The interest payable on any April 1 or October 1 will, subject to certain exceptions provided in the Indenture hereinafter mentioned, be paid to the person in whose name this bond is registered at the close of business on the record date, which shall be the March 15 or September 15, as the case may be, next preceding such interest payment date, or, if such March 15 or September 15 shall be a legal holiday or a day on which banking institutions in the Borough of Manhattan, The City of New York, are authorized to close, the next preceding day which shall not be a legal holiday or a day on which such institutions are so authorized to close. The principal of and the premium, if any, and interest on this bond shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, designated for that purpose, in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

This bond is one of the bonds issued and to be issued from time to time under and in accordance with and all secured by an indenture of mortgage or deed of trust dated as of September 1, 1941, given by Mississippi Power Company, a Maine corporation (to which the Company is successor by merger), to Morgan Guaranty Trust Company of New York under its former name of Guaranty Trust Company of New York (hereinafter sometimes referred to as the "Trustee"), as Trustee, and indentures supplemental thereto, to which indenture and indentures supplemental thereto (hereinafter referred to collectively as the "Indenture") reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security and the rights, duties and immunities thereunder of the Trustee and the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the

**SECTION 1.** There is hereby created a series of bonds designated as hereinbefore set forth (said bonds being sometimes herein referred to as the "bonds of the Twenty-eighth Series"), and the form thereof shall be substantially as hereinbefore set forth. Bonds of the Twenty-eighth Series shall mature on the date specified in the form thereof hereinbefore set forth. The definitive bonds of the Twenty-eighth Series shall be issued only in fully registered form without coupons in denominations of \$1,000 and any integral multiple thereof. The serial numbers of bonds of the Twenty-eighth

Series shall be such as may be approved by any officer of the Company, the execution thereof by any such officer to be conclusive evidence of such approval.

Bonds of the Twenty-eighth Series, until the principal thereof shall have become due and payable, shall bear interest at the annual rate designated in the title thereof, payable semi-annually on April 1 and October 1 in each year.

The principal of, the premium, if any, and the interest on the bonds of the Twenty-eighth Series shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts, at the office or agency of the Company in the Borough of Manhattan, The City of New York, designated for that purpose.

The person in whose name any bond of the Twenty-eighth Series is registered at the close of business on any record date (as hereinbelow defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such bond upon any transfer or exchange thereof subsequent to the record date and prior to such interest payment date, except if and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall be paid to the person in whose name such bond (or any bond or bonds issued, directly or after intermediate transactions, upon transfer or exchange or in substitution thereof) is registered on a subsequent record date for such payment established as hereinafter provided. A subsequent record date may be established by the Company by notice mailed to the holders of bonds not less than ten days preceding such record date, which record date shall be not less than five nor more than thirty days prior to the subsequent interest payment date. The term "record date" as used in this

Section with respect to any regular interest payment date shall mean the March 15 or September 15, as the case may be, next preceding such interest payment date, or, if such March 15 or September 15 shall be a legal holiday or a day on which banking institutions in the Borough of Manhattan, The City of New York, are authorized by law to close, the next preceding day which shall not be a legal holiday or a day on which such institutions are so authorized to close.

Bonds of the Twenty-eighth Series shall be dated and, except as provided in this Section, shall bear interest as provided in Section 2.03 of the Indenture; provided, however, that, so long as there is no existing default in the payment of interest on such bonds, the holder of any bond authenticated by the Trustee between the record date for any interest payment date and such interest payment date shall not be entitled to the payment of the interest due on such interest payment date and shall have no claim against the Company with respect thereto; provided, further, that, if and to the extent the Company shall default in the payment of the interest due on such interest payment date, then any such bond shall bear interest from the April 1 or October 1, as the case may be, next preceding the date of such bond, to which interest has been paid or, if the Company shall be in default with respect to the interest due on October 1, 1980, then from April 1, 1980.

Any or all of the bonds of the Twenty-eighth Series shall be redeemable at the option of the Company, or by operation of various provisions of the Indenture, at any time and from time to time, prior to maturity, upon notice given by mailing the same, by first class mail postage prepaid, not less than thirty nor more than forty-five days prior to the date fixed for redemption to each registered holder of a bond to be redeemed (in whole or in part) at the last address of such holder appearing on the registry books, at the principal amount thereof and accrued interest thereon to the date fixed for redemption, together (a), if redeemed otherwise than by the operation of Section 2.12 or 7.07 of the Indenture or of Section 4 of the Supplemental Indenture dated as of June 1, 1964 or of Section 2 of this Supplemental Indenture or of the sinking or improvement fund provisions of any Supplemental Indenture other than this Supplemental Indenture and otherwise than by the use of proceeds of released property, with a regular redemption premium equal to a percentage of the principal amount thereof determined as set forth in the tabulation appearing in the form of bond hereinbefore set forth, provided, however, that none of the bonds of the Twenty-eighth Series shall be so redeemed prior to April 1, 1985 if such redemption is for the purpose or in

anticipation of refunding such bond through the use, directly or indirectly, of funds borrowed by the Company at an effective interest cost to the Company (computed in accordance with generally accepted financial practice) of less than the cost per annum appearing in the form of bond hereinbefore set forth, and (b), if redeemed by the operation of Section 2.12 or 7.07 of the Indenture or of Section 4 of the Supplemental Indenture dated as of June 1, 1964 or of Section 2 of this Supplemental Indenture or of the sinking or improvement fund provisions of any Supplemental Indenture other than this Supplemental Indenture or by the use of proceeds of released property, either (i) with a special redemption premium, if any, equal to a percentage of the principal amount thereof determined as set forth in the tabulation appearing in the form of bond hereinbefore set forth or (ii), if no special redemption premium is so set forth, then without premium.

SECTION 2. The Company covenants that, so long as any bonds of the Twenty-eighth Series shall be outstanding under the Indenture, it will, on or before June 1 in each year commencing with June 1, 1981:

(a) deposit with the Trustee subject to the provisions of this Section cash and/or bonds of any series authenticated under the Indenture then outstanding (taken at their principal amount) in an amount equal to the "improvement fund requirement" (which term, as used in this Section, shall mean for any year an amount equal to one per centum (1%) of the aggregate principal amount of bonds of the Twenty-eighth Series authenticated and delivered by the Trustee pursuant to the provisions of Articles IV, V and VI of the Indenture, prior to January 1 of that year, after deducting from such aggregate principal amount the principal amount of bonds of the Twenty-eighth Series which, prior to January 1 of that year, have been deposited with the Trustee for cancellation as the basis for the release of property or for the withdrawal of cash representing proceeds of released property or have been purchased or redeemed by the use of proceeds of released property); or,

(b) to the extent that it does not so deposit cash and/or bonds, certify to the Trustee unfunded net property additions in an amount equal to one hundred sixty-six and two-thirds per centum ( $166\frac{2}{3}\%$ ) of the portion of the improvement fund requirement not so satisfied; provided, however, that, so long as Section 2.12 of the Indenture shall remain in effect, compliance with the requirements of said Section 2.12 shall constitute compliance with the requirements of this Section.

The term "improvement fund certificate", as used in this Section, shall mean an accountant's certificate filed by the Company with the Trustee pursuant to this Section. Such certificate may be a separate certificate or it may be combined with an improvement fund certificate or certificates filed pursuant to the improvement fund provisions of the Indenture or of any other indenture or indentures supplemental thereto.

On or before the first day of June in each year, beginning June 1, 1981, so long as any bonds of the Twenty-eighth Series are outstanding under the Indenture, the Company shall (if Section 2.12 of the Indenture is no longer in effect) deliver to the Trustee an improvement fund certificate showing the improvement fund requirement for that year, the amount of cash, if any, and the principal amount of bonds authenticated under the Indenture then outstanding, if any, then to be deposited by the Company with the Trustee and, if the Company elects to satisfy the improvement fund requirement for that year in whole or in part by the certification of unfunded net property additions, the amount, if any, of unfunded net property additions to be certified. The Company shall, concurrently with the delivery to the Trustee of such certificate, deposit with the Trustee the amount of cash, if any, and the principal amount of bonds, if any, shown in such certificate.

No property additions shall be certified in any improvement fund certificate pursuant to the provisions of this Section unless there shall be delivered to the Trustee with such certificate the applicable certificates, opinion of counsel, instruments and cash, if any, required by paragraphs (3), (4), (5), (7), (9) and (10) of Section 4.05 of the Indenture, showing that the Company has unfunded net property additions equal to the amount so certified.

The Trustee shall hold any cash deposited with it under the provisions of this Section as a part of the mortgaged and pledged property until paid out as hereinafter provided. Any cash deposited with the Trustee under the provisions of this Section may, upon receipt by the Trustee of the written order of the Company signed by its President or a Vice President, of a treasurer's certificate such as is described in paragraph (2) of Section 4.05 of the Indenture and of an opinion of counsel,

(1) be withdrawn, used or applied by the Company in accordance with the provisions of paragraph (2), (3) or (4) of Section 10.05 of the Indenture, except that any premium required to be paid to purchase or redeem bonds shall be paid out of funds held by the Trustee under this

Section and the Company shall not be required to furnish the Trustee with additional funds for such purpose or to reimburse the Trustee or the improvement fund for moneys so paid out. Interest and expenses in connection with purchases or redemptions pursuant to this Section shall be dealt with as provided in Section 9.05 of the Indenture; or

(2) be withdrawn by the Company to the extent of sixty per centum (60%) of the amount of unfunded net property additions certified to the Trustee for such purpose, but only upon receipt by the Trustee of the applicable certificates, opinion of counsel, instruments and cash, if any, required by paragraphs (3), (4), (5), (7), (9) and (10) of Section 4.05 of the Indenture, showing that the Company has unfunded net property additions equal to the amount so certified.

Bonds deposited with the Trustee pursuant to this Section, or purchased or redeemed by the use of cash deposited pursuant to this Section, shall be cancelled and shall not be thereafter made the basis for the authentication of bonds, the withdrawal, use or application of cash, or the release of property, under any of the provisions of the Indenture, or thereafter used to satisfy the requirements of this Section or of any other sinking or improvement fund provided for in the Indenture or in any indenture supplemental thereto or to satisfy an unsatisfied balance of the maintenance and replacement requirement (as defined in Section 7.07 of the Indenture) or to satisfy any replacement deficit pursuant to Section 4 of the Supplemental Indenture dated as of June 1, 1964.

To the extent that unfunded net property additions are certified to the Trustee to satisfy the improvement fund requirement for any year in whole or in part or as a basis for the withdrawal of cash deposited with the Trustee under the provisions of this Section, the amount of such unfunded net property additions shall thereafter be deducted in computing the amount of unfunded net property additions under Section 1.11 of the Indenture and in computing gross property additions under Section 7.07 of the Indenture.

The Company covenants that it will not, in any calendar year prior to 1985, redeem any bonds of the Twenty-eighth Series through the operation of Section 2.12 of the Indenture, this Section or the sinking or improvement fund provisions of any other Supplemental Indenture in a principal amount which would exceed the improvement fund requirement for such year provided for in this Section.

**SECTION 3.** The Company covenants that the provisions of Section 4 of the Supplemental Indenture dated as of June 1, 1964, which are to remain in effect so long as any bonds of the Thirteenth Series shall be outstanding under the Indenture, shall remain in full force and effect so long as any bonds of the Twenty-eighth Series shall be outstanding under the Indenture.

**SECTION 4.** The Company covenants that, so long as any bonds of the Twenty-eighth Series shall be outstanding under the Indenture, it will not, after March 31, 1980, declare or pay any dividends, or make any other distributions (except (a) dividends payable or distributions made in shares of common stock of the Company and (b) dividends payable in cash in cases where, concurrently with the payment of the dividend, an amount in cash equal to the dividend is received by the Company as a capital contribution or as the proceeds of the issue and sale of shares of its common stock), on or in respect of its common stock, or purchase or otherwise acquire for a consideration any shares of its common stock, if the aggregate of such dividends, distributions and such consideration for purchase or other acquisition of shares of its common stock after March 31, 1980, shall exceed

(i) the earned surplus of the Company accumulated after March 31, 1980 (determined in accordance with generally accepted accounting principles and without giving effect to charges to earned surplus on account of such dividends, distributions or acquisitions or on account of the disposition of any amounts which may then be classified by the Company on its books as amounts in excess of the original cost of utility plant or to charges or credits to earned surplus on account of items inherent in the balance sheet at March 31, 1980), plus

(ii) the earned surplus of the Company accumulated prior to April 1, 1980 in an amount not exceeding \$22,500,000, plus

(iii) such additional amount as shall be authorized or approved, upon application by the Company, by the Securities and Exchange Commission, or by any successor commission thereto, under the Public Utility Holding Company Act of 1935.

For the purposes of this Section, in determining the earned surplus of the Company accumulated after March 31, 1980, there shall be deducted the dividends accruing subsequent to March 31, 1980 on preferred stock of the Company and the total amount, if any, by which the charges to income or

earned surplus since March 31, 1980 as provision for depreciation of the mortgaged and pledged property (other than specially classified property) shall have been less than the sum of the amounts equal to the product of the applicable percentage (as defined in Section 4 of the Supplemental Indenture dated as of June 1, 1964) and the mathematical average of the amounts of depreciable property (as defined in said Section 4) at the opening of business on the first day and at the close of business on the last day of each calendar year (and, proportionately, of each period of months which is less than a calendar year) subsequent to March 31, 1980 included in the period for which earned surplus is being determined; provided, however, that, so long as any bonds of any series created prior to January 1, 1964 are outstanding under the Indenture, if the total amount, if any, by which the aggregate of the charges to income or earned surplus since March 31, 1980 for repairs, maintenance and provision for depreciation of the mortgaged and pledged property (other than specially classified property) shall have been less than 16% of the gross operating revenues derived by the Company subsequent to March 31, 1980 from the mortgaged and pledged property (other than specially classified property), after deduction from such revenues of the aggregate cost of electric energy, gas and steam purchased for resale, is greater than such amount, then the amount to be deducted in determining earned surplus shall be such greater amount. The term "consideration", as used in this Section, shall mean cash or fair value if the consideration be other than cash, and the term "provision for depreciation", as used in this Section, shall not be deemed to include provision for the amortization of any amounts classified by the Company on its books as amounts in excess of the original cost of utility plant.

SECTION 5. As supplemented and amended by this Supplemental Indenture, the Indenture, as heretofore supplemented and amended, is in all respects ratified and confirmed, and the Indenture, as heretofore supplemented and amended, and this Supplemental Indenture shall be read, taken and construed as one and the same instrument.

SECTION 6. Nothing in this Supplemental Indenture contained shall, or shall be construed to, confer upon any person other than a holder of bonds issued under the Indenture, the Company and the Trustee any right or interest to avail himself of any benefit under any provision of the Indenture, as heretofore supplemented and amended, or of this Supplemental Indenture.

SECTION 7. This Supplemental Indenture may be executed in several counterparts and all such counterparts executed and delivered, each as an original, shall constitute but one and the same instrument.

SECTION 8. This Supplemental Indenture shall be construed in accordance with and governed by the laws of the State of New York.

IN WITNESS WHEREOF, said Mississippi Power Company has caused this Supplemental Indenture to be executed in its corporate name by its President or one of its Vice Presidents and its corporate seal to be hereunto affixed and to be attested by its Secretary or one of its Assistant Secretaries, and said Morgan Guaranty Trust Company of New York, to evidence its acceptance hereof, has caused this Supplemental Indenture to be executed in its corporate name by one of its Vice Presidents or Trust Officers and its corporate seal to be hereunto affixed and to be attested by one of its Assistant Trust Officers, in several counterparts, all as of the day and year first above written.
