## SECTION 2. AMOUNT AND TERMS OF LOAN

2.1 The Loan. In consideration for the delivery of the Loan Documents, and subject to the terms and conditions of this Agreement, the Lender shall make a loan to the Company in the principal amount of THREE HUNDRED SEVENTY-FIVE THOUSAND AND NO/100 DOLLARS (\$375,000.00).

2.2 Use of Proceeds. The Company will use the proceeds of the Loan to (i) pay and satisfy the outstanding principal loan balance applicable to the Tank Cars with respect to a Loan Agreement by and between Commercial National Bank of Chicago and the Company; (ii) purchase data processing equipment and develop related software for the purpose of managing a large fleet of railroad cars; and (iii) cover costs with respect to expanding the Company's Rail Car Management Program.

2.3 The Note. The Loan shall be evidenced by a secured promissory note of the Company substantially in the form of Exhibit A hereto with appropriate insertions therein. The Note shall (a) be dated as of the date of disbursement of funds hereunder, (b) be in the principal amount of the Loan, (c) bear interest on the unpaid principal amount thereof from the date thereof at a rate equal to three percent 3% in excess of the disclosed prime commercial loan rate for short-term borrowing in effect from time to time at the Continental Illinois National Bank of Chicago (calculated on the basis of a 360-day year of twelve 30-day months), the interest rate of this Note to change when and as any change occurs in such prime commercial loan rate, and (d) be payable in 96 consecutive monthly installments of principal and interest, commencing on the first day of the second calendar month after the date of the Note and on the first day of each calendar month thereafter. Each installment shall include a payment of principal equal to one ninety-sixth (1/96) of the original principal amount of the Note (which payment shall equal THREE THOUSAND NINE HUNDRED SIX AND 25/100 Dollars (\$3,906.25)) plus interest on the unpaid principal amount computed from the due date of the previous installment, provided that, in any event, the 96th installment shall be in an amount sufficient to pay in full all accrued interest on, and the entire unpaid principal amount of, the Note. Installments received with respect to the Note shall be applied first to the payment of interest then due and then to the payment of principal.

2.4 Voluntary Prepayment With Premium. On any one Installment Payment Date the Company may with the written permission of the Lender, upon notice as provided in Subsection 2.6 hereof, prepay the then outstanding principal amount of the Note in whole or in part, provided that simultaneously with such prepayment the Company pays to the Lender (i) accrued interest on the outstanding principal amount of the Note to the date of such prepayment and (ii) a premium equal to: 2% of the amount of such prepayment if such prepayment is made within 12 months of the date hereof, or 1% of the amount of such prepayment if such prepayment is made after 12 months but before 24 months after the date hereof. Notwithstanding the foregoing, the Company may prepay all or any portion of the outstanding principal balance of the Note at any time, without premium, if such prepayment is made from the operating capital of the Company and is not the result of any replacement loan, syndication or other refinancing of the Collateral. Except as otherwise provided in this Subsection 2.4, the Note may not be voluntarily prepaid.

2.5 Prepayment for Casualty Occurrence or Transfer. In the event that any Unit shall suffer a Casualty Occurrence and the Company shall not replace such Unit pursuant to Subsection 6.16 hereof, the Company will prepay the Note without premium in accordance with the provisions of said Subsection 6.16. In the event that the Company desires to transfer any Unit by sale, gift, assignment or otherwise to any other entity, whether related or

not, other than by lease in the normal course of business, the Company shall first obtain the written approval of Lender. Any request for approval shall be in writing and shall specify the Unit(s) to be sold, the price of each such Unit, and the proposed date of transfer. Upon effecting such transfer, the Company shall immediately prepay an amount equal to the unpaid principal balance of the Note multiplied by a fraction, the numerator of which is the number of Units or Replacement Units being transferred and the denominator of which is the aggregate number of Units and Replacement Units remaining in the Collateral immediately before such transfer. The Lender agrees that, upon a transfer in accordance with this Subsection 2.5, it will release its security interest in the Units so transferred, without recourse to or warranty by the Lender.

2.6 Notice of Prepayment. The Company shall give written notice to the Lender of any prepayment of the Note not less than 10 days nor more than 30 days before the date fixed for such prepayment (which shall be an Installment Payment Date if the prepayment is to be made pursuant to Subsection 2.4 hereof), (b) the Subsection hereof under which such prepayment is to be made, (c) the principal amount of the Note to be prepaid, and (d) the premium, if any, and accrued interest applicable to such prepayment. Such notice of prepayment shall also certify all facts which are conditions precedent to such prepayment, including, if such prepayment is to be made pursuant to Subsection 2.5 hereof, the calculations used in determining the unpaid principal amount of the Note to be prepaid. Upon the giving of such notice, the unpaid principal amount of the Note to be prepaid, together with the premium, if any, and accrued interest thereon, shall become due and payable on the date fixed for such prepayment.

2.7 Adjustment of Installments. In the event any partial prepayment of the Note is made pursuant to Subsection 2.4 or 2.5 hereof, each installment of principal due and payable under the Note after such partial prepayment shall be reduced in the same proportion as the then outstanding principal amount of the Note shall have been reduced by such partial prepayment.

2.8 Computation of Interest. Interest on the Note shall be calculated on the basis of a 360-day year of twelve 30-day months. All payments (including prepayments) by the Company on account of the Principal of, premium, if any, and interest on the Note shall be made to the Lender at its offices at 4753 North Broadway, Chicago, Illinois (or at such other place as the Lender shall notify the Company in writing), in lawful money of the United States of America. If any such payment becomes due and payable on a day that is not a Business Day, the maturity thereof shall be extended to the next succeeding business Day.

(e) The execution, delivery and performance by the Guarantor of this Guaranty will not violate any provision of any existing law or regulation to which the Guarantor is subject or of any order, judgment, award or decree of any court, arbitrator or governmental authority applicable to the Guarantor or of the Articles of Incorporation, By-Laws or any preferred stock provision of the Guarantor or of any mortgage, indenture, contract or other agreement to which the Guarantor is a party or which is or purports to be binding upon the Guarantor or any of its properties or assets, and will not constitute a default thereunder, and will not result in the creation or imposition of any lien, charge or encumbrance on, or security interest in, any of the properties or assets of the Guarantor or any of its subsidiaries. The Guarantor is not in default in the performance or observance of any of the obligations, covenants or conditions contained in any bond, debenture or note, or in any mortgage, deed of trust, indenture or loan agreement, of the Guarantor.

(f) There are no actions, suits or proceedings (whether or not purportedly on behalf of the Guarantor) pending or, to the knowledge of the Guarantor, threatened against the Guarantor or any of its subsidiaries or any of their respective properties or assets in any court or before any arbitrator of any kind or before or by any governmental body, which (i) relate to any of the transaction contemplated by this Guaranty or the Loan Agreement, or (ii) would, if adversely determined, materially impair the right or ability of the Guarantor to carry on its business substantially as now conducted and presently proposed to be conducted, or (iii) would, if adversely determined, have a material adverse effect on the operating results or on the condition, financial or other, of the Guarantor or any of its subsidiaries. The Guarantor is not in default with respect to any order, judgment, award, decree, rule or regulation of any court, arbitrator or governmental body.

(g) The consolidated financial statements of the Guarantor and its subsidiaries as of December 31, 1985, and for the three years then ended, certified by Morris R. Zeigler & Company, copies of which have heretofore been delivered to the Lender, are complete and correct, present fairly the consolidated financial position of the Guarantor and its subsidiaries as of their respective dates and the results of their

operations for the respective periods covered thereby, and have been prepared in accordance with generally accepted accounting principles consistently applied. There has been no material adverse change in the condition, financial or other, of the Guarantor since December 31, 1985.

(h) The Guarantor and each of its subsidiaries have filed all Federal, state and local tax returns and declarations of estimated tax which are required to be filed and has paid all taxes which have become due pursuant to any assessments made against it, and the Guarantor has no knowledge of any deficiency or additional assessments in connection therewith not adequately provided for on the books of the Guarantor or the applicable subsidiary. In the opinion of the Guarantor, all tax liabilities of the Guarantor and its subsidiaries were adequately provided for as of December 31, 1985, and are now so provided for, on the books of the Guarantor and its subsidiaries.

(i) Since December 31, 1985, the business, operations, properties and assets of the Guarantor and its subsidiaries have not been materially and adversely affected in any way as the result of any fire, explosion, earthquake, disaster, accident, labor disturbance, requisition or taking of property by governmental authority, flood, drought, embargo, riot, civil disturbance, uprising, activity of armed forces, or act of God or the public enemy.

(j) The Guarantor is not a party to any agreement or instrument, or subject to any charter or other corporate restriction or to any judgment, order, writ, injunction, decree, award, rule or regulation, which does or will materially and adversely effect the business, operations, properties or assets or the condition, financial or other, of the Guarantor.

(k) The Guarantor owns of record and beneficially eighty percent (80%) of the issued and outstanding capital stock of the Company.

7. The Guarantor covenants and agrees that it will furnish to the Lender (a) as soon as available, but in any event not later than 120 days after the end of each fiscal year of the Guarantor, a consolidated balance sheet of the Guarantor and its subsidiaries as of the end of such fiscal year and the

related statement of income and of changes in financial position of the Guarantor and its subsidiaries for such fiscal year, all in reasonable detail, prepared in accordance with generally accepted accounting principles applied on a basis consistently maintained throughout such fiscal year and accompanied by a report or opinion of independent public accountants of recognized standing selected by the Guarantor and satisfactory to the Lender; (b) as soon as available, but in any event not later than 90 days after the end of each quarter, other than the last, of each fiscal year of the Guarantor, an unaudited consolidated balance sheet of the Guarantor and its subsidiaries as of the end of such quarter and the related unaudited consolidated statements of income and of changes in financial position of the Guarantor and its subsidiaries for the period from the beginning of such fiscal year to the end of such quarter, all in reasonable detail, prepared in accordance with generally accepted accounting principles applied on a basis consistently maintained throughout the period involved and certified by the chief financial officer of the Guarantor (subject to normal year-end audit adjustments); and (c) promptly upon request, such additional financial information with respect to the Guarantor as the Lender may from time to time reasonably require.

8. This Guaranty shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Lender upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment had not been made.

9. No failure or delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right hereunder and under the Note, and any other collateral security document or guarantee therefor shall be cumulative and may be exercised singly or concurrently and are not exclusive of any rights or remedies permitted by law.

10. Should the Lender obtain similar guarantees from additional persons pursuant to the Loan Agreement, the obligations and liabilities of Guarantor to Lender hereunder shall be unaltered, and all Guarantors under the Loan Agreement shall be jointly and severally liable for the full amount of any deficiencies due Lender under the Loan Agreement or Note according to the terms hereof.

11. This Guaranty may not be waived, altered, modified or amended except in writing duly signed by the

Lender. This Guaranty and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Illinois.

12. All terms defined in the Loan Agreement and used herein shall have the meanings assigned to them therein unless the context requires otherwise.

IN WITNESS WHEREOF, the Guarantor has caused this Guaranty to be duly executed and delivered by its duly authorized officer on the day and year first above written.

Re: Temco Leasing Company \$375,000.00  
Working Capital Loan

Dear Sirs:

We have been asked by Temco Corporation ("Temco") and Temco Leasing Company ("Temco Leasing"), Illinois corporations, with respect to the above-captioned transaction, to render the following opinion with respect to matters within our knowledge as general counsel for Temco and Temco Leasing.

In that regard, we have examined the following documents with respect to such transaction (such documents hereinafter collectively referred to as the "Documents"), and have made such inquiry and examined such other documents as we feel appropriate for the rendering of this opinion:

1. Loan and Security Agreement dated as of \_\_\_\_\_, 1986 by and between Temco Leasing and Uptown National Bank of Chicago (the "Bank").
2. Negotiable Promissory Note in the face amount of \$2 million, dated \_\_\_\_\_, 1986 made by Temco Leasing in favor of the Bank.
3. A Certificate from Temco Leasing, dated \_\_\_\_\_, 1986, attaching certain corporation documents and resolutions of the Board of Directors of Temco Leasing.
4. Certificate, dated \_\_\_\_\_, 1986 attaching various organization documents and resolutions of the Board of Directors of Temco.

5. A Certificate, dated \_\_\_\_\_, 1986, by Temco Leasing certifying to the continuing validity of certain Leases and stating that Temco Leasing is aware of no current defaults under same.
6. Incumbency Certificate, dated \_\_\_\_\_, 1986, of the officers of Temco Leasing.
7. Incumbency Certificate, dated \_\_\_\_\_, 1986 of the officers of Temco.
8. Guarantee, dated \_\_\_\_\_, 1986, executed by Temco in favor of the Bank.
9. Certificate of Temco Leasing, dated \_\_\_\_\_, 1986, certifying that certain representations in the Loan and Security Agreement remain true and correct, that all of the Tank Cars have been delivered and accepted by Temco leasing, that Temco Leasing is vested with valid and legal title

to and is the lawful owner of the Tank Cars and that the Tank Cars have been leased as indicated in the Loan and Security Agreement.

10. Certificates of Good Standing, signed by the Secretary of State of Illinois, dated \_\_\_\_\_, 1986, for Temco and Temco Leasing.

Terms used herein which are defined in the Loan and Security Agreement shall have the respective meanings set forth in such Agreement, unless otherwise defined herein.

Based upon the foregoing, I am of the opinion that:

1. Temco is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois. Temco is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction in which the conduct of its business or the ownership of its properties requires such qualification.

2. Temco Leasing is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois. Temco Leasing is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction in which the conduct of its business or the ownership of its property requires such qualification.
  
3. Temco has the corporate power and authority to own its properties and to transact the business which it is presently engaged and to execute, deliver and perform such of the Documents as it has executed and to take such action as may be necessary to complete the transactions contemplated by such Documents, and Temco has taken all necessary corporate action to authorize the execution, delivery and performance of the Documents.
  
4. Temco Leasing has the corporate power and authority to own its properties and to transact the business in which it is presently engaged and to execute, deliver and

perform such of the Documents as it has executed and to take such action as may be necessary to complete the transactions contemplated by such Documents, and Temco Leasing has taken all necessary corporate action to authorize the execution, delivery and performance of the Documents.

5. The Documents have been duly authorized, executed and delivered by Temco and/or Temco Leasing, as appropriate, and constitute legal, valid and binding obligations of Temco and/or Leasing, as executed thereby, enforceable in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and/or similar laws affecting the enforcement of creditors' rights generally.
  
6. No consent of any other party (including the stockholders of Temco or Temco Leasing) and no consent, license, permit, approval or

authorization of, exemption by, or registration or declaration with, any governmental authority, is required in connection with the execution, delivery, performance, validity or enforceability of the documents.

7. The execution, delivery and performance by Temco and/or Temco Leasing of the Documents will not violate any provision of, or constitute a default under, in the existing law or regulation to which one or both is subject, or any order judgment, award or decree of any court, arbitrator or governmental authority applicable to Temco and/or Temco Leasing, or the Articles of Incorporation, the Bylaws or any preferred stock provision of Temco and/or Temco Leasing, or any mortgage, indenture, contract or other agreement to which Temco and/or Temco Leasing is a party or which is binding upon Temco and/or Temco Leasing or any of their properties or assets, and will not result in the creation or imposition of any

lien (other than the lien and security interest created by the Documents) on any of the properties or assets of Temco and/or Temco Leasing pursuant to the provisions of any such mortgage, indenture, contract, or other agreement.

8. To the best of my knowledge (having made due inquiry), there are no actions, suits or proceedings (whether or not purportedly on behalf of Temco and/or Temco Leasing) pending or threatened against Temco and/or Temco Leasing or any of their properties or assets in any court or before any arbitrator or before any governmental body, which (i) relate to any of the Collateral or to any of the transactions contemplated by the Documents, or (ii) would, if adversely determined, materially impair the right or ability of Temco and/or Temco Leasing to carry on their businesses substantially as now conducted, or (iii) would, if adversely determined, have a material adverse affect on

the respective operating results or on the respective condition, by natural or other, of Temco and/or Temco Leasing.

The foregoing opinion is qualified to the extent that the enforceability of the Documents may be limited by bankruptcy or insolvency or other laws affecting creditors' rights generally. This opinion is given only with regard to the matters set forth herein, and no other opinions are intended or may be inferred herefrom.

We are furnishing this opinion directly to the above referenced parties solely for their use in evaluation the transactions contemplated by the Documents. This opinion is not to be used, circulated or quoted or otherwise referred to by the addressees or any other person, except as provided herein, without our prior written consent. This opinion is based on facts as they exist on the date hereof, and makes no representations and expresses no opinion as to facts which may exist in the future.

Very truly yours,

PETERSON, ROSS, SCHLOERB & SEIDEL

NEGOTIABLE PROMISSORY NOTE

\$375,000.00

Lake Bluff, Illinois  
\_\_\_\_\_, 1986

FOR VALUE RECEIVED, TEMCO LEASING COMPANY, an Illinois corporation (the "Company"), hereby promises to pay to the order of UPTOWN NATIONAL BANK OF CHICAGO (the "Payee") at its office located at 4753 North Broadway, Chicago, Illinois, in lawful money of the United States of America, the principal amount of THREE HUNDRED SEVENTY-FIVE THOUSAND (\$375,000.00), and to pay interest on the unpaid principal amount hereof, in like money, from the date hereof at a rate equal to Three Percent (3%) in excess of the disclosed prime commercial loan rate for short-term borrowing in effect from time to time at the Continental Illinois National Bank (calculated on the basis of a 360-day year of twelve 30-day months), the interest rate of this Note to change when and as any change occurs in such prime commercial loan rate. Such principal and interest shall be due and payable in 96 consecutive monthly installments on the first day of each month, commencing \_\_\_\_\_, 1986. Each installment shall include a payment of principal of THREE THOUSAND NINE HUNDRED SIX AND 25/100 Dollars (\$3,906.25)(which is equal to one ninety-sixth (1/96) of the original principal amount of the Note) plus interest on the unpaid principal amount computed from the due date of the previous installment, provided that, in any event, the 96th such installment shall be in amount sufficient to pay in full all accrued interest on, and the entire unpaid or principal amount of, this Note, and provided further, that in the event any partial prepayment of this Note is made pursuant to Subsection 2.4 or 2.5 of the Agreement referred to below, each installment of principal due and payable on this Note after such partial prepayment shall be reduced in the same proportion as the then outstanding principal amount of this Note shall have been reduced by such partial prepayment. Each installment of this Note, when paid, shall be first applied to the payment of interest on the unpaid principal amount of this Note, and the balance thereof to the payment of principal.

If any installment of principal and interest on this Note becomes due and payable on a Saturday, Sunday or legal holiday under the laws of the State of Illinois, the maturity thereof shall be extended to the next succeeding business day.

This Note is the Note of the Company issued pursuant to and secured by a Loan and Security Agreement dated as of June 9, 1986, between the Company and Uptown National Bank of Chicago (herein, as the same may from time to time be amended, supplemented or otherwise modified, called the "Agreement"), and is entitled to all of the benefits thereof. As provided in the Agreement, this Note is subject to prepayment, in whole or in part, in certain cases without premium and in other cases with a premium as specified in the Agreement.

This Note is secured by the Collateral described in the Agreement. Reference is made to the Agreement for a description of the nature and extent of the security for this Note and the rights of the holder hereof with respect to such security.

This Note is also secured by a Guarantee of even date herewith executed by Temco Corporation, an Illinois corporation, according to the terms thereof, the form of such Guarantee being included as an Exhibit to the Agreement.

Upon the failure of the Company to promptly make payment of any sum due hereunder, or upon the occurrence of any one or more of the Events of Default specified in the Agreement, there shall be a default under this Note and the amounts then remaining unpaid on this Note may be declared to be immediately due and payable, together with reasonable attorneys fees and costs of collection, and the Payee may pursue any and all other remedies hereunder or under the Agreement or allowed by law.

The Company hereby expressly waives demand for payment, notice of non-payment, presentment, notice of dishonor, protest, notice of protest, or any other notice.

This Note shall be binding upon the Company, jointly and severally, and upon the heirs, legal representatives, successors, and assigns of the Company.

No delay or omission of the holder to exercise any right or remedy under this Note or afforded by law shall be construed to be a waiver thereof.

This Note may be assigned, transferred, or pledged without consent of the Company.

This note and the legal validity and the performance of the terms hereof shall be governed by, enforced, and determined and construed in accordance with the laws of the

State of Illinois.

IN WITNESS WHEREOF, the Company has executed this Note as of the \_\_\_ day of \_\_\_\_\_, 1986.

GUARANTY

GUARANTY dated \_\_\_\_\_, 1986, made by TEMCO CORPORATION, an Illinois corporation (the "Guarantor") in favor of UPTOWN NATIONAL BANK OF CHICAGO, a national banking association (the "Lender").

W I T N E S S E T H:

WHEREAS, the Guarantor is the record and beneficial owner of eighty percent (80%) of the issued and outstanding shares of the capital stock of TEMCO LEASING COMPANY, an Illinois corporation (the "Company");

WHEREAS, the Company has entered into a Loan and Security Agreement dated as of \_\_\_\_\_, 1986 with the Lender (the "Loan Agreement"), pursuant to which the Lender has agreed, subject to the terms and conditions thereof, to make a loan to the Company in a principal amount of \$375,000.00, such loan to be evidenced by a secured promissory note of the Company as provided in the Loan Agreement (the "Note");

WHEREAS, it is a condition precedent to the obligation of the Lender to make the loan under the Loan Agreement that the Guarantor execute and deliver this Guaranty to the Lender; and

NOW, THEREFORE, in consideration of the premises and in order to induce the Lender to make the loan as provided in the Loan Agreement, the Guarantor agrees as follows:

1. The Guarantor hereby unconditionally and irrevocably guaranties, as primary obligor and not merely as surety, to the Lender, its successors, indorsees, transferees and assigns, the prompt and complete payment when due (whether at the stated maturity, by acceleration or otherwise) of (i) the unpaid principal amount of, and accrued interest on, the Note and (ii) all other obligations and liabilities of the Company to the Lender, now existing or hereinafter incurred, under the Loan Agreement and the Note, and under any renewals or extensions of either thereof (all of said principal amount, interest, obligations and liabilities being hereinafter called the "Obligations"), and the Guarantor further agrees to pay any and all reasonable expenses which may be paid or incurred by the Lender in collecting any or all of the Obligations and/or enforcing any rights under this Guaranty or under the Obligations.

2. Notwithstanding any payment or payments made by the Guarantor hereunder, the Guarantor shall not be entitled to be subrogated to any of the rights of the Lender against the Company or any collateral security or guaranty or right of offset held by the Lender for the payment of the Obligations until all amounts owing to the Lender by the Company for or on account of the Obligations are paid in full.

3. The Guarantor hereby consents that, without the necessity of any reservation of rights against the Guarantor and without notice to or further assent by it, (a) any demand for payment of any of the Obligations may be rescinded by the Lender and any of the Obligations continued; (b) the Obligations may, from time to time, in whole or in part, be renewed, extended, modified, prematured, compromised or released by the Lender; (c) the Loan Agreement and the Note may be amended, modified, or supplemented by the Lender and the provisions thereof may be waived by the Lender from time to time; and (d) any and all collateral at any time, present or future, held, given or intended to be given for the Obligations, and any rights or remedies of the Lender under the Loan Agreement and/or any other collateral security documents in law or in equity or otherwise, may, from time to time, in whole or in part, be exchanged, sold, surrendered, released, modified, waived or extended by the Lender and the Lender may permit or consent to any such action or the result of any such action; all as the Lender may deem advisable and all without impairing, abridging, releasing or affecting the guaranty provided for herein.

4. The Guarantor hereby waives any and all notice of the acceptance of this Guaranty and any and all notice of the creation, renewal, extension or accrual of any of the Obligations or the reliance by the Lender upon this Guaranty. The Obligations shall conclusively be deemed to have been created, contracted and incurred in reliance upon this Guaranty and all dealings between the Company and the Lender shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guaranty. To the extent permitted by law, the Guarantor waives protest, demand for payment and notice of default, dishonor or nonpayment to or upon it or the Company with respect to the Obligations or any of them.

5. This is a continuing, absolute and unconditional guaranty of payment without regard to the validity, regularity or enforceability of the Note, the Loan Agreement or any other collateral security document or guaranty therefor or rights of offset with respect thereto and without regard to any defense, offset or counterclaim which may at any time be available to or be asserted by the Company against the Lender and which constitutes, or might be construed to constitute, an equitable or legal discharge of the Company for the Obligations, or of the Guarantor under this Guaranty, in bankruptcy or in any other instance. This Guaranty shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantor, its successors and assigns until all of the Obligations have been paid in full.

6. The Guarantor hereby represents and warrants to the Lender that:

(a) The Guarantor is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois and is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction in which the conduct of its business or the ownership or lease or its properties requires such qualification.

(b) The Guarantor has full power, authority and legal right to own its properties and to conduct its business as now conducted and presently proposed to be conducted by it and to execute, deliver and perform this Guaranty and to take such action as may be necessary to complete the transactions contemplated by the Loan Agreement and this Guaranty, and the Guarantor has taken all necessary corporate action to authorize the execution, delivery and performance of this Guaranty.

(c) This Guaranty has been duly authorized, executed and delivered by the Guarantor and constitutes a legal, valid and binding obligation of the Guarantor enforceable in accordance with its terms.

(d) No consent of any other party (including stockholders of the Guarantor) and no consent, license, permit, approval or authorization of, exemption by, or registration or declaration with, any governmental authority is required in connection with the execution, delivery, performance, validity or enforceability of this Guaranty.

2.9 Release of Collateral. Upon any prepayment of the Note pursuant to Subsection 2.4 hereof, the Lender will promptly execute and deliver to the Company such instruments as shall be necessary to release from the lien and security interest of this Agreement, without recourse to, or representation or warranty by the Lender, that number of Units which is equal to the number (disregarding any fraction) obtained by multiplying the total number of Tank Cars which are then subject to the lien and security interest of this Agreement by a fraction, the numerator of which is the principal amount of the Note so prepaid and the denominator of which is the original principal amount of the Note. The Company shall have the right to designate the Units to be released, subject to the approval of the Lender under Subsection 2.4. Corresponding Leases shall also be released. Releases due to prepayments under Subsection 2.5 shall be effected as set forth in such subsection.

### SECTION 3. REPRESENTATIONS AND WARRANTIES

In order to induce the Lender to enter into this Agreement and to make the Loan, the Company represents and warrants to the Lender that:

3.1 Corporate Existence and Business. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois. Neither the conduct of its business nor the ownership or lease of its properties requires the Company to qualify to do business as a foreign corporation under the laws of any jurisdiction. The Company has no Subsidiaries. The Company presently is engaged solely in the business of purchasing, selling, leasing and managing railroad cars.

3.2 Power and Authorization; Enforceability; Consents. The Company has full power, authority and legal right to own its properties and to conduct its business as now conducted and presently proposed to be conducted by it and to execute, deliver and perform this Agreement, the Note and the Leases and to borrow under this Agreement on the terms and conditions hereof, to grant the lien and security interest provided for in this Agreement and to take such action as may be necessary to complete the transactions contemplated by this Agreement, the Note and the Leases, and the company has taken all necessary corporate action to authorize the borrowing on the terms and conditions of this Agreement and the grant of the lien and security interest provided for in this Agreement and to authorize the execution, delivery and performance of this Agreement, the Note and the Leases. This Agreement has been duly authorized, executed and delivered by the Company and constitutes, and the Note has been duly authorized by the Company and when executed and delivered by the Company will constitute, a legal, valid and binding obligation of the company enforceable in accordance with its terms. No consent of any other
