ASSIGNMENT OF LEASE

WHEREAS, Donald W. Wilson and Leslie L. Wilson, ("Lessor") and United Grain Corporation of Oregon (hereinafter referred to as "Lessee"), have entered into a lease (herein called the "Lease") dated October 1, 1980, providing for the lease by Lessor to the Lessee of one railroad hopper car, therein described (hereinafter referred to as the "Car"); and

WHEREAS, the Lease was recorded pursuant to the provisions of Section 20c of the Interstate Commerce Act, as amended, on _____ and was assigned recordation number _____; and

WHEREAS, THE BANK OF CALIFORNIA, NATIONAL ASSOCIATION (hereinafter referred to as "Bank"), at Portland, Oregon is the secured party under a certain Railroad Equipment Security Agreement ("Security Agreement") dated as of September 24, 1980, securing the loan of certain monies to Lessor evidenced by Lessor's Note(s) and Lessor has also agreed to assign all of its rights, title and interest in and to the Lease to Bank as additional security for the Notes, all as set forth in the Security Agreement.

NOW, THEREFORE, for value received and upon the terms and conditions hereinafter set forth:

1. Lessor does hereby sell, assign, transfer and set over to Bank all of the right, title and interest of Lessor in (and to the rentals and all other amounts payable by the Lessee or any other person, firm or corporation) with respect to the Cars or under the Lease, except that any amount so payable shall continue to be paid to and received by Lessor until and unless Bank or its successors or Lessor shall notify the Lessee that an Event of Default has occurred under the terms and provisions of the Security Agreement and that payments are thereafter to be made to Bank, or its successors; and in furtherance of this Assignment and transfer, Lessor does hereby authorize and empower Bank in the event of notice of a default as aforesaid, in its own name to sue for, collect, receive and enforce all payments to be made to Lessor by the Lessee under and in compliance on the part of the Lessee with the terms and provisions of the Lease, to exercise all of the rights of Lessor under any of the provisions of the Lease, and in its discretion to take any action under the Lease or with respect to the Cars as Lessor could have taken thereunder if it had not assigned and transferred its rights therein, provided that nothing herein shall obligate Bank to take any action under the Lease or in respect of the cars.

2. Lessor warrants and covenants: (a) that on the date hereof title to the Cars and the Lease (subject to this Assignment) is vested in Lessor, that Lessor has good and lawful right to sell and assign the same as provided in the Security Agreement and herein, and that its right and title thereto is free from all liens and encumbrances, subject, however to the rights of the Bank hereunder; and (b) that notwithstanding this Assignment, it will perform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by the lessor thereunder. Lessor will cause notice of this Assignment forthwith to be given to the Lessee (together with a copy of this Assignment) and will cause to be delivered to Bank the Lessee's Acknowledgement of Assignment in the form attached hereto, as Exhibit 1.

3. Lessor represents and warrants that the Lease has been duly authorized and executed by it and by the Lessee. Lessor covenants that it will, from time to time, at the request of Bank, make, execute and deliver all such further instruments of assignment, transfer and assurance and to or cause to be done such further acts and things as Bank may reasonably request to give effect to the provisions hereof and to confirm the right, title and interest hereby assigned and transferred to Bank or intended so to be and/or to confirm that the Lease is a valid and binding obligation of the Lessee according to its terms, including without limitation by providing Bank with an opinion of counsel (selected by Lessor and satisfactory to Bank) to that effect, which opinion shall be satisfactory to Bank in form and substance.

4. Pursuant to the terms of the Security Agreement and this Assignment, Lessor shall not without the prior consent of Bank:

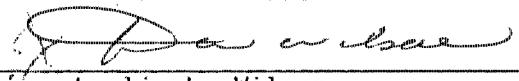

- (a) terminate, modify or accept a surrender of, or offer or agree to any termination, modification, or surrender of, the Lease (except as otherwise expressly provided in the Security Agreement) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the leasehold estate created by the Lease; or
- (b) receive or collect or permit the receipt or collection of any rental payment under the Lease prior to the date for payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Agent under the Security Agreement) any rent payment then due or to accrue in the future under the Lease in respect of the Cars; or
- (c) sell, mortgage, transfer, assign or hypothecate (other than to Bank under the Security Agreement) its interest in the Cars or any part thereof or in any amount to be received by it from the use or disposition of the Cars.

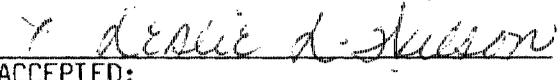

5. Upon full discharge and satisfaction of all indebtedness secured by the Security Agreement, the assignment made hereby shall terminate and all estate, right, title and interest of Bank in and to the Lease shall cease and revert to Lessor or other party entitled thereto.

6. All provisions of the Security Agreement relating to the Lease are incorporated herein by reference as are (specifically) sections 2.1, 2.2, 3.1 through 3.4 inclusive and all of section 4 of the Security Agreement.

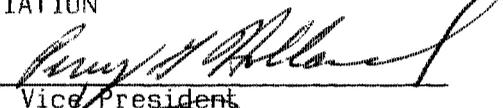

IN WITNESS WHEREOF, Lessor has executed this assignment as of the 1st day of October, 1980.
