Title to the Trust Equipment is to be vested in and is to be retained by the Trustee and the Trust Equipment is to be leased to the Company under the Trust Agreement, all subject to the lease or leases referred to in Exhibit A (hereinafter, whether one or more, the "Leases") between the Company and the lessee or lessees named therein.

It is desired to grant to the Trustee an assignment of and a security interest in and to the Leases and other collateral described below.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereto hereby agree as follows:

1. Subject to the rights of lessees under the Leases, the Company hereby assigns, transfers and sets over unto the Trustee as security for the payment and performance of all of the Company's obligations under the lease provided for in the Trust Agreement (i) all of the Company's right, title and interest now or hereafter acquired as lessor in, to and under the Leases described in Exhibit A hereto, together with all rights, powers, privileges, and other benefits of the Company now or hereafter acquired as lessor under the Leases in respect of such units of Trust Equipment, including but not limited to the Company's right to receive and collect all rentals, liquidated damages, proceeds of sale and other payments now or hereafter to become payable to or receivable by the Company under or pursuant to the provisions of the Leases and, in addition, (ii) all the Company's right to receive and collect all per diem mileage or other payments now or hereafter to become payable to the Company in respect of the Trust Equipment, whether under or pursuant to

the provisions of any of the Leases or otherwise. The Trustee hereby appoints the Company its agent to collect and receive any and all of such rentals and other payments and to take any and all actions in respect of such Leases until the happening of an Event of Default (as such term is defined in the Trust Agreement). The Company represents and warrants that it has not heretofore made and agrees that it will not hereafter make in respect of the Trust Equipment any other assignment of the Leases or the rentals or the payments payable to or receivable by the Company under any of the Leases.

2. It is expressly understood and agreed that the assignment made and security interest granted herein applies only to the Leases (and any right, title, interest, power, and privilege of the Company as lessor thereunder) insofar as such Leases cover or otherwise apply to the rail cars described in Exhibit A hereto and any rail cars substituted as replacements for the rail cars described in Exhibit A hereto (but does not apply to any rail cars added to such Leases as additional and not replacement rail cars).

3. It is expressly agreed that the rights hereby assigned to the Trustee are subject to the rights of lessees under the Leases, and that the Trustee, so long as any such lessee is not in default under its Lease, shall not interfere with the rights of peaceful and undisturbed possession of such lessee in and to any of the Trust Equipment in accordance with the terms of such Lease.

4. In addition to, and without in any way limiting, the powers conferred upon the Trustee by Sections 6.01 and 6.02 of the Trust Agreement, the Trustee may upon the happening of an Event of Default (as defined in the Trust Agreement) and not otherwise, in the Trustee's own name or in the name of the Trustee's nominee, or in the name of the Company or as the Company's attorney, (i) ask, demand, sue for, collect and receive any and all rentals or per diem mileage or other payments to which the Company is or may become entitled in respect of the Trust Equipment and (ii) enforce compliance by lessees under the Leases with all the terms and provisions thereof and make all waivers and agreements, give all notices, consents and releases, take all action upon the happening of an Event of Default specified in the Leases, and do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Leases.

5. The assignment made by this instrument is made only as security and, therefore, shall not subject the Trustee to, or transfer, or pass or in any way affect or modify, the liability of the Company under any Lease or otherwise, it being understood that, notwithstanding any assignment, any obligations of the Company under any Lease or otherwise shall be and remain enforceable against and only against the Company.

6. (a) Upon the full discharge and satisfaction of the Company's obligation under the lease provided for in the Trust Agreement, the assignment made pursuant to this instrument shall terminate and all rights, title

and interest of the Trustee as assignee hereunder in and to any Lease or any payments in respect of the Trust Equipment shall revert to the Company.

(b) Upon the release of any unit of Trust Equipment pursuant to Section 5.05 of the Equipment Trust Agreement, this Assignment shall terminate pro tanto with respect to (i) such unit of Trust Equipment and (ii) rights assigned to the Trustee hereby and by the Equipment Trust Agreement in the Leases insofar as they relate to such unit of Trust Equipment, and upon such partial termination such unit of Trust Equipment and rights shall revert to the Company or to such person or persons as may be legally entitled thereto, provided, however, that if an Event of Default (as defined in the Equipment Trust Agreement) has occurred and is then continuing, such termination and reversion shall not occur until such Event of Default shall have been cured or waived in accordance with the provisions of the Equipment Trust Agreement. After any partial termination, the provisions of this Assignment shall no longer be applicable to such unit of Trust Equipment and rights, and the Trustee shall at the request of the Company or such other person, and at the expense of the Company, deliver to the Company or such other person, a writing evidencing such partial termination.

7. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee pursuant to the provisions of this instrument for any rentals or per diem mileage or other payments in respect of the Trust Equipment, whether under or pursuant to the provisions of any Lease or otherwise, or to enforce any provisions of any Lease, the Company will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever.

8. Except as otherwise provided herein, the provisions of this Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

9.
