SUPPLEMENTAL PARTICIPATION AGREEMENT AND AMENDMENT dated as of November 1, 1982, among THE CANADIAN WHEAT BOARD, a body corporate acting as agent of Her Majesty in right of Canada (the "Lessee"), MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY (the "Agent"), FIRST SECURITY BANK OF IDAHO, N.A. WHEREAS the parties hereto (other than the Permanent Investor) have entered into a Participation Agreement dated as of September 15, 1980 (the "Participation Agreement"), providing for the leveraged lease financing of 275 covered hopper cars, described in Annex B to the CSA (as hereinafter defined) (the "Equipment");

WHEREAS the Trustee and National Steel Car Limited (the "Builder") have entered into a Conditional Sale Agreement dated as of September 15, 1980, as previously amended as of December 31, 1981, by a Letter Agreement dated February 2, 1982 (the "CSA"), providing for the purchase by the Trustee from the Builder of the Equipment and the retention of the property and a security interest in the Equipment until the Trustee fulfills its obligations thereunder;

WHEREAS the Builder and the Agent have entered into an Agreement and Assignment dated as of September 15, 1980 (the "Assignment"), providing for the assignment of the property and the security interest of the Builder in the Equipment to the Agent, acting on behalf of the Investor;

WHEREAS the Trustee, the Agent and the Owner have entered into the Trust Agreement dated as of September 15, 1980, pursuant to which the Trustee acts for the Owner and the Agent in respect of the Equipment;

WHEREAS the CSA, the Assignment and the Lease were filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 on December 22, 1980, at 12:35 p.m., recordation numbers 12640, 12640-A and 12640-B, respectively;

WHEREAS the Permanent Investor proposes to acquire the Investor's interest in the Conditional Sale Indebtedness (as defined in the CSA) pursuant hereto and, in connection therewith, the interest rate on the Conditional Sale Indebtedness will be changed to 14-7/8% per annum and a corresponding change will be made in the rents and certain other amounts payable under the Lease, all as more fully set forth below; and

WHEREAS the Participation Agreement (together with its exhibits), as supplemented, amended and restated hereby, is appended hereto solely for the convenience of the parties as Exhibit I.

NOW THEREFORE, in consideration of the mutual agreements hereinafter contained, the parties hereto agree as follows:

1. Subject to the terms and conditions hereof, the Permanent Investor will pay to the Agent, in immediately available funds, not later than 11:00 a.m. Baltimore time, on November 23, 1982, which date may be amended by agreement among the parties hereto and as so amended is herein called the "Financing Date", an amount equal to \$8,718,577.81.

Upon payment to the Agent of the amount required to be paid by the Permanent Investor, the Agent will execute and deliver to the Permanent Investor (or, upon the written request of the Permanent Investor, to the nominee or nominees of the Permanent Investor) a certificate of interest with respect to such payment dated the date such payment shall have been made substantially in the form annexed hereto as Appendix I. Simultaneously with the final payment to it of all amounts payable in respect of such certificate of interest, the Permanent Investor shall surrender such certificate to the Agent.

Subject to the terms and conditions hereof, upon payment to the Agent on the Financing Date of the amount to be paid by the Permanent Investor pursuant hereto and by the Lessee pursuant to § 3 of the Lease (as supplemented and amended hereby), and upon surrender to the Agent for cancelation of the certificate of interest theretofore

delivered to the Investor under the Participation Agreement, the Agent will pay to the Investor an amount equal to the amount so paid to the Agent; it being understood that the Lessee will furnish to the Agent (as a prepayment of rent under the Lease) sufficient funds to pay on the Financing Date accrued and unpaid interest on the aggregate amount of Conditional Sale Indebtedness held by the Investor which shall be purchased by the Permanent Investor on the Financing Date.

As soon as practicable after the Permanent Investor shall have paid the total amount set forth in the first subparagraph of this paragraph, the Agent will deliver to the Permanent Investor a schedule of payments reflecting the dates and amount of principal and interest payments to be made in respect of the certificates held by the Permanent Investor.

All transactions pursuant hereto which shall occur on the Financing Date shall be deemed for purposes of this Agreement, the CSA, the Lease and the Trust Agreement to have occurred simultaneously; provided, however, that if any Payment Date (as defined in the CSA) shall coincide with the Financing Date, the payment of all amounts required to be paid to the Agent on such Payment Date pursuant to the CSA shall be a condition to the obligations of the Permanent Investor and the Agent hereunder and, once so paid, the payment of all such amounts shall be deemed to have been made prior to the transactions provided for herein.

2. Permanent Investor's Representations and Agreements. The Permanent Investor represents that it is acquiring its interest in the Conditional Sale Indebtedness (as defined in the CSA) for its own account for investment and not with a view to, or for sale in connection with, the distribution of the same, nor with any present intention of distributing or selling the same, but subject, nevertheless, to any requirement of law that the disposition of its property shall at all times be within its control.

The interest of the Permanent Investor hereunder has not been registered under the Securities Act of 1933, and, accordingly, must be held indefinitely, unless an exemption from registration is available. The Permanent Investor hereby agrees that any transfer shall be upon the express condition that the transferee thereof shall be bound by the terms of this Agreement and the Participation Agreement (as supplemented and amended hereby). Prior to any such transfer, the Permanent Investor shall notify the

Agent in writing thereof and the Agent shall cause to be prepared and delivered to the Permanent Investor an appropriate agreement, to be entered into among such Permanent Investor, such transferee and the Agent, evidencing such transfer upon the terms hereof.

The Permanent Investor further represents that it is not acquiring its interest in the Conditional Sale Indebtedness directly or indirectly with the assets of, or in connection with any arrangement or understanding by it in any way involving, any employee benefit plan with respect to which the Owner, the Builder, the Agent, the Investor or the Trustee in its individual capacity is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974 ("ERISA"), which investment, arrangement or understanding could result in a prohibited transaction under ERISA.

The Permanent Investor agrees to be bound by the provisions of the Participation Agreement, as supplemented and amended hereby.

3. Financing Date Conditions. The obligations of the Permanent Investor to deposit funds on the Financing Date pursuant to Paragraph 1 hereof and of the Agent to make payment to the Investor pursuant to said Paragraph 1 out of funds so deposited shall be subject to the receipt by the Agent on or prior to the Financing Date of the funds to be paid by the Lessee to the Agent on the Financing Date pursuant to said Paragraph 1 and of the receipt on or prior to the Financing Date by the Agent and the Permanent Investor of the documents listed below, dated the Financing Date:

(a) an opinion of Messrs. Cravath, Swaine & Moore, special counsel for the Agent, the Investor and the Permanent Investor, to the effect that:

(i) this Agreement has been duly authorized, executed and delivered and constitutes, and the Participation Agreement, the CSA and the Lease, all as supplemented and amended by this Agreement, constitute, and the Trust Agreement constitutes, legal and valid instruments, binding on the parties thereto in accordance with their terms;

(ii) the Assignment has been duly authorized, executed and delivered by the Trustee and is a legal and valid instrument, binding on the Trustee

in accordance with its terms; the Agent is vested with all the rights, titles, interests, powers and privileges of the Builder purported to be assigned to it by the Assignment and has a valid security interest in the Equipment;

(iii) no authorization or approval from any governmental or public body or authority of the United States of America, or of any of the states thereof or the District of Columbia is, to the knowledge of said counsel, necessary for the execution, delivery and performance of this Agreement, or the performance of the Participation Agreement, the CSA or the Lease, all as amended by this Agreement, or of the Trust Agreement or the Assignment;

(iv) the CSA, the Assignment, the Lease and this Agreement have been duly filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 and, since the Equipment may not be used in United States interstate commerce, Uniform Commercial Code financing statements, and amendments thereto, naming Trustee as debtor and Agent as secured party have been duly filed in all offices where required in Utah, and no other filing or recordation is necessary for the protection of the rights of the Agent in such documents or in the Equipment in any state of the United States of America or the District of Columbia; and a search of the records of the Interstate Commerce Commission of filings pursuant to 47 U.S.C. § 11303 (and, in the case of the Trustee, a search of the Uniform Commercial Code records of the Secretary of State of the State of Utah) does not reveal any other filings with respect to the Equipment against the Lessee, the Trustee, the Builder or the Owner;

(v) under the circumstances contemplated by this Agreement it is not necessary to register the CSA, as supplemented and amended hereby, or the Assignment under the Securities Act of 1933, as amended, or to qualify the CSA or the Participation Agreement, both as supplemented and amended hereby, or this Agreement or the Trust Agreement under the Trust Indenture Act of 1939, as amended; and

(vii) the legal opinions referred to in subparagraphs (b), (c), (d), (e), (f) and (g) of this Paragraph 3 are satisfactory to said special counsel and in their opinion the Investor, the Permanent Investor and the Agent are justified in relying thereon;

and as to such other matters incident to the transactions contemplated by this Agreement as the Permanent Investor may reasonably request;

(b) an opinion of Messrs. Tory, Tory, DesLauriers & Binnington, special Canadian counsel for the Agent, the Investor, the Permanent Investor, the Trustee and the Owner, to the effect that:

(i) the Lessee is a body corporate created by the Canadian Wheat Board Act (Canada), and is for all purposes an agent of Her Majesty in right of Canada ("Canada"), and the obligations of the Lessee under the Participation Agreement and the Lease, both as supplemented and amended by this Agreement, constitute direct obligations of Canada;

(ii) this Agreement has been duly authorized, executed and delivered by the Lessee and, assuming due authorization, execution and delivery by the other parties hereto, constitutes, and the Participation Agreement and the Lease, both as supplemented and amended by this Agreement constitute, legal and valid instruments, binding on Canada and enforceable (subject to the limitations referred to in clause (v) below) against Canada in accordance with their terms;

(iii) no authorization or approval from any governmental or public body or authority in Canada is required under the laws of Canada or any province thereof with respect to the entering into of this Agreement or, to the knowledge of said counsel, performance of this Agreement, or of the Participation Agreement, the CSA or the Lease, all as supplemented and amended by this Agreement, or of the Assignment, except those which have been duly obtained or accomplished;

(iv) all taxes and registration, filing and recording fees payable in Canada or any province

thereof in connection with the execution, delivery, registration, depositing, filing or recording of the Participation Agreement, the CSA, the Lease, the Assignment or this Agreement have been paid;

(v) proceedings may be brought against Canada in the Federal Court of Canada for a declaratory judgment with regard to any claims arising out of or relating to the obligations of Canada hereunder or under the Participation Agreement or the Lease, both as supplemented and amended hereby, except that such proceedings may not be available for payment of amounts payable hereunder or thereunder but not paid by reason of the failure to obtain the necessary Parliamentary appropriations; no law in Canada requires the consent of any public official or authority for proceedings to be brought or judgment to be obtained against Canada arising out of or relating to the obligations of Canada hereunder or under the Participation Agreement or the Lease, both as supplemented and amended hereby; nor is there any immunity from jurisdiction available to Canada in any such action in the Federal Court of Canada; and although any judgment obtained in proceedings brought in the Federal Court of Canada against Canada is not capable of being enforced by execution against Canada, any final money judgment and costs awarded against Canada in any such proceedings are required by the Federal Court Act (Canada) to be paid out of the Consolidated Revenue Fund of Canada;

(vi) the Federal Court of Canada will observe and give effect to the choice of law clauses contained in this Agreement, and in the Participation Agreement and the Lease, both as supplemented and amended hereby, and will apply the laws of the State of Utah in construing this Agreement and in construing the Participation Agreement and the Lease, both as supplemented and amended hereby;

(vii) the CSA, the Assignment, the Lease and this Agreement have been duly registered where required in the appropriate registries pursuant to the Conditional Sales Acts of Alberta and Saskatchewan and the Sale of Goods on Condition

Act of British Columbia and except that the registration must be renewed in Alberta and British Columbia within three years of the initial registration and within three years of every renewal thereafter, no other registration, filing or recording is necessary in order to protect in British Columbia, Alberta and Saskatchewan, the rights of the Trustee under the Lease and of the Agent in and to the Equipment under the CSA, both as supplemented and amended hereby, and the Assignment;

(viii) subject to the rights of the Lessee under the Lease, as supplemented and amended hereby, the rights of the Agent in and to the Equipment under the CSA, as supplemented and amended hereby, are fully protected against any and all subsequent purchasers and mortgagees claiming from or under the Trustee and against creditors of the Trustee in British Columbia, Alberta and Saskatchewan;

(ix) Financing Statements and Financing Change Statements, where required, have been registered giving notice of the CSA, the Lease, the Assignment, and this Agreement in accordance with the Personal Property Security Acts of Ontario, Saskatchewan and Manitoba, and the interest of the Agent in and to the Equipment pursuant to the CSA and the Lease, both as supplemented and amended hereby, and to the Assignment has been duly perfected in Ontario, Saskatchewan and Manitoba, and except that registration must be renewed in Ontario and Manitoba within three years of the initial registration and within three years of every renewal thereafter, no other registration, filing or recording is necessary in order to protect in Ontario, Saskatchewan and Manitoba the rights of the Agent in and to the Equipment under the CSA, as supplemented and amended hereby, and the Assignment;

(x) there are no registrations of record with respect to the Equipment against the Lessee, the Trustee or the Owner prior to the registrations of the CSA, the Assignment and the Lease under the Conditional Sales Acts of Alberta and Saskatchewan and the Sale of Goods on Condition Act of British Columbia, and under the Personal Property Security Acts of Ontario, Saskatchewan and Manitoba; and

(xi) under the law of the Province of Quebec, there is no provision for the registration, recording or filing of the title of the Trustee to the Equipment and the rights of the Agent under the CSA, as supplemented and amended hereby, and the Assignment, nor for the taking of any other action with respect thereto, in such province; under the law of the Province of Quebec, such title and rights of the Agent are effectively protected in that the Trustee may revindicate, i.e., recover the Equipment from the Lessee or a third party in possession even in the event where such third party purports to be the owner thereof by proving its own title and the defects in the possession or title of such third party except where:

(A) such third party shall have acquired title to the Equipment by way of prescription, which takes place after the lapse of three years, reckoning from the loss of possession, in favour of the possessors in good faith, even when the loss of possession has been occasioned by theft;

(B) such third party shall have bought the Equipment in good faith in a fair or market, or at a public sale, or from a trader dealing in similar articles, or by way of a commercial matter, except that so long as prescription has not been acquired, any Equipment lost or stolen may be revindicated although it has been bought in good faith as aforesaid, but the revindication in such cases can only take place upon reimbursing the third party the price he has paid; or

(C) such third party shall have acquired the Equipment pursuant to a sale under the authority of law;

(c) an opinion of Messrs. Ray, Quinney & Nebeker, counsel for the Trustee (which opinion may be limited to matters governed by the law of the State of Utah and Federal banking law), to the effect set forth in clause (iii) of subparagraph (a) of this Paragraph 3, insofar as such matters relate to the Trustee and to the further effect that:

(iii) Uniform Commercial Code financing statements, and amendments thereto, with respect to the Equipment naming the Trustee as debtor and the Agent as secured party have been duly filed in all offices where required in Utah and, assuming the filing of this Agreement, the CSA, as supplemented and amended hereby, and the Assignment pursuant to 49 U.S.C. § 11303, no other filing or recordation is necessary under the laws of the State of Utah for the protection of the rights of the Agent in the CSA and the Assignment or in the Equipment in such state, except that continuation statements must be filed within six months prior to the expiration of the five-year period following the date of filing of the financing statements originally filed and subsequent continuation statements must be filed within six months prior to the expiration of each subsequent five-year period; and, except for financing statements naming the Agent as secured party and filed in connection with the transactions contemplated by the Participation Agreement, as supplemented and amended hereby, there are no other financing statements with respect to the Equipment on file

in the Uniform Commercial Code records of the Secretary of State of the State of Utah naming the Trustee as debtor;

(i) the Owner is a national banking association duly organized, validly existing and in good standing under the laws of the United States;

(ii) this Agreement has been duly authorized, executed and delivered by the Owner and, assuming the due authorization, execution and delivery by the other parties thereto, this Agreement and the Participation Agreement, as supplemented and amended hereby, and the Trust Agreement are legal, valid and binding instruments, enforceable against the Owner in accordance with their terms;

(iii) to the knowledge of such counsel, no mortgage, deed of trust or other lien of any nature whatsoever now in existence which now covers or affects or which may hereafter cover or affect, any property or interest therein of the Owner, now attaches or hereafter will attach to the Equipment or in any manner affects or will affect adversely the right, title and interest of the Agent therein; and

(iv) no authorization or approval from any governmental body or authority of the United States of America or of any state is to the knowledge of such counsel necessary for the execution and delivery of this Agreement by the Owner and the performance by the Owner of this Agreement and the Participation Agreement, as supplemented and amended hereby, and the Trust Agreement;

(h) a certificate of an officer of the Lessee (i) to the effect that (A) the Lessee is not in default under, and to its knowledge there is no event which with the passage of time or the giving of notice or both would place the Lessee in default under, this Agreement or the Lease and (B) the representations and warranties of the Lessee set forth in Paragraph 3 of the Participation Agreement are true and correct as of the Financing Date as if made on and as of such date and (ii) stating that (A) the Lessee is in compliance with the requirements under § 7 of the Lease as to maintenance of insurance and describing in reasonable detail any insurance then being maintained in respect of the Equipment or in respect of any similar equipment owned or leased by the Lessee, (B) no unit of the Equipment has suffered a Casualty Occurrence (as defined in the Lease) since it was delivered to and accepted by the Lessee under the Lease, (C) since December 31, 1981, there has been no material adverse change in the financial condition or result of operations of the Lessee and (D) the Lessee has not been in default on any payment of principal or interest for money borrowed;

Federal tax liens (including tax liens filed pursuant to Section 6323 of the United States Internal Revenue Code of 1954, as amended) or, to the best of the knowledge and belief of such officer, other tax liens, have been filed and are currently in effect against the Owner which could adversely affect the interests of the Agent in the Equipment or the Lease or the rentals or other payments due or to become due thereunder, (iii) the representations and warranties of the Owner in Paragraph 4 of the Participation Agreement are true and correct as of the Financing Date as if made on and as of such date and (iv) no unit of the Equipment has suffered a Casualty Occurrence since it was accepted by the Lessee on behalf of the Trustee under the CSA.

In giving the opinions specified in subparagraphs (a) through (g) of this Paragraph 3, counsel may qualify its opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by equitable principles or (except in the case of the opinions specified in subparagraphs (b), (e) and (f)) by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinion specified in subparagraph (a) of this Paragraph 3, counsel may rely as to any matter governed by the law of any jurisdiction other than the State of New York or the United States of America, on the opinions of special Canadian counsel and of counsel for the Trustee, the Agent and the Lessee as to such matter. In giving the opinion specified in the last clause of (iv) of subparagraph (a) of this Paragraph 3, counsel may rely, as to any matter involving Federal law, on an opinion of Messrs. Wilmer, Cutler & Pickering. In giving the opinions specified in subparagraphs (b), (e) and (f) of this Paragraph 3, special Canadian counsel may rely (i) as to any matters governed by the laws of provinces of Canada other than Ontario (in the case of the opinion specified in subparagraph (b)) or Quebec (in the case of the opinion specified in subparagraph (e)), on opinions of special provincial counsel which are satisfactory in form and scope to such special Canadian counsel and copies of which are attached to their opinions, (ii) as to perfection of the security interest of the Agent in the Equipment created by the CSA, as supplemented and amended hereby, on the opinions of counsel for the Agent and the Trustee and (iii) as to any matter governed by the law of any jurisdiction other than Canada or the provinces thereof, on the opinion of counsel for the Trustee and (iv)

as to prior registrations of record with respect to the Equipment, on reports or certificates provided by public officials. In addition, in giving the opinions specified in subparagraphs (b), (e) and (f) of this Paragraph 3, counsel may (i) assume that the Builder has transferred good and valid title in and to the Equipment free and clear of all liens, charges and other encumbrances and (ii) include a qualification as to the possibility that a judgment by a Canadian Court may be awarded only in Canadian currency and to the immunity of Canada from execution being levied against the property of Canada.

4. Nonrecourse Nature of Trustee's Obligations.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the undertakings and agreements herein made on the part of the Trustee are each and every one of them made and intended not as personal undertakings and agreements by First Security Bank of Utah, N.A., or for the purpose or with the intention of binding it personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Agreement is executed and delivered by First Security Bank of Utah, N.A., solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against it or the Owner on account of any undertaking or agreement herein of the Trustee, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee, the Agent and the Permanent Investor and by all persons claiming by, through or under the Lessee, the Agent and the Permanent Investor; provided, however, that the Lessee, the Agent and the Permanent Investor or any person claiming by, through or under any of them, making claim hereunder, may look to the Trust Estate for satisfaction of the same. The foregoing proviso is without prejudice, however, to the rights of the Lessee to quiet enjoyment, possession, use and assignment referred to in the last paragraph of § 4 of the Lease.

5. Owner Assets. It is further understood and agreed that the assets of the Owner (other than those included in the Trust Estate) shall not be subject in any way to any claim by the Agent or the Permanent Investor by reason of any of the obligations of the Trustee hereunder or under the Participation Agreement, the Trust Agreement, the CSA or the Lease, by way of any bankruptcy law (including,

without limitation, any reorganization of the Trust Estate under the Bankruptcy Reform Act of 1978, as amended (the "Act") or otherwise, except for the obligations of the Owner under Sections 1.03 and 5.02 of the Trust Agreement. If for any reason, whether or not related to the Act, the Permanent Investor shall recover from the Trustee or the Owner any amount by reason of any circumvention of the nonrecourse provisions contained herein or in the CSA, the Permanent Investor hereby irrevocably agrees to return promptly such amount recovered to the Trustee or the Owner.

6. Amendments to Participation Agreement. The parties to the Participation Agreement agree that, subject to the receipt by the Investor of the amounts to be paid to it pursuant to Paragraph 1 hereof and surrender of the Certificate of Interest theretofore delivered to the Investor under the Participation Agreement, the Participation Agreement shall be amended as follows:

(a) The second subparagraph of Paragraph 2 is deleted and the following paragraph is substituted therefor:

"From and after the Financing Date (as defined in the Supplemental Participation Agreement and Amendment dated as of November 1, 1982), and subject to receipt by the Investor of the amounts to be paid to it pursuant to Paragraph 1 thereof and surrender of the Certificate of Interest theretofore delivered to the Investor under this Agreement, the term "Investor" shall, except in Paragraphs 6, 7, 12 and 13 hereof, mean The Prudential Insurance Company of America and its successors as holder of the CSA Indebtedness."

(b) The first subparagraph of Paragraph 13 is amended by inserting the words ",the Owner" after the word "Trustee" in clause (b) of the last sentence thereof.

(a) The balance of the fourth paragraph of Article 4 after the first sentence thereof is deleted and the following sentences are substituted therefor:

"The unpaid balance of the Conditional Sale Indebtedness shall bear interest as follows:

(a) the unpaid balance of the Conditional Sale Indebtedness held by the Investor shall bear interest from and including the Closing Date in respect of which such indebtedness was incurred to but not including the Financing Date (as hereinafter defined) at the rate publicly announced by the Investor from time to time as its Prime Rate (the "Prime Rate") for all periods ending on or before January 1, 1982, at the Prime Rate plus 1/2% for all periods commencing after January 1, 1982, and ending on or before July 1, 1984, and at the Prime Rate plus 5% for all periods commencing after July 1, 1984 (the interest rate applicable from time to time under this clause being hereinafter called the "Floating Prime Rate"); the rate of interest payable hereunder shall change simultaneously with each change in the Prime Rate; and

(b) the unpaid balance of the Conditional Sale Indebtedness held by the Permanent Investor (as defined in the Supplemental Participation Agreement and Amendment dated as of November 1, 1982 (the "Supplemental Participation Agreement")) and any of its successors or assigns shall bear interest from and including the Financing Date (as defined in the Supplemental Participation Agreement) on which such Conditional Sale Indebtedness was acquired by the Permanent Investor from the Investor pursuant to the Supplemental Participation Agreement at the rate of 14-7/8% per annum.

All such interest shall be payable, to the extent accrued, on January 2, 1982, and on each Payment Date thereafter; provided, however, that the amount of interest payable on any January 2 may, at the option of the Vendee, be prepaid on the last business day of the next preceding calendar year. The amounts of Conditional Sale Indebtedness payable on each Payment Date following the Financing Date shall be calculated to be substantially in proportion to the amount

The Vendee will furnish to the Vendor and the Lessee promptly after the Financing Date a schedule showing the respective amounts of principal and interest payable on each Payment Date."

(b) The balance of the sixth paragraph of Article 4 after the words "pursuant to the terms hereof" is deleted and the following is added therefor:

"as follows:

(a) all such amounts due and payable to the Investor shall bear interest at the Floating Prime Rate plus 2%; and

(b) The following is added at the end of the first paragraph of § 3:

"Notwithstanding the foregoing, the rentals payable will never be less than those amounts required to enable the Lessor to satisfy its obligations to pay the Conditional Sale Indebtedness and interest thereon when due."

(c) The following is added at the end of the second paragraph of § 3:

"The Lessee further agrees to prepay on the Financing Date (as defined in the Supplemental Participation Agreement) rentals to the extent required to pay the amounts of interest referred to in the third subparagraph of Paragraph 1 of the Supplemental Participation Agreement, which prepayment shall be credited against the rentals otherwise required to be paid on the next succeeding Rental Payment Date."

pursuant to § 6, 9 or 15 of the Lease) received by the Trustee under the Lease will be applied by the Trustee pursuant to the Trust Agreement (a) first, to satisfy the obligations of the Trustee under the CSA and (b) second, so long as no event of default under the CSA shall have occurred and be continuing, to pay any balance to the Owner.

NOW, THEREFORE, in consideration of the agreements and the covenants hereinafter contained, the parties hereto hereby agree as follows:

1. Basic Documents. Pursuant to the Trust Agreement, the Trustee will enter into the CSA and pursuant thereto purchase, as hereinafter provided, Equipment having an aggregate Purchase Price not exceeding U.S. \$12,576,218.

On or before the First Delivery Date (as defined in Paragraph 7 hereof), the Trustee and the Lessee will enter into the Lease. Pursuant to the Assignment, the Agent will acquire from the Builder all its rights and security interest under the CSA, except as specifically excepted by such Assignment.

The Lessee hereby assigns, transfers and sets over unto the Trustee, its successors and assigns, all the right, title and interest of the Lessee in and to any contractual arrangements with the Builder (the "Purchase Order"), insofar as the Purchase Order relates to the Equipment; provided, however, that it is understood and agreed that all obligations of the Trustee to the Builder under the Purchase Order shall be superseded on the First Delivery Date by the CSA and the obligations of the Trustee to purchase and pay for the Equipment shall be exclusively and completely governed by, and subject to, the conditions provided herein and in the CSA.

The Lessee covenants with the Owner, the Trustee and the Builder (as a third-party beneficiary hereof) that, in the event of the exclusion of any unit of Equipment from the CSA pursuant to the second paragraph of Article 3 thereof or the first paragraph of Article 4 thereof, the Trustee will reassign, transfer and set over to the Lessee all the right, title and interest of the Trustee in and to the units so excluded and to the Purchase Order to the extent relating thereto, and the Lessee will be obligated to purchase such units in accordance with and subject to the terms of the Purchase Order, and the Trustee shall have no further right or obligation with respect thereto.

2. Investor's Deposits. Subject to the terms and conditions hereof, the Investor will pay to the Agent, in immediately available funds, not later than 11:00 a.m., New York City time, on each Closing Date (as defined in the CSA) an amount equal to the CSA Indebtedness being incurred on such date; provided, however, that the maximum commitment of the Investor shall not exceed U.S. \$9,125,523. The Agent will give the Investor written notice of each Closing Date at least five business days prior thereto with an estimate of the amount to be paid on such date based on the then current exchange rate, and shall confirm by telephone to the Investor the exact amount to be paid not later than 3:00 p.m. on the business day immediately preceding such Closing Date.

From and after the Financing Date (as defined in the Supplemental Participation Agreement and Amendment dated as of November 1, 1982), and subject to receipt by the Investor of the amounts to be paid to it pursuant to Paragraph 1 thereof and surrender of the Certificate of Interest theretofore delivered to the Investor under this Agreement, the term "Investor" shall, except in Paragraphs 6, 7, 12 and 13 hereof, mean The Prudential Insurance Company of America and its successors as holder of the CSA Indebtedness.

Upon payment to the Agent of any amount required to be paid by the Investor pursuant to this Paragraph 2, the Agent will execute and deliver to the Investor (or, upon the written request of the Investor, to the nominee or nominees of the Investor), a certificate or certificates of interest with respect to such payment dated the date such payment shall have been made substantially in the form annexed hereto as Exhibit C. As soon as practicable after the last Closing Date, the Agent will deliver to the Investor a schedule of payments reflecting the dates and amounts of principal payments to be made in respect of such certificate. The Investor, simultaneously with the final payment to it of all amounts payable in respect of such certificate, will surrender such certificate to the Agent.

The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Baltimore, Maryland, Salt Lake City, Utah, or New York, New York, are authorized or obligated to remain closed. All interest under this Agreement shall be calculated as provided in the CSA.

The forms of the Exhibits to this Agreement and the Annexes thereto are hereby approved by the Investor and the Agent is authorized to enter into such agreements to which it

is a party. The Agent will not enter into or consent to any modification or supplement to such agreements that could adversely affect the interest of the Investor without the prior written approval of the Investor, it being agreed that changes in the provisions of the Lease which are not intended or necessary to satisfy the obligations of the Trustee under the CSA shall not be deemed to affect adversely the interest of the Investor.

The Agent will hold the moneys deposited with it pursuant hereto, the rights under the CSA, the security interest in the Equipment following delivery and acceptance, as provided in the CSA, its interest under the Trust Agreement, and any payments received by it pursuant to the Trust Agreement, in trust for the benefit of the Investor. It is agreed that the obligations of the Agent hereunder as such title holder and with respect to the payments to the Investor to be made by the Agent are only those expressly set forth herein.

3. Lessee's Representations. The Lessee represents and warrants as follows:

(a) The Lessee is a body corporate created by the Canadian Wheat Board Act (Canada) and is for all purposes an agent of Her Majesty in right of Canada ("Canada"), and the obligations of the Lessee hereunder and under the Lease constitute direct obligations of Canada. The Lessee has been authorized and directed by His Excellency the Governor General in Council by Order in Council 13/3436, 13 December 1979, T.B.Rec. 768219, to contract for the lease, purchase or manufacture of 2,000 railway cars which include the Equipment, and the specifications for the Equipment have been duly approved by Canada as contemplated by such Order in Council. The Deputy Minister of Transport of Canada or other appropriate person has certified pursuant to Section 25 of the Financial Administration Act (Canada) that there is a sufficient unencumbered balance available out of an appropriation by the Parliament of Canada or an item included in estimates now before the House of Commons of Canada to discharge the commitments under this Agreement and the Lease that will, under the provisions hereof and thereof, come in course of payment during the present fiscal year as required by such Section 25. No other authorization or approval is required from any governmental or public body or authority in connection with the execution or delivery by the Lessee of this Agreement or the Lease, or the fulfillment of or

compliance with the terms, conditions and provisions hereof and thereof.

(b) This Agreement and the Lease have been duly authorized, executed and delivered by the Lessee and, assuming due authorization, execution and delivery by the other parties thereto, are legal, valid and binding instruments, enforceable (subject to the limitations referred to in clause (c) below) against Canada in accordance with their terms.

(c) Proceedings may be brought against Canada in the Federal Court of Canada for a judgment with regard to any claims or rights arising out of or relating to the obligations of Canada hereunder or under the Lease, except that such proceedings may not be available for payment of amounts payable hereunder or thereunder but not paid by reason of the failure to obtain the necessary Parliamentary appropriations. No law in Canada requires the consent of any public official or authority for proceedings to be brought or judgment to be obtained against Canada arising out of or relating to the obligations of Canada hereunder or under the Lease; nor is there any immunity from jurisdiction available to Canada in any such action in the Federal Court of Canada. Although any judgment obtained in proceedings brought in the Federal Court of Canada against Canada is not capable of being enforced by execution against Canada, any final money judgment and costs awarded against Canada in any such proceedings are required by the Federal Court Act (Canada) to be paid out of the Consolidated Revenue Fund of Canada (as defined in the Financial Administration Act (Canada)).

(d) The Lessee has not directly or indirectly offered or sold any interest in the trust established by the Trust Agreement or any of the CSA Indebtedness or other securities to, solicited offers to buy any interest in such trust or any of the CSA Indebtedness or other securities from, or otherwise approached or negotiated in respect of the purchase or sale or other disposition of any interest in such trust or any of the CSA Indebtedness or other securities with, any person so as to require registration of the interests in such trust or the CSA Indebtedness or any other security involved in the transactions contemplated hereby under the Securities Act of 1933, as amended. The Lessee will not offer any interest in such trust or any CSA Indebtedness or other securities to, or solicit any

offer to buy any thereof from, any other person or approach or negotiate with any other person in respect thereof, so as to require registration of such interests or CSA Indebtedness under said Securities Act.

4. Owner's Representations. The Owner represents and warrants as follows:

(a) The Owner (if not an individual) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization.

(b) The Owner (if not an individual) has the corporate power and authority and legal right to carry on its business as now conducted and is duly authorized and empowered to execute and deliver this Agreement and the Trust Agreement, and to fulfill and comply with the terms, conditions and provisions hereof and thereof.

(c) This Agreement and the Trust Agreement have been duly authorized, executed and delivered by the Owner and, assuming due authorization, execution and delivery by the other parties thereto, are legal, valid and binding instruments, enforceable against the Owner in accordance with their terms.

(d) The Owner's investment in the Equipment pursuant to the Trust Agreement and this Agreement is being made with its general assets, and not directly or indirectly with the assets of, or in connection with any arrangement or understanding in any way involving, any employee benefit plan (other than a governmental plan), all within the meaning of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Owner covenants that it will not transfer its interest acquired pursuant to this Agreement and the Trust Agreement directly or indirectly to, or in connection with any arrangement or understanding in any way involving, any employee benefit plan with respect to which the Owner knows or after reasonable investigation should have known the Builder, the Trustee in its individual capacity, the Agent or the Investor is at the time a party in interest, all within the meaning of ERISA.

(e) The Owner has not directly or indirectly offered or sold any interest in the trust established by the Trust Agreement or any of the CSA Indebtedness or other securities to, solicited offers to buy any

interest in such trust or any of the CSA Indebtedness or other securities from, or otherwise approached or negotiated in respect of the purchase or sale or other disposition of any interest in such trust or any of the CSA Indebtedness or other securities with, any person so as to require registration of the interests in such trust or the CSA Indebtedness or any other security involved in the transactions contemplated hereby under the Securities Act of 1933, as amended. The Owner will not offer any interest in such trust or any CSA Indebtedness or other securities to, or solicit any offer to buy any thereof from, any person or approach or negotiate with any other person in respect thereof, so as to require registration of such interests or CSA Indebtedness under said Securities Act.

5. Trustee's Representations. The Trustee, in its individual capacity except as provided in Paragraph 16 hereof, represents and warrants as follows:

(a) It is a national banking association validly existing and in good standing under the laws of the United States.

(b) It has the corporate power, authority and legal right to carry on its business as now conducted, and is duly authorized and empowered to execute and deliver the Trust Agreement, and acting pursuant thereto, this Agreement, the CSA, the Lease and the Acknowledgment of Notice of Assignment attached to the Assignment and to fulfill and comply with the terms, conditions and provisions hereof and thereof.

(c) This Agreement, the Trust Agreement, the CSA, the Lease and the Acknowledgment of Notice of Assignment have been duly authorized, executed and delivered by the Trustee and, assuming due authorization, execution and delivery thereof by the other parties thereto, constitute legal, valid and binding agreements of the Trustee, enforceable against the Trustee in accordance with their terms.

(d) The Trustee is not entering into this Agreement, or any other transaction contemplated hereby, directly or indirectly in connection with any arrangement in any way involving any employee benefit plan (other than a governmental plan) with respect to which it in its individual capacity, or, to the best of its knowledge, the Owner, the Builder or the Investor is a

party in interest, all within the meaning of ERISA. The Trustee covenants that it will not transfer its interests acquired pursuant to this Agreement (and the transactions contemplated herein) to any other person which to the best of its knowledge is at the time a party in interest with respect to any employee benefit plan the assets of which were used by the Owner or the Investor in making its investment pursuant to this Agreement, all within the meaning of ERISA.

6. Investor's Representations. The Investor represents that it is acquiring its interest in the CSA Indebtedness for its own account for investment and not with a view to, or for sale in connection with, the distribution of the same, nor with any present intention of distributing or selling the same (except for the transfer of its interest to the permanent investors herein contemplated), but subject, nevertheless, to any requirement of law that the disposition of its property shall at all times be within its control.

The interest of the Investor hereunder has not been registered under the Securities Act of 1933, as amended, and, accordingly, must be held indefinitely, unless an exemption from registration is available. The Investor hereby agrees that any transfer shall be upon the express condition that the transferee thereof shall be bound by the terms of this Agreement. Prior to any such transfer the Investor shall notify the Agent in writing thereof and the Agent shall cause to be prepared and delivered to the Investor an appropriate agreement, to be entered into among the Investor, such transferee and the Agent, evidencing such transfer upon the terms hereof.

The Investor further represents that it is not acquiring its interest in the CSA Indebtedness directly or indirectly with the assets of, or in connection with any arrangement or understanding by it in any way involving, any employee benefit plan with respect to which the Owner, the Builder, the Agent or the Trustee in its individual capacity is a party in interest, all within the meaning of ERISA, which investment, arrangement or understanding could result in a prohibited transaction under ERISA.

7. First Delivery Date Conditions. The obligation of the Investor to deposit funds pursuant to Paragraph 2 hereof and of the Agent to make payment on each Closing Date to the Builder pursuant to the CSA out of funds so deposited shall be subject to the terms and conditions of the CSA and the Assignment and to the receipt by the Agent, on or prior

to the first date of delivery of any unit of Equipment under the CSA (such date being hereinafter called the "First Delivery Date"), of the following documents, dated on or (except in the case of the documents referred to in subparagraphs (h), (i) and (j)) not more than seven days prior to the First Delivery Date, in form and scope satisfactory to the Investor and its special counsel:

(iv) the Agent is vested with all the rights, titles, interests, powers and privileges of the Builder purported to be assigned to it by the Assignment and, upon settlement for units of Equipment pursuant to and in accordance with the Assignment, the Agent will have a valid security interest in such units;

(v) the CSA, the Assignment and the Lease have been duly filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 and, since the Equipment may not be used in United States interstate commerce, Uniform Commercial Code financing statements naming the Trustee as debtor and the Agent as secured party have been duly filed in all offices where required in Utah, and no other filing or recordation is necessary for the protection of the rights of the Agent in the CSA and the Assignment or in the Equipment in any state of the United States of America or the District of Columbia;

(vi) no authorization or approval from any governmental or public body or authority of the United States of America, or of any of the states thereof or the District of Columbia is, to the knowledge of said counsel, necessary for the execution, delivery and performance of this Agreement, the CSA, the Assignment, the Lease or the Trust Agreement;

(vii) under the circumstances contemplated by this Agreement it is not necessary to register the CSA or the Assignment under the Securities Act of 1933, as amended, or to qualify the CSA, the Trust Agreement or this Agreement under the Trust Indenture Act of 1939, as amended; and

(viii) the legal opinions referred to in subparagraphs (b), (c), (d), (e), (f) and (g) of this Paragraph 7 are satisfactory to said special counsel and in their opinion the Investor and they are justified in relying thereon;

and as to such other matters incident to the transactions contemplated by this Agreement as the Investor may reasonably request;

(b) an opinion of Messrs. Tory, Tory, DesLauriers & Binnington, special Canadian counsel for the Agent, the Investor, the Trustee and the Owner, to the effect that:

(ii) this Agreement has been duly authorized, executed and delivered by the Lessee and, assuming due authorization, execution and delivery by the other parties hereto, constitutes a legal and valid instrument binding on Canada and enforceable (subject to the limitations referred to in clause (vi) below) against Canada in accordance with its terms;

(iii) the Lease has been duly authorized, executed and delivered by the Lessee and, assuming due authorization, execution and delivery by the Trustee, is a legal and valid instrument binding on

Canada and enforceable (subject to the limitations referred to in clause (vi) below) against Canada in accordance with its terms;

(iv) no authorization or approval from any governmental or public body or authority in Canada is required under the laws of Canada or any province thereof with respect to the entering into or, to the knowledge of said counsel, performance of this Agreement, the CSA, the Lease or the Assignment except those which have been duly obtained or accomplished;

(v) all taxes and registration, filing and recording fees payable in Canada or any province thereof in connection with the execution, delivery, registration, depositing, filing or recording of this Agreement, the CSA, the Lease or the Assignment have been paid;

(vi) proceedings may be brought against Canada in the Federal Court of Canada for a judgment with regard to any claims or rights arising out of or relating to the obligations of Canada hereunder or under the Lease, except that such proceedings may not be available for payment of amounts payable hereunder or thereunder but not paid by reason of the failure to obtain the necessary Parliamentary appropriations; no law in Canada requires the consent of any public official or authority for proceedings to be brought or judgment to be obtained against Canada arising out of or relating to the obligations of Canada hereunder or under the Lease; nor is there any immunity from jurisdiction available to Canada in any such action in the Federal Court of Canada; and although any judgment obtained in proceedings brought in the Federal Court of Canada against Canada is not capable of being enforced by execution against Canada, any final money judgment and costs awarded against Canada in any such proceedings are required by the Federal Court Act (Canada) to be paid out of the Consolidated Revenue Fund of Canada;

(vii) the Federal Court of Canada will observe and give effect to the choice of law clauses contained in this Agreement and the Lease and will apply the laws of the State of Utah in construing this Agreement and the Lease;

(viii) the CSA, the Assignment and the Lease have been duly registered in the appropriate registries pursuant to the Conditional Sales Acts of Alberta and Saskatchewan and the Sale of Goods on Condition Act of British Columbia, and except that the registration must be renewed in Saskatchewan within 4 years and in Alberta within 3 years of the initial registration and within 3 years of every renewal thereafter, no other registration, filing or recording is necessary in order to protect in British Columbia, Alberta and Saskatchewan, the rights of the Trustee under the Lease and of the Agent in and to the Equipment under the CSA and the Assignment;

(ix) subject to the rights of the Lessee under the Lease, the rights of the Agent in and to the Equipment under the CSA are fully protected against any and all subsequent purchasers and mortgagees claiming from or under the Trustee and against creditors, of the Trustee in British Columbia, Alberta and Saskatchewan;

(x) Financing Statements have been registered giving notice of the CSA and the Lease and Financing Change Statements have been registered giving notice of the Assignment in accordance with the Personal Property Security Acts of Ontario and Manitoba, and the interest of the Agent in and to the Equipment pursuant to the foregoing agreements has been duly perfected in Ontario and Manitoba, and except that registration must be renewed in Ontario and Manitoba within 3 years of the initial registration and within 3 years of every renewal thereafter, no other registration, filing or recording is necessary in order to protect in Ontario and Manitoba the rights of the Trustee under the Lease and of the Agent in and to the Equipment under the CSA and the Assignment; and

(xi) under the law of the Province of Quebec, there is no provision for the registration, recording or filing of the title of the Trustee to the Equipment and the rights of the Agent under the CSA and the Assignment, nor for the taking of any other action with respect thereto, in such province; under the law of the Province of Quebec, such title and rights of the Agent are effectively protected in that the Trustee may, subject to the

rights of the Lessee under the Lease, revendicate, i.e., recover the Equipment from the Lessee or a third party in possession even in the event where such third party purports to be the owner thereof, by proving its own title and the defects in the possession or title of such third party except where:

(A) such third party shall have acquired title to the Equipment by way of prescription, which takes place after the lapse of three years, reckoning from the loss of possession, in favour of the possessors in good faith, even when the loss of possession has been occasioned by theft;

(B) such third party shall have bought the Equipment in good faith in a fair or market, or at a public sale, or from a trader dealing in similar articles, or by way of a commercial matter, except that so long as prescription has not been acquired, any Equipment lost or stolen may be revendicated although it has been bought in good faith as aforesaid, but the revendication in such cases can only take place upon reimbursing the third party the price he has paid; or

(C) such third party shall have acquired the Equipment pursuant to a sale under the authority of law;

(c) an opinion of Messrs. Ray, Quinney & Nebeker, counsel for the Trustee (which opinion may be limited to matters governed by the law of the State of Utah and Federal banking law), to the effect set forth in clause (vi) of subparagraph (a) of this Paragraph 7, insofar as such matters relate to the Trustee, and to the further effect that:

(i) First Security Bank of Utah, N.A., is a national banking association duly organized, validly existing and in good standing under the laws of the United States, has the corporate power, authority and legal right to carry on its business as presently conducted, to execute and deliver the Trust Agreement and, acting pursuant thereto, this Agreement, the CSA, the Lease and the Acknowledgment of Notice of Assignment and to

(d) an opinion of counsel (which counsel may rely as to matters governed by the law of any jurisdiction other than the State of Idaho or the United States, on the opinions referred to in subparagraphs (b) and (c) of this Paragraph 7) for the Owner to the effect that:

(i) the Owner is a national banking association duly organized, validly existing and in good standing under the laws of the United States;

(ii) this Agreement and the Trust Agreement have been duly authorized, executed and delivered by the Owner and, assuming the due authorization, execution and delivery by the other parties thereto, are legal and valid instruments binding on the Owner and enforceable against the Owner in accordance with their terms;

(iii) to the knowledge of such counsel, no mortgage, deed of trust or other lien of any nature whatsoever now in existence which now covers or affects or which may hereafter cover or affect, any property or interest therein of the Owner, now attaches or hereafter will attach to the Equipment or in any manner affects or will affect adversely the right, title and interest of the Agent therein; and

(iv) no authorization or approval from any governmental body or authority of the United States of America or of any state is to the knowledge of such counsel necessary for the execution, delivery and performance by the Owner of this Agreement or the Trust Agreement;

(f) an opinion of Henry B. Monk, Esq., General Counsel of the Lessee, to the effect set forth in clauses (i), (ii), (iii), (iv), (vi) and (vii) of subparagraph (b) of this Paragraph 7;

(g) an opinion of counsel for the Builder to the effect that (i) the Builder is a duly organized and existing corporation under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted and (ii) the CSA and the Assignment have been duly authorized, executed and delivered by the Builder and, assuming due authorization, execution and delivery by the Trustee or the Agent, as the case may be, and assuming the timely filing of the CSA and the Assignment and any other documents relating thereto or copies or notices thereof in accordance with the laws of all jurisdictions in which such recording or filing is required, constitute the legal, valid and binding agreements of the Builder enforceable against the Builder in accordance with their terms;

(h) a certificate dated the First Delivery Date of an officer of the Lessee (i) to the effect that (A) the Lessee is not in default under, and to its knowledge there is no event which with the passage of time or the giving of notice or both would place the Lessee in

default under, this Agreement or the Lease and (B) the representations and warranties of the Lessee set forth in Paragraph 3 hereof are true and correct as of the First Delivery Date as if made on and as of such date and (ii) stating that the Lessee is in compliance with the requirements under § 7 of the Lease as to maintenance of insurance and describing in reasonable detail any insurance then being maintained in respect of the Equipment or in respect of any similar equipment owned or leased by the Lessee;

(i) a certificate dated the First Delivery Date of an officer of the Trustee to the effect that (i) the Trustee is not in default under this Agreement or the CSA and (ii) the representations and warranties of the Trustee in Paragraph 5 hereof are true and correct as of the First Delivery Date as if made on and as of such date; and

(j) a certificate dated the First Delivery Date of an officer of the Owner to the effect that (i) the Owner is not in default under this Agreement or under the Trust Agreement, (ii) no Federal tax liens (including tax liens filed pursuant to Section 6323 of the United States Internal Revenue Code of 1954, as amended) or, to the best of the knowledge and belief of such officer, other tax liens, have been filed and are currently in effect against the Owner which could adversely affect the interests of the Agent in the Equipment or of the Trustee in the Lease or the rentals or other payments due or to become due thereunder and (iii) the representations and warranties of the Owner in Paragraph 4 hereof are true and correct as of the First Delivery Date as if made on and as of such date.

In giving the opinions specified in subparagraphs (a) through (g) of this Paragraph 7, counsel may qualify its opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by equitable principles or (except in the case of the opinions specified in subparagraphs (b), (e) and (f)) by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinion specified in subparagraph (a) of this Paragraph 7, counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder, on the opinion of counsel for the Builder, (ii) as to title to the Equipment, on the

warranties of the Builder contained in Article 13 of the CSA and (iii) as to any matter governed by the law of any jurisdiction other than the State of New York or the United States of America, on the opinions of special Canadian counsel and of counsel for the Trustee, the Builder and the Lessee as to such matter. In addition, in giving the opinions, specified in subparagraphs (b), (e) and (f) of this Paragraph 7, counsel may (i) assume that the Builder transfers good and valid title in and to the Equipment free and clear of all liens, charges and other encumbrances and (ii) include a qualification as to the possibility that a judgment by a Canadian Court may be awarded only in Canadian currency and to the immunity of Canada from execution being levied against the property of Canada.

8. Conditions to Owner's Obligations. The obligation of the Owner to furnish funds and to cause the Trustee to make payment for the units of Equipment on any Closing Date shall be subject to the terms and conditions of the CSA and the Lease and (i) the receipt by the Owner and the Trustee on or before the First Delivery Date of opinions of counsel and certificates, dated and to the same effect as the opinions and certificates set forth in subparagraphs (b) through (j), respectively, of Paragraph 7 hereof, (ii) the receipt by the Agent on or before the First Delivery Date of the opinions of counsel and certificates it is to receive pursuant to Paragraph 7 hereof and (iii) the receipt by the Owner and the Trustee on or before the First Delivery Date of a written opinion of an independent appraiser (who may be an employee of Canadian Pacific Limited) to the effect that the Equipment has an estimated useful life of at least 33.5 years and an estimated fair market value (without including in such value any increase or decrease for inflation or deflation, and after subtracting from such value any cost to the Trustee

for removal and delivery of possession of the Equipment to the Trustee) at the expiration of the term of the Lease of at least 20% of the Purchase Price (including the maximum amount of any increase therein permitted under the proviso to the last sentence of the third paragraph of Article 4 of the CSA).

The Lessee shall furnish the Agent, the Owner, the Investor and the Trustee at least five business days' prior written notice of the First Delivery Date, which notice may be waived by the parties entitled to receive it.

9. Closing Date Procedures. Subject to the terms and conditions hereof, upon (i) each delivery to the Trustee under the CSA of a Group (as therein defined) of the Equipment, (ii) the receipt on the First Delivery Date of the documents set forth in Paragraph 7 hereof and satisfaction of the conditions set forth therein and (iii) the receipt by the Agent of the documents with respect to such Group which are to be delivered by the Builder in accordance with Section 4 of the Assignment, the Agent will on each Closing Date pay to the Builder, in accordance with the Assignment, out of moneys paid to the Agent pursuant to Paragraph 2 hereof the amount required to be paid to the Builder pursuant to Article 4 of the Assignment with respect to such Group.

The payments to be made to the Builder on the Closing Date by the Trustee under the CSA and the Agent under the Assignment are to be made in Canadian funds, while the deposits to be made by the Investor hereunder and payments of principal and interest on CSA Indebtedness are to be made in U.S. funds. In order to facilitate the conversion of currencies, the Agent will, within the 10-day period ending on the business day immediately preceding each Closing Date, make such arrangements as shall be agreed to by the Lessee for the purchase of Canadian funds for delivery on such Closing Date, so that all payments made to the Builder on such Closing Date shall have been converted at an identical exchange rate. As provided in the CSA, the exchange rate actually used by the Agent in making such funds purchase shall be final and conclusive for all purposes in thereafter determining the U.S. funds amount of the Purchase Price and CSA Indebtedness with respect to the Equipment settled for on such Closing Date.

10. Agent's Duties. The Agent will accept payments made to it by or for the account of the Trustee pursuant to the CSA on account of the principal of or interest on the CSA Indebtedness and will apply such payments

promptly, first, to the payment of interest payable to the Investor on its interest in the CSA Indebtedness, and second, to the payment of its interest in the installments of CSA Indebtedness in the order of maturity thereof until the same shall have been paid in full.

The Agent will accept all sums paid to it pursuant to Article 7 of the CSA with respect to Casualty Occurrences or a Termination (as such terms are therein defined) in respect of any Equipment and will apply such sums to the pro rata prepayment of each of the installments of the aggregate CSA Indebtedness in respect of such Equipment remaining unpaid (in proportion to the principal amount of aggregate CSA Indebtedness represented by each such installment), without premium, together with interest accrued and unpaid on such prepaid CSA Indebtedness and will distribute such prepayment and interest thereon to the Investor. The Agent will also promptly furnish to the Investor a revised schedule or schedules of payments showing the reduction of the Investor's interest in the installments of the aggregate CSA Indebtedness remaining unpaid.

Notwithstanding anything to the contrary contained herein, if a Declaration of Default (as defined in the CSA) is in effect, all moneys held by or coming into the possession of the Agent under the CSA or the Trust Agreement applicable to the payment or prepayment of CSA Indebtedness or interest thereon (including, without limitation, the net proceeds of any repossession and sale or lease of any unit of the Equipment after deduction of all expenses, including reasonable counsel fees, incurred by the Agent in connection with such repossession and sale or lease or otherwise hereunder in connection with the CSA which shall not theretofore have been reimbursed to the Agent by the Trustee pursuant to the CSA) immediately shall be distributed by the Agent to the Investor and the Agent shall otherwise take such action as is referred to in this Paragraph 10.

All payments to be made by the Agent hereunder shall (subject to timely receipt by the Agent of available funds) be made by check mailed to the Investor on the date such payment is due or, upon written request of the Investor, by bank wire transfer of immediately available funds to the Investor at such address as may be specified to the Agent in writing.

So long as, to the actual knowledge of the Agent, the Lessee is not in default under this Agreement, and no event of default or event which with lapse of time and/or

giving of notice provided for in the CSA or the Lease could constitute an event of default under the CSA or an Event of Default under the Lease shall have occurred and be continuing (any such default, event of default or event being hereinafter called a "Default"), the Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights or taking or refraining from taking any action which may be vested in it, or which it may be entitled to assert or take, hereunder or under the CSA or under the Trust Agreement, except as otherwise specifically provided herein. The Agent shall not incur any liability hereunder or otherwise in acting upon any notice, certificate or other paper or instrument believed by it to be genuine and signed by the proper party or parties, or with respect to anything which it may do or refrain from doing in the exercise of its best judgment, or which may seem to it to be necessary or desirable in the premises, except liability resulting from its own misconduct or negligence; provided, however, that in case the Agent shall have actual knowledge of the occurrence of a Default it shall promptly notify the Trustee, the Owner, the Lessee and the Investor thereof and shall take such action and assert such rights under the CSA and the Trust Agreement as shall be agreed upon by the Investor. In case the Agent is required to take action hereunder, it shall be indemnified against any liability or expense, including reasonable counsel fees, in connection with taking such action or asserting such rights by the Investor.

The Agent may consult with legal counsel of its own choice, and shall not be under any liability for any action taken or suffered in good faith by it in accordance with the opinion of such counsel.

The Agent will promptly mail or deliver to the Investor one counterpart or copy of all notices, statements, documents or schedules received by it from the Trustee or the Lessee pursuant hereto or pursuant to the CSA or the Trust Agreement.

All notices, instructions, directions and approvals to be delivered hereunder to the Agent by the Investor shall be in writing signed by an officer, assistant officer, manager or assistant manager of the Investor, and the Agent may rely on any notice, instruction, direction or approval so signed.

The Agent does not make any representation or assume any responsibility with respect to (i) the validity of

the CSA, the Assignment, the Lease, the Trust Agreement or any certificate of interest (except with respect to its own execution thereof) or any of the matters covered thereby or (ii) the value of or the title to the Equipment.

In the event of any dispute with respect to the delivery or ownership or right to possession of funds or documents at any time held by the Agent hereunder, or with respect to title to any unit of the Equipment, the Agent is hereby authorized and directed to retain, without liability to anyone, all or any of such funds or documents or title to such unit until such dispute shall have been settled either by agreement of the Investor or by final order, decree or judgment of a court of competent jurisdiction.

The Agent shall be entitled to terminate its duties and responsibilities hereunder by giving written notice to the Investor, the Trustee, the Owner and the Lessee that it desires to terminate such duties and responsibilities on a date (at least 30 days subsequent to the giving of such notice) stated in said notice; it being understood and agreed that the Agent shall also give such notice if it is directed so to do by the Investor. If, prior to the date stated in said notice, the Investor shall have requested in writing that the Agent assign to a person or institution designated by the Investor all right, title and interest of the Agent under the CSA, the Assignment and the Trust Agreement and in and to the Equipment, the Agent shall comply with such request. In the event that such request is not received by the Agent on or before the date designated in said notice, the Agent shall be entitled to appoint a successor to act hereunder (which successor shall be a bank or trust company located in any state of the United States of America or the District of Columbia having capital and surplus aggregating at least \$50,000,000) and to assign to such successor, subject to the provisions of this Agreement, all such right, title and interest of the Agent. Upon such assignment by the Agent to a person or institution designated by the Investor or, in the absence of such designation, to a successor appointed by the Agent, the Agent shall thereupon be relieved of all duties and responsibilities hereunder.

11. Lessee Reports. The Lessee will deliver to the Owner and the Agent copies (including an additional copy for the Agent to be transmitted to the Investor Indebtedness) of such reports with respect to its general business activities and financial affairs as it may from time to time publish generally, and will furnish such other information with respect to its activities and financial affairs as the

Owner or the Investor may reasonably request from time to time.

12. Addresses. All deposits to be made hereunder by the Investor with the Agent shall be wired to The Annapolis Banking and Trust Company, Main Street and Church Circle, Annapolis, Maryland, for credit to the Agent's Account No. 52076-1, with a request that The Annapolis Banking and Trust Company advise Mrs. K. M. Tollberg, Assistant Vice President, Mercantile-Safe Deposit and Trust Company, Baltimore, Maryland, that the deposit is "Re: Canadian Wheat Board 9/15/80 (First Security Bank of Idaho Equipment)". All documents and other funds deliverable hereunder to the Agent shall be delivered to it at P. O. Box 2258, 2 Hopkins Plaza, Baltimore, Maryland 21203, Attention of Corporate Trust Department, or as the Agent may otherwise specify.

All documents and funds deliverable hereunder to the Investor shall be delivered or mailed to it at 23 Wall Street, New York, New York 10015, Attention of Mr. John G. Dickerson, or as the Investor may otherwise specify.

All documents and funds deliverable hereunder to the Trustee shall be delivered to it at 79 South Main Street, Salt Lake City, Utah 84111, Attention of Trust Division, Corporate Trust Department.

All documents and funds deliverable hereunder to the Lessee shall be delivered to it at 423 Main Street, Winnipeg, Manitoba R3C 2P5, Canada, Attention of Treasurer/Comptroller.

All documents and funds deliverable hereunder to the Owner shall be delivered to it at the address set forth below its name on the signature pages hereof.

All documents deliverable hereunder to Messrs. Cravath, Swaine & Moore shall be delivered to them at One Chase Manhattan Plaza, New York, New York 10005.

13. Expenses. United States Lease Financing, Inc. ("USLF"), has agreed to pay or cause to be paid (i) all of the costs and expenses incurred by the Trustee, the Agent, the Owner and the Investor in connection with the preparation, execution, delivery, recording, registration and filing of this Agreement, the Trust Agreement, the CSA, the Assignment, the Lease or any amendments, supplements or waivers with respect hereto or thereto entered into on or

prior to the last Closing Date or for the purpose of correcting errors or omissions, including the reasonable fees and disbursements of (1) Messrs. Cravath, Swaine & Moore, special counsel for the Agent, the Investor and the permanent investors contemplated by the second paragraph of Paragraph 2 hereof, (2) Messrs. Tory, Tory, DesLauriers & Binnington, special Canadian counsel for the Agent, the Investor, the Owner and such permanent investors and (3) Messrs. Ray, Quinney & Nebeker, counsel for the Trustee, and (4) Messrs. Davis Polk and Wardwell, counsel for the Owner, (ii) the reasonable fees and disbursements of the Agent and the Trustee except those incurred subsequent to termination of the Lease by the Agent after the occurrence of an Event of Default (as defined in the Lease) or attributable to periods during the continuance of a Declaration of Default made under the CSA while an Event of Default shall have occurred and be continuing and (iii) the fees and expenses of Salomon Brothers and Wood Gundy Incorporated (in an amount not to exceed $\frac{3}{8}$ of 1% of the aggregate CSA Indebtedness) in connection with the arranging of financing by the permanent investors. The costs and expenses incurred by the Trustee and the Agent in connection with any amendments, supplements or waivers with respect to the documents referred to in clause (i) above not required to be paid by USLF pursuant to such clause (i) shall be paid by the party requesting such amendment, supplement or waiver. The Owner agrees to pay or cause to be paid (a) a commitment fee to the Investor on the average daily unused portion of the Investor's commitment to make deposits hereunder from and including December 1, 1980, to the Cut-Off Date (as defined in the CSA) at the rate of $\frac{3}{8}$ of 1% per annum (computed on the basis of the actual days elapsed in a year of 365 or 366 days, as the case may be), payable on the Cut-Off Date and (b) the costs and expenses incurred by the Trustee, the Owner and the Agent (other than the fees and expenses referred to in clause (iii) above) in connection with the acquisition by permanent investors of the Investor's interest hereunder, as contemplated by the second paragraph of Paragraph 2 hereof; provided, however, that any payment by the Owner pursuant to this sentence will result in an adjustment of the rentals payable under the Lease as provided in § 3 thereof.

Notwithstanding the foregoing provisions of this Paragraph 13, neither the Owner nor USLF shall be required to pay any amount pursuant to this Paragraph 13 which the Lessee shall be obligated to pay under § 24 of the Lease.

14. Notice of Default. In the event that the Owner, the Trustee or the Lessee shall have knowledge of an

event of default under the Lease or the CSA, such party shall give prompt notice by telephone (confirmed in writing) thereof to the Agent and, in the case of notices by the Trustee and the Lessee, to the Owner. In the case of the Trustee, knowledge shall mean actual knowledge of an officer or employee of the Corporate Trust Department of the Trustee.

15. Governing Law. The terms of this Agreement and all rights and obligations of the parties hereto hereunder shall be governed by the laws of the State of Utah. Such terms, rights and obligations may not be changed orally, but may be changed only by an agreement in writing signed by the party against whom enforcement of such change is sought.

16. Nonrecourse Nature of Trustee's Obligations. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, warranties, undertakings and agreements herein made on the part of the Trustee (except for the representations and warranties made by the Trustee, in subparagraphs (a), (b) and (d) of Paragraph 5 hereof and, insofar as said subparagraph relates to the Trust Agreement, in subparagraph (c) of Paragraph 5 hereof) are each and every one of them made and intended not as personal representations, warranties, undertakings and agreements by First Security Bank of Utah, N.A., or for the purpose or with the intention of binding it personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and (except as aforesaid) this Agreement is executed and delivered by First Security Bank of Utah, N.A., solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against it or the Owner on account of any representation, warranty, undertaking or agreement herein of the Trustee (except as aforesaid), either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Lessee, the Agent and the Investor and by all persons claiming by, through or under the Lessee, the Agent and the Investor; provided, however, that the Lessee, the Agent and the Investor or any person claiming by, through or under any of them, making claim hereunder, may look to the Trust Estate for satisfaction of the same.

The Investor and any assignee thereof of any portion of the Investor's interest in the CSA Indebtedness shall have no further interest in or other right with respect

to the Trust Estate when and if the principal of and interest on the CSA Indebtedness and such other sums as are payable to such party hereunder, under the CSA and the Assignment shall have been paid in full. The Investor agrees that it will look solely to the Trust Estate, to the extent available for distribution to the Agent as provided in the Trust Agreement, the CSA and the Assignment, for all payments to be made to it in respect of the CSA Indebtedness and that the Owner shall not be personally liable to the Investor or to any assignee thereof of any portion of the Investor's interest in the CSA Indebtedness for any amounts payable in respect of the CSA Indebtedness, except for the obligations set forth in the proviso in the third paragraph of Article 12 of the CSA, the payments to be made pursuant to subparagraph (a) of the third paragraph of Article 4 of the CSA and Sections 1.03 and 5.02 of the Trust Agreement.

17. Owner Assets. It is further understood and agreed that the assets of the Owner (other than those included in the Trust Estate) shall not be subject in any way to any claim by the Agent or the Investor by reason of any of the obligations of the Trustee hereunder or under the Trust Agreement, the CSA or the Lease, by way of any bankruptcy law (including, without limitation, any reorganization of the Trust Estate under the Bankruptcy Reform Act of 1978, as amended (the "Act")) or otherwise, except for the obligations of the Owner under Sections 1.03 and 5.02 of the Trust Agreement. If for any reason, whether or not related to the Act, the Investor shall recover from the Trustee or the Owner any amount by reason of any circumvention of the nonrecourse provisions contained herein or in the CSA, the Investor hereby irrevocably agrees to return promptly such amount recovered to the Trustee or the Owner.

18. Agreement of Owner. The Owner hereby agrees with the Lessee to the provisions set forth in Annex A to the Lease.

19. Counterparts. This Agreement may be executed in any number of counterparts, all of which together shall constitute a single instrument and it shall not be necessary that the parties hereto sign the same counterpart so long as all counterparts shall be executed by the Agent and the other parties hereto shall each sign such a counterpart.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by duly authorized officers or

other persons, as of the date first above written.

AMENDED AND RESTATED CONDITIONAL SALE AGREEMENT dated as of September 15, 1980, as amended and restated as of November 1, 1982, between NATIONAL STEEL CAR LIMITED, a Canadian corporation (the "Vendor" or the "Builder" as more particularly set forth in Article 1 hereof), and FIRST SECURITY BANK OF UTAH, N.A., not individually but solely in its capacity as Trustee (the "Vendee"), under a Trust Agreement dated as of the date hereof [September 15, 1980] (the "Trust Agreement") with Mercantile-Safe Deposit and Trust Company (the "Assignee" or the "Vendor") and First Security Bank of Idaho, N.A. (the "Owner").

The Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (the "Equipment").

The Vendee is entering into a lease dated as of the date hereof with The Canadian Wheat Board, a body corporate acting as agent of Her Majesty in right of Canada (the "Lessee"), substantially in the form annexed hereto as Annex C (the "Lease").

The Assignee is acting as agent under a Participation Agreement dated as of the date hereof (the "Participation Agreement"), among the Assignee, the Owner, the Lessee, the Vendee and Morgan Guaranty Trust Company of New York (the "Investor").

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties hereto contemplate that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined) for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by the Assignee pursuant to an Agreement and Assignment dated as of the date hereof between the Builder and the Assignee (the "Assignment").

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

In case of such assignment, the Vendee will enter into the Lease with the Lessee to provide, among other things, for the payment and performance of all the Vendee's obligations hereunder.

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall construct the Equipment at its plant described in Annex B hereto, and the Builder will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the "Specifications"). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all Department of Transport (Canada), United States Department of Transportation and Interstate Commerce Commission requirements and specifications and to all standards, if any, recommended by the Association of American Railroads reasonably interpreted as then being applicable to each such unit of Equipment, and each such unit will be new railroad equipment.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of the Equipment to the Vendee at the place or places specified in Annex B hereto, freight and storage charges, if any, prepaid and included in the

Purchase Price (as hereinafter defined), in accordance with the delivery schedule set forth in Annex B hereto; provided, however, that delivery of any unit of the Equipment shall not be made until the Builder shall have been notified by the Assignee or its counsel that the conditions (including the receipt of opinions of counsel as to the necessary filing and recording of documents) contained in Paragraph 7 of the Participation Agreement have been met or waived and the Builder shall have been notified by the Vendee or its counsel that the conditions contained in Paragraph 8 of the Participation Agreement have been met or waived; and provided further that the Builder shall not have any obligation to deliver any unit of Equipment hereunder subsequent to the commencement of any proceedings specified in clause (c) of Article 15 hereof or the occurrence of any event of default (as described in Article 15 hereof), or event which, with the lapse of time and/or demand, could constitute such an event of default. The Builder agrees not to deliver any unit of Equipment hereunder following receipt of written notice from the Vendee or the Assignee (a) of the commencement of any such proceedings or the occurrence of any such event, as aforesaid, or (b) that any of the conditions contained in Paragraph 7 or 8 of the Participation Agreement have not been met or waived. The Builder's forbearance so to deliver shall not in any way adversely affect the rights of the Builder.

Any Equipment not delivered at the time of receipt by the Builder of the notice specified in the second sentence of the first paragraph of this Article 3 and any Equipment not delivered and accepted hereunder on or prior to December 31, 1980, shall be excluded from this Agreement, and the Vendee shall be relieved of its obligation to purchase and pay for such Equipment. If any Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the Builder and the Vendee shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom; and pursuant to the Participation Agreement the Lessee has agreed to purchase such excluded Equipment and any Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof from the Builder thereof as provided in Paragraph 1 of the Participation Agreement.

The Builder's obligation as to the time of delivery set forth in Annex B is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including, but not limited to, acts of God, acts of government such as embargoes, priorities and allocations,

war or war conditions, riot or civil commotion, sabotage, strikes, lockouts, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees or agents of the Lessee), and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect the materials used in the construction of its Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee or agent of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (the "Certificate of Acceptance"), substantially in the form of Schedule D to the Lease; provided, however, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 13 hereof.

On delivery and acceptance of each such unit hereunder at the place specified for delivery, the Builder shall not have any further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; provided, however, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 13 hereof.

Notwithstanding the foregoing or any other provision of this Agreement to the contrary, the delivery to and acceptance by or on behalf of the Vendee of any unit of Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof shall be ineffective, ab initio, to create in or transfer to the Vendee any legal or beneficial right or interest in such unit or (except as provided in the first paragraph of Article 4 hereof) to impose on the Vendee any liability, obligation or responsibility with respect thereto; any right or interest in any such unit created in or transferred to, or purported to be created in or transferred to, the Vendee shall be held by the Vendee solely as trustee for the benefit of the Lessee.

ARTICLE 4. Purchase Price and Payment. The base price or prices per unit of the Equipment are set forth in Annex B hereto and are subject to such increase or decrease as may be agreed to by the Builder, the Vendee and the Lessee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased as set forth in the invoice or invoices of the Builder delivered to the Vendee, including any increase pursuant to the presentation of a supplemental invoice as hereinafter provided; provided, however, that for all purposes of this Agreement other than for the purpose of determining the amount payable to the Builder pursuant to subparagraph (a) of the third paragraph of this Article 4, the term Purchase Price shall be deemed to mean the amount specified in the Builder's invoice or invoices but expressed in United States dollars based on the actual cost to the Vendee and the Assignee of the Canadian dollars used to make the payments to the Builder pursuant to subparagraph (a) of the third paragraph of this Article 4 and Section 4 of the Assignment; provided further, however, that the Purchase Price of each unit of Equipment delivered, accepted and settled for under this Agreement shall be deemed to be the average Purchase Price of all such units. If the unit price specified in any invoice is greater than the base price set forth in Annex B, or if any increase in price pursuant to a supplemental invoice would cause the Purchase Price of any unit to be greater than such base price, such invoice or supplemental invoice, as the case may be, shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee. If on any Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of Equipment for which settlement has theretofore been and is then being made under this Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Item 5 of Annex A hereto (or such higher amount as the Vendee may at its option agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder (and any assignee of the Builder) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than the Maximum Purchase Price specified in Item 5 of Annex A hereto (or such higher amount as aforesaid); provided, however, that for the purposes of this sentence the term "aggregate Purchase Price" shall be deemed to include the maximum increase in the Purchase Price of Equipment for which settlement has

theretofore and is then being made under this Agreement which would be permitted under the proviso to the last sentence of the third paragraph of this Article 4. The Vendee shall take such other steps, including the execution of instruments of transfer, as may be reasonably requested by the Lessee for the purpose of acknowledging and perfecting the interest of the Lessee in any unit of Equipment so excluded from this Agreement, and the Vendee shall have no further obligation or liability in respect of units so excluded.

The Equipment shall be settled for in such number of groups of units of the Equipment delivered to and accepted by the Vendee as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a "Group"). The term "Closing Date" with respect to any Group shall mean such date or dates (not later than December 31, 1980, such later date being herein called the "Cut-Off Date"), occurring not more than five business days following presentation by the Builder to the Vendee of the invoices and of the Certificate or Certificates of Acceptance for the Equipment and written notice thereof by the Builder to the Lessee, as shall be fixed by the Builder by written notice delivered to the Vendee and the Assignee at least 10 business days prior to the Closing Date designated therein, and such term shall also include the date fixed for settlement in respect of the Final Supplemental Invoice (as hereinafter defined). The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Baltimore, Maryland, New York, New York, or Salt Lake City, Utah, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) not later than 11:00 a.m., New York City time, on each Closing Date an amount equal to 27.43826% of (i) the Purchase Price of the Equipment then being settled for, or (ii) in the case of an increase in the Purchase Price of any Equipment pursuant to a supplemental invoice as hereinafter provided for, the amount of such increase; and

(b) in 40 semiannual installments, as hereinafter provided, an amount equal to 72.56174% of the

applicable amount referred to in the foregoing clause (i) or (ii), as the case may be.

In the event that on any Closing Date the final Purchase Price of any Group has not been determined, the invoice presented may be for an estimated Purchase Price (as evidenced by the words "Interim Invoice" written on the face of such invoice), subject to adjustment upon determination of the final Purchase Price, and a supplemental invoice may be presented by the Builder at least 10 days prior to any subsequent Closing Date for settlement on such subsequent Closing Date for any increase in the Purchase Price; provided, however, that in no event shall the increase in the Purchase Price of any unit pursuant to a supplemental invoice exceed 2.5% of the estimated Purchase Price as specified in an Interim Invoice. One final supplemental invoice (the "Final Supplemental Invoice") may be presented by such Builder after the last Closing Date on which a Certificate or Certificates of Acceptance is presented for the last Group of Equipment provided by such Builder; provided, however, that the Final Supplemental Invoice may only be presented on or prior to the Cut-Off Date, and that the notation "Final Supplemental Invoice" shall appear on the face thereof. The settlement in respect of the Final Supplemental Invoice shall occur on such date (not later than the Cut-Off Date), occurring not more than 5 business days following presentation by the Builder to the Vendee of the Final Supplemental Invoice and written notice thereof by the Builder to the Lessee, as shall be fixed by the Builder by written notice delivered to the Vendee and the Assignee at least 10 business days prior to the settlement date designated therein.

The portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (the "Conditional Sale Indebtedness") shall be payable in 40 consecutive semiannual installments on each January 2 and July 2, commencing July 2, 1981, to and including January 2, 2001 (or if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a "Payment Date". The unpaid balance of the Conditional Sale Indebtedness shall bear interest as follows:

(a) the unpaid balance of the Conditional Sale Indebtedness held by the Investor shall bear interest from and including the Closing Date in respect of which such indebtedness was incurred to but not including the Financing Date (as hereinafter defined) at the rate

publicly announced by the Investor from time to time as its Prime Rate (the "Prime Rate") for all periods ending on or before January 1, 1982, at the Prime Rate plus 1/2% for all periods commencing after January 1, 1982, and ending on or before July 1, 1984, and at the Prime Rate plus 5% for all periods commencing after July 1, 1984 (the interest rate applicable from time to time under this clause being hereinafter called the "Floating Prime Rate"); the rate of interest payable hereunder shall change simultaneously with each change in the Prime Rate; and

(b) the unpaid balance of the Conditional Sale Indebtedness held by the Permanent Investor (as defined in the Supplemental Participation Agreement and Amendment dated as of November 1, 1982 (the "Supplemental Participation Agreement")) and any of its successors or assigns shall bear interest from and including the Financing Date (as defined in the Supplemental Participation Agreement) on which such Conditional Sale Indebtedness was acquired by the Permanent Investor from the Investor pursuant to the Supplemental Participation Agreement at the rate of 14-7/8% per annum.

All such interest shall be payable, to the extent accrued, on January 2, 1982, and on each Payment Date thereafter; provided, however, that the amount of interest payable on any January 2 may, at the option of the Vendee, be prepaid on the last business day of the next preceding calendar year. The amounts of Conditional Sale Indebtedness payable on each Payment Date following the Financing Date shall be calculated to be substantially in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Schedule I hereto and the aggregate of such installments of principal shall completely amortize Conditional Sale Indebtedness at the maturities set forth in such Schedule I. The Vendee will furnish to the Vendor and the Lessee promptly after the Financing Date a schedule showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of 12 30-day months. Each rate of interest determined with respect to any period pursuant to the preceding paragraph expressed for the purpose of the Interest Act (Canada) as a calendar year rate per annum is equivalent to such rate as so determined multiplied

by the fraction (i) the numerator of which shall be the actual number of days in the then current calendar year multiplied by the number of days in such period, assuming that each whole month which shall have elapsed in such period shall be comprised of 30 days and (ii) the denominator of which shall be the actual number of days in such period multiplied by 360.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof as follows:

(a) all such amounts due and payable to the Investor shall bear interest at the Floating Prime Rate plus 2%; and

(b) all such amounts due and payable to the Permanent Investor or any of its successors or assigns shall bear interest at the rate of 15-7/8% per annum.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts except that payments under subparagraph (a) of the third paragraph of this Article 4 shall be made in Canadian dollars. Except as provided in Articles 7 and 15 hereof, the Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 15 and 16 hereof) but not limiting the effect of Article 21 hereof, the liability of the Vendee or any assignee of the Vendee for all payments to be made by it under and pursuant to this Agreement, including any liability arising out of or in connection with the performance of its obligations hereunder and excluding only the obligations set forth in the proviso in the third paragraph of Article 12 hereof and the payments to be made pursuant to subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment"; In addition, the Vendor agrees that the Vendee (i) makes no representation or warranty with respect to, and is not responsible for, the due execution, validity or enforceability of the Lease (or any document relating thereto) insofar as it relates to the Lessee or to any of the Lessee's obligations thereunder and (ii) shall not be

responsible for the performance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 15 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee or any assignee of the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences or a Termination (as such terms are defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and any and all other payments received under § 10 or any other provision of the Lease and (b) any and all payments or proceeds received for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee or any assignee of the Vendee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences or a Termination) and/or interest thereon due and payable on the date such amounts were required to be paid pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include (A) amounts referred to in the foregoing clauses (a) and (b) received by the Vendee or any assignee of the Vendee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences or a Termination) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Vendee or any assignee of the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease or (B) amounts payable by the Lessee to the Owner or to the Vendee in its individual capacity pursuant to § 6, 9 or 15 of the Lease. Notwithstanding anything to the contrary contained in Article 15 or 16 hereof, the Vendor agrees that in the event it shall obtain a judgment

against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph. Nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment for the full unpaid Purchase Price of the Equipment and interest thereon and all other payments and obligations hereunder.

ARTICLE 5. Security Interest in the Equipment.

The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment releasing its property and security interest therein to the Vendee or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 20 hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and

deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any Taxes (as defined in § 6 of the Lease) (other than gross receipt taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes], taxes measured by net income, excess profits taxes and similar taxes) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which Taxes the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all Taxes which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom (except as provided, above) or upon the Vendor solely by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all Taxes which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any Taxes of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such Taxes and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any Taxes shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any Taxes so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved in writing the payment thereof. Nothing in this Article 6 shall be deemed to imply an obligation on the part of the Vendee to file any tax returns or reports on behalf of the Builder or the Assignee.

ARTICLE 7. Maintenance, Termination and Casualty Occurrences. The Vendee shall, at its own cost and expense,

maintain and keep each unit of the Equipment in good operating order, repair and condition, ordinary wear and tear excepted, and eligible for railroad interchange in accordance with the interchange rules of the Association of American Railroads and/or the rules of any governmental agency or other organization with jurisdiction, if applicable.

In the event that the Lease is terminated pursuant to the ninth and succeeding paragraphs of § 7 of the Lease (a "Termination") or any unit of the Equipment shall suffer a Casualty Occurrence (as defined in § 7 of the Lease), the Vendee shall, promptly after it shall have received notice from the Lessee or has otherwise been informed of a Termination or that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. On the Casualty Payment Date (as defined in § 7 of the Lease) relating to such Casualty Occurrence or on the Termination Date (as defined in § 7 of the Lease) in the case of a Termination (each such date being hereinafter called a "Settlement Date"), the Vendee shall pay to the Vendor (i) in the case of a Casualty Occurrence, a sum equal to the Casualty Value (as hereinafter defined in this Article 7) of such unit suffering a Casualty Occurrence as of such Settlement Date and (ii) in the case of a Termination, a sum equal to the Termination Value (as hereinafter defined in this Article 7) of such unit subject to such Termination as of such Settlement Date. The Vendee shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit or the Termination Value of such unit, as the case may be. Any money paid to the Vendor pursuant to this paragraph shall be applied (after the payment of the interest and principal due on such date) on the date of such payment to prepay (without penalty or premium), ratably in accordance with the unpaid balance of each installment, the Conditional Sale Indebtedness, together with all interest accrued on the portion of the Conditional Sale Indebtedness being prepaid. The Vendee will promptly furnish or cause to be furnished to the Vendor and the Lessee a revised schedule of payments of principal thereafter to be made, in such number of counterparts as the Vendor may request.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (after giving effect to the scheduled payment of principal and interest due and made on such date, but

without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph and the next succeeding paragraph hereof, each payment of the Purchase Price made pursuant to Article 4 hereof shall be deemed to be a payment with respect to each unit of Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of all the Equipment.

The Termination Value of any unit shall be equal to the Casualty Value thereof.

Upon payment by the Vendee to the Vendor (i) of the Casualty Value of any units of the Equipment having suffered a Casualty Occurrence or (ii) of the Termination Value of the units in connection with a Termination, absolute right to the possession of, title to and property in such units shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such units, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such units.

If the Vendor shall receive any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. Reports and Inspections. On or before May 31 in each year, commencing with the year 1981, the Vendee shall cause to be furnished to the Vendor an accurate statement to the effect set forth in § 8 of the Lease. The Vendor shall have the right, by its agents, to inspect the Equipment and to discuss the Lessee's records with respect

thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 9. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered and marked as provided in § 5 of the Lease. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, obliterated, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the names, trademarks, initials or other insignia customarily used by the Lessee or its affiliates or any long-term operator or sublessee permitted under § 12 of the Lease to the extent provided in the proviso in the last paragraph of § 5 of the Lease.

ARTICLE 10. Compliance with Laws and Rules. During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all Applicable Laws (as defined in § 9 of the Lease), and in the event that any such Applicable Laws require any alteration, replacement or modification of or to any part of any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such Applicable Laws in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be

continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall, subject to the provisions of the last paragraph of § 4 of the Lease and the second paragraph of § 12 of the Lease, be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The foregoing provisions of this Article 12 shall be subject to the limitations set forth in the last paragraph of Article 4 hereof and the provisions of Article 21 hereof; provided, however, that the Vendee will pay or

discharge any and all taxes, claims, liens, charges or security interests claimed by any party from, through or under the Vendee or (to the extent it receives funds for such purpose) the Owner, or their successors or assigns, not arising out of the ownership of the Equipment or the transactions contemplated hereby (but, to the extent it receives funds for such purpose, including income taxes arising out of the receipt of rentals and other payments under the Lease and any other proceeds from the Equipment), which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder; but the Vendee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder.

ARTICLE 13. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Builder and the Assignee and their successors, assigns, agents and servants from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, penalties and interest, arising out of or as the result of the occurrence of a default or an event of default under this Agreement, the ownership, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, the compliance or noncompliance by the Lessee with any applicable law, rule or regulation with respect to the use, maintenance or operation of any of the Equipment, or any accident in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto, the property or a security interest therein remains in the Vendor; provided, however, that the Vendee shall not be required to indemnify the Builder against any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder, and the Vendee shall not be required to indemnify the Assignee in respect of the Assignee's wilful misconduct or negligence or in respect of any breach by the Assignee hereunder. This

covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder (except as provided in Article 21 hereof) in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder represents and warrants to the Vendee that at the time of delivery and acceptance of each unit of Equipment under this Agreement, the Builder will have good title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except (i) any claims, liens, security interests or other encumbrances created by any person other than the Builder or any of its affiliates, after such unit has been handed over by the Builder to Canadian National Railway Company ("CNR") at the storage area at the Builder's plant pursuant to the Bailment Agreement dated September 18, 1980, between the Builder and CNR (the "Bailment Agreement"), and (ii) the rights of any of the parties under the Participation Agreement and all Exhibits and Annexes thereto.

The Builder represents that it is not entering into this Agreement, or entering into any assignment of this Agreement, directly or indirectly in connection with any arrangement or understanding in any way involving any employee benefit plan (other than a governmental plan) with respect to which it is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974, as amended.

The agreement of the parties relating to the Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification are set forth in Items 3 and 4 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee will not, except as provided in Article 11 hereof, transfer the right to possession of any unit of the Equipment or sell, assign, transfer or otherwise dispose of its rights under this Agreement without the prior written consent of the Vendor, except as provided in the Trust Agreement.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee and the Lessee, together with a counterpart or copy of such assignment, stating the identity and post-office address of the assignee, and such assignee shall, by virtue of such assignment, acquire, all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct. The Vendee may rely upon documents received pursuant to this paragraph believed by it in good faith to be true and authentic.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever

arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) and such default shall continue for 10 business days after the date such payment is due and payable; or

(b) the Vendee (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) or the Lessee shall, for more than 30 days after the Vendor shall have demanded, in a writing addressed to the Vendee and the Lessee, performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) any proceeding shall be commenced by or against the Owner or the Vendee for any relief which includes, or might result in, any modification of the obligations of the Vendee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee under this Agreement or of the Owner under the Trust Agreement, as the case may be, shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed

(whether or not subject to ratification) for the Vendee or the Owner, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced; or

(d) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(e) an Event of Default shall have occurred under the Lease; provided, however, that an Event of Default under clause (a) of § 10 of the Lease shall not be deemed to be an event of default hereunder if within 10 business days after the occurrence of such Event of Default the Vendee shall make payment of all amounts in default under subparagraph (a) of this Article;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee, the Owner and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, declare (a "Declaration of Default") the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. In addition, if the Vendee does not pay the entire unpaid Conditional Sale Indebtedness, together with the interest thereon accrued and unpaid to the date of payment, within 15 days of such notice of Declaration of Default, the Vendor may (subject to the proviso in the second paragraph of § 4 of the Lease relating to termination and to the Lessee's rights of possession, use and assignment under §§ 4 and 12 of the Lease) cause the Lease immediately, upon written notice to the Vendee, to terminate, but the Lessee shall remain liable as therein provided. Upon a Declaration of

Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee, subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Vendee shall promptly notify the Vendor of any event of which it has knowledge which constitutes, or with the giving of notice and/or lapse of time could constitute, an event of default under this Agreement. Knowledge of the Vendee shall mean actual knowledge of an officer or employee of its Corporate Trust Department.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 16. Remedies. Subject to the Lessee's rights of quiet enjoyment, possession, use and assignment under §§ 4 and 12 of the Lease at any time during the continuance of a Declaration of Default, the Vendor may, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, causing prompt telegraphic and written notice to be given to the Association of American Railroads and all railroads to which any unit or units of the Equipment have been interchanged to return the unit or units so interchanged) cause the Equipment to be placed upon such storage tracks as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to (i) any reasonable place in Canada on any lines of a Canadian railway or to the point of interconnection with any connecting carrier for shipment, or (ii) any reasonable place in the United States on any lines of CNR or Canadian Pacific Limited or any of their respective affiliates which is not more than 100 miles from the border between the United States and Canada, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This Agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided)

may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee, the Owner and the Lessee by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 60 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided further, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. Before making any such sale, lease or other disposition pursuant to the preceding proviso, the Vendor, pursuant to the Trust Agreement, shall first instruct the Vendee to terminate the Lease if the Event of Default hereunder is caused solely by a default by the Lessee under the Lease. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

Subject to the Lessee's rights of quiet enjoyment, possession, use and assignment under §§ 4 and 12 of the Lease, at any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Lessee and any other persons to whom the law may require notice of the time and place, may sell the

Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee or any other party claiming from, through or under the Vendee or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor, the Vendee or the Lessee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Lessee shall be given written notice of such sale not less than 10 days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the rights of the Lessee and the Vendee to purchase or provide a purchaser, within 10 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the

Lessee (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder. From and after the date of any such sale, the Vendee shall (subject to Article 4 hereof) pay to the Vendor an amount equal to the interest rate on the unpaid Conditional Sale Indebtedness with respect to any such unit which shall not have been assembled, as hereinabove provided, by the date of such sale for each day from the date of such sale to the date of delivery to the purchaser at such sale.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of Article 21 hereof and the last paragraph of Article 4 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall

remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

Subject to the limitations of Article 21 hereof and the last paragraph of Article 4 hereof, the Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will (a) cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 and as contemplated by Paragraph 7(b) of the Participation Agreement; (b) from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law (including renewals of the filings contemplated by Paragraph 7(b) of the Participation Agreement) or reasonably

requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and (c) promptly furnish or cause to be furnished to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Purchase Order (as defined in the Participation Agreement) and the Participation Agreement and its exhibits, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it by first-class mail, postage prepaid, at the following addresses:

(a) to the Vendee, at 79 South Main Street, Salt Lake City, Utah, Attention of Trust Division, Corporate Trust Department,

(b) to the Lessee, at 423 Main Street, Winnipeg, Manitoba R3C 2P5, Attention of Treasurer/Comptroller,

(c) to the Builder, at its address specified in Item 1 of Annex A hereto,

(d) to the Owner, at its address set forth in the Participation Agreement, and

(e) to any assignee of the Vendor, or of the Vendee, at such address as may have been furnished in writing to the Vendee, or the Vendor, as the case may be, and to the Lessee, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 21. Immunities; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the second paragraph of Article 16 and under Articles 3, 7 (other than the second and third sentences of the second paragraph thereof) 8, 9, 10, 12 (other than the proviso to the last paragraph thereof), 13 (other than the first paragraph thereof) and 18 hereof shall be deemed in all respects satisfied by the Lessee's undertakings contained in the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 15 hereof. No waiver or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, warranties, undertakings and agreements herein made on the part of the Vendee are made and intended not as personal representations, warranties, undertakings and agreements by First Security Bank of Utah, N.A., or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement; and except in the case of gross negligence or wilful misconduct, in the case of said bank, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank or the Owner on account of this Agreement or on account of any representation, warranty, undertaking or agreement of the Vendee (except as aforesaid) or the Owner hereunder, either expressed or implied, except for their respective

obligations under the proviso to the last paragraph of Article 12 hereof; all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor.

The Vendee agrees that it will not enter into any amendment to or modification of the Trust Agreement except as provided in Article VIII thereof.

ARTICLE 22. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of Utah; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing, recording or deposit hereof and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited, or in which any unit of the Equipment shall be located, and any rights arising out of the markings of the units of Equipment.

ARTICLE 23. Execution. This Agreement may be executed in any number of counterparts, such counterparts together constituting but one and the same contract, but the counterpart delivered to the Assignee pursuant to the Assignment shall be deemed the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Agreement is dated as of the date first above written, the actual dates of execution hereof by the parties hereto are the dates stated in the acknowledgments hereto annexed.

ARTICLE 24. Judgment. (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in U.S. dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Vendor could purchase U.S. dollars with such other currency on the business day preceding that on which final judgment is given.

(b) The obligation of the Vendee in respect of any sum due from it to the Vendor hereunder shall, notwithstanding any judgment in a currency other than U.S. dollars, be discharged only to the extent that on the business day following receipt by the Vendor of any sum adjudged to be so due in such other currency the Vendor may

in accordance with normal banking procedures purchase U.S. dollars with such other currency; if the U.S. dollars so purchased are less than the sum originally due to the Vendor in U.S. dollars, the Vendee agrees, as a separate obligation and notwithstanding any such judgment but subject to the limitations of Article 21 hereof and the last paragraph of Article 4 hereof, to indemnify the Vendor against such loss, and if the U.S. dollars so purchased exceed the sum originally due to the Vendor in U.S. dollars, the Vendor agrees to remit to the Vendee such excess.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed as of the date first above written.

Annex A

to

Conditional Sale Agreement

- Item 1: National Steel Car Limited, Post Office Box 450, Hamilton, Ontario L8N 3J4.
- Item 2: The Equipment shall be settled for in not more than two Groups of units delivered to and accepted by the Vendee, unless a greater number shall be agreed to by the parties hereto.
- Item 3: The Builder warrants that the Equipment will be built in accordance with the Specifications and the standards and requirements set forth in Article 2 of the CSA to which this Annex is attached (the "Agreement") and warrants the Equipment will be free from defects in material (except as to specialties incorporated therein and workmanship with respect thereto specified by the Lessee and not manufactured by the Builder) and workmanship under normal use and service. The Builder's liability under this Item 3 is limited to making good at its plant any part or parts of any unit of Equipment which shall, within one year after the delivery of such unit of Equipment to the Vendee, be returned to the Builder with transportation charges prepaid and which examination by the Builder shall disclose to its satisfaction to have been thus defective. THE BUILDER MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. The rights of the Lessee and the Vendee under the foregoing warranty shall be their sole and exclusive remedy and the Builder will have no liability for lost profits or for indirect, incidental, consequential or commercial losses. This warranty is expressly in lieu of all other warranties expressed or implied on the part of the Builder, except for its obligations and liabilities under Articles 2, 3, 4 and 13 of this Agreement and Item 4 below. The Builder neither assumes nor authorizes any person to assume for it any other warranty liability in connection with the construction and delivery of the Equipment.

The Builder further agrees that the Lessee and the Vendee as well as the Builder may to the extent permitted by law take and prosecute claims against vendors of specialties purchased by the Builder for incorporation in the Equipment manufactured by the Builder for the breach of any warranty by the vendors with respect to such specialties. The Builder, the Lessee and the Vendee each agree to notify the others prior to the assertion of any claim by them against any such vendors of specialties. If the Builder determines that it has no interest in any such claim asserted by the Vendee, the Builder agrees to assign to the Lessee and the Vendee, solely for the purpose of making and prosecuting any such claim, all the rights which the Builder has against such vendor for the breach of warranty or other representation respecting the Equipment manufactured by it. The word "specialties" as used herein shall be deemed to include articles, materials, systems, formulae and processes.

The Builder further agrees with the Lessee and the Vendee that neither the inspections provided for in Article 3 of this Agreement, nor any examination, nor the acceptance of any units of its Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee of any of its rights under this Item 3.

- Item 4: Except in case of designs, processes or combinations specified by the Lessee and not developed or purported to be developed by the Builder, and articles and materials specified by the Lessee and not manufactured by the Builder, the Builder agrees to indemnify, protect and hold harmless the Lessee, the Vendee and the Owner from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Lessee, the Owner and the Vendee because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, process, combination, article or material infringing or claimed to infringe on any patent or other right. The Lessee, as a condition to its being a third-party beneficiary hereof, will indemnify, protect and hold harmless the Builder from and against any and all

liabilities, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Builder because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, process or combination specified by the Lessee and not developed or purported to be developed by the Builder, or article or material specified by the Lessee and not manufactured by the Builder, which infringes or is claimed to infringe on any patent or other right. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, transfer, assign, set over and deliver to the Lessee every claim, right and cause of action which the Builder has or hereafter shall have against the originator or seller or sellers of any design, process, combination, article or material specified by the Lessee and used by the Builder in or about the construction or operation of the Equipment, or any unit thereof, on the ground that any such design, process, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right, and the Builder further agrees to execute and deliver to the Lessee all and every such further assurances as may be reasonably requested by them more fully to effectuate the assignment, transfer and delivery of every such claim, right and cause of action. The Lessee, as a condition to its being a third-party beneficiary hereof, will give notice to the Builder of any claim known to the Lessee on the basis of which liability may be charged against the Builder hereunder.

Item 5: The Maximum Purchase Price referred to in Article 4 of the Agreement is U.S. \$12,576,218.

AMENDED AND RESTATED LEASE OF RAILROAD EQUIPMENT dated as of September 15, 1980, as amended and restated as of November 1, 1982, between THE CANADIAN WHEAT BOARD, a body corporate acting as agent of Her Majesty in right of Canada (the "Lessee"), and FIRST SECURITY BANK OF UTAH, N.A., a national banking association, not individually but solely in its capacity as Trustee (the "Lessor") under a Trust Agreement dated as of the date hereof [September 15, 1982] (the "Trust Agreement").

The Lessor is entering into a conditional sale agreement dated as of the date hereof (the "CSA") with National Steel Car Limited (the "Builder") wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule A hereto (the "Equipment"). First Security Bank of Idaho, N.A. (the "Owner") will be the beneficial owner of the Equipment delivered and accepted under the CSA. The Builder is assigning its interest in the CSA to Mercantile-Safe Deposit and Trust Company, acting as agent (said bank acting in such capacity being hereinafter called the "Vendor") under a Participation Agreement dated as of the date hereof (the "Participation Agreement").

The Lessee desires to lease such number of units of the Equipment as are delivered, accepted and settled for under the CSA (the "Units") and for which Certificates of Acceptance referred to in § 2 hereof are executed and delivered, at the rentals and upon the terms and conditions hereinafter provided.

NOW, THEREFORE, in consideration of the rentals to be paid and the covenants hereinafter contained, the parties hereto hereby agree as follows:

§ 1. Net Lease. This Lease is a net lease. The Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and the Lessee shall not be entitled to (a) any abatement or reduction of rent, including, but not limited to, abatements or reductions due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under any other agreement, or against the Builder or the Vendor or otherwise or (b) any setoff against rent, including, but not limited to, any setoffs due

or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under any other agreement or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment required to be made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the CSA. Each delivery of a Unit to the Lessor under the CSA shall be deemed to be a delivery hereunder to the Lessee at the point or points at which such Unit is delivered to the Lessor under the CSA. Upon such delivery, the Lessee will cause an employee or agent of the Lessee to inspect the same and, if such Unit is found to be acceptable, to accept delivery of such Unit on behalf of the Lessor under the CSA and itself hereunder and execute and deliver to the Lessor a certificate of acceptance (the "Certificate of Acceptance") in substantially the form of Schedule D hereto, which shall be deemed to form a part hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 50 consecutive semiannual payments, payable in arrears, on January 2 and July 2 in each year, commencing July 2, 1981 (each of such 50 dates being hereinafter called a "Rental Payment Date"). Each semiannual payment shall be in an amount equal to a percentage of the Purchase Price (as hereinafter defined) of each unit then subject to this Lease as follows: (i) for the first three semiannual payments the percentage shall be 4.66986%, (ii) for the next semiannual payment the percentage shall be 5.928256%, (iii) for the next 13 semiannual payments the percentage shall be 5.5133971%, (iv) for the next 23 semiannual payments the percentage shall be 6.3217948% and (v) for the last 10 semiannual payments the percentage shall be 5.0715700%; provided, however, that the fourth semiannual payment due on January 2, 1983, shall be adjusted to reflect the partial prepayment thereof contemplated under the Supplemental Participation Agreement and Amendment dated as of November 1, 1982 (the "Supplemental Participation Agreement"). The term "Purchase Price" as used herein with respect to any Unit shall mean the average of the Purchase Prices of all the Units determined as provided in the first paragraph of Article 4 of the CSA (without regard to the second proviso in such paragraph) and written notice of which Purchase Prices shall have been given by the Lessor to the Lessee; provided, however, that in no event shall such average Purchase Price per Unit exceed U.S. \$45,732 unless the Lessee shall otherwise agree in writing. Notwithstanding the foregoing, the rentals payable will never be less than those amounts required to enable the Lessor to satisfy its obligations to pay the Conditional Sale Indebtedness and interest thereon when due.

The Lessee also agrees to pay as additional rent hereunder the amounts referred to in §§ 6 and 9 hereof and Annex A hereto. The Lessee further agrees to prepay on the Financing Date (as defined in the Supplemental Participation Agreement), rentals to the extent required to pay the amounts of interest referred to in the third subparagraph of Paragraph 1 of the Supplemental Participation Agreement, which prepayment shall be credited against the rentals otherwise required to be paid on the next succeeding Rental Payment Date.

The Lessor and the Lessee agree that if (a) there shall be a difference on any day after the first Closing Date through and including the Financing Date, between 12.5% per annum and the rate of interest payable on the Conditional Sale Indebtedness (as defined in the CSA) on such day or (b)

the Owner shall make any payment pursuant to the last sentence of the first paragraph of Paragraph 13 of the Participaton Agreement, then the rentals payable hereunder and the Casualty Values and Termination Values set forth in Schedules B and C hereto will be appropriately adjusted upward or downward to preserve the Owner's after-tax economic yields and cash flows (computed on the same assumptions, including tax rates, as were utilized by the Owner in originally evaluating this transaction), it being understood that in the case of the foregoing clause (a) any such upward adjustment shall be in an amount at least sufficient to cover the increased interest cost on the Conditional Sale Indebtedness.

All rental payments payable hereunder shall be in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

If any of the rental payment dates referred to above is not a business day, the rental payment otherwise payable on such date shall then be payable on the next succeeding business day. The term "business day" as used herein means any calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Baltimore, Maryland, New York, New York, or Salt Lake City, Utah, are authorized or obligated to remain closed.

The Lessee agrees to make each payment provided for in this § 3 in funds immediately available at or prior to 11:00 a.m. local time in the city where such payment is due.

Notwithstanding anything to the contrary contained in this Lease, in the event the aggregate of all payments otherwise required to be made under this Lease by the Lessee on or prior to March 31, 1981, shall exceed the equivalent of Can. \$1,375,000, the amount of such excess shall be due and payable on April 1, 1981.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7, 10, 14 and 15 hereof, shall terminate on January 2, 2006. Except for obligations of the Lessee hereunder which are specifically stated to terminate at a fixed time, the obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 3, 6, 7, 9, 13 and 15

hereof) shall survive the expiration of the term of this Lease.

So long as no Event of Default exists hereunder, this Lease may not be terminated (other than pursuant to § 7 hereof) and the Lessee shall be entitled to the rights of quiet enjoyment, possession, use and assignment provided under § 12 hereof. The Lessee acknowledges that upon the occurrence of an Event of Default hereunder, the Vendor may exercise all the rights and remedies provided in the CSA.

§ 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words, "OWNED BY A BANK OR TRUST COMPANY. OWNERSHIP SUBJECT TO A CONDITIONAL SALE AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION", or other appropriate words designated or approved by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the Lessor's and the Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and of the Vendor under the CSA. The Lessee will not place or permit any such Unit to be placed in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace or cause to be replaced promptly any words which may be removed, defaced, obliterated or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to the effect that such statement has been so filed and deposited, that such filing and deposit will protect the Vendor's and the Lessor's rights in such Units and that no other filing, deposit or giving of notice with or to any Canadian or United States Federal, state, provincial or local government or agency thereof is necessary to protect the rights of the Vendor and the Lessor in such Units.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may permit the Equipment to be lettered with the names, trademarks, initials or other insignias customarily used by the Lessee or its affiliates or any long-term operator or sublessee permitted under § 12 hereof on railroad equipment used by it of the same or a similar type for convenience of identification of its rights to use the Equipment under this Lease, and the Equipment may be lettered in an appropriate manner for convenience of identification of the interest of the Lessee therein.

§ 6. Taxes. (a) Indemnity. The Lessee agrees that each rental or other payment hereunder (including, without limitation, any indemnity payable under § 15 hereof) shall be free of all withholdings of any nature whatsoever, and that in the event any withholding is required, the Lessee shall pay an additional amount such that the net amount of rental actually received by the Lessor free of withholding will equal the amount of rental then due absent such withholding. In addition, unless excused pursuant to the provisions of paragraph (b) of this § 6, the Lessee agrees to pay and, on written demand, to indemnify and hold the Lessor (in both its individual and fiduciary capacities and including for the purposes of this § 6 the Trust Estate (as defined in the Trust Agreement)) and the Owner (the "Indemnitees") harmless from, all license and registration fees and all taxes, levies, imposts, duties, charges or withholdings of any nature whatsoever together with any penalties, fines or interest thereon (hereinafter collectively referred to as "Taxes") imposed against any Indemnitee, the Lessee, the Units or any portion thereof by any Federal, state or local government or taxing authority in the United States or by any foreign government or governmental subdivision thereof or any taxing authority thereof (including, without limitation, Canadian deemed disposition taxes), if any, upon or with respect to the Units or any portion thereof, or upon or with respect to the purchase, ownership, delivery, leasing, possession, use, operation, return or other disposition thereof prior to the return (after any storage period) of the Units to the Lessor after the expiration or termination (other than pursuant to § 10 hereof) of this Lease, or upon or with respect to the rentals, receipts or earnings arising therefrom including interest and principal payable on the Conditional Sale Indebtedness, or upon or with respect to this Lease, the CSA, the Participation Agreement, the Trust Agreement, the

Assignment (as defined in the CSA), the Conditional Sale Indebtedness or the issuance, acquisition or subsequent transfer of the Conditional Sale Indebtedness, unless, and only to the extent that, any such Tax which is not imposed by way of withholding is being contested in good faith by the Lessee or such Indemnitee pursuant to paragraph (c) of this § 6 (and for the payment of which adequate reserves have been provided or other arrangements satisfactory to the Lessor have been made) by appropriate proceedings so long as such proceedings do not involve any danger of the sale, forfeiture or loss of the Units or any interest therein and do not, in the opinion of the Lessor, adversely affect the property or rights of the Lessor hereunder or of the Vendor under the CSA. The Lessee further agrees that, with respect to any payment or indemnity hereunder other than any payment of or indemnity for Canadian withholding taxes, such payment or indemnity shall include any amount necessary to hold the Indemnitee harmless, on an after-tax basis, from all Taxes required to be paid by such Indemnitee with respect to such payment or indemnity under the laws of any Federal, state or local government or taxing authority or under the laws of any foreign government or any taxing authority or governmental subdivision or taxing authority of a foreign country.

(b) Limitation on Indemnity. Notwithstanding the provisions of paragraph (a) of this § 6, the Lessee shall have no obligation thereunder as to:

(1) any Taxes on, based on or measured by the net income of any Indemnitee imposed (i) by the United States of America, (ii) by the state or local government or other local taxing authority having geographical jurisdiction over the place in which such Indemnitee has its principal office or (iii) by any foreign government or any taxing authority or governmental subdivision of a foreign country to the extent allowed as a credit against income taxes imposed by the United States of America taking into account any applicable limitation on the aggregate amount of such credit and after assuming that all other Taxes of such Indemnitee for the same or prior periods which qualify for such credit are first allowed;

(2) any Taxes on, based on, or measured by, any fees or compensation received by the Lessor or the Vendor for their respective services rendered in connection with the transactions contemplated hereby;

(3) any Taxes included in the Purchase Price;

(4) any Taxes on, based on or measured by the net income of any Indemnitee imposed by any foreign government or any taxing authority or governmental subdivision of a foreign country by virtue of such Indemnitee's being engaged in business in such foreign country through activities unrelated to the transactions contemplated by the Participation Agreement, to the extent the Lessee's obligation as to such Taxes would otherwise exceed the amount of withholding taxes which would be payable if such Indemnitee were not so engaged in such business; or

(5) any Taxes on, based on or measured by the net income of the Trust Estate if and to the extent that such Taxes are in substitution for or reduce Taxes payable by the Owner which the Lessee has not agreed to pay or indemnify against pursuant to this § 6;

provided, however, that, notwithstanding the foregoing subparagraphs (1) through (5), there shall not be excluded any Taxes imposed by any jurisdiction on, based on, or measured by, net income resulting directly or indirectly (whether by inclusion of an item in gross income, disallowance of a credit against tax, disallowance of a deduction for depreciation or otherwise) from (x) the Lessee's receipt of or right to receive any refund or credit from the Builder with respect to the Units, or (y) any additional amount of indemnity paid by the Lessee pursuant to the last sentence of paragraph (a) of this § 6; provided further, however, that if an indemnification payment is made pursuant to this § 6, the Lessee shall be entitled to offsetting tax benefits realized by the Owner which correspond to those described in the second, third and fifth sentences of paragraph (c) of Annex A hereto.

(c) Contest. If any proceeding (including the written claim or written threat of such proceeding) is commenced against any Indemnitee for any such Tax, such Indemnitee shall promptly notify the Lessee. If reasonably requested by the Lessee in writing, such Indemnitee shall upon receipt of indemnity satisfactory to it and at the expense of the Lessee (including, without limitation, all costs, expenses, losses, legal and accountants' fees and disbursements, penalties and interest) in good faith contest (after consultation with Lessee), in the name of the Lessee or such Indemnitee, the validity, applicability or amount of such Tax by (i) resisting payment thereof if such Indemnitee in its sole discretion shall determine such course of action to be appropriate, (ii) not paying the same except under

protest, if protest is necessary and proper, or (iii) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative and judicial proceedings. The Lessee, through its counsel, shall have the right to participate in and to control any proceeding relating to such contest; provided, however, that if counsel designated by such Indemnitee shall reasonably determine that control by Lessee's counsel might be detrimental to the best interests of such Indemnitee, then such Indemnitee's counsel shall have the sole right to control such proceeding. If any Indemnitee shall obtain a refund of all or any part of such Tax paid by the Lessee, such Indemnitee shall pay the Lessee the amount of such refund, plus any additional tax benefits realized by such Indemnitee as a result of such payment; provided, however, that such amount shall not be payable before such time as the Lessee shall have made all payments or indemnities then due under this § 6. If in addition to such refund such Indemnitee shall receive an amount representing interest on the amount of such refund, the Lessee shall be paid that proportion of such interest which is fairly attributable to Taxes paid by the Lessee prior to the receipt of such refund. The Lessee shall not be deemed to be in default under any of the above indemnification provisions so long as any Indemnitee shall diligently prosecute such contest.

(d) Reports. In case any report or return is required to be made with respect to any obligation of the Lessee under this § 6 or arising out of this § 6, the Lessee will either make such report or return in such manner as will show the ownership of the Units in the Lessor, and send a copy of such report or return to the Lessor, or will notify the Lessor of such requirement and make such report or return in such manner as shall be satisfactory to the Lessor.

(e) Indemnification Under CSA. In the event that the Lessor shall become obligated to make any payment to the Vendor or otherwise pursuant to Article 6 of the CSA (except to the extent the Lessor shall also be obligated to make such payment pursuant to the proviso to the last paragraph of Article 12 thereof) not covered by the first paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed Taxes hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said provision.

§ 7. Maintenance; Casualty Occurrences; Insurance; Termination. The Lessee agrees that, at its own cost

and expense, it will maintain and keep each Unit (including any parts installed on or replacements made to any Unit and considered an accession thereto as hereinbelow provided) in as good operating order, repair and condition as when originally delivered, ordinary wear and tear excepted, and eligible for railroad interchange in accordance with the interchange rules of the Association of American Railroads and the rules of any governmental agency or other organization with jurisdiction, if applicable.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed, irreparably damaged, or permanently rendered unfit for use from any cause whatsoever, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days during the term of this Lease, or before such Unit shall have been returned in the manner provided in § 11 or § 13 hereof (each such occurrence being hereinafter called a "Casualty Occurrence"), the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding the delivery of such notice (or, in the event such rental payment date will occur within 15 days after delivery of such notice, on the next succeeding rental payment date) (such date being hereinafter called a "Casualty Payment Date"), the Lessee shall pay to the Lessor an amount equal to the rental payment or payments in respect of such Unit due and payable on such Casualty Payment Date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of such Casualty Payment Date in accordance with the schedule referred to below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit.

The Casualty Value of each Unit as of the Casualty Payment Date for such Unit shall be the percentage of the Purchase Price of such Unit as is set forth in Schedule B hereto opposite such date; provided, however, that if such Casualty Occurrence shall have occurred by reason of a taking or requisition by condemnation or otherwise by any Canadian governmental or public body or authority, the Casualty Value of such Unit shall be the higher of such percentage or the Fair Market Purchase Price (determined in accordance with § 14 hereof) of such Unit.

Whenever any Unit shall suffer a Casualty Occurrence after the expiration of the original or extended term of this Lease and before such Unit shall have been returned in the manner provided in § 13 hereof, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be 20% of the Purchase Price of such Unit; provided, however, that if such Casualty Occurrence shall have occurred by reason of a taking or requisition by condemnation or otherwise by any Canadian governmental or public body or authority, the Casualty Value of such Unit shall be the higher of such percentage or the Fair Market Purchase Price (determined in accordance with § 14 hereof) of such Unit; provided further, however, that if such Casualty Occurrence occurs after the term of this Lease has been extended pursuant to § 14 hereof and the Lessee and the Lessor shall have agreed to a different Casualty Value, such different Casualty Value shall be applicable. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit, provided that the Lessor shall have the right to transfer to the Lessee without recourse or warranty all of the Lessor's right, title and interest, if any, in and to any such Unit.

The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof (including the issuance of bills of sale for and on behalf of the Lessor), before or after the expiration of this Lease, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor and is not in default hereunder, the Lessee shall be entitled to the net proceeds of such disposition to the extent they do not exceed the Casualty Value of such Unit and shall pay any excess to the Lessor; provided further, however, that if any such Unit suffering a Casualty Occurrence is disposed of by the Lessee pursuant to a customary railroad settlement rather than sold as provided in the preceding sentence, then any proceeds received on such settlement which exceed the Casualty Value of such Unit will, provided that the Lessee has previously paid such Casualty Value to the Lessor and is not in default hereunder, be for the benefit of the Lessee unless the scrap value of any such Unit disposed of pursuant to a customary railroad settlement is in excess of its Casualty Value, in which case the Lessee will pay such excess to the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Units to the Lessor in accordance with the terms of this Lease and during any storage period, at its own expense, cause to be carried and maintained public liability and property damage insurance in respect of the Units against the risks and in the amounts, if any, customarily insured against by the Lessee in respect of similar equipment owned or leased by it.

If the Lessor shall receive any insurance proceeds from insurance maintained by the Lessee or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee's having made payment of the Casualty Value in respect of such Unit and provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing, pay such proceeds or condemnation payments to the Lessee. All insurance proceeds received by the Lessor pursuant to insurance maintained by the Lessee in respect of any Unit not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired so as to comply with the provisions of the first paragraph of this § 7, provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

In the event that the Lessee shall during the original term hereof, in its reasonable judgment, determine that the Units remaining under this Lease have become economically obsolete or surplus to the Lessee's requirements in the Lessee's business, as determined in good faith by the Board of Directors of the Lessee, the Lessee shall have the right, at its option and on at least 180 days' prior written notice to the Lessor and the Vendor, to terminate (which act shall hereinafter be called the "Termination") this Lease as to all but not less than all of such Units as of any succeeding rental payment date specified in such notice (such termination date so specified being hereinafter called the "Termination Date"); provided, however, that (i) the Termination Date shall be not earlier

than January 2, 2001, (ii) no Event of Default or other event which after the lapse of time or the giving of notice or both would become an Event of Default shall have occurred and be continuing on such date or on the date on which the notice of such Termination shall be given and (iii) on the Termination Date all Units shall be in the condition required for redelivery pursuant to § 13 hereof.

During the period after the giving of such notice until the fifth business day preceding the Termination Date, the Lessee shall use its best efforts to obtain bids (and the Lessor may at its option obtain additional bids) for the purchase of each such Unit, and the Lessee shall at least five business days prior to such Termination Date certify to the Lessor the amount of each such bid and the name and address of the party (which shall not be a corporation, other entity or individual affiliated with the Lessee or any party from whom the Lessee or any such affiliate intends thereafter to lease such Unit) submitting such bid. On the Termination Date, the Lessor shall sell each such Unit for cash to the bidder who shall have submitted the highest bid prior to the Termination Date. The total sale price realized at each such sale shall be retained by the Lessor.

On such Termination Date, the Lessee shall pay to the Lessor with respect to the Units an amount equal to (i) the excess, if any, of the Termination Value (as hereinafter defined) for the Units computed as of such date over the sale price of the Units so sold after the deduction of all expenses incurred by the Lessor in connection with such sale and (ii) the rental payment with respect to the Units due on such Termination Date. The Termination Value of each such Unit as of the Termination Date shall be determined as follows: (a) if the Board of Directors of the Lessee shall have determined in good faith that such Unit shall not be used after the Termination Date for the transport of wheat in Canada, the Termination Value of such Unit as of the Termination Date shall be the percentage of the Purchase Price of such Unit set forth in Schedule C hereto opposite such date or (b) if the Board of Directors of the Lessee shall not have made such determination with respect to such Unit, the Termination Value of such Unit as of the Termination Date shall be the higher of (x) the percentage of the Purchase Price of such Unit set forth in Schedule B hereto opposite such date or (y) the Fair Market Purchase Price (determined in accordance with § 14 hereof) of such Unit as of such date. In no event shall the aggregate amount of sale proceeds retained by the Lessor and payments of rental and Termination Value received by the Lessor as

aforesaid be less than the Termination Value (as defined in the CSA) with respect to the Units as of such Termination Date.

If no sale of all the Units shall occur on the Termination Date with respect thereto as provided above, no Termination shall occur with respect to any of the Units and this Lease shall continue in full force and effect without change.

Upon the receipt by the Lessor of the amounts above described, the obligation of the Lessee to pay rent pursuant to § 3 hereof in respect of such Unit on each rental payment date shall continue to and including the Termination Date but shall then terminate. The Lessor shall be under no duty to solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise to take any action or incur any cost or expense in connection with any sale other than to transfer or to cause to be transferred all the Lessor's right, title and interest in and to such Unit to the purchaser named in the highest bid certified by the Lessee to the Lessor as above provided. Any such sale shall be free and clear of all the Lessee's rights to such Unit, but otherwise shall be made without warranties other than against the Lessor's acts.

If the Lessee shall exercise its option to effect a Termination, the Lessor may, notwithstanding such election by the Lessee, by written notice to the Lessee given within 90 days after the termination notice is given to the Lessor and upon satisfaction and discharge of the Lessor's obligations under the CSA with respect to the Units, elect to retain such Units, in which case the Lessee shall not be obligated to pay the Termination Value to the Lessor. In the event the Lessor shall so elect to retain such Units and delivers to the Lessee evidence of the satisfaction and discharge of the Lessor's obligations under the CSA with respect to the Units, the Lessee shall deliver such Units to the Lessor in accordance with the provisions of § 13 hereof.

§ 8. Reports. On or before May 31 in each year, commencing with the calendar year 1981, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) and such other information

regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and the markings required by § 5 hereof have been preserved or replaced, (c) stating that the Lessee is in compliance with the requirements under § 7 hereof as to maintenance of insurance and describing in reasonable detail any insurance then being maintained in respect of the Units and in respect of any similar equipment owned or leased by the Lessee and (d) stating that, based on advice of counsel, all filings, registrations, recordings and deposits and all refilings, reregistrations, rerecordings and redeposits necessary for the proper protection of the Vendor's and the Lessor's respective rights in the Units, and for the purpose of carrying out the intention of this Lease, the CSA and the Assignment have been duly accomplished (and upon the written request of the Vendor or the Lessor the Lessee will furnish to the Vendor and the Lessor an opinion of counsel (who may be an employee of the Lessee) satisfactory to the Vendor and the Lessor to such effect). The Lessor shall have the right (but not the obligation) by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease.

On or before December 15 in each year commencing with the calendar year 1981, the Lessee will furnish to the Lessor and the Vendor an accurate statement to the effect that all payments required to be made hereunder during the year ending on the next succeeding January 1 have been duly authorized by Her Majesty in right of Canada, either by an appropriation of the Parliament of Canada or by other appropriate action, and such statement shall include a brief description of such appropriation or action, as the case may be.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, OPERATION OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS OR ANY COMPONENT THEREOF DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS OR ANY COMPONENT THEREOF FOR ANY PARTICULAR PURPOSE NOR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT OR ANY COMPONENT THEREOF (EITHER UPON DELIVERY

THEREOF TO THE LESSEE OR OTHERWISE), it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder, including, but not limited to, any claims and rights arising under the provisions of the CSA; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The foregoing provisions of this § 9 shall not be deemed to affect the Lessee's rights of quiet enjoyment, possession, use and assignment provided under §§ 4 and 12 hereof. Any amount received by the Lessee or the Lessor as payment under any such rights or claims against the Builder shall be applied to restore the Units to the condition required by § 7 hereof, except to the extent any such Units shall have suffered a Casualty Occurrence, in which case such amount shall be applied to the payment of the Casualty Value thereof pursuant to § 7 hereof; provided, however, that if an Event of Default shall have occurred and be continuing such amount shall be paid to the Lessor. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstance in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of

American Railroads and with all lawful rules of the Department of Transport of Canada, the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation, use, value or utility of the Units (all such laws and rules to such extent being hereinafter called the "Applicable Laws"), and in the event that the Applicable Laws require any alteration, replacement, modification or addition of or to any part of any Unit, the Lessee will fully conform therewith at its own expense; provided, however, that the Lessee may, in good faith, contest, with due diligence by appropriate legal proceedings, the validity or application of any Applicable Law in any reasonable manner which does not, in the opinion of the Lessor, adversely affect the property or rights of the Lessor under this Lease or of the Vendor under the CSA and the failure to comply will not impair the value or utility of the Units.

The Lessee and its affiliates, at their own cost and expense, may from time to time make such alterations, modifications and additions (including, without limitation, any special devices or assemblies at any time attached or affixed to any Unit, the cost of which is not included in the Purchase Price of such Unit and which are not required for the operation or use of such Unit by the Department of Transport of Canada, the Interstate Commerce Commission, the United States Department of Transportation or any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over such Unit) (hereinafter collectively called "Additions") to the Units as the Lessee may deem desirable in the proper conduct of its business so long as such Additions shall not be inconsistent with the continuing operation of the Units or in accordance with their original purpose and shall not diminish the value, utility or condition of the Units below the value, utility and condition thereof immediately prior to the making of such Additions, assuming the Units were then in the condition required to be maintained by the terms of this Lease; provided, however, that no such Addition shall be made if it is not readily removable from the Unit to which it relates without material damage thereto and without diminishing or impairing the value or utility which the Unit would have had immediately prior to such time had such Addition not been made.

Title to all Parts (as hereinafter defined) incorporated in or installed as part of any Unit shall without further act vest in the Lessor and the Vendor as their respective interests may appear in such Unit itself in the following cases: (i) such Part is in replacement of or in substitution for, and not in addition to, any Part originally incorporated in or installed as part of a Unit at the time of the acceptance thereof hereunder or any Part in replacement of, or in substitution for any such original Part, (ii) such Part is required to be incorporated in or installed as part of the Unit pursuant to the terms of the second paragraph of this § 9 or (iii) notwithstanding the provisions of the third paragraph of this § 9, such Part cannot be readily removed from the Unit to which it relates without material damage thereto and without diminishing or impairing the value or utility which such Unit would have had at such time had such alteration or addition not occurred. In all other cases, if no Event of Default under § 10 hereof (or other event which after lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, title to Parts incorporated in or installed as part of any Unit as a result of any Addition shall vest in the Lessee. The term Part for the purposes of this paragraph and § 13 hereof shall mean any appliance, part, instrument, accessory, furnishing or other equipment of any nature which may from time to time be incorporated in or installed as part of any Unit.

The Lessee agrees to indemnify, protect and hold harmless the Lessor (in both its individual and fiduciary capacities) and the Owner ("Indemnified Persons") from and against all losses, damages, injuries, liabilities, claims (including, without limitation, claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith (including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, but excluding any items United States Lease Financing, Inc., has agreed to pay as provided in Paragraph 13 of the Participation Agreement), arising out of or as the result of the occurrence of an Event of Default under this Lease or any event which with notice or lapse of time or both would become an Event of Default under this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit, the compliance or noncompliance by the Lessee with any applicable law, rule or regulation with respect to the use, maintenance or operation of any Unit, or any accident in connection with the operation, use, condition, possession,

storage or return of any Unit resulting in damage to property or injury or death to any person (except as otherwise provided in § 13 of this Lease); provided, however, that the Lessee shall not be required to indemnify any Indemnified Person in respect of such Indemnified Person's wilful misconduct or negligence or in respect of a breach by such Indemnified Person of any of its obligations hereunder. The indemnities arising under this paragraph shall continue in full force and effect with respect to all events, facts, conditions or other circumstances occurring or existing prior to the expiration or termination of the term of this Lease and return of the Units as provided in § 11 or § 13 of this Lease, notwithstanding such expiration, termination and return; provided, however, that the foregoing indemnification shall not apply to any failure of payment of the principal of or interest on the Conditional Sale Indebtedness and shall not be deemed to operate as a guarantee of the residual value of any Unit. The amount the Lessee shall be required to pay with respect to any of its obligations under this paragraph shall include a payment to the indemnified party sufficient to restore such party to the same position, after considering the effect of such payment on its income taxes, that the indemnified party would have been in had the liability or expense indemnified against not been incurred. The Lessee shall be obligated under this § 9, irrespective of whether the Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person may proceed directly against the Lessee under this § 9 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against an Indemnified Person in connection with any claim, indemnified against hereunder, the Lessee may, and upon the request of the Indemnified Person will, at the Lessee's expense, resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and, in the event of any failure by the Lessee to do so, the Lessee shall pay all costs and expenses (including, without limitation, attorneys' fees and expenses) incurred by the Indemnified Person in connection with such action, suit or proceeding. The Lessee and the Lessor each agrees to give the other promptly upon obtaining knowledge (which in the case of the Lessor shall mean actual knowledge of an officer or employee of the Lessor's Corporate Trust Department) thereof written notice of any claim or liability hereby indemnified against. Upon the payment in full of any indemnities as contained in this § 9 by the Lessee, and provided that no Event of Default (or other event which with

lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, it shall be subrogated to any right of the Indemnified Person in respect of the matters against which indemnity has been given. Any payments received by an Indemnified Person from any person (except the Lessee) as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this § 9 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made in respect of such matter.

In the event that the Lessor shall become obligated to make any payment to the Vendor or otherwise pursuant to the first paragraph of Article 13 of the CSA not covered by the preceding paragraph, the Lessee shall pay such additional amounts to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said provision; provided, however, that the Lessee shall not be required to make any such payment in respect of any amount the Lessor shall become obligated to pay pursuant to such Article 13 in respect of a default or an event of default under the CSA unless such default or event of default shall be attributable to a default by the Lessee or an Event of Default hereunder.

The Lessee agrees to prepare and deliver, at its expense, to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any United States or Canadian Federal, provincial, state or other regulatory authority by reason of the interest of the Lessor or the Vendor in the Units or the leasing thereof to the Lessee; provided, however, that, in the case of any filing with any United States Federal, state or other regulatory authority, the Lessor shall have made a written request to the Lessee for such filing within a reasonable time prior to the requested date of filing.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein called an "Event of Default") shall occur:

(a) default shall be made in payment of any amount provided in § 3, § 7 or § 14 hereof and such default shall continue for 10 days after such payment is due;

(b) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement, and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

(c) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof; or

(d) any representation or warranty made by the Lessee in the Participation Agreement or in any document or certificate furnished by the Lessee to the Lessor, the Owner or the Vendor in connection herewith or therewith or pursuant hereto or thereto shall be incorrect in any material respect when made;

then, in any such case, the Lessor, at its option, may,

(A) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(B) by notice in writing to the Lessee, terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number

of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify: (x) a sum with respect to each Unit which represents the excess of (1) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (2) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, together with any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of the rental; or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value (after deduction of all estimated expenses of such sale) of such Unit at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and (y) of this subparagraph (B) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale (in addition to the amounts payable pursuant to §§ 6, 9 and 15 hereof), as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination, over the net proceeds of such sale.

In addition, the Lessee shall be liable for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies, except as otherwise provided above, and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs

and expenses incurred in connection with the return of any Unit.

In the event the Lessee shall fail to pay any amount hereunder by reason of the failure to obtain the necessary Parliamentary appropriations, then the Lessor, at its option, may, by notice in writing to the Lessee, terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom.

, If the Lessee fails to perform or comply with any agreement, covenant or condition contained in this Lease, and such nonperformance or noncompliance could, with the lapse of time and/or demand or failure to take action, result in an Event of Default under clause (a) or (b) of this § 10, the Lessor itself may (but shall not be obligated to), upon notice to the Lessee, perform or comply with such agreement, covenant or condition to the extent provided in Article 15(e) of the CSA, and the amount of the reasonable costs and expenses of the Lessor incurred in connection with such performance or compliance, together with interest on such amounts at the rate of 1% per annum over the Floating Prime Rate (as defined in Article 4 of the CSA), shall be payable to the Lessor by the Lessee upon demand.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies, and a waiver of any such right on one occasion shall not constitute a waiver of such right as to any other occasion and shall not be effective unless in writing signed by the Lessor.

§ 11. Return of Units upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor and shall give prompt telegraphic and written notice to the Association of American Railroads and all railroads having possession of any Unit so to return such Units. Each Unit returned to the Lessor pursuant to this § 11 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear and modifications, if any, permitted by this Lease excepted and (ii) be in compliance with the Applicable Laws. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner cause such Units to be placed upon such storage tracks as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) cause the Units to be transported to (i) any reasonable place in Canada on any lines of a Canadian railway or to the point of interconnection with any connecting carrier for shipment or (ii) any reasonable place in the United States or any lines of Canadian National Railway Company ("CNR") or Canadian Pacific Limited ("CP") or any of their respective affiliates which is not more than 100 miles from the border between the United States and Canada, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and, upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of

the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same. All per diem amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay, as liquidated damages for the failure so to assemble, deliver and store such Unit, to the Lessor for each day thereafter an amount equal to the amount, if any, by which 1/180 of the rental payment on the next preceding rental payment date exceeds the actual earnings received by the Lessee on such Unit for each such day and paid over to the Lessor pursuant to the preceding sentence; such payment shall not affect the obligation of the Lessee to redeliver the Equipment pursuant to the first sentence of this paragraph.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whosoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. The Lessor agrees that it will not assign any of its rights under this Lease without the prior written consent of the Lessee, except as provided in Article VII of the Trust Agreement, and the Lessee shall be under no obligation to any assignee of the Lessor except under written notice of such assignment from the Lessor; provided, however, that upon receiving notice of any such assignment the Lessee shall give the necessary acknowledgment of such notice required to be given under Part IX of the Financial Administration Act (Canada) in order to make such assignment effective.

So long as no Event of Default or event which with notice or lapse of time would become an Event of Default exists hereunder, the Lessee shall be entitled to the quiet enjoyment, possession and use of the Units and, without the Lessor's consent, to sublease the Units to, or to permit

their use by, or to enter into an operating agreement with respect to the Units with, a user incorporated in Canada or in the United States of America (or any state thereof or the District of Columbia), upon lines of railroad owned or operated by the Lessee or such user or over which the Lessee or such user has trackage rights or other operating rights or over which any of their railroad equipment is regularly operated pursuant to contract and upon the lines of railroad of connecting and other carriers in the usual interchange of traffic or in through or runthrough service, but only upon and subject to all the terms and conditions of this Lease; provided, however, that (1) the Lessee shall not sublease or use or permit the sublease or use of any Unit outside the United States of America or Canada and (2) that the Lessee shall not sublease any Unit or enter into an operating agreement with respect to any Unit in either case for a term of more than one year without the prior written consent of the Lessor, which consent shall not be unreasonably withheld, except that no such consent shall be necessary in the case of any operating agreement with CNR or CP; provided that upon the request of the Lessor or the Vendor the Lessee will deliver a copy of any such operating agreement with CNR or CP, as the case may be, or the operative portions thereof to the Lessor and the Vendor. No such sublease or agreement for use by others shall relieve the Lessee of its obligations hereunder which shall be and remain those of a principal and not a surety.

Any such sublease or operating agreement shall be subject to the rights and remedies of the Lessor under this Lease in respect of the Units covered by such sublease or agreement upon the occurrence of an Event of Default hereunder and shall obligate the sublessee or user of such Units to maintain such Units in at least as good operating order, condition and repair as required by § 7 hereof.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged (a) any lien, charge, security interest or other encumbrance (except any sublease as aforesaid and other than an encumbrance resulting from claims against the Lessor not related to the ownership or leasing of the Units and except any lien created by the CSA) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor or the Lessee therein, except that this covenant will not be breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens

arising in the ordinary course of business and, in each case, not delinquent and (b) any claims, liens, security interests or other encumbrances created by any person other than the Builder or any of its affiliates, after such Unit has been handed over by the Builder to CNR at the storage area at the Builder's plant pursuant to the Bailment Agreement dated September 18, 1980, between the Builder and CNR; provided, however, that the Lessee shall be under no obligation to discharge any such right, lien, charge, security interest or encumbrance so long as it is contesting the same in good faith and by appropriate legal proceedings and the failure to discharge the same does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or of the Vendor under the CSA.

The Lessor agrees that it will, at its own cost and expense, and in its individual capacity, promptly take such action as may be necessary to duly discharge any liens or encumbrances on any of the Units which result from claims against the Lessor not related to the ownership of the Units or the administration of the Trust Estate (as defined in the Trust Agreement).

§ 13. Return of Units upon Expiration of Term. As soon as practicable on or after the expiration of the original or any extended term of this Lease, the Lessee will (unless the Units are sold to the Lessee or shall have suffered a Casualty Occurrence), at its own cost and expense, at the request of the Lessor, deliver possession of the Units to the Lessor upon such storage tracks as the Lessor may reasonably designate and permit the Lessor to store such Units on such tracks for a period not exceeding 90 days and transport the same, at any time within such 90-day period, to a final destination at any reasonable place in Canada on any lines of a Canadian railway or to the point of interconnection with any connecting carrier for shipment, all as directed by the Lessor upon not less than 30 days' written notice to the Lessee, the movement and storage of the Units to be at the expense and risk of the Lessee during such 90-day period. During any such storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of any Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising either on behalf of the Lessor or any prospective purchaser, lessee

or user, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease and, upon application to any court having jurisdiction in the premises, the Lessor shall be entitled to a judgment, order or decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. Each Unit returned to the Lessor pursuant to this § 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear and modifications, if any, permitted by this Lease excepted and (ii) be in compliance with the Applicable Laws.

§ 14. Renewal and Purchase Options. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the original term or any extended term of this Lease, as the case may be,

(i) elect to extend the term of this Lease in respect of all, but not fewer than all, the Units then covered by this Lease, for up to three separate but successive periods commencing on the scheduled expiration of the original term or any extended term of this Lease, as the case may be, provided that each such extension shall be for a five-year period and no such extension shall extend beyond January 2, 2021; or

(ii) at the end of the first five-year renewal term or any succeeding renewal term, as provided above, purchase all, but not fewer than all, the Units then subject to this Lease, at a Fair Market Purchase Price (as hereinafter defined) payable at the end of such extended term.

Any extension pursuant to subparagraph (i) above shall be on the same terms and conditions as are contained in this Lease, except as to the amount of rentals, which shall be at a Fair Market Rental, payable semiannually in arrears, and except as to applicable Casualty Values and Termination Values, if any, which shall be as agreed upon between the Lessor and the Lessee at the time of such extension, or as shall be determined by appraisal as set forth below.

The Fair Market Rental and Fair Market Purchase Price shall be determined on the basis of, and shall be

equal in amount to, the cash rental for a five-year renewal of this Lease or the purchase price (as of such date as the context herein requires), as the case may be, which would obtain in an arm's-length transaction between an informed and willing lessee or purchaser (other than a scrap or used equipment dealer) and an informed and willing lessor or seller, as the case may be, under no compulsion to lease or sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental or purchase price and assuming that the Units have been collected in one place directed by the Lessor, but there shall be excluded any value attributable to additions, modifications and improvements which the Lessee is entitled to remove pursuant to § 9 hereof. If, after 60 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental or Fair Market Purchase Price of the Units, such rental or purchase price shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such rental or purchase price by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, each party shall appoint an independent appraiser within 25 business days after such notice is given, and the two appraisers so appointed shall within 35 business days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 business days after such notice is given, either party may request the American Arbitration Association to make such appointment, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental or Fair Market Purchase Price, as the case may be (and, in the case of any renewal term, the Fair Market Rental and Fair Market Purchase Price at the beginning and end of such renewal term), of the Units then subject to this Lease or any extended term thereof, within 70 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental or Fair Market Purchase Price, as the case may be, of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from that of the other two appraisers shall be

excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental or Fair Market Purchase Price, as the case may be. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental or Fair Market Purchase Price, as the case may be, and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne equally by the Lessee and the Lessor.

Upon payment of the purchase price of any Unit, pursuant to an election by the Lessee to purchase the Units, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without warranties) for such Unit such as will transfer to the Lessee such title to such Unit as the Lessor derived from the Builder, free and clear of all liens, security interests and other encumbrances arising through the Lessor.

§ 15. Tax Indemnification. The agreement of the Lessee and the Owner as to indemnification of the Owner in respect of certain assumed tax consequences of the transactions contemplated hereby are set forth in Annex A hereto, which is hereby incorporated in this § 15 to the same extent as if set forth in full in this § 15.

§ 16. Recording. The Lessee will cause this Lease, the CSA and any assignment hereof or thereof to be filed in accordance with 49 U.S.C. § 11303 and as contemplated by Paragraph 7(b) of the Participation Agreement. The Lessee will undertake the filing, registering, deposit and recording required of the Lessor under the CSA and will from time to time, at the expense of the Lessee, do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law (including renewals of the filings contemplated by Paragraph 7(b) of the Participation Agreement) or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective rights in the Units, or for the purpose of carrying out the

intention of this Lease, the CSA and the Assignment (as defined in the Participation Agreement). The Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing, recording and other acts which may be required under this § 16. The filings referred to in the first sentence of this § 16 shall be made prior to the delivery and acceptance hereunder of any Unit.

§ 17. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to interest at a rate equal to 2% per annum over the Floating Prime Rate on the overdue rentals and other obligations for the period of time during which they are overdue; provided, however, that, insofar as such overdue rentals and other obligations relate to Conditional Sale Indebtedness held by the Permanent Investor (as defined in the Supplemental Participation Agreement), on and after the Financing Date, such rate shall be 15-7/8% per annum.

§ 18. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when delivered to such other party or deposited in the mails, first-class postage prepaid, addressed as follows:

if to the Lessor, at 79 South Main Street, Salt Lake City, Utah 84111, Attention of Trust Division, Corporate Trust Department; and

if to the Lessee, at 423 Main Street, Winnipeg, Manitoba R3C 2P5, Attention of Treasurer/Comptroller;

or addressed to any party at such other address as such party shall hereafter furnish to the other parties in writing. Any certificate, document or report required to be furnished by any party hereto to the other parties shall be delivered to the address set forth above for such party. Any notice, certificate, document or report required to be furnished by any party to the Vendor shall be delivered to the Vendor at its applicable address for notices under the Participation Agreement.

§ 19. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such

jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement and the exhibits thereto, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 20. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Utah; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing, recording or deposit hereof and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Lease or any assignment hereof shall be filed, recorded or deposited, or in which any Unit of the Equipment shall be located, and any rights arising out of the markings of the Units of Equipment. Notwithstanding anything herein to the contrary, any action, suit or proceeding to enforce the obligations of the Lessee or Her Majesty in right of Canada hereunder shall be brought only in an appropriate forum in Canada.

§ 21. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although for convenience this Lease is dated as of the date first set forth above, the actual dates of execution hereof by the parties hereto are dates stated in the acknowledgments hereto annexed.

§ 22. Immunities; No Recourse. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, warranties, covenants, undertakings and agreements herein, made on the part of the Lessor, are made and intended not as personal representations, warranties, covenants, undertakings and agreements by First Security Bank of Utah, N.A., or for the purpose or

with the intention of binding said bank personally, but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease is executed and delivered by said bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of gross negligence or wilful misconduct on the part of such bank, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank or the Owner on account of this Lease or on account of any representation, warranty, covenant, undertaking or agreement of the Lessor or the Owner herein, other than pursuant to the last sentence of the fifth paragraph of § 9 hereof or the last paragraph of § 12 hereof and, in the case of the Owner, § 15 hereof, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee, the Vendor and by all persons claiming by, through or under either of them.

, § 23. Judgment. (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in U.S. dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Lessor could purchase U.S. dollars with such other currency on the business day preceding that on which final judgment is given.

(b) The obligation of the Lessee in respect of any sum due from it to the Lessor hereunder shall, notwithstanding any judgment in a currency other than U.S. dollars, be discharged only to the extent that on the business day following receipt by the Lessor of any sum adjudged to be so due in such other currency the Lessor may in accordance with normal banking procedures purchase U.S. dollars with such other currency; if the U.S. dollars so purchased are less than the sum originally due to the Lessor in U.S. dollars, the Lessee agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Lessor against such loss, and if the U.S. dollars so purchased exceed the sum originally due to the Lessor in U.S. dollars, the Lessor agrees to remit to the Lessee such excess.

§ 24. Payment of Certain Expenses. In the event the transactions contemplated by the Participation Agreement are not consummated, or if no Equipment is delivered under the CSA and this Lease, on or prior to December 31, 1980,

all fees and expenses otherwise payable by United States Lease Financing, Inc., or by the Owner pursuant to, or as described in, Paragraph 13 of the Participation Agreement will be paid by the Lessee; provided, however, that the Lessee shall not be obligated to pay such fees and expenses if the transactions contemplated by the Participation Agreement shall not be consummated on or prior to December 31, 1980, solely by reason of a default by the Owner or the Lessor under the Participation Agreement or related documents. In addition, the Lessee will pay the reasonable fees and disbursements of the Vendor, the Lessor and the Owner incurred subsequent to the termination of this Lease by the Vendor or the Lessor after the occurrence of an Event of Default hereunder or attributable to periods during the continuance of a Declaration of Default made under the CSA while an Event of Default hereunder shall have occurred and be continuing. The obligations of the Lessee under this § 24 will survive termination of this Lease.

§ 25. Applicable Statutory Provisions. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that the obligations of the Lessee and Her Majesty in right of Canada hereunder shall be subject to the provisions of the Financial Administration Act (Canada), as in effect on the date of execution hereof.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed as of the date first above written.

ANNEX A TO LEASE

Tax Indemnification

(a) Tax Assumptions. The lease to which this Annex is attached (the "Lease") has been entered into, and the Owner's net economic return has been estimated, on the basis of the following assumptions for Federal income and state and local income or franchise tax purposes (hereinafter referred to as the "Tax Assumptions"):

(1) the Lease will be treated as a true lease, and the Owner will be treated as the beneficial owner of the Units;

(2) the Owner will be entitled to take into account with respect to each Unit such credits, deductions and other benefits as are provided by the Internal Revenue Code of 1954, as amended (the "Code"), and the state and local taxing statutes in the jurisdictions in which the Owner has its principal office, including, without limitation:

(A) deductions for depreciation of 100% of the Purchase Price of each Unit (the "Depreciation Deductions"), computed on the following basis:

(i) election of the class life asset depreciation range system of depreciation under section 167(m) of the Code and Treasury Regulation §1.167(a)-11 and selection of an asset depreciation period of fifteen years;

(ii) use of the double declining balance method of depreciation provided in section 167(b)(2) of the Code, and then switching to the sum-of-the-years-digits method of depreciation provided in section 167(b)(3) of the Code when most beneficial to the Owner;

(iii) a net salvage value not exceeding 10% of the Purchase Price of such Unit, to be reduced to zero by the election permitted by section 167(f) of the Code; and

(iv) each Unit will be placed in service on its delivery date; and

(B) deductions with respect to interest payable on the Conditional Sale Indebtedness in the year accrued (the "Interest Deductions");

(3) all rental payments made pursuant to Section 3 of the Lease will be subject to Canadian withholding tax at the rate of 15%;

(4) the Owner will claim the Depreciation Deductions and the Interest Deductions on its Federal income tax returns and on the appropriate state and local income or franchise tax returns; and

(5) the Owner (A) will deduct the Canadian withholding tax in computing its Federal and appropriate state and local income or franchise tax liability for all taxable years ending on or before December 31, 1992, (B) will not deduct the Canadian withholding tax for state and local income or franchise tax purposes, for its taxable years beginning on or after January 1, 1993, and (C) will claim the Canadian withholding tax as a credit in computing its Federal income tax liability for its taxable years beginning on or after January 1, 1993.

(b) Consistent Tax Returns. The Lessee agrees that neither it nor any affiliate will at any time take any action, directly or indirectly, or file any returns or other documents inconsistent with any of the Tax Assumptions or any of the statements set forth in clauses (A), (B) or (C) of subparagraph (c)(3) of this Annex, and that the Lessee and any such affiliate will file such returns, take such actions and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent expressed in paragraph (a) and the statements set forth in clauses (A), (B) and (C) of subparagraph (c)(3) of this Annex.

(c) Indemnification. If by reason of:

(1) any act of commission, omission or misrepresentation on the part of the Lessee,

(2) breach of any agreement, covenant, or warranty on the part of the Lessee contained herein or in the Lease or the Participation Agreement or any exhibit thereto,

(3) the inaccuracy in law or in fact, at the date of the delivery by the Builder to the Lessor of any Unit, (A) of any representation on the part of the

Lessee contained herein or in the Lease or the Participation Agreement or in any exhibit thereto, or (B) in any of the following statements:

(i) such Unit, on the date of its delivery by the Builder to the Lessor, will constitute new property; the original use of such Unit, within the meaning of Section 167 of the Code, will commence with the Lessor; and the Unit will be placed in service on such delivery date; or

(ii) the Purchase Price of such Unit will be equal to its fair market value on its delivery date; or

(iii) on the date each Unit is placed in service its estimated useful life and estimated residual value at the end of the original term of the Lease will meet the requirements of Section 4(1)(c) of Rev. Proc. 75-21, 1975-1 Cum. Bull. 715;

the Owner shall not be allowed for any taxable year (or portion thereof) all or any portion of the Interest Deductions or the Depreciation Deductions, or all or any part of the Depreciation Deductions is recaptured pursuant to Section 1245 of the Code or any similar provision, (any such non-allowance or recapture being referred to hereinafter as a "Loss"), then, unless excused by the provisions of paragraph (d) hereof, the Lessee will pay to the Owner an amount which, after reduction by all taxes required to be paid by the Owner in respect of the receipt of such amount, shall be equal to the sum of the aggregate additional Federal, state or local income taxes, or franchise taxes based on income, payable by the Owner with respect to such taxable year as the result of any such Loss plus, on an after-tax basis, an amount equal to any interest, additions to tax or penalties associated with such income or franchise taxes payable by the Owner. If, as a result of a Loss, the aggregate Federal, state or local income or franchise taxes paid by the Owner for any taxable year, including any taxable year after the expiration of this Lease, shall be less than the amount of such taxes which would have been payable by the Owner had no such Loss occurred (including a reduction in taxes arising from the utilization of any Canadian withholding taxes paid by the Lessee with respect to payments made pursuant to this paragraph (c) as a credit in determining the Owner's federal income tax), then the Owner will promptly pay to the Lessee the amount of such difference in taxes plus any additional tax benefits realized by the Owner as a result of such

payment; provided, however, that the Owner shall not be obligated to make any payment pursuant to this sentence to the extent that the sum of such payment and all other payments by the Owner for that Loss pursuant to this paragraph (c) would exceed the amount of all payments by the Lessee to the Owner for that Loss pursuant to this paragraph (c). Any amount which the Owner would have been required to pay the Lessee under this paragraph (c) shall reduce pro tanto the amount, if any, which the Lessee is subsequently obligated to pay the Owner under this paragraph (c). All amounts payable to the Owner hereunder shall be paid promptly, and in any event within 30 days after receipt by the Lessee of a written demand therefor, accompanied by a written statement describing in reasonable detail the related Loss and the computation of the amount so payable; provided, however, that the Lessee shall not be required to pay any such amount prior to the time provided in paragraph (f) if the Loss in question is being contested, or, if there is no contest of such Loss, prior to the payment of additional tax which becomes due as a result of such Loss. Any payment due to the Lessee from the Owner pursuant to this paragraph (c) shall be paid promptly and in any event within 30 days after the end of the taxable year in which the Owner is deemed to realize any such savings in its income or franchise taxes or additional tax benefits, as the case may be.

(d) Limitation on Indemnification. Notwithstanding anything to the contrary set forth in paragraph (c), the Lessee shall have no liability to the Owner for indemnification hereunder for any loss:

(1) to the extent that such Loss is a direct result of the occurrence of any event which causes the Lessee to pay in full the Casualty Value or Termination Value of any Unit;

(2) to the extent of any tax penalties for which the Owner becomes liable other than by reason of any transaction contemplated by the Participation Agreement; or

(3) to the extent that such Loss is a direct result of the purchase of the Owner's beneficial interest in the Units pursuant to paragraph (k) of this Annex.

(e) Indemnity for Capital Expenditures. If at any time the Owner is required by (i) a provision of any tax law or the regulations promulgated thereunder; (ii) any published revenue ruling, revenue procedure, or other published statement

of position by any taxing authority which has not been held invalid by any court having appellate jurisdiction over the tax liability of the Owner in a decision which has become final; or (iii) a determination upon any audit of the Owner's tax return, to include in its gross income for Federal, state or local income or franchise tax purposes an amount in respect of any addition to any Unit ("Capital Expenditures"), then the Lessee will pay to the Owner such amount or, from time to time, such amounts which, after reduction by all taxes required to be paid by the Owner in respect of the receipt of such amounts, shall be equal to the sum of the aggregate additional Federal, state or local income or franchise taxes payable by the Owner from time to time as a result of such Capital Expenditure, plus, on an after-tax basis, an amount equal to any interest, additions to tax or penalties associated with such income or franchise taxes payable by the Owner. If as a result of any Capital Expenditure the aggregate Federal, state or local income or franchise taxes paid by the Owner for any taxable year, including any taxable year after the expiration of this Lease, shall be less than the amount of such taxes which would have been payable by the Owner had such Capital Expenditure not been made, then the Owner will pay the Lessee, on an after-tax basis, the amount of such savings in taxes (including a reduction in taxes arising from the utilization of any Canadian withholding taxes paid by the Lessee with respect to payments made pursuant to this paragraph (e) as a credit in determining the Owner's Federal income tax) plus any additional tax benefits realized by the Owner as the result of such payment; provided, however, that the Owner shall not be obligated to make any payment pursuant to this sentence to the extent that the sum of such payment and all other payments by the Owner for that Capital Expenditure pursuant to this paragraph (e) would exceed the amount of all payments by the Lessee to the Owner for that Capital Expenditure pursuant to this paragraph (e). Any amount which the Owner would have been required to pay the Lessee under this paragraph (e) but for the limitations in the preceding sentence shall reduce pro tanto the amount, if any, which the Lessee is subsequently obligated to pay the Owner under this paragraph (e). All amounts payable to the Owner hereunder shall be paid promptly, in any event within 30 days, after receipt by the Lessee of a written statement describing in reasonable detail the inclusion in gross income and the computation of the amount so payable; provided, however, that the Lessee shall not be required to pay any such amount prior to the time provided in paragraph (f) if the inclusion in question is being contested, or, if there is no contest of such inclusion, prior to the payment of additional tax which becomes

due as a result of such inclusion. Any payment due to the Lessee from the Owner pursuant to this paragraph (e) shall be paid promptly and in any event within 30 days after the end of the taxable year in which the Owner is deemed to realize any such savings in its income or franchise taxes or additional tax benefits, as the case may be. The Owner shall attempt to maximize the tax benefits to which it may become entitled as a result of the inclusion of the cost of Capital Expenditures in gross income, by making such elections (including, where advantageous, the applicable asset guideline repair allowance and accelerated depreciation, if then permitted) and utilizing such conventions and accounting methods as will further such objectives; provided, however, that the Owner shall not be required to make any election or utilize a particular convention or accounting method if the Owner shall determine, in its sole discretion, that in so doing it will adversely affect its tax liability determined without regard to this transaction.

(f) Contest of Disallowance of Tax Benefits. In the event a claim shall be made at any time by the Internal Revenue Service which, if successful, would require the Lessee to indemnify the Owner under this Annex, the Owner hereby agrees to contest such claim in a court or courts of competent jurisdiction as the Lessee shall reasonably request in writing from time to time; provided, however, that: (i) within 30 days after notice by the Owner to the Lessee of such claim, the Lessee shall request that such claim be contested; (ii) the Owner, at its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Internal Revenue Service in respect of such claim; (iii) prior to taking such action, the Lessee shall have furnished the Owner with an opinion of Messrs. Sidley & Austin or other independent tax counsel reasonably satisfactory to the Owner to the effect that a meritorious defense exists to such claim; and (iv) the Lessee shall have indemnified the Owner in a manner satisfactory to it for any liability or loss arising out of the transactions contemplated by the Participation Agreement which the Owner may incur as the result of contesting such claim and shall have agreed to pay the Owner on demand an amount which, after payment of all taxes incurred in respect of the receipt thereof, less any taxes saved by the deduction thereof, shall be equal to all costs and expenses which the Owner may incur in connection with contesting such claim, including, without limitation, reasonable attorneys' and accountants' fees and disbursements, and the amount of any interest or penalty which may ultimately be payable as a result of contesting such claim. The Owner shall consider in good faith any

request by the Lessee as to such method of contesting such proposed claim but may, in its sole discretion, determine whether the proceedings shall be for redetermination of the deficiency proposed to be assessed by the Internal Revenue Service or for refund of taxes paid based on such deficiency, and if the Owner shall have elected hereunder to pay the tax claimed and then seek a refund, the Lessee will lend to the Owner, on an interest-free basis, sufficient funds to pay the tax. The Owner shall control the conduct of any contest of a proposed deficiency, but the Owner shall consider in good faith any request by the Lessee concerning such conduct and shall not settle or concede any such contest without the consent of the Lessee.

If any such claim referred to above shall be made by the Internal Revenue Service and the Lessee shall have reasonably requested the Owner to contest such claim as above provided and shall have duly complied with all the terms of this paragraph (f), the Lessee's liability for indemnification shall become fixed upon final determination of the liability of the Owner. At such time the Lessee shall become obligated for the payment of any indemnification hereunder resulting from the outcome of such contest, and, if the Owner has elected to pay the tax claimed and seek a refund, the Owner shall become obligated to repay the interest-free loan to the extent of any refund received or taxes which would have been refunded but for any issue unrelated to the transactions contemplated by the Participation Agreement. The obligations of the Owner and the Lessee will first be set off against each other and any difference owing by either party shall be paid within 30 days after such final determination. If in connection with such final determination the Owner receives a refund of tax (or would have received a refund but for an issue unrelated to the transactions contemplated by the Participation Agreement), any interest received by the Owner (or interest which the Owner would have received but for an issue unrelated to transactions contemplated by the Participation Agreement) which is fairly attributable to such contested taxes will be paid over to the Lessee. In the case of any such claim by the Internal Revenue Service referred to above, the Owner agrees promptly to notify the Lessee in writing of such claim and agrees not to make payment of the tax claimed nor to consent to the assessment of any deficiency relating to such claim for at least 30 days after the giving of such notice and agrees to give to the Lessee any relevant information relating to such claim which may be particularly within the knowledge of the Owner and otherwise to cooperate with the Lessee in good faith in order to contest any such claim effectively.

Notwithstanding the preceding provisions of this paragraph (f), the Owner reserves the right at all times to direct its tax counsel not to take or to cease taking all legal or other appropriate action deemed reasonable by such counsel in order to sustain all or any part of any Loss or Capital Expenditure whereby such action by the Owner will relieve the Lessee of its obligation to the Owner under this Annex in respect to the part of the Loss or Capital Expenditure not so contested.

(g) Adjustment of Casualty Values and Termination Values. If the Lessee shall be required to indemnify the Owner pursuant to this Annex with respect to any Loss or Capital Expenditure and the amount of such indemnity shall be actually so paid, the Owner shall recompute the Casualty Values and Termination Values in accordance with the manner in which such values were originally computed by the Owner to reflect the foregoing provided that Casualty Values and Termination Values, together with the rental payment then due, shall be sufficient to satisfy the principal amount of the Conditional Sale Indebtedness attributable to the Unit or Units with respect to which such Casualty Value and Termination Value payments are made, together with the interest thereon which is accrued and unpaid on such date. Thereupon the Owner shall certify to the Lessee either that the values as set forth in the Lease do not require change or the new values necessary to reflect the foregoing, describing in reasonable detail the basis for computing such new values, as the case may be, and upon such certification such new values shall be substituted for the values appearing in the Lease.

(h) Indemnification for Changes In Canadian Withholding Taxes. The Owner's net economic return has been estimated on the basis that all rental payments made pursuant to Section 3 of the Lease on or after January 1, 1993 ("Covered Payments") will be subject to Canadian withholding tax at the rate of 15%. If Covered Payments are not subject to Canadian withholding tax at the rate of 15% (other than as a result of the Owner or the Lessor being considered to be engaged in a trade or business in Canada) the following payments shall be made:

(1) If the Canadian withholding tax rate applicable to any Covered Payment is less than 15%, the Owner will be deemed to have suffered an after-tax detriment (ATD) equal to the product of A and B, where A is 100% minus the Owner's marginal Federal income tax rate and B is (i) the excess of (x) the Canadian withholding tax which would have been imposed with respect to rental

payments pursuant to Section 3 of the Lease for such year (the "Computation Year") if the Canadian withholding rate had been 15% and which the Owner could have credited against its federal income tax liability for the Computation Year or any preceding year, over (y) the Canadian withholding taxes with respect to such payments which the Owner actually credited against its federal income tax liability for the Computation Year or any preceding year, minus (ii) the net saving, if any, of state and local income and franchise taxes resulting from the reduction in Canadian withholding tax rate below 15% on such rentals. To the extent (i) the Owner could not have credited against its federal income tax liability for the Computation Year or a preceding year the entire Canadian withholding tax which would have been imposed with respect to rental payments pursuant to Section 3 of the Lease for the Computation Year if the Canadian withholding rate had been 15%, and (ii) the Owner would have been able to credit some or all of the excess credit against its Federal income tax liability in a year or years subsequent to the Computation Year, then (iii) the Owner will be deemed to have suffered an after-tax detriment in such subsequent year or years computed in a manner comparable to that set forth in the first sentence of this subparagraph. Notwithstanding the preceding sentences and subparagraph 4 of this paragraph (h), if the Canadian withholding tax rate with respect to any Covered Payment is 10%, the obligation of the Lessee to compensate the Owner for the tax detriment described in this subparagraph shall be fully satisfied by paying an amount equal to 5.8824% of such Covered Payment.

(2) If the Canadian withholding tax rate applicable to any Covered Payment is more than 15%, the Owner will be deemed to have realized an after-tax benefit (or an after-tax detriment, if the formula set forth in this paragraph (2) results in a negative number) determined by solving for the value of ATB in the following formula:

$$ATB = A(B-C-D) - E$$

where:

A = 100% minus the Owner's marginal Federal income tax rate;

B = the amount of Canadian withholding taxes imposed on such payment;

C = the Canadian withholding taxes which would have been imposed on such payment if the rate of Canadian withholding tax had been 15%;

D = the net cost of state and local income and franchise taxes resulting from an increase in the Canadian withholding tax rate above 15% on such payment; and

E = the excess, if any, of (i) the amount of foreign tax credit which the Owner may actually carry forward under Section 904(c) of the Code, over (ii) the amount of foreign tax credit which the Owner would have been able to so carry forward if the Canadian withholding tax rate had been 15%.

The Owner will pay to the Lessee (a) the amount, not to exceed the value of E determined pursuant to the preceding sentence, which it is able to utilize as a credit in computing its Federal income tax liability for any year after the year in which such Covered Payment is made, plus (b) any additional tax benefits realized by the Owner as a result of such payment. In determining the amounts of foreign tax credits available which the Owner is able to utilize as a result of such withholding taxes, such withholding taxes shall be deemed to be utilized only after the Owner first uses all other foreign tax credits available to it.

(3) In determining whether any Canadian withholding tax applicable to any Covered Payment could have been credited against the Owner's Federal income tax liability if the Canadian withholding tax rate remained at 15%, or is actually credited against such liability: (a) if the Canadian withholding tax rate is increased to above 15% and the inclusion in gross income of such additional withholding taxes increases the Owner's capacity to claim a credit for foreign taxes, such increase in capacity shall be utilized first to absorb Canadian withholding taxes imposed at a rate in excess of 15%, (b) all items of income, deductions or credit with respect to lease transactions for which a commitment is made after such change in Canadian withholding tax rate is adopted shall be excluded, (c) except as provided in (a) and (b), all available carryovers and carrybacks of tax attributes of any kind shall be taken

into account, (d) the order of utilization of foreign taxes paid or accrued by Owner in different taxable years shall be determined pursuant to section 904(c) of the Code, and (e) Canadian withholding taxes paid or accrued during Owner's taxable year on rentals payable pursuant to Section 3 of the Lease shall be deemed to be utilized only after the Owner first has utilized all other foreign taxes (other than those described in subparagraph (b)) which it paid or accrued in the same taxable year.

(4) All payments to be made with respect to changes in the Canadian withholding rate shall be grossed-up as follows:

(A) In the event of a payment by the Lessee to the Owner pursuant to subparagraph 1 or 2 of this paragraph (h), the payment to be made by the Lessee on a before-tax basis shall be computed by solving for the value of BT in the following formula:

$$BT = \frac{ATD (1-W)}{(1-S) (1-F)}$$

Where ATD equals the after-tax detriment in the amount described in subparagraph 1 or 2 of this paragraph (h), S equals the Owner's marginal state and local income or franchise rate applicable to the year in question, W equals the Canadian withholding tax rate for the year in question and F equals the Owner's marginal Federal income tax rate for the year in question.

(B) In the case of a payment by the Owner to the Lessee pursuant to subparagraph 2 of this paragraph (h), the payment shall be equal to the after-tax benefit described in said subparagraph 2 plus the amount of any Federal income and state and local income and franchise tax benefits which it realizes with respect to payments described in this paragraph (h).

(5) For purposes of this paragraph (h) it has been assumed that the payments made to the Owner hereunder will be subject to Canadian withholding tax at the rate then applicable to rental payments. If the payments pursuant to this paragraph (h) are not subject to

Canadian withholding tax, such payments shall be increased in a manner consistent with the principles set forth herein.

(6) All payments to be made with respect to changes in the Canadian withholding rate will be made by the Lessee or the Owner, as the case may be, within 30 days after delivery by the Owner to the Lessee of a written computation indicating the required adjustment, such computation to be delivered on or before the date on which the Owner's Federal income tax return for such taxable year is filed. If the Lessee and the Owner are unable to agree as to the correctness of the computation by the payment date, payment will be delayed for up to 60 days, during which period the computation shall be verified pursuant to paragraph (j) of this Annex.

For purposes of this paragraph (h), the withholding tax applicable to Covered Payments shall be deemed to have been reduced to the extent that, because the Lessee is a body corporate acting as agent for Her Majesty in right of Canada, the Canadian withholding tax paid with respect to such Covered Payments is treated, for United States Federal income tax purposes, as not having been paid or accrued.

(i) Definition of Owner. For purposes of this Annex, the term "Owner" shall include any member of an affiliated group, within the meaning of Section 1504 of the Code, of which the Owner is a member.

(j) Computation. All computations required to be made as a result of indemnity claims under this Annex shall be made in the first instance by the Owner. The Owner agrees to maintain and keep all original assumptions and materials relating to the calculation of the amount of any indemnity hereunder. If requested by the Lessee, such computations, assumptions and materials shall, at the Lessee's expense, be provided to and verified by independent public accountants jointly selected by the Owner and the Lessee, and the Lessee shall reimburse the Owner for all amounts paid to outside contractors, including but not limited to attorneys, auditors or other third parties reasonably necessary to make such computations or verify such assumptions and materials.

(k) Purchase of Beneficial Interest in Units. Provided that (1) the Lease has not been earlier terminated and no Event of Default shall have occurred and be continuing, and (2) all necessary Canadian Governmental approvals shall have been obtained, if (a) on any Rental Payment Date prior to January 2, 1993, the projected

indemnity payments (excluding payments under paragraph (h) which are attributable to a reduction in the Canadian withholding tax rate) by the Lessee to the Owner exceed \$250,000, or (b) on any Rental Payment Date on or after January 2, 1993, the projected indemnity payments (excluding payments under paragraph (h) which are attributable to the first 5 percentage point reduction in the Canadian withholding tax rate from 15%) by the Lessee to the Owner exceed \$100,000, the Lessee shall have the option to purchase the Owner's interest in all, but not less than all, of the Units for the purchase price described in the following sentence. The purchase price for the Owner's interest in all of the Units shall be an amount equal to the excess of (1) the higher of their Casualty Value (referred to in Section 7 of the Lease determined as of the Rental Payment Date on which the purchase takes place) or Fair Market Value (determined in accordance with Section 14 of the Lease), plus in either case all amounts payable under the terms of the Lease on such date over (2) the principal amount payable under the Conditional Sales Agreement on such purchase date, and the Lessee will take the Units subject to the principal amount payable under the Conditional Sales Agreement. In order for the Lessee to make a determination as to whether it wishes to exercise the option granted by this paragraph, the Lessee shall give the Owner written notice, not later than 90 days prior to any Rental Payment Date as which it wishes to exercise the option granted by this paragraph, that the Lessee wishes to have the Fair Market Value of the Units determined, which determination shall be made at the Lessee's sole expense and the Owner shall, upon written request of the Lessee, provide the Lessee with such information as it may reasonably request as to the application of Section 904 of the Code in each of the preceding three years plus the Owner's estimate as to the application of such Section to the year in which the request is made plus each of the succeeding three years.

If the Lessee wishes to purchase the Owner's interest in the Units, such purchase shall take place on the Rental Payment Date next succeeding the date the Lessee has given notice to the Owner that the Lessee wishes to exercise its option, and payment of the purchase price shall be made in funds immediately available at or prior to 11 a.m. local time in the city designated by the Owner and against the delivery of a bill of sale transferring and assigning to the Lessee all of the Owner's right, title and interest in and to the Units and containing a warranty against liens or claims of persons claiming by, through or under such Owner (other than liens and claims under the Conditional Sales Agreement).

The Owner shall not be required to make any representation or warranty as to the condition of the Units or any other matters.

(1) Foreign Tax Credit. In the event that payments pursuant to the Lease (other than payments of rentals pursuant to Section 3 thereof) are subject to Canadian withholding tax, and the Lessee pays such tax on behalf of the Lessor pursuant to Section 6 of the Lease, the Owner will pay to the Lessee (a) the amount of any foreign tax credit it is able to utilize as a result of the payment of such withholding tax (reduced by any Federal, state or local taxes on such withholding tax) plus (b) any additional tax benefits realized by the Owner as a result of such payment. In determining the amounts of foreign tax credits available to the Owner as a result of such withholding taxes, such withholding taxes shall be deemed to be utilized only after the Owner first uses all other foreign tax credits available to it.

AGREEMENT AND ASSIGNMENT

Dated as of September 15, 1980

Between

NATIONAL STEEL CAR LIMITED

and

MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY,

as Agent

AGREEMENT AND ASSIGNMENT dated as of September 15, 1980, between NATIONAL STEEL CAR LIMITED (the "Builder") and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, acting as Agent under a Participation Agreement dated as of the date hereof (the "Assignee").

The Builder and First Security Bank of Utah, N.A., as Trustee (the "Vendee"), under a Trust Agreement dated as of the date hereof (the "Trust Agreement"), with the Assignee and First Security Bank of Idaho, N.A., have entered into a Conditional Sale Agreement dated as of the date hereof (the "Conditional Sale Agreement") covering the construction, sale and delivery, on the conditions therein set forth, by the Builder and the purchase by the Vendee of the railroad equipment described in Annex B to the Conditional Sale Agreement (the "Equipment").

The Vendee and The Canadian Wheat Board (the "Lessee") have entered into a Lease of Railroad Equipment dated as of the date hereof (the "Lease") providing for the lease to the Lessee of the Equipment.

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (this "Assignment") WITNESSETH: that in consideration of the sum of One Dollar and other good and valuable consideration paid by the Assignee to the Builder, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained, the parties hereto agree as follows:

SECTION 1. The Builder hereby assigns, transfers and sets over unto the Assignee, its successors and assigns:

(a) all the right, title and interest of the Builder in and to each unit of the Equipment manufactured by it when and as severally delivered to and accepted by the Vendee, subject to payment by the Assignee to the Builder of the amount required to be paid pursuant to Section 4 hereof and of the amounts due to the Builder under the Conditional Sale Agreement;

(b) all the right, title and interest of the

Builder in and to the Conditional Sale Agreement (except the right to construct and deliver the Equipment, the right to receive the payments specified in subparagraph (a) of the third paragraph of Article 4 thereof and reimbursement for taxes paid or incurred by the Builder), and except as aforesaid in and to any and all amounts which may be or become due or owing to the Builder under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Vendee under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) except as limited by subparagraph (b) of this paragraph, all the Builder's rights, titles, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse hereunder, however, against the Builder for or on account of the failure of the Vendee to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; provided, however, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Builder to deliver the Equipment in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements referred to in Article 13 of the Conditional Sale Agreement or relieve the Vendee from its obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 of the Conditional Sale Agreement. In furtherance of the foregoing assignment and transfer, the Builder hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for the Builder, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled under this Assignment and compliance by the Vendee with the terms and agreements on its part to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 2. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of

the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that immediately prior to the time of delivery and acceptance of each unit of Equipment under the Conditional Sale Agreement, it had legal title to such unit and good and lawful right to sell such unit and that such unit was free of all claims, liens, security interests and other encumbrances of any nature arising from, through or under the Builder, except only (i) any claims, liens, security interests or other encumbrances created by any person other than the Builder or any of its affiliates, after such unit has been handed over by the Builder to Canadian National Railway Company ("CNR") at the storage area at the Builder's plant pursuant to the Bailment Agreement dated September 18, 1980, between the Builder and CNR (the "Bailment Agreement"), and (ii) the rights of any of the parties under the Participation Agreement and all Exhibits and Annexes thereto; and the Builder further agrees that it will defend such title to such unit against the demands of all persons whomsoever based on claims (other than any thereof referred to in the foregoing clauses (i) and (ii)) arising from, through or under the Builder originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all subject however, to the provisions of the Conditional Sale Agreement and to the rights of the Vendee thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 and as contemplated by Paragraph 7(b) of the Participation Agreement (the Builder and its counsel being entitled to rely on advice from special counsel for the Assignee that such filings have occurred).

SECTION 3. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any installment of, or interest on, indebtedness in respect of the Purchase Price of the Equipment manufactured by it or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expenses, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Lessee

arising out of a breach by the Builder of any obligation with respect to such Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 14 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Lessee in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Lessee and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Lessee and not developed or purported to be developed by the Builder, the Builder agrees, except as otherwise specifically provided in Annex A to the Conditional Sale Agreement, to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment manufactured by the Builder of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give prompt notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Lessee with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 4. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to a Group (as defined in said Article 4) of the Equipment, shall pay to the Builder an amount in Canadian dollars equal to the portion of the Purchase Price thereof (including any increase in the Purchase Price pursuant to a supplemental invoice presented pursuant to such Article 4) which, under the terms of said Article 4, is payable in installments, provided that there shall have been delivered to the Assignee on or prior to such Closing Date, the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) a Bill or Bills of Sale from the Builder covering the units being settled for to the Assignee executed and delivered contemporaneously with the delivery and acceptance of such units transferring to the Assignee all right, title and interest of the Builder in such units, warranting to the Assignee and to the Vendee that at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and such units were free of all claims, liens, security interests and other encumbrances of any nature, except (i) any claims, liens, security interests or other encumbrances created by any person other than the Builder or any of its affiliates, after such unit has been handed over by the Builder to CNR at the storage area at the Builder's plant pursuant to the Bailment Agreement and (ii) the rights of any of the parties under the Participation Agreement and all Exhibits and Annexes thereto; and covenanting to defend the title to such units against demands of all persons whomsoever based on claims (other than any thereof referred to in the foregoing clauses (i) and (ii)) originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) a Certificate or Certificates of Acceptance with respect to the units of the Equipment in such Group as contemplated by Article 3 of the Conditional Sale Agreement and § 2 of the Lease;

(c) an invoice of the Builder for the units of the Equipment in such Group and any supplemental invoice for which settlement is then being made, and,

if required by Article 4 of the Conditional Sale Agreement, such invoice and supplemental invoice shall be accompanied by or have endorsed thereon a certification by the Vendee and the Lessee as to their approval thereof;

(d) an opinion of counsel for the Builder dated as of such Closing Date addressed to the Assignee and the Vendee to the effect that the aforesaid Bills of Sale have been duly authorized, executed and delivered by the Builder and are valid and effective to vest in the Assignee all the right, title and interest of the Builder in such units free from all liens, security interests and other encumbrances arising from through or under the Builder, except (a) any claims, liens, security interests or other encumbrances created by any person other than the Builder or any of its affiliates, after such unit has been handed over by the Builder to CNR at the storage area at the Builder's plant pursuant to the Bailment Agreement and (b) the rights of any of the parties under the Participation Agreement and all Exhibits and Annexes thereto; and

(e) a receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 4) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee;

provided, however, that with respect to Equipment for which a Final Supplemental Invoice (as defined in the Conditional Sale Agreement) is submitted by the Builder as permitted by Article 4 of the Conditional Sale Agreement, the only documents which must be delivered to the Assignee are those required by subparagraphs (c) and (e) of this Section 4.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment and the Conditional Sale Agreement

with respect to which payment has not been made by the Assignee.

SECTION 5. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Vendee thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 14 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 6. The Builder hereby:

(a) represents and warrants to the Assignee, the Vendee and their successors and assigns, that the Conditional Sale Agreement and this Assignment were duly authorized by it and lawfully executed and delivered by it, that, assuming due authorization, execution and delivery by the other parties thereto and assuming the timely filing of the Conditional Sale Agreement and this Assignment and any other documents relating thereto or copies or notices thereof in accordance with the laws of all jurisdictions in which such recording or filing is required, the Conditional Sale Agreement and this Assignment are, insofar as the Builder is concerned, legal, valid and existing agreements binding upon and enforceable against the Builder in accordance with their terms and that they are now in force without amendment thereto;

(b) agrees that it will from time to time, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do all such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee by the Builder or intended so to be; and

(c) agrees that, upon payment in full to the Builder and at the request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order

to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.

SECTION 7. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of Maryland; provided, however, that the parties shall be entitled to all the rights conferred by rights and obligations hereunder shall be governed by the laws of the State of Maryland; provided, however, that the parties shall be entitled to all the rights conferred by 49 U.S.C. § 11303, such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited, or in which any unit of the Equipment shall be located, and any rights arising out of the markings on the units of Equipment.

SECTION 8. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although for convenience this Assignment is dated as of the date first above written, the actual dates of execution hereof by the parties hereto are the dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed as of the date first above written.

ARTICLE I

Authority To Execute the Trust Documents Declaration of Trust

Section 1.01. The Owner hereby authorizes and directs the Trustee (i) to execute and deliver the Conditional Sale Agreement dated as of the date hereof (the "Conditional Sale Agreement") between National Steel Car Limited (the "Builder") and the Trustee; (ii) to acknowledge the notice of assignment to the Agent of the interest of the Builder in the Conditional Sale Agreement pursuant to an Agreement and Assignment dated as of the date hereof (the "Assignment") between the Builder and the Agent; (iii) to execute and deliver the Lease of Railroad Equipment dated as of the date hereof between The Canadian Wheat Board (the "Lessee") and the Trustee (the "Lease"); (iv) to execute and deliver the Participation Agreement dated as of the date hereof among the Owner, the Trustee, the Lessee, the Agent and Morgan Guaranty Trust Company of New York (the "Participation Agreement"); (v) to execute and deliver each document referred to in the Participation Agreement, the Conditional Sale Agreement or the Lease to which the Trustee is to be a party (such documents together with the Participation Agreement, the Conditional Sale Agreement, the Assignment, the Lease, any amendments or supplements thereto, and all other documents contemplated hereby and thereby, except this Trust Agreement and any amendments or supplements hereto, being hereinafter sometimes collectively called the "Trust Documents"); (vi) to authorize a repre-

representative of the Trustee (who may be an employee of the Lessee) to accept delivery of each item of equipment from time to time delivered to the Trustee under and in accordance with the terms of the Conditional Sale Agreement (any and all such equipment from time to time delivered and accepted under the Conditional Sale Agreement being hereinafter called the "Equipment") and to accept delivery, through such representative or directly, of and approve any and all bills of sale and invoices in favor of the Trustee covering any Equipment; (vii) to pay or cause to be paid to the Builder in payment for the purchase price of such Equipment such funds as the Owner may from time to time furnish the Trustee for such purposes; and (viii) subject to the terms of this Trust Agreement, to exercise the rights and perform the duties of Vendee under the Conditional Sale Agreement and the Lessor under the Lease. The Trustee shall not execute and deliver any of the Trust Documents until the form thereof has been approved by an authorized officer or representative of the Owner. The execution of the Participation Agreement by the Owner shall be conclusive evidence of such approval.

Section 1.02. The Trustee hereby declares that it will hold all estate, right, title and interest of the Trustee in and to the Equipment and the Trust Documents, including, without limitation, all amounts of rent, insurance proceeds, indemnity (except such amounts of indemnification required to indemnify the Trustee from losses and expenses incurred by the Trustee in its individual capacity) and other payments of any kind for or with respect to any Equipment (all such estate, right, title and interest being hereinafter sometimes called the "Trust Estate"), upon the trusts hereinafter set forth, first, for the use and benefit of the Agent and, second, for the use and benefit of the Owner; subject, however, to the obligations of the Trustee to make payment to the Builder in accordance with the terms of, and to the extent expressly provided in, Article II hereof.

Section 1.03. Subject to the terms and conditions of the Participation Agreement, the Owner shall make payments to the Trustee in order that the Trustee may make such payments on each Closing Date (as defined in the Conditional Sale Agreement) pursuant to the terms and conditions of the Conditional Sale Agreement and the Participation Agreement to effect the acquisition of the Equipment under the Conditional Sale Agreement. In addition, the Owner unconditionally agrees to make a payment to the

Trustee in order that the Trustee may pay on or before January 2, 1981, the amount of accrued interest on the Conditional Sale Indebtedness (as defined in the Conditional Sale Agreement) due on such date pursuant to Article 4 of the Conditional Sale Agreement. The Owner further agrees with the Trustee to take all necessary actions, including, without limitation, payment of funds, to enable the Trustee to discharge, pursuant to the proviso to the third paragraph of Article 12 of the Conditional Sale Agreement, the claims, liens, charges or security interests claimed by any party from, through or under the Owner or its successors or assigns and referred to in said paragraph.

Section 1.04. It is hereby agreed that the Lessee and the Builder are constituted third-party beneficiaries to each of the covenants and agreements of the Owner contained in Sections 1.03 and 5.02 hereof and Articles VI and VII hereof.

ARTICLE II

Receipt, Distribution and Application of Income from the Trust Estate

Section 2.01. (a) In the event that any amounts are received by the Trustee under the Lease while the Conditional Sale Indebtedness remains outstanding and the Conditional Sale Agreement is in force, such amounts shall be applied as follows:

(i) in satisfaction of the obligations of the Trustee under the Conditional Sale Agreement to the extent they constitute "income and proceeds from the Equipment" as defined therein; and

(ii) the balance, if any, to the Owner; provided, however, that if an event of default shall have occurred and be continuing under the Conditional Sale Agreement, the Trustee shall retain any amounts constituting "income and proceeds from the Equipment" (as defined in the Conditional Sale Agreement) for application pursuant to the foregoing subparagraph (i).

(b) In the event that any amounts are received by the Trustee under the Lease after all the Conditional Sale

Indebtedness has been paid in full and the Conditional Sale Agreement is no longer in effect, such amounts shall be paid over to the Owner not later than the first business day following such receipt.

Section 2.02. The Trustee shall make distributions as follows (unless otherwise directed in writing by the recipient thereof):

(a) to the Agent by wire transfer of immediately available funds to The Annapolis Banking and Trust Company, Main Street and Church Circle, Annapolis, Maryland, for credit to the Agent's Account No. 52076-1, with a request that The Annapolis Banking and Trust Company advise Mrs. K. M. Tollberg, Assistant Vice President, Mercantile-Safe Deposit and Trust Company, Baltimore, Maryland, that the funds are "RE: Canadian Wheat Board 9/15/80 (First Security Bank of Idaho Equipment)", or as the Agent may from time to time otherwise direct the Trustee in writing; and

(b) to the Owner by wire transfer of immediately available funds to First Security Bank of Utah, N.A., Salt Lake City, Utah, for the account of First Security Bank of Idaho, N.A., Account Number 60-07003-14, with notice of payment to the Owner at its address for notices under Section 9.04 hereof, or as the Owner may from time to time otherwise direct the Trustee in writing.

ARTICLE III

Duties of the Trustee

Section 3.01. In the event the Trustee shall have actual knowledge of an Event of Default under the Lease (or any event that with the passage of time or notice or both would constitute an Event of Default) or an event of default under the Conditional Sale Agreement, the Trustee shall give prompt notice in writing thereof to the Agent and the Owner, unless the same shall, to the knowledge of the Trustee, have been remedied before the giving of such notice. Subject to the terms of Section 3.03 hereof, the Trustee shall take such action with respect to such Event of Default or event of default as the Controlling Parties (as hereinafter defined) shall direct by written notice to the Trustee; provided, however, that, subject to the terms of the Lease and the Conditional Sale Agreement and the rights of the Agent thereunder, and subject further to the terms of Section 3.03 hereof, the Trustee shall

exercise such rights, powers, privileges and remedies arising out of subparagraph (A) of the first paragraph of § 10 of the Lease as the Owner shall direct in writing, except that the Trustee shall not, without the prior written consent of the Agent so long as any Conditional Sale Indebtedness shall be outstanding, terminate the Lease or otherwise exercise or enforce, or seek to exercise or enforce, any rights, powers, privileges and remedies arising out of subparagraph (B) of the first paragraph of § 10 of the Lease. As used in this Agreement, knowledge on the part of the Trustee shall mean actual knowledge of an officer or employee in the Trustee's Corporate Trust Department.

The term "Controlling Parties" shall mean the Agent and the Owner; provided, however, that during any period during which an event of default under the Conditional Sale Agreement shall have occurred and be continuing, the term "Controlling Parties" shall mean the Agent; provided further, however, that after all the Conditional Sale Indebtedness has been paid in full and the Conditional Sale Agreement is no longer in effect, the term "Controlling Parties" shall mean the Owner, and the Agent shall have no further interest hereunder.

Section 3.02. Subject in all respects to the rights of the Lessee under the Lease, and subject further to the terms of Sections 3.01 and 3.03 hereof, upon the written request at any time and from time to time of the Controlling Parties, the Trustee will take such of the following actions as may be specified in such request: (i) give such notice or direction or exercise such right or power under the Lease and/or the other Trust Documents with respect thereto or to any unit of the Equipment, including, without limitation, the right to transfer, assign or convey the Trustee's interest in the Trust Documents or any unit of the Equipment, as shall be specified in such request; and (ii) after the expiration or earlier termination of the Lease with respect to a unit of Equipment, convey all of the Trustee's right, title and interest in and to such unit of Equipment for such amount, on such terms and to such purchaser or purchasers as shall be designated in such request, or retain, lease or otherwise dispose of such unit of Equipment as shall be designated in such request.

Section 3.03. The Trustee shall not be required to take any action under Section 3.01 or Section 3.02 hereof unless the Trustee shall have been indemnified in advance by the Controlling Parties, in substance and form satisfactory to the Trustee, against any liability, cost or

expense (including counsel fees) which may be incurred in connection with such action. The Trustee shall not be required to take any action under Section 3.01 or Section 3.02 hereof, nor shall any other provision of this Trust Agreement be deemed to impose a duty on the Trustee to take any action, if the Trustee shall reasonably determine, or shall have been advised by counsel, that such action is likely to result in personal liability or a breach of the Trust Documents or is contrary to any law or regulation.

Section 3.04. The Trustee shall not have any duty or obligation to manage, control, use, sell, dispose of or otherwise deal with any unit of the Equipment or any other part of the Trust Estate, or to otherwise take or refrain from taking any action under, or in connection with, the Trust Documents, except as expressly provided by the terms of this Trust Agreement or as expressly provided in written instructions from the Controlling Parties received pursuant to the terms of Section 3.01 or Section 3.02 hereof (including, but not limited to, requests for information); and no implied duties or obligations shall be read into this Trust Agreement against the Trustee; provided, however, that nothing contained in this Section shall limit in any manner (a) the obligation of the Trustee to perform and observe all of the terms and provisions of the Conditional Sale Agreement imposed upon the Vendee thereunder or (b) the obligations of the Trustee set forth in Article II hereof. The Trustee nevertheless agrees that it will, at its own cost and expense, and in its individual capacity, promptly take such action as may be necessary to duly discharge any liens or encumbrances on any part of the Trust Estate which result from claims against the Trustee not related to the ownership of the Equipment or the administration of the Trust Estate.

Section 3.05. The Trustee will not manage, control, use, sell, lease, dispose of or otherwise deal with any unit of the Equipment or any other part of the Trust Estate except (i) as required by the terms of the Trust Documents or (ii) in accordance with the powers granted to, or the authority conferred upon, the Trustee pursuant to this Trust Agreement or (iii) in accordance with written instructions from the Controlling Parties pursuant to Section 3.01 or Section 3.02 hereof.

Section 3.06. In the event that the Trustee receives any written notice in respect of the Trust Documents or the Equipment, the Trustee shall promptly transmit such notice to each of the Agent and the Owner in accordance with the provisions of Section 9.05 hereof unless it shall have determined that such person has received the same.

ARTICLE IV

The Trustee

Section 4.01. The Trustee accepts the trusts hereby created and agrees to perform the same but only upon the terms of this Trust Agreement. The Trustee in receiving and disbursing all moneys actually received by it constituting a part of the Trust Estate upon the terms set forth in this Trust Agreement, agrees to exercise the same degree of care and skill as a prudent man would use in the handling of his own funds. The Trustee shall not be answerable or accountable under any circumstances, except for its own wilful misconduct or gross negligence or for its failure to receive and disburse moneys in accordance with the preceding sentence.

Section 4.02. Except in accordance with written instructions furnished pursuant to Sections 3.01 and 3.02 hereof, and without limitation of the generality of Section 3.04 hereof, the Trustee shall have no duty (i) to see to any recording, filing or depositing of the Trust Documents or any thereof or of this Trust Agreement, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof, (ii) to see to any insurance on the Equipment or to effect or maintain any such insurance, (iii) to see to the payment or discharge of any tax, assessment or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Trust Estate, (iv) to confirm, investigate, verify or inquire into the failure to receive any reports or financial statements of the Lessee other than to furnish each of the Agent and the Owner with a copy of each such report furnished the Trustee by the Lessee pursuant to § 8 of the Lease or (v) to inspect the Equipment at any time or ascertain or inquire as to the performance or observance of any of the Lessee's covenants under the Lease with respect

to the Equipment. Notwithstanding the foregoing, the Trustee will furnish to each of the Agent and the Owner, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Trustee under the Lease, the Participation Agreement or the Conditional Sale Agreement unless the Trustee shall have determined that such person has received the same.

Section 4.03. THE TRUSTEE MAKES (i) NO REPRESENTATION OR WARRANTY AS TO THE VALUE, CONDITION, MERCHANTABILITY OR FITNESS FOR USE OF THE EQUIPMENT OR AS TO ITS TITLE THERETO, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE EQUIPMENT WHATSOEVER EXCEPT THAT THE TRUSTEE HEREBY REPRESENTS AND WARRANTS TO THE AGENT AND THE OWNER AND TO THE LESSEE AS A THIRD-PARTY BENEFICIARY THAT (A) ON THE DELIVERY DATE FOR THE EQUIPMENT THE TRUSTEE SHALL HAVE RECEIVED WHATEVER TITLE THERETO SHALL HAVE BEEN CONVEYED TO IT BY THE BUILDER AND (B) ON SUCH DELIVERY DATE THE EQUIPMENT SHALL BE FREE OF LIENS OR ENCUMBRANCES RESULTING FROM CLAIMS AGAINST THE TRUSTEE NOT RELATED TO THE OWNERSHIP OF THE EQUIPMENT OR THE ADMINISTRATION OF THE TRUST ESTATE OR ANY OTHER TRANSACTION PURSUANT TO THIS TRUST AGREEMENT AND (ii) NO REPRESENTATION OR WARRANTY AS TO THE VALIDITY, LEGALITY OR ENFORCEABILITY OF THE TRUST DOCUMENTS, OR AS TO THE CORRECTNESS OF ANY STATEMENT CONTAINED IN ANY THEREOF.

The warranties and representations made by the Trustee in paragraphs (i)(B) of this Section 4.03 shall be binding upon the Trustee both as Trustee and in its individual corporate capacity notwithstanding any limitations of liability set forth in Article 21 of the Conditional Sale Agreement.

Section 4.04. No moneys received by the Trustee hereunder need be segregated in any manner except to the extent required by law; provided, however, that the Trustee shall nevertheless hold all moneys received in its capacity as Trustee as trust funds. So long as the Trustee shall have remitted the moneys as herein provided for on the business day following the date of their receipt, the Trustee shall not be liable for any interest thereon.

Section 4.05. The Trustee shall incur no liabil-

ity to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Trustee may accept a copy of a resolution of the Board of Directors of any corporate party, certified by the Secretary, an Assistant Secretary or an Attesting Secretary of said party as duly adopted and in full force and effect (or in lieu thereof a resolution of the executive committee of such corporate party), as conclusive evidence that such resolution has been duly adopted by said Board and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described herein, the Trustee may for all purposes hereof rely on a certificate, signed by or on behalf of the proper party executing the same, as to such fact or matter, and such certificate shall constitute full protection to the Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, the Trustee may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through other agents or attorneys and may, at the reasonable expense of the Trust Estate, seek advice of counsel, accountants and other skilled persons to be selected and employed by it, and the Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons.

Section 4.06. In accepting the trusts hereby created, the Trustee acts solely as trustee hereunder and not in its individual capacity nor as agent for the Agent or the Owner; and all persons, other than the Agent and the Owner, having any claim against the Trustee by reason of the transactions contemplated hereby shall look only to the Trust Estate for payment or satisfaction thereof. The Trustee represents that it will not do or undertake any act that would incur a claim or liability against the Agent or the Owner except as authorized herein or as instructed pursuant to the terms hereof.

Section 4.07. The Trustee, or any successor thereto, from time to time serving hereunder shall have the absolute right, acting independently, to take any

action and to exercise any right, remedy, power or privilege conferred upon the Trustee hereunder; and any action taken by the Trustee from time to time serving hereunder shall be binding upon the Trustee and no person dealing with the Trustee from time to time serving hereunder shall be obligated to confirm the power and authority of the Trustee to act.

ARTICLE V

Indemnification of Trustee by the Owner

Section 5.01. The Owner hereby agrees, whether or not any of the transactions contemplated hereby shall be consummated, to assume liability for, and does hereby indemnify, protect, save and keep harmless the Trustee and its respective successors, assigns, legal representatives, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, taxes (such term "taxes" or the term "tax" as used in this Section 5.01 shall include, without limitation, all taxes specifically related to this Trust Agreement and the Trust Estate created hereby or the income, rents, avails or proceeds from the Trust Estate excluding, however, any income taxes on fees or other compensation received by the Trustee in its capacity as Trustee and any Taxes (as defined in the Lease) indemnified against by the Lessee under § 6 of the Lease), claims, actions, suits, costs, expenses or disbursements (including, without limitation, legal fees and expenses) of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Trustee (whether or not also indemnified against by the Lessee under the Lease or also indemnified against by the Builder or any other person) in any way relating to or arising out of this Trust Agreement or the Trust Documents, or the performance or enforcement of any of the terms of any thereof, or in any way relating to or arising out of the manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of the Equipment (including, without limitation, latent and other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement and any claims for negligence or strict liability in tort), or in any way relating to or arising out of the administration of the Trust Estate or the action or inaction of the Trustee hereunder, except in the case of the handling of funds actually received, failure to act as a prudent man would

act in the handling of his own funds, and except in the case of wilful misconduct or negligence on the part of the Trustee in the performance of its duties hereunder or as a result of the breach of any representation, if any, made by the Trustee in its individual capacity in this Trust Agreement or the Trust Documents. The indemnities contained in this Section 5.01 shall survive the termination of this Trust Agreement. In addition, if necessary, the Trustee shall be entitled to indemnification from the Trust Estate for any liability, obligation, loss, damage, penalty, tax, claim, action, suit, cost, expense or disbursements indemnified against pursuant to this Section 5.01 to the extent not reimbursed by the Lessee, the Builder, the Owner or any other person, and, to secure the same, the Trustee shall have a lien on the Trust Estate prior to any interest therein of the Owner but subject and subordinate to the lien thereon and security interest therein of the Agent created by the Conditional Sale Agreement.

Section 5.02. The Owner agrees for the benefit of the Trustee and the Agent to pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Owner not arising out of the transactions contemplated hereby or by the Trust Documents (but including tax liens arising out of the receipt of the income and proceeds from the Trust Estate), equal or superior to the Agent's security interest therein, which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Owner's interest in the Lease and the payments to be made thereunder, but the Owner shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Agent, adversely affect the security interest of the Agent in or to the Equipment or otherwise under the Conditional Sale Agreement or this Trust Agreement or the Trustee's rights under the Lease. The Owner shall be liable in its individual capacity for its obligations under this Section 5.02 notwithstanding any limitation of liabilities set forth in Article 21 of the Conditional Sale Agreement.

ARTICLE VI

Transfer of the Owner's Interests

Section 6.01. The Owner shall not assign, convey

or otherwise transfer any of its right, title or interest in and to this Trust Agreement or the Trust Estate, except that all, but not less than all, of the right, title and interest of the Owner in and to this Trust Agreement or the Trust Estate may be assigned, conveyed or transferred by the Owner to (a) any finance company, bank or trust company organized under the laws of the United States or any state and having a combined capital and surplus of at least \$50,000,000, (b) any corporation which is an affiliate or subsidiary, wholly owned or otherwise, of the Owner and (c) any corporation into or with which the Owner shall merge or consolidate or which shall acquire the property of the Owner as an entirety or substantially as an entirety (any such institution or corporation to whom such interest in the Trust Estate may be assigned, conveyed or transferred being hereinafter referred to as the "Transferee"). In the event of any such assignment, conveyance or transfer, the Transferee shall become a party to this Trust Agreement and will agree to be bound by all the terms of and will undertake all of the obligations of the Owner contained in this Trust Agreement in such manner as is satisfactory to the Trustee and the Agent; and if the Transferee shall be of the type described in clause (b) above, the Owner shall remain responsible and liable for all obligations of the Transferee under this Trust Agreement. No such assignment, conveyance or transfer shall violate any provision of law or regulation or create a relationship which would be in violation thereof. The Trustee shall not be on notice of or otherwise bound by any such assignment, conveyance or transfer unless and until it shall have received an executed counterpart of the instrument of such assignment, conveyance or transfer. Upon any such disposition by the Owner to a Transferee as above provided, such Transferee shall be deemed the "Owner" for all purposes hereof, and shall be deemed to have made all the payments previously made by its transferor and to have acquired the entire interest in the Trust Estate as theretofore held by its transferor; and each reference herein to the Owner shall thereafter be deemed to include such Transferee.

Section 6.02. If the Owner shall propose to transfer its interests hereunder pursuant to Section 6.01 hereof, it shall give written notice to the Trustee and the Agent at least 30 days prior to such proposed transfer, specifying the name and address of the proposed Transferee, and enclosing the agreement or agreements referred to in said Section 6.01.

ARTICLE VII

Successor Trustees; Co-Trustees or Separate Trustees

Section 7.01. (a) The Trustee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to the Agent, the Owner and the Lessee, such resignation to be effective on the date specified in such notice; provided, however, that if on the effective date of such resignation all transfers of title to the assets and properties of the Trust Estate shall not have been completed, then such Trustee or successor thereto shall fully cooperate in effectuating such transfers. Should the Trustee become incapable of acting as such or be adjudged a bankrupt or insolvent, or should a receiver of the Trustee or of the property of the Trustee be appointed, or should any public officer take charge of or control the Trustee or the property or affairs of the Trustee for the purposes of rehabilitation, conservation or liquidation, the Trustee shall be deemed to have resigned immediately prior to such occurrence. In addition, the Controlling Parties may at any time remove the Trustee without cause by an instrument in writing delivered to the Trustee. In the case of the resignation or removal of any Trustee, the Controlling Parties shall, prior to the date specified in such notice or prior to such removal, or within 30 days of learning of the occurrence of an event that results in the Trustee's being deemed to have resigned, appoint a successor Trustee having the qualifications set forth in paragraph (d) of this Section 7.01 by an instrument signed by the Controlling Parties. If the Controlling Parties shall not have appointed a successor Trustee within 30 days after such resignation or removal, or within 30 days of learning of such an occurrence, the Trustee, if any, or the Agent may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed by the Controlling Parties as above provided. Any successor Trustee so appointed by such court shall immediately and without further act be superseded by any successor Trustee appointed by the Controlling Parties within one year from the date of the appointment by such court. Any banking institution or trust company

becoming a successor Trustee hereunder shall be deemed the "Trustee" for all purposes hereof, and each reference herein to the Trustee shall thereafter be deemed a reference to such banking institution or trust company.

(b) Any successor Trustee, whether appointed by a court or by the Controlling Parties, shall (i) execute and deliver to the predecessor Trustee an instrument accepting such appointment, and (ii) shall serve on or send by registered mail to the Receiver General of Canada or a paying officer, as defined in the Financial Administration Act (Canada), a notice of the assignment of the predecessor Trustee's rights under the Lease to the successor Trustee, as required by Section 82 of such Act; and thereupon such successor Trustee, without further act, shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor Trustee in the trusts hereunder with like effect as if originally named as Trustee herein; but nevertheless upon the written request of such successor Trustee, such predecessor Trustee shall execute and deliver an instrument transferring to such successor Trustee, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of such predecessor Trustee, and such predecessor Trustee shall duly assign, transfer, deliver and pay over to such successor Trustee any property or moneys then held by such predecessor Trustee upon the trusts herein expressed.

(c) Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation to which substantially all the business of the Trustee may be transferred, shall, subject to the terms of this Section 7.01, be the Trustee under this Trust Agreement without any further act.

(d) Any successor Trustee, however appointed, shall be a bank or trust company organized and existing under the laws of the United States of America or any state thereof or the District of Columbia, and having a combined capital and surplus of at least \$50,000,000, if there is such an institution willing and able and legally qualified to act as Trustee on reasonable and customary terms.

Section 7.02. If at any time or times it shall be necessary or prudent in order to conform to any law of any jurisdiction in which the Equipment or any unit thereof is located, or the Trustee being advised by counsel shall determine that it is so necessary or prudent in the interest of the Agent, the Owner or the Trustee, the Trustee, the Agent and the Owner shall execute and deliver all instruments and agreements necessary or proper to consti-

tute another bank or trust company or one or more persons approved by the Trustee, the Agent and the Owner, either to act as cotrustee or cotrustees, jointly with the Trustee, or to act as separate trustee or trustees hereunder (any such cotrustee or separate trustee being herein sometimes referred to as an additional trustee). In the event the Agent or the Owner shall have not joined in the execution of such instruments and agreements within 10 days after the receipt of a written request from the Trustee so to do, or in case an event of default under any Trust Document shall occur and be continuing, the Trustee may act under the foregoing provisions of this Section 7.02 without the concurrence of the Agent or the Owner, as the case may be, and each of the Agent and the Owner hereby appoints the Trustee its agent and attorney to act for it under the foregoing provisions of this Section 7.02 in either of such contingencies.

Every additional trustee hereunder shall, to the extent permitted by law, be appointed and act, and the Trustee and its successors shall act, subject to the following provisions and conditions:
