RECITALS:

1.

The Railroad and Fruit Growers Express Company (the "Manufacturer"), a Delaware corporation, have entered into a Conditional Sale Agreement dated as of January 12, 1979 (which Conditional Sale Agreement, as same may have been amended prior to the hereinafter described First Amendment, is herein called the "Original Sale Agreement"), covering and affecting certain railroad cars and other equipment (the "Rolling Stock") more fully described in the Original Sale Agreement. All of the Manufacturer's rights and interests, but none of its obligations, under the Original Sale Agreement have been assigned to the Mercantile Trust Company National Association (the "Original Lender") pursuant to an Agreement and Assignment dated of even date with the Original Sale Agreement by and between the Manufacturer and the Original Lender.

2.

Pursuant to an Agreement and Assignment of Rights Under Conditional Sale Agreement dated as of October 23, 1985, executed by the Original Lender, as Assignor, the Bank, as Assignee, and the Railroad, the Original Lender has assigned all of its rights and interest in and to the Sale Agreement and the Original Assignment to the Bank.

3.

The Railroad and the Bank have amended the Original Sale Agreement pursuant to (a) a First Amendment to Conditional Sale Agreement (the "First Amendment") dated effective as of October 23, 1985, and (b) a Second Amendment to Conditional Sale Agreement (the "Second Amendment") dated effective as of January 17, 1986 (the Original Sale Agreement as amended by the First Amendment and the Second Amendment being hereinafter called the "Sale Agreement").

4.

Pursuant to a Loan Agreement (the "Original Loan Agreement") by and between the Railroad and the Bank, dated as of March 19, 1986, the Bank has established a revolving credit facility (the "Credit Facility") in favor of the Railroad, pursuant to which the Bank agreed, subject to certain terms and conditions, to make loans from time to time before March 1, 1987 (the "Maturity Date") to the Railroad at the Railroad's request, and agreed to issue from time to time prior to March 1, 1988 (the "Letter of Credit Termination Date") standby letters of credit (collectively, the "Letters of Credit") for the account of the Railroad, the aggregate of said loans, the outstanding face amount of all of the Letters of Credit and the amount of all of the Letters of Credit which have been drawn on for which the Bank has not been reimbursed not to exceed at any one time the sum of \$4,000,000.00, the indebtedness arising pursuant to the Credit Facility being evidenced by that certain promissory note (the "Revolving Note") executed by the Railroad, payable to the order of the Bank, dated of even date with the Original Loan Agreement, in the original principal sum of \$4,000,000.00, with a final stated maturity of the Maturity Date. Under date of March 25, 1987, the Bank and the Railroad entered into that certain letter agreement amending the Original Loan Agreement so as to extend the Maturity Date to May 1, 1987 and to extend the Letter of Credit Termination Date to May 1, 1988. The Original Loan Agreement, as amended pursuant to said letter agreement is hereinafter called the "Loan Agreement."

5.

The Railroad has requested the Bank to (a) enter with the Railroad into an Agreement and Second Amendment to the Loan Agreement (the "Amendment") so as (i) to increase the amount which can be borrowed, repaid and reborrowed by the Railroad under the Credit Facility to \$5,000,000.00 upon receipt by the Bank of written approval for such increase of all parties which may be deemed necessary by the Bank, including, without limitation, Manufacturers Hanover Trust Company as Corporate Trustee under that certain Prior Lien Mortgage of Missouri-Kansas-Texas Railroad Company, dated as of January 1, 1922, as amended and supplemented from time to time, (ii) to further extend the Maturity Date to May 1, 1988, (iii) to further extend the Letter of Credit Termination Date to May 1, 1989, and (iv) to make certain other changes to the Loan Agreement as more fully described therein, the Amendment to be dated as of May 1, 1987, and (b) to accept from the Railroad a new promissory note (the "New Note") to be of even date with the Amendment, executed by the Railroad, payable to the order of the Bank, in the original principal sum of \$5,000,000.00, with a final stated maturity of

May 1, 1988, to evidence the indebtedness arising pursuant to the Loan Agreement as amended by the Amendment, the New Note to be in part in renewal, extension (and not in extinguishment) of the Revolving Note.

6.

The Bank is unwilling to enter into the Amendment and/or accept the New Note, or otherwise increase the amount of the Credit Facility to \$5,000,000.00 or extend the Maturity Date to May 1, 1988, to further extend the Letter of Credit Termination Date to May 1, 1989, unless, among other things, the Railroad agrees to amend the Sale Agreement so as to provide that the Rolling Stock shall secure, in addition to the purchase price of Rolling Stock (if not fully paid and satisfied) and such other indebtedness (if any) described in the Sale Agreement and the indebtedness arising pursuant to each of the Other Conditional Sale Agreements, as any of the same may have been or may be amended, renewed, extended or otherwise modified from time to time, the indebtedness arising pursuant to the Loan Agreement (as amended by the Amendment) and the New Note, and any and all future renewals, extensions, modifications, restatements, rearrangements and increases thereof and substitutions therefor; and the Railroad is willing to do so.
