D.E. Nicolardi
ARCO Petroleum Products Company
P.O. Box 2451
Houston, Texas 77001

Good Morning Mr. Nicolardi.

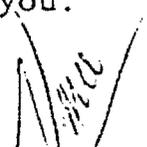

Enclosed you will find a Proposal/Quotation to lease (1) EMD SW-9, 1200 horsepower Locomotive in the amount of \$8,900.00 per month. The price quoted is F.O.T. ARCO Refinery, Houston, Texas.

In addition, we have inserted a typical lease contract which should serve as a framework in formulating a contract between I.S.C. & the ARCO Petroleum Products Co.

It may be well to mention, should we be awarded the contract again, that we will be replacing our present lease unit with a newly refurbished unit, as per your conversation with R.C. Inman.

Also, Mr. Inman has informed us to submit the enclosed bid, which is specified to include all maintenance-repairs on our said lease unit. This means our price quoted will carry no additions unless the locomotive is involved in an accident damage and/or careless handling of ARCO employees.

Mr. Nicolardi, I trust the information supplied in this packet is sufficient, and await the opportunity to serve you.

Vince Inman
Inman Service Company, Inc.

P.S. We regret our company does not have a requisition number to assign this bid proposal
