against any Beneficiary, as such, in respect of which the Lessor may be acting as trustee, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, assignees, transferees, principals or Beneficiaries as such, being forever released as a condition of and as consideration for the execution of this Lease.

Section 27. *Counterpart Execution.* This Lease may be executed in several counterparts, but the counterpart delivered to the Trustee shall be deemed to be the original counterpart.

IN WITNESS WHEREOF, the Lessor and the Lessee, each pursuant to due corporate authority, have caused this instrument to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
