RECITALS

Lessee desires to lease from United as Lessor certain railroad cars, hereinafter specifically designated or to be specifically designated, all upon the rentals, terms and conditions as set forth in this Lease.

AGREEMENT

It is agreed:

1. Lease of Cars. United agrees to lease to Lessee and Lessee agrees to and does hereby lease from United that number of railroad cars, of the type, construction and such other description (hereinafter referred to as the "Cars") as is set forth in / of this Lease and as is set forth in Riders which may from time to time be added to this Lease. The Cars covered by this Lease are those which shall be delivered to and accepted by or on behalf of Lessee pursuant to the terms hereof. This Lease shall become effective with respect to any Car as of the date of its delivery and acceptance hereunder and shall continue with respect to such Car for the term provided in the Rider covering such Car unless sooner terminated as hereinafter provided. United shall deliver Cars f.o.t. at the delivery point specified in the Rider covering such Cars and from and after such delivery, Lessee shall pay all costs and expenses on account of transportation or movement of the Cars to and from any place and for any reason whatsoever pursuant to the terms of this Lease, and United shall reimburse same. Exhibit A

2. Rental. The rental per Car per day shall be all Per Diem payable to Lessee on account of such Car per day when Car Usage is equal to or less than 90%,

Daily Car Usage of each Car shall be deemed to be the average Car Usage as finally determined for all Cars covered by this Lease as of the end of each calendar year during the term of this Lease. Lessee shall pay to United within seven (7) days after receipt thereof all Per Diem received by it with respect to any Car covered by this Lease. United will within forty-five (45) days after the end of each calendar year during the term hereof compute the Car Usage for such year and the amount so determined to be due United or to Lessee shall be promptly paid. Rental on

Within 30 days of the end of each calendar quarter during the term of this lease, United shall return to Lessee any and all net sums due Lessee at the end of that respective quarter (any moneys earned above 90% Car Usage) on the basis of the best information available to United at that point in time.

each Car shall accrue from and after the date of delivery and acceptance of each Car; provided, however, that rental shall be payable by Lessee only from Per Diem payments actually received by or credited to it, within seven (7) days after receipt thereof at the address specified for United in Paragraph 14 hereof.

3. Acceptance of Cars. Within three (3) days after United shall give Lessee notice that some or all Cars covered by a Rider are ready for delivery, Lessee may have its authorized representative inspect such Cars at the point of delivery and accept or reject them as being or failing to be in compliance with the terms hereof. Cars so inspected and accepted and any Cars which Lessee does not elect to inspect shall be conclusively deemed to meet all requirements of this Lease and shall be conclusively deemed delivered to and accepted by Lessee. Unless prior to acceptance of a Car Lessee shall direct United to ship the Car directly to a specified point, United may on Lessee's behalf place such Car under load in interchange service or ship the Car to the nearest railroad line of Lessee.

4. Records. Unless otherwise provided in Exhibit A applicable to any Cars, Lessee shall keep records of and monitor the use and movements of all Cars and shall promptly furnish United with all information and copies of all records and reports, pertaining to the Cars received by Lessee or available to it. United shall have the right at any time and from time to time to audit and verify any such information, records and reports and other data pertinent hereto and Lessee shall cooperate with and assist United in any such audit or verification. Lessee will at United's expense file such applications for relief from any Interchange Rules as United may direct to increase revenues of the Cars and will at United's expense take all appropriate action to record and register the Cars as United may request.

5. Use - Lettering. Lessee shall use the Cars in a careful and prudent manner in compliance with all Interchange Rules and solely for the uses for which they were designed. From and after the delivery of a Car to Lessee, so long as Lessee shall not be in default hereunder, Lessee shall be entitled the use of the Car for the full term of this lease but solely within the continental limits of the United States of America. Except for the lettering to be placed on the Cars by United prior to delivery indicating the interest of Lessee, United and any assignee or mortgagee of United as permitted in Paragraph 11 hereof, no lettering or marking shall be placed upon any of the Cars by Lessee except upon the written direction or consent of United.

6. Repair Work. Except as otherwise provided herein, United shall at its sole cost and expense perform all Repair Work or authorize or cause same to be done. Lessee shall at its sole cost and expense perform or cause to be performed all Repair Work required by reason of Lessee's negligence. United shall have no responsibility for Repair Work until informed of the need therefor. United may require Lessee to return Cars for preventive maintenance or Repair Work and may withdraw from this Lease any Cars which it in its sole discretion deems uneconomical for Repair Work of any kind.

7. Casualty Cars. United shall bear the risk of any Car which is lost, stolen, destroyed or damaged beyond economical repair ("Casualty Car") other than on Lessee's lines. Lessee shall bear the risk of and be

responsible for any Car which is lost, stolen, destroyed or damaged beyond economical repair on its lines and shall, within thirty (30) days after the occurrence of any such event, pay to United the amount provided in the Interchange Rules to be paid for such Casualty Car. This Lease shall terminate as to any Casualty Car on the date on which the casualty occurred. All payments for Repair Work or in connection with the loss of any Casualty Car due from third parties shall be assigned to and belong to United and Lessee shall cooperate with United in the prosecution and collection of all claims therefor.

8. Indemnity. United agrees to indemnify Lessee and save it harmless from any charge, loss, claim, suit, expense or liability which Lessee may suffer or incur and which arises in connection with the use or operation of a Car or Cars while subject to this Lease (but not while in Lessee's shop or possession or arising through its negligence) and without regard as to how such charge, loss, claim, suit, expense or liability arises, including without limiting the generality of the foregoing, whether it arises from latent or other defects which may or may not have been discoverable by Lessee or United. United agrees to indemnify Lessee and save it harmless against any charge, loss, claim, suit, expense or liability arising out of or on account of the use or incorporation in a Car at the time of original delivery of a Car or upon the making of repairs thereto by United, of any invention or the infringement of any patents, except if such invention was used or incorporated by reason of Lessee's specification thereof in the Rider covering such Cars. The indemnities and assumptions of liability herein contained shall survive the termination of this Lease. Each party shall, upon learning of same, give the other prompt notice of any claim or liability hereby indemnified against.

9. Taxes. United shall pay or reimburse Lessee for the payment of all taxes of any kind whatsoever assessed or levied against the Cars or the Lease or operation thereof, except taxes on the earnings of a Car other than income taxes payable by United on rental paid to it hereunder. Lessee will file all property or ad valorem tax returns, copies of which shall be submitted to United for its review and approval prior to filing.

10. Termination. This Lease shall terminate upon expiration of its term, at election of either party hereto by reason of the default or breach of the other party in the terms hereof, or upon the election of United as hereinafter provided. In the event that daily Car Usage for all Cars or any group of Cars covered by a Rider in any calendar quarter is (i) less than 85% or (ii) the rental payable to United during such quarter averages less than \$ 9.00 per car per day, then United may at its option upon thirty (30) days' notice to Lessee terminate this Lease in its entirety, or terminate the Lease as to any group of Cars covered by a Rider. Lessee shall at the termination of the Lease with respect to any Cars return such Cars to United in the same condition (except as to Casualty Cars) in which the Cars were furnished and maintained by United during the term hereof, ordinary wear and tear excepted. Upon the termination of this Lease with respect to any or all Cars, Lessee shall forthwith surrender possession of such Cars to United at Washington, Indiana; Blue Island, Illinois or Junction City, Kansas. If requested by United, Lessee shall provide free uninterrupted storage for Cars as to which the Lease is terminated, provided that risk of loss during such storage shall be United's. This Lease may be terminated as to all Cars or as to any group of Cars covered by a Rider without termination of the Lease as to

Cars covered by any other Rider. From and after termination of this Lease with respect to any Car and until its return to United, all Per Diem earned by such Car shall be paid to United as additional rental for use of the Cars during the term hereof.

11. Sublease and Assignment. The right to assign this Lease by either party and the Lessee's right to sublease shall exist only as follows:

(a) Lessee shall have no right to assign this Lease or sublease or loan any of the Cars without the written consent of United.

(b) All rights of United hereunder may be assigned, pledged, mortgaged, transferred or otherwise disposed of either in whole or in part with or without notice to Lessee. This Lease and Lessee's rights hereunder are and shall be subject and subordinate to any chattel mortgage, security agreement or equipment trust covering the cars heretofore or hereafter created by United. If United shall have given written notice to Lessee stating the identity and post office address of any assignee entitled to receive future rentals and any other sums payable by Lessee hereunder, Lessee shall thereafter make such payments to the designated assignee.

The making of an assignment or sublease by Lessee or an assignment by United shall not serve to relieve such party of any liability or undertaking hereunder nor to impose any liability or undertaking hereunder upon any such assignee or sublessee except as otherwise provided herein or unless expressly assumed in writing by such sublessee or assignee.

12. Default. If Lessee shall fail to make any payment required hereunder within five (5) days after same shall have become due or shall breach any representation or warranty contained herein or shall default or fail for a period of ten (10) days in the due observance or performance of any covenant, condition or agreement required to be observed or performed on its part hereunder, or a proceeding shall have been commenced by or against Lessee under any bankruptcy laws, Federal or State, or other laws for the appointment of a receiver, assignee or trustee of Lessee or its property, or Lessee shall make a general assignment for the benefit of creditors, then and in any of said events United may in addition to all other rights and remedies provided in law or equity, upon written notice to such effect, terminate this Lease in its entirety or with respect to any group of Cars covered by a Rider and with respect to which said default has occurred and retake the Cars and thereafter recover any and all damages sustained by reason of Lessee's default in addition to all rental then or thereafter due. The obligation to pay rental then or thereafter due or any other sum or sums due and unpaid or any damages suffered by reason of Lessee's default hereunder shall survive the termination of the Lease and the retaking of the Cars.

13. Definitions. For all purposes of this Lease the following terms shall have the following meaning:

"Repair Work" - all repairs, maintenance, modifications, additions or replacements required to keep Cars in good work-

ing order and condition and in compliance with all Interchange Rules.

"Interchange Rules" - all codes, rules, decisions, interpretations, laws and orders governing hire, use, condition, repair and all other matters pertaining to the interchange of freight traffic reasonably interpreted as being applicable to the Cars, adopted and in effect from time to time during the term of this Lease by the Association of American Railroads and any other organization, agency or governmental authority, such as but not limited to the Interstate Commerce Commission and the United States Department of Transportation, which may from time to time be responsible for or have authority to impose such codes, rules, decisions, interpretations, laws or orders.

Per Diem shall mean any include any and all charges, costs and payments prescribed by the Interchange Rules prevailing from time to time throughout the term hereof, to be paid by one railroad or other party, to another railroad on account of the use of a Car and applicable to Cars of the type and class covered by this Lease. By way of illustration and not limitation Per Diem shall include time charges, mileage charges and incentive charges, as well as any similar or other charges presently in effect or which may from time to time hereafter be placed in effect.

14. Warranty - Opinion. Lessee covenants, warrants and represents that all of the following matters shall be true and correct at all times that any Car is subject to this Lease:

(d) neither Lessee nor its counsel know of any requirements for recording, filing or depositing this Lease other than pursuant to Section 20c of the Interstate Commerce Act, which is necessary to preserve or protect the title of United or its assignee or mortgagee in the United States of America.

Upon request of United or its assignee or mortgagee at any time or times, Lessee shall deliver to United an opinion of its counsel addressed to United or its assignee or mortgagee, in form and substance satisfactory to United or its assignee or mortgagee, which opinion shall confirm and be to the effect of the matters set forth in this Paragraph 14(a) through (d).

Lessee shall take all action requested by United to confirm United's interest in the Cars as Lessor and that Lessee has no interest in the Cars other than as Lessee hereunder.

(d) During the continuance of this Lease, United shall have the right, at its own cost and expense, to inspect the Cars at any reasonable time or times wherever the Cars may be.
