Each of

(ELECTRO-MOTIVE DIVISION), and
PACCAR Inc

9-3/8% Conditional Sale Indebtedness Due April 1, 1992

CONDITIONAL SALE AGREEMENT dated as of June 15, 1976, between each of the corporations named in Item 1 of Annex A hereto (the foregoing corporations being hereinafter called collectively the Builders or severally the Builder or collectively or severally the Vendor, as the context may require, all as more particularly set forth in Article 1 hereof), and EXCHANGE NATIONAL BANK OF CHICAGO (hereinafter called the Vendee), acting as Trustee under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with the Party Named in Schedule A to the Trust Agreement (hereinafter called the Beneficiary).

WHEREAS the Builders severally agree to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment);

WHEREAS the Vendee is entering into a lease dated as of the date hereof with Louisiana & Arkansas Railway Company (hereinafter called the Lessee) in substantially the form annexed hereto as Annex C (hereinafter called the Lease);

WHEREAS the Lessee and the Vendee are entering into an Indemnity Agreement dated as of the date hereof in substantially the form annexed hereto as Annex D (hereinafter called the Indemnity Agreement), pursuant to which the Lessee makes certain representations and warranties and agrees to indemnify the Vendee and the Beneficiary under certain circumstances for the unavailability or loss of certain tax benefits;

WHEREAS The Kansas City Southern Railway Company (hereinafter called the Guarantor) is entering into a Guaranty Agreement dated as of the date hereof with the Vendee in substantially the form annexed hereto as Annex E (hereinafter called the Guaranty), pursuant to which the Guarantor shall guarantee the obligations of the Lessee under the Lease and the Indemnity Agreement; and

WHEREAS American National Bank and Trust Company of Chicago (hereinafter sometimes called the Assignee or the Vendor) is acting as agent for an investor pursuant to

the Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement), among the Assignee, the Lessee, the Vendee, the Beneficiary and the investor named in Schedule B thereto (hereinafter called the Investor).

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties hereto contemplate that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined) for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Purchase Price shall be paid to the Builders by the Assignee pursuant to an Agreement and Assignment dated as of the date hereof between each Builder and the Assignee, as agent (such Agreement and Assignment being hereinafter called the Assignment).

The term "Vendor", whenever used in this Agreement, means, before any assignment of their rights hereunder, the respective corporations named in Item 1 of Annex A hereto and any successor or successors for the time being to their respective manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the respective corporations (as to the units of Equipment to be constructed by such corporation and sold hereunder) named in item 1 of Annex A hereto and any successor or successors for the time being to their respective manufacturing properties and business.

In case of such assignment, the Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all right, title, and interest of the Vendee in and to the Lease and the Guaranty, pursuant to an Assignment of Lease and Agreement in the form of Annex F hereto (hereinafter called the Lease Assignment).

The rights and obligations of the Builders under this Agreement are several in accordance with their interests and not joint. Accordingly, whenever this Agreement, by the use of such designation as "the Vendor", "such Builder" or other similar term, confers a right or imposes an obligation upon any corporation named in Item 1 of Annex A hereto or its successors, such right or obligation shall be construed to accrue to or to be enforceable against only the specific corporation furnishing the units of Equipment giving rise to such right or obligation and its successors as herein provided.

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, each Builder shall construct the units of Equipment to be constructed by it as described in Annex B hereto (such Equipment with respect to each Builder being hereinafter sometimes called its Equipment) at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from such Builder and accept delivery of and pay for (as hereinafter provided), such Equipment, each unit of which shall be constructed in accordance with the specifications referred to therefor in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between such Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications and to all standards, if any, recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such unit, and each such unit will be new railroad equipment.

ARTICLE 3. Inspection and Delivery. Each Builder will deliver the units of its Equipment to the Vendee at the place or places specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto; provided, however, that delivery of any unit of the Equipment shall not be made until this Agreement, the Lease, the Assignment and the Lease Assignment have been filed pursuant to Section 20c of the Interstate Commerce Act; and provided, further, that no Builder shall have any

obligation to deliver any unit of its Equipment hereunder (i) unless such Builder is simultaneously paid the Purchase Price (as hereinafter defined) thereof or (ii) subsequent to the commencement of any proceedings specified in clauses (c) or (d) of Article 15 hereof or the occurrence of any event of default (as described in Article 15 hereof), or event which, with the lapse of time and/or demand, could constitute such an event of default. Each Builder agrees not to deliver any unit of its Equipment hereunder following receipt of written notice from the Vendee or the Assignee of the commencement of any such proceedings or the occurrence of any such event, as aforesaid.

Any unit of Equipment not delivered at the time of receipt by the Builder thereof of the notice specified in the second sentence of the first paragraph of this Article 3 and any unit of Equipment not delivered and accepted hereunder on or prior to December 15, 1976, by reason of failure of condition as provided in the next preceding paragraph or causes set forth in the next succeeding paragraph or otherwise shall be excluded from this Agreement and the Vendee shall be relieved of its obligation to purchase and pay for such unit of Equipment. If any unit of Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the Vendee and the Builder of such unit of Equipment shall execute an agreement supplemental hereto limiting this Agreement to the unit of Equipment not so excluded herefrom. Pursuant to the Participation Agreement the Lessee has agreed to purchase such excluded Equipment and any Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof from the Builder of such unit of Equipment as provided in Paragraph 1 of the Participation Agreement.

Each Builder's obligation as to the time of delivery set forth in Schedule B is subject, however, to delays resulting from causes beyond such Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the

Lessee and each Builder shall grant to such authorized inspectors reasonable access to its plant. Each Builder agrees to inspect the materials used in the construction of its Equipment in accordance with the standard quality control practices of such Builder. Upon completion of each unit or a number of units of the Equipment, such unit or units shall be presented to an inspector or inspectors of the Vendee and the Lessee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or inspectors or an authorized representative of the Vendee (who may be an employee of the Lessee) and the Lessee shall execute and deliver to the Builder thereof a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee and the Lessee and are marked in accordance with Article 9 hereof; provided, however, that such Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

On delivery and acceptance of each such unit hereunder at the place specified for delivery, the Builder thereof shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; provided, however, that such Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

Notwithstanding the foregoing or any other provision of this Agreement to the contrary, the delivery to and acceptance by or on behalf of the Vendee of any unit of Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof shall be ineffective, ab initio, to create in or transfer to the Vendee any legal or beneficial right or interest in such unit or (except as provided in the first paragraph of Article 4 hereof) to impose on the Vendee any liability, obligation or responsibility with respect thereto; any right or interest in any such unit created in or transferred to or purported to be created in or transferred to, the Vendee shall be held by the Vendee solely as trustee for the benefit of the Lessee.

ARTICLE 4. Purchase Price and Payment. The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder thereof, the Vendee and the Lessee. The term "Purchase

Price" as used herein shall mean the base price or prices per unit of the Equipment as so increased or decreased as set forth in the appropriate Builder's invoice or invoices delivered to the Vendee and, if the Purchase Price is other than the base price or prices set forth in Annex B, the invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee (such invoice or invoices being hereinafter called the Invoices). If on a Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of Equipment for which settlement is then being made under this Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price for such Equipment specified in Item 5(a) or Item 5(b) of Annex A hereto (or such higher amount as the Vendee may at its option agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder of such Equipment (and any assignee of such Builder) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than the Maximum Purchase Price specified in Item 5(a) or Item 5(b) of Annex A hereto (or such higher amount as aforesaid) and the Vendee shall take such other steps, including the execution of instruments of transfer, as may be reasonably requested by the Lessee for the purpose of acknowledging and perfecting the interest of the Lessee in any unit of Equipment so excluded from this Agreement, and the Vendee shall have no further obligation or liability in respect of units so excluded.

The Equipment of each Builder shall be settled for in one group delivered to and accepted by the Vendee as is provided in Item 2 of Annex A hereto. The term "Closing Date" with respect to the Equipment of each Builder shall mean such date (not earlier than August 19, 1976, and not later than December 15, 1976, such later date being herein called the Cut-Off Date), on which (i) the Equipment of such Builder is delivered to and accepted by the Vendee and (ii) such Builder presents to the Vendee the Invoices and the Certificate or Certificates of Acceptance for such Equipment. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, New York, or Chicago, Illinois, are authorized or obligated to remain closed.

Subject to the satisfaction of the conditions set forth in Paragraph 8 of the Participation Agreement (the payment by the Vendee of the amount payable under subparagraph (a) of this paragraph being deemed, as between the Vendee and the Vendor, conclusive evidence of such satisfaction) and the other conditions of this Article 4, the Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) on each Closing Date (i) an amount equal to 38% of the aggregate Purchase Price of such Equipment plus (ii) the amount, if any, by which (x) 62% of the Purchase Price of such Equipment and any Equipment previously settled for pursuant to this Agreement, as set forth in the Invoice or Invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) the Maximum Conditional Sale Indebtedness for such Equipment and any Equipment previously settled for pursuant to this Agreement specified in Items 6(a) and 6(b) of Annex A hereto and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices for such Equipment pursuant to this clause (ii); and

(b) in 30 semiannual instalments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (herein called the Conditional Sale Indebtedness) shall be payable on each April 1 and October 1, commencing October 1, 1977, to and including April 1, 1992 (or if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date on which such indebtedness was incurred at the rate of 9-3/8% per annum and said interest shall be payable, to the extent accrued, in addition to the Payment Dates, on October 1, 1976, and April 1, 1977. The instalments of principal payable on each Payment Date shall be calculated so that the amount and allocation of principal and interest payable on each Payment Date shall be

substantially in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Schedule I hereto and the aggregate of such instalments of principal will completely amortize the Conditional Sale Indebtedness. The Vendee will furnish to the Vendor and the Lessee promptly after the last Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof at the rate of 10-3/8% per annum.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 7 hereof, the Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The obligation of the Vendee to pay to the Vendor the amount required to be paid pursuant to subparagraph (a) of the third paragraph of this Article 4 with respect to the Equipment of each Builder shall be subject to the receipt by the Vendee of the documents required to be furnished by such Builder pursuant to Section 4 of the Assignment.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 15 and 16 hereof), but not limiting the effect of Article 21 hereof, it is understood and agreed by the Vendor that the liability of the Vendee or any assignee of the Vendee and the Beneficiary for all payments to be made by it under and pursuant to this Agreement, including any liability arising out of or in connection with the performance of its obligations hereunder and excluding only the obligations set forth in the proviso in the third paragraph of Article 12 hereof and the payments to be made pursuant to subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable

only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee or any assignee of the Vendee shall have actually received sufficient "income and proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that the Vendee and the Beneficiary shall have no personal liability to make any payments under this Agreement or any other agreement whatsoever except from the "income and proceeds from the Equipment". In addition, the Vendor agrees that the Vendee and the Beneficiary (i) make no representation or warranty, and are not responsible for, the execution, validity, sufficiency or enforceability of the Lease in so far as it relates to the Lessee (or any document relative thereto) or of any of the Lessee's obligations thereunder and (ii) shall not be responsible for the performance or observance by the Lessee or the Guarantor of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease or the Guaranty; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment and to the Vendor's rights under the Guaranty against the Guarantor. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 15 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee or any assignee of the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease or the Guaranty and any and all other payments received under § 10 or any other provision of the Lease or the Guaranty and (b) any and all payments or proceeds received for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee or any assignee of the Vendee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date such amounts were required to be paid pursuant to the Lease or as shall equal

any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) received by the Vendee or any assignee of the Vendee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Vendee or any assignee of the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease. Notwithstanding anything to the contrary contained in Article 15 or 16 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph. Nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment for the full unpaid Purchase Price of the Equipment and accrued interest thereon and all other payments and obligations hereunder.

ARTICLE 5. Security Interest in the Equipment.

The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with accrued interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment releasing its

security interest therein to the Vendee or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 20 hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than gross receipts taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes], taxes measured by net income, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which such impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Vendor solely by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however,

that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved in writing the payment thereof.

ARTICLE 7. Maintenance; Casualty Occurrences.

The Vendee shall, at its own cost and expense, maintain and keep each unit of the Equipment in good operating order, repair and condition.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever (including obsolescence), or taken or requisitioned by condemnation or otherwise by the United States Government for a period which shall exceed the remaining term of the Lease, or by any other governmental entity, resulting in loss of possession by the Lessee for a period of 90 consecutive days (such occurrences being herein called Casualty Occurrences), the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence cause the Vendor to be fully informed in regard thereto. On the next succeeding date for the payment of interest on the Conditional Sale Indebtedness (hereinafter called a Casualty Payment Date), but not earlier than April 1, 1977, the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied (after the payment of the interest and principal due on such date) to prepay without penalty or premium, ratably in accordance with the unpaid balance of each instalment, the Conditional

Sale Indebtedness and the Vendee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Assignee may request. In the event of the requisition for use by the United States Government of any unit of the Equipment not constituting a Casualty Occurrence, all of the Vendee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Equipment.

If the Vendor shall receive any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon reasonable proof satisfactory to

the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. Reports and Inspections. On or before April 30 in each year, commencing with the year 1977, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment then subject to this Agreement, the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 9 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Lessee's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 9. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with the road number of the Lessee as set forth in Annex B hereto, or, in the case of Equipment not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one-half inch in height, the words "Ownership subject to a Security Agreement filed under the Interstate Commerce Act, Section 20c", "Owned by a Bank or Trust Company under a Security Agreement Filed under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's interest in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be

changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

ARTICLE 10. Compliance with Laws and Rules. Subject to the provisions of Article 21 hereof, during the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or modification of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor, it being understood and agreed that such consent shall not be unreasonably withheld.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interests in the Lease and the payments to be made thereunder equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of such liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The foregoing provisions of this Article 12 shall be subject to the limitations set forth in the last paragraph of Article 4 hereof and the provisions of Article 21 hereof; provided, however, that the Vendee will pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Vendee or its successors or assigns, not arising out of the transactions contemplated hereby (but including tax liens arising out of the receipt of the income and proceeds from the Equip-

ment), equal or superior to the Vendor's security interest therein, which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder, but the Vendee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder.

ARTICLE 13. Indemnities, Warranties and Representations. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of title to or a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident, in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, in the case of each Builder, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by such Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder (except as provided in Article 21 hereof) in the event of, any damage to or the destruction or loss of

any unit of or all the Equipment.

Each Builder represents and warrants to the Vendee that, at the time of delivery and acceptance of each unit of its Equipment under this Agreement, the Vendee will have good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendor under this Agreement and the rights of the Lessee under the Lease.

Each Builder represents that it is not entering into the Conditional Sale Agreement, or into any other transaction contemplated by the Participation Agreement, directly or indirectly in connection with any arrangement or understanding in any way involving any employee benefit plan (other than a governmental plan) with respect to which it, or, in so far as is known to it, any Beneficiary, the Lessee, the Investor or the Vendee in its individual capacity is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974.

The agreement of the parties relating to each Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification are set forth in Items 3 and 4 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee will not except as provided in Article 11 hereof, transfer the right to possession of any unit of the Equipment.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve either Builder from, any of the obligations of such Builder to construct and deliver its Equipment in accordance herewith or to respond to its warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its obligations to each Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee and the

Lessee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of either Builder with respect to its Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by either Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builders or either of them, as the case may be.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) and such default shall continue for ten business days after the date such payment is due and payable; or

(b) the Vendee (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) or the Lessee shall, for more than 30 days after the Vendor shall have demanded in writing to the Vendee performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee or the Guarantor and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Lease or the Guarantor under the Guaranty shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(d) any other proceeding shall be commenced by or against the Vendee, the Lessee or the Guarantor for any relief which includes, or might result in, any modification of the obligations of the Vendee hereunder, of the Lessee under the Lease or of the Guarantor under the Guaranty under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee under this Agreement, of the Lessee under the Lease or of the Guarantor under the

Guaranty shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Vendee, the Lessee or the Guarantor, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(e) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(f) an Event of Default shall have occurred under the Lease; provided, however, that an Event of Default under § 10(A) of the Lease shall not be deemed to be an event of default hereunder if such default under the Lease causing such Event of Default thereunder is cured by the Vendee's remedying such default within 30 days after receipt by the Vendee and the Beneficiary of notice of such default;

or under the Lease

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate (and the Vendee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest

Guaranty shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Vendee, the Lessee or the Guarantor, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(e) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(f) an Event of Default shall have occurred under the Lease;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate (and the Vendee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest

as aforesaid, and to collect such judgment out of the "income and proceeds of the Equipment", subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Vendee shall promptly notify the Vendor of any event which has come to its attention which constitutes, or with the giving of notice and/or lapse of time could constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 16. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

- (a) forthwith and in the usual manner cause the

Equipment to be placed upon such storage tracks of the Lessee as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to any reasonable place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Lessee by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as compensation for the use of the Equipment; provided, however,

that if the Vendee, before the expiration of the 60-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided, further, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 60 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon 30 days' prior written notice to the Vendee, the Lessee and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee or any other party claiming from, through or under the Vendee or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fee and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be

credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor, the Vendee or the Lessee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Lessee shall be given written notice of such sale or the making of a contract for such sale not less than 30 days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 railroads have been solicited in writing to submit bids), it shall be subject to the rights of the Lessee and the Vendee to purchase or provide a purchaser, within 30 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall

be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Article 4 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the

intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be prop-

erly served if delivered or mailed to it by first class mail, postage prepaid, at the following addresses

Annex A

to

Conditional Sale Agreement

- Item 1: (a) General Motors Corporation (Electro-Motive Division), a Delaware corporation, La Grange, Illinois 60525.
- (b) PACCAR Inc, a Delaware corporation, 1400 North 4th Street, Renton, Washington 98055. A copy of all notices should be delivered or mailed to the attention of General Counsel, P. O. Box 1518, Bellevue, Washington 98009.
- Item 2: The Equipment of each Builder shall be settled for in one Group of units delivered to and accepted by the Vendee unless a greater number shall be agreed to by the parties hereto.
- Item 3: (a) General Motors Corporation (Electro-Motive Division) (hereinafter in this Annex A called GM) warrants that its Equipment is of the kind and quality described in, or will be built in accordance with, the Specifications therefor referred to in Article 2 of the Conditional Sale Agreement to which this Annex A is attached (hereinafter in this Annex A called this Agreement) and is suitable for the ordinary purposes for which such Equipment is used and warrants each unit of its Equipment to be free from defects in material and workmanship which may develop under normal use and service within two years from date of delivery of such unit or before such unit has been operated 250,000 miles, whichever event shall first occur. GM agrees to correct such defects, which examination shall disclose to its satisfaction to be defective, by repair or replacement F.O.B. factory and such correction shall constitute fulfillment of its obligation with respect to such defect under this warranty.

GM warrants specialties not of its own specification or design to the same extent that the suppliers of such specialties warrant such items to GM.

THERE ARE NO WARRANTIES WITH RESPECT TO MATERIAL AND WORKMANSHIP, EXPRESSED OR IMPLIED, MADE BY GM EXCEPT THE WARRANTIES SET OUT ABOVE.

GM further agrees with the Vendee that neither the inspection as provided in Article 3 of this Agreement, nor any examination, nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or modification by the Vendee of any of its rights under this Item 3.

(b) PACCAR Inc (hereinafter in this Annex A called PACCAR) warrants that its Equipment will be built in accordance with the requirements, specifications and standards set forth in Article 2 of the Agreement and, except in cases of articles and materials specified by the Lessee or the Guarantor and not manufactured by PACCAR, warrants its Equipment to be free from defects in material and workmanship under normal use and service, the liability of PACCAR under this warranty being limited, as the Lessee may elect: (i) to repair of the defects at PACCAR's plant; or (ii) to replacement of a defective part; or (iii) to the cost of repair or replacement according to the AAR Code of Rules Governing Condition of and Repairs to Freight and Passenger Cars with Interchange of Traffic. PACCAR shall be given reasonable opportunity to verify any claim of defects in workmanship or materials.

The foregoing warranty of PACCAR shall begin at the time of delivery of a unit of its Equipment to the Vendee and terminate one year after such delivery. PACCAR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The Vendee's rights under the foregoing warranty shall be its sole and exclusive remedy and PACCAR will have no liability for lost profit or for indirect, incidental, consequential or commercial losses. This warranty is expressly in lieu of all other warranties expressed or implied on the part of PACCAR, and PACCAR neither assumes nor authorizes any person to assume for it any other warranty liability in connection with the construction and delivery of its Equipment, except for the patent indemnification included in Item 4 of this Annex A.

PACCAR further agrees with the Vendee that neither the inspection as provided in Article 3 of this Agreement, nor any examination, nor the acceptance of any units of its Equipment as provided in said Article 3 shall be deemed a waiver or modification by the Vendee of any of its rights under this Item 3.

The Vendee agrees with PACCAR that, so long as there has been no termination of the Lease or event of default thereunder, the obligations of PACCAR to the Vendee under the foregoing warranty shall be deemed satisfied if the performance of said obligations by PACCAR is satisfactory to the Lessee.

Item 4: (a) GM shall defend any suit or proceeding brought against the Vendee, the Lessee and/or each assignee of GM's rights under this Agreement so far as the same is based on a claim that the Equipment of GM's specification, or any part thereof, furnished under this Agreement constitutes an infringement of any patent, if notified promptly in writing and given authority, information and assistance (at GM's expense) for the defense of same, and GM shall pay all damages and costs awarded therein against the Vendee, the Lessee and/or any such assignee.

In case any unit of its Equipment, or any part thereof, is in such suit held to constitute infringement and the use of such unit or part is enjoined, GM shall at its option and at its own expense either procure for the Vendee, the Lessee and any such assignee the right to continue using such unit or part, or replace the same with noninfringing equipment subject to this Agreement, or modify it so it becomes noninfringing, or remove such unit and refund the Purchase Price and the transportation and installation costs thereof. If the Purchase Price is so refunded, such refund shall be made to the assignee of GM's rights under this Agreement if this Agreement has been so assigned, which refund, to the extent of the unpaid Conditional Sale Indebtedness, shall be applied in like manner as payments in respect of Casualty Occurrences under Article 7 of this Agreement and, as long as no event of default or event which with the lapse of time and/or demand could constitute an

event of default under this Agreement shall have occurred and be continuing, the balance shall be paid by such assignee to the Vendee.

GM will not assume liability for patent infringement by reason of purchase, manufacture, sale or use of devices not included in and covered by its specification.

The foregoing states the entire liability of GM for patent infringement by its Equipment or any part thereof.

(b) Except in cases of articles or materials specified by the Lessee or the Guarantor and not manufactured by PACCAR and in cases of designs, systems, processes, formulae or combinations specified by the Lessee or the Guarantor and not developed or purported to be developed by PACCAR, PACCAR agrees to indemnify, protect and hold harmless the Vendee, the Beneficiary, and, as third party beneficiary hereof, the Lessee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendee, the Beneficiary, the Lessee, its or their assigns or the users of its Equipment because of the use in or about the construction or operation of any of its Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. Pursuant to the Lease, the Lessee likewise will indemnify, protect and hold harmless the Vendor from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor because of the use in or about the construction or operation of any of the PACCAR Equipment of any article or material specified by the Lessee or the Guarantor and not manufactured by PACCAR or of any design, system, process, formula or combination specified by the Lessee or the Guarantor and not developed or purported to be developed by PACCAR which infringes or is claimed to infringe on any patent or other right. PACCAR agrees to and hereby does, to the

extent legally possible without impairing any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Lessee every claim, right and cause of action which PACCAR has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Lessee and purchased or otherwise acquired by PACCAR for use in or about the construction or operation of any of its Equipment on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right. PACCAR further agrees to execute and deliver to the Lessee or the Vendee or the users of its Equipment all and every such further assurance as may be reasonably requested by the Lessee or the Vendee more fully to effectuate the assignment and delivery of every such claim, right and cause of action. PACCAR will give notice to the Lessee of any claim known to PACCAR from which liability may be charged against the Lessee under the Lease and the Vendee will give notice to PACCAR of any claim known to the Vendee from which liability may be charged against PACCAR hereunder. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under this Agreement, the satisfaction and discharge of this Agreement or the termination of this Agreement in any manner.
