INTERSTATE COMMERCE COMMISSION

Dear Mrs. Lee:

INTERSTATE COMMERCE COMMISSION

Enclosed are the six documents we discussed on the telephone last Friday. In accordance with your subsequent call, I have attached a filing fee of \$20 on each one. My understanding is that these documents will be recorded under Number 8261, the number of the document conveying them from Penn Central to Consolidated Rail Corporation, and will be restored from the name of the Trustee back to the name of the Lessor.

Thank you for your continuing cooperation in this matter. I am hopeful that this method for current submissions will avoid future problems. We will also do our best to straighten out the overall problem with numbering, beginning with the Recordation Numbers about which Mary Ann Oster has inquired.

Sincerely,

Beth Blaskey

Agatha Mergenovich
Secretary
Interstate Commerce Commission
Washington, D.C. 20423

Dear Ms. Mergenovich:

Enclosed is an original and two counterparts of the document described below, to be recorded pursuant to Section 11303 of Title 49 U.S. Code.

This document is a Consent and Agreement, a secondary document, dated June 1, 1980. The primary document to which this is connected, a Lease originally filed with the I.C.C. under Recordation Number 7183, was conveyed to Consolidated Rail Corporation by a document filed with the I.C.C. under Recordation Number 8261. The secondary document covers Equipment including nine GP-38-2 and twenty-four SW-1500 locomotives.

The names and addresses of the parties to the documents are as follows:

Cross index under 8261
Electro-Motive Leasing Corporation *Lesser*
Room 2600
767 Fifth Avenue
New York, NY 10022

The Penn Central Transportation Company ✓
as predecessor-in-interest to
Consolidated Rail Corporation

A short summary of the document to appear in the index follows:

Consent and Agreement, a supplement to a Lease between Penn Central Transportation Company and Electro-Motive Leasing Corporation, with Recordation Number 7183, conveyed to Consolidated Rail Corporation by a document filed with the I.C.C. under Recordation Number 8261, dated June 1, 1980, and covering Equipment including nine GP-38-2 and twenty-four SW-1500 locomotives.

Very truly yours,

John F. Fansmith, Jr.
General Attorney - Corporate

INTERSTATE COMMERCE COMMISSION
CONSENT AND AGREEMENT

CONSENT AND AGREEMENT dated as of June 1, 1980 by Electro-Motive Leasing Corporation, a Delaware corporation ("Electro-Motive"), and United States Trust Company, a New York corporation ("United States Trust").

WHEREAS, General Motors Corporation, a Delaware corporation ("General Motors"), and Electro-Motive entered into a Purchase Contract dated as of August 20, 1973 covering the purchase of locomotives, including 9 GP-38-2 and 24 SW-1500 locomotives ("Equipment");

WHEREAS, Electro-Motive and George P. Baker, Richard C. Bond, Jervis Langdon, Jr., as Trustees of the property of Penn Central Transportation Company ("Penn Central") entered into a Lease of Railroad Equipment dated as of October 8, 1973 ("Lease");

WHEREAS, Electro-Motive, General Motors, the Lenders listed in Schedule A thereto and United States Trust entered into a Loan and Financing Agreement dated as of September 10, 1973;

WHEREAS, Electro-Motive, General Motors, and United States Trust Company entered into an Equipment Note Agreement dated as of October 8, 1973, whereby Electro-Motive assigned

to the United States Trust all its right, title and interest in the Equipment and Lease;

WHEREAS, the Lease was conveyed to Consolidated Rail Corporation, a Pennsylvania corporation ("Conrail"), pursuant to the Regional Rail Reorganization Act of 1973 as amended;

WHEREAS, pursuant to Section 18 of the Lease Conrail is restricted from leasing the Equipment to any other railroad company without the prior written consent of Electro-Motive or United States Trust;

WHEREAS, it is desirable to sublease the Equipment in off-peak periods to improve the utilization of equipment;

WHEREAS, modern operational techniques of in-through or run-through service, requiring off-line use of locomotives, offer significant revenue earning opportunities and are therefore desirable; and

WHEREAS, the Association of American Railroads Contract Committee has circulated to member railroads a suggested form for a sample Run-Through Agreement, indicating the industry's adoption of run-through service in its operation.

NOW, THEREFORE, Electro-Motive and United States Trust consent and agree to the following:

- (i) Conrail may sublease the Equipment to, or permit their use by, a user incorporated in the United States of America (or any State thereof or the District of Columbia), upon lines of railroads owned or operated by such user or by a railroad company or companies incorporated in the United

States of America (or any State thereof or the District of Columbia), or over which such user, or such railroad company or companies have trackage rights or rights for operation of their trains; provided, however, that the prior written consent of Electro-Motive and United States Trust must be obtained for any sublease that is for a term longer than nine months or is renewable for a term more than nine months and further provided that all of the obligations and duties of Conrail under the Lease shall remain in full effect during the term of any such sublease and that nothing in such sublease shall terminate, reduce, diminish or otherwise change the rights of Electro-Motive and United States Trust under the Lease;

- (ii) Conrail may use the Equipment upon the lines of railroad of connecting and other carriers in the usual interchange of traffic or in-through or run-through service. ✓

This Consent and Agreement, when accepted by Electro-Motive and United States Trust by signing the acceptance at the foot hereof, shall be deemed to be a contract for the benefit of Electro-Motive and United States Trust and their successors and assigns under the laws of the State of New

York and, for all purposes, shall be construed in accordance with the laws of said State.
