AMENDED AND RESTATED PARTICIPATION AGREEMENT AND AMENDMENT ("this Agreement") dated as of February 1, 1983, among FIRST SECURITY BANK OF UTAH, N.A., a national banking association (the "Agent"), TRANSAMERICA EQUIPMENT LEASING COMPANY, INC., a Delaware corporation, and COMMERCIAL NATIONAL BANK IN SHREVEPORT, a national banking association (severally an "Owner" and collectively the "Owners"), FIRST SECURITY STATE BANK, a Utah banking corporation, not in its individual capacity but solely as trustee (the "Vendee") under a Restated Trust Agreement with the Owners dated as of May 25, 1981 (the "Trust Agreement"), SEABOARD SYSTEM RAILROAD, INC. (formerly Seaboard Coast Line Railroad Company), a Virginia corporation (the "Lessee" or the "Builder"), the PARTY NAMED IN SCHEDULE A HERETO (the "Original Investor" and collectively with its successors and assigns, including each Permanent Investor, "Investors" and individually an "Investor") and the PARTIES NAMED IN SCHEDULE B HERETO (individually, a "Permanent Investor" and collectively, together with successors and assigns, the "Permanent Investors").

The parties hereto (other than the Permanent Investors) have entered into a Participation Agreement dated as of May 25, 1981 (the "Participation Agreement"), providing for the leverage lease financing of the reconstruction of the units of used railroad equipment described in Schedule A of the Reconstruction and Conditional Sale Agreement hereinafter referred to.

The Owners, pursuant to the Trust Agreement, have authorized and directed the Vendee to acquire units of used railroad equipment (the "Hulks") from the Lessee pursuant to a Hulk Purchase Agreement dated as of May 25, 1981, as amended by Amendment Agreement No. 1 dated as of May 25, 1981 (the "First Amendment"), and Amendment Agreement No. 2 dated as of January 15, 1982 (the "Second Amendment") (the "Hulk Purchase Agreement"). The Vendee has transferred to the Agent, and the Agent has acquired, security title to the Hulks pursuant to a Transfer Agreement dated as of May 25, 1981, as amended by the First Amendment and the Second Amendment (the "Transfer Agreement"). The Agent, the Vendee and the Builder have entered into a Reconstruction and

Conditional Sale Agreement dated as of May 25, 1981, as amended by the First Amendment and the Second Amendment (the "RCSA"), pursuant to which the Builder has reconstructed the Hulks in accordance with the Owners' specifications for the Agent (as holder of security title) and the Vendee (the reconstructed Hulks being hereinafter called the "Equipment"). The Agent sold its security title in the Equipment to the Vendee upon completion of reconstruction, reserving a security interest therein. It is understood that the Vendee, notwithstanding the foregoing, will at all times remain the owner of the Hulks and the Equipment, the interests of the Agent being only a security interest reserved under the RCSA and security title reserved under the Transfer Agreement. The Owners and the Lessee have entered into a Tax Indemnity Agreement dated as of May 25, 1981 (the "Indemnity Agreement"), with respect to certain income tax consequences of the transactions contemplated hereby.

The Vendee has leased the Equipment to the Lessee pursuant to a Lease of Railroad Equipment dated as of May 25, 1981, as amended by the First Amendment and the Second Amendment (the "Lease"). The Vendee has, for security purposes, assigned certain of its rights in, to and under the Lease to the Agent pursuant to an Assignment of Lease and Agreement dated as of May 25, 1981 (the "Lease Assignment"), until the Vendee fulfills all its obligations under the RCSA. The Lessee has consented to the terms and conditions of the Lease Assignment pursuant to a Lessee's Consent and Agreement (the "Consent") attached to the Lease Assignment.

The RCSA, the Transfer Agreement, the Lease, the Lease Assignment and the Hulk Purchase Agreement were filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 on July 2, 1981, at 1:30 p.m., Recordation Nos. 13172, 13172-A, 13172-B, 13172-C and 13172-D, respectively. The First Amendment was filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 on August 19, 1981, at 11:50 a.m., Recordation No. 13172-E, and the Second Amendment was similarly filed on February 24, 1982, at 12:15 p.m., Recordation No. 13172-F. Conformed copies of the Documents (as hereinafter defined), other than this Agreement, have been furnished to the parties hereto.

All the Equipment has been purchased under the RCSA and the Builder has been paid in full for the Equipment.

On the Take Out Date hereinafter defined, the Original Investor will hold \$8,426,212.14 of CSA Indebtedness (as defined in Article 3 of the RCSA), \$7,782,060.18 of which it intends to sell to the Permanent Investors and which the Permanent Investors intend to purchase from the Original Investor on the Take Out Date. On such Take Out Date the outstanding CSA Indebtedness will be reduced by \$644,151.94 by way of an increase in the cash investment of the Owners in proportion to each Owner's original cash investment under the Trust Agreement, which increase will be paid by the Owners to the Original Investor pursuant to this Agreement.

The parties hereto desire to amend and restate the Participation Agreement and to amend the RCSA, the Lease, the Lease Assignment and the Trust Agreement, as herein set forth.

In consideration of the mutual agreements hereinafter contained, the parties hereto agree as follows:

1. Subject to the terms and conditions hereof, (a) each Permanent Investor will pay to the Agent, in Federal or other immediately available funds in Salt Lake City, Utah, not later than 11:00 a.m., Utah time, on March 8, 1983 (the "Take Out Date"), an amount equal to the amount of the commitment set forth opposite such Permanent Investor's name in Schedule B hereto (such amounts hereinafter being referred to collectively as the "Take Out Amount"), (b) each Owner will pay to the Agent, in immediately available funds in Salt Lake City, Utah, not later than 11:00 a.m., Utah time, on the Take Out Date an amount equal to the amount of such Owner's increase in its cash investment set forth opposite such Owner's name in Schedule B-1 hereto, in the aggregate amount of \$644,151.94, representing an increase in the cash investment by the Owners (the "Equity Increase") and the CSA indebtedness will be reduced by a like amount, and (c) the Lessee will pay to the Agent, as additional rental under the Lease, in Federal or other immediately available funds in Salt Lake City, Utah, not later than 11:00 a.m., Utah time, on the Take Out Date an amount equal to the unpaid interest on the outstanding CSA Indebtedness accrued to the Take Out Date calculated as provided in Article 3 of the RCSA prior to the amendment thereof pursuant to this Agreement.

Subject to the terms and conditions hereof, upon payment to the Agent on the Take Out Date of the amounts to be paid by each Permanent Investor, by each Owner and by the

Lessee pursuant to this Paragraph 1, the Agent will pay to the Original Investor an amount equal to the unpaid CSA Indebtedness held by the Original Investor (as shown in Schedule A hereto) plus accrued and unpaid interest thereon; and the Original Investor, simultaneously with the payment to it of such amount, will surrender its certificate of interest to the Agent for cancelation. The Agent hereby represents and warrants to the Permanent Investors that the Take Out Amount equals the unpaid principal amount of the CSA Indebtedness which will be outstanding on the Take Out Date less the Equity Increase and that immediately following the transactions provided for by this Agreement the Permanent Investors will be the holders of all the CSA Indebtedness outstanding, and the Original Investor hereby represents and warrants to the Permanent Investors and the Owners that on the Take Out Date it will be the holder of all such outstanding CSA Indebtedness.

Upon payment to the Agent of the amounts required to be paid on the Take Out Date by the Permanent Investors pursuant to this Paragraph 1, the Agent will execute and deliver to each Permanent Investor (or, upon written request of a Permanent Investor, to the nominee or nominees of such Permanent Investor), a certificate or certificates of interest with respect to such payment, substantially in the form annexed hereto as Annex A, containing the appropriate information and dated the Take Out Date.

The parties hereto agree that, subject to the payment by the Permanent Investors, by each Owner and by the Lessee of the amounts to be paid pursuant to this Paragraph 1, from and after the Take Out Date (a) the Original Investor hereby transfers and assigns without recourse, except as to the representation and warranty made by such Original Investor in the second paragraph of this Paragraph 1, to the Permanent Investors all its right, title and interest in and to the CSA Indebtedness less the Equity Increase, (b) the cash investment of the Owners (described as the "Down Payment" in clause (b) of the third paragraph of Article 3 of the RCSA) shall be increased, as reflected by the payment of the Equity Increase by the Owners to the Original Investor and as set forth in Schedule B-1 hereto, (c) the Participation Agreement shall be amended and restated and the RCSA, the Lease, the Lease Assignment and the Trust Agreement shall be amended as set forth herein and (d) unless the context otherwise requires, the terms "RCSA", "Lease", "Lease Assignment" and "Trust Equipment" as used in the Documents (as hereinafter defined) shall mean, respectively, the RCSA, the Lease, the Lease Assignment and the Trust

Agreement, each as amended hereby, and the term "Participation Agreement" as used in any of such Documents, other than this Agreement, shall mean this Agreement.

All transactions pursuant hereto which shall occur on the Take Out Date shall be deemed for purposes of this Agreement, the RCSA and the Lease to have occurred simultaneously.

The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Jacksonville, Florida, Salt Lake City, Utah, San Francisco, California, Shreveport, Louisiana, or New York, New York, are authorized or obligated to remain closed.

As soon as practicable after the delivery of any certificate of interest, the Agent will deliver to the holder thereof a schedule of payments reflecting the dates and amounts of principal and interest payments to be made in respect of such certificate. Each Permanent Investor, simultaneously with the final payment to it of all amounts payable in respect of such certificate, will surrender such certificate to the Agent.

Pursuant to the Lease Assignment, the Agent has acquired for security purposes certain of the rights of the Vendee in, to and under the Lease.

This Agreement, the Trust Agreement, the RCSA, the Transfer Agreement, the Lease, the Lease Assignment, the Consent, the Indemnity Agreement and the Hulk Purchase Agreement are collectively called the "Documents" and the Documents to which any party hereto is a party are called "its Documents". The Agent will not enter into or consent to any modification or supplement to such forms that could adversely affect the interests of the Investors without the prior written approval of the Investors.

The Agent will hold the moneys deposited with it pursuant hereto and the rights under the RCSA and the Transfer Agreement and security title to the Hulks and the Equipment following delivery and acceptance, as provided in the RCSA and the Transfer Agreement, the security interest in the Lease and any payments received by it pursuant to the Lease Assignment and the Consent in trust for the benefit of the Investors in accordance with their respective interests therein as such interests from time to time shall appear. The interests of the Investors in each installment of the

aggregate CSA Indebtedness shall be in proportion to their respective investments in the aggregate CSA Indebtedness, plus accrued and unpaid interest from time to time outstanding. The obligations of the Agent hereunder as such title holder and with respect to the payments to the Investors to be made by the Agent are only those expressly set forth herein.

2. The Lessee (in its capacity as both Lessee and Builder) represents and warrants as follows:

(a) The Lessee is a corporation duly incorporated, validly existing and in good standing under the laws of the Commonwealth of Virginia and is duly qualified to do business and is in good standing in all such other jurisdictions in which the business and activities of the Lessee require such qualification.

(b) The Lessee (i) has full power, authority and legal right to carry on its business as now conducted and is duly authorized and empowered to execute and deliver its Documents and to fulfill and comply with the terms, conditions and provisions thereof and (ii) its Documents have been duly authorized, executed and delivered and, assuming due authorization, execution and delivery thereof by the other parties thereto, they constitute valid, legal and binding agreements, enforceable in accordance with their respective terms.

(c) There are no actions, suits or proceedings (whether or not purportedly on behalf of the Lessee) pending or (to the knowledge of the Lessee) threatened against or affecting the Lessee or any property or rights of the Lessee, at law or in equity, or before any commission, arbitrator or other administrative agency (i) which involve any of the Hulks or the Equipment or the transactions contemplated hereby or (ii) which, if adversely determined could materially and adversely affect the ability of the Lessee to perform its obligations under its Documents; and the Lessee is not in default in any material respect with respect to any order or decree of any court or governmental commission, agency or instrumentality which could have a material adverse affect on the Lessee.

(d) The Lessee is not a party to any agreement or instrument or subject to any charter or other corporate restriction materially and adversely affecting its

business, operations, property, assets or condition, financial or otherwise.

(e) Neither the execution and delivery of its Documents nor the consummation of the transactions therein contemplated or the fulfillment of, or compliance with, the terms and provisions thereof will conflict with, or result in a breach of, any of the terms, conditions or provisions of the Restated Articles of Incorporation (as amended to date) or the By-laws (as amended to date) of the Lessee or of any bond, debenture, note, mortgage, indenture, agreement or other instrument to which the Lessee is now a party or by which it or its property may be bound, or constitute (with or without the giving of notice or the passage of time or both) a default thereunder, or result in the creation or imposition of any lien, charge, security interest or other encumbrance of any nature whatsoever upon any property of the Lessee or upon any Hulk or any unit of the Equipment pursuant to the terms of any such agreement or instrument, other than the security interest granted under the Transfer Agreement and the RCSA and the leasehold interest granted under the Lease.

(f) Neither the execution and delivery by the Lessee of its Documents nor the consummation of the transactions therein contemplated nor the fulfillment of, or compliance with, the terms and provisions thereof will conflict with, or result in a breach of, any of the terms, conditions or provisions of any law or any regulation, order, injunction or decree of any court or governmental instrumentality or arbitrator applicable to the Lessee.

(g) No authorization or approval of any governmental or public body or authority is required in connection with the execution and delivery by the Lessee of its Documents or the fulfillment of or compliance with the terms, conditions and provisions thereof or the consummation of the transactions contemplated thereby.

(h) The Lessee has filed all foreign, Federal, state and local tax returns which are required to be filed and has paid or made adequate provisions for the payment of all taxes which have or may become due pursuant to such returns or pursuant to any assessment received by it, other than taxes which are being contested in good faith with due diligence by appropriate

proceedings and which in the aggregate do not involve a material unreserved amount.

(i) The Lessee has not directly, or indirectly through any agent, offered or sold any of the CSA Indebtedness, equity participation in the Trust Estate or other securities to, solicited offers to buy any of the CSA Indebtedness, equity participation in the Trust Estate or other securities from, or otherwise approached or negotiated in respect of the purchase or sale or other disposition of any of the CSA Indebtedness, equity participation in the Trust Estate or other securities with, any person so as to bring the sale of the CSA Indebtedness, equity participation in the Trust Estate or any other securities involved in this transaction within the provisions of Section 5 of the Securities Act of 1933. The Lessee will not directly, or indirectly through any agent, offer any conditional sale indebtedness, equity participation in the Trust Estate or other securities to, or solicit any offer to buy any thereof from, any other person or approach or negotiate with any other person in respect thereof, so as to bring the sale of the CSA Indebtedness, equity participation in the Trust Estate or any other securities involved in this transaction within the provisions of Section 5 of such Securities Act.

(j) The Lessee has furnished to the Owners and the Investors the balance sheets of the Lessee as of December 31, 1979, 1980 and 1981, and as of September 30, 1982, and the related statements of income and retained earnings for the periods then ended; such financial statements are in accordance with the books and records of the Lessee and have been prepared in accordance with accounting principles required for railroads by the Interstate Commerce Commission, applied on a consistent basis throughout the periods covered thereby and on a basis consistent with prior periods; and such financial statements present fairly the financial condition of the Lessee at such dates and the results of its operations for such periods. There has not been any material adverse change in the financial condition of the Lessee as set forth in such financial statements or in the business or operations of the Lessee since September 30, 1982, which would impair the ability of the Lessee to carry out the terms of the Lease.

(k) The Lessee is not entering into its Documents, or any other document or transaction contemplated hereby or thereby, directly or indirectly in connection with any arrangement or understanding by it in any way involving any employee benefit plan (other than a governmental plan) with respect to which it or, to the best of its knowledge, either Owner, the Vendee or any Investor is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Lessee will not knowingly sublease any of the Equipment subject to the Lease to any person which is at the time a party in interest with respect to any employee benefit plan the assets of which were used by either Owner, the Vendee or any Investor in making their investments pursuant to this Agreement, all within the meaning of ERISA.

(l) There is no fact known to the Lessee which the Lessee has not disclosed to the Investors and the Owners in writing which materially and adversely affects or, so far as the Lessee can now foresee, will materially and adversely affect the ability of the Lessee to perform its obligations under its Documents.

(m) No mortgage, deed of trust or other lien of any nature whatsoever which now covers or affects any property or interest therein of the Lessee will at the time of delivery and acceptance thereof, or thereafter, attach to any Hulk or the related unit of Equipment or in any manner affect adversely the right, title and interest of the Vendee or the Agent therein; provided, however, that such liens may attach to the rights of the Lessee under the Lease in and to the Equipment.

(n) All the Equipment is in good order, repair and condition, ordinary wear and tear excepted, has a useful life of not less than 14 years commencing as of the First Delivery Date (as defined in the Participation Agreement) and has been maintained as required by Section 6 of the Lease, except to the extent any unit of Equipment has suffered a Casualty Occurrence (as defined in Article 5 of the RCSA).

3A. Each Owner represents and warrants as follows:

(a) Such Owner has not directly, or indirectly through any agent, offered or sold any of the CSA Indebtedness or other securities to, solicited offers to buy any of the CSA Indebtedness or other securities from, or otherwise approached or negotiated in respect

of the purchase or sale or other disposition of any of the CSA Indebtedness or other securities with, any person so as to bring the sale of the CSA Indebtedness or any other securities involved in this transaction within the provisions of Section 5 of the Securities Act of 1933. Such Owner will not directly, or indirectly through any agent, offer any conditional sale indebtedness or other securities to, or solicit any offer to buy any thereof from, any other person or approach or negotiate with any other person in respect thereof, so as to bring the sale of the CSA Indebtedness or any other securities involved in this transaction within the provisions of Section 5 of said Securities Act.

(b) Such Owner is a corporation duly incorporated, validly existing and in good standing under the laws of its state of incorporation.

(c) Such Owner is duly authorized and empowered to execute and deliver its Documents and to fulfill and comply with the terms, conditions and provisions thereof.

(d) Such Owner has duly authorized, executed and delivered its Documents and, assuming due authorization, execution and delivery thereof by the other parties thereto, if any, such Documents constitute legal, valid and binding agreements of such Owner, enforceable against such Owner in accordance with their terms.

(e) Such Owner made its investment in the Hulks and the Equipment with its general assets, and not directly or indirectly with the assets of, or in connection with any arrangement or understanding in any way involving, any employee benefit plan (other than a governmental plan), all within the meaning of ERISA. Such Owner covenants that it will not knowingly transfer its interest in such investment directly or indirectly to, or in connection with any arrangement or understanding in any way involving, any employee benefit plan with respect to which such Owner, the other Owner, the Vendee, any Investor or the Lessee is at the time a party in interest, all within the meaning of ERISA.

(f) Neither the execution and delivery by such Owner of its Documents nor the consummation of the

transactions therein contemplated or the fulfillment of, or compliance with, the terms and provisions thereof will conflict with, or result in a breach of, any of the terms, conditions or provisions of the charter documents or the By-laws of such Owner or of any bond, debenture, note, mortgage, indenture, agreement or other instrument to which such Owner is now a party or by which it or its property may be bound, or constitute (with the giving of notice or the passage of time or both) a default thereunder.

3B. The Vendee represents and warrants, both in its individual and fiduciary capacity, as follows:

(a) The Vendee is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Utah.

(b) The Vendee has full power, authority and legal right to carry on its business as now conducted and is duly authorized and empowered to execute and deliver its Documents and to fulfill and comply with the terms, conditions and provisions thereof.

(d) The Vendee represents that, assuming the accuracy of the representation by each Permanent Investor in the second paragraph of Paragraph 4B, the Lessee's representation in Paragraph 2(k) and the representation of each Owner in Paragraph 3A(e), to its actual knowledge, it is not entering into its Documents or any other transaction contemplated hereby directly or indirectly in connection with any arrangement in any way involving any employee benefit plan or related trust (other than a governmental plan) with respect to which it in its individual capacity, or to its knowledge, either Owner, any Investor or the Lessee is a party in interest, all within the meaning of ERISA and the Code.

(e) The execution, delivery and performance by the Vendee of its Documents has been duly authorized by all necessary corporate action on the part of the Vendee, does not contravene any law, governmental rule or regulation of the State of Utah, or of the United States of America governing the banking or trust powers of the Vendee, or any judgment, decree or order binding on the Vendee or its properties or the Articles of Incorporation or By-laws of the Vendee and does not and will not contravene the provisions of, or constitute a default (either with or without notice or lapse of time) under, or subject the Trust Estate to any lien (other than that created by the RCSA) under, any indenture, mortgage, contract or other instrument to which the Vendee is a party or by which it is bound.

6. The Agent will accept payments made to it by or for the account of the Vendee pursuant to the RCSA on account of the principal of or interest on the CSA Indebtedness and will apply such payments promptly; first, to the pro rata payment of interest payable to each Permanent Investor on its interests in the CSA Indebtedness and, second, to the pro rata payment of its interests in the installments of CSA Indebtedness in the order of maturity thereof until the same shall have been paid in full.

The Agent will accept all sums paid to it pursuant to Article 5 of the RCSA with respect to Casualty Occurrences (as therein defined) and will apply such sums to the

pro rata prepayment of each of the installments of the aggregate CSA Indebtedness remaining unpaid (in proportion to the principal amount of aggregate CSA Indebtedness represented by each such installment), without premium, together with interest accrued and unpaid on such prepaid CSA Indebtedness and will distribute such prepayment and interest thereon pro rata among the Investors in accordance with their respective interests in the installments of CSA Indebtedness being prepaid. The Agent will furnish to each Permanent Investor a revised schedule or schedules of payments showing the reduction of such holder's interest in the installments of the aggregate CSA Indebtedness remaining unpaid and the interest payable thereon.

Notwithstanding anything to the contrary contained herein, if a Declaration of Default (as defined in the RCSA) is in effect, all moneys held by or coming into the possession of the Agent under the RCSA or the Lease applicable to the payment or prepayment of CSA Indebtedness or interest thereon (including, without limitation, the net proceeds of any repossession and sale or lease of any unit of the Equipment after deduction of all expenses, including reasonable counsel fees, incurred by the Agent in connection with such repossession and sale or lease or otherwise hereunder in connection with the RCSA which shall not theretofore have been reimbursed to the Agent by the Vendee pursuant to the RCSA) immediately shall be distributed by the Agent pro rata among the Investors in accordance with their respective interests in the CSA Indebtedness thereunder at the time of such distribution and the Agent shall otherwise take such action as is referred to in this Paragraph 6.

All payments to be made by the Agent hereunder shall (subject to timely receipt by the Agent of available funds) be made by check mailed to the Investors on the date such payment is due or, upon written request of any Investor, by bank wire transfer of immediately available funds to such Investor at such address as may be specified in Schedules A or B hereto or otherwise to the Agent in writing. Execution and delivery of this Agreement by an Investor shall be deemed a written request by such Investor to receive its payments from the Agent by bank wire transfer of immediately available funds.

So long as, to the actual knowledge of the Agent, the Lessee is not in default under this Agreement, and no event of default or event which with lapse of time and/or demand provided for in the RCSA or the Lease could constitute an event of default under the RCSA or an Event of Default under the Lease shall have occurred and be continuing (a "Default"), the Agent shall be entitled to use its

discretion with respect to exercising or refraining from exercising any rights or taking or refraining from taking any action which may be vested in it, or which it may be entitled to assert or take, under the Documents, except as otherwise specifically provided herein. The Agent shall not incur any liability hereunder or otherwise in acting upon any notice, certificate or other paper or instrument believed by it to be genuine and signed by the proper party or parties, or with respect to anything which it may do or refrain from doing in the exercise of its best judgment, or which may seem to it to be necessary or desirable in the premises, except liability resulting from its own misconduct or negligence; provided, however, that in case the Agent shall have actual knowledge in its Corporate Trust Department of the occurrence of a Default it shall promptly notify each Owner, the Vendee, the Lessee and the Permanent Investors thereof. The Agent shall take such action and assert such rights under the Documents as shall be agreed upon by holders of interests totaling more than a majority of the aggregate CSA Indebtedness then outstanding. In case the Agent is required to take action hereunder, it shall first be entitled to be indemnified in writing to its reasonable satisfaction against any liability or expense, including reasonable counsel fees, and for the Agent's reasonable fees in connection with taking such action or asserting such rights by the holders of the CSA Indebtedness, in proportion to each holder's interest in the aggregate outstanding CSA Indebtedness.

The Agent may consult with legal counsel of its own choice, and shall not be under any liability for any action taken or suffered in good faith by it in accordance with the opinion of such counsel.

The Agent will promptly mail or deliver one counterpart or copy of all notices, statements, documents or schedules received by it from the Vendee or the Lessee pursuant to the RCSA or the Lease to each Permanent Investor.

All notices, instructions, directions and approvals to be delivered hereunder to the Agent by any Investor shall be in writing signed by an officer, assistant officer, manager or assistant manager of such Investor, and the Agent may rely on any notice, instruction, direction or approval so signed.

The Agent does not make any representation or assume any responsibility with respect to (i) the validity

of the Documents or any certificate of interest (except with respect to its own execution thereof) or any of the matters covered thereby or (ii) the value of or the title to the Equipment.

In the event of any dispute with respect to the delivery or ownership or right to possession of funds or documents at any time held by the Agent hereunder, or with respect to title to any unit of the Hulks or the Equipment, the Agent is hereby authorized and directed to retain, without liability to anyone, all or any of such funds or documents or title to such unit until such dispute shall have been settled either by agreement of the parties concerned or by final order, decree or judgment of a court of competent jurisdiction. The Agent shall invest any funds so held by it as may be instructed by the holders of interests totaling more than a majority of the aggregate CSA Indebtedness then outstanding in such of the following as may be specified in such direction: (i) direct obligations of the United States of America or obligations for which the full faith and credit of the United States of America is pledged to provide for the payment of principal and interest or (ii) commercial paper rated A-1 or P-1, or their equivalents, by Standard & Poor's Corporation or Moody's Investors Service, Inc., respectively, or their successors.

The Agent shall be entitled to terminate its duties and responsibilities hereunder by giving written notice to each Permanent Investor, each Owner and the Lessee that it desires to terminate such duties and responsibilities on a date (at least 60 days subsequent to the giving of such notice) stated in said notice; it being understood and agreed that the Agent shall also give such notice if it is directed so to do by the holders of interests totaling more than a majority of the aggregate CSA Indebtedness then outstanding. If, prior to the date stated in said notice, the holders of interests totaling more than a majority of the aggregate CSA Indebtedness then outstanding shall have requested in writing that the Agent assign to a person or institution designated by such holders all right, title and interest of the Agent under the Documents and in and to the Hulks and the Equipment, the Agent shall comply with such request. In the event that such request is not received by the Agent on or before the date designated in said notice, the Agent shall be entitled, but shall not be obligated, to appoint a successor to act hereunder (which successor shall be a bank or trust company located in any state of the United States of America, having capital and surplus aggregating at least \$100,000,000) and to assign to such

successor, subject to the provisions of this Agreement, all such right, title and interest of the Agent. Upon such assignment by the Agent to a person or institution designated by such holders or, in the absence of such designation, to a successor appointed by the Agent, the Agent shall thereupon be relieved of all duties and responsibilities hereunder.

7A. The Lessee hereby confirms, and agrees to pay and perform, for the benefit of each Owner, the Permanent Investors, the Vendee and the Vendor, the indemnities and undertakings of the Lessee contained in Sections 5 and 8 of the Lease. The aforesaid indemnities and undertakings shall survive the termination of any or all of this Agreement or the other Documents and shall survive the payment of the CSA Indebtedness and all amounts due under the Lease.

7B. The Owners shall pay or cause Matrix Leasing International to pay (i) all of the costs and expenses incurred by the Agent in connection with the preparation, execution, filing and delivery of the Documents other than this Agreement, including the fees and disbursements of Messrs. personally liable, on a full recourse basis, for the obligations under those provisions.

12. The Vendee shall be the owner of the Hulks and the Equipment into which the Hulks are reconstructed from the moment of valid acceptance of each related Hulk under the Hulk Purchase Agreement, and nothing in any Document or any other document contemplated thereby shall be construed in such a manner as to deprive the Vendee of such ownership.

13A. Each Owner agrees to be personally liable, on a full recourse basis, to pay or discharge or cause the Vendee to discharge any and all liens, charges or security interests claimed by any party from, through or under such Owner or its successors and assigns, not arising out of the ownership of the Equipment or the transactions contemplated hereby (but including tax liens arising out of the receipt by such Owner of rentals and other payments under the Lease, this Agreement and any other proceeds of the Equipment unless the Lessee has agreed under the Lease to pay or discharge such taxes), on or with respect to the Equipment, or any unit thereof, or such Owner's or the Vendee's interest in the Lease and the payments to be made thereunder, but such Owner shall not be required to pay or discharge any such lien, charge or security interest so long as the validity or priority thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder. Each Owner's obligations under this Paragraph 13A shall be secured by the RCSA and the Lease Assignment.

13B. The Vendee, in its individual capacity, agrees to pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Vendee or its successors and assigns, not arising out of the ownership of the Equipment or the transactions contemplated hereby (but including tax liens unless the Lessee has agreed under the Lease to pay or discharge such taxes) on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder, but the Vendee shall not be required to pay or discharge any such lien, charge or security interest so long as the validity or priority thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner

and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder. The Vendee's obligations hereunder shall be secured by and may be satisfied from the assets of the Trust Estate.

14. In the event that there is a change in or modification of law (including, without limitation, a change in or modification of any applicable Federal income tax regulations) relating to the status of the trust formed by the Trust Agreement (the "Trust") for Federal income tax purposes at any time during the term of the Lease (including any extensions thereof) which prevents outside counsel for the Owners from rendering an opinion that, after taking such change into account, the Trust will continue to be treated as a partnership rather than an association taxable as a corporation, then the parties hereto agree that, at the election of the Owners, either (i) the Trust Agreement will be amended in a manner reasonably satisfactory to the Owners if such amendment permits such counsel to render an unqualified opinion to that effect, or (ii) if no satisfactory amendment pursuant to clause (i) above is determined, the assets and liabilities of the Trust will be distributed to and assumed by a partnership the only partners of which will be the Owners, or (iii) no action will be taken. No action may be taken pursuant to the immediately preceding sentence, however, if such action would, in the reasonable opinion of the Agent, have an adverse effect upon the interests of the Permanent Investors. Any such amendment, any amendments to the other Documents resulting therefrom, and any other expenses, including counsel fees and including filings, in connection therewith, will be at the expense of the Owners.

15. Subject to the payment of the amounts to be paid by each Permanent Investor, by each Owner and by the Lessee pursuant to Paragraph 1 hereto, the parties to the RCSA agree that the RCSA shall be amended as follows:

(a) Article 3 of the RCSA is amended to delete the third, fourth, fifth, sixth, seventh and eighth paragraphs thereof and the following is substituted therefor:

"The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay (and the Builder is hereby constituted a third party beneficiary of such obligation) in immediately available funds to the Vendor at such place

as the Vendor may designate, the Purchase Price of each Group of the Equipment, as follows:

"(a) in installments, as hereinafter provided, an amount (the "CSA Indebtedness") equal to (i) 71.5% of the aggregate of the Purchase Prices of the units of the Equipment in the Group for which settlement is then being made as set forth in the Invoice or Invoices therefor (the "Invoiced Purchase Prices") minus (ii) \$644,151.94; and

"(b) on the Closing Date with respect to each Group an amount (the "Down Payment") equal to the aggregate Purchase Price of such Group, less the amount payable pursuant to subparagraph (a) (i) of this paragraph.

"The installments of the CSA Indebtedness shall be payable on August 1, 1982, February 1, 1983, and on each February 1 thereafter, to and including February 1, 1992, or, if any such date is not a business day, on the next succeeding business day (each such date being hereinafter called a "Payment Date"). The unpaid balance of the CSA Indebtedness shall bear interest to the Take Out Date (as defined in the Participation Agreement) as provided in Article 3 of this Agreement as originally executed in 1981 (without giving effect to any amendments thereof) and after the Take Out Date at the rate of 12-1/4% per annum and shall be payable, to the extent accrued on the Take Out Date and each August 1 and February 1 thereafter to and including February 1, 1992. The installments of principal payable on August 1, 1982, and February 1, 1983, shall be in amounts equal \$623.68 and \$42,448.38, respectively, for each \$1,000,000 of CSA Indebtedness outstanding. The installments of principal payable on each Payment Date after February 1, 1983, shall be calculated as set forth in Schedule I hereto and the aggregate of such installments of principal will completely amortize the CSA Indebtedness.

"The Vendee may, at its option, pay interest accrued on the CSA Indebtedness to December 31 of each year on or prior to that date.

"Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months, except that interest due on August 1, 1983, shall be

calculated on an actual elapsed day, 365-day year, basis.

"The Vendee will pay interest at the rate of 13-1/4%, to the extent legally enforceable, upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof, anything herein to the contrary notwithstanding (the "Penalty Rate")."

Article 3 of the RCSA is further amended to delete the reference to "the fifth paragraph of this Article 3" in the ninth paragraph thereof.

(b) Article 5 of the RCSA is amended (i) to delete "Paragraph 10 of the Participation Agreement" in the fourth sentence of the first paragraph thereof and "Paragraph 6 of the Participation Agreement" is substituted therefor and (ii) to delete the third paragraph thereof and the following is substituted therefor:

"The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the CSA Indebtedness with respect to such unit remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit or Equipment), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of CSA Indebtedness in respect of Equipment made pursuant to Article 3 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of all the units of Equipment and the CSA Indebtedness with respect to any unit of Equipment shall be deemed to equal 63.189872% of the Purchase Price thereof."

(c) Article 8 and the second paragraph of Article 18 of the RCSA are amended to delete "Paragraphs 18A and 18B of the Participation Agreement" and "Paragraphs 13A and 13B of the Participation Agreement" is substituted therefor.

(d) Schedule I of the RCSA is amended to read as set forth in Schedule C hereto.

16. Subject to the payment of the amounts to be paid by each Permanent Investor, by the Owners and by the

Lessee pursuant to Paragraph 1 hereto, the parties to the Lease agree that the Lease shall be amended as follows:

(a) Section 2 of the Lease is amended to delete the first and second paragraphs thereof, and the following is substituted therefor:

"The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 20 consecutive semiannual payments in arrears on February 1 and August 1 of each year commencing August 1, 1982. The semiannual rental payments payable on August 1, 1982, and February 1, 1983, shall be in the amount calculated as provided in this Lease as originally executed in 1981 (without giving effect to any amendments thereof). The remaining semiannual rental payments shall be an amount equal to the product of the Purchase Price (as defined in the RCSA) of each Unit then subject to this Lease and the percentage set forth in Schedule C to this Lease opposite each rental payment date."

(b) Section 11 of the Lease is amended to delete "Paragraphs 18A and 18B of the Participation Agreement" in the second sentence of the second paragraph thereof and "Paragraphs 13A and 13B of the Participation Agreement" is substituted therefor.

(c) Section 12 of the Lease is amended to delete "Paragraph 18 of the Participation Agreement" in the fourth paragraph thereof and "Paragraphs 13A and 13B of the Participation Agreement" is substituted therefor.

(d) Schedule C of the Lease is amended to read as set forth in Schedule D hereto.

(e) Schedule B of the Lease is amended to read as set forth in Schedule E hereto.

17. Subject to the payment of the amounts to be paid by each Permanent Investor, by each Owner and by the Lessee pursuant to Paragraph 1 hereto, the parties to the Lease Assignment agree that subsection (a) of Section 11 thereof shall be amended to delete the words "the Vendee shall have the right, without the concurrence of the Vendor, to adjust the rentals and Casualty Value percentages pursuant to Section 2 of the Lease and to exercise the rights of the Lessor under Sections 12 and 13 of the Lease" and "the Vendee shall have the right, without the concurrence of the Vendor, to exercise the rights of the

Lessor under Sections 12 and 13 of the Lease" shall be substituted therefor.

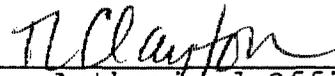

18. Subject to the payment of the amounts to be paid by each Permanent Investor, by each Owner and by the Lessee pursuant to Paragraph 1 hereto, the parties to the Trust Agreement agree that Section 1.05 thereof shall be amended to delete "Paragraph 18A of the Participation Agreement" and "Paragraph 13A of the Participation Agreement" shall be substituted therefor.

19. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute a single instrument. It shall not be necessary that any counterpart be signed by all the parties so long as each party shall deliver a counterpart signed by it to Messrs. Cravath, Swaine & Moore, special counsel for the Agent.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by duly authorized officers or other persons, as of the date first above written.
