Union Tank Car Company
Equipment Trust (Series 19)

Gentlemen:

This refers to the Equipment Trust Agreement ("Agreement"), dated as of July 15, 1981, between this Company and Security Pacific National Bank, as Trustee, which was recorded with your office on July 22, 1981, and assigned recordation number 13199.

Section 5.07 of the Agreement provides that, if the Company intends to change the car numbers of any units of railroad equipment covered by the Agreement, it shall file and record with your office a statement of the new car numbers to be substituted therefor. The Company desires to substitute new car numbers for certain of the car numbers listed on Schedule A to the Agreement. The car numbers to be changed and the car numbers to be substituted therefor are set forth in Schedule A hereto.

We would appreciate your filing this Statement of New Numbers with the Agreement. Our check in the amount of \$10.00 to cover the filing fee is enclosed, together with three executed copies of this Statement. Please return two of these copies with the recordation date indicated thereon to Patrick J. Allen at the address indicated above.

Very truly yours,
