Dear Ms. Lee:

I am enclosing a true copy of the master security agreement which was recorded on April 5, 1985 and assigned recordation numbers 14619 and 14619-A. The railcars numbers originally recorded were incorrect, and therefore I have included a substitution of numbers sheet for the 71 railcars recorded at that time. Please replace the list of numbers you now have on file with this substitution. In addition, I am including a supplement to the original security agreement which lists the addition railcar numbers to be recorded. Upon recordation of this supplement, there should be a lien recorded in favor of McAllen State Bank on 160 open top hopper cars. This number corresponds to the number on the master security agreement.

I have included a check for twenty dollars (\$20.00) made payable to the Interstate Commerce Commission to cover the cost of the recordation fees. If you should have any questions please contact me at (512) 686-1733, Ext. 248.

Yours very truly,

Greg Yarbrough
