### TRUST CERTIFICATES AND ISSUANCE THEREOF

**SECTION 2.01. *Issuance of Trust Certificates.*** The Trustee shall from time to time issue and deliver, as the Company shall direct by Request, Trust Certificates in the aggregate principal amount sold pursuant to the Purchase Agreements. The net proceeds of the sales of any of the Trust Certificates shall, forthwith upon the issuance thereof, be deposited in cash with the Trustee or to its credit, as Trustee, in one or more special trust accounts with such banks or bankers as may be designated in a Request and approved by the Trustee.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee hereunder shall not exceed the sum of \$44,000,000, except as provided in Section 2.06.

The certificates of any banks or bankers designated and approved as provided in the first paragraph of this Section 2.01, stating that they hold a stated amount subject to the order of the Trustee, shall be full protection to the Trustee for its action on the faith thereof. Such banks or bankers shall be fully protected in paying such moneys so deposited with them, and any interest thereon, to or upon the written order of the Trustee, and shall be under no obligation to see to the application thereof in accordance with the provisions of this Trust Agreement.

**SECTION 2.02. *Trust Certificates.*** The Trust Certificates shall be designated as "North American Car Corporation Equipment Trust Certificates, Second 1976 Series". Each of the Trust Certificates shall represent an interest in the amount therein specified in the trust created hereunder.

The Trust Certificates shall be payable and bear interest as specified in the form thereof hereinbefore set forth and shall mature on September 30, 1996. The Trust Certificates shall be in denominations of \$1,000 or any amount in excess of \$1,000 and shall be fully registered as to both principal and interest in the name of the holder.

The principal of and interest on the Trust Certificates shall be payable at the place provided in the Trust Certificates in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. Notwithstanding the provisions of the preceding sentence, or similar provisions in the Trust Certificates, the Trustee shall comply with section 12 of the Purchase Agreements in making any such payments.

Each Trust Certificate issued and delivered pursuant to the provisions of Section 2.01 shall be dated the date of issuance and delivery thereof, and each Trust Certificate issued in exchange or substitution for, or upon the transfer of, the whole or any part of one or more Trust Certificates shall be dated the date to which interest has been paid on such other Trust Certificate or Trust Certificates; *provided* that each Trust Certificate so issued prior to the first interest payment date to which interest was paid shall be dated the date of such other Trust Certificate or Trust Certificates. Trust Certificates shall bear interest from and including their respective dates.

In case any officer of the Trustee whose signature shall appear on any of the Trust Certificates shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person had not ceased to be or had then been such officer of the Trustee.

**SECTION 2.05. *Transfer and Exchange.*** The Trustee shall cause to be kept at the Corporate Trust Office books for the transfer of the Trust Certificates.

The transfer of each Trust Certificate shall be registrable by the registered holder thereof in person or by duly authorized attorney on the books of the Trustee upon surrender to the Trustee at its Corporate Trust Office of such Trust Certificate accompanied by a written instrument of transfer, duly executed by the registered holder in person or by such attorney, in form satisfactory to the Trustee. Thereupon the Trustee will issue and deliver to the transferee thereof in exchange therefor, without expense to the transferor or transferee except as provided in the last paragraph of this Section 2.05, a new fully registered Trust Certificate for the same principal amount and of the same maturity as the unpaid principal amount of the Trust Certificate so surrendered, and the Company shall endorse its guaranty on such new Trust Certificate.

The holder of one or more Trust Certificates may surrender the same for exchange at such Corporate Trust Office and shall be entitled to receive in exchange therefor, without expense to the holder except as provided in the last paragraph of this Section 2.05, a like aggregate principal amount of fully registered Trust Certificates of other authorized denominations of the same maturity, and the Company shall endorse its guaranty on such new Trust Certificates.

Anything herein to the contrary notwithstanding, the parties hereto may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

For any such transfer or exchange the Trustee shall require the payment of a sum sufficient to cover the amount of any stamp tax or other governmental charge connected therewith.

**SECTION 2.06. *Replacement of Trust Certificates.*** In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. The Company shall execute its guaranty on any Trust Certificates so delivered. The applicant for a new Trust Certificate shall furnish to the Trustee and to the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be required by the Trustee and by the Company in their discretion, and shall pay all expenses and charges of such substitution or exchange. In the event of the mutilation, destruction, loss or theft of any Trust Certificate held by the original purchaser named in the Purchase Agreement, such purchaser's written personal guarantee as to indemnity shall be satisfactory. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

### ARTICLE III.

#### REDEMPTION

**SECTION 3.01. *Right of Redemption and Redemption Price.*** On September 30, 1977 and on each September 30 thereafter so long as any Trust Certificates shall be outstanding, as and for a sinking fund, the Trustee will redeem \$2,200,000 principal amount of the Trust Certificates, at the principal amount of the Trust Certificates so redeemed, without premium. The Trust Certificates are not subject to redemption prior to maturity at the option of the Company.

**SECTION 3.02. *Allocation of Partial Redemptions.*** In the case of each redemption in part, the principal amount of the Trust Certificates to be redeemed shall be allocated among the Trust Certificates at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for redemption, with adjustments, to the extent practicable, to compensate for any prior redemptions not made exactly in such proportion.

**SECTION 3.03. *Maturity; Surrender, etc.*** In the case of each redemption, the principal amount of each Trust Certificate to be redeemed shall mature and become due and payable on the date fixed for such redemption, together with interest on such principal amount accrued to such date. From and after such date, unless the Company shall fail to pay such principal amount

when so due and payable, together with interest as aforesaid, interest on such principal amount shall cease to accrue. Any Trust Certificate paid or redeemed in full shall be surrendered to the Trustee and cancelled and shall not be reissued, and no Trust Certificate shall be issued in lieu of any principal amount of any Trust Certificate so redeemed.

#### ARTICLE IV.

##### ACQUISITION OF TRUST EQUIPMENT BY TRUSTEE; DEPOSITED CASH

**SECTION 4.01. *Acquisition of Equipment by Trustee.*** The Company shall cause to be sold, assigned and transferred to the Trustee, as trustee for the holders of the Trust Certificates, on the date of the First Closing under the Purchase Agreements, the Equipment described in Attachment A and Attachment B hereto. Such Equipment shall be delivered to the person or persons designated by the Trustee as its agent or agents to receive such delivery (who may in the case of such Equipment be one or more of the officers or agents of the Company) and the certificate of any such agent or agents as to such delivery shall be conclusive evidence of such delivery. If for any reason the Second Closing under the Purchase Agreements shall not take place in the time specified for such Second Closing in the Purchase Agreements, the Trustee shall revest title to the Equipment described in Attachment B hereto (the "Attachment B Equipment") in the Company and shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to the Attachment B Equipment under the laws of any jurisdiction.

**SECTION 4.02. *Payment of Deposited Cash.*** After the Trust Equipment has been delivered to the Trustee or its agent or agents pursuant to Section 4.01, the Trustee shall pay to the Company out of Deposited Cash, upon Request but subject to the provisions of Section 4.03 hereof, an amount equal to Deposited Cash, but not more than 90% of the aggregate Depreciated Cost or 80% of the aggregate Depreciated Replacement Cost, whichever is less, of, (a) in connection with the Request at the time of the First Closing under the Purchase Agreements, the Trust Equipment described in Attachment A hereto, and (b) in connection with the Request at the time of the Second Closing under the Purchase Agreements, the Attachment B Equipment, in each case as specified in the Officers' Certificate furnished to the Trustee pursuant to Section 4.03 (b).

**SECTION 4.03. *Supporting Documents and Papers.*** The Trustee shall not in connection with any Request referred to in Section 4.02 pay out any Deposited Cash unless and until it shall have received at the time of such Request:

(a) a certificate of the agent or agents designated by the Trustee to receive delivery of the Trust Equipment, stating that the Trust Equipment described and specified therein by number or numbers has been delivered to such agent or agents;

(b) an Officers' Certificate, dated as of the date of such Request, which shall state (i) that such Trust Equipment is Equipment as herein defined and the Cost of each unit thereof, (ii) that the Depreciated Cost and the Depreciated Replacement Cost of such Trust Equipment are in the respective amounts therein specified or are not less than the respective amounts therein specified, (iii) the date each unit of such Trust Equipment was first put into use or that such unit was first put into use not earlier than a specified date, (iv) that, in the opinion of the signers, all conditions precedent provided for in this Trust Agreement, relating to the payment in question, have been complied with and (v) that there exists no Event of Default and no condition, event or act which, with notice or lapse of time, or both, would constitute an Event of Default hereunder;

(c) a bill or bills of sale of such Trust Equipment from the manufacturers or the Company or other owners thereof to the Trustee, which bill or bills of sale shall contain a warranty or guaranty to the Trustee that the title to the Trust Equipment described therein is free from all liens and encumbrances other than the rights of the Company hereunder and, to the extent not effectively subordinated, the rights of any sublessee from the Company (including without limitation the rights of such sublessee to purchase Equipment) under any existing Lease, *provided* that at the time of the First Closing under the Purchase Agreements such bill or bills of sale may state that the Attachment B Equipment is subject to the lien of the Bank Agreement;

(d) the Opinions of Counsel referred to in Exhibits B, C, D, E and F to the Purchase Agreements;

(e) an Opinion of Counsel that title to such Trust Equipment is validly vested in the Trustee free from all liens and encumbrances other than the rights of the Company hereunder and, to the extent not effectively subordinated, the rights of any sublessee from the Company (including without limitation the rights of such sublessee to purchase Equipment) under any existing Lease, *provided* that at the time of the First Closing under the Purchase Agreements such Opinion of Counsel may state (i) that the Attachment B Equipment is subject to the lien of the Bank Agreement, and (ii) that any such Attachment B Equipment to be used in Canada may be subject to liens and encumbrances existing on the date thereof.

If,

(x) in connection with such Request made at the time of the First Closing under the Purchase Agreements, the aggregate Depreciated Cost or aggregate Depreciated Replacement Cost, as specified in the Officers' Certificate delivered at such time to the Trustee pursuant to subparagraph (b) of this Section 4.03, of the Trust Equipment described in Attachment A hereto shall be less than 111% (in the case of Depreciated Cost) or 125% (in the case of Depreciated Replacement Cost) of the aggregate principal amount of Trust Certificates issued in connection with such First Closing, or

(y) in connection with such Request made at the time of the Second Closing under the Purchase Agreements, the aggregate Depreciated Cost or aggregate Depreciated Replacement Cost, as specified in the Officers' Certificate delivered at such time to the Trustee pursuant to subparagraph (b) of this Section 4.03, of all of the Trust Equipment shall be less than 111% (in the case of Depreciated Cost) or 125% (in the case of Depreciated Replacement Cost) of the aggregate principal amount of Trust Certificates issued in connection with both such First and Second Closings,

then in either case the Company shall cause to be sold, assigned and transferred to the Trustee additional Equipment in such amount and of such Depreciated Cost or Depreciated Replacement Cost that the aggregate Depreciated Cost and aggregate Depreciated Replacement Cost of the Trust Equipment referred to in subparagraph (x) or (y), as the case may be, and of such additional Equipment will be at least 111% and 125%, respectively, of the aggregate principal amount of the Trust Certificates referred to in subparagraph (x) or (y), as the case may be.

## ARTICLE V.

### LEASE OF TRUST EQUIPMENT TO THE COMPANY

SECTION 5.01. *Lease of Trust Equipment.* The Trustee does hereby let and lease to the Company, for a term commencing June 15, 1976 and ending September 30, 1996, all of the Trust Equipment.

**SECTION 5.02. *Equipment Automatically Subjected.*** As and when any Equipment herein specifically described shall from time to time be delivered hereunder to the Trustee or its agent or agents, the same shall, *ipso facto* and without further instrument of lease or transfer, pass under and become subject to all the terms and provisions hereof.

**SECTION 5.03. *Substituted Equipment Subject Hereto.*** In the event that the Company shall, as provided in Section 4.03, 5.06 or 5.08, cause to be transferred to the Trustee other Equipment in addition to or in substitution for any of the Equipment herein specifically described or subjected hereto, such other Equipment shall be included as part of the Trust Equipment by supplement hereto and shall be subject to all the terms and conditions hereof in all respects as though it had been part of the Trust Equipment herein specifically described.

**SECTION 5.04. *Rental Payments.*** The Company hereby accepts the lease of all the Trust Equipment, and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment; and the Company covenants and agrees to pay to the Trustee at the Corporate Trust Office (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, as rental for the Trust Equipment, amounts which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of such items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(a) from time to time upon demand of the Trustee (i) necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein, and (ii) an amount equal to any expenses incurred or loss of principal (including interest accrued thereupon at time of purchase) in connection with any purchase, sale or redemption by the Trustee of Investment Securities;

(b) from time to time upon demand of the Trustee any and all taxes, assessments and governmental charges upon or on account of the income or property of the trust, or upon or on account of this Trust Agreement, which the Trustee as such may be required to pay;

(c) (i) the amounts of the interest payable on the Trust Certificates, when and as the same shall become due and payable, and (ii) interest at the rate of 10<sup>3</sup>/<sub>4</sub>% per annum from the due date, upon the amount of any instalments of rental payable under this subparagraph (c) and the following subparagraph (d) which shall not be paid when due, to the extent legally enforceable; and

(d) principal of the Trust Certificates when and as the same shall become due and payable (whether at stated maturity or at a date fixed for a sinking fund payment or by declaration or otherwise).

Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America, or of any state, county, municipality or other taxing authority thereof, to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that the rights or interests of the Trustee or of the holders of the Trust Certificates will not be materially endangered thereby and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

**SECTION 5.05. *Termination of Lease.*** At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee (a) such payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (b) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (c) title to all the Trust Equipment shall vest in the Company and (d) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; *provided* that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company.

**SECTION 5.06. *Substitution and Replacement of Equipment.*** In the event that any of the Trust Equipment shall become worn out, unsuitable for use, lost or destroyed or the Company should become legally bound to sell any unit of the Trust Equipment pursuant to any purchase option contained in a sublease or the exercise by any government or any subdivision or authority thereof of any power of condemnation, expropriation or similar power, the Trustee shall, upon Request, at any time and from time to time, execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to such unit of the Trust Equipment; *provided* that none of the Trust Equipment shall be so assigned or transferred (except as provided in Section 5.05) unless simultaneously there shall be conveyed to the Trustee other Equipment of a fair value (as of the date of such Request) and/or paid to the Trustee cash and/or issued to the Trustee a Letter of Credit in an amount at least equal in the aggregate to the fair value (as of the date of such Request) of the Trust Equipment so assigned or transferred by the Trustee.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers:

(1) an Engineer's Certificate stating (a) the fair value, as of the date of such Request, of the Trust Equipment so to be assigned or transferred by the Trustee, (b) that such assignment or transfer will not impair the security under this Trust Agreement in contravention of the provisions hereof and (c) the fair value of such substituted units of Equipment as of such date;

(2) an Officers' Certificate stating (a) the date each unit of Trust Equipment so to be assigned or transferred by the Trustee was first put into use (or that such unit was first put into use not later than a specified date), (b) the original Cost of each unit of the Equipment so to be substituted and the date it was first put into use (or that such unit was first put into use not earlier than a specified date), (c) that each such unit so to be substituted is Equipment as herein defined, (d) that no Event of Default has occurred and is continuing and (e) that, in the opinion of the signers, all conditions precedent provided for in this Trust Agreement, relating to such substitution, have been complied with;

(3) a certificate and a bill or bills of sale in respect of such substituted Equipment as provided for in paragraphs (a) and (c) of the first paragraph of Section 4.03; and

(4) an Opinion of Counsel to the effect (a) that such bill or bills of sale are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee title to such substituted Equipment free from all liens and encumbrances other than the rights of the Company hereunder and, to the extent not effectively subordinated, the rights of any sublessee from the Company (including without limitation the rights of such sublessee to purchase Equipment) under any existing Lease, *provided* that prior to the Second Closing under the Purchase Agreements any Equipment substituted for Attachment B Equipment may be subject to the lien of the Bank Agreement, (b) that a proper supplement hereto in respect of such substituted Equipment has been duly executed and delivered by the Trustee and the Company and (c) that, in the opinion of such counsel, all conditions precedent provided for in this Trust Agreement, with respect to such substitution, have been complied with.

If the fair value of the Trust Equipment to be assigned or transferred by the Trustee, together with all other property so assigned or transferred since the commencement of the then current calendar year, as set forth in the certificate or certificates required by this Section 5.06, is 5% or more of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if cash is to be paid and/or a Letter of Credit is to be issued to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in the second paragraph of this Section 5.06 insofar as they relate to the action requested.

Any Letter of Credit or cash deposited with the Trustee pursuant to this Section 5.06 or pursuant to Section 5.08 or 5.09 shall, from time to time, be released or paid over by the Trustee to the Company upon Request, against conveyance to the Trustee of Equipment having a fair value, as of the date of such Request, not less than the amount of such Letter of Credit and/or cash so released or paid, and upon compliance by the Company with all of the provisions of the second paragraph of this Section 5.06 insofar as they relate to the action requested.

For all purposes of this Section 5.06, where fair value is not required to be determined by an Independent Engineer, fair value shall be determined as follows (and the manner of such determination shall be set forth in each Engineer's Certificate furnished in respect thereof):

(i) The fair value of any unit of Trust Equipment assigned or transferred by the Trustee as provided in this Section 5.06 shall be deemed to be the greater of (a) the actual fair value thereof and (b) the Cost thereof as theretofore certified to the Trustee less 1/25th of such Cost of such unit for each full period of one year elapsed between the date such unit was first put into use as certified to the Trustee and the date as of which fair value is to be determined.

(ii) The fair value of any unit of Equipment conveyed to the Trustee as provided in this Section 5.06 shall be deemed to be the lesser of (a) the actual fair value thereof and (b) the Cost of such unit, if new, or, in case of any unit of Equipment not new, (A) the depreciated book value thereof on the books of the owner thereof, as of the date of the transfer thereof to the Trustee, or (B) the Cost thereof, less 1/25th of such Cost of such unit for each full period of one year elapsed between the date such unit was first put into use and the date of the transfer thereof to the Trustee, or (C) the value thereof, as of the date of the transfer thereof to the Trustee, as determined in accordance with the Code of Rules

Governing the Condition of and Repairs to Freight and Passenger Cars for the Interchange of Traffic, adopted by the Association of American Railroads, Operations and Maintenance Department, Mechanical Division, as in effect at the time in question, whichever shall be less.

**SECTION 5.07. *Marking of Trust Equipment.*** The Company agrees that, as soon as practicable after the delivery to the Trustee pursuant to this Trust Agreement of each unit of the Trust Equipment, there shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of such unit a metal plate bearing the following words, or such words shall be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such unit, in either case in letters not less than seven-sixteenths of one inch in height:

**TITLE TO THIS CAR IS VESTED IN A TRUSTEE UNDER AN EQUIPMENT TRUST AGREEMENT  
RECORDED UNDER SECTION 20C OF THE INTERSTATE COMMERCE ACT.**

Such plates or marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the Trust Equipment.

In case, prior to the termination of the lease provided for herein, any of such plates or marks shall at any time be removed, defaced or destroyed, the Company shall forthwith cause the same to be restored or replaced. The Company shall not change or permit to be changed the serial numbers of any of the Trust Equipment at any time covered hereby (or any such numbers which may have been substituted as herein provided) except in accordance with a statement of new serial numbers to be substituted therefor which previously shall have been filed with the Trustee by the Company and which shall be filed and recorded to the extent required by Section 7.05.

The Trust Equipment may be marked or lettered "North American Car Corporation" or in some other appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be marked or lettered, in case of a sublease of any Trust Equipment made pursuant to Section 5.10 hereof, in such manner as may be appropriate for convenience of identification of the sublease interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

**SECTION 5.08. *Maintenance of Trust Equipment; Alterations; Purchase; Deposit of Cash or Letter of Credit.*** The Company agrees that it will maintain and keep all the Trust Equipment in good order and proper repair and in compliance with applicable law and regulations at its own cost and expense, unless and until it becomes worn out, unsuitable for use, lost, destroyed or condemned, seized or expropriated for a period exceeding 90 days (hereinafter called a Casualty Occurrence). When the total fair value (determined in the manner provided in subparagraph (i) of the fifth paragraph of Section 5.06 as of a date immediately prior to the Casualty Occurrence in respect of each unit of Trust Equipment) of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant to this Section) shall equal or exceed an amount equal to 1% of the principal amount of the Trust Certificates then outstanding (or such lesser amount as the Company may elect), the Company, within 30 days of such event, shall convey to the Trustee other Equipment of a fair value (determined in the manner provided in subparagraph (ii) of the fifth paragraph of Section 5.06) as of the date of such conveyance, and/or shall deposit with the Trustee cash, and/or cause to be issued to the Trustee a Letter of Credit, aggregating an amount at least equal to the fair value of the Trust Equipment having suffered a Casualty Occurrence as of a date immediately prior to the Casualty Occurrence in respect of each unit of Trust Equipment. The rights and remedies of the Trustee to

enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. Any Letter of Credit or cash deposited with the Trustee pursuant to this Section shall be held and applied as provided in Section 5.06. Any Letter of Credit deposited with the Trustee pursuant to Section 5.06 or this Section 5.08 shall upon its expiration or other termination or upon Request, as the case may be, be released by the Trustee to the Company against (i) conveyance to the Trustee of units of Equipment having a fair value (determined in the manner provided in subparagraph (ii) of the fifth paragraph of Section 5.06), as of the date of such termination or Request, not less than the amount of the Letter of Credit to be released and upon delivery to the Trustee of papers as provided in the second paragraph of Section 5.06 or (ii) deposit with the Trustee of cash or another Letter of Credit in like amount as the Letter of Credit to be released. In the event that any Letter of Credit shall expire, terminate, be or become uncollectible or unenforceable, or if the Trustee shall be unable to draw on any Letter of Credit the full amount thereof, the Trustee shall release such Letter of Credit to the Company, and the Company shall convey units of Equipment and/or deposit with the Trustee cash or another Letter of Credit, as aforesaid. For all purposes of this Section 5.08, the term "unsuitable for use" shall include any condition in which Trust Equipment is no longer usable for the purpose or purposes for which the same was designed (or an alternate purpose or alternate purposes provided that no material impairment in value shall arise therefrom) whether by virtue of its physical condition or of the effect of any applicable law, rule, regulation or order. The Trustee, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof.

For the purpose of enabling the Company to meet the transportation requirements of present and future sublessees, the Company may from time to time make, or cause to be made, changes and alterations in the design, structure and equipment of any of the cars constituting a part of the Trust Equipment, all at the expense of the Company; *provided* that no material impairment in value shall result therefrom.

The Company covenants and agrees, whenever required by the Trustee, and at least once, on or before April 15, 1977 and on or before April 15 in every calendar year thereafter and during the continuance of the lease provided for herein, (i) to furnish to the Trustee an Officers' Certificate, dated as of the last day of the preceding January, stating (a) the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence by accident or otherwise or have been purchased by a third party since the date of the last preceding statement (or the date of this Trust Agreement in the case of the first statement), and (b) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Trust Agreement in the case of the first statement) the plates or marks required by Section 5.07 have been preserved, or that such Trust Equipment when repainted or repaired has been again plated or marked as required thereby; and (ii) to furnish to the Trustee an Engineer's Certificate describing all Trust Equipment stated in the Officers' Certificate referred to above as having suffered a Casualty Occurrence or having been purchased by any third party and stating the fair value thereof (determined as hereinbefore provided) as of a date immediately prior to such Casualty Occurrence or purchase.

If the fair value of the Trust Equipment described in the Engineer's Certificate referred to in the preceding paragraph together with all other Trust Equipment which has suffered a Casualty Occurrence or has been purchased by a third party during the calendar year in question, as set forth in certificates required by this Section 5.08, is 5% or more of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate shall be signed by an Independent Engineer.

**SECTION 5.09. *Insurance of Trust Equipment.*** The Company maintains insurance on the Trust Equipment when such Trust Equipment is in its possession or control. Such insurance is of the types customarily carried by corporations of established reputation engaged in the same or a similar business and similarly situated, and insured against risks of the kinds customarily insured against by such other corporations under similar circumstances. The Company will keep in effect its present or equivalent policies of insurance on the Trust Equipment whereby the Company is insured against loss or damage with coverage in an amount at least equal to the fair value (determined in the manner provided in subparagraph (i) of the fifth paragraph of Section 5.06) from time to time of the Trust Equipment. When any of the Trust Equipment is not in the Company's possession or control, in lieu of insurance, the Company's practice is to require sublessees of the Trust Equipment to bear the risk of loss of the Trust Equipment and the Company shall not be required to insure any Trust Equipment the risk of loss of which is borne by the sublessee. The Company will pay the premiums of such insurance and deliver to the Trustee, at least once in every year, a certificate, signed by its President or by one of its Vice Presidents, stating that such insurance is in effect and naming the insurer or insurers. If the Company shall fail to maintain such insurance, the Trustee may (but shall be under no obligation so to do) cause the Trust Equipment to be insured in such amount as the Trustee shall deem advisable for the protection of the holders of the Trust Certificates and may demand and recover from the Company the premiums on such insurance plus any financing expense incurred by the Trustee in order to pay such premiums. In case the Company fails to make and maintain such insurance and the Trustee insures the Trust Equipment or any part thereof as above provided, the title of the Trustee to the Trust Equipment shall, notwithstanding the making of all other payments hereunder to be made by the Company, remain in the Trustee until the repayment of the amount so paid for insurance with any financing expense, as aforesaid, and the repayment of such amount is hereby expressly made one of the obligations to be performed before title to the Trust Equipment shall vest in the Company.

Any insurance moneys paid to the Trustee on account of any loss in respect of the Trust Equipment covered by insurance effected by the Trustee shall be held and retained by the Trustee in trust for the equal and proportionate benefit of the holders of the Trust Certificates, until the replacement or repair, as provided in Section 5.08, of the Trust Equipment covered by such insurance. Upon proof satisfactory to the Trustee of the proper replacement or repair of such Trust Equipment, such insurance or other moneys received by the Trustee shall be applied by the Trustee to the payment of the cost of such replacement or repair or to reimburse the Company, to the extent of such funds, for payments made by it in respect of such replacement or repair. A certificate in behalf of the Company by its President or one of its Vice Presidents, or the President or one of the Vice Presidents of the Company's Railcar Division, as to the proper replacement or repair of such Trust Equipment, free from lien and encumbrance, shall be full and complete protection to the Trustee.

**SECTION 5.10. *Possession of Trust Equipment; Sublease.*** Except as provided in Sections 5.06 and 5.08 and in this Section 5.10, the Company will not transfer or sublet the Trust Equipment or any part thereof or assign or transfer its rights hereunder, except that the Company may sublet Trust Equipment to an Affiliate of the Company whose rights are subordinated to the rights of the Trustee and holders of the Trust Certificates hereunder (i) incorporated under the laws of the United States of America or Canada or a political subdivision of either, other than the Province of Quebec, or (ii) incorporated under the laws of Mexico or a political subdivision thereof, subject, however, in the case of all Trust Equipment used in Canada or Mexico, to the limitations of Section 7.05(b), which Affiliate agrees in a writing delivered to the Trustee to take such Trust Equipment subject to the terms hereof and to comply with the covenants and

agreements of the Company in this Trust Agreement insofar as such covenants and agreements relate to the Trust Equipment sublet to such Affiliate of the Company, and to neither assign nor transfer its rights under such sublease except to sublessees (including any Affiliate of the Company) as permitted to the Company hereunder or to the Company; and provided that no such sublease shall relieve the Company of its obligations hereunder; and the Company shall not, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a successor corporation pursuant to Section 7.06 shall not be deemed a breach of this covenant.

So long as the Company shall not be in default under this Trust Agreement, the Company and any Affiliate of the Company shall be entitled to the possession and use of the Trust Equipment in accordance with the terms hereof, and the Company and any Affiliate of the Company may also in the future (a) furnish the Trust Equipment or any part thereof to railroad companies for use upon the lines of railroad owned or operated by them or over which they have trackage rights and upon connecting and other carriers in the usual interchange of traffic, or to persons other than railroad companies for use in their businesses, or (b) sublet to others, with or without an option to purchase, but whose rights are subordinated, as set forth in Section 5.11, to the rights of the Trustee and the holders of the Trust Certificates hereunder, all or any part of the Trust Equipment, but only, in either case, upon and subject to all the terms and conditions of this Trust Agreement, and to all rights of the Trustee hereunder; *provided* that the aggregate Cost of any Trust Equipment under Leases to any one sublessee, or any affiliate thereof, shall not exceed 25% of the aggregate Cost of all the Trust Equipment then subject hereto.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled (subject to the rights of the Trustee upon the happening of an Event of Default) to the possession of the Trust Equipment included in such sublease and the use thereof, and, subject to the provisions of Section 5.07, may provide for lettering or marking upon such Equipment for convenience of identification of the leasehold interest of such sublessee therein. Every such sublease shall expressly subject the rights of the sublessee under such sublease to the rights of the Trustee in respect of the Trust Equipment covered by such sublease in the event of the happening of an Event of Default.

The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Company's rights hereunder or in case of any unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

**SECTION 5.11. *Assignment of Leases.*** As further security for the Trust Certificates, the Company hereby transfers and assigns to the Trustee, and grants to the Trustee a charge on and security interest in, for the equal and proportionate benefit of the holders from time to time of the Trust Certificates, all of its right, title and interest as lessor in and to, under or in respect of each and every Lease and each and every existing and future guarantee of all or any of the obligations of any sublessee under any such Lease, and in and to, under or in respect of any amendment thereof or supplement thereto, including, without limitation, the right to all rents, proceeds and other moneys now due and payable or hereafter to become due and payable and all claims, rights, remedies, powers and privileges on the part of the Company, whether arising under the Leases or by statute or at law or in equity or otherwise, consequent on any failure on the part of any sublessee under any such Lease or any guarantor under any such guarantee to perform or comply with any of the provisions of any of the Leases or guarantees to be performed or

complied with by it, together with the full power and authority, in the name of the Trustee and the Company, or either of them, or otherwise to demand, sue for, enforce, collect, receive and receipt for any and all of the foregoing (the Company hereby irrevocably constitutes and appoints the Trustee the attorney-in-fact of the Company for such purposes). Any instrument made, executed and delivered by the Trustee on behalf of the Company shall be binding upon the Company and all persons claiming by, through or under the Company, with the same effect as if the Company had itself made, executed and delivered the same.

The Company as lessor or sublessor covenants, warrants and agrees that substantially the following clause has been and will continue to be inserted in each Lease of any of the Trust Equipment (except that such clause is not contained in one existing Lease relating to 59 units of Trust Equipment expiring June, 1977, but such clause will be so inserted in any renewal or extension of such Lease):

“It is understood that some of the cars furnished Lessee under this Agreement and Lessor’s rights under this Agreement may at the time of delivery to Lessee or at some future time during the term of this Agreement be subject to the terms of a Mortgage, Deed of Trust, Equipment Trust, Pledge or Assignment or similar security arrangement. Lessee agrees that the cars may be stenciled or marked to set forth the ownership of any such cars in the name of a mortgagee, trustee, pledgee, assignee or security holder and that this agreement and Lessee’s rights hereunder are and shall at all times be subject and subordinated to any and all rights of any mortgagee, trustee, pledgee, assignee or security holder. As to the cars subject hereto, this Agreement and the rentals hereunder may have been assigned and may in the future be assigned to the holder, if any, of the superior lien from time to time on each car as determined with reference to the filings under Section 20c of the Interstate Commerce Act; however, until notified to the contrary by any person reasonably proving to the Lessee’s satisfaction that he is the assignee of this Agreement or the rentals hereunder, the Lessee is to pay all rentals to the order of the Lessor. Lessee hereby consents to and accepts such assignments.”

The Company further covenants, warrants and agrees that it has used and will continue to use its best efforts to cause substantially the following additional clause to be inserted in each Lease:

“Lessee agrees that no claim or defense which Lessee may have against Lessor shall be asserted or enforced against any assignee of this Agreement.”

The Company hereby irrevocably directs all persons now or at any time obligated under each and every such Lease to pay to the Trustee or its agent, at its Corporate Trust Office, all payments due and to become due and all other sums assigned pursuant to this Section 5.11.

Any and all rights of the Trustee under this Section 5.11 may be exercised pursuant to or as contemplated by the provisions of this Trust Agreement and each and every Lease. The assignment provided for in this Section 5.11 shall be effective immediately and is not conditioned upon the occurrence of an Event of Default under this Trust Agreement or any other event or contingency.

The foregoing assignment shall be subject to the following additional provisions:

(a) The Trustee hereby appoints the Company as its agent, and the Company hereby accepts such appointment, to collect and receive all payments due and to become due under Leases in respect of Trust Equipment, *provided* that only upon the occurrence of an Event of

Default which shall be continuing, the Trustee may terminate such agency and such agency shall terminate immediately upon notice of such termination from the Trustee to the Company; *provided, further*, that prior to receipt of such notice, the Company may make such use of any moneys received pursuant to its agency hereunder as it would otherwise be entitled to except for the assignment under this Section 5.11.

(b) Any action, suit or proceeding brought by the Trustee following such termination of such agency pursuant to any of the terms hereof or otherwise, and any claim made by the Trustee hereunder, may be compromised, withdrawn or otherwise dealt with by the Trustee without any notice to or approval of the Company.

(c) The Trustee shall not be obligated to take any steps necessary to preserve any rights in any Lease against prior parties who may be liable in connection therewith and it is expressly agreed that, anything herein contained to the contrary notwithstanding, the Company shall remain liable under the Leases to which it is a party to perform all of the obligations assumed or to be assumed by it thereunder and the Trustee shall have no obligation or liability under any Lease by reason of or arising out of this assignment, nor shall the Trustee be required or obligated in any manner to perform or fulfill any obligation of the Company under or pursuant to any Lease, or to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder at any time or times, and the Company shall and does hereby agree to indemnify and hold the Trustee harmless of and from any and all liability, loss or damage which it may or might incur with respect to or arising under any Lease or this assignment.

(d) The Company agrees to mark each executed counterpart of each Lease held by it under which it is lessor and each executed counterpart of each Lease under which it is lessor hereafter executed by it with the following:

“This lease has been assigned to the holder of the superior lien from time to time on each car as determined with reference to the filings under Section 20c of the Interstate Commerce Act.”

(e) The Company at its expense shall, during the first ninety days of each calendar year, cause any document confirmatory of this assignment or such other instruments as may be designated by applicable law, to be recorded, registered and filed in such manner and in such places, and will pay all such recording, registration, filing or other taxes, fees and other charges, and will comply with all such statutes and regulations, as may be required for proper protection of the security interest under this assignment, and of the rights of the Trustee, its successors and assigns, and the holders of the Trust Certificates.

(f) The Company promptly after the execution hereof, shall cause notice in writing in form satisfactory to the Trustee to be given to all sublessees of North American Car (Canada) Limited under all presently existing Leases of Equipment of the existence of this assignment which notice shall direct such lessees, upon receipt of notice from the Trustee, to pay to the Trustee all rentals now or in the future due or owing in respect of Trust Equipment under any such Lease. Such notices shall be sent by certified mail, return receipt requested, and such receipts shall be directed to the Trustee. The Company shall use reasonable efforts to obtain as promptly as possible acknowledgements, in form satisfactory to the Trustee, of the receipt of all such notices with respect to such Leases; and the Company will promptly deliver all such acknowledgements to the Trustee.

(g) Upon request of the Trustee, or if required in order to duly perfect the interests of the Trustee therein, the Company agrees to execute and deliver to the Trustee a document separate and apart from this Trust Agreement embodying the provisions of this Section 5.11 for the purpose of notifying the lessees under such Leases of this Trust Agreement and directing such lessees to make payments due under such Trust to the Trustee.

(h) The Company agrees that prior to permitting any Affiliate of the Company to possess and use any of the Trust Equipment or to furnish same to railroad companies for use upon lines of railroad or sublet same, it will cause each such Affiliate (including, without limitation, North American Car (Canada) Limited) to execute an assignment of Leases to the Trustee containing the same provisions as contained in this Section 5.11 substituting such Affiliate for the Company therein.

(i) The Company covenants that, together with the financial statements delivered pursuant to Section 7.02(b), it will deliver to the Trustee (i) an Officers' Certificate containing a description of all Leases as of the date of such financial statements, (ii) a list describing each Lease with a term of three or more years executed during the preceding calendar year, and (iii) a document or documents in form satisfactory to the Trustee confirming the assignment to the Trustee of each and every Lease executed during the preceding calendar year under and pursuant to the provisions hereof and of all rents, proceeds and other monies due or to become due in respect of the Trust Equipment thereunder. The Trustee may at any time, at the request of the holders of 25% in principal amount of Trust Certificates at the time outstanding, require the Company to deliver to it comparable lists and confirming documents with respect to any existing Leases (irrespective of the terms of such Leases).

**SECTION 5.12. Indemnity.** The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, including, without limitation, against any and all claims arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states or other jurisdictions in which the Trust Equipment, or any thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of anybody having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances, or resistance to pressure; *provided* that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

## ARTICLE VI.

### REMEDIES IN EVENT OF DEFAULT

**SECTION 6.01. Events of Default.** The Company covenants and agrees that in case

(a) the Company shall default in the payment of any part of the rental payable hereunder, when the same shall have become due and payable, or

(b) the Company or any Affiliate of the Company to which any of the rights of the Company hereunder shall have been assigned in conformity with the provisions of this Trust Agreement shall make or suffer any unauthorized assignment or transfer of its rights

hereunder or shall make any unauthorized transfer or sublease of any of the Trust Equipment, or, except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or sublease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancellation and recovery of possession, or within such 30 days to deposit with the Trustee a sum in cash equal to the Cost, or, in the case of Equipment conveyed to the Trustee pursuant to Section 5.06 or 5.08 hereof, the fair value (as of the date of conveyance) determined as provided in subparagraph (i) of the fifth paragraph of Section 5.06, of the Trust Equipment so assigned or transferred or subleased or the possession of which shall have been parted with otherwise than as herein authorized, as certified to the Trustee pursuant to Section 4.03 or Section 5.06 or 5.08 (any sum so deposited to be returned to the Company upon the cancellation of such assignment, transfer or sublease and the recovery of possession by the Company or such Affiliate of the Company of such Trust Equipment), or

(c) the Company shall default in the performance of any covenant contained in Section 5.09 (as to maintenance of insurance), Section 7.02 (if such failure shall continue for more than 30 days), Section 7.05(c), Section 7.05(e) or Section 7.06, or

(d) the Company shall, for more than 30 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(e) the lease provided for herein shall be terminated by operation of law, or

(f) the Company or any Significant Subsidiary shall (i) admit in writing its inability to pay its debts generally as they become due, (ii) file a petition in bankruptcy or commence proceedings under any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution or liquidation law or statute now or hereafter in effect, (iii) make an assignment for the benefit of its creditors, (iv) consent to the appointment of a receiver of itself or of the whole or any substantial part of the trust estate, or (v) on a petition in bankruptcy filed against the Company or any Significant Subsidiary, be adjudicated a bankrupt, or

(g) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the debtor, a receiver of the Company or any Significant Subsidiary or of the whole or any substantial part of the Trust Equipment, and such order, judgment or decree shall not be vacated or set aside or stayed within 60 days from the date of such appointment, or

(h) a court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against the Company or any Significant Subsidiary under any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution or liquidation law or statute now or hereafter in effect, and such order, judgment or decree shall not be vacated or set aside or stayed within 60 days from the date of the entry of such order, judgment or decree, or a stay of such proceedings be thereafter set aside, or

(i) under the provision of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Company or any Significant Subsidiary or of the whole or any substantial part of the Trust Equipment, and such custody or control shall not be terminated within 60 days from the date of assumption of such custody or control, or

(j) default shall be made by the Company in the performance of section 6 of the Purchase Agreements, which default shall continue for more than 30 days, or default shall be made by the Company in the performance or observance of any of the other covenants, agreements or conditions on its part in the Purchase Agreements or there shall be any material breach of any of the representations and warranties of the Company contained in the Purchase Agreements,

then, in any such case (herein sometimes called an "Event of Default"), the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals thereafter payable by the Company as set forth in Section 5.04 and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the rate of 10<sup>3</sup>/<sub>4</sub>% per annum, to the extent legally enforceable, on any portion thereof overdue.

In case one or more Events of Default shall happen, the Trustee in its discretion also may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Section 5.04(c) or (d) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of five days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under the Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in

bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith.

All rights of action and to assert claims under this Trust Agreement or under any of the Trust Certificates may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Trust Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

**SECTION 6.02. Remedies.** In case of the happening of any Event of Default, the Trustee may by its agents enter upon the premises of the Company and of any Affiliate of the Company or of any sublessee where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from such premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid *per diem*, mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease the Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company as provided in Section 6.01 hereof) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, in so far as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided. Upon any such sale, the Trustee itself or any holder of a Trust Certificate may bid for the property offered for sale or any part thereof and shall have the right to credit on the purchase price any and all sums of money due and payable on the Trust Certificates or otherwise hereunder, *provided* that the rights of the Trustee or any holder of a Trust Certificate shall be subject to the rights of sublessees of Trust Equipment under existing subleases (including without limitation their rights to purchase Trust Equipment) to the extent such rights of such sublessees are not effectively subordinated. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company

shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 5.04 (other than interest not then accrued) whether or not they shall have then matured.

In the case of the happening of any Event of Default, the Trustee may, whether or not the Trustee shall concurrently exercise any other remedy provided in this Article VI or by law, terminate the agency provided for in Section 5.11 and collect the rentals, proceeds and other moneys assigned pursuant to Section 5.11.

**SECTION 6.03. *Application of Proceeds.*** If, in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee hereunder, and the proceeds of every sale or lease by the Trustee hereunder of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (including without limitation any Deposited Cash, Replacement Funds (as defined in Section 10.04), Investment Securities or amounts drawn under Letters of Credit), shall be applied by the Trustee to the payment, in the following order or priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Trust Agreement and (b) of the interest then due, with interest on overdue interest at the rate of 10 $\frac{3}{4}$ % per annum to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the rate of 10 $\frac{3}{4}$ % per annum to the extent legally enforceable from the last preceding interest payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal and interest.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

**SECTION 6.04. *Waivers of Default.*** Prior to the declaration of the acceleration of the maturity of the rentals or of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of not less than 66 $\frac{2}{3}$ % in aggregate principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past Event of Default and its consequences, except an Event of Default in the payment of any instalment of rental payable pursuant to Section 5.04(c) or (d), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 6.01 provided, but before September 30, 1996, all arrears of rent (with interest at the rate of 10 $\frac{3}{4}$ % per annum upon any overdue instalments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates, and any other rental instalments, which shall not at the time have matured according to their terms) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or

performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of not less than 66⅔% in principal amount of the Trust Certificates then outstanding according to their terms, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

**SECTION 6.05. *Obligations of Company Not Affected by Remedies.*** No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company under the guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and interest on the Trust Certificates.

**SECTION 6.06. *Company to Deliver Trust Equipment to Trustee.*** In case the Trustee shall rightfully demand possession of any of the Trust Equipment in pursuance of this Trust Agreement, the Company will, at its own expense, forthwith and in the usual manner and at usual speed, cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. The performance of the foregoing covenant is of the essence of this Trust Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

**SECTION 6.07. *Trustee to Give Notice of Default.*** The Trustee shall give to the holders of the Trust Certificates notice of each default hereunder known to the Trustee within 30 days after the occurrence thereof, unless such default shall have been remedied or cured before the giving of such notice.

**SECTION 6.08. *Limitations on Suits by Holders of Trust Certificates.*** No holder of any Trust Certificate shall have any right by virtue or by availing of any provision of this Trust Agreement to institute any action or proceedings at law or in equity or in bankruptcy or otherwise, upon or under or with respect to this Trust Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder previously shall have given to the Trustee written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the holders of not less than 25% in aggregate principal amount of the Trust Certificates then outstanding shall have made written request to the Trustee to institute such action or proceedings in its own name as trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 30 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.10; it being understood and intended that no one or more holders of Trust Certificates shall have any right in any manner whatever, by virtue or by availing of any provision of this Trust

Agreement, to affect, disturb, or prejudice the rights of any other holder of Trust Certificates, or to obtain or seek to obtain priority over or preference to any other such holder or to enforce any right under this Trust Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Trust Certificates. For the protection and enforcement of the provisions of this Section 6.08, each and every holder of a Trust Certificate and the Trustee shall be entitled to such relief as can be given either at law or in equity.

SECTION 6.09. *Unconditional Right of Holders of Trust Certificates to Sue for Principal and Interest.* Notwithstanding any other provision in this Trust Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of and interest on such Trust Certificate, on or after the respective due dates expressed in such Trust Certificates, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, except no such suit shall be instituted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the title reserved under this Trust Agreement upon any property subject hereto.

SECTION 6.10. *Control by Holders of Trust Certificates.* The holders of not less than 66⅔% in aggregate principal amount of the Trust Certificates at the time outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided* that, subject to the provisions of Section 10.02, the Trustee shall have the right to decline to follow any such direction if the Trustee being advised by counsel shall determine that the action so directed may not lawfully be taken.

SECTION 6.11. *Remedies Cumulative.* The remedies in this Trust Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity, and any such remedies shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent such requirements may not be waived on the part of the Company.

## ARTICLE VII.

### ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY

SECTION 7.01. *Guaranty of Company.* The Company covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable (whether at stated maturity or at a date fixed for a sinking fund payment or by declaration or otherwise), in accordance with the provisions thereof or of this Trust Agreement (and, if not so paid, with interest thereon until paid at the rate of 10¾% per annum to the extent legally enforceable), and shall receive interest thereon in like money at the rate specified therein, at the times and places and otherwise as expressed in the Trust Certificates (and, if not so paid, with interest thereon until paid at the rate of 10¾% per annum to the extent legally enforceable); and the Company further covenants and agrees to endorse upon each of the Trust Certificates, at or

before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the interest thereon, in substantially the form hereinbefore set forth. Such guaranty is an absolute, present and continuing guaranty of payment and not of collectibility, and is in no way conditioned or contingent upon any attempt to collect from the Trustee or to realize upon any security provided therefor, or upon any other condition or contingency. Such guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual signature of its President or a Vice President. In case any officer of the Company whose signature shall appear on such guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed such guaranty had not ceased to be or had then been such officer.

All expense incident to such recording and filing shall be paid by the Company;

(d) furnish to the Trustee, not more than three months after the anniversary in each year, commencing with the year 1977, of the first recording or filing of this Trust Agreement, an Opinion of Counsel stating either that, in the opinion of such counsel, (i) such action has been taken with respect to the recording, filing, rerecording and refiling of this Trust Agreement and each supplement and separate assignment as is necessary for the proper perfection and protection of the title and interests of the Trustee under this Trust Agreement (subject to the limitation of subparagraph (b) of this Section 7.05) in and to the Trust Equipment and the assignment of Leases and payments under such Leases required by Section 5.11 hereof and the rights of the Trustee and holders of the Trust Certificates hereunder and thereunder and reciting the details of such action, or (ii) no such action is necessary for any of such purposes, and in rendering such opinion, such counsel may rely upon an Officers' Certificate as to (a) the units of Trust Equipment with respect to which no filings have been made in Canada or Mexico, (b) the aggregate Cost and fair value of such Trust Equipment, (c) the aggregate Cost and fair value of all Trust Equipment and (d) all factual matters relating to the assignments required by Section 5.11 hereof;

(e) promptly pay and discharge, or cause to be paid and discharged, when due or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment; but this provision shall not require the payment of any

such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect;

(f) do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and franchises and use its best efforts to preserve and keep in full force and effect its rights, permits and licenses to do business, *provided* that nothing in this subparagraph (f) shall prevent the abandonment of any rights, permits or licenses to do business of the Company if such rights, permits or licenses are not required in the conduct of the Company's operations as may be reasonably determined by the Company; and

(g) comply, and will cause each of its Subsidiaries to comply, in all respects with the laws (including, without limitation, applicable statutes, regulations, orders and restrictions relating to equal employment opportunities and environmental standards or controls) of all jurisdictions in which the Equipment may be operated and with all lawful rules, regulations and orders of all governmental bodies having power to regulate or supervise any of the Equipment, *provided* that the Company may in good faith contest the validity of such law, rule, regulation or order or the application thereof to the Equipment or any part thereof in any reasonable manner which will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates.

**SECTION 7.06. *Merger, Consolidation, Transfer of Assets.*** The Company will not merge into or consolidate or amalgamate with another corporation or sell, lease, transfer or otherwise dispose of all or any substantial part of its property or assets to another corporation, unless (i) the corporation formed by or surviving any such merger, consolidation or amalgamation or to which such sale, lease, transfer or disposition shall have been made shall be a corporation organized under the laws of the United States of America or any state thereof, (ii) the Company (if it shall survive such transaction) shall remain bound with respect to, and such other corporation shall have expressly assumed by supplemental trust agreement (which supplemental trust agreement shall be satisfactory in substance and form to the Trustee and to special counsel for the holders of the Trust Certificates), the due and punctual payment of the principal of and interest on all of the Trust Certificates and the due and punctual performance and observance of all the covenants and conditions of this Trust Agreement and the Purchase Agreements, respectively, to be performed and observed by the Company, and (iii) immediately after giving effect to such transaction (and any such assumption), no condition or event shall exist which constitutes or which, after notice or lapse of time or both, would constitute an Event of Default.

**SECTION 7.09. *Notice of Failure to Comply.*** The Company covenants forthwith to give written notice to the Trustee of any failure to comply with any covenant of the Company in this Trust Agreement.

Proof of the execution of any such demand, request, consent or other instrument, or of a writing appointing any such attorney, and of the holding by any person of the Trust Certificates shall be sufficient for any purpose of this Trust Agreement if made in the following manner:

(a) The fact and date of the execution by any person of such demand, request, consent or other instrument or writing may be proved by the certificate of any notary public, or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he acts, that the person signing the same acknowledged to him the execution thereof, or by an affidavit of a witness of such execution. The Trustee may nevertheless in its discretion require further proof in cases where it deems further proof desirable.

(b) The ownership of Trust Certificates shall be proved by the registry books.

The Trustee shall not be bound to recognize any person as a holder of a Trust Certificate unless and until his title to the Trust Certificates held by him is proved in the manner in this Article VIII provided.

Any demand, request or consent of the holder of any Trust Certificate shall bind all future holders of the same Trust Certificate, or any Trust Certificate or Trust Certificates issued in exchange therefor, in respect of anything done or suffered by the Company or the Trustee in pursuance thereof.

In determining whether the holders of the requisite aggregate principal amount of Trust Certificates have concurred in any direction, waiver or consent in this Trust Agreement, Trust Certificates which are owned by the Company, any other obligor upon the Trust Certificates (whether or not theretofore issued) or any Affiliate of the Company shall be disregarded and deemed not to be outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

## ARTICLE IX.

## ARTICLE X.

### THE TRUSTEE

SECTION 10.01. *Expenses, Compensation and Certain Rights and Obligations.* The Trustee accepts the trusts created by this Trust Agreement upon the terms and conditions hereof, including the following, to all of which the parties hereto and the holders from time to time of the Trust Certificates agree:

(a) The Trustee shall be entitled to reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and such compensation, as well as the reasonable compensation of its counsel, and all other reasonable expenses incurred by the Trustee hereunder, and all taxes which may have been assessed against the Trustee as such or against any funds on deposit with the Trustee hereunder which the Trustee may be required or permitted by law to deduct from such deposit and to pay, which the Company agrees to pay promptly on demand from time to time as such services shall be rendered and as such expenses shall be incurred. In default of such payment by the Company, the Trustee shall have a lien therefor on the property and moneys held by the Trustee hereunder prior to any rights in such property or moneys of the holders of the Trust Certificates. The Company also agrees to indemnify the Trustee for and to hold it harmless against any loss, liability or expense incurred without negligence or bad faith on the part of the Trustee arising out of or in connection with the acceptance or administration of the trusts contained in this Trust Agreement, as well as the costs and expenses of defending against any claim of liability in the premises.

(b) The Trustee may execute any of the trusts or powers hereof and perform any duty hereunder either directly or indirectly or by or through its agents or attorneys.

(c) The Trustee shall not be responsible in any manner whatsoever for the correctness of the recitals herein or in the Trust Certificates, all of which are made by the Company solely; and the Trustee shall not be responsible or accountable in any manner whatsoever for or with respect to the validity or execution or sufficiency of this Trust Agreement, or of any trust agreement supplemental hereto, or of the Trust Certificates, or for the value of the property held by the Trustee hereunder or any part thereof, or for the title of the Trustee thereto, or for the security afforded thereby and hereby, or for the validity of any securities at any time held hereunder, and the Trustee makes no representation with respect thereto, except that the Trustee hereby represents and warrants that this Trust Agreement has been, and the Trust Certificates will be, duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such documents on its behalf.

(d) The Trustee shall not be under any obligation to exercise any of the trusts or powers hereof at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Trust Agreement, unless such holders of the Trust Certificates shall have offered to the Trustee security or indemnity satisfactory to it (in the case of Trust Certificates held by a purchaser named in the Schedule of Purchasers to the Purchase Agreements, the written personal guaranty of such holder shall be satisfactory) against the cost, expenses and liabilities to be incurred therein or thereby; nothing herein

contained shall, however, relieve the Trustee of the obligation, upon the occurrence of an Event of Default (which has not been cured), to exercise such of the rights and powers vested in it by this Trust Agreement, and to use the same degree of care and skill in its exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(e) The Trustee may consult with counsel, and, to the extent permitted by Section 10.02, the advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the advice of such counsel which is not contrary to the express provisions of this Trust Agreement.

(f) The Trustee, to the extent permitted by Section 10.02, may rely upon the certificate of the Secretary or one of the Assistant Secretaries of the Company as to the adoption of any resolution by the Board of Directors or stockholders thereof.

(g) Any action taken by the Trustee pursuant to any provision hereof at the request or with the consent of any person who at the time is the holder of any Trust Certificate shall be conclusive and binding in respect of such Trust Certificate upon all future holders thereof, or of any Trust Certificate or Trust Certificates issued in exchange therefor, whether or not any such Trust Certificate or Trust Certificates shall have noted thereon the fact that such request or consent had been made or given.

(h) The Trustee shall not be personally liable in case of entry by it upon or possession and operation of property constituting the trust estate for debts contracted or liability or damages incurred in the management or operation of such property.

(i) The Trustee, to the extent permitted by Section 10.02, may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, *provided* that to the knowledge of the Trustee, the foregoing instruments are not contrary to the express provisions of this Trust Agreement applicable thereto. In all cases where this Trust Agreement does not make other express provision as to evidence on which the Trustee may act or refrain from acting, the Trustee shall be protected, to the extent permitted by Section 10.02, in acting or refraining from acting under any provision of this Trust Agreement in reliance upon an Officers' Certificate as to the existence or non-existence of any fact or facts.

(j) Any moneys at any time held by the Trustee or any paying agent hereunder shall until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

**SECTION 10.02. *Duties of Trustee; Extent of Liability.*** Anything in this Trust Agreement contained to the contrary notwithstanding:

(a) unless and until an Event of Default shall have happened and be continuing,

(i) the Trustee shall not be liable except for the performance of such duties as are specifically set out in this Trust Agreement, and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee, whose duties and obligations shall be determined solely by the express provisions of this Trust Agreement; and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, in the absence of bad faith on the part of the Trustee, upon certificates or opinions furnished to it pursuant to the express

provisions of and conforming to the requirements of this Trust Agreement; but in the case of any such certificates or opinions, which, by the provisions of this Trust Agreement, are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Trust Agreement;

(b) the Trustee shall not be personally liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be personally liable to any holder of Trust Certificates or to any other person with respect to any action taken or omitted to be taken by it in good faith, in accordance with the direction of the holders of 66 $\frac{2}{3}$ % in principal amount of Trust Certificates at the time outstanding, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee by this Trust Agreement.

If an Event of Default hereunder shall have happened, then, so long as the same shall be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Trust Agreement, and shall use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

**SECTION 10.03. *Application of Rentals.*** The Trustee agrees to apply the rentals received by it under Section 5.04 when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 5.04.

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Trust Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Trust Agreement or of any supplement hereto or statement of new serial numbers.

**SECTION 10.04. *Funds May be Held by Trustee; Investments.*** Any funds at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, and the Trustee will allow interest upon any such moneys held by it in trust at the rate generally allowed by it upon deposits of a similar character.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Sections 5.06, 5.08 or 5.09 (hereinafter in this Section called Replacement Funds) in Investment Securities, at such prices, not in excess of fair market value at the time of investment, including any premium and accrued interest, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates. Such Investment Securities may be purchased from or through the Bond Department of the Trustee.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment or for payment of the principal of or interest on any Trust Certificate, sell such Investment Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities, including accrued interest, or apply such proceeds to the payment of said principal or interest if and to the extent such proceeds are needed therefor.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 5.04(a), an amount equal to any expenses incurred in connection with any purchase or sale of Investment Securities and also an amount equal to any loss of principal incident to the sale or redemption of any Investment Securities for a sum less than the amount paid therefor, including accrued interest.

The Company, if not to the knowledge of the Trustee in default, shall be entitled to receive any interest allowed as provided in the first paragraph of this Section and any interest (in excess of accrued interest paid from Deposited Cash at the time of purchase) or other profit which may be realized from any sale or redemption of Investment Securities.

**SECTION 10.05. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title.*** The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto or otherwise.

The Trustee may perform its powers and duties with respect to the delivery and acceptance of the Trust Equipment by or through such attorneys, agents and servants as it shall appoint, and shall be answerable only for its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney, agent or servant appointed by it in respect thereof with reasonable care.

**SECTION 10.06. *Resignation of Trustee upon Failure to Maintain Certain Qualifications.*** If the Trustee shall at any time cease to be a bank or trust company in good standing organized and doing business under the laws of the United States or of the State of Illinois and having a combined capital and surplus of not less than \$60,000,000 (\$100,000,000 in the case of any Trustee which is not the original Trustee hereunder) which is authorized under the laws of the jurisdiction of incorporation to exercise corporate trust powers and is subject to supervision or examination by Federal or state authority, then the Trustee shall resign within 30 days thereafter, such resignation to become effective upon the appointment of a successor trustee and such successor's acceptance of such appointment. If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, the combined capital and surplus of the Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If the Trustee shall fail or refuse to resign within such period, then (a) the Trustee shall, within ten days after the expiration of such period, transmit notice of such failure or refusal to the holders of the Trust Certificates in the manner and to the extent provided in Section 10.10; and (b) any holder of Trust Certificates, who has been the bona fide holder of a Trust Certificate for at least six months, may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee so failing or refusing to resign and the appointment of a successor.

**SECTION 10.07. *Resignation and Removal; Successor Trustees.*** The Trustee or any successor may resign and be discharged from the trust hereby created by giving notice thereof to the Company specifying the date when such resignation shall take effect, and by giving notice thereof to the holders of Trust Certificates, in the manner and to the extent provided in Section 10.10. Such resignation shall take effect on the date specified in such notice unless previously a successor shall have been appointed as hereinafter provided, in which event such resignation shall take effect upon the appointment of such successor.

The Trustee, or any successor, may be removed at any time by an instrument or instruments in writing delivered to the Trustee and to the Company and a successor may be appointed by an

instrument or instruments in writing delivered to such successor and to the Company, in each case signed by the holders of a majority in principal amount of Trust Certificates at the time outstanding or by their duly authorized attorneys-in-fact.

Until a successor shall be appointed by the holders of the Trust Certificates or a court of competent jurisdiction as herein authorized, the Company, by an instrument executed by order of its Board of Directors, shall appoint a successor to fill the vacancy.

If in a proper case no appointment of a successor shall be made pursuant to the foregoing provisions of this Article X within six months after a vacancy shall have occurred, the holder of any Trust Certificate or the Trustee so retiring may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor.

Every successor to the Trustee so appointed by the holders of the Trust Certificates, by a court of competent jurisdiction or by the Company shall be a bank or trust company in good standing organized and doing business under the laws of the United States or of any state and having a combined capital and surplus of not less than \$100,000,000, which is authorized under the laws of the jurisdiction of incorporation to exercise corporate trust powers and is subject to supervision or examination by a Federal or state authority. If such successor publishes reports of condition at least annually, pursuant to laws or to the requirements of said supervising or examining authority, the combined capital and surplus of such successor shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

**SECTION 10.08. *Successor Trustees.*** Any successor to the Trustee appointed under any of the methods herein provided shall execute, acknowledge and deliver to its predecessor trustee and to the Company an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with the estates, properties, rights, powers and trusts of its predecessor in the trust hereunder with like effect as if originally named as the Trustee herein; but such predecessor shall, nevertheless, at the written request of the successor, execute and deliver an instrument transferring to the successor all the estates, properties, rights, powers and trusts of such predecessor hereunder and shall duly assign, transfer and deliver all property and moneys held by it to its successor. Should any instrument in writing from the Company be required by any successor for more fully and effectually vesting in and confirming to it all estates, properties, right, powers and duties as trustee hereunder, the Company upon the request of such successor, shall make, execute and deliver the same. The Company shall promptly give notice of the appointment of such successor to the holders of the Trust Certificates in the manner and to the extent provided in Section 10.10.

**SECTION 10.09. *Merger or Consolidation of Trustee.*** Any corporation into which the Trustee or any successor to it in the trust created by this Trust Agreement may be merged, or with which it or any successor to it may be consolidated, or any corporation resulting from any merger or consolidation to which the Trustee or any successor to it shall be a party, shall be the successor to the Trustee under this Trust Agreement without the execution or filing of any instruments or any further act on the part of any of the parties hereto.
