AGREEMENT, made this 30th day of June, 1989, by and between:

ACF INDUSTRIES, INCORPORATED, a New Jersey corporation, with an office at c/o Trans World Airlines, 100 South Bedford Road, Mt. Kisco, New York 10549 (hereinafter referred to as the "Debtor"); and

NORSTAR BANK, a New York banking corporation, having an office at 40 Main Street, Hempstead, New York 11511 (hereinafter referred to as the "Bank").

W I T N E S S E T H :

WHEREAS, the Debtor and Fleet National Bank (predecessor-in-interest to the Bank), as agent for itself and certain other banks, entered into a Bridge Loan, Chattel Mortgage and Security Agreement dated December 13, 1985 (the "Original Agreement"), pursuant to which such banks agreed to lend certain sums to the Debtor upon and subject to the terms and conditions set forth therein;

WHEREAS, the Debtor and the Bank now desire to amend and restate the Original Agreement in its entirety to, inter alia, (i) remove all references to banks other than the Bank and (ii) extend the commitment of the Bank to make loans until July 31, 1989; and

WHEREAS, the Bank is willing to so amend and restate the Original Agreement, subject to the terms, provisions and conditions hereinafter set forth;

NOW, THEREFORE, IT IS AGREED:

1. Definitions. For all purposes of this Agreement, unless the context otherwise requires:

"Assignment" shall mean the Amended and Restated Assignment of Leases dated as of the date hereof by the Debtor as Assignor, to the Bank as Assignee.

"Business Day" shall mean any day which is not a Saturday or a Sunday and on which banks in the State of New York are not authorized or required to close.

"Collateral" shall have the meaning set forth in Section 4 hereof.

"Commitment" shall mean \$20,000,000, as such amount shall be reduced from time to time in accordance with the terms hereof.

"Cost" shall mean, with respect to any item of railroad rolling stock not built by the Debtor, the price of such item as shown on the invoice for such item delivered to the Bank pursuant to Section 3(b)(ii) or Section 3(c)(ii) hereof, exclusive of (i) any amount included in such price consisting of preparation, handling, freight, storage or other like charges or (ii) any sales, excise or other taxes payable in connection with the sale of such item, and, with respect to any item of railroad rolling stock built by the Debtor, the so-called "car-builder's cost" including direct cost of labor and material and overhead, but excluding the overhead of the Debtor's corporate headquarters and any manufacturing profit.

2. Amount and Terms of Loans.

(a) Subject to and upon the terms and conditions herein set forth, the Bank may make Loans to the Debtor on or before July 31, 1989 in an aggregate principal amount at any one time outstanding up to, but not exceeding, the Commitment as then in effect. Subject to the terms of this Agreement, the Debtor may borrow, prepay (as provided in subsection (e)) and

reborrow the amount of the Commitment. Each Loan shall be in immediately available funds in the amount of \$500,000 or an integral multiple thereof. Each Loan shall be made at 11:00 A.M., New York time, or at such time or place as may be agreed upon by the Debtor and the Bank.

(b) The Loans shall be evidenced by a single promissory note to the order of the Bank substantially in the form of Exhibit B annexed hereto (such note, as it may from time to time be modified, amended, supplemented or restated, is herein referred to as the "Note") which shall be payable to the order of the Bank in a principal amount equal to the Commitment, dated the date hereof and duly executed by the Debtor with blanks appropriately filled in conformity herewith. The Note shall be payable upon demand (and in any event no later than July 31, 1989), and shall be subject to prepayment as provided in this Section 2. All Loans made by the Bank hereunder and all payments and prepayments made on account of the principal thereof shall be recorded by the Bank on the schedule attached to the Note; provided, however, that the Bank's failure to make such notation with respect to any Loan shall not limit or otherwise affect the obligation of the Debtor herein or under the Note with respect to any such Loan, and payments by the Debtor shall not be affected by failure to make a notation thereof on said schedule.

(c) The Note shall bear interest from the date thereof to maturity on the unpaid principal balance thereof at a rate equal to one-eighth of one percent (1/8%) per annum in excess of the peg lending rate announced by the Bank from time to time as its peg rate of interest (the "Peg Rate"), which interest rate shall change when and as the Peg Rate shall change, and after maturity (whether by acceleration, demand or otherwise) at a rate two and one-eighth percent (2-1/8%) per annum in excess of the Peg Rate (the "Post Maturity Rate"), which rate shall change as aforesaid; provided, however, that the Post Maturity Rate shall not become applicable to the Note until two days after such date of maturity. Interest on the Note shall be payable in arrears monthly on the first day of each month, commencing July 1, 1989, until maturity, and thereafter upon demand. Interest shall be calculated on the basis of a 360 day year and actual days elapsed. In no event shall the rate of interest on the Note exceed the maximum rate authorized by applicable law.

(d) The Debtor shall from time to time (until payment in full of the Note), upon the substantial destruction of any of the Equipment, at its option, either grant to the Bank a lien on other similar railroad rolling stock (by its execution and delivery of the documents and instruments referred to in Section 3(b)(ii) hereof) which has a Cost at least equal to that of the Equipment substantially destroyed, or make a payment in

respect of the Loans in an amount not less than 85% of the Cost of such destroyed Equipment.

(e) Upon not less than three Business Days' prior written notice to the Bank, the Debtor shall have the right to prepay the Note from time to time in part in amounts of \$500,000 or an integral multiple thereof or at any time in whole. Upon the giving of notice of prepayment pursuant to this Section 2(e), the amount therein specified to be prepaid shall be due and payable on the date therein specified for such prepayment, together with accrued interest thereon to such date. No prepayment pursuant to this Section 2(e) of less than the entire unpaid principal amount of the Note shall be credited to or relieve the Debtor to any extent from its obligation to make any prepayment required by Section 2(d). Upon any such prepayment, the Debtor may request that Collateral consisting of railroad rolling stock be released in accordance with the terms of Section 22 hereof.

(f) Whenever any payment to be made hereunder or on the Note shall become due and payable on a day which is not a Business Day, such payment may be made on the next succeeding Business Day and, in the case of any payment of principal, such extension of time shall in such case be included in computing interest on such payment.

(g) The Debtor shall make each payment or prepayment hereunder and under the Note not later than 1:00 p.m. (New York City time) on the day when due in lawful money of the United States of America to the Bank at its office at 40 Main Street, Hempstead, New York 11511, or at such other place as the Bank may from time to time designate, in immediately available funds for the account of the Bank.

(h) The Debtor agrees that the proceeds of all borrowings hereunder shall be used for working capital purposes, including the construction of new railroad rolling stock.

(i) The Debtor shall pay to the Bank a commitment fee (the "Commitment Fee") at the rate of $\frac{3}{8}$ of 1% per annum on the daily average unused amount of the Commitment hereunder, for the period from the date hereof to and including the date on which the Loans have been repaid in full. The accrued Commitment Fee shall be payable quarterly on the last day of every calendar quarter following the date hereof until the Loans have been repaid in full and the Commitment has been terminated. If at any time the Bank shall have determined that the adoption of any applicable law, rule or regulation regarding capital adequacy or reserves on commitments, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the

Bank with any request or directive regarding capital adequacy or reserves on commitments (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on the Bank's capital as a consequence of its obligations hereunder to a level below that which the Bank could have achieved but for such adoption, change or compliance (taking into account the Bank's policies with respect to capital adequacy and reserves on commitments) by an amount deemed by the Bank to be material, then from time to time, the Bank may increase the amount of the Commitment Fee in such amounts as will compensate the Bank for such reduction.

3. Conditions Precedent.

(a) Prior to the making of the initial Loans hereunder, the following conditions precedent shall have been satisfied in a manner satisfactory in form and substance to the Bank:

(i) each of the Security Documents shall have been duly executed by the Debtor for recording with the Interstate Commerce Commission, and such Security Documents shall have been delivered by the Debtor to the Bank;

(ii) the Bank shall have received (x) certified copies of the resolutions of the Board of Directors of the Debtor approving this Agreement, the Assignment, and each of the other instruments and documents executed by the Debtor and delivered to the Bank pursuant to this Agreement, which copies shall have been certified by a Secretary or an Assistant Secretary of the Debtor as of the date of this Agreement, and (y) certified copies of all documents evidencing other necessary corporate action and governmental approvals, if any, with respect thereto;

(iii) the Bank shall have received the Note, which Note shall have been duly executed and delivered by the Debtor;

(iv) the Bank shall have received a certificate of the Secretary or an Assistant Secretary of the Debtor dated as of the date of this Agreement, certifying the names and true signatures of the officers of the Debtor authorized to sign each document to which it is signatory and which is to be delivered by it hereunder;

(v) the Bank shall have received favorable opinions of counsel for the Debtor as to all matters specified in subsections (a), (c), (e), (f) and (i) of Section 19, to all matters specified in the second sentence of subsection (d) thereof and to the further effect that all documents required pursuant hereto have been duly executed and delivered by the Debtor and that such documents, upon any filing or recording

required under applicable law, create a valid and enforceable first priority security interest in the collateral therein described, which opinions shall be dated the date of this Agreement, addressed to the Bank, and otherwise be in form and substance satisfactory to the Bank; and

(b) Prior to the making by the Bank of any Loans hereunder, the following conditions precedent shall have been satisfied in a manner satisfactory in form and substance to the Bank:

(i) amendments to each of the Security Documents, together with appropriate instruments to be recorded with the Interstate Commerce Commission, including, without limitation, supplements to the Assignment and this Agreement in substantially the forms annexed hereto as Exhibit C and Exhibit D respectively, shall have been duly executed and delivered by the Debtor and the Bank to provide for the granting to the Bank of a first priority perfected security interest in the Additional Collateral with respect to such Loan, and copies of such instruments and documents, together with a copy of the invoices for the purchase by the Debtor of such Additional Collateral (if purchased), or other satisfactory evidence of its Cost (if built by the Debtor) shall have been received by the Bank; and

(ii) the Bank shall have received a certificate signed by a duly authorized officer of the Debtor, dated the date of such Loan, stating that (w) all of the proceeds of such Loan are to be applied in accordance with Section 2(h) hereof; (x) all representations and warranties contained in this Agreement or in the Assignment are true and correct on and as of the date of such Loan as though made on and as of such date; (y) no event has occurred and is continuing, or would result from such Loan, which constitutes an Event of Default or would constitute an Event of Default but for the requirement that notice be given or time elapsed or both; and (z) there has been no material adverse change in the condition, financial or otherwise, of the Company since the date of this Agreement.

4. Security Interest.

To secure the due payment, performance and observance of all indebtedness, obligations, liabilities and agreements of any kind of the Debtor to the Bank, now existing or hereafter arising, absolute or contingent, due or not, contractual or tortious, liquidated or unliquidated, arising under (i) the Note, or (ii) any Security Document (all of the foregoing being herein referred to as the "Obligations"), the Debtor hereby assigns, mortgages, pledges, hypothecates, transfers and sets over to the Bank and grants to the Bank, its successors and permitted assigns, a first lien (subject to the provisions of paragraph 5 hereof) upon and security interest in all assets of

the Debtor set forth, referred to, or listed on Schedule B annexed hereto and made a part hereof and all other assets of the Debtor hereafter specifically subjected to such lien as hereinbefore provided, together with all attachments, accessories, accessions and additions now or hereafter placed upon such assets by the Debtor, and any replacements thereof, and the rents, issues, income, profits and avails thereof, together with all products and proceeds of any of the foregoing (including, without limitation, claims of the Debtor against third parties for loss or damage to or destruction of any of such assets) (all hereinafter referred to as the "Collateral"). The grant effected by this paragraph and by the Assignment is not intended to conflict with the terms of the Indenture. To the extent that such a conflict is deemed to exist as to assets of the Debtor other than the Equipment and the Leases, the terms of the Indenture shall govern.

5. Debtor's Title; Liens and Encumbrances.

The Debtor represents and warrants that, except for liens, security interests and encumbrances referred to on Schedule C (if any) annexed hereto and made a part hereof, the Debtor is, or to the extent that this Agreement states that the Collateral is to be acquired after the date hereof, will be, the owner of the Collateral, having good and marketable title thereto, free from any and all liens, security interests, encumbrances and claims. The Debtor will not create or assume or permit to exist any such lien, security interest, encumbrance or claim on or against the Collateral except as created by this Agreement, and the Debtor will promptly notify the Bank of any such other claim, lien, security interest or other encumbrance made or asserted against the Collateral and will defend the Collateral against any such claim, lien, security interest or other encumbrance.

6. Location of Collateral and Records.

The Debtor represents and warrants that its chief place of business and the offices where its books and records are kept, are, and have been during the four-month period prior to the date hereof, located at the addresses set forth on Schedule D annexed hereto, and covenants that the Debtor will promptly notify the Bank of any change in the foregoing representation. The Debtor shall at all times maintain its records as to the Collateral at its chief place of business at the address referred to on Schedule D or as otherwise reflected on Schedule D with respect to records and at none other. The Debtor further covenants that except for Collateral delivered to the Bank, the Debtor will not store, use or locate any of the Collateral at any place other than as listed on Schedule D hereto, except (i) inventory or locomotives or equipment of the Debtor having an aggregate value not in excess of One Million

(\$1,000,000) Dollars in the ordinary course of business, or
(ii) after giving the Bank 30 days' prior written notice thereof.

7. Perfection of Security Interest.

(a) The Debtor will join with the Bank at any time and from time to time in executing one or more financing statements pursuant to the Uniform Commercial Code or other notices appropriate under applicable law in form satisfactory to the Agent and will pay all filing or recording costs with respect thereto, and all costs of filing or recording this Agreement, any other Security Document or any supplement thereto or any other instrument, agreement or document executed and delivered pursuant hereto or to any of the agreements or instruments evidencing any of the Obligations (including the cost of all Federal, state or local mortgage, documentary, stamp, excise or other taxes), in each case, in all public offices where filing or recording is deemed by the Bank, in its reasonable judgment, to be necessary or desirable, upon the Bank's request (including, without limitation, the Interstate Commerce Commission). The Debtor hereby authorizes the Bank to take all reasonable action (including, without limitation, the filing of any Uniform Commercial Code Financing Statements or continuations or amendments thereto without the signature of the Debtor) which the Bank, in its reasonable judgment, may deem necessary or desirable, upon the Bank's request, to perfect or otherwise protect the liens and security interests created hereunder and to obtain the benefits of this Agreement.

(b) Promptly after the execution, delivery and recording of this Agreement and each supplement hereto, the Debtor will furnish to the Bank an Opinion of Counsel stating that, in the opinion of such counsel, this Agreement or such supplement, as the case may be, has been properly recorded and filed with the Interstate Commerce Commission in compliance with the preceding paragraph of this Section 7 and reciting the details of such action. In rendering any such opinion, such counsel may conclusively rely upon an Officer's Certificate as to the location of the Equipment.

8. General Covenants.

While the Commitments are in effect and until payment in full of the Note and the performance of all of its Obligations, the Debtor represents, warrants, covenants and agrees as follows:

(a) The Debtor shall:

(i) furnish the Bank from time to time at the Bank's request written statements and schedules further

identifying and describing the Collateral in such detail as the Bank may reasonably require;

(ii) advise the Bank promptly, in sufficient detail, upon learning of any substantial change in the Collateral, and of the occurrence of any event which would have a materially adverse effect on the value of the Collateral or on the Bank's security interest therein;

(iii) comply, and use its best efforts to cause each of the Lessees to comply, in all material respects, with all acts, rules, regulations and orders of any legislative, administrative or judicial body or official applicable to the Collateral or any part thereof or to the operation of the Debtor's business (including all laws of the jurisdictions in which operations involving the Equipment may extend, the interchange rules of the Association of American Railroads and all rules of the Interstate Commerce Commission), provided that the Debtor may contest any acts, rules, regulations, orders and directions of such bodies or officials in any reasonable manner which will not, in the Bank's opinion, materially adversely affect its rights or the priority of its security interest in the Collateral; and

(iv) promptly execute and deliver to the Bank such further reasonable deeds, mortgages, assignments, security agreements or other instruments, documents, certificates and assurances and take such further reasonable action as the Bank may from time to time request and may in its sole discretion deem necessary to perfect, protect or enforce its security interest in the Collateral or otherwise to effectuate the intent of this Agreement.

(b) Except as provided herein and in the Assignment, the Debtor will not assign, sell, lease, transfer, or otherwise dispose of or abandon, nor will the Debtor suffer or permit any of the same to occur with respect to, any Collateral, without prior written notice to and consent of the Bank, except for the sale or lease from time to time in the ordinary course of business of such items of the Collateral as may constitute inventory, and the inclusion of "proceeds" of the Collateral under the security interest granted herein shall not be deemed a consent by the Bank to any sale or other disposition of any Collateral except as expressly permitted herein.

(c) The Debtor has made, and will continue to make, payment or deposit, or otherwise has provided and will provide for the payment, when due, of all taxes, assessments or contributions or other public or private charges which have been or may be levied or assessed against the Debtor, whether with respect to any Collateral, to any wages or salaries paid by Debtor, or otherwise, except to the extent that any such taxes,

assessments or charges are being diligently contested in good faith and the Debtor has established appropriate reserves therefor, and the Debtor will deliver to the Bank, on demand, certificates or other evidence satisfactory to the Bank attesting thereto.

(d) The Bank shall, upon reasonable notice to the Debtor, at all times during normal business hours have free access to and right of inspection of the Collateral (to the extent that the Debtor is allowed such rights under any of the Leases applicable thereto) and any records pertaining thereto (and the right to make extracts from and to receive from the Debtor originals or true copies of such records and any papers and instruments relating to any Collateral upon request therefor).

(e) In its discretion, the Bank may, at any time and from time to time, for the account of the Debtor, pay any amount or do any act required of the Debtor hereunder and which the Debtor fails to do or pay, and any such payment shall be deemed an advance by the Bank to the Debtor payable on demand together with interest at the highest rate then payable on any of the Obligations.

(f) The Debtor agrees that if the Opinion of Counsel specified in Section 8(h) hereof shall not be delivered to the Bank as provided in said Section 8(h) or if, in the opinion of the Debtor, marking of one or more units of Equipment is required by law to properly protect the rights of the Bank in and to the Equipment, the Debtor will, as soon as practicable after determining that such marking is required or after January 1 in any year in which it fails to deliver the aforementioned Opinion of Counsel, arrange for the marking of each such unit of the Equipment in the following manner: there shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of each such unit a metal plate bearing the following words, or such words shall be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such unit, in either case in letters not less than one inch in height:

THIS CAR IS MORTGAGED TO NORSTAR BANK UNDER AN AMENDED AND RESTATED BRIDGE LOAN, CHATTEL MORTGAGE AND SECURITY AGREEMENT RECORDED UNDER Section 11303 OF THE INTERSTATE COMMERCE ACT.

Such plates or marks shall be such as to be readily visible and as to indicate plainly the Bank's interest in each unit of the Equipment.

In case, prior to the termination of this Agreement, any of such plates or marks shall at any time be removed, defaced or destroyed, the Debtor shall forthwith cause the same

to be restored or replaced. The Debtor shall not change, or permit to be changed, the identifying numbers (as set forth on Schedule B hereto or in any supplement hereto) of any of the Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Bank by the Debtor and also filed and recorded in like manner as this Agreement.

The Equipment may be lettered, "ACF Industries, Incorporated", "Shippers Car Line", "ACFX", "SHPX", or in some other appropriate manner for convenience of identification of the ownership by the Debtor thereof, and may also be lettered in such manner as may be appropriate for convenience of identification of the leasehold interests therein of any of the Lessees under any of the Leases; but the Debtor, during the continuance of this Agreement, will not allow the name of any person to be placed on any of the Equipment as a designation which might be interpreted as a claim of ownership thereof by any person other than the Debtor, or as an indication of any lien or other encumbrance thereon (except the interests of the Lessees as aforesaid) other than the lien of this Agreement in favor of the Bank.

(g) Except as otherwise provided herein, the Debtor agrees that it will maintain and keep, or cause to be maintained and kept, all the Equipment in good order and proper repair.

(h) The Bank, by its agents, shall have the right once in each calendar year to inspect the Equipment at the then existing locations thereof.

(i) The Debtor further covenants and agrees to furnish to the Bank, whenever required by the Bank following and during the continuance of an Event of Default, an Officer's Certificate stating, as to each of the Leases then in effect, the name and address of the Lessee thereunder, the identifying number of each unit of the Equipment subject thereto, and the expiration date thereof, and also stating the identifying number of each unit of the Equipment not then subject to any of the Leases. Such information shall be kept confidential by the Bank and not disclosed to any third party.

(j) Except as provided in this Section 8(j), the Debtor will not assign or transfer its rights hereunder, or sell, assign, lease, transfer or otherwise dispose of, or subject to, or permit to become subject to, any mortgage, lien, pledge, charge, security interest or other encumbrance (other than the lien of this Agreement and other than the leasehold interests of the Lessees under the Leases as hereinbelow in this Section 8(j) provided) the Equipment or any part thereof, without the written consent of the Bank first had and obtained,

which consent shall not be unreasonably withheld; and the Debtor shall not, without such written consent, except as hereinbelow in this Section 8(j) provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Equipment.

So long as no Event of Default shall have occurred and is continuing, the Bank shall not interfere with the Debtor's possession and use of the Equipment in accordance with the terms hereof, and the Debtor may also lease or contract to the Lessees under the Leases all or any part of the Equipment, but only upon and subject to all the terms and conditions of this Agreement, and to all rights of the Bank hereunder.

Any of the Leases may provide that the Lessee thereunder, so long as it shall not be in default under such Lease, shall be entitled (subject to the rights of the Bank) to the possession of the Equipment included in such Lease and the use thereof, and, subject to the provisions of Section 8(f) hereof, may provide for lettering or marking upon such Equipment for convenience of identification of the leasehold interest of such Lessee therein. Every such Lease shall contain provisions which have the effect of subjecting the rights of the Lessee under such Lease to the rights of the Bank in respect of such Equipment, including, without limitation, such rights in the event of the happening of an Event of Default.

(k) The Debtor further covenants and agrees to allow the Bank, at any time and from time to time, upon reasonable prior notice to the Debtor, to review any of the Leases and any and all documentation related thereto, including, without limitation, documentation relating to the financial condition or creditworthiness of the specific Lessees bound thereunder. Such information shall be kept confidential by the Bank and shall not be disclosed to any third party.

9. Insurance.

The Debtor shall maintain with responsible insurance companies, such insurance on such of its properties, in such amounts and against such risks as is customarily maintained by similar businesses.

10. Intentionally Deleted.

11. Events of Default.

If any one or more of the following events (herein called "Events of Default") shall occur for any reason whatsoever (and whether such occurrence shall be voluntary or involuntary or come about or be effected by operation of law or

pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), that is to say:

(a) if default shall be made in the due and punctual payment of the principal of, or any premium on, the Note, when and as the same shall become due and payable, whether at maturity or by acceleration or otherwise;

(b) if default shall be made in the due and punctual payment of any installment of interest on the Note, when and as such interest installment shall become due and payable;

(c) if default shall be made in the performance or observance of, or shall occur under, any covenant, agreement or provision contained in any agreement, instrument or document evidencing any of the Obligations and such default shall have continued for a period of ten days after notice thereof to the Debtor from the Bank or if any such agreement, instrument or document shall terminate or become void or unenforceable without the written consent of the Bank;

(d) if the Debtor or any of its Subsidiaries shall default in the payment of any principal, interest or premium with respect to any indebtedness for borrowed money or any obligation which is the substantive equivalent thereof (including, without limitation, obligations under conditional sales contracts, finance leases and the like) or under any agreement or instrument under or pursuant to which any such indebtedness or obligation may have been issued, created, assumed or guaranteed by the Debtor or any of its Subsidiaries and such default shall continue for more than the period of grace and shall not have been cured, if any, therein specified, or if any such indebtedness or obligation shall be declared due and payable prior to the stated maturity thereof;

(e) if any representation or warranty or any other statement of fact herein or in any writing, certificate, report or statement at any time furnished to the Bank pursuant to or in connection with this Agreement, shall be false or misleading in any material respect;

(f) if the Debtor or any of its Subsidiaries shall generally not be paying its debts as they become due; file a petition or seek relief under or take advantage of any insolvency law; make an assignment for the benefit of its creditors; commence a proceeding for the appointment of a receiver, trustee, liquidator, custodian or conservator of itself or of the whole or substantially all of its property; file a petition or an answer to a petition under any chapter of the Bankruptcy Reform Act of 1978, as amended (11 U.S.C. Section 101 et seq.), or file a petition or seek relief under or

take advantage of any other similar law or statute of the United States of America, any state thereof or any foreign country;

(g) if a court of competent jurisdiction shall enter an order, judgment or decree appointing or authorizing a receiver, trustee, liquidator, custodian or conservator of the Debtor or any of its Subsidiaries or of the whole or substantially all of its property, or enter an order for relief against the Debtor or any of its Subsidiaries in any case commenced under any chapter of the Bankruptcy Reform Act of 1978, as amended, or grant relief under any other similar law or statute of the United States of America, any state thereof or any foreign country; or if, under the provisions of any law for the relief or aid of debtors, a court of competent jurisdiction or a receiver, trustee, liquidator, custodian or conservator shall assume custody or control or take possession of the Debtor or any of its Subsidiaries or of the whole or substantially all of its property; or if there is commenced against the Debtor or any of its Subsidiaries any proceeding for any of the foregoing relief or if a petition is filed against the Debtor or any of its Subsidiaries under any chapter of the Bankruptcy Reform Act of 1978, as amended, or under any other similar law or statute of the United States of America or any state thereof or any foreign country and such proceeding or petition remains undismissed for a period of 60 days; or if the Debtor or any Subsidiary by any act indicates its consent to, approval of or acquiescence in any such proceeding or petition;

(h) if any judgment against the Debtor or any of its Subsidiaries or any attachment or execution against any of its or their property for any amount in excess of \$100,000 remains unpaid, unstayed or undismissed for a period of more than sixty days;

(i) if the Debtor shall terminate, or permit any Subsidiary to terminate, any employee benefit plan maintained by the Debtor or any Subsidiary so as to incur any liability to the Pension Benefit Guaranty Corporation established pursuant to ERISA; allow or suffer to exist any prohibited transaction involving any of such employee benefit plans or any trust created thereunder which would subject the Debtor or any Subsidiary to a tax or penalty on prohibited transactions imposed under Code Section 4975 or ERISA; fail to pay, or permit any Subsidiary to fail to pay, to any such employee benefit plan any contribution which it or such Subsidiary is obligated to pay under the terms of such plan; or allow or suffer to exist any occurrence of a reportable event, or any other event or condition, which presents a material risk of termination by the Pension Benefit Guaranty Corporation of any such employee benefit plan (as used herein, the terms "employee benefit plans" and "reportable event" shall have the respective meanings assigned to

them in ERISA, and the term "prohibited transaction" shall have the meaning assigned to it in Code Section 4975 and ERISA);

(j) The Debtor shall make or suffer any unauthorized assignment or transfer of any unit of the Equipment or of the right to possession of any thereof; or

(k) The Equipment, or any unit thereof, shall be attached, distrained or otherwise levied upon and such attachment, distraint or levy shall not be vacated within 10 days;

Then, in the case of an Event of Default described in clauses (f) or (g) above, the unpaid balance of the Obligations and all interest accrued thereon shall automatically (without any action on the part of the Bank and without presentment, demand, protest or notice or any kind, all of which are hereby expressly waived) forthwith become due and payable, and, in the case of any other Event of Default, then and in any such event, and at any time thereafter if such or any other Event of Default shall then be continuing, the Bank may, at its option, declare all of the Obligations to be due and payable, whereupon the maturity of the then unpaid balance of all of the Obligations shall be accelerated and the same, and all interest accrued thereon, shall forthwith become due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, anything contained herein, in any of the other Security Documents or in the Note to the contrary notwithstanding.

12. Collections and Proceeds.

(a) Upon the occurrence and during the continuance of any Event of Default, the Debtor will immediately upon receipt of all checks, drafts, cash or other remittances in payment for any Collateral sold, transferred, leased or otherwise disposed of, or in payment or on account of any Collateral consisting of contracts, contract rights, or general intangibles, deliver any such items to the Bank accompanied by a remittance report in form supplied or approved by the Bank, such items to be delivered to the Bank in the same form received, endorsed or otherwise assigned by the Debtor where necessary to permit collection of items and, regardless of the form of such endorsement, the Debtor hereby waives presentment, demand, notice of dishonor, protest, notice of protest and all other notices with respect thereto. All such remittances shall be applied and credited by the Bank first to satisfaction of the Obligations or as otherwise required by applicable law, and to the extent not so credited or applied, shall be paid over to the Debtor. Upon the occurrence and during the continuance of any Event of Default, any proceeds of the Collateral received by the Debtor shall not be commingled with other property of the Debtor, but shall be segregated, held by the Debtor in trust for the Bank, and

immediately delivered to the Bank in the form received, duly endorsed in blank where appropriate to effectuate the provisions hereof, the same to be held by the Bank as additional Collateral hereunder or, at the Bank's option, to be applied to payment of the Obligations, whether or not due and in any order.

(b) In its discretion, the Bank may, at any time and from time to time upon the occurrence and during the continuance of any Event of Default, in its name or the Debtor's or otherwise, notify any obligor of any contract, document, instrument, chattel paper or general intangible included in the Collateral to make payment to the Bank, and demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for, or make any compromise or settlement deemed desirable by the Bank with respect to, any Collateral, and/or extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, or release, any Collateral or Obligations, all without notice to or consent by the Debtor and without otherwise discharging or affecting the Obligations, the Collateral or the security interest granted herein.

13. Rights and Remedies on Default.

Upon the occurrence and during the continuance of any Event of Default:

(a) the Bank shall at any time thereafter have the right, with or without notice to the Debtor, as to any or all of the Collateral, by any available judicial procedure, or without judicial process, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral without notice or demand and with or without judicial procedure (said notice and demand, and also any right or action for trespass or damages hereby being waived), and, generally, to exercise any and all rights afforded to the Bank as a secured party under the Uniform Commercial Code or other applicable law;

(b) without limiting the generality of the foregoing, the Debtor agrees that the Bank shall have the right to sell, lease, or otherwise dispose of all or any part of the Collateral, whether in its then condition or after further preparation or processing, either at public or private sale or at any broker's board, in lots or in bulk, for cash or on credit, with or without warranties or representations, by one or more contracts, in one or more parcels, at the same or different times, with or without having the Collateral at the place of sale or other disposition, for cash and/or credit, and upon any terms, at such place(s) and time(s) and to such person(s) as the Bank deems best, all without demand, notice or advertisement whatsoever except that

where an applicable statute requires reasonable notice of sale or other disposition the Debtor hereby agrees that the sending of ten days' notice by first class mail, postage prepaid, to any address of the Debtor set forth in this Agreement shall be deemed reasonable notice thereof. If any Collateral is sold by the Bank upon credit or for future delivery, the Bank shall not be liable for the failure of the purchaser to pay for same and in such event the Bank may resell such Collateral. The Bank may buy any Collateral at any public sale and, if any Collateral is of a type customarily sold in a recognized market or is of the type which is the subject of widely distributed standard price quotations, the Bank may buy such Collateral at private sale and in each case may make payment therefor by any means. If any Collateral shall require rebuilding, repairing, maintenance, preparation, or is in process or other unfinished state, the Bank shall have the right, at its option, to do such rebuilding, repairing, preparation, processing or completion of manufacturing, for the purpose of putting the Collateral in such saleable or disposable form as it shall deem appropriate; and

(c) at the Bank's request, the Debtor shall assemble the Collateral and make it available to the Bank at such reasonable location which the Bank shall select, whether at the Debtor's premises or elsewhere, and make available to the Bank, without rent, all of the Debtor's premises and facilities for the purpose of the Bank's taking possession of, removing or putting the Collateral in saleable or disposable form. The proceeds of any such sale, lease or other disposition of the Collateral shall be applied first, to the expenses of retaking, holding, storing, processing and preparing for sale, selling, and the like, and to the reasonable attorneys' fees and legal expenses incurred by the Bank in attempting to collect the Obligations or enforce this Agreement or in the prosecution or defense of any action or proceeding related to the subject matter of this Agreement, and then to satisfaction of the Obligations, and to the payment of any other amounts required by applicable law, after which the Bank shall account to the Debtor for any surplus proceeds. If, upon the sale, lease or other disposition of the Collateral, the proceeds thereof are insufficient to pay all amounts to which the Bank is legally entitled, the Debtor will be liable for the deficiency, together with interest thereon at the rate prescribed herein, and the reasonable fees of any attorneys employed by the Bank to collect such deficiency. To the extent permitted by applicable law, the Debtor waives all claims, damages and demands against the Bank arising out of the repossession, removal, retention or sale of the Collateral other than those resulting from the wilful misconduct or gross negligence of the Bank.

14. Costs and Expenses.

Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys'

fees and legal expenses incurred by the Bank, in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of financing statements and other documents (including all taxes in connection herewith) in public offices, the payment or discharge of any taxes, insurance premiums, encumbrances or otherwise protecting, maintaining or preserving the Collateral, the release or partial release of Collateral from the lien of this Agreement, or the enforcing, foreclosing, retaking, holding, storing, processing, selling or otherwise realizing upon the Collateral and the Bank's security interest therein, whether through judicial proceedings or otherwise, or in defending or prosecuting any actions or proceedings arising out of or related to the transaction to which this Agreement relates, shall be borne and paid by the Debtor on demand to the Bank.

15. Power of Attorney.

The Debtor authorizes the Bank and does hereby make, constitute and appoint the Bank, and any officer of the Bank, with full power of substitution, as the Debtor's true and lawful attorney-in-fact, effective as of the date hereof but exercisable only upon the occurrence and during the continuance of any Event of Default, with power, in its own name or in the name of the Debtor, to endorse any notes, checks, drafts, money orders, or other instruments of payment (including payments payable under or in respect of any policy of insurance) in respect of the Collateral that may come into possession of the Bank; to sign and endorse any invoice, freight or express bill, bill of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with accounts, and other documents relating to Collateral; to receive, open and dispose of all mail from Lessees addressed to the Debtor and notify the Post Office authorities to change the address for delivery of mail addressed to the Debtor to such address as the Bank may designate; to execute proofs of claim and loss; to pay or discharge taxes, liens, security interests or other encumbrances at any time levied or placed on or threatened against the Collateral; to demand, collect, receipt for, compromise, settle and sue for monies due in respect of the Collateral or under insurance policies; and, generally, to do, at the Bank's option and at the Debtor's expense, all acts and things which the Bank reasonably deems necessary to protect, preserve and realize upon the Collateral and the Bank's security interest therein in order to effect the intent of this Agreement all as fully and effectually as the Debtor might or could do; and the Debtor hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof other than the wilful misconduct or gross negligence of the Bank. This power of attorney being coupled with an interest shall be irrevocable for

the term of this Agreement and thereafter as long as any of the Obligations shall be outstanding.

16. Notices.

Unless otherwise specified herein to the contrary, any notice required hereunder shall be deemed duly given when actually delivered, or when mailed by certified or registered mail, return receipt requested, in each case to the address of the Debtor or the Bank specified above or to any other address of such party of which the other party has been notified in like manner.

17. Other Security.

To the extent that the Obligations are now or hereafter secured by property other than the Collateral or by the guarantee, endorsement or property of any other person, firm, corporation or other entity, then the Bank shall have the right in its sole discretion to pursue, relinquish, subordinate, modify or take any other action with respect thereto, without in any way modifying or affecting any of the Bank's rights and remedies hereunder. The Bank's prior recourse to any Collateral shall not constitute a condition of any demand, suit or proceeding for payment of the Obligations.

18. Intentionally Deleted.

19. Representations and Warranties.

In order to induce the Bank to enter into this Agreement and to make the Loans as herein provided for, the Debtor makes the following representations and warranties which shall survive the execution and delivery of this Agreement and the Note:

(a) The Debtor is a duly organized and validly existing corporation in good standing under the laws of the State of New Jersey, with perpetual corporate existence, and has the corporate power and authority to own its properties and to transact the business in which it is engaged or presently proposes to engage. The Debtor is duly qualified as a foreign corporation and in good standing in all states where its failure to so qualify would have a material adverse effect on its business or financial condition.

(b) Schedule 19(b) annexed hereto correctly sets forth the name of each Subsidiary in existence on the date hereof, its state of incorporation and a statement of the outstanding capitalization and the ownership of its stock. Each of the Subsidiaries is a duly organized and validly existing corporation and in good standing under the laws of its state of

incorporation, and is duly qualified as a foreign corporation, and in good standing in all states where its failure to so qualify would have a material adverse effect on its business or financial condition.

(c) The Debtor has the corporate power to borrow and to execute, deliver and carry out the terms and provisions of this Agreement, the Note and all instruments and documents delivered by it pursuant to this Agreement, and the Debtor has taken or caused to be taken all necessary corporate action (including, but not limited to, the obtaining of any consent of stockholders required by law or by the Articles or Certificate of Incorporation or bylaws of the Debtor or any Subsidiary) to authorize the execution, delivery and performance of this Agreement, the borrowings hereunder, the making and delivery of the Note, and the execution, delivery and performance of the instruments and documents delivered by it pursuant to this Agreement.

(d) Neither the Debtor nor any Subsidiary is in default in any material respect under any indenture, mortgage, deed of trust, agreement or other instrument to which it is a party or by which it may be bound. Neither the execution and delivery of this Agreement, the Note or any of the instruments and documents to be delivered pursuant to this Agreement, nor the consummation of the transactions herein and therein contemplated, nor compliance with the provisions hereof or thereof will violate any law or regulation, or any order or decree of any court or governmental instrumentality, or will conflict with, or result in the breach of, or constitute a default under, any indenture, mortgage, deed of trust, agreement or other instrument to which the Debtor or any Subsidiary is a party or by which any of them may be bound, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property of the Debtor or any Subsidiary thereunder (except for the liens provided for herein), or violate any provision of the Articles or Certificate of Incorporation, bylaws or any preferred stock provisions of the Debtor or any Subsidiary.

(e) This Agreement, the Note and each of the other instruments and documents executed by the Debtor and delivered to the Bank pursuant to this Agreement constitute the legal, valid and binding obligations of the Debtor and are enforceable in accordance with their respective terms; provided, however, that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws, now or hereafter in effect, relating to or affecting the enforcement of creditors' rights generally.

(f) There are no actions, suits or proceedings pending, or to the knowledge of the Debtor threatened, against

or affecting the Debtor or any Subsidiary before any court, arbitrator or governmental or administrative body or agency which might result in any material adverse change in the business, operations, properties or assets or in the condition, financial or otherwise, of the Debtor and its Subsidiaries taken as a whole. Neither the Debtor nor any Subsidiary is in default in any material respect under any applicable statute, rule, order, decree or regulation of any court, arbitrator or governmental body or agency having jurisdiction over the Debtor or any Subsidiary.

(g) The consolidated balance sheet of the Debtor and its Subsidiaries as at December 31, 1988, and the related consolidated statement of income and surplus account of the Debtor and its Subsidiaries for the fiscal year ended on said date, including in each case the related schedules and notes, certified by Laventhol & Horwath, independent public accountants, and heretofore delivered to the Bank, are all true and correct and present fairly (i) the financial position of the Debtor and its Subsidiaries as at the date of such balance sheet, and (ii) the results of the operations of the Debtor and its Subsidiaries for said fiscal year. The consolidated balance sheet of the Debtor and its Subsidiaries as at April 30, 1989, and the related consolidated statement of income of the Debtor and its Subsidiaries for the three month period ended on such date, including in each case the related schedules and notes, certified by the chief accounting officer of the Debtor and heretofore delivered to the Bank, are all true and correct and present fairly, subject to normal recurring year-end audit adjustments, (i) the financial position of the Debtor and its subsidiaries as at such date, and (ii) the results of the operations of the Debtor and its Subsidiaries for such period. Neither the Debtor nor any of its Subsidiaries had any material direct or contingent liabilities as of such dates which are not provided for or reflected in such balance sheets or referred to in the notes thereto. All such financial statements have been prepared in accordance with generally accepted accounting principles applied on a basis consistently maintained throughout the period involved. There has been no material adverse change in the assets, liabilities, properties, business and condition, financial or otherwise, of the Debtor and its Subsidiaries since April 30, 1989.

(h) The Debtor and its Subsidiaries have filed all tax returns which are required to be filed, and have, except to the extent such taxes are being diligently contested in good faith and the Debtor has established appropriate reserves therefor, paid all taxes which have become due pursuant to such returns or pursuant to any assessment received by them.

(i) No action of, or filing with, any United States governmental or public body or authority (other than normal

reporting requirements or filing of financing statements under the Uniform Commercial Code or the filing of this Agreement under the Interstate Commerce Act) is required to authorize, or is otherwise required in connection with, the execution, delivery and performance of this Agreement, the Assignment, the Note, or any of the instruments or documents to be delivered pursuant to this Agreement.

(j) Neither the Schedules hereto, nor the financial statements referred to in Section 19(g), nor any certificate, statement, report or other document furnished to the Bank by the Debtor in connection herewith or in connection with any transaction contemplated hereby, nor this Agreement contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements contained therein not misleading.

(k) The proceeds of the borrowings made pursuant to this Agreement will be used by the Debtor only for the purposes set forth in Section 2 hereof. None of the proceeds will be used, directly or indirectly, for the purpose of purchasing or carrying any "margin stock" as such term is defined in Regulation U, as amended (12 C.F.R. Part 221) issued by the Board of Governors of the Federal Reserve System (the "Board") or for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry margin stock or for any other purpose which might constitute any of the loans under this Agreement a "purpose credit" within the meaning (and interpretation of) of said Regulation U or Regulation X (12 C.F.R. Part 224) of the Board. Neither the Debtor nor any Subsidiary nor any agent acting in its or on their behalf has taken or will take any action which might cause this Agreement or any of the documents or instruments delivered pursuant hereto to violate any regulation of the Board or to violate the Securities Exchange Act of 1934.

(l) The Debtor is not an "investment company" as such term is defined in the Investment Company Act of 1940, as amended (15 U.S.C. Section 80a1, et seq.). Assuming the accuracy of the Bank's representations set forth in Section 21(i) hereof the acquisition of the Note by the Bank, the application of the proceeds and repayment thereof by the Debtor and the performance of the transactions contemplated by this Agreement will not violate any provision of said Act, or any rule regulation or order issued by the Securities and Exchange Commission thereunder.

(m) None of the employee benefit plans maintained at any time by the Debtor or any Subsidiary or the trusts created thereunder have engaged in a prohibited transaction which could subject any such employee benefit plan or trust to a material tax or penalty on prohibited transactions imposed under Code

Section 4975 or ERISA. None of the employee benefit plans maintained at any time by the Debtor or any Subsidiary which are employee pension benefit plans, or the trusts created thereunder, have been terminated; nor has any such employee benefit plan incurred any liability to the Pension Benefit Guaranty Corporation established pursuant to ERISA, other than for required insurance premiums which have been paid when due, or incurred any accumulated funding deficiency, whether or not waived; nor has there been any reportable event, or other event or condition, which presents a risk of termination of any such employee benefit plan by such Pension Benefit Guaranty Corporation. The present value of all accrued benefits under the employee benefit plans maintained at any time by the Debtor or any Subsidiary which are employee pension benefit plans did not, as of the most recent valuation date, exceed the then current value of the assets of such employee benefit plans allocable to such accrued benefits by more than Forty-One Million Dollars based upon the actuarial assumptions used in the plan. The consummation of any of the Loans will not involve any prohibited transaction. As used herein, the terms "employee benefit plan," "employee pension benefit plan," "accumulated funding deficiency," "reportable event," and "accrued benefits" shall have the respective meanings assigned to them in ERISA, and the term "prohibited transaction" shall have the meaning assigned to it in Code Section 4975 and ERISA.

20. Intentionally Deleted.

21. Miscellaneous.

(a) Beyond the safe custody thereof and its obligations as a secured creditor under applicable law, the Bank shall have no duty as to the collection of any Collateral in its possession or control or in the possession or control of any nominee of the Bank, or any income thereon or as to the preservation of rights against parties or any other rights pertaining thereto. The Debtor hereby releases the Bank from any claims, causes of action and demands at any time arising out of or with respect to this Agreement (except for Section 2 hereof), the Obligations, the Collateral and its use and/or any actions taken or omitted to be taken by the Bank with respect thereto, except for any actions taken or omitted to be taken due to the gross negligence or willful misconduct of the Bank, and the Debtor hereby agrees to hold the Bank harmless from and with respect to any and all such claims, causes of action and demands.

(b) No course of dealing between the Debtor and the Bank, nor any failure to exercise, nor any delay in exercising, on the part of the Bank, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or

privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

(c) All of the Bank's rights and remedies with respect to the Collateral, whether established hereby or by any other agreements, instruments or documents or by law shall be cumulative and may be exercised singly or concurrently.

(d) This Agreement shall be governed by the law of the State of New York applicable to contracts made and to be performed in such State. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

(e) This Agreement is subject to modification only by a writing signed by the Bank and the Debtor.

(f) The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Debtor and the Bank; provided, however, that the rights and obligations of the Debtor under this Agreement shall not be assigned or delegated without the prior written consent of the Bank, and any purported assignment or delegation without such consent shall be void. The Bank may assign all or a portion of its rights, interests and obligations under this Agreement and the other Security Documents and further may assign, or sell participations in, all or any part of its Loans or any other interest herein to another bank or other entity, in which event (i) in the case of an assignment of the Loans by the Bank, upon notice thereof by the Bank to the Debtor, (x) the assignee shall be a party hereto and have, to the extent of such assignment (unless otherwise provided therein), the same rights and benefits of the Bank hereunder and the holder of the Note and (y) the Bank shall be released from its obligations under this Agreement (to the extent of such assignment), and (ii) in the case or participation, the participant shall not have any rights under this Agreement or the Note or any other Security Document (the participant's rights against the Bank in respect of such participation to be those set forth in the agreement executed by the Bank in favor of the participant relating thereto). The Bank may furnish any information concerning the Debtor in the possession of the Bank from time to time to assignees and participants (including prospective assignees and participants). The Bank shall not disclose any non-public information concerning the Debtor to any prospective assignee or participant unless such prospective

assignee or participant shall have first agreed to maintain the confidentiality thereof.

(g) In the event that the Bank shall retain or engage an attorney or attorneys to collect or enforce or protect its interests with respect to this Agreement, any other Security Document, the Note or any instrument or document delivered pursuant to this Agreement, or to protect the rights of any holder or holders with respect thereto, the Debtor shall pay all of the costs and expenses of such collection, enforcement or protection, including reasonable attorneys' fees, and the Bank or the holder of the Note, as the case may be, may take judgment for all such amounts, in addition to the unpaid principal balance of the Note and accrued interest thereon.

(h) The Debtor hereby waives trial by jury in any litigation in any court with respect to, in connection with, or arising out of this Agreement, or the Note, or any instrument or document delivered pursuant to this Agreement, or the validity, protection, interpretation, collection or enforcement thereof, or any other claim or dispute relating to this Agreement or the transactions contemplated hereby, between the Debtor, or the Bank; and the Debtor hereby waives the right to interpose any setoff or counterclaim or crossclaim in connection with any such litigation, irrespective of the nature of such setoff, counterclaim or crossclaim, unless such setoff, counterclaim or crossclaim could not, by reason of any applicable Federal or State procedural laws, be interposed, pleaded or alleged in any other action.

(i) The Debtor represents and warrants that neither the Debtor, nor any agent acting on its behalf, has, either directly or indirectly, offered the Note for sale to, or solicited any offer to buy the Note from, or otherwise negotiated in respect thereof with, anyone other than the Bank, and agrees that no such offer to sell, or to buy the Note, or any solicitation thereof will be made to or with any person so as to bring the issuance or sale thereof within the provisions of Section 5 of the Securities Act of 1933, as amended. The Bank represents and warrants that it is making the Loan made by it hereunder for its own account and not with any present intention of making any public offering or effecting any distribution of the Note, but the Bank reserves the right to transfer the Note (in accordance with applicable law) if, at any future date, the Bank shall deem it advisable to do so. The representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Note.

(j) The Debtor hereby irrevocably consents to the jurisdiction of the Courts of the State of New York and of any

Federal Court located in such State in connection with any action or proceeding arising out of or relating to this Agreement, any other Security Document, the Note, or any document or instrument delivered pursuant to this Agreement. In any such litigation the Debtor waives personal service of any summons, complaint or other process and agrees that the service thereof may be made by certified or registered mail directed to the Debtor at c/o Trans World Airlines, 100 South Bedford Road, Mt. Kisco, New York 10549.

(k) This Agreement may be executed by the parties hereto individually or in any combination, in one or more counterparts, each of which shall be an original and all of which shall together constitute one and the same agreement.

22. Term of Agreement; Release of Collateral.

(a) The term of this Agreement shall commence on the date hereof and this Agreement shall continue in full force and effect, and be binding upon the Debtor, until all of the Obligations have been fully paid and performed and such payment and performance has been acknowledged in writing by the Bank, whereupon this Agreement shall completely terminate. Upon such payment and performance, the Bank will promptly deliver to Debtor the written acknowledgment thereof referred to above.

(b) At any time and from time to time so long as an Event of Default is not continuing hereunder, the Bank shall take such actions as may be requested by the Debtor in order to release Collateral consisting of railroad rolling stock from the lien of this Agreement; provided, however, that in no event shall such Collateral be released from the lien hereunder if after such release the outstanding principal balance of the Loans would be greater than 85% of the Cost of Collateral consisting of railroad rolling stock subject to the lien of this Agreement.

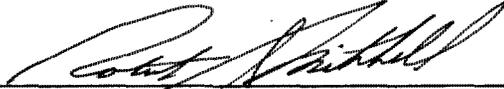

23. Eligibility and Replacement of Collateral. All Collateral shall at all times be satisfactory to the Bank in all respects. No railroad rolling stock which is more than twelve months old shall be eligible for consideration as part of the Collateral hereunder. To the extent that any of the Collateral consisting of railroad rolling stock subsequently becomes ineligible or is deemed by the Bank to be unsatisfactory pursuant to this Section 23, such Collateral

shall be immediately replaced with railroad rolling stock which is satisfactory to the Bank in all respects.

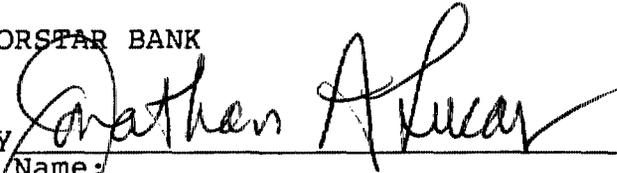

WITNESS the execution hereof as of the day and year first above written.

AMENDED AND RESTATED PROMISSORY NOTE

\$20,000,000.00

New York, New York
June __, 1989

FOR VALUE RECEIVED, the undersigned, ACF INDUSTRIES INCORPORATED, a New Jersey corporation (the "Borrower"), promises to pay to the order of NORSTAR BANK, a New York banking corporation (the "Bank"), the principal sum of Twenty Million Dollars and 00/100 Dollars (\$20,000,000.00) (or such lesser amount as shall equal the aggregate unpaid principal amount of the Loans made by the Bank under and pursuant to the Loan Agreement referred to below) in lawful money of the United States of America, on demand, and to pay interest on the unpaid principal amount hereof until maturity in like money at such office or place at a rate equal to one-eighth of one percent (1/8%) per annum in excess of the peg lending rate announced by Norstar Bank from time to time as its peg rate of interest (the "Peg Rate"), which interest rate shall change when and as the Peg Rate shall change, and after maturity (whether by acceleration, demand or otherwise) at a rate equal to two and one-eighth percent (2-1/8%) per annum in excess of the Peg Rate (the "Post Maturity Rate"), which rate shall change as aforesaid; provided, however, that the Post Maturity Rate shall not become applicable hereto until two days after such date of maturity. Interest on this Amended and Restated Promissory Note shall be payable in arrears monthly on the first day of each month commencing July 1, 1989, at maturity, and thereafter upon demand, and shall be calculated on the basis of a 360-day year and actual days. In no event shall the rate of interest on this Amended and Restated Promissory Note exceed the maximum rate authorized by applicable law.

This Amended and Restated Promissory Note is issued in substitution and exchange for the Promissory Note dated December 31, 1988 by the Borrower to the order of the Bank in the principal amount of \$30,000,000 and pursuant to an Amended and Restated Bridge Loan, Chattel Mortgage and Security Agreement dated June __, 1989 (the "Loan Agreement"), between, inter alia, the Borrower and the Bank. Reference is made to the Loan Agreement for required and optional payments and prepayments and rights of the holder hereof to accelerate the unpaid balance hereof prior to maturity.

This Amended and Restated Promissory Note is secured by the Loan Agreement and the assignments and other agreements, instruments and documents referred to in the Loan Agreement,

all as more particularly described and provided therein, and is entitled to the benefits thereof.

The Borrower hereby waives diligence, demand, presentment, protest and notice of any kind, and assents to extensions of the time of payment, release, surrender or substitution of security, or forbearance or other indulgence, without notice.

The Bank has been authorized by the Borrower to record on the schedule annexed to this Amended and Restated Promissory Note (or on a supplemental schedule thereto) the amount of each Loan made by the Bank under the Loan Agreement and the amount of each payment or prepayment of principal of each such Loan received by the Bank, it being understood however that failure to make any such notation shall not affect the rights of the Bank or the obligations of the Borrower hereunder or under the Loan Agreement in respect of such Loans.

Payments of both principal and interest on this Amended and Restated Promissory Note are to be made to the Bank at its office at 40 Main Street, Hempstead, New York 11511, or such other place as the Bank may from time to time designate, in lawful money of the United States of America in immediately available funds.

This Amended and Restated Promissory Note may not be changed, modified or terminated orally, but only by an agreement in writing signed by the party to be charged.

This Amended and Restated Promissory Note shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed in such State, and shall be binding upon the successors and assigns of the Borrower and inure to the benefit of the Bank and its successors and assigns.

IN WITNESS WHEREOF, the Borrower has executed and delivered this Amended and Restated Promissory Note on the date first above written.
