Certain capitalized terms used herein have the respective meanings attributed thereto in Section 1 hereof.

RECITALS

The Lessee, the Lender, the Owner Trustee and the Owner Participant have entered into a Participation Agreement (the "Participation Agreement") dated as of the date hereof, pursuant to which, and subject to the terms and conditions thereof, (a) the Owner Trustee has agreed to purchase the Locomotives (as hereinafter defined), (b) the Lessee has agreed to lease the Locomotives from the Owner Trustee pursuant to the terms and conditions of that certain Lease of Railroad Equipment, dated as of the date hereof (as supplemented and amended from time to time in accordance with the terms thereof and hereof, the "Lease"), between the Owner Trustee and the Lessee, (c) in order to finance a portion of the Purchase Price of the Locomotives, the Owner Trustee has agreed to borrow funds from the Lender and, to evidence such borrowings, the

Owner Trustee has agreed to execute and deliver to the Lender one or more Notes, and (d) the Lender has agreed to purchase the Notes.

The Lender has requested that in order to provide security for, among other things, the payment of the principal of, and interest on and premium, if any, on the Notes, the Owner Trustee pledge, assign, mortgage and grant a security interest in the property, rights and privileges hereinbelow described constituting the Collateral to and in favor of the Lender, and the Owner Trustee is willing to do so.

The Owner Trustee desires by this Loan and Security Agreement, among other things, to provide for (a) the issuance by the Owner Trustee of the Notes evidencing loans made to the Owner Trustee as provided in the Participation Agreement, and (b) the mortgage, assignment and pledge by the Owner Trustee to the Lender of all of the Owner Trustee's right, title and interest in, to and under that certain purchase agreement dated May 28, 1987 by and between Lessee and Manufacturer relating to the purchase and sale of the Locomotives (as the same may be amended from time to time, the "Purchase Agreement"), the Locomotives, the Lease and payments and other amounts received hereunder or thereunder in accordance with the terms hereof (excluding Excepted Rights in Collateral) as security for the Owner Trustee's obligations to the holders of the Notes for the benefit and security of such holders.

Nothing contained in any of the Loan and Security Agreement Supplements shall be construed to impair or limit the security interests granted herein, it being the intention of the parties that the effect of any such Loan and Security Agreement Supplement shall be merely to restate with more specificity the grant of security interest set forth herein as to the specific items of

Collateral referenced in any such Loan and Security Agreement Supplement.

B. Without limiting the generality of the foregoing, further to secure payment, performance and observance of the Secured Obligations, and for the same consideration as set forth above, the Owner Trustee hereby presently irrevocably sells, assigns, transfers and sets over unto the Lender, its successors and assigns, as security for the Owner Trustee's obligations under this Loan and Security Agreement and the Participation Agreement, all of the right, title and interest of the Owner Trustee in, to and under (but none of the obligations of Owner Trustee in respect of) (i) the Lease, as from time to time supplemented or amended, including each Lease Supplement thereto (except only Excepted Rights in Collateral), (ii) all monies and claims for monies due and to become due to the Owner Trustee and all claims for damages, in respect of any Casualty Occurrence with respect to the Locomotives or any thereof, and all other payments of any kind for or with respect to such Locomotives (except only Excepted Rights in Collateral), (iii) all rights of the Owner Trustee (except as set forth in Sections 7.03 and 10.02 hereof and to the extent included in Excepted Rights in Collateral) to execute any election or option or to make any decision or determination or to give any notice, consent, waiver or approval under or in respect of the Lease or to accept any surrender of any Locomotives or any part thereof, (iv) all rights, powers or

C. It is expressly agreed that anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under the Lease and the Bills of Sale, to the extent it is so liable, to perform all of the obligations assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof. Section 2.04. Issuance and Terms of Notes.

(i) On the Delivery Date, there shall be issued to the Lender by the Owner Trustee one or more Notes.

(ii) Each Note shall be in a principal amount determined as provided in Section 3(a) of the Participation Agreement and shall bear interest on the principal amount thereof from time to time outstanding from the date thereof until due and payable (whether at the stated maturity thereof, upon acceleration or otherwise) at the rate of 10.82% per annum (the "Debt Rate"),

and thereafter until paid at a rate per annum equal to the higher of 11.82% per annum and the Reference Rate (the "Overdue Rate") (in each case computed on the basis of a 360-day year of twelve 30-day months). Each such Note shall in addition (a) be due and payable semi-annually on January 5, 1988 and July 5, 1988 as to the interest accrued thereon from the date such Note was issued to and including such interest payment date; and (b) be due and payable as to principal and accrued interest on each January 5 and July 5, commencing January 5, 1989 and continuing to and including the last date set forth on the amortization schedule attached thereto (each such date being herein called an "Installment Payment Date"), with the principal amount due on each such Installment Payment Date determined as set forth in such amortization schedule; provided, that the final payment on each Note shall be in an amount sufficient to discharge the accrued interest and prepayment premium, if any, on, and the unpaid principal amount of, such Note. Each such Note shall bear interest at a rate per annum equal to the Overdue Rate (computed on the basis of a 360-day year of twelve 30-day months) on any part of principal and, to the extent permitted by applicable law, interest, not paid when due for any period during which the same shall be overdue. If any Installment Payment Date is not a Business Day, then the payment of principal, interest and premium, if any, due on such date shall be due on the next preceeding Business Day.

Section 2.05 Payments on Notes from Collateral Only.

Except as provided in Section 5.03 hereof, all amounts payable under a Note shall be paid only from the property, income and proceeds constituting the Collateral. Each holder of a Note, by its acceptance of such Note, agrees that it will look solely to the income and proceeds from the Collateral to the extent available for distribution to such holder in accordance with the provisions of this Agreement and that neither the Owner Trustee nor Owner Participant shall be personally liable to any such holder for any amounts payable under any Note.

Section 2.06. Registration of Notes.

(i) The Notes issuable hereunder shall be in registered form. The Owner Trustee will keep at the Owner Trustee Office a register for the registration and transfer of Notes (herein called the "Register"). The names and addresses of the holders of the Notes, the transfers of the Notes, and the names and addresses of the transferees of all Notes shall be registered in the Register.

(ii) Subject to the provisions of Section 2.07 hereof, the Notes may be presented for payment at, and notices or demands with respect to the Notes or this Loan and Security Agreement may be served or made at, the Owner Trustee Office.

(iii) The person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Agreement and the Participation Agreement and neither the obligors thereon nor the Owner Trustee shall be

affected by any notice to the contrary. Payment of or on account of the principal of, premium, if any, and interest on such Note shall be made only to or upon the order in writing of such registered owner. For the purpose of any request, direction or consent hereunder, the obligors thereon and the Owner Trustee may deem and treat the registered owner of any Note as the owner thereof without production of such Note.

Section 2.07 Method of Payment.

(i) The principal of, and interest on and premium, if any, on the Notes shall be payable at the Owner Trustee Office, in lawful money of the United States of America immediately available at the time of payment. Payment of principal of the Notes shall be made only upon presentation of such Notes to the Owner Trustee for notation thereon of the amount of such payment.

(ii) Notwithstanding the foregoing provisions of Section 2.07(i) or any provision in any Note to the contrary, (a) so long as the Lender or an Affiliate of Lender shall be a holder of any Note, all payments to it with respect to such Note shall be made in the manner provided in Schedule 1 to the Participation Agreement unless it shall have specified some other manner of payment by notice to the Owner Trustee in accordance with this Section 2.07(ii), and (b) the Owner Trustee will, if so requested by any other holder from time to time of a Note by written notice, pay all amounts payable by the Owner Trustee with respect to such Note to such holder

either by mailing a check payable in immediately available funds to such holder at such address as such holder shall have specified in such notice or by wire transfer in immediately available funds to such bank (for the account of such holder) as may be specified in such notice, in any case without any presentment or surrender of any Note; provided, however, that the Lender and each other holder from time to time of a Note, by its acceptance thereof, agrees that any Note paid or prepaid in full shall be surrendered to the Owner Trustee for cancellation after the making of the final payment on account of such Note upon the written request of the Owner Trustee. All payments so made shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sums so paid, subject to the proviso contained in Section 2.10(vi) hereof.

Section 2.08. Transfer or Exchanges of Notes; Mutilated, Destroyed, Lost or Stolen Notes.

(i) The holder of any Note may transfer such Note upon the surrender thereof at the Owner Trustee Office. Thereupon, the Owner Trustee shall execute in the name of the transferee a new Note or Notes (as requested by such surrendering holder) in denominations not less than \$100,000 (except one Note may be issued in a lesser principal amount if the principal amount of the surrendered Note is less than \$100,000), which shall be in an aggregate principal amount equal to the unpaid principal amount of the Note so surrendered. The Owner Trustee shall

deliver such new Note or Notes to the Lender for delivery to such transferee.

(ii) The holder of any Note may surrender such Note at the Owner Trustee Office, accompanied by a written request for a new Note or Notes in denominations of not less than \$100,000 (except one Note may be issued in a lesser principal amount if the principal amount of the surrendered Note is not equally divisible by \$100,000), or such amount in excess thereof as may be specified in such request, which shall be in an aggregate principal amount equal to the unpaid principal amount of the Note or Notes so surrendered. Thereupon, the Owner Trustee shall execute in the name of such holder a new Note or Notes in accordance with such request and deliver such new Note or Notes to such holder.

(iii) All Notes represented or surrendered for transfer shall be accompanied (if so required by the Owner Trustee) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Owner Trustee duly executed by the registered holder or by its attorney duly authorized in writing. The Owner Trustee shall not be required to make a transfer or an exchange of any Note for a period of ten days preceding any Installment Payment Date or interest payment date with respect thereto.

(iv) No notarial act shall be necessary for the transfer or exchange of any Note pursuant to this Section 2.08, and the holder of any Note issued as provided in this Section 2.08

shall be entitled to any and all rights and privileges granted under this Agreement to a holder of a Note.

(v) In case any Note shall become mutilated or be destroyed, lost or stolen, the Owner Trustee, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substitute Note shall furnish to the Owner Trustee such security or indemnity as may be reasonably required by it, and the applicant shall also furnish to the Owner Trustee evidence to its satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof; provided, that no such security or indemnity shall be required in respect of a mutilated Note, identifiable as such, which shall be surrendered by the holder thereof to the Owner Trustee. In case any Note which has matured or is to mature within the next succeeding six (6) month period shall become mutilated or be destroyed, lost or stolen, the Owner Trustee may, instead of issuing a substitute Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Owner Trustee such security or indemnity as may be reasonably required by them, and shall furnish evidence to the satisfaction of the Owner Trustee of the mutilation, destruction, loss or theft of such Note and of the ownership

thereof. If (a) the Lender, (b) any Affiliate of Lender, or (c) any bank, bank affiliate, financial institution, insurance company, pension fund, endowment or other organization having a net worth of at least \$50,000,000 and regularly acquiring debt instruments for investment (an "Institutional Investor") shall be the person requesting the issuance of a substitute or replacement Note or Notes hereunder, the written statement of the Lender, Affiliate or such other Institutional Investor, as the case may be, setting forth the fact of loss, theft or destruction shall be accepted as satisfactory evidence thereof and no indemnity shall be required as a condition to execution and delivery of a Note other than the written agreement of such Lender, Affiliate, or Institutional Investor, as the case may be, to indemnify the Owner Trustee (including its attorneys' fees) for any claims or action against it resulting from the reappearance of the Old Note.

(vi) Each new Note (herein, in this Section 2.08, called a "New Note") issued pursuant to this Section 2.08 in exchange for or in substitution or in lieu of an outstanding Note (herein, in this Section 2.08, called an "Old Note") shall be dated the date of such Old Note and each such New Note shall be in registered form. The Owner Trustee shall mark on each New Note (a) the dates to which principal and interest have been paid on such Old Note, (b) all payments and prepayments of principal previously made on such Old Note which are allocable to such New Note, and (c) the amount of such installment

payment payable on such New Note. Each installment of principal payable on any date on each New Note issued in exchange for any one Old Note shall bear the same proportion to the installment payment payable on such Old Note on such date as the original principal amount of such New Note bears to the original aggregate principal amount of all such New Notes issued in exchange for such Old Note. Interest shall be deemed to have been paid on each such New Note to the date on which interest shall have been paid on such Old Note, and all payments and prepayments of principal marked on such New Note, as provided in clause (b) above, shall be deemed to have been made thereon.

(vii) Upon the issuance of a New Note pursuant to this Section 2.08, the Owner Trustee may require the payment of a sum to reimburse it for, or to provide it with funds for, the payment of any tax or other governmental charge or any other charges and expenses connected therewith which are paid or payable by the Owner Trustee.

(viii) All New Notes issued pursuant to this Section 2.08 in exchange for or in substitution or in lieu of Old Notes shall be valid obligations of the obligor thereof evidencing the same debt as the Old Notes and shall be entitled to the benefits and security of this Loan and Security Agreement to the same extent as the Old Notes.

(ix) Upon the issuance of any Note pursuant to this Section 2.08, the Owner Trustee shall prepare and deliver to

the holder thereof an amortization schedule with respect to such Note setting forth the amount of the installment payments to be made on such Note after the date of issuance thereof and the unpaid principal balance of such Note after each such installment payment.

(x) All Notes surrendered to the Owner Trustee for the purpose of payment, redemption, transfer or exchange shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Loan and Security Agreement.

Section 2.09. Application of Payments. Subject in any event to the provisions of Section 5 hereof, each payment on account of any outstanding Note shall be allocated first to the payment of accrued but unpaid interest on such Note, second to the reduction of the outstanding principal amount of such Note then due plus premium, if any, on such Note, and third, the balance, to the extent such Note shall at the time be permitted to be prepaid pursuant to this Loan and Security Agreement, to the payment of the unpaid principal amount of such Note.

Section 2.10. Prepayment of Notes. The Notes are not subject to prepayment or redemption, in whole or in part, directly or indirectly, except to the extent and in the manner expressly required or permitted therein, by the provisions of Section 2.04, or by the further provisions of this Section 2.10.

(i) Required Prepayment Following Casualty Occurrence.
If a Casualty Occurrence shall occur with respect to any

Locomotive, and if the Lessee does not substitute a Replacement Locomotive in accordance with § 8.1 of the Lease, the Owner Trustee will prepay or cause to be prepaid a percentage of the principal amount of the Notes in the manner, at a price and as otherwise provided in Section 5.03 hereof.

(ii) [Intentionally Left Blank]

(iii) Optional Prepayments. The Owner Trustee may prepay or cause to be prepaid one or more Notes, in whole or in part (in multiples of not less than \$500,000) upon not less than 30 days' prior written notice to the registered holder of such Note or Notes, provided that any such prepayment shall include a payment equal to the Prepayment Premium, if any, applicable to such prepaid portion of the Note or Notes.

(iv) Identification of Prepayment. In connection with each prepayment of a Note pursuant to this Section 2.10, the Owner Trustee shall specify the (a) specific subsection of this Section 2.10 pursuant to which such prepayment is to be made, (b) each Note to which such prepayment relates, (c) principal amount of each Note being prepaid, and (d) amounts of accrued interest and premium, if any, being paid on such Note.

(v) Maturity Prepayments. In the case of each prepayment, the unpaid principal amount of each Note to be prepaid and premium, if any, shall become due and payable on the date fixed for such prepayment in accordance with the applicable provisions of this Loan and Security Agreement, together with interest accrued thereon to such date.

(vi) Cancellation of Notes; No Reissue. Except as otherwise provided in Section 2.08, if any Note is paid or prepaid in full, or substituted for a New Note, it shall be surrendered to the Owner Trustee. The Owner Trustee shall cancel any surrendered Note and shall not thereafter reissue such Note or any Note in lieu thereof; provided, however, that in the event any payments or portions thereof on the Notes are recovered or recouped from Lender for any reason, including without limitation pursuant to Section 550 or any other provision of the Bankruptcy Code in the bankruptcy or reorganization of the Lessee, the Owner Trustee, or the Owner Participant, any such Notes which shall have been cancelled shall, to the extent of such recovery, be deemed reinstated along with all collateral security therefor.

(vii) Application of Partial Payments. In the case of any prepayment pursuant to Section 2.10(i) or (iii) of less than the entire unpaid principal amount of all outstanding Notes, the amount prepaid shall be applied pro rata to all such Notes according to the respective unpaid principal amounts thereof. The remaining semi-annual payments of principal on any Note which has been partially prepaid pursuant to Section 2.10(i) or (iii) shall each be reduced by a fraction of such semi-annual payment, the numerator of which fraction shall be the amount of such prepayment of principal of such Note and the denominator of which fraction shall be the unpaid principal of such Note immediately prior to such prepayment.

(viii) Interest After Date Fixed for Prepayment. Any Note or portion thereof called for prepayment as herein provided shall cease to bear interest on and after the date fixed for such prepayment, unless the Owner Trustee shall fail to make such prepayment on such date on such Note or portion thereof, as the case may be, in which event such Note or such portion, as the case may be, shall bear interest thereafter, payable on demand, until paid, at the Overdue Rate.

SECTION 3. COVENANTS AND WARRANTIES OF THE OWNER TRUSTEE

The Owner Trustee covenants, warrants and agrees as follows:

Section 3.01. Owner Trustee's Duties. The Owner Trustee covenants and agrees well and truly to perform, abide by and to be governed and restricted by each and all of the terms, provisions, restrictions, covenants and agreements set forth in the Lease and the Participation Agreement, and in each and every supplement thereto or amendment thereof which may at any time or from time to time be executed and delivered by the parties thereto or their successors and assigns, to the same extent as though each and all of said terms, provisions, restrictions, covenants and agreements were fully set out herein and as though any amendment or supplement to the Lease or the Participation Agreement were fully set out in an amendment or supplement to this Agreement. The Owner Trustee undertakes to perform only such duties as are expressly and specifically set forth herein and in the Lease and the

Participation Agreement and no implied obligations or covenants shall be read into this Agreement, the Lease or the Participation Agreement against the Owner Trustee.

Section 3.02. Warranty of Title. The Owner Trustee has the right, power and authority to grant a security interest in the Collateral to the Lender for the uses and purposes herein set forth. The Owner Trustee also agrees that it will, at its own cost and expense, promptly take such action as may be necessary duly to discharge any Lessor's Liens on the Collateral. Without limiting the foregoing, there is no financing statement or other filed or recorded instrument in which the Owner Trustee is named and which the Owner Trustee has signed, as debtor or mortgagor, now on file in any public office covering any of the Collateral excepting the financing statements filed or to be filed in respect of and for the security interest provided for herein and the filing of this Agreement and each Loan and Security Agreement Supplement and the Lease and each Lease Supplement with the ICC pursuant to 49 U.S.C. § 11303.

Section 3.03. Further Assurances. The Owner Trustee will, at no expense to the Lender, do, execute, acknowledge and deliver all and every further act, deed, conveyance, transfer and assurance necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired.

Section 3.04. After-Acquired Property. Any and all property described or referred to as Collateral in the Granting Clause hereof which is hereafter acquired shall ipso facto, and without any further conveyance, assignment or act on the part of the Owner Trustee, become and be subject to the security interest herein granted as fully and completely as though specifically described herein, but nothing in this Section 3.04 contained shall be deemed to modify or change the obligation of the Owner Trustee under Section 3.03 hereof.

Section 3.05. Modifications of the Lease. Subject to Section 7.03 hereof, the Owner Trustee will not, without the prior written consent of the Lender:

(i) declare a default or exercise the remedies of the Lessor under, or terminate, modify or accept a surrender of, or offer or agree to any termination, modification or surrender of, the Lease (except that the Owner Trustee may modify Excepted Rights in Collateral, provided that no such modification shall be effective to in any way impair, or diminish the lien of this Loan and Security Agreement on the Collateral or to impair or diminish the rights of the Lender and the holders of the Notes in respect thereof) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the Lease or any part thereof except pursuant to this Loan and Security Agreement and except with respect to Excepted Rights in Collateral; or

(ii) receive or collect any rental payment under the Lease (except any constituting Excepted Rights in Collateral) prior to the date for payment thereof provided for by the Lease without promptly distributing any payment on the Notes then due or which will become due to the Lender in respect of such rental payments, or assign, transfer or hypothecate any rent payment (except any constituting Excepted Rights in Collateral) then due or to accrue in the future under the Lease; provided, that the Owner Trustee shall not be in violation of this clause (ii), or incur any liability due to, any receipt or collection of rentals by the Owner Trustee or its successor or assigns in accordance with the assignment provided for herein; or

(iii) sell, mortgage, transfer, assign or hypothecate its interest in the Locomotives or any part thereof or in any amount (except any constituting Excepted Rights in Collateral) to be received by it from the use or disposition of the Locomotives.

Section 3.06. Power of Attorney in Respect of the Lease.

The Owner Trustee does hereby irrevocably constitute and appoint the Lender its true and lawful attorney with full power of substitution for it in its name, place and stead to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all rents, income and other sums which are assigned hereunder with full power to settle, adjust or compromise any claims thereunder as fully as the Owner

Trustee could itself do, and to endorse the name of the Owner Trustee on all notes, checks, instruments or other commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any action or proceedings, either in its own name or in the name of the Owner Trustee or otherwise, which the Lender may deem necessary or appropriate to protect and preserve the right, title and interest of the Lender in and to such rents and other sums and the security intended to be afforded hereby, including without limitation the exercise of any and all rights accruing to Lessor under the Bankruptcy Code in the event the Lessee, the Trust Estate or the Owner Participant, or any other party to any Operative Documents becomes subject to an Order For Relief entered pursuant to any applicable chapter of the Bankruptcy Code. The Lender shall defend, indemnify and save harmless the Owner Trustee, Owner Participant and their successors, agents and assigns from and against any claim, cause of action, damage, liability, cost or expense (including, without limitation, attorneys' fees and costs in connection therewith) incurred as a result of any action taken by the Lender under this Section 3.06 which results from the gross negligence or willful misconduct of the Lender; provided that, neither any failure of the Lender to defend, indemnify or save harmless the Owner Trustee, Owner Participant, or their successors, agents or assigns, nor the taking of any such action by the Lender, shall in any manner diminish or release the Owner Trustee from the

performance and observance of any of the Owner Trustee's duties and obligations under this Loan and Security Agreement or impair the lien of this Loan and Security Agreement and to the Collateral. Notwithstanding anything contained herein to the contrary, the power of attorney granted to Lender pursuant to this Section 3.06 shall not relate or apply to the Excepted Rights to Collateral.

SECTION 4. POSSESSION, USE AND RELEASE OF PROPERTY

Section 4.01. Possession of Collateral. So long as no Loan and Security Agreement Event of Default has occurred and is continuing, the Owner Trustee shall be suffered and permitted to remain in full possession, enjoyment and control of the Locomotives and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto, provided, always, that the possession, enjoyment, control and use of the Locomotives shall at all times be subject to the observance and performance of the terms of this Agreement. It is expressly understood that the use and possession of the Locomotives by the Lessee under and subject to the Lease shall not constitute a violation of this Section 4.01. This Agreement is entered into with the expectation that the Locomotives shall be leased to the Lessee under the Lease and that all use of the Locomotives permitted thereby is authorized hereunder.

Section 4.02. Release of Property. So long as no Event of Default or Default has occurred and is continuing, the Lender shall execute a release in respect of any Locomotive designated by the Lessee for a settlement pursuant to Section 8 of the Lease upon receipt from the Lessee of written notice designating the Locomotive in respect of which the Lease will terminate and the receipt from the Lessee of the applicable payment for such Locomotive in compliance with Section 8 of the Lease including, without limitation, all amounts of Basic Rent and Supplemental Rent due in respect of such Locomotive on or prior to the applicable Casualty Payment Date under the Lease.

SECTION 5. RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME FROM THE COLLATERAL

Section 5.01. Rent Distribution.

(i) Basic Rent Distribution. Except as otherwise provided in Section 5.04 hereof, each installment of Basic Rent, as well as any payment of interest on overdue installments of Basic Rent, received by the Owner Trustee shall be distributed by the Owner Trustee on the date such payment is received (subject to timely receipt thereof by the Owner Trustee) in the following order of priority:

First, so much of such amounts as shall be required to pay in full the aggregate principal, premium, if any, and accrued interest (as well as any interest on overdue principal and, to the extent permitted by law, interest and premium, if any) then due and payable under the Notes shall be distributed

to the holders of such Notes ratably, without priority of one over the other, in the proportion that the amount of such payment then due and payable under each such Note bears to the aggregate amount of the payment then due and payable under all such Notes.

Second, the balance, if any, of such amounts remaining shall be distributed in accordance with the Trust Agreement.

(ii) Application of Other Amounts Held by Owner Trustee Upon Rent Default. If as a result of any failure by the Lessee to pay Basic Rent in full on any date when an installment thereof is due, or for any other reason, there shall not have been distributed on any date (or within any applicable period of grace), pursuant to Section 5.01(i) hereof, the full amount then distributable pursuant to clause "First" of Section 5.01(i) hereof, the Owner Trustee shall, if so requested by a Majority in Interest of Note Holders, distribute other payments of the character referred to in Section 5.06 hereof then held by it or thereafter received by it, except as otherwise provided in Section 5.04 hereof, to the holders of all Notes to the extent necessary to enable it to make all the distributions then due pursuant to such clause "First".

(iii) Retention of Amounts by Owner Trustee. If at the time of receipt by the Owner Trustee of any installment of Basic Rent (whether or not then overdue) or of payment of interest on any overdue installment of Basic Rent, there shall have occurred and be continuing a Loan and Security Agreement

Default or a Loan and Security Agreement Event of Default, the Owner Trustee shall retain such installment of Basic Rent or payment of interest (to the extent not then required to be distributed pursuant to clause "First" of Section 5.01(i) hereof) and shall not distribute any such payment of Basic Rent or interest pursuant to clause "Second" of Section 5.01(i) hereof until such time as there shall not be continuing any Loan and Security Agreement Default or Loan and Security Agreement Event of Default or until such time as the Owner Trustee shall have received written instructions from a Majority in Interest of Note Holders to make such a distribution, provided, however, that if any Loan and Security Agreement Default or Loan and Security Agreement Event of Default shall be continuing and if Owner Trustee shall not have received written instructions from a Majority in Interest of Note Holders to make such a distribution by the later of (a) two (2) years from the date such payment of such Basic Rent is received by Owner Trustee and (b) thirty (30) days after Lender shall receive the second of two (2) consecutive years audited financial statements from Lessee (as required by § 11(a) of the Participation Agreement) after the date such payment of such Basic Rent is received by Owner Trustee, then, to the extent not then required to be distributed pursuant to clause "First" of Section 5.01 (i) hereof, Owner Trustee may distribute such payment of Basic Rent pursuant to clause "Second" of Section 5.01 (i) hereof.

Section 5.02. [Intentionally Left Blank]

Section 5.03. Payments Following Casualty Occurrence.

Except as otherwise provided in Section 5.04 hereof, any payment received by Owner Trustee as a result of any Locomotive having suffered a Casualty Occurrence under Section 8.1 of the Lease and not being replaced by a Replacement Locomotive under Section 8.1(ii) of the Lease, including insurance proceeds and all requisition and condemnation amounts received from any governmental authority, shall be distributed forthwith upon receipt by the Owner Trustee in the following order of priority:

First, so much of such payment as shall be required to reimburse the Lender for any expenses incurred by the Lender and not theretofore reimbursed in connection with the collection of such payment shall be distributed to the Lender.

Second, so much of such payment as shall be required to prepay the principal amount of each Note in an amount equal to the principal amount of such Note times a fraction the numerator of which is the number of Locomotives for which a Casualty Payment is being made and the denominator of which is the total number of Locomotives (including the Locomotives for which a Casualty Payment is being made), plus the accrued but unpaid interest on the principal amount being prepaid to the date of distribution shall be distributed to the holder of the Notes.

Third, in the manner provided in clause Second of Section 5.04.

Fourth, the balance, if any, of such payment remaining shall be applied by the Owner Trustee in accordance with the Trust Agreement.

Section 5.04. Payments after Loan and Security Agreement Event of Default. All payments, except those constituting Excepted Rights in Collateral, received and all amounts held or realized by the Owner Trustee after a Loan and Security Agreement Event of Default shall have occurred and be continuing (including any amounts realized by the Owner Trustee from the exercise of any remedies pursuant to Section 14 of the Lease or from the application of Section 6 hereof) and after either (a) the Lender has declared the Lease to be in default pursuant to Section 14 thereof or (b) the Notes shall have become due and payable pursuant to Section 6.02 hereof, and all payments or amounts then held or thereafter received by the Owner Trustee hereunder or under the Participation Agreement (except those constituting Excepted Rights in Collateral), shall, so long as such declaration shall not have been rescinded or cured pursuant to Section 6.03 hereof, be distributed forthwith by the Owner Trustee in the following order of priority:

First, so much of such payments and amounts as shall be required to reimburse the Lender for any expense incurred by the Lender and not theretofore reimbursed in connection with the collection of such payment or the exercise of any remedies under this Loan and Security Agreement in respect of a Loan and

Security Agreement Event of Default shall be distributed to the Lender.

Second, so much of such payments and amounts as shall be required to pay the holders of the Notes all amounts then payable to them under indemnification provisions of the Lease or any other Operative Document shall be distributed to the holders of the Notes entitled to payment under such provisions, ratably to each such holder, without priority of one such holder over the other, in the proportion that the amount of such payments to which each such holder is entitled bears to the aggregate amount of such payments to which all such holders are entitled.

Third, so much of such payments and amounts as shall be required to pay in full the aggregate unpaid principal amount of all Notes then outstanding, plus all accrued but unpaid interest thereon to the date of distribution (including interest on overdue principal and, to the extent permitted by law, interest), and the Prepayment Premium, if any, which shall become due in respect of any Note, the payment of which has been accelerated pursuant to Section 6.04 hereof, shall be distributed to the holders of such Notes ratably, without priority of one over the other, in the proportion that the sum of the aggregate unpaid principal amount of all such Notes held by all such holders, plus accrued but unpaid interest thereon bears the aggregate unpaid principal amount of such Notes, plus accrued but unpaid interest thereon.

Fourth, the balance, if any, of such payments and amounts remaining shall be applied by the Owner Trustee in accordance with the Trust Agreement.

Section 5.05. Certain Prepayments. Any payment received by the Owner Trustee as a result of a prepayment referred to in Section 6.05 hereof shall be distributed forthwith upon receipt by the Owner Trustee in the following order of priority:

First, so much of such amounts as shall be required to reimburse the Lender for any expenses incurred by the Lender and not theretofore reimbursed in connection with the collection or distribution of such payment shall be distributed to the Lender.

Second, so much of such amounts as shall be required to prepay in full the aggregate unpaid principal amount of all Notes then outstanding, plus all accrued but unpaid interest thereon to the date of distribution (including interest at the Overdue Rate on overdue principal and, to the extent permitted by law, interest), premium, if any, which shall have become due but remain unpaid in respect of any prior prepayment of the Notes for which a premium was payable (and, interest at the Overdue Rate thereon), and all other amounts due under the Notes, this Agreement, the Lease and the Participation Agreement shall be distributed to the holders of the Notes. In addition, the Owner Trustee shall pay the Prepayment Premium required by Section 6.05 in respect of any prepayment under this clause Second.

Third, in the manner provided in clause Second of Section 5.04.

Fourth, the balance, if any of such amounts remaining shall be applied by the Owner Trustee in accordance with the Trust Agreement.

Section 5.06. Investment of Certain Moneys Held by the Trustee. The Owner Trustee will invest and reinvest any moneys held by the Owner Trustee pursuant to Section 5.01(iii), 5.06 or 5.07 hereof in securities described in clause (ii) of the definition of Permitted Investments, provided, that, so long as no Default or Event of Default shall have occurred and be continuing, at the written request of the Lessee accompanied by an instrument satisfactory to the Owner Trustee setting forth the agreement of the Lessee to be liable for and pay to the Owner Trustee on demand amounts equal to any expense or loss (including any loss on such investment) incurred in connection with any investment of funds pursuant to this proviso, the Owner Trustee will invest and reinvest moneys held by the Owner Trustee pursuant to any of said Sections in any other Permitted Investments. The proceeds received upon the sale or at maturity of any Permitted Investment and any interest received on such Permitted Investment and any payment in respect of a loss contemplated by the preceding sentence shall be held and applied by the Owner Trustee in the same manner as the moneys used to make such Permitted Investment, and any Permitted Investment may be sold (without regard to maturity date) by the

Owner Trustee whenever necessary to make any payment, prepayment or distribution required to be made by the Owner Trustee under this Section 5.

Section 5.07. Application of Certain Payments Pursuant to Lease or Participation Agreement. Except as otherwise provided in Sections 5.01(ii), 5.01(iii) and 5.04 hereof, and except for any payments constituting Excepted Rights in Collateral, any payment received by the Owner Trustee for which provision as to the application thereof is made in the Lease or the Participation Agreement but not elsewhere in this Loan and Security Agreement shall, unless a Loan and Security Agreement Default or a Loan and Security Agreement Event of Default shall have occurred and be continuing, be applied forthwith to the purpose for which such payment was made in accordance with the terms of the Lease or Participation Agreement, as the case may be. If at the time of the receipt by the Owner Trustee of any payment referred to in the preceding sentence there shall have occurred and be continuing a Loan and Security Agreement Default or a Loan and Security Agreement Event of Default, the Owner Trustee shall hold such payment as part of the Collateral, but, subject to the provisions of Sections 5.01 and 5.04, the Owner Trustee shall cease so to hold such payment and shall apply such payment to the purpose for which it was made in accordance with the terms of the Lease or the Participation Agreement, as the case may be, if there is no longer continuing any Loan and Security Agreement Default or Loan and Security

Agreement Event of Default; provided that any such payment received by the Owner Trustee which is payable to the Lessee shall not be so held by the Owner Trustee unless such payment may be withheld from the Lessee pursuant to the Lease because of an Event of Default or Default thereunder, in which case such payment shall be held by the Owner Trustee and applied as provided in the Lease, and provided, further, if a Loan and Security Agreement Default or Loan and Security Agreement Event of Default shall have occurred and be continuing on the later of (a) two (2) years from the date such funds are received by Owner Trustee and (b) thirty (30) days after Lender shall receive the second of two (2) consecutive years audited financial statements from Lessee (as required by § 11(a) of the Participation Agreement) after the date such payment is received by Owner Trustee, then Owner Trustee shall cease to hold such payment as part of the Collateral and shall apply such payment to the purpose for which it was made in accordance with the terms of the Lease or the Participation Agreement, as the case may be.

Section 5.08. Other Payments. Except as otherwise provided in Sections 5.04 and 5.07 hereof:

(i) any payment, except any payment constituting Excepted Rights in Collateral, received by the Owner Trustee for which no provision as to the application thereof is made in the Participation Agreement, the Lease or elsewhere in this Section 5 shall be held by the Owner Trustee as part of the Collateral; and

(ii) all payments received and amounts realized by the Owner Trustee under the Lease or otherwise with respect to the Collateral (including, without limitation, all amounts realized upon the sale or lease of the Collateral after the termination of the Lease), to the extent received or realized at any time after payment in full of the principal of, premium, if any, and interest on all Notes and all other amounts due the Lender and the holders of the Notes hereunder or under any of the other Operative Documents, as well as any other amounts remaining as part of the Collateral after such payment in full, shall be applied by the Owner Trustee in accordance with the Trust Agreement.

Section 5.09. Application of Loan Proceeds. The Owner Trustee shall, on the Delivery Date, promptly disburse to the Manufacturer all proceeds (if any) received by it from the issuance and sale by the Owner Trustee of the Notes, all in accordance with the provisions of Section 3(b) of the Participation Agreement.

SECTION 6. DEFAULTS; REMEDIES OF TRUSTEE

Section 6.01. Occurrence of Loan and Security Agreement Event of Default. Any one of the following events or conditions (whatever the reason therefor and whether voluntary or involuntary) shall constitute a Loan and Security Agreement Event of Default:

- (i) any Event of Default; or
- (ii) any failure to pay when due any principal of, premium (if any) or interest on, any Note and such failure shall continue for five (5) days from the date due; or
- (iii) any representation or warranty made by the Owner Trustee or the Owner Participant herein or in any Operative Document or in any document or certificate furnished to the Lender in connection herewith or therewith pursuant hereto or thereto shall be incorrect when made in any material respect and such representation or warranty remains, at the time Lender discovers such incorrect matter, material (as determined in Lender's reasonable judgment); or
- (iv) if the Owner Trustee, Trust Estate or the Owner Participant shall (i) generally not be paying its debts as they become due, (ii) file, or consent by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, (iii) make an assignment for the benefit of its creditors, (iv) consent to the appointment of a custodian, receiver, trustee or other officer with similar powers, of itself or of any substantial part of its property, (v) become the subject of any Order for Relief entered under any applicable chapter of the Bankruptcy

Code, or be adjudicated a bankrupt or insolvent, or
(vi) take affirmative corporate action for the purpose or
in material furtherance of any of the foregoing; or

(v) if a court or governmental authority of
competent jurisdiction shall enter an order appointing a
custodian, receiver, trustee or the officer with similar
powers with respect to the Owner Trustee, the Trust Estate,
or the Owner Participant, or with respect to any
substantial part of its property, or constituting an order
for relief, or approving a petition for relief or
reorganization or any other petition in bankruptcy or for
liquidation, or to take advantage of any bankruptcy or
insolvency law of any jurisdiction, or ordering its
dissolution, winding-up or liquidation, in each case
without the consent of the Owner Trustee or the Owner
Participant, as the case may be, and such order shall not
have been stayed or dismissed within 60 days;

provided, however, that notwithstanding subparagraph
6.01(i) hereof, a Default (or Event of Default) under
Section 14 of the Lease by the Lessee for failure to make a
payment relating to Excepted Rights in Collateral shall not
be a Loan and Security Agreement Default or Loan and
Security Event of Default.

Section 6.02. Action Upon Event of Default. At any time
after an Event of Default shall have occurred and be
continuing, then and in every such case the Lender may, subject

to Section 6.03 hereof, exercise any of or all the rights and powers and pursue any of or all the remedies in this Section 6, take possession of all or any part of the Collateral and exclude the Owner Trustee, Lessee and all persons claiming under the Owner Trustee or Lessee wholly or partly therefrom.

Section 6.03. Right To Cure Certain Events of Default.

(i) If the Lessee shall fail to make any payment of Basic Rent when the same shall have become due, and if such failure of the Lessee to make such payment of Basic Rent shall not constitute the fourth or subsequent consecutive failure or the fifth or subsequent cumulative failure (including, without limitation, in each such case, all such failures which the Owner Trustee shall have cured pursuant to Section 20 of the Lease), then as long as no other Loan and Security Agreement Event of Default shall have occurred and be continuing (other than a Loan and Security Agreement Event of Default which is concurrently being cured as provided in this Section 6.03), the Owner Trustee or the Owner Participant may (but need not) pay to the Lender, at any time prior to the expiration of 15 days after the date on which such payment of Basic Rent became due (excluding any grace period applicable to such payment) an amount equal to the amount of the principal of and interest due on the Notes on or prior to such date, together with any interest due thereon on account of the delayed payment thereof, and such payment by the Owner Trustee or Owner Participant shall be deemed to cure any Loan and Security Agreement Event

of Default which arose or would have arisen from such failure of the Lessee to pay such Basic Rent.

(ii) If the Lessee shall fail to make any payment of Supplemental Rent when the same shall become due or otherwise fail to perform any obligation under the Lease or the Participation Agreement which is by its nature susceptible of cure by a party other than the Lessee (for insurance or maintenance or to remove a Lien or otherwise), and such failure shall not constitute the fifth or subsequent consecutive failure or the seventh or subsequent cumulative failure (including, without limitation, in each case, all such failures which the Owner Trustee may have cured pursuant to Section 20 of the Lease), then as long as no other Loan and Security Agreement Event of Default shall have occurred and be continuing (other than a Loan and Security Agreement Event of Default which is concurrently being cured as provided in this Section 6.03), the Owner Trustee or the Owner Participant may (but need not) make payment or perform such obligation at any time prior to the expiration of 30 days after the Owner Trustee or the Owner Participant shall have received notice or have actual knowledge of such failure and such payment or performance by the Owner Trustee or the Owner Participant shall be deemed to have cured any Loan and Security Agreement Event of Default which arose or would have arisen from such failure by the Lessee. Lender further agrees that it shall not in any event declare a Loan and Security Agreement Event of Default,

accelerate the Notes or take any action otherwise permitted under Section 14.1 of the Lease as a result of an Event of Default that is subject to the cure rights of this Section 6.03 until (a) ten Business Days after the expiration of any grace period provided the Lessee under clause (4) of Section 14.1 of the Lease; or (b) five Business Days after the expiration of the applicable grace period provided the Lessee under clause (1) of Section 14.1 of the Lease; or (c) five Business Days after the expiration of the grace period provided the Lessee under clause (2) of Section 14.1 of the Lease; provided, that if there exists at such expiration a material risk of uninsured loss or damage not otherwise permitted by Section 8.6 of the Lease, such five Business Days period shall be reduced to one Business Day; or (d) five Business Days after notice is given to the Owner Trustee or the Owner Participant of an Event of Default described in clause (3) of Section 14.1 of the Lease with respect to default in the observance of the Lessee's obligations under Sections 14.4 and 19 of the Lease.

(iii) No Impairment of Collateral; Subrogation. The Owner Trustee or the Owner Participant upon exercising any of their respective rights under Section 6.03(i) or (ii) hereof shall not obtain any Lien on the Locomotives or any part thereof or any other part of the Collateral on account of such payment or performance or the costs and expenses incurred in connection therewith, nor shall any claims of the Owner Trustee or the Owner Participant against the Lessee or any other party

for the repayment thereof impair the prior right and security interest of the Lender in and to the Collateral. However, upon such payment or performance by the Owner Trustee or the Owner Participant, the Owner Trustee or the Owner Participant, as the case may be, shall be subrogated to the rights of the Lender in respect of (i) any Basic Rent or Supplemental Rent that was overdue at the time of such payment or performance and subsequently paid by the Lessee and interest at the Overdue Rate on such amounts from the due date thereof and (ii) the right to recover the costs of curing any Event of Default pursuant to this Section 6.03 and interest thereon at the Overdue Rate from the date any such costs were incurred. If no other Loan and Security Agreement Default or Loan and Security Agreement Event of Default shall have occurred and be continuing, and if all principal, premium (if any) and interest due on the Notes shall have been paid, whether by acceleration or otherwise, the Owner Trustee, or the Owner Participant, as the case may be, shall be entitled to receive the amount of such Basic Rent or Supplemental Rent, as the case may be (and to sue or otherwise bring action therefor), in respect of which such payments shall have been made, together with interest thereon.

Section 6.04. Action Upon Loan and Security Agreement Event of Default. If a Loan and Security Agreement Event of Default that is not otherwise an Event of Default shall have occurred and be continuing, a Majority in Interest of Note

Holder may declare the principal of all the Notes then outstanding to be due and payable immediately by giving written notice to the Owner Trustee and Owner Participant, and upon any such declaration of acceleration, such principal, the Prepayment Premium (computed as of the day of such acceleration) and accrued interest thereon shall become due and payable immediately without further act or notice of any kind. Upon such declaration, the Lender, as assignee hereunder or otherwise, may exercise any or all of the rights and powers and pursue any and all of the remedies permitted by this Section 6, and may take possession of all or any part of the Collateral and may exclude the Owner Trustee (and any Person claiming under or through Owner Trustee) wholly or partly therefrom, provided that, the assignments and security interests created hereby shall not violate or interfere with the rights of the Lessee as provided in Section 6.08.

Section 6.05. Remedies. The Owner Trustee agrees, to the full extent that it lawfully may, that, if one or more Loan and Security Agreement Events of Default shall have occurred and be continuing and the maturity of the unpaid principal amount of Notes shall have been accelerated pursuant to Section 6.04 hereof, then, and in every such case the Lender, as assignee hereunder or otherwise, shall be paid as a premium in respect of payment of each Note accelerated pursuant to this Section 6.05 an amount equal to the Prepayment Premium and may exercise any or all of the rights and powers and pursue any or

all of the remedies pursuant to this Section 6 or available to a secured party under the Uniform Commercial Code (including, without limitation, the rights to enter any premises or access any location where any of the Collateral is located and take possession of the Collateral or render it unusable, and the right to restore any of the Collateral to good repair and operating condition at the Owner Trustee's expense in the event the Lessee has failed to keep the Collateral in good repair or operating condition as required by the Lease) or any other provision of law of any jurisdiction and in addition may sell, assign, transfer and deliver, from time to time to the extent permitted by law, all or any part of the Collateral or any interest therein, at any private sale or public auction with or without demand, advertisement or notice (except as herein required or as may be required by law) of the date, time and place of sale and any adjournment thereof, for cash or credit or other property, for immediate or future delivery and for such price or prices and on such terms as the Lender, in its uncontrolled discretion, may determine, or as may be required by law. It is agreed that 20 days' notice to the Owner Trustee and the Lessee of the date, time and place (and terms, in the case of a private sale) of any proposed sale by the Lender of all or any part of the Collateral or interest thereon is commercially reasonable, and the Lender agrees to give such notice.

Section 6.06. Return of Collateral, etc. (i) At the request of the Lender, the Owner Trustee shall promptly execute and deliver to the Lender such instruments of title and other documents as the Lender may deem necessary or advisable to enable the Lender or an agent or representative designated by the Lender, at such time or times and place or places as the Lender may specify, to obtain possession of all or any part of the Collateral to the possession of which the Lender shall at the time be entitled hereunder. If the Owner Trustee shall for any reason fail to execute and deliver such instruments or documents after such request by the Lender, then the Lender may, but shall not be required to (a) obtain a judgment conferring on the Lender the right to immediate possession and requiring the Owner Trustee to execute and deliver such instruments and documents to the Lender, to the entry of which judgment the Owner Trustee hereby specifically consents, and (b) pursue all or part of such Collateral wherever it may be found and enter any of the premises wherever such Collateral may be or be supposed to be and search for such Collateral and take possession of and remove such Collateral.

(ii) Upon every such taking of possession, the Lender may, from time to time, as a charge against proceeds of the Collateral, make all such expenditures with respect to the Collateral as it may deem proper. In each such case, the Lender shall have the right to deal with the Collateral and to carry on the business and exercise all rights and powers of the

Owner Trustee relating to the Collateral, as the Lender shall deem best, including the right to enter into any and all such agreements with respect to the Collateral or any part thereof as the Lender may determine; and the Lender shall be entitled to collect and receive all rents, revenues, issues, income, products and profits of the Collateral and every part thereof (without prejudice to the right of the Lender under any provision of this Agreement to collect and receive all cash held by, or required to be deposited with, the Lender hereunder) and to apply the same to the costs and expenses of managing and otherwise dealing with the Collateral and of conducting the business thereof, and of all expenditures with respect to the Collateral and making of payments which the Lender may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Collateral or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee relating to the Collateral), or under any provision of this Agreement, as well as just and reasonable compensation for the services of all persons employed by the Lender as legal counsel (including all members of Lender's or any of its Affiliate's legal department and other legal counsel) and for all other persons (including attorneys) properly engaged by Lender who are not employees of Lender or any Affiliate.

Section 6.07. Remedies Cumulative; Discontinuance. Each and every right, power and remedy herein specifically given to the Lender or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereinafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Lender, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Lender in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or the Lessee or to be an acquiescence therein. In case the Lender shall have proceeded to enforce any right, power or remedy under this Loan and Security Agreement by foreclosure, entry or otherwise, and such proceedings shall have been determined adversely to the Lender and the Lessee shall be restored to its former position, then the rights hereunder with respect to the Collateral and all rights, remedies and powers of the Lender shall continue as if no such proceedings had been taken.

Section 6.08. No Action Contrary to Lessee's Rights Under the Lease. Notwithstanding any of the provisions of this Agreement to the contrary, except as expressly provided in the Lease, neither the Owner Trustee nor the Lender shall take any action which would interfere with the Lessee's rights under the Lease, including the right to possession and use of the Locomotives during the term of the Lease, so long as no Event of Default shall have occurred and be continuing.

Section 6.09. The Lender Authorized to Execute Bills of Sale, etc. The Owner Trustee irrevocably appoints the Lender the true and lawful attorney-in-fact of the Owner Trustee in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the lien of this Loan and Security Agreement, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Lender may consider necessary or appropriate, with full power of substitution. Nevertheless, if so requested by the Lender or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

Section 6.10. Purchase of Collateral by the Lender or Holders of Notes. To the extent permitted by applicable law, any holder of a Note may be a purchaser of the Collateral or any part thereof or interest therein at any sale thereof,

whether pursuant to foreclosure or power of sale or otherwise. Any holder of a Note may apply against the purchase price therefor the amount then due under any of the Notes secured hereby and any holder of a Note may apply against the purchase price therefor the amount then due under any Note held by such holder. Any holder of a Note or any nominee thereof shall, upon any such purchase, acquire good title to the property so purchased, free of the lien of this Loan and Security Agreement and, to the extent permitted by applicable law, free of all rights of redemption in or by the Owner Trustee.

Section 6.11. Receipt a Sufficient Discharge. Upon any sale of the Collateral or any part thereof or interest therein whether pursuant to foreclosure or power of sale or otherwise, the receipt of the officer making the sale under judicial proceedings or of the Lender shall be sufficient discharge to the purchaser for the purchase money, and such purchaser shall not be obliged to see to the application thereof.

Section 6.12. [Intentionally Left Blank]

Section 6.13. Waiver of Various Rights by the Owner Trustee. The Owner Trustee hereby waives and agrees, to the extent permitted by applicable law, that it will never seek or derive any benefit or advantage from any of the following, whether now existing or hereafter in effect, in connection with any proceeding under or in respect of this Loan and Security Agreement:

(i) any stay, extension, moratorium, redemption, or other similar law;

(ii) any law providing for the valuation or appraisal of any portion of the Collateral in connection with a sale thereof; or

(iii) any right to have any portion of the Collateral or other security for the Notes marshalled.

In the event that the provisions of any of the above referenced laws cannot, pursuant to the terms of such law, public policy, or otherwise, be waived in full by Owner Trustee, then such provisions shall be waived to the fullest extent permitted by law, and shall be waived completely and forever upon expiration of any period during which such provisions may not be waived. The Owner Trustee covenants not to hinder, delay or impede the proper exercise of any right or remedy under or in respect of this Loan and Security Agreement, and agrees, to the extent permitted by applicable law, to suffer and permit its exercise as though no laws or rights of the character listed above were in effect.

Section 6.14. Owner Participant's Right to Purchase Notes. Notwithstanding any other provisions hereof, if (i) a Loan and Security Agreement Event of Default (which Loan and Security Agreement Event of Default is solely an Event of Default) shall have occurred and be continuing, (ii) the Lender shall not have theretofore pursued its remedies pursuant to § 14.1(ii) of the Lease and (iii) the Notes shall have been declared immediately due and payable pursuant to Section 6.04 hereof, the Owner Participant may purchase all, but not less

than all, of the Notes then outstanding (for the amount hereinafter set forth) by written notice to the holders of the Notes, which notice shall be delivered to each such holder within ten (10) Business Days after such notice of a Loan and Security Agreement Event of Default and acceleration. Each holder of a Note, by accepting such Note, agrees that it will, upon receipt from the Owner Participant of an amount equal to the aggregate unpaid principal amount (plus Prepayment Premium previously due and payable but not paid, if any) of all Notes then held by such holder, together with all accrued but unpaid interest thereon to the date of payment (including interest at the Overdue Rate on overdue principal, premium, if any, and to the extent permitted by law, interest), together with an amount equal to fifty percent (50%) of the otherwise applicable Prepayment Premium (computed as though such Notes were being prepaid by the Owner Trustee pursuant to Section 2.10(iii) hereof), plus all other sums then due and payable to such holder hereunder or under the Participation Agreement, the Lease or the Notes, forthwith sell, assign, transfer and convey to the Owner Participant (without recourse or warranty of any kind except as to the absence of any lien on such Notes arising by, through or under such holder), all of the right, title and interest of such holder in and to the Collateral, this Loan and Security Agreement, the Participation Agreement and all Notes held by such holder, and the Owner Participant shall assume all of such holder's obligations under the Participation Agreement and this Loan and Security Agreement.

SECTION 7. CERTAIN RIGHTS AND DUTIES OF OWNER TRUSTEE

Section 7.01. Action Upon Loan and Security Agreement

Default or Loan and Security Agreement Event of Default. In the event the Owner Trustee shall have knowledge of a Loan and Security Agreement Default or a Loan and Security Agreement Event of Default, it shall give prompt telex or telegraphic notice thereof to the Lender (confirmed by written notice sent in the manner provided by Section 11.07 hereof). For all purposes of this Loan and Security Agreement, in the absence of actual knowledge on the part of an officer in the Corporate Trust Administration department of the Owner Trustee, the Owner Trustee shall not be deemed to have knowledge of a Default, Event of Default, Loan and Security Agreement Default, or Loan and Security Agreement Event of Default (except the failure of the Lessee to pay any installment of Basic Rent when the same shall become due, or the failure of the Lessee to deliver to the Owner Trustee any instrument or other writing required to be delivered pursuant to the express terms of any Operative Document by or on a date certain) unless notified in writing by any holder of a Note, the Owner Participant, or the Lessee.

Section 7.02. Action Upon Payment of Notes or Termination of Lease. Subject to the terms of Section 7.03 hereof, upon payment in full of the principal of, premium, if any, and the accrued interest on all Notes then outstanding and all other amounts then due all holders of such Notes hereunder or under the Participation Agreement or the Lease, the Lender shall upon

the written request of the Owner Trustee (and at the Owner Trustee's cost and expense) execute and deliver to, or as directed in writing by, the Owner Trustee an appropriate instrument (in due form for recording) releasing all of the Collateral from the lien of this Agreement. Upon any partial termination of the Lease with respect to a Locomotive or Locomotives pursuant to Section 8 thereof, the Lender shall, upon the written request of the Owner Trustee (and at the Owner Trustee's cost and expense), but only if no Loan and Security Agreement Default or Loan and Security Agreement Event of Default shall have occurred and be continuing and if the Lender shall have received an amount in cash sufficient for the prepayment in full or in part of the principal of, premium, if any, and interest on the Notes, as determined by Sections 5.03 or 6 hereof, or such greater amount, if any, as may be prescribed by this Agreement, execute and deliver to, or as directed in writing by, the Owner Trustee an instrument, in due form for recording, releasing such Locomotive or Locomotives from the lien of this Loan and Security Agreement. If part of any Locomotive is replaced under § 8.1(ii) of the Lease and transferred to or at the direction of the Lessee thereunder, the Lender shall, upon the written request of the Owner Trustee (and at the Owner Trustee's cost and expense), but only if no Loan and Security Agreement Default or Loan and Security Agreement Event of Default shall have occurred and be continuing, execute and deliver to, or as directed in writing

by, the Owner Trustee an instrument releasing such part from the lien of this Loan and Security Agreement.

Section 7.03. Certain Rights of Owner Trustee.

Notwithstanding any other provision of this Agreement, including without limitation the Granting Clause hereof, (i) the Owner Trustee shall retain all rights with respect to Excepted Rights in Collateral (including the right to exercise the remedies provided in § 14.1(i) of the Lease with respect to Excepted Rights in Collateral) and all rights to adjust the Casualty Value and Basic Rent pursuant to § 4.4 of the Lease; provided, however, that no such exercise or adjustment shall be effective to in any way impair, or diminish the lien of this Loan and Security Agreement on the Collateral or to impair or diminish the rights of the Lender and the holders of the Notes in respect thereof and (ii) the Owner Trustee shall have the right, but not to the exclusion of the Lender, (a) to receive from the Lessee all notices, copies of all documents and all information which the Lessee is permitted or required to give or furnish to the "Lessor" or the "Owner Trustee" pursuant to the Lease or to the "Owner Trustee" pursuant to the Participation Agreement, (b) to inspect the Locomotives and the Lessee's records with respect thereto, (c) to retain all rights with respect to insurance which Section 8 of the Lease specifically confers upon the "Lessor" for its own account, (d) to provide or obtain insurance pursuant to Section 8 of the Lease, (e) to maintain, service and repair the Locomotives

pursuant to Section 12 of the Lease and (f) to consent to any amendment or modification of any of the provisions of the Lease, or to waive any Default pursuant to Section 8.6 of the Lease, (iii) the Lender shall, if a Loan and Security Agreement Event of Default shall have occurred and be continuing, have the sole right to exercise all rights, privileges and remedies (either in its own name or in the name of Lessor for the use and benefit of the Lender) which by the terms of the Lease are permitted or provided to be exercised by the Lessor; but if no Loan and Security Agreement Event of Default shall have occurred and be continuing, the Lender and the Owner Trustee may each exercise their respective rights, privileges and remedies under the Lease subject to the provisions of this Loan and Security Agreement, and (iv) so long as no Loan Security Agreement Event of Default shall have occurred and be continuing, and subject to Lender's security interest in the Collateral, the Owner Trustee shall have the right, to the exclusion of the Lender, to exercise the rights of Lessor under § 17 of the Lease.

SECTION 8. THE OWNER TRUSTEE

Section 8.01. No Representations or Warranties. THE OWNER TRUSTEE MAKES (i) NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO VALUE, COMPLIANCE WITH PLANS OR SPECIFICATIONS, QUALITY, DURABILITY, SUITABILITY, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OR FOR ANY PARTICULAR

PURPOSE OF THE LOCOMOTIVES OR ANY PART THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE LOCOMOTIVES, except as expressly provided in the Participation Agreement and except that the Owner Trustee, in its individual capacity, represents and warrants that on each Delivery Date it shall have received whatever title to the Locomotives then being delivered as was conveyed to it and that the Locomotives shall be free of all Lessor's Liens attributable to it in its individual capacity and (ii) no representation or warranty as to the validity, legality or enforceability of this Loan and Security Agreement, any of the other agreements entered into in connection with the transactions contemplated hereby or the Notes, or as to the correctness of any statement contained in any thereof, except as expressly provided herein or therein and except that the Owner Trustee, in its individual capacity, represents and warrants, assuming due authorization, execution and delivery of the Trust Agreement by the Owner Participant, that this Loan and Security Agreement has been executed and delivered by one of its officers who is duly authorized to execute and deliver such document on behalf of the Owner Trustee.

Section 8.02. Reliance; Agents; Advice of Experts. The Owner Trustee shall incur no liability to any person in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by

it to be signed by the proper party or parties. The Owner Trustee may accept in good faith a certified copy of a resolution of the Board of Directors of the Lessee as conclusive evidence that such resolution has been duly adopted by such Board and that the same is in full force and effect.

SECTION 9. NOTICE OF SUCCESSOR OWNER TRUSTEES

In the case of any appointment of a successor to the Owner Trustee pursuant to the Trust Agreement or any merger, conversion, consolidation or sale of substantially all of the business involving the Owner Trustee pursuant to the Trust Agreement, the successor Owner Trustee shall give prompt written notice thereof to the Lender and to any other holders of Notes at the time outstanding.

SECTION 10. SUPPLEMENTS AND AMENDMENTS TO TRUST AGREEMENT AND LEASE

Section 10.01. Trust Agreement. The Owner Trustee agrees that, so long as any Note shall be outstanding, it shall not enter into any amendment or supplement to the Trust Agreement which in any way adversely affects the interest of the holder of any Note except with the prior written approval of the Lender. A signed copy of each such amendment or supplement shall be delivered by the Owner Trustee and to the Lender.

Section 10.02. Certain Rights of Owner Trustee. Notwithstanding any other provision of this Loan and Security Agreement, so long as no Loan and Security Agreement Event of

Default shall have occurred and be continuing, the Owner Trustee shall have the right in conjunction with (but not to the exclusion of) the Lender, to exercise all rights of "Lessor" under the Lease, to execute any election or option or to make any decision or determination or to give any notice, consent, waiver or approval under or in respect of the Lease.

SECTION 11. MISCELLANEOUS

Section 11.01. Provisions Applicable if Any Note Sold. In the event the Lender shall sell or otherwise transfer any Note or any part thereof, the following provisions shall apply:

(i) If any Note shall have been transferred to another holder pursuant to Section 2.08 and such holder shall have designated in writing the address to which communications with respect to such Note shall be mailed, all notices, certificates, requests, statements and other documents required or permitted to be delivered to the holder by any provision hereof shall also be delivered to each holder, except that financial statements and other documents provided for in Section 11(a) of the Participation Agreement need not be delivered to any such holder holding less than 10% of the aggregate principal amount of Notes from time to time outstanding.

(ii) Any consent, notice, demand or action required or permitted by any provision hereof to be given by the Lender shall be sufficient if given by a Majority in Interest of Note

Holders, except without the written consent of the holder or holders of all Notes at the time outstanding, no amendment to this Agreement shall change the maturity of any Note, or change the principal of, or the rate or time of payment of interest or any premium payable with respect to any Note, or affect the time or amount of any required prepayments, or reduce the proportion of the principal amount of the Note required with respect to any consent.

(iii) If after the sale or transfer of any Note or any part thereof there are two or more holders of Notes, (a) such holders of Notes may assign to a corporate trustee all of their right, title and interest in and to the Collateral under this Loan and Security Agreement and (b) the Owner Trustee shall not unreasonably withhold its consent to any amendment to this Loan and Security Agreement which is proposed by a Majority in Interest of Note Holders in order to reflect that a corporation trustee is then acting for the benefit of the holders of the Notes, which amendment may include, among other provisions, provisions providing for (I) all payments made by the Lessee under the Lease to be paid directly by the Lessee to such trustee and to be distributed by such corporate trustee pursuant hereto and (II) such corporate trustee to exercise the rights and remedies of holders of the Notes in respect of the Collateral under this Loan and Security Agreement.

Section 11.02. Termination of this Loan and Security Agreement. This Agreement shall terminate and this Agreement

shall be of no further force or effect upon satisfaction of the conditions set forth in the "Provided However" clause preceding Section 1 hereof.

Section 11.03. Appointment of Lender as Attorney; Further Assurances. The Owner Trustee hereby constitutes the Lender the true and lawful attorney of the Owner Trustee irrevocably with full power (in the name of the Owner Trustee or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due and to become due under or arising out of the Lease or the Participation Agreement (except to the extent that such moneys and claims constitute Excepted Rights in Collateral), to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Lender may request in the premises (other than with respect to Expected Rights in Collateral). At any time and from time to time upon the request of the Lender (and upon receipt of the form of document so to be executed), the Owner Trustee shall promptly and duly execute and deliver any and all such further instruments and documents as the Lender may request in obtaining the full benefits of the security interests and assignments created or intended to be created and of the rights and powers herein granted. Upon the instructions (which instructions shall be accompanied by the form of document to be filed) at any time and from time to time of the Lender, the Owner Trustee shall execute and file any financing

statement (and any continuation statement with respect to any such financing statement), any certificate of title or any other document relating to the security interests or the assignments created by this Agreement as may be specified in such instructions.

Section 11.04. Sale of Collateral by Lender Binding. Any sale or other conveyance of the Collateral by the Lender made pursuant to the terms of this Agreement or of the Lease shall bind the Owner Trustee and the holders of the Notes and shall be effective to transfer or convey all right, title and interest of the Owner Trustee and such holders in and to the Collateral. No purchaser or other grantee shall be required to inquire as to the authorization, necessity, or regularity of such sale or conveyance or as to the application of any sale or other proceeds with respect thereto by the Lender.

Section 11.05. Agreement for Benefit of Parties and Holders of Notes Only. Nothing in this Agreement, whether express or implied, shall be construed to give to any person other than the parties hereto, the Lessee, the Owner Participant and the holders of the Notes any legal or equitable right, remedy or claim under or in respect of this Agreement, and this Agreement shall be for the sole and exclusive benefit of the parties hereto, the obligator under the Notes, and the holders of the Notes.

Section 11.06. Owner Trustee Not Acting in Individual Capacity. The Lender acknowledges that the Owner Trustee is

entering into this Loan and Security Agreement solely as Owner Trustee under the Trust Agreement and not in its individual capacity and in no case whatsoever shall it (or any entity acting as successor Owner Trustee under the Trust Agreement) be personally liable on, or for any loss in respect of, any of the statements, representations, warranties, agreements or obligations of the Owner Trustee hereunder, as to all of which the holders of the Notes agree to look solely to the Trust Estate, except that the Owner Trustee shall be liable, in its individual capacity (i) for its own willful misconduct or gross negligence (other than with respect to the handling of funds, in which case the Owner Trustee shall be accountable for its failure to exercise ordinary care), or (ii) in the case of the inaccuracy of any of its representations or warranties expressly made in its individual capacity contained in or referred to in Section 8.01 herein, or as expressly provided in the Section 6(b) of the Participation Agreement or in the Lease.

Section 11.07. Notices. Unless otherwise specifically provided herein, all notices, requests, demands and other communications required or contemplated by the provisions hereof shall be in writing, and any such notice shall become effective and deemed received by the addressee thereof for all purposes hereunder, if delivered by hand when received, or if mailed, on the fifth Business Day after deposit thereof in the United States mail, first class mail, postage prepaid addressed as required by Section 14 of the Participation Agreement.

Notwithstanding the foregoing, any such notice, request, demand or other communication may be given by overnight delivery service, telex or telegraph, and shall be effective the day after delivered to or deposited with a recognized overnight delivery service, when sent over a telex owned or operated by a party hereto with an answer back response set forth on the sender's copy of the document or when delivered to the telegraph company, as the case may be.

Section 11.08. Severability. Any provision of this Loan and Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 11.09. Written Changes Only. No term or provision of this Loan and Security Agreement or any Note may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party or other person against whom enforcement of the change, waiver, discharge or termination is sought; and any waiver of the terms hereof or of any Note shall be effective only in the specific instance and for the specific purpose given.

Section 11.10. Counterparts. This Loan and Security Agreement may be executed by the parties hereto in separate

counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 11.11. Successors and Assigns. All covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and assigns and each holder of a Note. Any request, notice, direction, consent, waiver or other instrument or action by any holder of a Note shall bind the successors and assigns thereof.

Section 11.12. Headings; References, etc. The table of contents hereof and headings of the various Sections and subsections herein are for convenience of reference only and shall not modify, define, expand or limit any of the terms or provisions hereof. References herein to Sections or subsections without reference to the document in which they are contained are references to this Loan and Security Agreement.

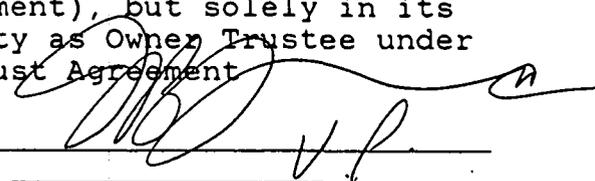

Section 11.13. Governing Law. This Loan and Security Agreement and the Notes shall in all respects be governed by, and construed in accordance with, the laws of the State of Minnesota, including all matters of construction, validity and performance.

IN WITNESS WHEREOF the Owner Trustee and the Lender have executed this Loan and Security Agreement as of the day and year first above written.
