No Lease which is or will be a part of the Collateral is or will be a "lease... intended as security" within the meaning of Section 9-102(2) of the UCC. Except as described in Schedule 2 hereto, no Lease which is or will be a part of the Collateral contains an option to purchase the Equipment subject thereto, nor is any of such Equipment subject to any other agreement or understanding as to the disposition thereof or the purchase thereof by any lessee.

SECTION 3.2 Validity and Perfection of Security Interests. Upon the execution and delivery by the Borrower of this Agreement, a valid Security Interest in favor of the Agent will have been created under the UCC in all Collateral located in the United States to the extent the UCC, pursuant to Section 9-102 thereof, is applicable thereto, and under the ICA in all Equipment constituting Collateral to the extent the ICA is applicable thereto. Continuing compliance by the Borrower with Section 4.1 will (a) maintain and create under the UCC or the ICA, to the extent applicable, a valid Security Interest in all Collateral located in the United States, subject to the effects, if any, of constitutionally valid mandatory statutes, if any, which purport to modify the application of security interests in property acquired after the commencement of proceedings under applicable federal bankruptcy laws, and (b) at the time of such compliance with respect to any Collateral, cause such Security Interest to be duly perfected in

(i) all such Collateral other than (A) Excepted Equipment (and related Leases) and (B) proceeds, and

(ii) all such Collateral constituting proceeds (A) in the Collateral Accounts or (B) which are identifiable cash proceeds of such Collateral covered by financing statements required to be filed under Section 4.1 or other identifiable proceeds in which a Security Interest may be perfected by such filings under the UCC or ICA.

The Security Interest of the Agent in all Collateral will be prior, to the extent that applicable law permits such priority to be determined in the absence of previously filed conflicting UCC financing statements or filings with the ICC, to all other Security Interests now existing or arising or created hereafter, except for Permitted Interests.

SECTION 3.3 Absence of Recorded Security Interests. As of the Interim Deferral Time:

(a) no financing statement, security agreement, assignment, notice, affidavit or other similar document covering any of the Collateral and showing the Borrower as debtor or seller is on file in any recording office in any jurisdiction in the United States in which such filing would be effective to perfect a Security Interest in such Collateral, except for (i) financing statements and (ii) counterparts of this Security Agreement or any Supplement filed with the ICC, in each case recording the Security Interest of the Agent hereunder; and

(b) no federal tax lien under Section 6323 of the Code or lien of the PBGC under Section 4068 of ERISA has been filed against the Borrower.

SECTION 3.4 Chief Executive Office. The Borrower's chief executive office is located on the date hereof at the address set forth below its signature hereto.

SECTION 4. COVENANTS

SECTION 4.1 Perfection and Further Assurances. (a) In respect of all Collateral, the Borrower will, at its own expense:

(i) as to all Collateral, to the extent that applicable law permits perfection thereof by filing against the Borrower under the UCC, at all times at and after the Interim Deferral Time cause UCC financing statements and continuation statements to be filed in all applicable jurisdictions as required to perfect the Security Interest of the Agent hereunder, provided that, in the case of Collateral described in clauses (iii) and (iv) of this Section 4.1, such UCC filings shall be required to be made at the same times as the related ICC recordations referred to in such clauses (iii) and (iv); and

(ii) as to all Equipment and Leases described on Schedule 1 hereto, at all times on and after the Interim Deferral Time cause this Security Agreement to be duly recorded with the ICC, provided that, in the case of Collateral described in clauses (iii) and (iv) of this Section 4.1, such recordations shall be required to be made at the same times as the related ICC recordations referred to in such clauses (iii) and (iv); and

(iii) as to all Equipment, Leases (with remaining terms in excess of three months) and Receivables constituting Collateral acquired, created or released (and not excluded from the grant of the Security Interest herein provided pursuant to the second proviso to Section 2.1) from the Security Interest of any other Person, after the Interim Deferral Time as to which the Agent may perfect its Security Interest therein by filing with the ICC, in the case of each such acquisition, creation and release, not later than the tenth Business Day of the month following the month in which the Borrower obtains rights therein or such Security Interest is released, cause counterparts of a

supplement to this Security Agreement, substantially in the form of Attachment III hereto (herein called a Supplement), duly executed by the Borrower and describing such Collateral in Schedule 1 thereto, to be delivered to the Agent and duly filed with the ICC; and

(iv) as to all Cars listed on Schedule 1 hereto, as amended from time to time, not later than the tenth Business Day of each calendar month, or more often if reasonably requested by the Agent, cause counterparts of a Supplement, duly executed by the Borrower and describing all changes in reporting marks and in lessees as to Cars listed in Schedule 1, as amended from time to time, during the next preceding month, to be delivered to the Agent and duly filed with the ICC; and

(v) from and after December 6, 1984, cause the Canadian Documents, together with appropriate notices, affidavits and other documents, to be duly filed in the appropriate records of each territory and province of Canada (except for Prince Edward Island and Newfoundland), and with the Registrar General of Canada, as required to perfect the Security Interest of the Agent with respect to all Collateral now or hereafter located in Canada;

provided that, to the extent Collateral consists of Excepted Equipment (and any related Leases, Receivables or Obligations) the provisions of this Section 4.1(a) shall be satisfied to the extent the Borrower exercises all reasonable efforts to comply herewith.

(b) The Borrower will, from time to time, at its expense, execute, deliver, file and record any other statement, assignment, instrument, document, agreement or other paper and take any other action (including, at the request of the Agent, the delivery forthwith to the Agent of any Leases with respect to Equipment constituting Collateral) that from time to time may be necessary or desirable, or that the Agent may reasonably request, in order to create, preserve, perfect, confirm or validate (to the extent contemplated hereby) the security interest of the Agent hereunder or to enable the Agent to obtain the full benefits of this Agreement or to exercise and enforce any of its rights, powers and remedies hereunder with respect to any of the Collateral.

(c) The Borrower will not change its name, identity or corporate structure in any manner which might make any financing or continuation statement or counterpart of this

Agreement, the Canadian Documents or any Supplement filed or recorded hereunder seriously misleading within the meaning of Section 9-402(7) of the UCC (or any other then applicable provision of the UCC) or any other applicable law (including (i) the ICA or (ii) provisions of Canadian law), unless the Borrower shall have given the Agent at least 90 days' prior written notice thereof and shall have taken all action (or made arrangements to take such action substantially simultaneously with such change if it is impossible to take such action in advance) necessary or reasonably requested by the Agent to amend such filing or recording so that it is not seriously misleading.

(d) To the full extent permitted by law, the Borrower authorizes, and grants a power of attorney (which power is coupled with an interest and is irrevocable) to the Agent to sign and file financing and continuation statements, notices, affidavits or similar documents and amendments thereto with respect to the Collateral without the signature of the Company thereon, and to take, on behalf of the Borrower, all other actions required of Borrower by this Section 4.1.

(e) At and after the Interim Deferral Time, the Borrower shall cause at all times each Lease constituting Collateral having a remaining term of 48 months or more to be duly recorded with the ICC, except for those Leases currently in non-recordable form, in which case the Borrower shall use its best efforts to cause such filings.

(f) The Borrower shall cause at all times each item of Equipment constituting Collateral to bear on its side an easily readable permanent legend in letters not less than one inch in height as follows:

> "TITLE TO THIS CAR IS SUBJECT TO DOCUMENTS FILED WITH THE ICC."

SECTION 4.2 Security Interests on the Collateral. The Borrower shall not create or suffer to exist any Security Interest on any Collateral, except (a) the Security Interest of the Agent created hereby, and (b) Permitted Interests. Without limiting the generality of the foregoing, if any Security Interest on all or any part of the Collateral shall be filed pursuant to Section 4068 of ERISA or Section 6323 of the Code, the Borrower shall cause such Security Interest to be released within 30 days after such filing.

SECTION 4.3 Place of Business; Location and Inspection of Collateral and Books and Records. The Borrower will not change the location of any of (i) its places of business, (ii) its chief executive office or (iii) the offices or other locations where it keeps or holds any Collateral (other than Equipment) or any books or records (including, without limitation, all computer software, files and other related computer records) relating thereto from the locations listed on Schedule 3 hereto (except to the extent temporary location elsewhere is needed in connection with litigation, repossession or other collection activities) unless the Borrower gives 45 days' prior written notice to the Agent of such change, makes all UCC and ICC filings and takes all action regarding the Collateral located in Canada required by Section 4.1 and takes all other action necessary or that the Agent may reasonably request to preserve, perfect, confirm and protect (to the extent contemplated hereby) the Agent's Security Interest hereunder. Borrower will not in any event change the location of any Collateral other than Equipment if such change would cause the Agent's security interest in such Collateral to lapse or cease to be perfected. The Borrower will at all times maintain its chief executive office within the State of Illinois or one of the 48 contiguous states (other than Maryland or Tennessee) in which Article 9 of the Uniform Commercial Code (Secured Transactions) is in effect. The Borrower will permit the Agent, or any agent designated by it (including, without limitation any independent auditor, consultant or service bureau), at any time and from time to time during normal business hours, to inspect, audit, check and make abstracts from the Leases, instruments evidencing or governing Receivables, and the Borrower's books and records (including, without limitation, computer records) relating to the Collateral and to identification of proceeds thereof and, subject to the rights of Lessees thereof, to inspect the Equipment constituting Collateral.

SECTION 4.4 Maintenance of Equipment; Insurance. The Borrower shall, and shall use all reasonable efforts to cause each lessee to, cause the Equipment constituting Collateral to be used only in the manner for which it was designed and intended and shall, at its own cost and expense, cause the Equipment constituting Collateral to be maintained and kept in good order, condition and repair, ordinary wear and tear excepted, suitable if appropriate for use in interchange pursuant to the Interchange Rules or supplements thereto of the AAR. Without limiting the foregoing, the Borrower agrees to comply with all laws and all governmental and industry association regulations, requirements and rules (including, without limitation, to the extent applicable, the rules of the United States

Department of Transportation, the ICC, the laws of Canada and the Interchange Rules or supplements thereto of the Mechanical Division, AAR,) as the same may be in effect from time to time with respect to the use, maintenance and operation of the Equipment constituting Collateral. In case any equipment or appliance is reasonably interpreted as being required to be installed on any Equipment constituting Collateral in order to comply with such laws, regulations, requirements and rules, the Borrower agrees, as between it, the Agent and the Lenders, to make such installations at its own expense; provided, however, that the Borrower may, in good faith and by appropriate legal proceedings, contest the validity or application of any such law, regulation, requirement or rule in any reasonable manner which does not in the opinion of the Agent adversely affect the Security Interest of the Agent and the Lenders hereunder. The Borrower agrees that it will at all times, at no cost or expense to the Agent or the Lenders, keep each item of Equipment constituting Collateral in its possession insured against loss, damage, theft and other risks in such amounts and under such policies and in such form as customarily carried by Borrower. All insurance shall cover the interests of the Borrower and the Agent and the Lenders in the aforesaid Equipment. The Company will cause each insurance policy to name the Agent, for the benefit of the Lenders, as an additional named insured, loss payee, beneficiary or otherwise, as appropriate, to the extent of their interests hereunder. Any insurance proceeds received by the Agent in respect of any such Equipment or of any insurance policy shall be promptly paid over and applied as provided in Section 5 herein. The Borrower shall furnish the Agent with certificates or other satisfactory evidence of maintenance of the insurance required hereunder and with respect to any renewal policy or policies shall furnish certificates evidencing such renewal prior to the expiration date of the original policy or policies.

SECTION 4.5 Performance, and Enforcement, of Amounts Due Under, Leases and Receivables. The Borrower will, at its own expense, comply with and perform all of its obligations under each Lease and Receivable. Until the Borrower shall have received notice to the contrary from the Agent (with the consent of the Required Banks), which notice may be given at any time when an Event of Default or Unmatured Event of Default shall be continuing, the Borrower will, at its expense and in accordance with its normal commercial practices

(a) for the benefit of the Agent and the Lenders, ask for, demand, sue for, collect or cause to be collected from the obligors under each Lease or Receivable constituting Collateral, as and when due,

any and all amounts owing under or on account of such Lease or Receivable or Obligation;

(b) for the benefit of the Agent and the Lenders, compromise and settle any dispute related to any Lease or Receivable or Obligation constituting Collateral;

(c) enforce any rights or Security Interests arising pursuant thereto in such manner as the Borrower may deem proper; and

(d) be entitled and able to terminate, amend or modify any Lease constituting Collateral and related Obligations and any related Receivables with regard to any related Equipment, and substitute Equipment thereunder.

SECTION 4.6 Stamp and Other Similar Taxes. The Borrower shall indemnify and hold harmless the Agent and each Lender from any present or future claim for liability for any stamp or any other similar tax and any penalties or interest with respect thereto which may be assessed, levied or collected by any jurisdiction in connection with this Agreement or any Collateral.

SECTION 4.7 Filing Fees; Excise Taxes. The Borrower shall pay or reimburse the Agent and the Lenders for any and all payments made thereby in respect of all search, filing, recording and registration fees, taxes, excise taxes and other similar imposts which may be payable or determined to be payable in respect of the execution and delivery of this Agreement.

SECTION 4.8 Collateral Reports; Auditors. The Borrower shall furnish to the Agent from time to time, as promptly as practicable upon the Agent's request, schedules identifying and describing the Collateral (including, without limitation, the locations of Collateral in the Borrower's possession) and other reports in connection with the Collateral, all as the Agent may reasonably request. The Borrower shall cooperate fully with such independent auditors which the Agent may retain upon appropriate instructions from the Required Banks on behalf of the Agent and the Banks at any time and from time to time at the Borrower's expense to prepare reports to the Banks with respect to the Collateral. The Borrower hereby authorizes the Agent to cause such auditors, in connection with the preparation of such reports, to communicate with obligors under the Leases and Receivables in order to verify the existence of, and amounts owing under, such Leases and Receivables.

SECTION 5. COLLECTIONS AND COLLATERAL ACCOUNTS

SECTION 5.1 Collections. The Borrower shall comply with the following system of collections, bank accounts and identification of payments:

(a) The Borrower shall cause all payments made under or on account of (i) Leases, (ii) Receivables, (iii) the sale or Refinancing of Collateral, Other Collateral or other assets (net of (A) any related sales taxes or other costs and expenses of disposition and (B) any amounts necessary to repay any related indebtedness required to be repaid to permit such sale or Refinancing) and (iv) insurance policies covering Equipment, or with respect to Other Collateral, to be made directly to a lock-box maintained by the Agent (herein called the Lock-Box) or, to the extent practicable, (x) in the case of payments on Receivables, directly by wire transfer to a suspense account maintained at the Agent (herein called the Suspense Account), and (y) in the case of payments made on account of the sale or Refinancing of Collateral, Other Collateral or other assets, directly by wire transfer to the appropriate Collateral Account as provided in clause (b) next below, to the extent any of the foregoing is not in violation of the rights of other Secured Parties having Security Interests in property not constituting Collateral or Other Collateral. Not later than one Business Day after receipt, the Borrower shall deposit into the Suspense Account all payments received by it directly with respect to Equipment, Leases, Receivables, Obligations and Other Collateral or as proceeds of any of the foregoing (including any proceeds of sales or Refinancings of Collateral or Other Collateral). All payments made to the Lock-Box shall be deposited, promptly according to the Agent's customary procedures for administering lock-boxes, into the Suspense Account.

(b) While any Unmatured Event of Default or Event of Default shall be continuing and the Required Banks shall have so requested (herein called a Trigger Event), the Agent may require the Borrower to identify all funds deposited in the Suspense Account as either payments with respect to Collateral or Other Collateral or other payments (further broken down by type as provided below), such identification of any such funds to be completed, and notice thereof given to the Agent by the Borrower, as soon as practicable. At all other

times the Borrower shall use its best efforts to identify, or estimate identification of, as the case may be, all funds deposited into the Suspense Account as either payments with respect to Collateral or Other Collateral or other payments (further broken down by type as provided below), such identification or estimation to be completed, and notice thereof given to the Agent by the Borrower, not later than three Business Days after deposit into the Lock-Box or Suspense Account, as the case may be. The Agent shall transfer such payments into the following accounts maintained with the Agent (herein, in the case of Collateral Accounts A-1, A-2 and A-3 and Collateral Account B individually called a Collateral Account and collectively called the Collateral Accounts and in the case of each Collateral Account and Account C herein individually called an Account and collectively the Accounts) to be held and applied as provided in Sections 5.2 and 5.3:

(i) all payments (net of any related sales tax or other costs and expenses of disposition) with respect to the sale or Refinancing of Collateral or Other Collateral and all other payments not arising in the ordinary course of business with regard to Leases or Equipment constituting Collateral (including, without limitation, proceeds with respect to destroyed Cars and insurance proceeds) or otherwise with regard to Collateral or Other Collateral and not required to be deposited in Collateral Account A-2 or A-3 shall be deposited in Collateral Account A-1 (all of which payments shall be identified and may not be estimated);

(ii) all payments arising in the ordinary course of business under (A) "fixed-rate" Leases constituting Collateral and (B) other Leases constituting Collateral the payments with respect to which have been identified within three Business Days of deposit into the Lock Box or Suspense Account, as the case may be, shall be deposited in Collateral Account A-2 (all of which payments shall be identified and may not be estimated);

(iii) all payments arising in the ordinary course of business under (A) "variable-rate" Leases constituting Collateral and (B) other Leases constituting Collateral the payments with

respect to which have not been identified within three Business Days of deposit into the Lock Box or Suspense Account, as the case may be, shall be deposited in Collateral Account A-3 (all of which payments, so long as no Trigger Event shall be continuing, may be estimated, and otherwise shall be identified);

(iv) all payments (net of (i) any related sales taxes or other costs and expenses of disposition and (ii) any amounts necessary to repay any related indebtedness required to be repaid to permit such sale or Refinancing) with respect to the sale or Refinancing of Equipment or Leases or other property not constituting Collateral or Other Collateral prior to such sale or Refinancing shall be deposited in Collateral Account B (all of which payments shall be identified and may not be estimated); and

(v) all other payments with regard to Leases or other property not constituting Collateral or Other Collateral shall be deposited in Account C (which payments with respect to "variable-rate" or other Leases the payments with respect to which have not been identified within three business days of deposit into the Lock Box or Suspense Account, as the case may be, may be estimated so long as no Trigger Event shall be continuing, and otherwise such payments and all other payments to be deposited in such Account shall be identified);

it being understood, that, all amounts on deposit in the "Collateral Account", as defined in the Old Security Agreement, shall be forthwith transferred to Collateral Account A-1 at the Interim Deferral Time.

(c) All right, title and interest in and to the Lock-Box, the Suspense Account and the Collateral Accounts shall vest in the Agent, and, except as otherwise expressly provided herein, items of payment and funds on deposit therein shall be subject to the exclusive dominion and control of the Agent. Each of the Lock-Box, the Suspense Account and Collateral Account A-3 shall be maintained in the name of "Cash Collateral Account for the benefit of Continental Illinois National Bank and Trust Company of Chicago, as Agent under the Amended and Restated Security Agreement, dated as of June 30, 1984, between the Agent and Evans Railcar Leasing Company, and for the benefit of certain other secured parties". Each of Collateral Accounts A-1,

A-2 and B shall be maintained in the name of "Cash Collateral Account of Continental Illinois National Bank and Trust Company of Chicago, as Agent under the Amended and Restated Security Agreement, dated as of June 30, 1984, between the Agent and Evans Railcar Leasing Company."

(d) The Borrower shall not deposit any payments or instruments of payment received by it on account of Collateral or Other Collateral into any other bank account, lock-box or other depositary account of any kind whatsoever other than the Lock-Box, the Suspense Account and the Collateral Accounts (except such amounts as may temporarily be so deposited in connection with the estimation procedure for Account C). The Borrower shall not permit any payments other than payments on account of Collateral or Other Collateral to be deposited into the Collateral Accounts (except such amounts as may temporarily be so deposited in connection with the estimation procedure for Collateral Account A-3).

(e) The Agent may challenge any identification or estimation with respect to deposits in the Accounts and retain an independent auditor at the Borrower's expense, to verify any such identification or estimation; provided, however, that the Agent may, at the Borrower's expense, at any time when an Event of Default is in effect, undertake, or retain an independent auditor or service bureau, to perform all or any portion of such identification or estimation on behalf of the Lenders in lieu of the Borrower, and the Borrower shall deliver copies of all books and records (including, all computer records, software and related instructions) with respect to the Equipment, Leases, Receivables and Other Collateral and provide all information, cooperation and assistance to the Agent or such auditors or service bureau necessary to enable them to perform such identification or estimation. Nothing set forth in this clause (e) shall prevent the Borrower, the Agent or any Lender from litigating a claim with respect to any such identification or estimation.

SECTION 5.2 Collateral Accounts. (a) The Agent shall have the right at any time, notwithstanding Section 5.2(c) hereof, to apply moneys held by it in the Collateral Accounts to due and unpaid amounts payable pursuant to Section 12.7 or 12.8 of the Credit Agreement or Section 4.6 or 4.7 or 4.8 of this Agreement prior to making any other distributions required by this Section.

(b) All amounts deposited into Account C shall be paid therefrom to the Borrower or such other Person as the

Borrower may designate from time to time.

The Borrower shall, once each week (or more often if the Borrower so requests and the Agent, in its discretion, so consents) so long as

(i) no Acceleration or Bankruptcy Proceeding shall be pending, and

(ii) if any Event of Default shall be continuing, the Agent shall not have received written notice from the Required Banks that the Borrower may not withdraw amounts from any applicable Collateral Account so long as such Event of Default continues,

present to the Agent a certificate (herein called a "Withdrawal Certificate"), substantially in the form of Attachment IVA hereto or Attachment IVB hereto, as the case may be, requesting funds which have cleared be released to the Borrower from the Collateral Accounts for the following uses (herein called "Permitted Uses of Funds"):

(i) operating and overhead expenses (e.g., employee compensation, rent for office space and equipment, utilities, supplies, and legal and accounting fees and expenses);

(ii) general selling and administrative expenses;

(iii) costs of operation of equipment, including but not limited to:

a) maintenance

b) repair

c) refurbishing

d) preparation for releasing

e) movement

f) storage

g) insurance

h) licensing

i) taxes

j) title costs

k) lease rental payments under operating leases; and

(iv) payment of expenses constituting Liabilities or of interest (it being understood, that withdrawals for such purposes shall be treated in the same manner as for other Permitted Uses of Funds in calculating the following limits prescribed in this Section 5.2(b));

which funds shall be paid to the Borrower on the next Business Day following receipt by the Agent (it being understood, that any Withdrawal Certificate received by the Agent after noon, Chicago time, shall be deemed to be received the next following Business Day); provided, however, that

(A) the Borrower may not withdraw any proceeds of Old Collateral from Collateral Account A-1 prior to the Additional Deferral Time;

(B) from the date hereof to and including December 31, 1984, the Borrower may not withdraw from Collateral Account B an amount in excess of the remainder of

(x) $12,000,000 minus

(y) the sum of

(I) all amounts withdrawn by the Borrower from Collateral Account A-1 on or prior to December 31, 1984, plus

(II) all Transportation Proceeds obtained from and after the Interim Deferral Time to and including December 31, 1984;

(C) from and after the Additional Deferral Time to and including December 31, 1984, the Borrower may not withdraw from Collateral Account A-1 proceeds of Old Collateral in an amount in excess of the lesser of

(i) $6,000,000 minus Transportation Old Collateral Proceeds, and

(ii) $12,000,000 minus the sum of

(x) all amounts withdrawn by the Borrower from Collateral Account B prior to December 31,

1984, plus

(y) all amounts withdrawn by Borrower from Collateral Account A-1 on account of proceeds of New Collateral prior to January 1, 1985, plus

(z) all Transportation Proceeds (other than Transportation Old Collateral Proceeds) obtained in 1984;

(D) from the Interim Deferral Time to and including December 31, 1984, the Borrower may not withdraw from Collateral Account A-1 proceeds of New Collateral in an amount in excess of $12,000,000 minus the sum of (x) all amounts withdrawn by the Borrower from Collateral Account B, plus (y) proceeds of Old Collateral withdrawn by Borrower from Collateral Account A-1 prior to January 1, 1985, plus (z) all Transportation Proceeds obtained in 1984;

(E) from and after January 1, 1985, the Borrower may not withdraw from Collateral Accounts A-1 and B in the aggregate an amount in excess of the sum (herein, before subtracting clause (iii) next following, called the Combined Permitted Sum) of

(i) $7,000,000 plus

(ii) the remainder (which remainder is herein called the Combined Remainder) of $12,000,000 minus the sum of (a) amounts withdrawn by the Borrower from Collateral Accounts A-1 and B in 1984, plus (b) Transportation Proceeds obtained in 1984, minus

(iii) all Transportation Proceeds obtained in 1985;

and, in addition, from and after January 1, 1985, the Borrower may not withdraw from Collateral Account A-1 an amount in excess of the sum (herein, before subtracting clause (vi) next following, called the Collateral Permitted Sum) of

(iv) $7,000,000 plus

(v) the lesser of (A) the Combined Remainder and (B) the remainder (which remainder is herein called the Collateral Remainder) of $6,000,000 minus the sum of (a) all amounts withdrawn by the Borrower from Collateral Account A-1 from proceeds of Old Collateral in 1984, plus (b) all Transportation Old Collateral

Proceeds obtained in 1984, minus

(vi) all Transportation Proceeds obtained in 1985;

(F) from and after January 1, 1985, after the Borrower shall have withdrawn an amount from Collateral Account A-1 in 1985 at least equal to the lowest of (x) the balance in Collateral Account A-1 at the opening of business on the first Business Day of 1985, (y) the Combined Remainder, and (z) the Collateral Remainder, the Borrower may not withdraw any amount from Collateral Account A-1 unless, after giving effect to such withdrawal, an amount equal to all such withdrawals from Collateral Account A-1 in 1985 shall have been withdrawn by the Agent from such Account and applied in prepayment of the principal amount of the Loans;

(G) from and after such time as

(i) the sum of withdrawals by the Borrower from Collateral Accounts B and A-1 in 1985, or

(ii) the sum of (x) the sum set forth in the next preceding clause (i), plus (y) 50% of the amount on deposit in Collateral Account A-1, plus (z) all amounts on deposit in Collateral Account B,

equals at least the Combined Permitted Sum, the Agent may, without the necessity of request or instruction from the Borrower, apply all additional deposits into Collateral Accounts A-1 and B in prepayment of the principal amount of the Loans; and

(H) from and after such time as

(i) the sum of (x) withdrawals by the Borrower from Collateral Account A-1 in 1985 plus (y) all Transportation Proceeds of collateral directly or indirectly securing the Liabilities obtained in 1985, or

(ii) the sum of (x) the sum set forth in the next preceding clause (i), plus (y) 50% of the amount on deposit in Collateral Account A-1,

equals at least the Collateral Permitted Sum, the Agent may, without the necessity of request or instruction from the Borrower, apply all additional deposits into Collateral Account A-1 in prepayment of the principal amount of the Loans; it being understood that no limit on withdrawals from

Collateral Account A-1 or B in paragraphs (B), (C), (D) or (E) above includes any withdrawals applied in payment of the principal amount of the Loans.

The Agent shall, upon any request of the Borrower evidenced to the Agent's satisfaction, apply any amount in Collateral Account A-2 or A-3 or Account C in payment of any of the Liabilities and any amount in Collateral Account A-1 or B in payment of the principal amount of the Loans and such withdrawals may be in any order notwithstanding the next following paragraph.

The Borrower shall withdraw funds from the Collateral Accounts and Account C for any proposed purpose, subject to the foregoing restrictions on (x) dollar limits of withdrawals and (y) application to prepayments, solely in the following order:

(i) if permitted to be withdrawn for such purpose, Account C until exhausted;

(ii) if permitted to be withdrawn for such purpose, Collateral Account B until exhausted or such withdrawals reach their limit for the applicable period of time;

(iii) if permitted to be withdrawn for such purpose, Collateral Account A-3 until exhausted;

(iv) if permitted to be withdrawn for such purpose, Collateral Account A-2 until exhausted; and

(v) if permitted to be withdrawn for such purpose, Collateral Account A-1 until exhausted or such withdrawals reach their limit for the applicable period of time.

The Agent shall have no duty to restrict or calculate deposits in or withdrawals from the Collateral Accounts other than to use reasonable efforts to assure that such deposits conform with the Borrower's instructions and such withdrawals conform with the Withdrawal Certificates delivered to it from time to time by the Borrower; provided that, the Agent may challenge any Withdrawal Certificate which it believes might be inaccurate or otherwise improper and shall have no obligation to permit Borrower to make the withdrawals requested in such Certificate until the Agent is satisfied as to such accuracy and propriety and in no event

withdrawals requested in such Certificate until the Agent is satisfied as to such accuracy and propriety and in no event shall the Agent be liable for any action taken or omitted in connection with the Accounts unless taken or omitted in gross negligence or willful misconduct.

(c) The Agent shall, whenever an Acceleration or Bankruptcy Proceeding shall be pending, distribute to the Lenders, on dates fixed by the Agent (the first of which shall be within 100 days after the occurrence of such Acceleration or commencement of such Bankruptcy Proceeding and the remainder of which shall be monthly thereafter; each being herein called a Distribution Date), all funds then on deposit in the Collateral Accounts in the following order of priority:

First: to any Lender which has theretofore advanced or paid to the Agent any unpaid amounts payable pursuant to Section 12.7 or 12.8 of the Credit Agreement or Section 4.6 or 4.7 or 4.8, an amount equal to the amount thereof so advanced or paid by such Lender prior to such Distribution Date;

Second: to the Lenders in an amount equal to the unpaid principal of and unpaid interest on the Loans of the Borrower outstanding under the Credit Agreement, and if such moneys shall be insufficient to pay such principal and interest in full, then ratably (without priority of any one over any other) to the Lenders in proportion to the unpaid amounts thereof on such Distribution Date;

Third: to the Lenders amounts equal to all other sums payable by Borrower under the Credit Agreement, the Notes issued thereunder and this Agreement including, without limitation (except for such costs and expenses payable pursuant to the succeeding Clause Fifth), the costs and expenses of the Banks and their representatives which are due and payable thereunder as of such Distribution Date and, if such moneys shall be insufficient to pay such sums in full, then ratably to the Lenders in proportion to such sums; and

Fourth: to the Lenders in an amount equal to all amounts guaranteed pursuant to the Guaranty (except for such costs and expenses payable pursuant to the succeeding Clause Fifth), and if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to the Lenders in proportion to the unpaid amounts thereof on such Distribution Date; and

Fifth: to the Banks to pay all out-of-pocket and reasonably allocated costs and expenses (including all reasonable fees and out-of-pocket expenses of counsel and of local counsel, if any, who may be retained by such counsel, and reasonably allocated costs for in-house legal services) of the Banks in connection with the enforcement of the Credit Agreement and each Instrument executed pursuant thereto, pro rata according to the unpaid amounts thereof, in an amount equal to such costs and expenses; and

Sixth: any surplus then remaining to the Borrower or its successors or assigns, unless a court of competent jurisdiction shall otherwise direct.

All distributions received pursuant to the foregoing priorities on account of any indebtedness shall be applied, first, to interest accrued thereon until paid in full and, second, to the principal thereof. If, through the operation of any bankruptcy, reorganization, insolvency or other laws or for any other reason, the security interest arising pursuant to this Agreement or right to distributions in accordance with the priorities set forth above is enforced with respect to some, but not all, of the Lenders, the Agent and the Lenders shall nonetheless apply all funds in the Collateral Accounts for the benefit of the Lenders (except any such party as to which such security interest or right to distributions would have been enforced but for the gross negligence or willful misconduct of it or any of its predecessors in interest) in the proportions and subject to the priorities specified above. To the extent that the Agent or any Lender distributes funds in the Collateral Accounts or Account C with respect to obligations held by one Lender to or on behalf of obligations held by a second Lender, such first Lender shall be deemed to have purchased a participation in such obligations held by such second Lender. If all or any portion of a payment or other recovery which has given rise to a purchase of a participation pursuant to the preceding sentence is thereafter recovered from the recipient thereof, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION 5.3 Investment of Funds Deposited in Collateral Accounts. The Agent shall use all reasonable efforts to invest and reinvest moneys then on deposit in Collateral Accounts A-1 and A-2, Collateral Account A-3, and Collateral Account B, as the case may be, in Cash Equivalent Investments; provided that the Agent shall have no obligation to make any such investments of funds on deposit in a Collateral Account when the aggregate moneys then on deposit in Collateral Accounts A-1 and A-2,

aggregate amount invested in obligations of the types described in clauses (c) and (d) of the definition of Cash Equivalent Investments of any one issuer shall not exceed $10,000,000 at any time. All such investments and the interest and income received thereon and the net proceeds realized on the sale or redemption thereof shall be held in the relevant Collateral Account as Collateral. The Agent may liquidate investments prior to maturity in order to make distributions pursuant to Section 5.2.

SECTION 6. REMEDIES

SECTION 6.1 General Authority of the Agent over the Collateral. The Borrower hereby irrevocably constitutes and appoints the Agent, and any officer or agent thereof acting on behalf of the Agent, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of the Borrower or in its own name, from time to time in the Agent's discretion, so long as any Event of Default is continuing, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Agreement and accomplish the purposes hereof and, without limiting the generality of the foregoing, the Borrower hereby gives the Agent the power and right on behalf of the Borrower, so long as any Event of Default is continuing, without notice to or further assent by the Borrower, except as provided in clause (b) of Section 6.2 or clause (b) of Section 6.3 to do the following:

(i) to ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due upon, or in connection with, the Collateral;

(ii) to receive, take, endorse, assign and deliver any and all checks, notes, drafts, acceptances, documents and other negotiable and non-negotiable instruments and chattel paper taken or received by the Agent as, or in connection with, the Collateral;

(iii) to commence, prosecute, defend, settle, compromise or adjust any claim, suit, action or proceeding with respect to, or in connection with, the Collateral;

(iv) to sell, transfer, assign or otherwise deal in or with the Collateral or any part thereof as fully and effectively as if the Agent were the absolute owner thereof; and

(v) to do, at its option and at the expense and for the account of the Borrower, at any time or from time to time, all acts and things which the Agent deems necessary to protect or preserve the Collateral and to realize upon the Collateral.

SECTION 6.2 Remedies; Rights Upon an Event of Default.
(a) If an Event of Default is continuing:

(i) The Agent may, subject to the rights of the lessees, take immediate possession of the Equipment and other Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Borrower, with or without notice, demand, process of law or legal procedure, and search for, take possession of, remove, keep and store the same, or use and operate the same until sold. It is understood, without limiting the foregoing, that the Agent may, and is hereby given the right and authority to, keep and store the Equipment and other Collateral, or any part thereof, on the premises of the Borrower, and that the Agent shall not thereby be deemed to have surrendered, or to have failed to take, possession of the Equipment and other Collateral.

(ii) The Agent may at any time, without further notice to the Borrower, notify each obligor under a Lease or Receivable that a Security Interest in its obligations has been granted to the Agent and that payments thereunder or in respect thereof should be made directly to the Agent or to any Person designated by the Agent to receive payments on its behalf. If requested by the Agent, the Borrower will so notify such obligors. The Agent may in its own name or in the name of others communicate with such obligors.

(iii) All payments received by the Borrower under or in connection with the Collateral shall be held by the Borrower in trust for the Agent, shall be segregated from other funds of the Borrower and shall, forthwith upon receipt by the Borrower, be turned over to the Agent, in the same form as received by the Borrower (duly indorsed to the Agent, if required) for deposit in the appropriate Collateral Account.

(iv) Any and all such payments so received by the Agent (whether from the Borrower or otherwise) shall be deposited by the Agent in the appropriate Collateral Account. Any proceeds of Collateral, whether consisting of cash, checks, notes, drafts, bills of exchange, money

orders or commercial paper of any kind whatsoever, shall be deposited or held in the appropriate Collateral Account when received.

(b) If an Event of Default shall be continuing, the Agent may, subject to the rights of the lessees of the Equipment, exercise, in addition to all other rights and remedies granted to it in this Agreement, all rights and remedies of a secured party under the UCC and, for the purpose of enforcing any and all rights and remedies of the Agent under this Agreement, may (i) enter, with or without process of law and without breach of the peace, any premises where any of the Collateral is or may be located, and without charge or liability to the Agent seize and remove such Collateral from such premises and (ii) have access to and use the Company's books and records (including, without limitation, all computer software, files and other related computer records) relating to the Collateral. Without limiting the generality of the foregoing, the Company agrees that in any such event the Agent, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of the time and place of any public or private sale) to or upon the Borrower or any other Person (all of which demands, advertisements and/or notices are hereby waived by the Borrower), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof and/or forthwith sell, lease, assign, give an option or options to purchase or otherwise dispose of and deliver the Collateral (or contract to do so) or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any office of the Agent or elsewhere in such commercially reasonable manner as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Agent or any Lender shall have the right upon any such public sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Borrower, which right or equity is hereby expressly waived and released. The Borrower further agrees, at the Agent's request, to assemble the Collateral (other than Collateral then possessed by the Agent or any agent for the Agent), and to make it available to the Agent at places which the Agent shall reasonably select, whether at the Borrower's premises or elsewhere. The Agent shall deposit the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale in the appropriate Collateral Account. To the extent permitted by applicable law, the Borrower waives all claims, damages and demands against the Agent or the Lenders arising out of the foreclosure, repossession, retention or sale of the Collateral. The Borrower agrees that the Agent need not give more than 10 Business Days' notice (which notification shall be addressed to

the Company at its address determined pursuant to Section 7.1) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters.

SECTION 6.3 Right to Initiate Judicial Proceedings. If an Event of Default shall be continuing, the Agent (a) shall have the right and power to institute and maintain such suits and proceedings as it may deem appropriate to protect and enforce the rights vested in it by this Agreement and (b) may proceed by suit or suits at law or in equity to enforce such rights and to foreclose upon the Collateral and to sell all or, from time to time, any of the Collateral under the judgment or decree of a court of competent jurisdiction.

SECTION 6.4 Right to Appoint a Receiver. If an Event of Default shall be continuing, upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Agent or of the Lenders under this Agreement, the Agent shall, to the extent permitted by law, be entitled as a matter of right to the appointment of a receiver or receivers (who may be the Agent) for the Collateral, or any part thereof, and of the profits, revenues and other income thereof, pending such proceedings, with such powers as the court making such appointment shall confer, and to the entry of an order directing that the profits, revenues and other income of the property constituting the whole or any part of the Collateral be segregated, sequestered and impounded for the benefit of the Agent and the Lenders, and the Borrower irrevocably consents to the appointment of such receiver or receivers and to the entry of such order; provided that, notwithstanding the appointment of any receiver, the Agent shall be entitled to retain possession and control of all cash held by or deposited with it pursuant to this Agreement.

SECTION 6.5 Instructions of Required Banks. The Required Banks shall have the right, by one or more instruments in writing executed and delivered to the Agent, to direct the time, method and place of conducting any proceeding for any right or remedy available to the Agent, or of exercising any power conferred on the Agent, or for the appointment of a receiver, or for the taking of any action authorized by this Section 6; provided that (a) such direction shall not conflict with the provisions of law or of this Agreement and (b) the Agent shall be indemnified as provided in Section 12.8 of the Credit Agreement. Nothing in this Section 6.5 shall impair the right of the Agent in its discretion to take any action which it deems proper and which is not inconsistent with such direction by the Required Banks. In the absence of such direction, the Agent shall have no duty to take or refrain from taking any action unless explicitly required herein.

SECTION 6.6 Remedies Not Exclusive. (a) No remedy conferred upon or reserved to the Agent herein is intended to be exclusive of any other remedy or remedies, but every such remedy shall be cumulative and shall be in addition to every other remedy conferred herein or now or hereafter existing at law or in equity or by statute.

(b) No delay or omission by the Agent to exercise any right, remedy or power hereunder shall impair any such right, remedy or power or shall be construed to be a waiver thereof, and every right, power and remedy given by this Agreement to the Agent may be exercised from time to time and as often as may be deemed expedient by the Agent.

(c) If the Agent shall have proceeded to enforce any right, remedy or power under this Agreement and the proceeding for the enforcement thereof shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Agent, then the Borrower, the Agent and the Lenders shall, subject to any determination in such proceeding, severally and respectively be restored to their former positions and rights hereunder with respect to the Collateral and in all other respects, and thereafter all rights, remedies and powers of the Agent shall continue as though no such proceeding had been taken.

(d) All rights of action and of asserting claims upon or under this Agreement may be enforced by the Agent without the possession of any instrument or agreement evidencing or governing any Liabilities or the production thereof on any trial or other proceeding relative thereto, and any suit or proceeding instituted by the Agent shall be brought in its name as Agent and any recovery of judgment shall be held as part of the Collateral.

SECTION 6.7 Waiver and Estoppel. (a) The Borrower agrees, to the extent it may lawfully do so, that it will not at any time in any manner whatsoever claim or take the benefit or advantage of, any appraisal, valuation, stay, extension, moratorium, turnover or redemption law, or any law permitting it to direct the order in which the Collateral shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Agreement and hereby waives all benefit or advantage of all such laws and covenants that it will not hinder, delay or impede the execution of any power granted to the Agent in this Agreement but will suffer and permit the execution of every such power as though no such law were in force.

(b) The Borrower, to the extent it may lawfully do so, on behalf of itself and all who may claim through or under it, including without limitation any and all subsequent creditors, vendees, assignees and lienors, waives and releases all rights to demand or to have any marshalling of the Collateral upon any sale, whether made under any power of sale herein granted or pursuant to judicial proceedings or upon any foreclosure or any enforcement of this Agreement and consents and agrees that all the Collateral may at any such sale be offered and sold as an entirety.

(c) The Borrower waives, to the full extent permitted by applicable law, presentment, demand, protest and any notice of any kind (except notices explicitly required hereunder) in connection with this Agreement and any action taken by the Agent with respect to the Collateral.

SECTION 6.8 Limitation by Law. All rights, remedies and powers provided by this Section 6 may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of such Sections are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid or unenforceable in whole or in part.

SECTION 7. MISCELLANEOUS

SECTION 7.1 Notices. Unless otherwise specified herein, all notices, requests, demands or other communications given to the Borrower, the Agent or any Lender shall be given in accordance with Section 12.2 of the Credit Agreement.

SECTION 7.2 No Waivers. No failure on the part of the Agent, any co-agent, any separate agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising, any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

SECTION 7.3 Amendments, Supplements and Waivers. No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement shall be effective unless the same shall be in writing and signed and delivered by the Agent and, in the case of an amendment or modification (but not a waiver or consent) with respect hereto, the Borrower, in accordance with Section 12.1 of the Credit Agreement.

SECTION 7.4 Headings. The table of contents and the headings of Sections have been included herein for convenience only and should not be considered in interpreting this Agreement.

SECTION 7.5 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7.6 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and shall inure to the benefit of each of the Lenders and their respective successors and assigns and nothing herein is intended or shall be construed to give any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral.

SECTION 7.7 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois.

SECTION 7.8 Counterparts. This Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

SECTION 7.9 Termination. This Agreement shall terminate when the security interest granted hereunder has terminated and the Collateral has been released; provided that the provisions of Sections 4.6 and 4.7 and the obligations of the Borrower for

payment of the expenses described in Section 4.8 shall survive any such termination.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first written above.
