(c) Subject to any limitation stated therein or in connection therewith, all information furnished to Secured Party concerning the Collateral and proceeds thereof, or otherwise for the purpose of obtaining credit or an extension of credit, is or will be at the time the same is furnished, accurate and correct in all material respects.

(d) The Collateral will be used by the Debtor primarily for:

- Personal, family or household purposes;

Debtor agrees to notify Secured Party promptly of any change in such address.

III. PROVISIONS REGARDING ACCOUNTS. The following provisions shall apply to all accounts included within the Collateral:

(a) Although it will be within Secured Party's discretion whether to make loans under this agreement, Debtor understands that Secured Party intends to limit its loans, advances or other extensions of credit so that the maximum aggregate principal amount at any one time remaining unpaid on all Obligations of Debtor to secured Party secured hereby shall not be in excess of _____ % of the aggregate amount owing to the Debtor for shipments of products previously made and for services rendered for which invoices have been issued and in respect of which the Debtor has furnished Secured Party with the assignments and other information required hereunder (such maximum ceiling on loans being hereinafter sometimes referred to as the "Loan Formula"). Debtor warrants that each and all of the accounts at any time included in the computation of the Loan Formula will be paid in full on or before _____ days from the respective dates of the billing thereof, and accounts which remain unpaid in whole or in part beyond such period or in respect of which set-offs, defenses or counterclaims are claimed by the account debtor shall not be included in the Loan Formula. Notwithstanding the delivery of an assignment or identification pursuant hereto or the making of any loan in connection therewith, Secured Party may within 20 days after the date of each such assignment or identification, respectively, by notice in writing to the Debtor reject as unacceptable any one or more or all of the accounts included in such assignment or identification; and in the event of any such rejection the Debtor shall forthwith pay and apply on its indebtedness to Secured Party an amount equal to the Loan Formula value of such rejected account or accounts and such account or accounts shall not thereafter be included in the Loan Formula. Any such rejection may be for any reason deemed by Secured Party to be sufficient and notice of such rejection shall be deemed sufficiently given if mailed to the Debtor by Secured Party within such 20-day period.

(b) The term "account", as used herein shall have the same meaning as set forth in the Uniform Commercial Code of Texas in effect as of the date of execution hereof, and as set forth in any amendment to the Uniform Commercial Code of Texas to become effective after the date of execution hereof, and shall include all accounts, notes, instruments, documents, general intangibles, drafts, acceptances and chattel paper in which at any time or from time to time Secured Party has or is intended to have a security interest pursuant to Section I hereof. As of the time any account becomes subject to such security interest, Debtor shall be deemed to have warranted as to each and all of such accounts (i) that each account and all papers and documents relating thereto are genuine and in all respects what they purport to be, (ii) that each account is valid and subsisting and arises out of a bona fide sale of goods sold and delivered to, or out of and for services theretofore actually rendered by the Debtor to, the account debtor named in the account, (iii) that the amount of the account represented as owing is the correct amount actually and unconditionally owing except for normal cash discounts and is not subject to any set-offs, credits, deductions or counter-charges, (iv) that the Debtor is the owner thereof free and clear of all liens, encumbrances and security interest of any and every nature whatsoever.

(c) Secured Party shall have the right in its own name or in the name of the Debtor, whether before or after default by the Debtor, to demand, collect, receive, receipt for, sue for, compound and give acquittal for, any and all amounts due or to become due on the accounts and to endorse the name of the Debtor on all commercial paper given in payment or part payment thereof, and in its discretion to file any claim or take any other action or proceeding which Secured Party may deem necessary or appropriate to protect and preserve and realize upon the Security Interest of Secured Party in the Collateral. In order to assure collection of receivables in which Secured Party has a security interest hereunder, Secured Party may notify the post office authorities to change the address for delivery of mail addressed to Debtor to such address as Secured Party may designate, and to open and dispose of such mail and receive the collections of accounts receivable included herewith.

(d) Debtor will from time to time execute such further instruments and do such further acts and things as Secured Party may reasonably require by way of further assurance to Secured Party of the matters and things herein provided for. Without limiting the foregoing Debtor agrees to execute and deliver to Secured Party an assignment or other form of identification in the form required by Secured Party of all accounts at any time included in the computation of the Loan Formula, together with such other evidence of the existence and identity of such accounts as Secured Party may reasonably require; and Debtor will mark its books and records to reflect the assignment of any such accounts, or other accounts which are included within the Security Interest specified in Section I hereof. Debtor will accompany each transmission of proceeds to Secured Party pursuant to subparagraph (a) above with a report in such form as Secured Party may require in order to identify the accounts to which such proceeds apply.

(e) Returned or repossessed goods arising from or relating to any accounts included within the security interest specified in Section I hereof shall if requested by Secured Party be held separate and apart from any other property. Debtor shall as often as requested by Secured Party, but not less often than weekly even though no special request has been made, report to Secured Party the appropriate identifying information with respect to such returned or repossessed goods relating to accounts included in assignments, or identifications made pursuant hereto. At the same time the Debtor shall report the appropriate identifying information with respect to all accounts included in such assignments or identifications which remain unpaid in whole or in part beyond the period specified in the third sentence of the first paragraph of Section III hereof, or in respect of which set-offs, defenses or counterclaims are claimed by the account debtor. The Debtor shall forthwith pay and apply on its indebtedness to Secured Party an amount equal to the Loan Formula value of all accounts included in such reports.

IV. PROVISIONS REGARDING INVENTORY. The following provisions shall apply to all inventory included within the Collateral:

(a) As used herein, "Net Security Value of Inventory" shall mean the net value of all inventory after taking into account charges, liens and security interests (other than the interest of Secured Party), of all kinds against inventory, changes in the market value thereof, and all transportation, processing and other handling charges affecting the value thereof, all as determined by Secured Party in its sole discretion, which determination shall be final and binding upon Debtor. The term "Borrowing Base" shall mean an amount equal to _____ % of the Net Security Value of Inventory. Whenever the Borrowing Base is used as a measure of loans, it shall be computed as of and applied to the loans outstanding at the time in question.

(b) Although it is within Secured Party's discretion whether to extend credit pursuant hereto, Debtor understands Secured Party will use the Borrowing Base as a maximum ceiling on loans. Debtor agrees that, unless otherwise agreed by Secured Party in writing, the outstanding principal balance of loans hereunder together with interest due and unpaid thereon will at no time exceed the Borrowing Base, and agrees that if at any such time such excess shall arise, Debtor shall make payments in cash, on demand, in reduction of such interest and principal, in such amount as may be necessary to eliminate such excess.

(c) Debtor shall immediately notify Secured Party of any event causing loss or depreciation in value of the Collateral and the amount of such loss or depreciation, which amount shall be immediately reflected in the Net Security Value of Inventory unless otherwise agreed by Secured Party in writing. Debtor will deliver to Secured Party prior to the 10th day of each month a report, in form satisfactory to Secured Party, with respect to the last preceding month, showing Debtor's opening inventory, inventory acquired, inventory sold and delivered, inventory sold and held for future delivery, inventory returned or repossessed, inventory used or consumed in Debtor's business and closing inventory.

(d) Debtor will promptly notify Secured Party in writing of any addition to, change in or discontinuance of its place(s) of business as shown in this agreement, the places at which inventory is located as shown herein, the location of its chief executive office and the location of the office where it keeps its records as set forth herein. All Collateral will be located at the place(s) of business shown at the beginning of this agreement and in Section I as modified by any notice(s) given pursuant hereto.

(e) Until default, Debtor may use the inventory in any lawful manner not inconsistent with this agreement or with the terms or conditions of any policy of insurance thereon and may also sell that part of the Collateral consisting of inventory provided that all of such sales are in the ordinary course of business. A sale in the ordinary course of business does not include a transfer in partial or total satisfaction of a debt. Until default, Debtor may also use and consume any raw materials or supplies, the use and consumption of which are necessary in order to carry on Debtor's business.

(f) All accounts which are proceeds of the inventory collateral covered hereby shall be subject to all of the terms and provisions hereof pertaining to accounts.

V. GENERAL COVENANTS.

(a) Debtor will furnish to Secured Party a landlord's waiver of all liens with respect to any Collateral covered by this Security agreement which is or may be located upon leased premises, such landlord's waiver to be in the form acceptable to counsel for Secured Party.

(b) Debtor agrees to execute and deliver such Financing Statement or Statements, or amendments thereof or supplements thereto, or other instruments as Secured Party may from time to time require in order to comply with the Texas Uniform Commercial Code (or other applicable State law of the jurisdiction where any of the Collateral is located) and to preserve and protect the security interest hereby granted.

(c) Secured Party may, at its option, whether before or after default, but without obligation to the Debtor, discharge taxes, liens or security interests or other encumbrances at any time levied or placed upon the Collateral, and may place and pay for insurance thereon, or pay for the repair, improvement, maintenance and preservation of the Collateral and pay any filing or recording fees necessary to preserve and protect the security interest hereby granted. The Debtor agrees to reimburse Secured Party on demand for any payment made or any expense incurred by the Secured Party pursuant to the foregoing authorization, and such amount shall constitute additional obligations of Debtor which shall be secured by and entitled to the benefits of this Security Agreement.

(d) Secured Party shall have the right at any time, in its own name or in the name of Debtor, whether before or after default by Debtor, to notify any and all account debtors to make payment thereof directly to Secured Party and to demand, collect, receive, receipt for, sue for, compound for and give acquittal for, any and all amounts due or to become due on the accounts and to endorse the name of the Debtor on all commercial paper given in payment or part payment thereof, and in its discretion to file any claim or take any other action or proceeding which Secured Party may deem necessary or appropriate to protect and preserve and realize upon the Security Interest of Secured Party in the Collateral; but to the extent Secured Party does not so elect, Debtor shall continue to collect the accounts. Except as otherwise permitted by the proviso to this sentence, all proceeds of collection of accounts received by the Debtor shall forthwith be accounted for and transmitted to Secured Party in the form as received by Debtor and shall not be commingled with any funds of the Debtor; provided, however, that prior to default by Debtor in the payment of any Obligations to Secured Party or until the privilege given to Debtor by this proviso shall be revoked by Secured Party in writing, the Debtor need transmit to Secured Party only the proceeds of accounts included in the identification or assignment made pursuant to Section III (d) hereof.

(e) Debtor shall at all reasonable times allow Secured Party by or through any its officers, agents, attorneys or accountants, to examine or inspect the Collateral wherever located and to examine, inspect and make extracts from Debtor's books and records. Debtor shall do, make, execute and deliver all such additional and further acts, things, deeds, insurances, instruments as Secured Party may require, to more completely vest in and assure to Secured Party its rights hereunder and in or to the Collateral.

(f) Debtor shall have and maintain insurance at all times with respect to all tangible collateral covered hereby insuring against risks of fire (including so-called extended coverage), theft and other risks as Secured Party may reasonably require, containing such terms, in such form and amounts and written by such companies as may be reasonably satisfactory to Secured Party, all of such insurance to contain loss payable clauses in favor of Secured Party as its interest may appear. All policies of insurance shall provide for ten (10) days written minimum cancellation notice to Secured Party and at request of Secured Party shall be delivered to and held by it. Secured Party is hereby authorized to act as attorney for Debtor in obtaining, adjusting, settling and cancelling such insurance and endorsing any drafts. Secured Party shall be authorized to apply the proceeds from any insurance to the Obligations secured hereby whether or not such Obligations are then due and payable.

(g) Any and all deposits or other sums at any time credited by or due from Secured Party to Debtor shall at all times constitute additional security for the Obligations and may be set off against any obligation at any time whether or not they are then due or other security held by Secured Party is considered by Secured Party to be adequate. At any time after default, any and all instruments, documents, policies and certificates of insurance, securities, goods, accounts, choses in action, chattel paper, general intangibles, cash, property and the proceeds thereof owned by Debtor or in which Debtor has an interest which after default hereunder are at any time in possession or control of Secured Party or in transit by mail or carrier to or from Secured Party or in the possession of a third party acting for Secured Party's benefit, without regard to whether Secured Party receives the same in pledge, for safekeeping, as agent for collection or transmission or otherwise, shall constitute additional security for obligations of Debtor and may be applied at any time toward Obligations which are then due whether by acceleration or otherwise.

(h) If Secured Party should at any time be of the opinion that the Collateral is not sufficient or has declined or may decline in value, or should Secured Party deem payment of Debtor's Obligations to Secured Party to be insecure, then Secured Party may call for additional Collateral satisfactory to Secured Party, and Debtor promises to furnish such additional security forthwith. The call for additional collateral may be oral, by telegram, or United States mail addressed to Debtor and shall not affect any other subsequent right of Secured Party to exercise the same. Debtor agrees that Secured Party shall have no duty or obligation to collect any account, or to take any other action to preserve or protect the Collateral; however, should Secured Party elect to collect any account, Debtor releases Secured Party from any claim or claims for loss or damage arising from any act or omission in connection with such collection.

VI. EVENTS OF DEFAULT:

(a) Debtor shall be in default under this Security Agreement upon the happening of any of the following events or conditions (herein sometimes called an "Event of Default"): (i) failure of Debtor to pay when due any interest on or any principal or installment of principal of any Obligation of Debtor to Secured Party; (ii) the occurrence of any event which under the terms of any evidence of indebtedness, indenture, loan agreement, security agreement or similar instrument permits the acceleration of maturity of any indebtedness of Debtor to Secured Party, or to others than Secured Party; (iii) any representation or warranty made by Debtor herein or made in any statement or certificate furnished to Secured Party by the Debtor pursuant hereto or in connection with any loan or loans proves incorrect in any material respect as of the date of the making or issuance thereof; (iv) default occurs in the observance or performance by Debtor of any provision of this agreement or of any note, assignment or transfer under or pursuant thereto; (v) the dissolution, termination of existence, insolvency or business failure of the Debtor, or the application for the appointment of a receiver of any part of the property of the Debtor, or the commencement by or against the Debtor of any proceeding under any bankruptcy arrangement, reorganization, insolvency or similar law for the relief of debtors, or by or against any guarantor or surety for the Debtor, or upon the service of any warrant, attachment, levy or similar process in relation to a tax lien or assessment; or (vi) the Collateral becomes, in the judgment of Secured Party, unsatisfactory or insufficient in character or value.

(b) Upon the occurrence of an Event of Default, or if Secured Party deems payment of Debtor's Obligations to Secured Party to be insecure, and at any time thereafter, Secured Party, may, at its option, without notice or demand, to the Debtor, declare all Obligations secured hereby immediately due and payable and Secured Party shall thereupon have the rights and remedies of a Secured Party under the Texas Uniform Commercial Code, including without limitation, the right to sell, lease or otherwise dispose of any or all of the Collateral and to apply the proceeds thereof toward payment of any costs and expenses and attorney's fees and legal expenses thereby incurred by the Secured Party and toward payment of the Obligations in such order or manner as the Secured Party may elect. Secured Party shall have the right to take immediate possession of the Collateral, with or without process of law, and for that purpose Secured Party may enter upon any premises on which the Collateral or any part thereof may be situated and remove the same therefrom. Secured Party may require Debtor to assemble the Collateral and make it available to Secured Party at a place to be designated by the Secured Party which is reasonably convenient to both parties. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Secured Party will send Debtor reasonable notice of the time and place of any public sale thereof or of the time after which any public sale or other disposition thereof is to be made. The requirement of sending a reasonable notice shall be met if such notice is mailed, postage prepaid, to Debtor at the address designated at the beginning of this Security Agreement at least five days before the time of the sale or disposition. Expenses of retaking, holding, repairing, improving, maintaining, preparing for sale, selling or the like shall include Secured Party's reasonable attorneys' fees and legal expenses, plus interest thereon at a rate per annum at all times equal to the highest lawful contract rate permitted by applicable law of the State of Texas, and shall constitute additional Obligations of Debtor which shall be due on demand and which shall be secured by and entitled to the benefits of this Security Agreement. If the proceeds of any sale or other lawful disposition by Secured Party of the Collateral following its retaking, are insufficient to pay the expenses of retaking, repairing, holding, preparing the Collateral for sale, selling it and the like, to satisfy the Obligations of Debtor to Secured Party, then Debtor agrees to pay any deficiency, but Debtor shall be entitled to any surplus if one results after lawful application of all of such proceeds.

(c) Secured Party may remedy any default and may waive any default without waiving the default remedied or without waiving any other prior or subsequent default.

(d) It is the intention of the parties hereto to comply with the usury laws of the State of Texas; accordingly, it is agreed that notwithstanding any provision to the contrary in this Security Agreement, or in any of the documents evidencing the Obligations or otherwise relating thereto, no such provision shall require the payment or permit the collection of interest in excess of the maximum permitted by law. If any excess of interest in such respect is provided for, or shall be adjudicated to be so provided for, in this Security Agreement, or in any of the documents evidencing the Obligations or otherwise relating thereto, then in such event (a) the provisions of this paragraph shall govern and control, (b) neither the Debtor hereof nor his heirs, legal representatives, successors or assigns or any other party liable for the payment hereof, shall be obligated to pay the amount of such interest to the extent that it is in excess of the maximum amount permitted by law, (c) any such excess which may have been collected shall be, at the option of the holder of the instrument evidencing the Obligations, either applied as a credit against the then unpaid principal amount thereof or refunded to the Maker thereof and (d) the effective rate of interest shall be automatically subject to reduction to the maximum lawful contract rate allowed under the usury laws of the State of Texas as now or hereafter construed by the courts having jurisdiction.

(e) The remedies of Secured Party hereunder are cumulative, and the exercise of any one or more of the remedies provided herein shall not be construed as a waiver of any of the other remedies of Secured Party.

VII. GENERAL:

(a) Any provision hereof found to be invalid under the law of the State of Texas, or any other State having jurisdiction, shall be invalid only with respect to the offending provision. All words used herein shall be construed to be of such gender or number as the circumstances require. If this Security Agreement is executed by more than one Debtor, the obligations of all such Debtors shall be joint and several. This Agreement shall be binding upon the heirs, personal representatives, successors or assigns of the parties hereto, but shall inure to the benefit of successor or assigns of the Secured Party only. The law of the State of Texas shall apply to this Agreement and its construction and interpretation.

(b) Any carbon, photographic or other reproduction of any financing statement signed by Debtor is sufficient as a financing statement for all purposes, including without limitation, filing in any state as may be permitted by the provisions of the Uniform Commercial Code of such state.

(c) In order to induce Secured Party to advance and loan such funds to and/or for the benefit of Debtor, Debtor hereby covenants and agrees that in the event of default by the Debtor (an event of default shall be any one of those events of default stated above) that the Secured Party shall have the absolute and unconditional right, without the prior notice and/or any prior hearing of any kind whatsoever, to seize and take possession of the Collateral, and furthermore the Debtor does hereby expressly waive any right to any prior notice and/or any prior hearing prior to seizure and taking possession of the Collateral and/or property by the Secured Party in the event of default by the Debtor.

(d) The security interest hereby granted and all the terms and provisions hereof shall be deemed a continuing security agreement and shall continue in full force and effect, and all the terms and provisions hereof shall remain effective as between the parties, until first to occur of the following: (i) the expiration of four (4) years from the date of payment of Debtor's last obligation to Secured Party; or (ii) repayment by Debtor of all obligations secured hereby and the giving by Debtor of ten (10) days written notice of revocation of the terms and provisions hereof.

1. Owner hereby appoints RLC to manage and otherwise supervise the operation of the Railway Equipment in the name of the Owner, or in the name of RLC, but for the account and on behalf of the Owner pursuant and subject to the terms and conditions set forth in this Agreement.

2. RLC hereby accepts the appointment set forth in Paragraph 1 of this Article I and agrees to perform the duties and obligations set forth herein. Owner acknowledges and agrees that, whereas RLC has accepted the responsibility of managing the Railway Equipment, except as specifically set forth herein to the contrary or as provided by law, RLC shall have the sole function and operative judgment, to be exercised in a reasonable manner, for the leasing, operation and management of the Railway Equipment and for establishing and implementing policies and standards of leasing, operation, service, maintenance, repair, reporting and other such policies and standards affecting the Railway Equipment or the operation, maintenance or repair thereof. RLC shall be entitled to rely upon written or oral instructions received from Owner as to any and all acts to be performed by RLC.

ARTICLE II

Owner's Covenants and Responsibilities

1. Effective on the delivery of the Railway Equipment by Richmond Tank Car Company to Owner, Owner does hereby deliver and release to RLC the Railway Equipment for the management thereof by RLC, and RLC acknowledges delivery and receipt thereof.

2. Except as provided below, Owner shall be responsible for the payment of all expenses incurred in connection with the Railway Equipment, including ad valorem and other taxes, freight, storage, design changes and other modifications required by governmental regulations or technological changes, deductibles under insurance policies, and other expenses, levies or charges, including the Management Fee (as defined in Article V hereof), incurred in connection with the Railway Equipment and the operation and leasing thereof (all of which shall hereinafter be sometimes collectively referred to as the "Expenses"). The Expenses shall not include, however, minor and major repair and maintenance work (including, without limitation, running repairs, cleaning, painting and periodic inspection costs) and insurance premiums as provided herein which shall be paid by RLC.

3. Owner agrees to pay a portion of the aggregate ad valorem, gross receipts, property, or similar taxes levied against all tank cars (including the Railway Equipment) managed or owned by RLC (the "RLC Fleet") in an amount equal to the percentage which the Lease Fees (as defined in Paragraph 1 of Article III) earned by the Railway Equipment are of the gross rental and service charges earned by all tank cars in the RLC Fleet.

4. If the Lease Fees (as defined in Paragraph 1 of Article III) earned by the Railway Equipment are less than the Expenses incurred or reasonably foreseeable in connection with the operation and management of the Railway Equipment hereunder, RLC will so advise the Owner in the Quarterly Report provided for under Article III, Paragraph 8 hereof, including the amount of such deficiency and, if requested by RLC, Owner will remit to RLC within ten days of receipt of the Quarterly Report the amount of such deficiency.

5. Owner agrees to cooperate fully with RLC and to provide all assistance reasonably requested by RLC to carry out its obligations hereunder. This shall include, subject to the provisions of Article VI hereof, full cooperation and assistance in any lawsuit or other similar matter or proceeding before any court or agency.

ARTICLE III RLC's Covenants and Responsibilities

In consideration of the Management Fee provided for hereunder, RLC agrees to utilize reasonable time and efforts to:

1. Collect the rental and service charges earned by the Railway Equipment (the "Lease Fees"). Such duties shall not, however, be deemed to include the filing of a suit to collect such Lease Fees, although RLC may elect to do so at its option but at the expense of Owner, subject to the provisions of Article VI hereof.

2. Use its best efforts to obtain leases for the Railway Equipment for terms not to exceed 71 months and maintain the Railway Equipment under lease throughout the term of this Agreement. RLC agrees not to enter into any lease agreement with respect to the Railway Equipment with a term in excess of one year without the Owner's prior written approval.

3. Comply with the terms and conditions of any lease agreements to which the Railway Equipment is subject during the term hereof. It is understood, however, that before RLC shall be obligated to comply with any lease not negotiated by RLC or any amended terms and conditions of any such lease, such lease and/or amendments must be approved, in writing, by RLC.

4. Make all required registration and other filings with the Interstate Commerce Commission, the Association of American Railroads, the Department of Transportation and any other governmental or industry authority.

5. File applicable ad valorem and other tax returns and pay, from the Lease Fees or from funds advanced by Owner, all such taxes due, in accordance with the provisions of Article II, Paragraph 3. RLC may, however, retain during each calendar year of the term of this Agreement, an amount equal

to three percent of the Lease Fees received during that calendar year to cover such taxes, but will, within 90 days following the end of each calendar year, remit to Owner any amounts not required for such taxes.

6. Maintain adequate books and records sufficient to account properly for the Lease Fees, Expenses and other such items applicable to the Railway Equipment.

7. Contract for or otherwise obtain all repair and/or maintenance work on the Railway Equipment considered necessary by RLC, such repair and/or maintenance work to be paid for by RLC, subject to the provisions of Article II, Paragraph 2.

8. Provide periodic reports to Owner on a quarterly basis (the "Quarterly Reports") which shall set forth the Lease Fees derived from the use of the Railway Equipment, as well as Expenses incurred or that are reasonably foreseeable to be incurred in connection with the Railway Equipment. The Quarterly Reports shall be for the quarters ending March 31, June 30, September 30 and December 31, and will be delivered to Owner as promptly as is reasonably possible. Should the Lease Fees exceed the Expenses incurred in connection with the Railway Equipment, payment of the excess (except for any amount retained under Paragraph 5 and this Paragraph 8 of Article III) shall accompany the Quarterly Report. Should Expenses (incurred or reasonably foreseeable) exceed the Lease Fees for the period in question, the Quarterly Report will set forth the amount to be remitted by Owner to RLC, if requested. It is understood that RLC shall be under no obligation to advance funds for payment of the Expenses, regardless of the results of the nonpayment thereof. It is further understood that RLC shall have the authority to retain portions of Lease Fees that exceed actual Expenses incurred to cover future Expenses that can be reasonably foreseen to exceed Lease Fees for the applicable future period or periods. Such retention of Lease Fees shall be accomplished on a reasonable basis and in such a manner as to minimize the effect that such retention shall have on cash distributions, if any, made to Owner. No assessment for cash deficiencies shall be made to Owner, however, to the extent of unremitted mileage credits held by RLC.

9. Maintain the following insurance coverage on the Railway Equipment: A policy of general liability insurance with limits of coverage not less than the amounts and against the risks insured against by RLC from time to time on railroad equipment owned by it; and a policy of property insurance with limits of coverage of not less than \$50,000 per car, \$1,500,000 each occurrence, with a \$50,000 deductible (to be paid by Owner) each occurrence, naming Owner as an additional insured. Any additional insurance desired by Owner shall be obtained by Owner at Owner's expense. If at any time the general liability insurance maintained on the Railway Equipment shall have limits of less than \$10,000,000, for whatever reason, RLC shall, not less than thirty (30) days after it receives effective notice of the decrease in such insurance coverage, give written notice to Owner of the same. RLC will provide the Owner as promptly as practicable after receipt by RLC a certificate setting forth the then existing insurance coverage on the Railway Equipment.

10. Reasonably pursue any and all warranties or other claims against manufacturers, users, lessees, railroads and other parties on behalf of Owner. Such duties shall not, however, be deemed to include the filing of suit, although RLC may elect to do so at its option, but at the expense of Owner, subject to the provisions of Article VI.

ARTICLE IV

Term and Termination

1. Subject to the provisions set forth herein, this Agreement shall be effective commencing with the first date on which a railroad tank car included in the Railway Equipment is delivered to Owner, as set forth in the invoice for such railroad tank car, and shall automatically terminate ten years from such date.

2. Except as otherwise provided in this Agreement, the Owner may terminate this Agreement by giving RLC written notice of termination not less than three months prior to the termination date designated in such notice; provided, however, if Owner shall owe RLC any amounts under this Agreement, the Owner may not terminate this Agreement as to any of the Railway Equipment until all such amounts have been paid. RLC shall, at its option, be entitled to continue to lease and otherwise operate and manage the Railroad Equipment and retain any and all Lease Fees received therefrom until all amounts outstanding and/or subsequently incurred in connection with such continued leasing of the Railroad Equipment have been paid.

3. Should either party default under its obligations set forth herein, the other party may advise the defaulting party of such default, and should such default not be corrected within 30 days of such notification, the aggrieved party may, at its option, immediately terminate this Agreement.

4. Neither RLC nor the Owner shall, by reason of the expiration or the termination of this Agreement in accordance with the terms and provisions hereof, be liable to the other for compensation, reimbursement or damages, either on account of present or prospective profits or on account of expenditures, investments or commitments made in connection therewith or in connection with establishment, development or maintenance of the business or goodwill of RLC or the Owner, or on account of any other cause or thing whatsoever; provided, however, that such expiration or termination shall not affect the rights or liabilities of the parties with respect to any indebtedness owing by either party to the other; and further provided, that such expiration or termination shall be subject to any then existing lease or leases of the Railway Equipment, and RLC, at its option, shall be entitled to continue, pursuant to the terms and conditions of this Agreement, the management and control of any of the Railway Equipment covered by such lease or leases as may be necessary for RLC to comply with such lease or leases, including the right to retain the Lease Fees, Management Fee and other sums as provided for herein, until the expiration or termination of such lease or leases. Except as may be otherwise expressly set forth herein, upon the expiration or termination of this Agreement, all obligations of the parties shall immediately cease. RLC shall, however, provide reasonable assistance to Owner in transferring to Owner, all at Owner's expense and upon Owner's request, all records, data and other information relating to the Railway Equipment and in assisting Owner in the implementation of such records, data and information into Owner's operations.

ARTICLE V

Management Fee

In consideration of the services of RLC hereunder, Owner shall pay to RLC a management fee of 16% of the Lease Fees collected for each railway car included in the Railway Equipment (the "Management Fee"). The Management Fee shall be deducted from the remittance due quarterly to Owner as otherwise provided herein.

ARTICLE VI

Legal Actions

RLC will give written notice to Owner at least 10 days prior to the institution of legal proceedings by RLC or not more than 10 days after being served with process in any legal proceedings against RLC involving the Railway Equipment. Unless otherwise directed in writing by Owner, RLC may, at its option, institute or defend, in its own name or in the name of Owner, or both, but not against each other, and in all events at the expense of the Owner, any and all legal actions or proceedings it considers necessary hereunder, including those to collect charges, rents, claims or other income for the Railway Equipment, or lawfully oust or dispossess lessees or other persons in possession thereof, or lawfully cancel, modify or terminate any lease, license or concession agreement for the

breach thereof or default by a lessee, licensee or concessionaire or take any and all necessary actions to protest or litigate to a final decision in any appropriate Court or other forum any violation, order, rule, regulation, suit, claim or other matter affecting the Railway Equipment. RLC shall keep Owner currently advised of all legal proceedings and Owner reserves the right to direct RLC to terminate any litigation brought pursuant to the foregoing authority.

ARTICLE VII

Assignment

This Agreement is not assignable by either party except with the written consent of the other party; provided, however, (a) this Agreement together with the Railway Equipment may be transferred by Owner to his estate, heirs or devisees or to any purchaser at a foreclosure sale where this Agreement and the related Railway Equipment are sold as collateral so long as such sale complies with applicable federal or state securities laws and (b) may be assigned by RLC in connection with the merger or consolidation of RLC into another corporation or as part of the sale of substantially all of the assets of RLC, provided that notice of such merger, consolidation, or sale shall be given to Owner prior to the effective date thereof.

ARTICLE VIII

Indemnification

Owner and RLC jointly and severally acknowledge, agree and covenant that RLC is entering into this contract as an independent contractor, and neither party hereto shall take any action to alter such legal relationship. Owner shall have no right or authority, and shall not attempt, to enter into contracts or commitments in the name, or on behalf, of RLC, or to bind RLC in any manner or respect whatsoever. Further, Owner agrees to indemnify and hold RLC harmless from any and all claims, demands, causes of action (at law or equity), costs, damages, reasonable attorney's fees, expenses and judgments, except those arising out of RLC's gross negligence or willful misconduct, which may hereafter be made or caused by any third party based on or relating to the Railway Equipment or the operation, including the leasing, thereof. RLC agrees to indemnify and hold harmless Owner from and against any and all claims, demands, causes of action (at law or equity), costs, damages, reasonable attorney's fees, expenses and judgments which may hereafter be made or caused by any third party based on actions taken by RLC in connection with the Railway Equipment, which actions were not authorized hereunder, were authorized hereunder but performed negligently, or were not specifically requested or approved by Owner.

ARTICLE IX

Additional Agreements

1. Each party hereto shall promptly and duly execute and deliver to the other party such further documents, assurances, releases and other instruments, and take such further actions, including any necessary filings and the execution of a power of attorney of Owner, as the other party may reasonably request, in order to more fully carry out the intent and purpose of this Agreement and to indicate the ownership of the Railway Equipment during the continuance and upon termination of this Agreement.

2. It is understood that upon the expiration or termination of this Agreement as to any or all of the Railway Equipment, Owner shall no longer be entitled to use the Recording and UMLER Car Initials and Numbers and other designations (the "Designations") that are presently the property of RLC. Accordingly, Owner agrees that it will promptly undertake upon such expiration or termination, at Owner's expense, all steps necessary to promptly change the Designations on the Railway Equipment no longer included under the Agreement and to execute any and all documents requested by RLC to transfer to RLC any rights Owner may have acquired to such Designations. RLC agrees to prepare, at RLC's expense, documentation as, in its opinion, is necessary to change all designations on the Railway

Equipment from the Designations of RLC to those adopted by Owner, and to provide reasonable assistance to Owner, at Owner's expense, in the filing of such documents.

3. Any notice or other communication by either party to the other shall be in writing, and shall be deemed to have been duly given if either delivered personally or mailed, postage prepaid, registered or certified mail, addressed as follows:

or to such other address, and to the attention of such other person or officer as either party may designate to the other in writing as provided by this Paragraph.

4. The Owner or his authorized representative shall be entitled to inspect the books and records or RLC applicable to the Railway Equipment at any reasonable time during the office hours of RLC.

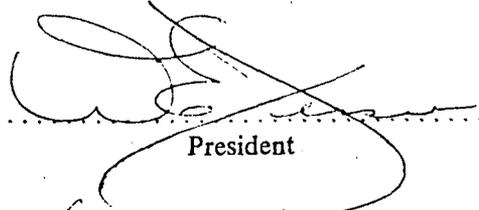

5. This Agreement contains the entire agreement of the parties hereto pertaining to the management and operation of the Railway Equipment. Except as otherwise provided herein, this Agreement may not be modified or amended, except by express, written agreement signed by both parties hereto. Any waiver of any obligation of either party hereto shall not be construed as a continuing waiver of any such obligation under any provision hereof.

6. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of, and be enforceable by, the heirs, administrators, executors, successors and assigns, if any, of the parties hereto, subject to the provisions pertaining to the assignment hereof set forth in Article VII.
