(6) Debtor will pay promptly when due all taxes and assessments upon the Collateral or for its use or operation or

upon this agreement or upon any note or notes evidencing the Obligations.

(7) If at any time or times Secured Party shall be of the opinion that the Collateral is not sufficient or has declined or may decline in value, or secured party shall deem payment of the Obligations to be insecure, then Secured Party may call for additional Collateral satisfactory to Secured Party, and Debtor promises to furnish such additional Collateral forthwith. The call for additional Collateral may be oral or by telegram or by United States Mail addressed to the address of Debtor shown at the beginning of this agreement.

(8) At its option Secured Party may use or may permit to be used any insurance proceeds received by Secured Party for the reconstruction or repair of the Collateral without in anywise impairing or affecting its rights hereunder.

In the event Secured Party shall pay any such taxes, assessments, interest, costs, penalties, insurance premiums or expenses pursuant to the foregoing authorization, Debtor, upon demand of Secured Party, shall pay to Secured Party the full amount thereof with interest at the rate of ten percent (10%) per annum from their respective dates of payment by Secured Party until repaid to Secured Party in full, and so long as Secured Party shall be entitled to any such payments, this Security Agreement shall operate as security therefor as fully and to the same extent as it operates as security for payment of the other Obligations due from Debtor, and for the enforcement of such repayment Secured Party shall have every right and remedy provided for enforcement if payment of the obligations hereunder.

(10) All information supplies and statements made by Debtor in any financial, credit or accounting statement or application for credit made or delivered to secured party by or on behalf of Debtor prior to, contemporaneously with or subsequent to the execution of this Security Agreement are and shall be true, correct, complete, valid and genuine.

(b) The account, instrument or chattel paper arose or was acquired by Debtor in the ordinary course of his business and is owned by Debtor free and clear of all liens, encumbrances or security interests of any nature other than the security interest of Secured Party hereunder, and no notice of

bankruptcy, insolvency or financial embarrassment of the party indebted thereon has been received by Debtor.

(12) Any instruments, chattel paper, money or monies, or documents that are, at the time or times, included in the Collateral, whether as proceeds or otherwise, will promptly be delivered by Debtor to Secured Party upon Debtor's receipt thereof, and in the event promptly upon demand therefor by Secured Party.

(13) Secured Party shall never be under any obligation to collect, attempt to collect, protect or enforce the Collateral or any security therefor, which debtor agrees and undertakes to do as Debtor's expense; but Secured Party may do so in its discretion at any time or times, and Secured Party shall have the right to take any steps by judicial process or otherwise it may deem proper from time to time to effect the collection of all or any portion of the Collateral or to protect or to enforce the Collateral or any security therefor. All expenses (including, without limitation, attorney's fees and legal expenses) incurred or paid by Secured Party in connection with or incident to any such collection or attempt to collect the Collateral or actions to protect or enforce the Collateral or any security therefor shall be borne by Debtor or reimbursed by Debtor to Secured Party upon demand. The proceeds of collection of the Collateral shall be held by secured party without liability for interest thereon and may be applied by secured party as secured party may deem appropriate toward payment of any of the obligations secured hereby, whether or not then due, in such order or manner as Secured Party may elect.

(14) Debtor will not at any time release or surrender any of the Collateral or any guaranty, suretyship agreement security therefor except incidental to payment in full thereof.

Debtor or received by Secured Party may be handled and administered by Secured Party, in its discretion, in and through a remittance or similar special account, but Debtor acknowledges that the maintenance of such an account by Secured Party is solely for its convenience in facilitating its own operations and that Debtor does not and shall not have any right, title or interest in said account or in the amounts at any time to the credit thereof. Debtor shall forth-with pay to Secured Party an amount equal to the unpaid balance of all accounts included in every such report, and upon receipt of such payment Secured Party shall apply the same against the Obligations in such order and in such manner as Secured Party may elect provided however, that Debtor may substitute other accounts, satisfactory to Secured Party, as part of the Collateral hereunder in lieu of making such payments.
