(d) any insurance proceeds payable under insurance policies maintained by the Debtor pursuant to the last paragraph of Section 10 of the Lease.

1.6. Certain Rights of the Debtor and the Trustor.
Notwithstanding any other provision of this Security Agreement and in addition to any rights conferred upon the Debtor or the Trustor hereby or by any other Operative Agreement:

(a) at all times the Debtor shall have the right, but not to the exclusion of the Secured Party, to receive from the Lessee or the Permitted Sublessee, as the case may be, all notices, certificates, insurance documents, opinions, reports and other documents and all information which the Lessee or the Permitted Sublessee, as the case may be, is permitted or required to give or furnish to any Person pursuant to the Lease, any other Operative Agreement or the Permitted Sublease;

(b) until the Lease shall have been declared to be in default, the Debtor shall have the right, to the exclusion of the Secured Party, to exercise the rights of the Lessor under, and to determine compliance by the Lessee with, the provisions of Sections 2(d) and 3 of the Lease; and

(c) at all times the Debtor shall have the right, to the exclusion of the Secured Party, to receive and enforce the payment of Excepted Rights in Collateral payable to the Debtor or the Trustor (subject to the proviso in Section 1.5(b) hereof).

SECTION 2. COVENANTS AND WARRANTIES OF THE DEBTOR.

The Debtor covenants, warrants and agrees as follows:

2.1. Debtor's Duties. The Debtor covenants and agrees well and truly to perform, abide by and to be governed and restricted by each and all of the terms, provisions, restrictions, covenants and agreements set forth in the Participation Agreement, and in each and every supplement thereto or amendment thereof

which may at any time or from time to time be executed and delivered by the parties thereto or their successors and assigns, to the same extent as though each and all of said terms, provisions, restrictions, covenants and agreements were fully set out herein and as though any amendment or supplement to the Participation Agreement were fully set out in an amendment or supplement to this Security Agreement. The Debtor undertakes to perform only such duties as are expressly and specifically set forth herein and in the other Operative Agreements (as defined in the Participation Agreement) and no implied obligations or covenants shall be read into this Security Agreement or any other Operative Agreements against the Debtor.

2.2. Warranty of Title. The Debtor has the right, corporate power and authority to grant a security interest in the Collateral to the Secured Party for the uses and purposes herein set forth; and the Debtor in its individual capacity will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Debtor not related to the ownership of the Equipment or any transactions contemplated by the Operative Agreements. The Debtor also agrees that it will, in its individual capacity and at its own cost and expense, without regard to the provisions of Section 7 hereof, pay or satisfy and discharge any such liens and encumbrances on the Collateral, but the Debtor shall not be required to pay or discharge any such claims so long as it shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Debtor or the security interest hereunder in and to the Equipment. Without limiting the foregoing, there is no financing statement or other filed or recorded instrument in which the Debtor is named and which the Debtor has signed, as debtor or mortgagor now on file in any public office covering any of the Collateral excepting the financing statements or other instruments filed or to be filed in respect of and for the security interest provided for herein, other than the filing of the Permitted Sublease (as defined in the Participation Agreement) with the Interstate Commerce Commission.

2.3. Further Assurances. Upon request, the Debtor will, at no expense to the Secured Party, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired. Without limiting the foregoing but in furtherance of the security interest herein granted in the rents and other sums due and to become due under the Lease, the Debtor covenants and agrees that it will, pursuant to Section 16 of the Lease, notify the Lessee of the assignment hereunder and direct the Lessee to make all payments of such rents and other sums due and to become due under the Lease other than Excepted Rights in Collateral directly to the Secured Party or as

the Secured Party may direct in writing. The Debtor further covenants and agrees that, under any circumstance in which it shall be permitted to collect any rentals or other sums payable by any sublessee pursuant to any Permitted Sublease, it will notify such sublessee of the assignment hereunder and direct such sublessee to make all payments of such rents and other sums due and to become due under such Permitted Sublease other than Excepted Rights in Collateral directly to the Secured Party or as the Secured Party may direct in writing.

2.4. After-Acquired Property. Any and all property described or referred to in the granting clauses hereof which is hereafter acquired shall ipso facto and without any further conveyance, assignment or act on the part of the Debtor or the Secured Party, become and be subject to the security interest herein granted as fully and completely as though specifically described herein, but nothing in this Section 2.4 contained shall be deemed to modify or change the obligation of the Debtor under Section 2.3 hereof.

2.5. Recordation and Filing. The Debtor will fully cooperate with the Lessee in connection with Lessee's obligation pursuant to Section 18 of the Lease to cause this Security Agreement and all supplements hereto, the Lease and all supplements thereto, and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party in such manner and in such place as may be required by law in order to fully preserve and protect the rights of the Secured Party hereunder.

2.6. Modifications of the Lease. The Debtor will not:

(a) declare a default or exercise the remedies of the Lessor under, or terminate, modify or accept a surrender of, or offer or agree to any termination, modification or surrender of, the Lease, the Fixed Charges Coverage Agreement, the Permitted Sublease, the Sublease Assignment or any other sublease (except as otherwise expressly provided herein) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the leasehold estate created by the Lease or any part thereof; provided that the Secured Party agrees that, so long as no Event of Default shall have occurred and be continuing, the Debtor and the Secured Party shall jointly make all waivers, modifications, agreements and amendments relating to the Lease, the Fixed Charges Coverage Agreement, the Permitted Sublease, the Sublease Assignment or any other sublease (except as otherwise expressly provided herein), and neither the Secured Party nor the Debtor shall so act independently;

(b) except in respect of Excepted Rights in Collateral, receive or collect any rental payment under the Lease prior to the date for payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Secured Party hereunder) any rent payment then due or to accrue in the future under the Lease in respect of the Equipment; or

(c) except in respect of Excepted Rights in Collateral, sell, mortgage, transfer, assign or hypothecate or grant a security interest in (other than to the Secured Party hereunder) its interest in the Equipment or any part thereof or in any amount to be received by it from the use or disposition of the Equipment.

2.7. Power of Attorney in Respect of the Lease. The Debtor does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney, but with no obligation other than as specifically provided for herein, with full power of substitution, for it and in its name, place and stead, to ask, demand, collect, receive, receipt for, any and all rents, income and other sums which are assigned under Sections 1.1 and 1.2 hereof, and upon and during the continuance of an Event of Default, to sue for, compound and give acquittance for any and all such rents, income and other sums with full power to settle, adjust or compromise any claim thereunder as fully as the Debtor could itself do, and to endorse the name of the Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Debtor or otherwise, which the Secured Party may deem necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such rents and other sums and the security intended to be afforded hereby.

2.8. Notice of Default. The Debtor further covenants and agrees that it will give the Secured Party prompt written notice of any event or condition constituting an Event of Default under the Lease or this Security Agreement if an officer in the Bond and Trustee Administration division of the Debtor has actual knowledge of such event or condition.

SECTION 3. POSSESSION, USE AND RELEASE OF PROPERTY.

3.1. Possession of Collateral. While no Event of Default has occurred and is continuing hereunder, the Debtor shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto, provided, always, that the possession,

enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of the terms of this Security Agreement. It is expressly understood that the use and possession of the Equipment or any Item thereof by the Lessee under and subject to the Lease or by any sublessee under a Permitted Sublease shall not constitute a violation of this Section 3.1.

3.2. Release of Property. So long as no Event of Default under the Lease, or any event which, with the lapse of time or giving of notice, or both, would constitute such an Event of Default has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated by the Lessee for settlement pursuant to Section 9 of the Lease upon receipt from the Lessee of written notice designating the Item of Equipment in respect of which the Lease will terminate and the receipt from the Lessee of all sums payable for such Item of Equipment in compliance with Section 9 of the Lease.

3.3. Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the provisions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or unit of the collateral be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

SECTION 4. APPLICATION OF ASSIGNED RENTALS AND CERTAIN OTHER MONEYS RECEIVED BY THE SECURED PARTY.

4.1. Application of Rents and Other Payments. As more fully set forth in Section 1.2 hereof the Debtor has hereby granted to the Secured Party a security interest in rents, issues, profits, income and other sums due and to become due under the Lease in respect of the Equipment as security for the Notes, as well as in all rentals and other sums payable under any Permitted Sublease which, by the terms of any assignments thereof, are payable to the Debtor. So long as no Event of Default as defined in Section 5 hereof, has occurred and is continuing to the knowledge of the Secured Party:

(a) The amounts from time to time received by the Secured Party which constitute payment by the Lessee under the Lease of the installments of rental under the Lease or by a Sublessee under a Permitted Sublease of the installments of rental under such Permitted Sublease shall be applied first, to the payment of the installments of principal and interest (and in each case first to interest and then to principal) on the Notes which

have matured or will mature on or before the due date of the installments of rental or subrental which are received by the Secured Party, and then, so long as no Event of Default or event, which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder shall have occurred and be continuing (other than a default referred to in Section 14(E) of the Lease with respect to which none of the Lessor, the Trustor nor the Security Trustee has given written notice thereof), the balance, if any, of such amounts shall be paid to or upon the order of the Debtor on the date of the payment of the installments of principal and interest described above;

(b) The amounts from time to time received by the Secured Party which constitute settlement by the Lessee of the "Casualty Value" for any Item of Equipment pursuant to Section 9 of the Lease or any similar payment by a Sublessee pursuant to a Permitted Sublease shall be applied by the Secured Party as follows:

(i) First, to the payment of an amount equal to the accrued and unpaid interest on that portion of the Notes to be prepaid pursuant to the following subparagraph, except to the extent such interest has been paid pursuant to Section 4.1(a) hercof;

(ii) Second, an amount equal to the Loan Value of such Item of Equipment for which settlement is then being made shall be applied to the prepayment of the Notes so that each of the remaining installments of each Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment; and

(iii) Third, so long as no Event of Default or event which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder shall have occurred and be continuing (other than a default referred to in Section 14(E) of the Lease with respect to which none of the Lessor, the Trustor nor the Security Trustee has given written notice thereof), the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (i) and (ii) shall be released to or upon the order of the Debtor on the date of payment of the amounts provided in the preceding clauses (i) and (ii).

For purposes of this Section 4.1(b), the "Loan Value" in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price (as defined in the Participation Agreement) of such Item of

Equipment for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the Lease (including the Purchase Price of such Item of Equipment for which settlement is then being made), times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.1(b) (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.1(b));

(c) The amounts received by the Secured Party which constitute settlement by the Lessee of the termination value for the Equipment pursuant to Section 3(c) of the Lease or the proceeds of any sale of such Items of Equipment pursuant to said Section 3(c) shall be applied by the Secured Party as follows:

(i) First, to the payment of an amount equal to the accrued and unpaid interest on the entire unpaid balance of the Notes;

(ii) Second, to the prepayment in full of all unpaid principal on the Notes; and

(iii) Third, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (i) and (ii) shall be released to or upon the order of the Debtor on the date of payment of the amounts provided in the preceding clauses (i) and (ii).

(d) The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by the Lessee in respect of the Equipment, shall be held by the Secured Party as a part of the Collateral and shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(i) So long as no Event of Default (as defined in the Lease), or any event which, with the lapse of time or the giving of notice, or both, would constitute such an Event of Default, has occurred and is continuing to the knowledge of the Secured Party, the proceeds of such insurance shall, if the Item of Equipment is to be repaired, be released to the Debtor to reimburse the Lessee for expenditures made for such repair upon receipt by the Secured Party of a certificate of an authorized officer of the

Lessee to the effect that any damage to such Item in respect of which such proceeds were paid has been fully repaired; and

(ii) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (i) within 180 days from the receipt thereof by the Secured Party, or if within such period the Lessee shall have notified the Secured Party in writing that the Lease is to be terminated in respect of such item in accordance with the provisions of Section 9 of the Lease then so long as no Event of Default hereunder has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(A) First, to the prepayment of the Notes, all in the manner and to the extent provided for by Sections 4.1(b)(i) and 4.1(b)(ii) hereof; and

(B) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (A) shall be released to or upon the order of the Debtor on the date of such prepayment of the Notes.

4.2. Multiple Notes. If more than one Note is outstanding at the time any such application is made, such application shall be made on all outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

4.3. Default. If an Event of Default referred to in Section 5 hereof has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof and any amounts received by the Secured Party pursuant to Section 9 of the Lease shall, subject to the provisions of Section 4.4 hereof, be applied in the manner provided for in Section 5 in respect of proceeds and avails of the Collateral.

4.4. Funds Held by Secured Party. In the event (1) any balance of amounts otherwise payable to or upon the order of the Debtor pursuant to Section 4.1(a), (b), (c) or (d) hereof shall be held by the Secured Party due to the occurrence and continuance of an Event of Default or an event which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder, or (2) any such balances shall be withheld from

distribution to the Debtor due to the occurrence and continuance of an Event of Default hereunder, but the Secured Party shall not have proceeded to exercise any of its remedies pursuant to Section 5.2 hereof other than the retention of such balances, then such balances shall be held by the Secured Party as part of the Collateral and invested as hereinafter in this Section 4.4 provided until the earliest to occur of (i) as to any such sum so withheld, the 365th day following the commencement of such withholding, (ii) the date on which such event or Event of Default shall have been cured or waived, or (iii) the date on which the Secured Party shall have proceeded to exercise any remedy or remedies pursuant to Section 5.2 hereof. Upon the occurrence of an event referred to in clause (i) or (ii) above, such sum so withheld plus earnings thereon shall be distributed to or upon the order of the Debtor. Upon the occurrence of the event referred to in clause (iii) above, such sum so withheld shall be applied in the manner provided in Section 5 in respect of the proceeds and avails of the Collateral. Funds held by the Secured Party pursuant to this Section 4.4 plus earnings thereon shall be invested by the Secured Party as directed from time to time in writing by the Debtor and at the expense and risk of the Debtor in any of the following securities:

(a) direct obligations of the United States of America, or

(b) obligations fully guaranteed by the United States of America, or

(c) certificates of deposit issued by, or bankers' acceptances of, or time deposits or a deposit account with, any bank, trust company or national banking association incorporated or doing business under the laws of the United States of America or one of the States thereof, having a combined capital and surplus of at least \$300,000,000 and having a rating (as certified by the Debtor) of "C" or better from the Keefe Bank Watch Service including those certificates of deposit or banker's acceptances issued by the Secured Party in its commercial banking capacity provided that the Secured Party satisfies the other requirements of this Section 4.4(c), or

(d) commercial paper of the 10 largest finance companies in the United States, as determined by reference to the then most recently published Moody's Commercial Paper Record, which directly issue their own commercial paper and which are doing business under the laws of the United States of America or one of the States thereof and in each case having a rating assigned to such commercial paper by Standard & Poor's Corporation or Moody's Investors Service, Inc. (or, if neither such

organization shall rate such commercial paper at any time, by any nationally recognized rating organization in the United States of America) equal to the highest rating assigned by such organization, or

(e) obligations of the type described in clauses (a) through (d) above, purchased from any bank, trust company or banking association referred to in clause (c) above pursuant to repurchase agreements obligating such bank, trust company or banking association to repurchase any such obligation not later than 90 days after the purchase of any such obligation.

4.5. Excepted Rights in Collateral. Notwithstanding any other provision of this Security Agreement, including this Section 4, any Excepted Rights in Collateral received or held by the Secured Party at any time shall be paid or distributed by the Secured Party to the Person or Persons entitled thereto as soon as possible upon receipt but not later than the first business day following receipt thereof.

SECTION 5. DEFAULTS AND OTHER PROVISIONS.

5.1. Events of Default. The term "Event of Default" for all purposes of this Security Agreement shall mean one or more of the following:

(a) Default in payment of an installment of the principal of, or interest on, any Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for prepayment or by acceleration or otherwise, and any such default shall continue unremedied for five days;

(b) An Event of Default (as defined in the Lease) shall have occurred and be continuing under the Lease;

(c) Default on the part of the Debtor or the Trustor in the due observance or performance of any covenant or Agreement to be observed or performed by the Debtor or the Trustor under this Security Agreement or the Participation Agreement, and such default shall continue unremedied for 30 days after the earlier of (i) written notice from the Secured Party to the Debtor and the Trustor specifying the default and demanding the same to be remedied, or (ii) an officer of the Trustor or an officer in the Bond and Trustee Administration division of the Debtor shall have obtained knowledge of such default;

(d) Any material representation or warranty on the part of the Debtor or the Trustor made herein or in the Participation Agreement or in any report, certificate, financial or other statement furnished at the Closing Date in connection with this Security Agreement, the Lease or the Participation Agreement, or the transactions contemplated therein, shall prove to have been false or misleading in any material respect when made and shall continue to be material and uncured at the time in question;

(e) The Debtor or the Trustor becomes insolvent or fails generally to pay its debts as such debts become due, or causes or suffers an order for relief to be entered against it under any applicable federal or state bankruptcy law, or makes an assignment for the benefit of creditors or applies for or consents to the appointment of a custodian, trustee or receiver for the Debtor or the Trustor or for the major part of its property;

(f) A trustee or receiver is appointed for the Debtor or the Trustor or for the major part of its property and is not discharged within 60 days after such appointment; or

(g) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings for relief under any bankruptcy law or similar law for the relief of debtors, are instituted by or against the Debtor or the Trustor and, if instituted against the Debtor or the Trustor, are consented to or are not dismissed within 60 days after such institution.

5.2. Secured Party's Rights. The Debtor agrees that when any Event of Default as defined in Section 5.1 has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of Connecticut (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and without limiting the foregoing, the Secured Party may exercise any one or more or all, and in any order, of the remedies hereinafter set forth, it being expressly understood that no remedy herein conferred is intended to be exclusive of any other remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other remedy given herein or now or hereafter existing at law or in equity or by statute.

(a) The Secured Party or the holder of not less than 51% of the unpaid principal balance on the Notes

may, by notice in writing to the Debtor declare the entire unpaid balance of principal and interest on the Notes to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable;

(b) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the same, or use and operate or lease the same until sold;

(c) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor, the Trustor and the Lessee once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Collateral, or any part thereof, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to; provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, or the Debtor or the Trustor may bid and become the purchaser at any such sale;

(d) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to protect and

enforce this Security Agreement and the Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or Agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the collateral or any part thereof, or for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law; and

(e) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Lease, and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party.

Notwithstanding any other provision of this Section 5, if any Event of Default hereunder shall result solely from the existence of an Event of Default under the Lease and so long as the Secured Party shall have received all amounts of principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the Notes (other than by acceleration), it being understood that the Debtor may make such payment notwithstanding Section 5.3 hereof, and General Electric Credit Corporation holds all of the Beneficial Interest at such time, the Secured Party shall not divest the Debtor of title to any of the Collateral except in conjunction with the repossession of such Collateral from the Lessee by the Secured Party, as assignee hereunder of the Lease.

5.3. Certain Rights of the Debtor on the Occurrence of an Event of Default Under the Lease. Except as hereinafter provided, if an Event of Default under the Lease of which the Secured Party has knowledge shall have occurred and be continuing the Secured Party shall give the Debtor not less than 10 days' prior written notice of the date (the "Enforcement Date") on which the Secured Party then intends to commence the exercise of any remedy or remedies pursuant to Section 5.2 hereof and shall not commence such exercise unless it has given such notice. If an Event of Default under the Lease shall have occurred and be continuing, the Debtor shall have the following rights hereunder:

(a) Right to Cure. In the event of the occurrence of an Event of Default in respect of the payment of Interim Rent or Basic Rent under the Lease (unless there shall have occurred and be continuing any Event of Default under the Lease other than a failure to pay Interim Rent or Basic Rent and such Event of Default is not then being cured during the period permitted by the next following paragraph),

the Debtor may, but shall not be obligated to, prior to the exercise of any remedy or remedies pursuant to Section 5.2 hereof by the Secured Party, pay to the Secured Party an amount equal to any principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the Notes (other than by acceleration), and such payment by the Debtor shall be deemed to cure any Event of Default hereunder attributable thereto; provided, however, that the Debtor may not exercise such right in respect of more than 9 consecutive monthly Basic Rent payment defaults or in any event in respect of more than a total of 18 monthly Basic Rent payment defaults throughout the term of the Lease.

In the event of the occurrence of an Event of Default in respect of the performance of any covenant contained in the Lease other than the covenant to pay Interim Rent or Basic Rent, the Debtor may, but shall not be obligated to, take such action prior to the exercise of any remedy or remedies pursuant to Section 5.2 hereof by the Secured Party as may be necessary to cure such Event of Default under the Lease, and such action by the Debtor shall be deemed to cure any such Event of Default hereunder which would otherwise have arisen on account of such Event of Default under the Lease; provided the right of the Debtor to cure any default in any covenant under the Lease, other than the covenant to pay Interim Rent or Basic Rent, is limited (i) to payments by the Debtor not exceeding \$1,000,000 in the aggregate, and (ii) to a period of not more than one year unless the Lessee shall, within such year, resume compliance with such covenant and continue such compliance for a period of six months, in which case the Debtor may thereafter cure a further such default for a period of not more than one year.

Except as hereinafter in this Section 5.3(a) provided, the Debtor shall not, by exercising the right to cure any such Event of Default, obtain any lien, charge or encumbrance of any kind on any of the Collateral for or on account of costs or expenses incurred in connection with the exercise of such right nor shall any claims of the Debtor against the Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Secured Party in and to the Collateral. Upon such payment by the Debtor of the amount of principal and interest then due and payable on the Notes, the Debtor shall be subrogated to the rights of the Secured Party in respect of the Interim Rent or Basic Rent which was overdue at the time of such payment and interest payable by the Lessee on account of its being overdue, and therefore, if no other Event of

Default or event which with the lapse of time or giving of notice, or both, would constitute such an Event of Default shall have occurred and be continuing and if all principal and interest payments due on the Notes have been paid at the time of receipt by the Secured Party of such Interim Rent or Basic Rent, the Debtor (and not the Secured Party) shall be entitled to receive such Interim Rent or Basic Rent and such interest upon receipt thereof by the Secured Party; provided that (i) in the event the principal and interest on the Notes shall have become due and payable pursuant to Section 5.2(a) hereof, such subrogation shall, until principal of and interest on all Notes shall have been paid in full, be subordinate to the rights of the Secured Party in respect of such payment of Interim Rent or Basic Rent and such interest on such overdue Interim Rent or Basic Rent prior to receipt by the Debtor of any amount pursuant to such subrogation, and (ii) the Debtor shall not be entitled to seek to recover any such payment (or any payment in lieu thereof) except pursuant to the foregoing right of subrogation.

(b) Option to Prepay Notes. If an Event of Default shall have occurred and be continuing under the Lease, and the entire unpaid balance of principal and interest on the Notes shall have been declared to be immediately due and payable, whether or not the Debtor shall then have the right to cure an Event of Default under the Lease pursuant to Section 5.3(a) above, the Debtor may at its option prepay the Notes, without premium or penalty, by payment of the entire unpaid principal amount thereof, together with accrued interest thereon to the date of prepayment. Nothing in this Section 5.3(b) shall be deemed to preclude either the Debtor or the Trustor from purchasing Notes from the holders thereof at such price or prices as they shall agree to so long as the Debtor or the Trustor, as the case may be, shall have made a comparable offer to the holders of all Notes.

5.4. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes held by such purchaser, including principal and interest thereof, out of the net proceeds of such sale.

5.5. Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or, except as otherwise expressly provided in this Security Agreement, otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.6. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold, shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns (subject, however, to the then existing rights, if any, of the Lessee under the Lease).

5.7. Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all proper compensation, expenses, liability and advances, including legal expenses and attorneys' fees, owed to or incurred or made hereunder by, the Secured Party or the holder or holders of the Notes and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of the holder or holders of the Notes of the amount then owing or unpaid on the Notes for principal, interest and premium, if any; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of such principal and the accrued and unpaid interest and premium, if any, with application on each Note to be made, first, to the unpaid interest thereon, second, to unpaid premium, if any, thereon, and third, to unpaid principal thereof; such application to be made upon presentation of the several Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

5.8. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then and in every such case the Debtor, the Secured Party and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.9. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. No remedy hereunder is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

SECTION 6. THE SECURED PARTY.

6.1. Certain Duties and Responsibilities of Secured Party. (a) Except during the continuance of an Event of Default:

(1) the Secured Party undertakes to perform such duties and only such duties as are specifically set forth in this Security Agreement, and no implied covenants or obligations shall be read into this Security Agreement against the Secured Party; and

(2) in the absence of bad faith on its part, the Secured Party may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Secured Party and conforming to the requirements of this Security Agreement or the Lease; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Secured Party, the Secured Party shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Security Agreement.

(b) In case an Event of Default has occurred and is continuing of which the Secured Party has knowledge, the Secured Party shall exercise such of the rights and powers vested in it by this Security Agreement for the benefit of the holders of the Notes, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Security Agreement shall be construed to relieve the Secured Party from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(2) the Secured Party shall not be liable for any error of judgment made in good faith by an officer of the Secured Party unless it shall be proved that the Secured Party was negligent in ascertaining the pertinent facts; and

(3) the Secured Party shall not be liable to the holder of any Note with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of two-thirds principal amount of the Notes outstanding relating to the time, method and place of conducting any proceeding for any

remedy available to the Secured Party, or exercising any trust or power conferred upon the Secured Party under this Security Agreement.

(d) No provision of this Security Agreement shall require the Secured Party to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Security Agreement relating to the conduct or affecting the liability of or affording protection to the Secured Party shall be subject to the provisions of this Section.

6.2. Certain Limitations on Secured Party's Rights to Compensation and Indemnification. The Secured Party agrees that it shall have no right against the holders of any Note for the payment of compensation for its services hereunder or any expenses or disbursements incurred in connection with the exercise and performance of its powers and duties hereunder or any indemnification against liability which it may incur in the exercise and performance of such powers and duties but, on the contrary, shall look solely to the Trustor under Section 2.6 of the Participation Agreement or the Lessee under such Section 2.6 or under Section 13 of the Lease for such payment and indemnification and that it shall have no lien on nor security interest in the Collateral as security for such compensation, expenses, reasonable counsel fees, if any, disbursements and indemnification except to the extent provided for in Section 5.7(a) hereof.

6.3. Certain Rights of Secured Party. (a) The Secured Party shall have only such duties and responsibilities as are expressly set forth in this Security Agreement and shall not be responsible for any recitals herein or in the Participation Agreement or for insuring the Equipment, or for paying or discharging any tax, assessment, governmental charge or lien affecting the Collateral, or for the recording, filing or refiling of this Security Agreement or any financing statement relating thereto, or of any amendment or supplement thereto or further mortgage or trust, nor shall the Secured Party be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements contained herein or in the Participation Agreement or the Lease, and, except in the case of a default in the payment of the principal of, or interest or premium, if any, on any Note or a default of which the Secured Party has actual knowledge, the Secured Party shall be deemed to have knowledge of any default in the performance or observance of any such covenants, conditions or agreements only upon receipt of written notice thereof from one of the holders of the Notes. The

Secured Party shall promptly notify the Debtor and all holders of the Notes of any default of which the Secured Party has actual knowledge. Upon receipt by the Secured Party of such written notice from a holder of a Note, the Secured Party shall promptly notify the Debtor and all other holders of the Notes of such notice and the default referred to therein by prepaid registered mail addressed to them at their addresses set forth in the Register provided for in Section 8.3 hereof. For all purposes of this Agreement, in the absence of actual knowledge on the part of an officer or employee in its Corporate Trust Department, the Secured Party shall not be deemed to have knowledge of any default hereunder unless notified in writing by the Debtor, the Lessee or any holder of the Notes.

(b) The Secured Party shall only make such representations and warranties as are expressly set forth in this Security Agreement and the Secured Party makes no representation or warranty as to the validity, sufficiency or enforceability of this Security Agreement, the Notes, the Participation Agreement or any instrument included in the Collateral, or as to the value, title, condition, fitness for use of, or otherwise with respect to, any Equipment or Item of Equipment or any substitute therefor. The Secured Party shall not be accountable to anyone for the use or application of any of the Notes or the proceeds thereof or for the use or application of any property or the proceeds thereof which shall be released from the lien and security interest hereof in accordance with the provisions of this Security Agreement.

(c) The Secured Party may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, Note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(d) Any request, direction or authorization by the Debtor or the Lessee shall be sufficiently evidenced by a request, direction or authorization in writing, delivered to the Secured Party, and signed in the name of the Debtor or the Lessee, as the case may be, by its Chairman of the Board, President, any Vice President, Treasurer or Secretary, or in the case of the Debtor, a Trust Officer or Corporate Trust Officer, and any resolution of the Board of Directors of the Debtor or the Lessee shall be sufficiently evidenced by a copy of such resolution certified by its Secretary or an Assistant Secretary to have been duly adopted and to be in full force and effect on the date of such certification, and delivered to the Secured Party.

(e) Whenever in the administration of the trust herein provided for, the Secured Party shall deem it necessary or desirable that a matter be proved or established prior to taking,

suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate purporting to be signed by the Chairman of the Board, the President, any Vice President, the Treasurer or the Secretary of the Debtor or the Lessee, as the case may be, or in the case of the Debtor, a Trust Officer or Corporate Trust Officer, and delivered to the Secured Party, and such certificate shall fully warrant to the Secured Party or any other person for any action taken, suffered or omitted on the faith thereof, but in its discretion the Secured Party may accept, in lieu thereof, other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(f) The Secured Party may consult with counsel, appraisers, engineers, accountants and other skilled persons to be selected by the Secured Party, and the written advice of any thereof shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) The Secured Party shall be under no obligation to take any action to protect, preserve or enforce any rights or interests in the Collateral or to take any action towards the execution or enforcement of the trusts hereunder or otherwise hereunder, whether on its own motion or on the request of any other person, which in the opinion of the Secured Party may involve loss, liability or expense, unless the Debtor or one or more holders of the Notes outstanding shall offer and furnish reasonable security or indemnity satisfactory to the Secured Party against loss, liability and expense to the Secured Party.

(h) The Secured Party shall not be liable to the holder of any Note for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Security Agreement.

(i) The Secured Party shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, Note or other paper or document, unless requested in writing to do so by the holders of not less than a majority in principal amount of the Notes then outstanding.

(j) The Secured Party may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Secured Party shall not be responsible for any action or inaction on the part of any agent or attorney appointed by it with due care.

(k) The provisions of paragraphs (c) to (j) inclusive of this Section 6.3 shall be subject to the provisions of Section 6.1 hereof.

6.4. Showings Deemed Necessary by Secured Party. Notwithstanding anything elsewhere in this Security Agreement contained, the Secured Party shall have the right, but shall not be required, to demand in respect of withdrawal of any cash, the release of any property, the subjection of any after-acquired property to the lien of this Security Agreement, or any other action whatsoever within the purview hereof, any showings, certificates, opinions, appraisals or other information by the Secured Party deemed necessary or appropriate in addition to the matters by the terms hereof required as a condition precedent to such action.

6.5. Status of Moneys Received. All moneys received by the Secured Party shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys, except to the extent required by the provisions of Section 4.4 hereof or as otherwise required by law, and may be deposited by the Secured Party under such general conditions as may be prescribed by law in the Secured Party's general banking department, and the Secured Party shall be under no liability for interest on any moneys received by it hereunder. The Secured Party and any affiliated corporation may become the owner of any Note secured hereby and be interested in any financial transaction with the Debtor or any affiliated corporation or the Lessee or any affiliated corporation, or the Secured Party may act as depository or otherwise in respect to other securities of the Debtor or any affiliated corporation or the Lessee or any affiliated corporation, all with the same rights which it would have if not the Secured Party. The Secured Party agrees that, whenever it shall be required to disburse moneys to the Debtor, the Trustor or any Note Purchaser under the provisions hereof, it shall do so by wire transfer of immediately available funds to a designated bank or trust company located in the continental United States whenever such method of payment is provided for in Schedule 1 or Schedule 2 to the Participation Agreement or is requested in writing by the Debtor, the Trustor or any Note Purchaser.

6.6. Resignation of Secured Party. The Secured Party may resign and be discharged of the trusts hereby created by mailing notice specifying the date when such resignation shall take effect to the Debtor and to the holders of the Notes at their addresses set forth in the Register provided for in Section 8.3 hereof. Such resignation shall take effect on the date specified in such notice (being not less than thirty days after the mailing of such notice) unless previously a successor secured party shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of

such successor; provided, however, no such resignation shall be effective unless and until a successor secured party shall have been appointed and accepted such appointment in accordance with the provisions of Sections 6.9 and 6.12 hereof.

6.7. Removal of Secured Party. The Secured Party may be removed and/or a successor secured party may be appointed at any time by an instrument or concurrent instruments in writing signed and acknowledged by the holders of 66-2/3% in principal amount of the Notes and delivered to the Secured Party and to the Debtor and, in the case of the appointment of a successor secured party, to such successor secured party.

6.8. Successor Secured Party. Each secured party appointed in succession of the Secured Party named in this Security Agreement, or its successor in the trust, shall be a trust company or banking corporation organized under the laws of the United States of America or a state thereof, in good standing and having a capital and surplus aggregating at least \$100,000,000, if there be such a trust company or banking corporation qualified, able and willing to accept the trust upon reasonable or customary terms.

6.9. Appointment of Successor Secured Party. If the Secured Party shall have given notice of resignation to the Debtor pursuant to Section 6.6 hereof, if notice of removal shall have been given to the Secured Party and the Debtor pursuant to Section 6.7 hereof, which notice does not appoint a successor secured party, a successor secured party may be appointed by the Debtor, or, if such successor secured party shall not have been so appointed or shall not have accepted such appointment within fifteen calendar days after the giving of such notice of resignation or the giving of any such notice of removal, as the case may be, a successor secured party may be appointed by the Debtor, the holder of any outstanding Note or, upon application of the retiring secured party, by any court of competent jurisdiction.

6.10. Merger or Consolidation of Secured Party. Any company into which the Secured Party, or any successor to it in the trust created by this Security Agreement, may be merged or converted or with which it or any successor to it may be consolidated or any company resulting from any merger or consolidation to which the Secured Party or any successor to it shall be a party (provided such company shall be a trust company or banking corporation organized under the laws of the United States of America or of a state thereof, in good standing and having a capital and surplus of at least \$100,000,000), shall be the successor to the Secured Party under this Security Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Debtor covenants that in case of any such merger, consolidation or conversion it will cooperate with the Lessee in connection with the Lessee's

obligation pursuant to Section 18 of the Lease to cause to be executed, acknowledged, recorded, and/or filed suitable instruments in writing to confirm the estates, rights and interests of such corporation as secured party under this Security Agreement.

6.11. Conveyance Upon Request of Successor Secured Party. Should any deed, conveyance or instrument in writing from the Debtor be required by any successor secured party for more fully and certainly vesting in and confirming to such new secured party such estates, rights, powers and duties, then upon request any and all such deeds, conveyances and instruments in writing shall be made, executed, acknowledged and delivered, and Debtor shall cooperate with the Lessee in connection with the Lessee's obligation pursuant to Section 18 of the Lease to cause the same to be recorded and/or filed.

6.12. Acceptance of Appointment by Successor Secured Party. Any new secured party appointed pursuant to any of the provisions hereof shall execute, acknowledge and deliver to the Debtor an instrument accepting such appointment, and thereupon such new secured party, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers and trusts of its predecessor in the rights hereunder with like effect as if originally named as secured party herein; but nevertheless, upon the written request of the Debtor or of the successor secured party, the secured party ceasing to act shall execute and deliver an instrument transferring to such successor secured party and upon payment in full of all fees of the Secured Party, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of the secured party so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such secured party to the successor secured party so appointed in its or his place.

SECTION 7. LIMITATIONS OF LIABILITY.

7.1. In General. It is expressly understood and agreed by and between the Debtor, the Trustor, the Secured Party and their respective successors and assigns that, except as expressly provided in Section 2.2 hereof, this Security Agreement is executed by The Connecticut National Bank, not individually or personally but solely as Trustee under the Trust Agreement in the exercise of the power and authority conferred and vested in it as such Trustee, that each and all of the representations, warranties, undertakings and agreements herein made on the part of the Debtor are each and every one of them made and intended not as personal representations, warranties, undertakings and agreements by The Connecticut National Bank or the Trustor, or for the purpose or with the intention of binding The Connecticut National Bank or the Trustor personally, but are made and intended for the

purpose of binding only the Trust Estate as defined in the Trust Agreement, that this Security Agreement is executed and delivered by The Connecticut National Bank solely in the exercise of the powers expressly conferred upon The Connecticut National Bank, as trustee under the Trust Agreement, that actions to be taken by the Debtor pursuant to its obligations hereunder may, in certain instances, be taken by the Debtor only upon specific authority of the Trustor, that nothing herein contained shall be construed as creating any liability on The Connecticut National Bank or the Trustor, individually or personally, or any incorporator or any past, present or future subscriber to the capital stock of, or stockholder, officer or director of, The Connecticut National Bank or the Trustor, to perform any covenant either express or implied contained herein, all such liability, if any, being expressly waived by the Secured Party and by any person claiming by, through or under the Secured Party, and that so far as The Connecticut National Bank or the Trustor, individually or personally are concerned, the Secured Party and any person claiming by, through or under the Secured Party shall look solely to the Collateral for the performance of any obligation under any of the instruments referred to herein; provided that nothing in this Section 7 shall be construed to limit in scope or substance those representations and warranties of The Connecticut National Bank in its individual capacity set forth in the Participation Agreement. Any obligation of the Debtor hereunder may be performed by the Trustor, and any such performance shall not be construed as revocation of the trust created by the Trust Agreement. Nothing contained in this Security Agreement shall restrict the operation of the provisions of the Trust Agreement with respect to its revocation or the resignation or removal of the Trustee thereunder.

7.2. Reorganization Proceedings with Respect to the Trust Estate. If (a) the Trust Estate becomes a debtor subject to the reorganization provisions of the Federal Bankruptcy Code or any successor provisions, (b) pursuant to such reorganization provisions the Trustor is required by reason of the Trustor being held to have recourse liability to the debtor or the trustee of the debtor, directly or indirectly, to make payment on account of any amount payable as principal, interest or premium (if any) on the Notes and (c) any holder of a Note or the Secured Party actually receives any Excess Amount which reflects any payment by the Trustor on account of clause (b) above, then such holder or the Secured Party, as the case may be, shall promptly refund such Excess Amount, without interest, to the Trustor after receipt by such holder or the Secured Party, as the case may be, of a written request for such refund by the Trustor (which request shall specify the amount of such Excess Amount and shall set forth in detail the calculation thereof). For purposes of this Section 7.2, "Excess Amount" means the amount by which such payment exceeds the amount which would have been received by such holder and the Secured Party if the Trustor had not become subject to the recourse liability referred to in clause (b) above. Nothing

contained in this Section 7.2 shall prevent the Secured Party or the holder of a note from enforcing and retaining the proceeds of any personal recourse obligation of the Trustor under the Participation Agreement. The holders of the Notes and the Secured Party agree that should the Trust Estate become a debtor subject to the reorganization provisions of the Federal Bankruptcy Code or any successor provision, they shall upon the request of the Trustor make the election referred to in Section 1111(b)(1)(A)(i) of such Code or any successor provision if, in the absence of such election, the holders of the Notes would (contrary to the intention of the parties hereto) have recourse against the Trustor for the payment of the indebtedness represented by the Notes.

SECTION 8. MISCELLANEOUS.

8.1. Registration and Execution. The Notes shall be registered as to principal and interest ("Registered Notes"), or payable to the order of the holder ("Order Notes") transferable by endorsement and delivery, and in either case shall be signed on behalf of the Debtor by its President or any Vice President or any other officer of the Debtor who, at the date of the actual execution thereof, shall be a proper officer to execute the same. Notwithstanding the foregoing provisions, the Debtor shall not issue or reissue any Order Note hereunder unless it shall have received an opinion of Independent Tax Counsel to the effect that the issuance of the Order Note shall not have any adverse tax consequence to the Trustor and to the effect that such Order Note is not a "registration-required obligation" within the meaning of Section 163(f)(2) of the Internal Revenue Code of 1954, as amended. The fees and expenses of any such counsel shall be paid by the Lessee as Rent (as defined in the Lease) under the Lease.

8.2. Payment of the Notes. (a) The principal of, and premium, if any, and interest on the Notes shall be payable by wire transfer of immediately available funds, in the case of any original Note Purchaser, as provided in Section 6.5 or as such Note Purchaser shall otherwise designate, and in the case of all other holders of the Notes, to such bank or trust company in the continental United States for the account of such holder as the holder shall designate to the Debtor from time to time in writing, and if no such designation is in effect, by check, duly mailed, by first class, postage prepaid, or delivered to such holder at its last known address (in the case of Order Notes) or at the address appearing on the Register as defined in Section 8.3 (in the case of Registered Notes). All payments so made shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sums so paid. Each holder (or the person for whom such holder is a nominee) by its acceptance of any Registered Note agrees that, before selling, transferring or otherwise disposing of such Note, it will present such Note to the Debtor for transfer and notation as provided in Sections 8.4 and 8.5.

(b) All amounts constituting payment of the installments of rental under the Lease or Casualty Value or Early Termination Value received by the Secured Party and applied on the Notes pursuant to Section 4 hereof shall be valid and effectual to satisfy and discharge the liability upon such Notes to the extent of the amounts so received and applied.

8.3. The Register. The Debtor will keep at its principal office a register for the registration and transfer of Registered Notes (herein called the "Register"). The names and addresses of the holders of the Registered Notes, the transfers of the Registered Notes and the names and addresses of the transferees of all Registered Notes shall be registered in the Register, with copies to be provided by the Debtor to the Secured Party. The Debtor hereby appoints the Secured Party as its agent to hold the Register and to do all things necessary in connection therewith and required pursuant to this Section 8.3 and Section 8.4.

Subject to the penultimate sentence of Section 8.1 hereof, the holder of any Registered Note issued hereunder may, upon presentation thereof at the principal office of the Debtor for such purpose, have such Note issued or reissued, as the case may be, in unregistered form and expressed to be payable to such holder "or order" which form shall be the same as that set forth in Exhibit A-2 hereto.

Subject to the penultimate sentence of Section 8.1 hereof, at any time and from time to time the registered holder of any Note which has been duly registered as hereinabove provided may cause the same to be discharged from registration and reissued in unregistered form as authorized above, upon surrender thereof at the principal office of the Debtor duly endorsed or accompanied by a written instrument of transfer duly executed by the registered holder of such Note in compliance with Section 8.4 hereof.

The holder of any Order Note may cause the same to be replaced and reissued in registered form as set forth in Exhibit A-1 upon surrender thereof at the principal office of the Debtor duly endorsed or accompanied by a written instrument of transfer duly executed by such holder.

8.4. Transfers and Exchanges of Notes; Lost or Mutilated Notes.

(a) The holder of any Registered Note may transfer such Note upon the surrender thereof at the principal corporate office of the Debtor. Thereupon, the Debtor shall execute in the name of the transferee a new Note or Notes in denominations not less than \$100,000 (or the unpaid principal balance thereof, if less) in aggregate principal amount equal to the unpaid principal amount of

the Note so surrendered and deliver such new Note or Notes to the Debtor for delivery to such transferee.

(b) The holder of any Registered Note or Notes may surrender such Note or Notes at the principal office of the Debtor, accompanied by a written request for a new Note or Notes in the same aggregate principal amount as the then unpaid principal amount of the Note or Notes so surrendered and in denominations of \$100,000 (or the unpaid principal balance thereof, if less) or such amount in excess thereof as may be specified in such request. Thereupon, the Debtor shall execute in the name of such holder a new Note or Notes in the denomination or denominations so requested and in the aggregate principal amount equal to the aggregate unpaid principal amount of the Note or Notes so surrendered and deliver such new Note or Notes to such holder and shall advise the Secured Party thereof.

(c) The holder of any Order Note or Notes agrees that in the event it shall sell or transfer any such Notes (a) it will, prior to the delivery of any Note (unless it has already done so), make a notation thereon of all principal, if any, prepaid on such Note and will also note thereon the date to which interest has been paid on such Note, and (b) it will promptly notify the Debtor and the Secured Party of the name and address of the transferee of any Note so transferred. With respect to Order Notes to which this Section applies, the Debtor and the Secured Party shall be entitled to presume conclusively that the original or such subsequent institutional holder as shall have requested the provisions hereof to apply to its Notes remains the holder of such Notes until (i) the Debtor and the Secured Party shall have received notice of the transfer of such Notes, and of the name and address of the transferee, or (ii) such Notes shall have been presented to the Debtor as evidence of the transfer.

(d) All Notes presented or surrendered for exchange or transfer shall be accompanied (if so required by the Debtor) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Debtor, duly executed by the registered holder or by its attorney duly authorized in writing. The Debtor shall not be required to make a transfer or an exchange of any Note for a period of ten days preceding any installment payment date with respect thereto. The Debtor may absolutely rely on any signature purporting to be correct and shall have no duty of inquiry upon any such presentation or surrender of Notes for exchange or transfer.

(e) No notarial act shall be necessary for the transfer or exchange of any Note pursuant to this Section 8.4, and the holder of any Note issued as provided in this Section 8.4 shall be entitled to any and all rights and privileges granted under this Security Agreement to a holder of a Note.

(f) In case any Note shall become mutilated or be destroyed, lost or stolen, the Debtor, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substituted Note shall furnish to the Debtor such security or indemnity as may be required by the Debtor to save it harmless from all risks, and the applicant shall also furnish to the Debtor evidence to its satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof. In case any Note which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Debtor may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Debtor such security or indemnity as the Debtor may require to save it harmless, and shall furnish evidence to the satisfaction of the Debtor of the mutilation, destruction, loss or theft of such Note and the ownership thereof. If any original Note Purchaser, or its nominee, is the owner of any such lost, stolen or destroyed Note, then the affidavit of the president, vice president, treasurer or assistant treasurer of such Note Purchaser setting forth the fact of loss, theft or destruction and of its ownership of the Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no indemnity shall be required as a condition to execution and delivery of a new Note other than the written agreement of such Note Purchaser (not including its nominee) to indemnify the Debtor for any claims or action against it (and for its attorney's fees) resulting from the issuance of such new Note or the reappearance of the old Note. The Debtor shall advise the Secured Party when any new Note is issued pursuant to this Section 8.4(f) as to the details relating to such issuance.

8.5. The New Notes.

(a) Each new Note (herein, in this Section 8.5, called a "New Note") issued pursuant to Section 8.4(a), (b) or (e) in exchange for or in substitution or in lieu

of an outstanding Note (herein, in this Section 8.5, called an "Old Note") shall be dated the date of such Old Note. The Debtor shall mark on each New Note (i) the dates to which principal and interest have been paid on such Old Note, (ii) all payments and prepayments of principal previously made on such Old Note which are allocable to such New Note, and (iii) the amount of each installment payment payable on such New Note. Each installment payment payable on such New Note on any date shall bear the same proportion to the installment payment payable on such Old Note on such date as the original principal amount of such New Note bears to the original aggregate principal amount of such Old Note. Interest shall be deemed to have been paid on such New Note to the date on which interest shall have been paid on such Old Note, and all payments and prepayments of principal marked on such New Note, as provided in clause (ii) above, shall be deemed to have been made thereon.

(b) Upon the issuance of a New Note pursuant to Section 8.4(a), (b) or (e), the Debtor may require the payment of a sum to reimburse it for, or to provide it with funds for, the payment of any tax or other governmental charge or any other charges and expenses connected therewith which are paid or payable by the Debtor.

(c) All New Notes issued pursuant to Section 8.4(a), (b) or (e) in exchange for or in substitution or in lieu of Old Notes shall be valid obligations of the Debtor evidencing the same debt as the Old Notes and shall be entitled to the benefits and security of this Security Agreement to the same extent as the Old Notes.

(d) Upon the issuance of any Note pursuant to this Security Agreement, the Secured Party may submit to the Debtor a request that the Debtor prepare and deliver to the Secured Party an amortization schedule with respect to such Note setting forth the amount of the installment payments to be made on such Note after the date of issuance thereof and the unpaid principal balance of such Note after each such installment payment. The Secured Party shall deliver, or send by first-class mail, postage prepaid, one copy of the applicable schedule to the holder of such Note at its address set forth in the Register.

8.6. Cancellation of Notes. All Notes surrendered for the purpose of payment, redemption, transfer or exchange shall be delivered to the Debtor for cancellation or, if surrendered to the Debtor, shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Security Agreement.

8.7. Registered Owner. Prior to due presentment for registration of transfer, the person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Security Agreement and neither the Debtor nor the Secured Party shall be affected by any notice to the contrary. Payment of or on account of the principal of, premium, if any, and interest on such Note shall be made only to or upon the order in writing of such registered owner. For the purpose of any request, direction or consent hereunder, the Debtor and the Secured Party may deem and treat the registered owner of any Note as the owner thereof without production of such Note.

8.8. Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

8.9. Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision herein contained unenforceable or invalid, provided that nothing contained in this Section 8.9 shall be construed to be in derogation of any rights or immunities of the Debtor in its individual capacity under Section 7 hereof, or to amend or modify any limitations or restrictions of the Secured Party or the holder of any Note or their respective successors or assigns under said Section 7.

8.10. Communications. All communications provided for herein shall be in writing and shall be deemed to have been given (unless otherwise required by the specific provisions hereof in respect of any matter) when delivered personally or when deposited in the United States mail, certified or registered, postage prepaid, addressed as follows:

8.11. Supplemental Security Agreements; Waivers. (a)
Supplemental Security Agreements Without Noteholders' Consent.
The Debtor and the Secured Party from time to time and at any time, subject to the restrictions in this Security Agreement contained, may enter into an agreement or agreements supplemental hereto without the Noteholder's consent and which thereafter shall form a part hereof for any one or more of the following purposes:

(i) to add to the covenants and agreements to be observed by, and to surrender any right or power reserved to or conferred upon the Debtor;

(ii) to subject to the security interest of this Security Agreement additional property hereafter acquired by the Debtor and intended to be subjected to the security interest of this Security Agreement, and to correct and amplify the description of any property subject to the security interest of this Security Agreement; or

(iii) to permit the qualification of this Security Agreement under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in

effect, except that nothing herein contained shall permit or authorize the inclusion of the provisions referred to in Section 316(a)(2)) of said Trust Indenture Act of 1939 or any corresponding provision in any similar Federal statute hereafter in effect;

and the Debtor covenants to perform all requirements of any such supplemental agreement. No restriction or obligation imposed upon the Debtor may, except as otherwise provided in this Security Agreement, be waived or modified by such supplemental agreements.

(b) Waivers and Consents by Noteholders; Supplemental Security Agreements with Noteholders' Consent. Upon the waiver or consent of the holders of at least 66-2/3% in aggregate principal amount of the Notes exclusive of any Notes held by the Lessee (x) the Debtor may take any action prohibited, or omit the taking of any action required, by any of the provisions of this Security Agreement or any agreement supplemental hereto, or (y) the Debtor and the Secured Party may enter into an agreement or agreements supplemental hereto for the purpose of adding, changing or eliminating any provisions of this Security Agreement or of any agreement supplemental hereto or modifying in any manner the rights and obligations of the holders of the Notes and the Debtor; provided, that no such waiver or supplemental agreement shall (i) impair or affect the right of any holder to receive payments or prepayments of the principal of and payments of the interest or premium, if any, on its Note, as therein and herein provided, without the consent of such holder, (ii) permit the creation of any lien or security interest with respect to any of the Collateral, without the consent of the holders of all the Notes at the time outstanding, (iii) effect the deprivation of the holder of any Note of the benefit of the security interest of this Security Agreement upon all or any part of the Collateral without the consent of such holder, (iv) reduce the aforesaid percentage of the aggregate principal amount of Notes, the holders of which are required to consent to any such waiver or supplemental agreement pursuant to this Section, without the consent of the holders of all of the Notes at the time outstanding, or (v) modify the rights, duties or immunities of the Secured Party, without the consent of the holders of all of the Notes at the time outstanding.

(c) Notice of Supplemental Security Agreements. Promptly after the execution by the Debtor and the Secured Party of any supplemental agreement pursuant to the provisions of paragraph (a) or (b) of this Section, the Secured Party shall give written notice, setting forth in general terms the substance of such supplemental agreement, together with a conformed copy thereof, mailed, first-class, postage prepaid, to each holder of the Notes. Any failure of the Secured Party to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

(d) Opinion of Counsel Conclusive as to Supplemental Security Agreements. The Secured Party is hereby authorized to join with the Debtor in the execution of any such supplemental agreement authorized or permitted by the terms of this Security Agreement and to make the further agreements and stipulations which may be therein contained, and the Secured Party may receive an opinion of counsel as conclusive evidence that any supplemental agreement executed pursuant to the provisions of this Section 8.11 complies with the requirements of this Section 8.11.

8.12. Amendments. Subject to Section 8.11, this Security Agreement may, from time to time and at any time, be amended or supplemented by an instrument or instruments in writing executed by the parties hereto.

8.13. Release. The Secured Party shall release this Security Agreement and the security interest granted hereby by proper instrument or instruments upon presentation of satisfactory evidence that all indebtedness secured hereby has been fully paid or discharged.

8.14. Governing Law. This Security Agreement and the Notes shall be construed in accordance with and governed by the laws of the State of Connecticut without regard to principles of conflicts of law; provided, however, that the Secured Party shall be entitled to all the rights conferred by any applicable Federal statute, rule or regulation.

8.15. Counterparts. This Security Agreement may be executed, acknowledged and delivered in any number of counterparts, each of such counterparts constituting an original but all together only one Security Agreement.

8.16. Headings. Any headings or captions preceding the text of the several sections hereof are intended solely for convenience of reference and shall not constitute a part of this Security Agreement nor shall they affect its meaning, construction or effect.

IN WITNESS WHEREOF, the Debtor and the Secured Party have caused this Security Agreement to be executed, as of the day and year first above written.
